Boldly declaring **the new things** of Isaiah 42:9 and **the greater things** of John 14:12 in this rapture generation

INTIMACY WITH JEHOVAH GOD

The Pentecost Method of spiritual growth has been available since one Pentecost morning in Jerusalem about two thousand years ago. There is nothing wrong with the *Pentecost Method* of spiritual growth. There is everything right about that method of spiritual growth.

But something new has appeared on the horizon of God's rapture generation.¹ That *something new* is the Listening Method of spiritual growth. That doesn't sound unusual or spectacular, but it is. And the blessing is that the *Listening Method* of spiritual growth is accessible to every dedicated, consecrated servant of God.

Under the *Pentecost Method*, everyone was not called to be an apostle, prophet, evangelist, pastor or teacher, for those are important offices or leadership positions in the church². Those five offices are the backbone of spiritual growth and maturity in the church today.

The important thing about the *Listening Method* of spiritual growth in this rapture generation is that everyone – every dedicated consecrated believer – has the ability to learn to listen to God's voice 24/7. That method of spiritual growth exceeds by far, the *Pentecost Method* of spiritual growth. My writing testifies to that truth.

God has been training Me in the *Listening Method* for more than sixteen years. Here is the fruit of listening to His voice on five different days on the dates as indicated:

February 23, 2011

“My thoughts are higher than your thoughts. My ways are higher than your ways. This does not mean that you cannot have My thoughts nor does it mean that

¹There is a great difference between hearing the voice of God and listening to the voice of God 24/7. Every dedicated servant of God hears His voice but not every dedicated servant of God has learned to listen for the voice of God 24/7. Listening to the voice of God 24/7 is a learned procedure God has made available during this rapture generation, about which I have written in my letters for many years.

²See Ephesians 4:11-13.

you cannot know My ways. It just means that you can have My thoughts³ when you learn to hear My voice 24/7 that I might give them to you. It means when you learn to hear My voice 24/7, I can direct you into My ways that are better than your ways.⁴

“My son, that is what you have been doing for many years.

“When you asked Me to use you to glorify My Name on 1/15/96, My intensive preparation in your life began.

“On 9/27/96, I furthered your preparation to do as you asked on 1/15/96. Then is when I began to train you to be Mine exclusively and on 11/18/2005, **I relieved you of all of your prayers to Me so that I could pray to you.**⁵ Thereafter you (We) were on the (My) way.

“On 9/27/96 is when I instructed you to set aside the first part of your day so I could pray to you. Over the course of My call on your life, I have changed My objective for your life three times.⁶ Each time was an upgrade over My previous call on your life. On 11/18/05 is when you truly became Mine so that each day thereafter I could pray to you.

“Nothing happens until someone prays. When that Someone becomes Me, as Jehovah God, is when I am totally in charge of that life so that I may personally direct it Myself.”

<end of prophetic word>

³In a fallen world, thoughts are the language of the Spirit.

⁴See Isaiah 55:8, 9.

⁵Prayer is intended to be dialogue, not monologue. **What God has to say to us may be more important than what we have to say to Him.** When we learn to listen to Him daily is when He can tell us **His will** for our life. Until then, most believers don't have a clue of what God's will is for their life. When we learn to listen is when life begins to be interesting and at times exciting. Listening to His voice takes the “hum-drum ho-hum” out of life. For scriptural evidence of these facts see John 10:3, 4, 16, 27; Revelation 3:20.

⁶This means that I am on the fourth tier of God's objective for my life. This is evidence of promotion based on performance. God's promotion is based on obedience, faithfulness and trustworthiness proven over time. One's aggressiveness in his faith walk with God also has a definite bearing on God's will or God's objective for one's life.

As you learn to listen to that *Someone 24/7* and become obedient, faithful, and trustworthy, God Himself, may reveal to you intimacies of His past life that blesses Him AND you. The following words from my journal on four dates in 2012 are evidence of this truth.

