Boldly proclaiming the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

ANOTHER LOOK AT THE CROSS

I have known about some of the prophetic revelation in this letter for many years, while I have known about another particular significant revelation noted in this writing only since November 29, 2011.

As an introduction to this letter, let it be known that the obedience of Jesus at the cross, including His death, burial and resurrection, is the most significant accomplishment of Man on the earth. Nothing equals that. Jesus opened the Door through which every man (male and female) must walk to attain all the rest of God's blessings.

However, God has additional plans to complete in order to restore man to his original estate on Earth One and to the original estate of Adam and Eve prior to their transgression. That is what God is working on now.

Before the Rapture occurs, what God gave to man (male and female) on Earth One originally and what He gave to Adam and Eve prior to their transgression, **will be demonstrated visibly for all to see, just as the resurrection of Jesus was made visible for all to see.** This letter will reveal one additional necessary thing that God has asked me to declare boldly before the Rapture. For that reason, this letter will lift a heavy burden from Him that He has carried for many millennia.

Earth One was God's perfect model that was intended to last for an eternity, but it turned out to be God's first failure.

Lucifer was created to rule Earth One. He was perfect in beauty, full of wisdom, perfect in all his ways, an anointed cherub of God with God's seal of perfection. He walked among the fiery stones which means that he was impervious to fire as God Himself is.¹ The reason God is impervious to fire is because He created fire and the creation may not overcome the Creator. This also is evidence that Lucifer was filled with all the fulness of the Godhead bodily. He was like Jehovah God. All of the attributes of the Godhead were imparted to Lucifer when he was created. "He was like

Me," God has said to me. The only thing God did not give to Lucifer was the right to grant the authority God gave to him.² That was God's "trump card" – His "ace in the hole" – His only "insurance policy" through which He could recover that which was stolen by a fallen Lucifer. God did not plan for, nor did He anticipate this first failure.

When Lucifer failed, he transitioned into Satan.³ Along with *Lucifer's* failure came the failure of his angelic staff created to rule Earth One under Lucifer's oversight. They likewise failed as they followed their leader.

Through the vile deception of Lucifer, every man (male and female) on Earth One followed a fallen Lucifer into his iniquity.⁴

Earth One, its perfect eco-system botanical garden environment and all creature life, including all marine life, was destroyed in God's fierce anger because of Lucifer's iniquity. The most magnificent of God's angelic creation transitioned into Satan because of iniquity. In his rebellion against God, he took with him his large support staff of angels, along with the supernatural attributes God gave him to govern, because the gifts and the calling of God are irrevocable.⁵

Satan and his fallen support staff of angels are still at large.

Earth One's residents were men and women like those who lived on Earth Two (beginning with Adam and Eve) and like those who live today on Earth Three (after the flood of Noah), except all Earth One residents were God Incarnate, as were Adam and Eve originally and as Jesus was in His visible ministry.⁶

²This was the same authority that Jesus now has. See 1 Corinthians 15:24-27.

³Angels do not have the right of repentance. When Lucifer rebelled against God, he did not know that he would be transformed into the vile, corrupt, deceptive, evil leader that he became.

⁴Lucifer's method is simple but profoundly effective. He simply distracts one's focus from God to self – to what *self* can do. As this becomes effective, man turns to *self* instead of God for his needs and desires and begins to *self*-destruct. Satan's iniquity is intentional deliberate sin with no thought, intent or desire to repent.

⁵See Romans 11:29.

⁶See Colossians 2:9.

¹For this description of Lucifer, see Ezekiel 28 12 (b)-15.

Earth One was created to last forever just as the New Jerusalem will last for eternity.⁷ This means that everyone who lived on Earth One under Lucifer's administration, was created by God to live eternally. For that reason, their bodies were destroyed but their souls (spirits) are alive today as demons. Demons are disembodied souls (spirits) of man (male and female) who lived on Earth One.

Fallen angels under Lucifer's authority today are assigned territorial or geographical responsibility⁸ while demons desire to inhabit (live in) a physical body⁹ which was their original habitation.¹⁰

This writer's estimate of the number of angels in Lucifer's fallen angelic support staff is in the millions. My estimate of the number of demons is in the high millions and probably in the low billions.¹¹

All of these numbers, including Lucifer, were God's failures. He has said to me that these losses still grieve Him.

