Boldly declaring **the new things** of Isaiah 42:9 and **the greater things** of John 14:12 in this generation

TRUTH REVEALED

The Earth One Model

We are now living on what I call Earth Three. Earth One was created to be ruled over by Lucifer which ended in failure, about which I have written previously.¹ Earth Two, the creation of which is recorded beginning in Genesis 1:3, was created to be ruled over by man. Adam and Eve surrendered that right to Satan in the garden of Eden. God's second try on Earth Two ended in failure that resulted in Noah's flood.

Failures Two and Three were unanticipated by and unplanned for by God when He created Earth One. Evidence of that is recorded by the prophet Jeremiah in these verses in Chapter four of his writing:

23 I beheld the earth, and indeed it was without form, and void; and the heavens, they had no light.

24 I beheld the mountains, and indeed they trembled, and all the hills moved back and forth.

25 I beheld, and indeed there was no man, and all the birds of the heavens had fled.

26 I beheld, and indeed the fruitful land was a wilderness, and all its cities were broken down at the presence of the Lord, **by His fierce anger.**

It appears that the destruction of Earth One in God's fierce anger, about which Jeremiah wrote some 2700 years ago, may have occurred many millennia prior to Jeremiah's record of that event. How many millennia we do not know. It could have been millions or billions of years because the bible is silent on this issue. That will become more understandable as this letter unfolds.

Notice that it was in God's fierce anger that Earth One was destroyed. God is not in the destruction business (meaning destruction is not His primary objective). That is the objective of Satan who comes to steal, kill and destroy.² While it is true that many of God's actions have been destructive, each time that happened, it was done to destroy the works of the devil as confirmed by the apostle John.³

The reason we know that God's destruction of Earth One was neither anticipated nor planned for is because that destruction was done **in God's fierce anger**. Realize what that means.

The Lord has confirmed to me that in the

beginning, Earth One was perfect in every way just as was Earth Two prior to Adam's sin. Earth One was a perfect ecosystem/botanical garden described by Ezekiel as Eden, the garden of God;⁴ whereas Earth Two, prepared for Adam and Eve, is described as the garden of Eden.⁵ The two gardens appear to have been in the same general area (Eden) but both were different and both were prepared so that man had to only tend it and keep it.⁶

God does not create something perfectly to destroy it. Earth One was created to last forever, which includes man created to live thereon and Lucifer and his staff of angels to rule over it. The reason for God's fierce anger in the destruction of Earth One is because it had become so evil and corrupted through a fallen Lucifer, He had no alternative. Man on Earth One, and on Earth Two prior to Noah's flood, had become so violent and wicked that every thought and intent of his heart was evil continually.⁷ Destruction was the only way to cleanse the earth and start all over again as evidenced by the violent flooding of Earth One⁸ and Noah's flood.⁹

God's experience *with Israel* early in their wilderness wanderings was similar to His experience with the rulers and the inhabitants of Earth One, prior to its destruction, and Earth Two, prior to Noah's flood. Here is the setting:

Moses ascended the mountain to spend some time with God and it seemed he overstayed his visit or might not return at all. So Aaron told the people to break off their golden earrings from which he fashioned a golden calf. Then the people said, "This is your god, O Israel, that brought you out of the land of Egypt." Aaron built an altar before the calf and said "Tomorrow is a feast to the Lord." The next day, the people arose early, offered burnt offerings to the golden calf and ended up in licentious worship of the calf, a false god. Then the Lord said to Moses, "Go, get down! For *your*

⁵See Genesis 2:9, 10.

⁶See Genesis 2:15.

⁷See Genesis 5:5, 11-13.

⁸The result of the violent destruction of Earth One is recorded in Genesis 1:2: "The earth was (became) without form, and void; and darkness was on the face **of the deep**. And the Spirit of God was hovering over the **face of the waters**." When God promised that He would never again destroy the earth with water after Noah's flood, He was referring to (1) Noah's flood and (2) the violent destruction of Earth One, the result of which described in Genesis 1:2.

⁹For the story of Noah's flood, see Genesis Chapters 6, 7, 8, and 9:1-19.

³See 1 John 3:8.

people whom you brought out of the land of Egypt have corrupted themselves.” They also claimed that the golden calf was the god who delivered them from the hands of the Egyptians! As a result, here is what God said to Moses:

“I have seen this people and indeed it is a stiff-necked people! Now therefore, **let Me alone**, that My wrath may burn hot against them and I may consume them. And I will make of you (Moses) a great nation.”

