Boldly declaring the **new things** of Isaiah 42:9 and the **greater things** of John 14:12 in this rapture generation

FROM JIM'S JOURNAL

This letter will be a slight departure from the usual format of my writing. I have taken entries from my journal and inserted them on the dates as listed to give you an idea of why I say, "Learn to listen to the voice of God. It will change your life forever." I have added bold fonts and italics, red enclosures and footnotes as explanations and bibliography. Words from the mouth of God are truth and Truth is eternal and is a Person. These words are taken from my journal and are unedited.

September 7, 2011

"The thing that makes God Incarnate man and God Incarnate woman co-equal is that both are willing to listen to My instructions. This completely takes self out of the equation or out of the 'picture' or out of the relationship.

"This is one reason why I said, 'If anyone desires to come after me, let him deny himself, take up his cross daily, and follow Me.'¹ Self must be completely eliminated or self will take over.

"Denial of self means a surrendered self.

The way Satan wins the victory is *by pointing to self*, to what self can do, to how important self is.

"The way Satan *wins the victory* is by diverting ones attention from Me to self – to what self can do, to the importance of self.

"One who is into self violates the first commandment of "You shall have no other gods before Me."²

"When self is not denied, self becomes an idol.

"Self is the bait Satan uses to defile man.

"Self is Satan's weapon of choice.

"This is the way Satan rules the world.³

"That's why Satan has the world under his control. Self has become ones master instead of his servant.

"My son, I will compete with no one.

"This is why man is into sin as his master. He is ruled by self instead of by Me.

"Man was never intended to be ruled by self.

"When I created man, he originally was a physical being into whom I could deposit Myself in the fullness thereof to direct and control him completely, to fulfill Myself first and to fulfill himself (man) secondly.⁴

"In that manner, I could dominate or control or direct man Myself, and do so to conform him into My perfection to satisfy, fulfill and complete Myself first, and man second.

"However, as man (mankind, including both sexes) was filled with Me, he was devoid of self and therefore completed, contented and fulfilled.

"In this manner, I, Jehovah God, was completed while simultaneously, I was completing man (or mankind).

"This makes mankind on the earth My fulfillment while simultaneously God is mankind's fulfillment.

"In one sense, this makes man as My spiritual 'robot,' who is made, filled, completed and fulfilled by providing Me a receptacle for Myself as Jehovah God.

"Mankind was made to be fulfilled by Myself as Jehovah God, and he was made for that purpose alone. Any deviation from that leaves both Myself and mankind unfulfilled.

"When I said, 'Let Us make man *in Our Image, in Our likeness*,' this means that We wanted a physical body like Our spiritual body in whom We could dwell in our fullness to direct and control, to enjoy and to fulfill Ourselves first.

"Then, since man and his wife were made for procreation, I made that attractive and pleasurable to both sexes. As a man and his wife were then filled with Ourselves in the fullness thereof, We were satisfied and fulfilled while simultaneously man (male & female) was satisfied and fulfilled.

¹Luke 9:23.

²Exodus 20:3.

³On three occasions Jesus said that Satan rules the world. See John 12:31; 14:30; 16:11

⁴One who is so described is God Incarnate. Every resident of Earth One was God Incarnate for millennia before Lucifer's failure. Adam and Eve were God Incarnate before their transgression. Jesus was God Incarnate during His visible ministry. All new apostles of this rapture generation will be God Incarnate.

“In that manner, man was Our helpmeet or Our helpmate like Ourselves, whether man or woman, to fulfill Ourselves first in order to fulfill man and woman as husband and wife.

“In that manner, mankind became Our completion, as Our spiritual wife on the earth, because mankind filled My needs while I simultaneously filled mankind’s needs.

“This made mankind and Myself co-dependant upon each other from the beginning, but all done by and through love which contents both Ourselves and mankind.

“Therefore, any deviation from My plans so that self enters into the decision-making process, is a deviation from that which I consider ‘normal’ or from what you would consider perfect.

“What is *normal* to Me is *perfect* to you.

“One becomes *normal* to Me and *perfect* to you, by allowing Us to reside in you through love, to guide and direct all of your activities to fulfill Ourselves and yourself at the same time.

“Any deviation from that allows self to intrude and leaves Us or leaves Me, Jehovah God, out of the picture entirely. That is the way a fallen Lucifer took over the earth.

“All Satan did and all Satan does today is to point to self and what self can do, which attracts one through the five senses or through lust or pride.

“Pride is nothing but self worship or idolatry.

“Lust is nothing but seeking after pleasure for the wrong reason – to gratify and exalt self, which is pride based.

“So as you see, lust and pride are of the five senses which must become man’s servants instead of man’s master.

“So long as I remain within man in My fullness to guide and direct him, both man and Myself (in that reverse order) are fulfilled while simultaneously in the husband/wife relationship, both Myself and man (in that order) are fulfilled. Each fulfills the needs and the desires of the other.