God's next failures were certain of those who lived from Adam to the flood, survived only by Noah's family. **The flood was caused by illicit sexual behavior between fallen disobedient angels who cohabited with women on the earth.**¹² That illicit sexual behavior so affected the whole population of Earth Two that every intent of the thoughts of man's heart was only evil continually.¹³ That brought about the second destruction of the earth except for eight souls in Noah's family.¹⁴ Hence, except for eight people in

⁷For a description of the New Jerusalem see Revelation 21:10-27.

⁸Biblical proof of this statement is found in Daniel's experience. Daniel fasted and prayed and twenty-one days later "a certain man" came to answer his prayer. Daniel was told that the reason his answer was delayed was that this "certain man" was contending (fighting) with the prince of Persia (a fallen angel) and he had to summon Michael, an arch angel, to take his place in the battle in order to come to Daniel with the answer to his prayer. For this reason we know that fallen angels have geographical or territorial responsibility. See Daniel 10:1-13.

⁹For proof of this statement see Mark 1:23-26; 5:1-15.

¹⁰There are two sets of fallen angels. For a complete explanation of the origin of and of the present location/activity of both sets of angels, see Jim Ash letter No. 129 entitled, **Fallen Angels**.

¹¹The reason my estimate is in the billions is because Earth One existed for millennia during which time there was no sin or death and therefore the population grew rapidly.

¹²See Genesis 6:1-7.

¹³See Genesis 6:5.

¹⁴See Genesis 5:32; 7:7.

Noah's family, God had another massive failure on His hands.

Those who have followed the enemy from the flood to the cross and from the cross to this present day **are all failures over which God grieves.**

It is this writer's estimate that Jehovah God has witnessed not millions, but billions of souls lost to the enemy, **all of which He looks on as His failures. The reason He looks on every lost soul as His failure is because of His original decision to give Lucifer the authority to rule Earth One eternally.** Here are His losses – His failures **on Earth One alone:**

(1) Godhead filled Lucifer who was the most perfectly endowed angel that God created.

(2) Lucifer's entire staff of angels to rule the earth which probably numbered in the millions.

(3) God Incarnate man (male and female) who lived thereon for millennia which probably numbered in the low billions.

(4) God's perfectly created ecosystem botanical garden environment.

(5) The complete creature creation including all marine life.

Realize that Earth One was originally created to last for eternity and that Lucifer's rebellion was not anticipated nor planned for. This failure was a complete surprise to God.

This gives you some idea of what lay before God after He destroyed Earth One, but before He began to plan for and to create Earth Two as recorded in Genesis 1:3. Here was the dilemma He faced: How could Jehovah God correct these failures when the deposed ruler of Earth One and every man (male and female) who lived thereon were originally Godhead endowed? In other words, how do you improve on a Godhead filled angelic ruler and on God Incarnate man and woman in whom lived all the fullness of the Godhead bodily? **God had never faced such a dilemma and had made no plans whatsoever to deal with this failure.**

This is why the "gap" between the destruction of Earth One and the beginning reconstruction of Earth Two (as recorded in Genesis 1:3) was so wide – was so long. God, Himself, said to me that the length of this *gap* was millennia which means thousands of years. How many thousands of years we don't know. The reason for this lengthy *gap* is because **everything God has done beginning with Genesis 1:3 was all new and was dictated by a fallen Lucifer who degenerated**

into Satan.

Lucifer and everyone on Earth One originally were Godhead filled, all of whom God trained by the Three Measure Standard. Therefore, God had to devise a way to correct His failures *beyond the Three Measure Standard which He had not planned for nor anticipated!*¹⁵

His planned way of correcting His *many failures* was set forth in detail – was foreordained (planned) before the foundation of the world – meaning before the foundation of Earth Two – not Earth One. This means His ultimate plan to bring a Man on the scene to willingly offer Himself and His blood on a Roman cross was planned *before* He began to recreate Earth Two, the beginning of which is recorded in Genesis 1:3. This takes some of the “mystery” from the term “*before* the foundation of the world.”

God had to bring forth a new God Incarnate “Angel” to rule the earth as a replacement for Lucifer,¹⁶ when by God’s own spoken immutable words of the creation of Earth One, He could not “create” another Godhead endowed angel to replace a fallen Lucifer. His problem, therefore, was how to “bring forth” a God Incarnate Man, through sinful man who had failed, and make of Him a new Godhead filled “Angel” (to replace the fallen Lucifer) to rule the earth.