Notice three things about this incident, (1) when Israel disobeyed God and turned to idol worship, in talking to Moses, God referred to the Israelites as “*your people*,” not His people,¹⁰ (2) it made God so angry He wanted to kill all the Israelites (from two to three million people) and start all over again to raise up a nation from Moses and (3) not only are we like God, but **He is like us!** Moses then interceded for the Israelites and **talked God out of destroying them.**¹¹

God’s fierce anger against the Israelites is evidence that **He had no foreknowledge of their rebellious, idolatrous, licentious worship in the wilderness.** Likewise, God’s fierce anger in the destruction of Earth One, is evidence that **He had no foreknowledge of the complete corruption of that civilization under a fallen Lucifer.** During the corruption of Earth One, all God could do is stand by and watch Satan act under his God given authority, as His appointed ruler of the earth.

God had no foreknowledge of Lucifer’s corrupting himself, his angels and the inhabitants of Earth One, to the point of total destruction of the planet in His Fierce anger. He was therefore totally unprepared for, and had made no plans for, the vast reconstruction program of Earth Two that began with Genesis 1:3.

That is why God has said to me more than once, “When you understand about the failure of Lucifer and Earth One, you will understand everything I have done since then.” Earth One, its rulers, its perfect inhabitants and self sustaining environment were created to last for eternity. God therefore had made no plans whatsoever for the dismal failure and destruction of Earth One! **Everything He did thereafter was planned after the failure and destruction of Earth One. That is the**

¹⁰In His intense anger, God “lost it.” He issued a hot headed, verbal disclaimer of a people He later claims as His wife (See Isaiah 54:5, 6). Get it out of your mind that God sits on His lofty throne in his perfection so that He is above and oblivious to the things that cause we lesser mortals to “blow it.” No! God is not like that at all. He gets ticked off at times just like we do! Saints of God, not only are we like Him, **almighty Jehovah God is like us! Believe it!** And you do not find that out by reading the bible. One may become a bible scholar without any faith whatsoever. You find out about who God really is by learning to listen to what He says because faith comes by hearing..

¹¹For the complete story of the golden calf, the problems it caused, God’s initial reaction and how Moses talked God out of the complete destruction of the nation of Israel, read Genesis 32:1-16.

reason for the unknown period of time between the destruction of Earth One and the reconstruction of Earth Two, the record of which begins with Genesis 1:3.

Ever since the destruction of Earth One, God has been in the process of replicating Earth One, its rulers, its inhabitants and its perfect environment to last for eternity. ***God’s model for Earth One was perfect and will be replicated.*** And yes, there have been failures along the way, all of which were corrected in Jesus of Nazareth, about which I have written previously.¹² The replication process will be done this time, however, in stages, step by step. That is what Earth Two, beginning with Genesis 1:3, and what Earth Three, beginning after Noah’s flood, are all about, neither of which would have occurred if Earth One had not failed.

Realize that in the broad expanse of time between the destruction of Earth One,¹³ and the beginning reconstruction process of Earth Two,¹⁴ **God had to completely restructure His total plans for planet earth!** Think for a moment, of the immense detailed planning that was required from the reconstruction of the earth to the arrival of the eternal state and everything in between, as prophesied in scripture, all of which will come to pass **but none of which was in God’s original plans when He created Earth One!**

The Lord has given me the following parable: Believers in this Rapture generation have two choices, (1) a section of land (640 acres) under which lies a rich deposit of gold ore that may be mined, refined and turned into gold bars one at a time over a long period of time or (2) an unlimited supply of gold bars that may be exchanged for the currency of every nation of the world.

Here is the interpretation of the parable: The section of land is the method of spiritual growth and maturity followed by dedicated servants of God since that Pentecost morning in Jerusalem about 2000 years ago (old wine). The unlimited supply of gold bars is learning to hear the voice of God daily (new wine).

The following prophetic words, excerpted from those given to me on 3/29/09 and 3/30/09, demonstrate the unlimited supply of gold bars under three headings.

How and why Earth One failed **Lessons learned therefrom** **The heart of God revealed**

3/29/09 – Sunday afternoon @ 5:35 P. M.

When I created Earth One, that was new to Me. Never before had I done such a thing. Lucifer was My best attempt to create a perfect ruler for a perfect Earth with perfect appointments (furnishings) and perfect

inhabitants. It all began perfectly.

Then as time passed, My prized creation upon which I wished to lavish Myself, became My nightmare over which I had lost control. Lucifer took everything I had created, upon which I could lavish Myself, for himself, while I stood by helplessly. I found Myself imprisoned by My own words spoken in creation of Earth One, it's rulers, it's furnishings and it's inhabitants, about which I could do nothing. My spoken words of creation prevented Me from retrospectively changing what I had done because I am responsible for **all of My words**.