September 1, 2012

“Yes, My son, the reason I want man to be pure sexually is for Me – for Myself. I feel “dirty” when one of My people disregards My instructions on purity in the sexual area. It makes Me, Jehovah God, feel *dirty* within.

“Since Jesus was never married, My New First Family will be able to assist Him at His side, not just at **EVERY** judgment, **but in other things, as well.** They both will be able to have perspectives on certain issues, on certain circumstances, that He did not experience.

“My son, the husband will be of great comfort to Jesus in many areas, as a man who has had responsibilities of a husband and as a father that Jesus did not have. **That alone will be a blessing to Him.**

“Then the wife will be of great assistance to Jesus as a woman, to give a woman’s perspective, to give a woman’s opinion that Jesus **NEVER** experienced.

“Then, the two together will be the third area where Jesus will depend on them. They both, in the third area, will have judgments beneficial to Him.

“Then, both of them in the sexual area (fourth) will be able to counsel (yes, counsel is right) Him in an area He never experienced. But they both will be able to offer counsel to Him from a unique standpoint. **Both will come together in marriage as God Incarnate virgins as no one else has ever experienced.**

“My son, both of them will come together as God Incarnate apostles. No one has ever done what I have trained and equipped them to do. The husband first, then the wife, then those two together as My New First Family, will be apostles to **EVERYONE.** They will be able to offer to **EVERYONE** counsel and advice in the absolute as God Incarnate apostles.⁷

“They will be My apostles to man, to woman, to marriage and to the home as **NO ONE** has ever been

⁷The earth has never before seen God Incarnate virgin apostles joined together as one in marriage. None of the first thirteen apostles were God Incarnate. Jesus was God Incarnate during his visible ministry but He had no concept of being married with the responsibility to protect and to provide for a wife and children in a world ruled by Satan.

equipped to do.

“They will be My means to ‘connect the dots,’ as you say, on the sanctity of marriage and the home as no one else has been able (or equipped) to do.

“They will become My showcased models to mankind for all times.

“That is the purpose for which I have trained both members of My New First Family.

“As Jesus was My only Man to come forth victorious against our enemy, those two will come forth as My ideal man and wife to obliterate Satan’s attack on marriage and the home.

My son, when the husband, as a God Incarnate virgin apostle, comes together with his wife, who is also a God Incarnate virgin apostle, those two as My wife, will content, satisfy and fulfill Me as Jehovah God for the first time eternally.

“A single unit in God’s society, in God’s kingdom, is two people – a man and his wife as one – fitly joined together as one.

“But it doesn’t stop there.

“Both of them will want for nothing. I will provide for them as I provided for Adam and Eve before their transgression. The curses I pronounced on man and woman will be completely reversed in the lives of these two. (*God’s New First Family*)

“The birth of their new Son will be a thing to behold – will be a thing of blessing and beauty to the wife – to the husband and to the world.

“Only after the Rapture may I fully show My (Our) appreciation to both of them as My New First Family..

“They will like what I have prepared for them.

“For man to be pure sexually, My son, was for Me first – then to content man.

“Those two (the husband and the wife) will do for Me much more than you can now imagine. I am grateful for them both – and I will show My total gratitude *after the Rapture.* Those two and I, the Lord God, as well as **EVERYONE** present, will rejoice at their enshrinement into My reconfigured Godhead. Jesus will be the MC. I will look on as a blessed, contented and grateful Father, beaming My joy and contentment.”

September 2, 2012

“Now you know how I feel. When My body on the earth (mankind and believers both) engages in promiscuous sexual activities, that makes Me as Jehovah God feel “dirty” within. Illicit sexual activities pollute My body, My prostituted body.

“The first installment toward serving man was My Spirit sent on Pentecost morning. Two thousand years later, Godhead baptism is My way to reinstitute My Presence in man as I intended in the beginning.