This means God would have to devise a new way to correct these failures *that He never planned to do*, all of which was necessitated by a Godhead endowed Lucifer who failed. This would also require a new way to bring forth a new angelic support staff under the authority of the new “Angel” to rule the earth, when God was forbidden to *create them* by His own immutable words spoken in the creation of the angelic support staff of Lucifer to govern Earth One.

God knew the best way to devise such a solution to His mess, created by a fallen Lucifer, would take time – lots of time. He also knew His *solution* to the problem would expose man to Satan’s divisive, evil, deceitful, luring ways, so in addition to those who lived on Earth One, **many who would live on Earth Two and on Earth Three, would follow Satan into the lake of**

¹⁵See Jim Ash letter No. 117 and No. 155 for the “Three Measure Standard.”

¹⁶The term “God Incarnate” means God embodied in human flesh. Since Lucifer was a “spirit being” he was Godhead endowed or Godhead filled instead of being God Incarnate.

fire.¹⁷ That is what grieved God, and that is one reason the *gap* between the destruction of Earth One and the beginning reconstruction of Earth Two took millennia.

What God had to do was to rub out and start all over again without a pattern to follow. As He planned this immense recovery project, **ALL of God’s failures loomed before Him.**

The obvious answer to God’s dilemma lay within the One who would offer Himself as a willing sacrifice to rectify Lucifer’s failure. That had to be done through man in such a way that this Man would shed His blood – would become a willing sacrifice of Himself on a Roman cross to pay for all of man’s failures brought about by a fallen Lucifer.

This meant that God would *once more* become vulnerable to the wiles of the enemy as He did on Earth One. This time, however, God’s plan would need to be more strategically executed in order to thwart Satan’s evil ways through man, whom Lucifer had defiled completely on Earth One. *That was God’s dilemma.*

Interestingly enough, God’s complete training regimen for Jesus on the cross was not finished until after God dealt with Moses in the wilderness. Along the way to the cross, God learned some things from Moses, who kept his temper while God lost His. Moses taught God about the even temperament of good judgment in time of crisis. **Moses’ way was better than God’s way!** God’s way of destruction in the wilderness would have cost many more lives needlessly and would have prolonged the time of the restoration of man through the cross.¹⁸ However, God also learned something else from Moses. Through Moses God learned that meekness plus the Three Measure Standard were insufficient training for the cross and that two other “tests” (a total of six) would be required of the One to be crucified. The first three requirements (the *Three Measure Standard*) used to train Lucifer, man (male and female) on Earth One and Adam and Eve originally, proved to be inadequate.¹⁹ Therefore, the One who went to the cross to redeem mankind was taught the *Three Measure Standard* plus three other *tests* as

¹⁷Everyone whose name is not written in the Lamb’s Book of Life (including Satan) will be cast into the lake of fire at the Great White Throne judgment. See Revelation 20:1-15.

¹⁸See Exodus 32:9-14 for the incident where Moses caused God to repent from destroying Israel to raise up a great nation from the loins of Moses.

¹⁹See Jim Ash letter No. 155, page three, column one for the Three Measure Standard and the Six Measure Standard.

preparation for His supreme sacrifice. *But God was not positive that even these six tests used in training Jesus, would be sufficient because of the many failures He had experienced!* Therefore, He chose the man (the husband) in His New First Family as His back-up for Jesus at the cross. Yes, Jesus had a back-up at the cross. This means that God was not sure Jesus would be obedient to His calling *until after God refused His third request to remove the curse of the cross from His life.*²⁰ Only then was God sure of the obedience of Jesus. Only then was God sure that His back-up would not be crucified on that cross.

It is significant to observe that God chose no substitute for His back-up. This tells you something about His back-up and something about God. This is why His back-up was chosen to be number two behind Jesus in the reconfigured Godhead. But there is more.

Prophetic rhema words transcribed from my journal on six different days, over a four month period of time, comprise the main body of this letter. There are redundancies in each day's entry because that is the way God has taught me. New spiritual revelation usually must be repeated several times for one to grasp the true spiritual revelation. There are also some very personal things included in these rhema words that I ordinarily would be uncomfortable in publishing. And lastly, please realize that **God has given me a mandate to publish the contents of this letter.** For these reasons, I offer you without apology, unedited rhema excerpted from my journal on the following six dates:

August 16, 2012

"I knew the Messiah would need to come forth to eradicate the mistake of Lucifer's failure. But the thing that hurt Me so was the fact that Lucifer was My mistake!

