Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

ANOTHER LOOK AT THE CROSS PART TWO

My letter No. 158 was explicit in defining the real reason for the cross, which was the Father's inadvertent mistake in giving to Lucifer the irrevocable, immutable authority to rule the earth. In that letter, June 15, 2012, was the earliest entry of prophetic rhema words I received from the Lord.

However, that was not the earliest date the Lord had spoken to Me on this subject.

His first expanded explanation on this subject was given to me the morning of Thursday, March 3, 2011. A most important body of this letter is that entry from my journal, including my introductory remarks preceding the rhema word. This was the most profound word the Lord had given me on this subject.

Learning to listen to God's voice is of inestimable value. The Lord Himself, taught me to listen to His voice 24/7. Then in my quiet time with Him each morning, over an eighteen month period of time (June of '04 through November of '05), He gradually replaced My talking to Him with His talking to me. That was a radical departure from my usual two-hour prayer time, but since God did it gently over eighteen months, it was easily done. Taking dictation from God will change your life!

Then that day in November of 2005, He said to me, "Hereafter when you come to spend quiet time with Me, come with no prayer agenda. If I want you to pray, I will tell you."

Since that morning in November of 2005, I have come before the Lord most every morning with only a pen and my journal expecting to take dictation from Him. He has not disappointed me.

There are 788,260 words in the King James bible. I have something like twice that many rhema words transcribed from my journal, printed and filed in three-ring notebooks. Those words came from the same Source as the King James bible.

This is why God has said to me, "The Listening Method" is the "Pentecost" of this rapture generation.

The Pentecost Method of ministry began the church age about 2000 years ago. God has chosen the

Listening Method to close the church age prior to the Rapture in about eight years.

All thirteen new God Incarnate apostles have been taught by the Lord to hear His voice 24/7. They also have passed the same Six Measure Standard that Jesus passed prior to His water baptism by John. You have the same ability to learn to hear his voice 24/7 that I have. That is the only avenue through which one may become God Incarnate. The blessings are beyond comprehension.

With this as an introduction, here is my journal entry on March 3, 2011, to include my written introduction to this amazing word from God, as a follow up sequel to My letter No. 158.

My introduction to the rhema word received on 3/3/11

This is the most powerful explanation of the Father's relationship to the Lord Jesus and to the world and to mankind that I have ever been given. Herein the Father accepts the blame for all evil that has befallen the world and mankind. God be praised for the absolute humility and straightforwardness of the Father in this word. The fact that the Father accepts the responsibility for all of the evil that Satan has caused on the earth and in mankind, brings to light attributes of Jehovah God ***never seen before***. This is one reason why God has said that my (His) writing will become a sequel to the bible and will be scattered over the earth. This word is so unusual and important, I have not high-lighted anything – a first for me. It (the complete revelation) is that unusual and important. Years ago, God said to me that the highest badge of honor in the kingdom is humility. In this word, God, Himself, wears that badge well. Thank you God for blessing me with this explanatory word about Yourself.

The description of Jehovah God given in this prophetic word is so unlike the conclusions one may arrive at by reading the logos without rhema revelation.

The rhema word given the morning of 3/3/11

"Yes, My son, My guilt, grief and despair over My loss of Earth One was without limit. At first, I thought to fix the problem. Then reality set in.

“Because of My permanent spoken words of creation of Earth One, I could do nothing to fix the problem. Because I had literally poured Myself into Lucifer, since he was like Me and because of My love for him, I did not conceive of anything but a perfectly operating World One conceived in love, My endless love.

“All of My plans to restore man were done in consideration of My own restoration first. I had to deal with My own mistakes first. That is what is behind everything I devised for fallen man.

“Grace and mercy came through Jesus because of My failures. When Jesus said to the woman taken in adultery, ‘Neither do I condemn you; go and sin no more,’¹ those words He spoke to that woman were My words given to Him for Myself.

“What Jesus was saying to that woman were words that I, the Father, was speaking to her on My behalf. In forgiving her, I, the Father, was forgiving Myself.

“What Jesus said to that woman set her free and simultaneously set Me free. Every time Jesus set the law aside in favor of love and mercy, He was helping to free Me of the grip of Satan on My own life.

“My precious son, I, the Father, through My own family, sent My only begotten Son to the cross. His death on the cross set Me, the Father, free from My guilt and shame.

“He (Jesus) set Me, His Father, free from the grip of Satan.

“Because of My authority granted to Lucifer, My whole world came crashing down on My own shoulders.

“I, the Father, became like everyone who has done some horrendous crime inadvertently. Something that was intended to bless many millions (billions?) suddenly, right before My eyes, corrupted into total evil that was designed by Myself for total good.

“It was like a run-away train without anyone in the engine cab, running full speed down the track to sudden calamity, disaster and death without anything I could do to stop it.