Lucifer began to use all the authority I gave him to rule, subdue and have dominion over My creation, for his own selfish desires. I failed to see that My rule of love could not be effective unless the Ruler had lived on the earth as man himself experienced.

Earth One, its rulers, its appointments and inhabitants were created to live or exist forever. That was My goal. Lucifer changed that. Destruction was the only alternative after man was lured into self worship.

That's what Lucifer did. He lured his subjects into the worship of self through lust of the flesh, lust of the eyes and the pride of life. Once man turns to self, self degradation knows no boundary. Every imaginable means of self and sexual gratification becomes the endless way of seeking fulfillment. Men with men, women with women and both with animals leads to unimaginable degradation and demonic possession.

Demons are the disembodied spirits of Lucifer's subjects of Earth One. They are still under his command **because I created hell after I destroyed Earth One**. The reason I waited as long as I did was because I explored every possible way to correct My mistake within My previously spoken words of creation to no avail.

Then in My fierce anger, not only My fierce anger toward Lucifer, but My anger toward Myself and My mistake, I realized I had no alternative but to destroy My wonderfully made and created Earth One.

Adam was created originally by My spoken words. He was pure, perfect and complete from the beginning until he sinned. Jesus was created **THE SAME WAY**. He came forth from Mary's womb just as Adam would have been as an infant.

Then through about thirty years of training with My spoken words, **He (Jesus) became one of Us again. The ultimate power of My creative spoken words is that they create one like Us – or create one of Us! That's how powerful are My spoken words!**

Words (rhema) that proceed from the mouth of God are spiritual Jesus imparting to you the characteristics of Jesus needed most **AT THAT TIME**. If one listens to Me (God) for a sufficiency of time according to My (Our) standard, **one like Us** or **ONE OF US will be the result – will be created!**

Isn't that simple? It's all contained in Matthew 4:4, Deuteronomy 8:3 and 28:1.¹⁵ To obey the voice of God implies that one **MUST** hear His voice; that's rhema, not logos.

Yes, My son, the teaching of My new apostles will be beamed over television. They will be able to minister signs, wonders and miracles over television transmission. Imagine Jesus teaching with a television camera beaming His teaching live all over the world available on cell phones and computers.

The massive end-time harvest will be the result. And that will trigger the Rapture. Look out My son, you will be right in the middle of it.

3/30/09 – Monday morning

Yes, My son, you are seeing Us in a new light. You thought because I created you that We were perfect. We are perfect, but when We created man like Us, We had to learn from Our mistakes. In the beginning We had no one like Us (man) on whom to lavish ourselves. So We started with the best angelic being ever created and appointed him to rule the earth. He was guided by the three measure standard until he rebelled.

Lucifer's failure showed Me that the Ruler of the earth had to be one who had experienced life on earth, as man does, in order to rule over man with mercy, which means forgiveness with compassion.

Then, of course, after Lucifer's failure, I had to deal with death so as to restore life – eternal life to man. That presented to Me a problem I did not anticipate nor want. That was My learning experience.

I had to conceive a way to restore the earth, establish a workable ruling system and redeem and restore man from death to life. Now do you understand that I had to learn how to deal with man through experience?

Man was new to Us. We had to learn by Our failures.

Evidence of our inability to know of Lucifer's weakness is the fact that hell was created after I destroyed Earth One.¹⁶ Lucifer knew his rights well. The only thing he did not consider is that the Creator is smarter than the most magnificently created angelic being.

¹⁵All three scriptures promise blessings to everyone who obeys **the voice of God** or everyone who is fed spiritually by **words** that come from **the mouth of God**.

¹⁶Hell was created for the devil and his angels. See Matthew 25:41. Lucifer corrupted into Satan over the course of time as the ruler of Earth One. Therefore, that had to occur in order for Lucifer to become Satan, after which came the destruction of Earth One. God had no plans whatsoever for the disposition of the souls of the righteous and unrighteous dead until after Lucifer corrupted into Satan, which brought about the destruction of Earth One. Hell, as well as Paradise or Abraham's bosom, were both unplanned for and unnecessary until after Lucifer corrupted into Satan.

Satan knew I was bound by My previously spoken words, so he proceeded to set himself up as the standard instead of Me. And I had given him the authority to do so. He deceived man on Earth One just as he did on Earth Two. The one thing he overlooked was that rebellion against Me negates the ministry to which he was assigned. That does not negate my gifts and call but it does negate the ministry to which that one is assigned.