"Because of My mistake in authorizing Lucifer to rule the world eternally, My greatest failure occurred. However, My son, you need to know that I had never previously been required to deal with failure. I thought one created in love with My perfection would never fail Me. I was wrong.

"You have no idea of how much I grieved with anguish, hurt, resentment, anger and consternation over Lucifer's failure. My son, Lucifer was originally like Jesus, but without the sin environment Jesus was born into. This means that Lucifer was Godhead filled like

²⁰See Matthew 26:36-44; Mark 14:32-42; Luke 22:41-46.

Jesus was and like you will be.

"My authority given to Lucifer could not be amended, modified or rescinded. My governing authority was given to him forever. The only attribute withheld from Lucifer was the right to grant that authority. That was My salvation as Jehovah God.

"I was ashamed, embarrassed, disappointed, angry, anguished, resentful, distraught and overcome by grief, for a long time, before I could come to grips with Myself and with My failure. My son, I did not think that I could fail!

"My son, pride became My hidden weakness. Yes, I was too perfect and too proud to fail! I never believed that one created with all of My attributes (Lucifer) could fail but I was wrong.

"As I have said to you before, My failure was inadvertent, was unwanted and never planned for. Nevertheless, My failure occurred because of My lack of understanding on how to prepare someone to serve Me with governing authority over man and the earth. There I learned that My overflowing love was inadequate.

"Through the mistake of Lucifer and Moses, I learned that trustworthiness had to be taught through the experience of testing in order to prove fidelity to Me under all circumstances and the unencumbrance requirement became necessary as My preparation for governing authority.²¹

"My mistake was responsible for the establishment of cities of refuge.²² Those cities were for Me, My son!

"A terrible mistake done inadvertently produces the same result as the same act done intentionally. One who inadvertently misuses a gun and kills someone causes death in the same way as one who deliberately commits murder.

"That was My dilemma. I literally saw a

²¹See Jim Ash letter No. 117 for these details.

²²There were six cities of refuge to which the manslayer who had killed a person by accident might flee. Three cities were located on the west side of the Jordan, Kedesh in Galilee (1 Chronicles 6:76), Shechem in Ephraim (Joshua 21:21; 1 Chronicles 6:67) and Hebron in Judah (Joshua 21:11; 2 Samuel 5:5; 1 Chronicles 6:55), and three cities were located on the East side of the Jordan, Bezer, in the plain of Moab (Deuteronomy 4:43; Joshua 20:28), Ramoth in Gilead, in the tribe of Gad (Deuteronomy 4:43; Joshua 21:28; 1 Kings 22:3) and Golan, in Bashan, in the half tribe of Manasseh (Deuteronomy 4:43; Joshua 21:27; 1 Chronicles 6:71). There were also Levite cities.

perfectly created Lucifer who allowed pride to overcome him. Lust and pride caused Lucifer's failure. But Lucifer's failure was My failure. **Because of My failure in Lucifer, billions of precious souls on Earth One degenerated into the most vile and despicable beings.** All of that degenerative behavior began with man's sexuality.

"Man's sexuality was pure in origin, so as to make it pleasurable to procreate the human race. But that which was pure, under Lucifer's vile lust and pride, turned into things too hideous to mention.

"Men with men and women with women produces evil, lustful desires and characteristics too vile to mention. **Lucifer used that in addition to his supernatural power to literally 'rape' My perfect Earth One.**

"Through Lucifer's supernatural power over those under his authority, he created deviation from My perfect creation into the complete convulsion of man into all sorts of weird creatures that are called "demons." Once Lucifer discovered that his failure condemned him and those who followed him irretrievably, he delighted in using his authority and his supernatural power to create from man creatures too vile to even mention.

"My son, all of this started by Lucifer's lust and pride. He lusted to be the authority in control without My perfection and love. Because he knew of his supernatural power and authority and love, he was unaware of the consequences of disobedience. **As a matter of fact, neither was I!**

"I have needed to go over all of this with you to reveal to you the cause of Lucifer's failure. It all began with the lust for absolute control without any restraint prompted by his pride in being perfect in his own eyes.

"However, all of Lucifer's evil occurred because of My failure!

"Everything I devised for man's redemption, I devised with Myself in mind!