“Jesus, the husband and the wife in My New First Family (My New Triumvirate⁸), all three, perform vital, essential, unique acts of sacrifice and pleasure to God.”

September 9, 2012

“My son, the preparation of My New First Family has been to restore **EVERYTHING** Adam and Eve lost through their transgression. Therefore, the two of them will be role models for man and for woman, for husbands and for wives, for mothers and for fathers, for couples and for marriage and for the home.

“The husband will become a man’s man and a man women will admire.

“The wife will become a woman’s woman and a woman men will admire.

“Both of them, My son, will want for nothing, ever. They will demonstrate My provisions in the fullness thereof.

“They both will live the life I intended for man and woman from the beginning.

“You are correct. I, as Jehovah God, desire – I long for – contentment, satisfaction and fulfillment in life the same as you. **That only occurs as two God Incarnate people come together as one in marriage to content, satisfy and to fulfill Me as Jehovah God first, while that simultaneously contents, satisfies and fulfills mankind.**

“My son, you got it right. As Adam was incomplete without Eve (wife), so I, Jehovah God, am incomplete without a physical body in whom to dwell in all My fulness bodily, with whom I, Myself, may become one **in My marriage. My son I desire to be married the same as man desires to be married.**

⁸Triumvirate means a governing authority vested in three individuals. Triumvir is the title of each of the three individuals. This is a new term in the kingdom. God’s New Triumvirate is comprised of Jesus and the husband and wife of God’s new First Family. God’s New Triumvirate will have governing authority beginning at all judgments and will carry over into the millennial reign of Jesus from Jerusalem. Jesus will be the lead and the most important of the three but He will depend on each of the other two both jointly and individually, whose experience extends beyond His.

“I desire a wife for Myself to fulfill Myself just as a young man desires a wife for himself to fulfill himself.

“I, Jehovah God, am fulfilled in the spirit, as a man and woman, both God Incarnate, become one in marriage.

“**My New First Family will fulfill Me eternally for the first time ever.** Those two will restore to man **EVERYTHING** that Adam and Eve lost personally in their transgression.

“As Jesus was My role model to defeat Satan, the two in My New First Family will become My role models to restore marriage and the home to their original lofty estate.

“I will showcase them both to the world and to believers alike. In so doing, I will also be showcasing Myself as I have longed to do for many millennia.

“Did I not say that these two would want for nothing?”

“Busy, yes. Blessed, yes. Successful, yes. Contented, satisfied and fulfilled, yes. But most of all, **My New First Family will fulfill Me as Jehovah God eternally for the first time ever.**

“This is why Jesus and the two members of My New First Family will become My New Triumvirate.”

September 15, 2012

“Yes, My son, one reason I want you to write about My New First Family is because the moment they are released as My God Incarnate apostles, they will be thrust into eternity forever.

“This is a greater blessing than they have been able to realize.

“First, being thrust into eternity means that they will no longer exist in time. They will live in time but will exist in eternity. **This means as I, the Ancient of Days, as Jehovah God, enter their body, they will conform to Me in My perfection forever.**

“This also means that their age will revert to the time and the age of perfection in their life. Even in eternity an infant must “grow,” that is, must “mature” into a perfectly formed and complete individual.

“While this maturity appears to be about thirty years of age, that is something that **MY PERFECTION** within each God Incarnate individual determines. When a God Incarnate infant is born, that one will grow into My perfect maturity which may be the age that I, as Jehovah God, see for that individual. What I do within each one is to “age” or to “mature” that individual into his full adult stature. When he reaches that point, he will remain that way forever.

“Since that one is God Incarnate, his complete physique, including the way he looks, the appointments of his physical body, and all body functions and capabilities, will remain perfect and perfected forever.

“My son, that was not true with the inhabitants of Earth One – nor was it true of Lucifer nor of Adam and Eve originally. They were all trained with the Three Measure

Standard which proved to be insufficient.