“I made the sexual relationship between man and his wife a pleasurable relationship to demonstrate to him the way he fulfills My needs spiritually. Therefore, the husband/wife relationship of man and woman describes how man fills My desires and My needs while simultaneously I fill the needs and desires of man. Each of Us fills the desires and needs of the other *so long as I, in My fullness thereof, remain within man.*

“All of this is to say or to reemphasize what Jesus said, ‘If anyone desires to come after me, let him deny himself, take up his cross daily, and follow Me.’

“Only as that takes place may I overcome the overcomer and dwell in man in My fullness thereof, to bless and content Ourselves first, while simultaneously man is blessed and contented in the process.

“Lust and pride, which are of self, are a form of selfishness and a form of idolatry.

“That is why My love for man and man’s love for Me **MUST** prevail to fulfill both of Us.

“We must be inseparable as Husband and wife for that to occur.

“This is why My love must be allowed to pour over into man through My rhema words so as to finally bring him to the confession of the, ‘I will never leave You nor forsake You’ relationship, which seals his commitment. Only then am I free and freed to enter man in My fullness thereof. Only then am I sure of his trustworthiness to finalize the marriage by entering him in My fullness thereof to consummate the marriage.

“Only as I am allowed to enter man *in My fullness thereof*, is the marriage consummated.”

Later that morning

“Lust, pride and selfishness are all idolatry. That is why self must be denied to worship God. And that is why Satan’s target is self. He zeros in on self as idolatry and the battle is won.

“That’s why the whole world is ruled by Satan. The world is self-based instead of being faith based. Anything, everything that is originated by self and taken to conclusion without God’s leading or without His approval, is of the world ruled by Satan.”

Still later that morning

“And don’t forget, when We enter you in all of Our fullness thereof, you will have all the knowledge of eternity and of the Great I am within you to use as We direct. That will make teaching and ministry effortless and perfect on your part because I will be guiding and directing all of your activities. That means you will become My responsibility.”

Later that day at 1:18 PM while sitting in my car waiting for Dale who had a doctor’s appointment.

“As man penetrates the innermost being of woman to become her husband, so Jehovah God penetrates the innermost being of man to become man’s

husband. It works the same way in both instances. Neither is forced; both entrances are welcomed by permission with approval.

“Only as man is true to his bride is he fulfilled in his marriage and in the home as the societal unit⁵ of God’s economy. A man and his wife as God Incarnates, fulfills Jehovah God while simultaneously they fulfill themselves. In that manner, then, becoming God’s wife is consummated.

“That is the picture of Earth One originally.

“That will be the picture of the New Jerusalem. Only as Jehovah God is fulfilled may He relish Himself on His beloved as He desires.

“That is what was lost on Earth One.”

Later that evening

“As you allow Me to penetrate (enter) your body spiritually in My fullness thereof, I, Jehovah God, become your husband and I am fulfilled as a man and his wife are fulfilled when a woman allows her betrothed to penetrate her body to become her husband.

“This is why sexual promiscuity is forbidden. That permits God’s body to be desecrated, polluted and adulterated on the earth and God, in His fullness thereof, will not, He cannot enter a polluted body.

“Therefore, the nine-point cleansing prayer and the prophetic word to follow that I have given you is essential prior to God’s entering that body in His fullness thereof to become the Husband of man.”⁶

“Each time you come before Me, My words that contain seven attributes of God⁷ are deposited within you in minute quantities. Those minute quantities of Myself begin to act so as to inoculate you or to immunize you to illness and disease.

“If you will persist in putting Me first in your life, as you set aside time to be with Me daily to hear My voice, you will become immune to illness and

⁵The *societal unit* in God’s economy has never been one person. It has always been two people – a man and his wife, male and female. See Genesis 1:26-28.

⁶For the nine-point cleansing prayer and the prophetic word to follow, see Jim Ash letter No. 151, beginning on page 4, column 2 following the heading, “**The prayer.**” This cleansing prayer and the prophetic word to follow, is essential for Godhead baptism today, which each of the new apostles will experience upon being released.

⁷Those seven attributes of God are spirit, life, love, truth, light, food (spiritual) and faith (which comes by hearing).

disease.

“Sickness, illness and disease are all down-payments on death sent by the evil one.

“The world is deluged by the electronic and print media with filth concerning age, illness and disease. By these media you are taught that you do not have control of illness and disease, but the health care industry does. What this does is to take the care of your own body away from Me and give it to the health care industry which operates in the physical. I operate in the spiritual.

“I created the physical by speaking.

“I can control the physical by speaking.

“One who fellowships with Me everyday and refuses to cooperate with the evil one will soon grow immune to illness, disease **AND** death.

“The reason I add death to that prescription is because of the nearness to the rapture.

“My son, inoculation against a dangerous disease may be accomplished by injecting a small quantity of the virus, either dead or alive, into your physical body. Immediately thereafter, your immune system takes over and produces a toxin that makes you immune to the disease.