"Deliberate disobedience is sin and deliberate obedience is righteousness. **This governs all conduct in a sinful world.**

"Thank you, My son, for being My private confessor. That relieves Me of My mistakes of the past and as you know, clears My mind completely of My failures in the past. You know that, but I need to say that to you. Thank you again."

August 17, 2012

"My son, it blesses Me to have you as My personal confessor. Jesus was the first One to whom I felt secure in confessing My weaknesses and My failures, most of which occurred after His resurrection. For that reason, no one knows of My weaknesses and My failures as I have confessed to you.

"I have intimated to you previously some of these things, but now I may be plain spoken with you as a first for Me. For that reason, you have blessed Me more than you know.

"My precious son, My mind is clear, clean and refreshed for the first time ever through one who lives true to Me in a world ruled by Satan. You are more special to Me than you may know until I rapture you up to Me in the third heaven. There and then I have a surprise or two for you.

"To have someone true to Me, on whom I may depend, who lives in the world ruled by Satan is My greatest blessing on the earth.

"In Jesus, the trust was there, but until He willingly went to the cross, I was unsure of His willingness to go there. In His short three and one-half year ministry, He constantly had the cross before Him. That is why He prayed alone with Me as He did – sometimes all night. He had burdens enough of His own without burdening Him with My weaknesses and failures.

"So for these reasons, you are more special to Me than anyone yet to live on the earth – in a world ruled by Satan.

"My precious son, I want people to know who I am. I am much more like man – much more available to man than man realizes. Now that I feel free to bare Myself to you, let Me say again, you are the first man to whom I have felt free to bare the innermost feelings of My Heart. My son, I have held back nothing from you.

"But I want you to know that Jesus made this possible. Once He was on the cross, I knew My plan for man was final. **But I had to see the cross with My own eyes to know My plans for man were final.**

"Jesus proved that the six attributes that I taught Him were adequate.²³

"So realize again, it is because of Jesus and His faithfulness that I am free to confide in you concerning

²³The six attributes mentioned here are referred to as God's Six Measure Standard as listed in Jim Ash letter No. 155, page 3 column 1. Those six measures were used by God to train Jesus and the thirteen new God Incarnate apostles soon to be released.

My weaknesses and My failures. That's the way it is when you are Jehovah God. My son, the "buck" stops with Me and that is a great responsibility. But My responsibility now is much lighter and easier to carry because of you.

"So first, remember that you are so special to Me because of the faithfulness of Jesus. And secondly, know full well that you are My first to whom I have been able to bare My soul. And I have been able to do that **before** your release and **before** you become God Incarnate. That is more special to Me than you may now know.

"My son, you are My second First. Jesus opened the door through which you have walked to intimacy with Me. My mind – My heart are now cleansed by My confessions to you.

"In one sense, you are the records room²⁴ of My past. Drink that in – think that through. That's how important you are to Me.

"As I release you (soon), you will then be able to share with others who I really am. No one on the earth knows this but you. You, My son, are My secret weapon. You have set Me – Jehovah God – free of the dross of a failed Lucifer.

"Know assuredly, that you are to Me as the record rooms in My third heaven are to man. My mind and My heart have been expunged of My failures and of My weaknesses. My son, I am like you. Confession of My failures and My weaknesses to you have cleansed Me of all unrighteousness. Yes, unrighteousness is correct.

"You know that is correct because of My experience with Moses. His calm approach to My response to the golden calf incident exposed My explosive temper to evil. **Yes, I have an explosive temper against evil!**

"Realize that I had to learn of evil from a fallen Lucifer. From him, I learned how to deal with evil and its devastating affect on man and on Me.

"So realize, My precious son, you mean more to Me than I may reveal to you until after the Rapture. But know this: You are special to Me. And everyone who has assisted you along the way, I have blessed. That includes Everett Crouch. I sent him to comfort you at Betty's death.

²⁴There are records rooms in the third heaven where meticulous records are kept on everyone that will be used when everyone of us comes before God to be judged. See Revelation 20:12, 15.

So consider yourself blessed beyond any man who has lived on the earth with only one exception. Jesus is that exception.

"You two have much more in common than you may now know.

"And yes, John knows of your love for him.

"My son, your thoughts travel farther than you might think. I know of them and I am a pretty good herald Myself. (*a little humor here*)

"And yes, your immediate family – your mother, your father, Cecille and Betty, all know of My choosing you and of your importance to Me.