Therefore, Satan (Lucifer's changed name) had his way on Earth One, and by deceit, manipulated man into self worship. That, taken to the extreme, is so degenerative and repugnant, there are no words to describe it.

Satan had the legal right to be in the center of the garden of Eden. I gave him that legal right originally over Earth One. All he had to do was to deceive Adam and Eve, as he did man on Earth One, and he was back in business as usual on Earth Two.

We (you and I) know that Adam sinned knowingly but Eve was deceived. When Adam heeded the voice of his wife¹⁷ instead of My voice, Satan was back in business and back in control.

That planned failure¹⁸ was unknown to Satan and was made known first to Jesus in His earthly ministry. No one knew that until it was revealed to Jesus in His earthly ministry by the Father. That planned failure was necessary in order to replenish the earth and to provide the Lamb of God to take away man's Adamic (Satanic¹⁹) sin curse.

In Moses, I added the meekness *test*. In Jesus I added the, "I will never leave you nor forsake you" *test* and the unencumbrance requirement.²⁰

And there, My Son, you have a synoptic overview of how We corrected our mistake in Earth One and it's rulers.

Omnipotence, Omniscience and Omnipresence do not imply freedom from mistakes of our creation, but freedom from mistakes of Our original actions. Now you know.

¹⁷See Genesis 3:17.

¹⁸Adam was weakened when substance was taken from him to form Eve and he was weakened a second time with a wife. One may not please God 24/7 and be in total agreement with his wife 24/7. For that reason Adam was no match for Satan. Adam was therefore a planned failure because procreation was the only way for the earth to be populated from which to bring forth the Messiah. Procreation of mankind through man and woman was forever decreed as a finished work when God created Earth One and He is bound by all of his words of creation.

¹⁹The Adamic sin curse is what Jesus came to take away (John 1:29). It was actually the **Satanic sin curse** that Jesus came to take away since Satan is responsible for all sin that originated in the beginning with Earth One. Through Satan's cunning deceit, that curse was transferred to Adam on Earth Two.

²⁰The Three Measure Standard, the two litmus tests and the unencumbrance requirement, as set forth by the Father in the training of Jesus for His visible ministry, are treated fully in Jim Ash letter No. 117.

You have no idea of the blessing to Us to have new apostles to whom We may reveal Our weaknesses. **Our desire to love and bless knows no boundary but We overlooked the weaknesses of our creation.** That, as you know, has forever been eliminated through Jesus.

No one has ever had the responsibility given to Jesus. That's why it took thirty years to prepare Him for His mission. His accomplishments for Me, the Father, and for man are beyond the comprehension of man. Only those raptured will realize the true significance of His contribution to the complete restoration of the Earth to it's original splendor.

Only My love sustained Me as I saw My creation, prepared to honor and glorify Me, thwarted by Lucifer, who acted within his God-granted rights – to his own destruction, I must add, but nevertheless, within his own God-given rights.

Through all of this, I have learned the way of perfection has its moments of *anger and grief*. Never, **NEVER, EVER** have I destroyed nor condemned any man without his prior determined consent to do so. Man has always turned from Me of his own volition and has always been in control of his own destiny. I reject only those who reject Me.²¹

Initially it may seem that the time it takes to listen to My voice may be wasted, but time will prove that not to be a waste but an investment in gold.

God is preparing to release into ministry twelve servants as new apostles and prophets at select points over the world to spearhead the abundant harvest prior to the soon coming Rapture. Their ministry will exceed those who have preceded them to fulfill John 14:12. They will be opposed by church leaders as God's people opposed Jesus. Their ministry will be first to the prodigals of the world, then to the Church. Signs, wonders and miracles will follow their ministry and an anointing will remain on churches they enter.

The last words of Jesus that are recorded in the bible are, "Surely, I am coming quickly."²² Those words were carefully placed there neither to disappoint believers nor confuse theologians. Those words were dictated to John that believers might live each day in the excited expectancy of His soon return **so that they might be kept from the grip of the enemy**, in whose grasp the whole world lies, even as you read these words.

All praise, glory and honor to His Name! Amen.

²¹Notice in this one paragraph, God's *anger* and *grief* are an indication that not only are we made in His image, but He is made in our image. He is like us! Secondly, His mercy (forgiveness with compassion) was reflected by His only begotten Son, who, as God's *new apostle* (Hebrews 3:1) in His time, paid for His new teaching at the cross.

²²See Revelation 22:20.