“My precious Earth One, into which and into whom I had literally poured Myself through endless love, had suddenly exploded, had suddenly corrupted into unimaginable evil, right before My eyes – about which I could do nothing.

¹See John 8:2-11 for this incident.

“All of this happened because of My lack of understanding that there were three things I overlooked in training Lucifer. The two litmus tests and the unencumbrance test were left out of his training.² And since he was an angel, there was no question of his celibacy, since angels are not created for procreation.

“But that is another mistake I made. Although Lucifer was not created for procreation, because he was like Me, with My supernatural attributes, he convoluted his own God given right to govern into lustful activities too lurid, too vile and too evil to imagine.

“The reason some demons have grotesque looks and shapes, is because they had done the same thing the people of Noah’s day had done. Angels had cohabited with women on Earth One. When that occurs, My creation explodes beyond My control.

“When angels, who were never intended to procreate, enter into sexual relations with women, that which was intended to be pure and perfect with no imperfections, through the transmigration of human cells, becomes uncontrollably evil and vile. Only as a man and a woman commit themselves to one another and to Me, does My plan for procreation work properly.

“Any deviation from that plan produces results out of My control. That accounts for the strictness of the laws of Moses. Those strict laws were designed to keep My people pure. Any deviation from them always produces evil.³

“But law had to come before grace and mercy in order to produce a Messiah. I had to clean up man on the outside so I could put Myself on the inside.

“Jesus became the vehicle, the perfect vehicle in whom I could dwell to redeem Myself first and fallen mankind second.

“Everything I devised to redeem man in a fallen world was first devised for Myself. That’s why repentance was provided for man through My only begotten Son. When Jesus said, ‘No, up to seventy

²The *two litmus tests* were items number four and five of the Six Measure Standard. For the Six Measure Standard see Jim Ash letter No. 155, page 3, column 1.

³**Any sexual relationship except that which God designed is wrong and produces evil.** The destruction of Earth One and of Earth Two (Noah’s flood) and Sodom and Gomorrah, about which I have previously written, are biblical examples. This obviously includes homosexuality, lesbianism, same sex marriage and abortion, all of which are Satan’s assault on marriage and the home.

times seven,⁴ He was saying My words about Myself.

“I, the Father, am responsible for all evil that is in the world. And every judgment of every soul must be done with Myself in mind, first. Otherwise both Jesus and I would be frauds because Jesus was directed by Me, the Father, in everything He said and did.⁵

“I, the Father, am indirectly responsible for all evil in the world. For that reason, I, the Father, am a God of love, grace, mercy, and countless opportunities will be given to rectify mistakes of the past because I caused them all through My lack of proper planning.

“When I see a sinner, I see Myself.

“When I see a prodigal who has been duped, lured and deceived by the devil, I see Myself.⁶ That’s why every prodigal is first on our list.⁷ Believers have had the first chance. Now is the time for My precious prodigals to be first on the list of My special apostles, of whom you are one.

“My prodigals are first because they do not know the answers believers have already been exposed to.

“My precious son, many, many precious prodigals await your (Our) arrival. And they will in return, give to you an outpouring of love and devotion never previously seen on the earth. You will not want for anything. The precious prodigals you (We) restore will shower you with their love, admiration and financial support to further your activities against the enemy.

“My son, My only begotten Son not only set Me free of the grip of the enemy, He has set everyone free who comes to Me through believing in Him.

“When one believes in Jesus, he believes in Me, in Myself, Who sent Him, because We literally became One after John’s baptism, temporarily at first, but

⁴See Matthew 18:21, 22, where Jesus told Peter that we must forgive a brother who sins against us “up to seventy times seven,” which is an indefinite number.

⁵For biblical evidence of this fact, see Jim Ash letter No. 93.

⁶Jehovah God was deceived by a fallen Lucifer. God did not believe one would fail Him who was trained by the Three Measure Standard and filled with His overflowing love, but He was wrong.

⁷God has said to me that a prodigal is one who has been deceived by the enemy and that Eve was the first prodigal on Earth Two. The reason *every prodigal is first on our list* is because God, Himself is a prodigal who was deceived by a fallen Lucifer. God looks with compassion on **EVERY PRODIGAL** because “He has been there.”

permanently at His death on the cross.

“At His death on the cross, Jesus became the salvation of the world.

“Jesus set Me, the Father, free.

“I had to be set free first because I was responsible for fallen man.

“Jesus set Me free. Since He and I are still One, He therefore is equipped to do the same for everyone who believes in Him as Savior, Lord and Redeemer.

“He (Jesus) carries all of My authority. He, therefore, is One with Me and is able to do everything I am able to do. So remember that as you are released. You will be under My authority through Him. When He speaks, it is I, the Father, Who speaks, because We are One.⁸

“You (and the twelve) will become God Incarnate, but with the same strict oversight and guidance of the One Who is one with Me, the Father. Through Me, the Father, Jesus speaks. He (We) will direct all of your activities, for He (Jesus) will still know of and will still have authority and responsibilities neither of the special thirteen will have.