"My son, you are the only one who has been able to write objectively about Moses after I made a slight addition to your thought process.

"Moses was the first man who successfully confronted Me with My weakness and My anger against evil. That is most important. My overreaction in anger at the evil of the golden calf is second in importance. In that incident I could see the enemy making inroads again into My people.²⁵ My anger was against him as it always will be.

"My son, thank you for your obedience.

"Now you understand how the record rooms in the third heaven originated and how confession cleanses the heart of dross.²⁶

"That is what you have done for Me. You have cleansed My heart and My mind of the dross of the enemy forever. Thank you."

October 17, 2012

"My son, no one thinks of Me the way I think about Myself because no one believes that I have ever had a problem.

"The reason I have had problems and the reason I now have problems is because of Satan. Every day 24/7 I have to look on the earth I made that has been ruined by a fallen Lucifer whom I trusted to rule the earth.

"My son, I, Jehovah God, am directly responsible for millions of souls marching into the lake

²⁵What God refers to in this statement is that the golden calf incident in the wilderness reminded Him of the destruction of Earth One, the destruction of Earth Two survived only by Noah and his family and the destruction of Sodom and Gomorrah, all of which events began with or included licentious worship rites. That's what made God so angry. His righteous anger was vented against the enemy who caused each of these occurrences.

²⁶See James 5:16.

of fire because I gave to Lucifer absolute control of the earth.

“But because you have been My private confessor, I now can bear the burden lightly instead of taking all of it on My shoulders. Because I have confessed to you all of My faults and mistakes, My heart is cleansed **and I am now more able to see things objectively.**

“You have lifted a heavy burden from My shoulders that I have carried alone for millennia.”

October 18, 2012

“And yes, the task – meaning your writing task – is a formidable one for Me – again. It is important to Me for it to be known, that I, Myself, am responsible for sending Jesus to the cross since Adam was a planned failure. That is important to Me, for only as it is revealed to the world AND to the church who I really am, will I be once more completely contented, satisfied and fulfilled.

“Truth, My precious son, will set Me free forever. Truth is eternal and I must have the truth about Me proclaimed for everyone to know to completely set Me free. Jesus said, ‘You shall know the truth and the truth shall make you free.’ My son, I gave Him those words **FOR MYSELF!**

“Now I may reveal to you that one purpose of your writing is to deliver the truth about Me, to set Me, as Jehovah God, as the Ancient of Days, as the Supreme One, yes, to set Me free forever.

“The truth about Me will forever divorce Me from things that have been said **AND** written about Me that simply **ARE NOT TRUE.**

“Your writing of truth about Me will divorce Me from My past and will set Me free. So you see your writing will serve to reveal that I am a divorced God, but that I need you to file for Me a third set of divorce papers, to completely divorce Me from My past, for everyone to know who I really am.

“My guilt – My responsibility for all evil – for all wrongs – for all death – for all sin – must be made known and you, My son, are the only one who knows the truth about Me that **MUST BE PROCLAIMED.**

“This is a **MUST**, My son, to clear the slate of My past that I may once more truly be Myself. You, My son, have set Me free by becoming My private confessor. Now you must make that known – you must

publish the truth about Me so that I, Myself, may be cleansed in the eye of **EVERYONE.**

“My son, this will bring many back to Me.

“That is the purpose of publishing the truth about Me.

“Did I not say to you that everything Jesus said about righting wrongs or correcting wrongs was said about Me as Jehovah God?

“My son, I dictated those words to Jesus about **MYSELF.**

“Only as the world **AND** the church knows the truth about Me may I fully become **MYSELF** once more. That is what your publishing the truth about Me will do for Me **AND** for the world **AND** for the church.

“I want My faults to be known to the world. That will do more to defrock some myths about Me than anything else I could do. This will be true spiritual warfare against the enemy. When it becomes known who I really am, that will help to proclaim who Satan really is. That is the main purpose of publishing truth about Me.

“My mandate to you is to ‘tell it all like it is,’ to set me free, and to set a multitude of others free of the enemy’s grip forever.

“And yes, once more for emphasis, when Jesus said, ‘You shall know the truth and the truth shall make you free,’ *I gave Him those words for Myself.*

“I have previously said to you that your writing is for Me. Now you know the truth behind that statement.

