Enclosed is your copy of **SUMMON THE PHYSICIAN**. This book comprises my four letters mailed in February, March, April and May of 1999, with minor additions and editing as explained in the **Foreword** on page iii.

For about two years I have been impressed with the scripture, "The time has come for judgment to begin at the house of the Lord . . ."¹ Then in recent months these words came, "*Righteous judgment brings forth righteousness.*" A born again believer should not fear but should seek the judgment of God. Then when His judgment comes to you it will be gentle and correctional, prompted by love, never stern or harsh, so as to put the desire within you, even the longing, to do His will. That's the way of our Lord Who is constantly calling us to Himself. As these "on course" corrections come, they will deepen our faith, allow us to see and repent of our unrighteousness and desire even more to serve Him. That's the way it has been with me since I have desired His judgment, *since I have known to desire His judgment*. How unworthy we are; how worthy He is of our total devotion. With these words of introduction, I share with you the following words given to me by the Lord on the dates as indicated.

7/13/98. *The source of all blessing is to believe what I have said and rely on it for life. For life is in My Word as it is spoken. When it is believed and spoken it **PRODUCES** life. As it further becomes known, believed and relied upon it not only becomes life, but also health, maintenance and abundant provision for man. For my abundant life is sourced from My Word. Man was spoken into existence by My Word as was all of My creation. My words are truth, spirit and life. As it was true in the beginning, it is true today, for My Word is always in the present even as I AM. When believed and acted upon by faith, My Word will produce the same results yesterday, today and forever and will not return void. When My Word fails to produce the desired results, it is because of lack of faith, for faith comes by hearing the Word, receiving it in your heart and acting upon it. So shall*

it always be.

7/14/98 @ 7:10 A.M. after a day of fasting.
When you ask to glorify My Name, as you speak the words, you have the answer for the answer is on its way. It may not arrive when and as you would think or have it to happen, but nevertheless the answer is on its way. The arrival and its manifestation however comes by faith. Only then can I support you. That's the way it works. By faith you act on My Word for salvation. By faith and faith alone will you do greater things than these because I am with the Father. Your faith is my call to work. Your faith is the avenue through which My blessings flow. Why do you fear the results? Why are you reluctant until you see the results? This is reverse spiritual thinking for it was by faith the worlds were framed, that the seas, oceans, fish, animal life and man were created. I have faith in My Word. That is why I cannot fail. When you have that faith, neither can you fail. Why concern yourself with the results? That is My business. Yours is to act by faith and leave the results to Me. That way the glory is mine. Turn loose of the results and hold on to Me and My Word, act on them by faith for the miraculous power of My Spirit to be made manifest in your life. I have said it and I will bring it to pass, thus says the Lord.

When your eyes are on self you cannot act by faith. When your eyes are on others you cannot act by faith. When your eyes are on the world you cannot act by faith. Only as your eyes are on Me can you act by faith and leave to Me the results. Are you afraid of failure? Or what someone will say or think? Away with such thinking. Sweep away such thoughts from the mind with My Word and speak of those things which are not as though they are to have a breakthrough in your ministry.

With these words I commend to you the teaching on healing and health available to Christians today in the little booklet **SUMMON THE PHYSICIAN**.

. . . more later, the Lord willing.