“Learning to hear My voice every day while learning to (1) put Me first in everything, (2) be led or directed by My Spirit in everything and (3) give Me the credit or the glory, will gradually conform you into My image with no effort of your own. That is the way I fight your battle.

“When the battle is the Lord’s, so will be the victory. Hallelujah!

“My son, teach this for Me. Every believer has the capability to learn to hear My voice daily in these remaining few years of this rapture generation.

“My son, your example is a good one to teach.”⁸ All one has to do to meet Me daily is to put Me first – before husband, wife, mother, father, son or daughter, sister or brother, friend or foe, and devote time to be alone with Me.”⁹

⁸The “example” He refers to is the fact that at ninety-one years of age, I walk in perfect health, am on no medication, will not get sick or develop any debilitating disease such as cancer or Alzheimers, will not die and will be raptured – and that is just for “starters!” There is much, much more! This has occurred because I have simply done what is outlined in this prophetic word excerpted from the word received on 7/16/11.

⁹Whoever of you does not forsake all he has cannot be My disciple. (Luke 14:33)

August 10, 2011, first thing Wednesday morning

“You have now seen it demonstrated that one given to Me may hear from Me throughout the day. You recently have seen that demonstrated in the shower and while sitting at your desk.¹⁰

“Nevertheless, when you come to spend quiet time with Me with a journal and pen, that tells Me something about you. When you set aside time to be with Me daily, that tells Me something else about you.

“When you put Me first, that allows Me to put you first.”

Later at 11:45 AM

Introductory to the rhema word:

The thoughts in “The rhema word” to follow, began as I was preparing to get in the shower. I then put on my robe and house shoes, went to my office desk, sat down and wrote the following. The reason I mention this is because when God chooses to speak to us, then is the time to stop what we are doing and take dictation. Otherwise we may miss a golden opportunity.

The rhema word:

“Only in a fallen world do you need light to see with your eyes. That’s why God created light as recorded in Genesis 1:3-5.

“‘Created light’ was not needed on Earth One because the light of God was the source of man’s sight. God is light and in His perfect world the sun, the moon and the stars are not needed, for they are provided only to contain and reveal light and to record time and seasons in a fallen world.

“Satan is the ruler of this fallen world and his darkness. It therefore is in “his world” that one needs ‘created light’ to see.

“The whole world is in darkness because of sin. Sin is the cause of darkness and death.

“Only in a fallen world of sin and darkness is *created light* needed in order for man to see.

“In God’s perfect World One originally and in the New Jerusalem finally, sun, moon and stars were not and are not needed, because God – God’s presence there unrestrictedly – is the light. And God’s light provides neither shadow nor darkness.¹¹

“Created light provides shadows and darkness in a fallen world ruled by the enemy. The sun, moon and stars are

present in a fallen world to provide time in which to age, grow old and die.

“There is no aging in God’s perfect world created in eternity. Therefore, neither created light, nor sun, nor moon nor stars are needed, since neither time nor aging nor death exists in eternity.

“Therefore ‘created light’ as well as the sun, the moon and the stars (to record time and seasons) are all the products of sin in a fallen world because each of these is required to age, grow old and die physically in a world ruled by Satan.

“A world ruled by Satan is in darkness illuminated by created light.

“That’s why God’s *created* light is separate and distinctly apart from God’s light.

“Created light exists only in the presence of sin.

“God’s light exists only in the absence of sin.

“Created light, as well as the sun, the moon and the stars to record time, are all necessary for man to be born, to live, to age, to grow old and to die physically in a fallen world.

“Neither created light nor the sun, nor the moon, nor the stars, nor time were in existence in God’s perfectly created Earth One. Neither will they exist in the New Jerusalem. They were not needed on Earth One, nor will they be needed in the New Jerusalem because of the total absence of sin and death.

“This is only a partial view of the reason a perfectly created Lucifer, who was like Jehovah God, Himself, who was created to govern Earth One in God’s perfect love, rebelled against God’s perfect plan for God and for man.

“Since that failure, God learned to add to the teaching preparation of Lucifer, that which was learned through the mistake of Moses, and that which was an added teaching requirement for Jesus, so that beginning with the death, burial and resurrection of Jesus, man, once more, may start down God’s road to recovery and righteousness.

“God’s plan for Himself and for man today, may be much more quickly seen and obtained by learning to listen to the voice of God 24/7. Therein will man be changed, by the spoken rhema word of God, from one degree of glory to another. Only then, and in God’s sufficiency of time, will man be ready for the Incarnation of God, Himself.

“Only as man becomes God Incarnate, may man fulfill both God and man himself, as it was ordained from the beginning.

“That is God’s goal.

“It will be achieved.”

¹⁰The “timing” sequence in this paragraph may be better understood in the light of the fact that this revelation was translated from my journal *after* receiving this prophetic word on 8/10/11.