“I need to be cleansed of My past and truth is the vehicle to accomplish that for Me. And since you are My herald or My writer for this rapture generation, you, My son, have the unique privilege – the unique blessing of setting Me (as Jehovah God) free of My past so that I, along with you, My son, and along with countless others, May freely look forward to and enjoy the future.

“Let Me emphasize this again. When you publish the truth about Me, it will have the same effect about which James wrote concerning the confession of faults to one another, which brings forth healing and restoration.²⁷ That is what I want done concerning Myself, and you, My son, are appointed to do that for Me.

“All of your writing, My son, *has been* for Me, *and is* for Me, and I will see that countless others are blessed thereby as well.

²⁷“Confess your *faults* to one another, and pray for one another that you may be healed. [James 5:16 (a)].

“Healing and restoration to countless others will come through your published writing concerning My past. Your publishing My past is My crucifixion of Myself as Jehovah God, that others may see and be healed, restored and set free, and is My personal contribution to spiritual warfare to defeat our common foe.²⁸

“My son, truth about Myself is the ultimate weapon in spiritual warfare.

“You shall know the truth and the truth shall make you free.”

June 25, 2012

“Every judgment Jesus will pronounce will be the Father’s judgment spoken by Jesus. Therefore **EVERY JUDGMENT** pronounced by Jesus will be the Father’s judgment spoken with the Father Himself in mind.

“This makes Jehovah God so real. As a matter of fact, it makes the Father so much like man whom He created in His image and in His likeness.

“This brings man at his best up to God’s level at His worst and brings God at His worst down to man’s level at his best.

“This is evidence that God made man in the image and in the likeness of God. Man originally was God Incarnate. This proves that Adam sinned as God Incarnate but it is also evidence that God Himself failed as Jehovah God.

“This again proves that **EVERY JUDGMENT** by Jesus will be the Father’s words spoken with God Himself in mind. Therefore, **EVERY JUDGMENT** will be with mercy. And it is also proof that no one will follow Satan into the lake of fire without multiple opportunities to follow Jesus.

“Hallelujah to the Lamb of God who takes away the sin of man and the failures of Jehovah God Himself!

“This confirms that Jesus went to the cross for the Father as well as for mankind.

“This is why the name of Jesus is above every other name to include the Father.

“Therefore, glory to the Lamb of God who bore not only the sin of man, but the mistakes, the faults and the failures of the Father!

October 20, 2012

“Yes, My son, your Day of the Lord is at hand. And yes, I have revealed to you many things about Myself that no one else knows.

“But I need to be set free the same as everyone else.

²⁸This is the first time that God has said that He, Himself, has entered into the fray of spiritual warfare as a direct participant, instead of man, himself, being the spiritual warfare warrior at God’s direction.

My son, the enemy has made Me, as Jehovah God, captive to My own weaknesses. The only way that I may be set free is by confession.

“You have been My private confessor, My son. I have confessed to you all of My faults – all of My mistakes. That, as you know, greatly lifted My heavy burden. The earth – the world – My son, is heavy.

“But I want the light burden that remains to be lifted to set Me completely free. My son, I have been a captive of My own weaknesses. You have freed Me of My heavy burden. Now, free Me of My lighter burden by announcing to the whole world My faults – My weaknesses – My failures.

“My son, I want the whole world to come to Me through My only begotten Son to be set free. **But I, as Jehovah God, am inadvertently responsible for sending My only begotten Son to the cross.** Therefore, I need the whole world to know Me and all of My weaknesses – all of My faults – all of My failures, so I, as Jehovah God, may be set **completely free of My past.**

“You, My son, are the only one who can set Me, as Jehovah God, completely free of My past.

“Remember, the task set before Me after Lucifer’s failure was how to devise a way to redeem the world through fallen man.

“My son, **you are that man now – My necessary man to set Me free of My past.**

“This is one reason why your writing will become a sequel to the bible.

“Truth, My son, about Me will make Me free.

“And you are the one to publish that truth.

“I have given you the facts. Be not reluctant to proclaim them loudly through your writing and your teaching, that I may enjoy to the full, complete freedom so as to lavish Myself on My New First Family when they become My wife for eternity, in whom I am blessed, pleased and fulfilled beyond measure.

“In that manner, My son, the world will know who I am from two perspectives: (1) the dross of the past and (2) the blessings of the future.

“My son, you are – you will be – the major player in both of these two immutably important events for Me.

“So now you know why the name of Jesus is above **every name – because He went to the cross for Me.**”