“As you know, I added ‘meekness’ to My training Moses, which also was not sufficient. Then as I added the ‘I will never leave you nor forsake you’ and the ‘unencumbrance’ tests to My training Jesus, that, for the first time, proved to be sufficient.

“The fact that each of the thirteen new apostles will have passed the Six Measure Standard required of Jesus is My insurance against another failure.

“So, in conclusion, when I enter your body in all the fullness of the Godhead bodily, you will conform to your ideal, youthful, vigorous age that I will determine. But even more than that, I have reserved some additional attributes for the two members of My New First (God Incarnate) Family.

“Those two are – those two have been – marked for the emergence of My models of perfection physically. They will become My physically attractive models of man and woman just as were Adam and Eve when they were first made.

“They will be conformed to My perfection, both outwardly and inwardly, because the two are brought forth as My New First Family whom I, as Jehovah God, may claim as My fulfillment – as My cherished body on the earth – as My wife – to fulfill Me for the first time ever eternally. This means for the first time ever that I, as Jehovah God, will be forever content, satisfied and fulfilled on the earth within My cherished body.

“Those two will be **MY NEW FIRST FAMILY** on the earth eternally. Then as their new Son is born as a God Incarnate infant, they will have the blessed privilege of rearing for the first time ever, a God Incarnate infant, who, Himself, will also be thrust into eternity (not into time) from the moment of His birth (actually from the moment of His conception).

“Those three, My son, will become My perfect models whom I will most gladly and excitedly showcase to the world.

“As Jesus was unique in His most important calling, so will My New First Family be unique.

“Jesus was unique in that there will **NEVER** be another like Him because there will be no need.

“My New First Family will also be unique in that there will **NEVER** be another like the husband, or like the wife, or like their new Son, for there will be no need. This is why Jesus, of course, is first. But the husband and the wife of My New First Family are second and third additions to My finally reconfigured Godhead.

“**My precious son, Jesus first, then the husband and then the wife, and finally the birth of their new Son in My New First Family, will at long last spell the doom of Satan on the earth.**

“And the blessed thing about all Three of them is that

each One will have overcome the overcomer through obedience, faithfulness and trustworthiness earned in a world ruled with pride and lust by Satan.

“Jesus first, then the husband and then the wife of My New First Family, are My champions for all times.

“And finally, realize that I will be able to do in and through the two members of My New First Family, things that I could not do in and through Jesus in His visible ministry. That, as you know, was because His ministry had to be shrouded in secrecy in order to thwart the thwarter.

“But both Jesus **AND MYSELF** as Jehovah God, will excitedly and lovingly participate in the complete ministry of My New First Family because **they will be the first of many.**

“As Jesus was the first of many, so My New First Family will be the first of many.

“To emphasize again, My New First Family will want for nothing. As My New First Family who put Me first to get there, so will they be My First Family on whom I will feel free to lavish with Myself to the full and to whom I will bountifully supply **EVERY NEED** and **EVERY WANT AND DESIRE.**

“Do you see what Jesus did for My New First Family? He was My first to be trained with My Six Measure Standard. Not until I refused the third request of Jesus, did I know that the husband in My New First Family would not be crucified in His place.

“So you see how important Jesus is to Me and how important He is to the husband in My New First Family and to mankind. **My son, Jesus went to the cross first for Me, as Jehovah God.** Second, He went there for the husband in My New First Family, for, had Jesus failed, His back-up would have been crucified. The door Jesus opened, He opened first for Me as Jehovah God to redeem Me from My failures and mistakes.

“That’s why His Name is above all names including Jehovah God!⁹

“There, in brief, is why I am so proud of and so grateful for My New Triumvirate who put Me first in order to set Me free. That says it all, My son.

“My son, know that I (as well as you) look forward to your soon release!”

⁹While this statement may seem to be unusual to you, my January letter will shed additional light on this subject.