“That should set you straight on the chain of authority or the chain of command.

“In summary, I, Jehovah God, see a fallen world as caused by My mistakes, My failures, although they were inadvertently done. Nevertheless, the fallen world is My responsibility because I caused it to occur.

“That is why, under My watch, no one will be condemned without complete knowledge of salvation through My only begotten Son, for a sufficient number of times, to satisfy My conscience.

“It can be no other way.

“At every judgment, My grace and mercy will lead the way – will be made known.

“God has had to do His work through imperfect men (except Jesus) in a fallen world. Whom they represent is of paramount importance.”

<end of prophetic word given on 3/3/11>

An introduction to the remaining body of this letter

By reading and studying the bible, you may get to know and have faith in God. That is one purpose of the bible. I have spent a number of hours doing just that in my ninety-two (soon to be ninety-three) years on this earth.

⁸This is like the visible ministry of Jesus. He spoke the Father’s words. See Jim Ash letter No. 93 for other details.

But only as God Himself taught me to be quiet and to listen to His rhema words daily, did I actually begin to know both Jehovah God and the Lord Jesus in a much more intimate way.

Shortly before His crucifixion, Jesus prayed to the Father as recorded in the seventeenth chapter of John. In verse three of that chapter, Jesus said,

“And this is eternal life, that they (*his followers*) may know you, the only true God, and Jesus Christ whom you have sent.”

You may get to know God and the Lord Jesus by studying the bible, but learning to know them both through listening to God’s voice daily will lift you into another spiritual level of intimacy with them both that is unattainable any other way.

Never did I believe or think that one could have the intimate, warm and very personal relationship with Jehovah God that I now have. And it all began with God, Himself, teaching me to listen to Him talk (pray) to me instead of My talking (praying) to Him every morning.

When He told me to come to Him with no prayer agenda – that is one thing. But when He also told me that if He wanted me to pray (talk to Him), He would tell me – that placed me in an exclusive “listening mode” I had **NEVER** previously experienced! Since He took eighteen months to teach me this principle, it became easy to do as His rhema words to me filled my morning quiet time with Him.

Hearing rhema words from the mouth of God has changed my life forever and catapulted me into areas I thought unavailable to man. But remember, with God all things are possible.

I have been roundly and sharply criticized and denounced because of my walk with God. There is much more of that to come, but such is not unusual among God’s prophets.

But there is a silver lining to this story.

Very soon, thirteen of us will carry the John 14:12 message to the world. This message is beyond the Gospel message and yet it is inclusive of the Gospel message. It is inclusive of the Gospel message, in that the Gospel message – the Great Commission – was essential in order to establish and maintain the church.

The John 14:12 message is beyond the Gospel message in that it is designed to close the church age. The closing of the church age is just as important as the

opening of the church age one Pentecost morning in Jerusalem about two thousand years ago.

By listening to God’s voice for many years while journaling His rhema words daily, I have become more intimately acquainted with Jehovah God than I ever thought possible.

Our God, the only true God, is so real, so “down to earth,” so devoid of any aloofness or pretense and so humble, it takes a while for that concept of God to be assimilated in the mind. With this as an introduction, I invite you to feast on prophetic rhema from the mouth of God given to me on the following eight days in March of 2011, as indicated:

March 4, 2011

“Yes, My son, not only have I given you, as one of the thirteen, intimate information about Myself no one has previously known except Jesus, as you have recorded and transcribed My words faithfully, you are creating a sequel to the bible never before known. That’s how important your writing is to Me and to the world.

“I know this gets old to you, but nevertheless, it is true. You are closer to your release than you imagine. Continue to receive and write what I give you. That is a very important part of your ministry.

“While it is true that you will have time to write after I release you, everything you (We) can do in that area prior to your release, will allow time for other things I have called you to do.

“Simply do what lies before you from day to day and We’re on the way.

“Now you are free to go, but don’t forget the importance of your (My) writing.

“No one has **EVER** had such a writing assignment. Your writing is beyond that of Paul⁹ because no one else is writing supplemental, supportive material.

“That’s another of your unique assignments.”

March 5, 2011

“Yes, My son, the letter you are writing is also important. It sums up the purpose of the Listening Method, which is the ‘Pentecost’ of this rapture

⁹My writing is beyond that of Paul, not more important than the writing of Paul. Paul wrote within and of the Gospel message, to establish and maintain the church, while the special thirteen God Incarnate apostles have been called forth to close the church age, about which I write, which is beyond the writing of Paul.

generation.

“As the enemy’s activities are stepped up, it will be interestingly more difficult to remain fruitful to Me without hearing My voice daily. In that manner alone may one walk perfectly before Me in the fallen world. For as you spend time listening to Me daily, I am able to guide and direct all of your activities. Therein, alone, will one be enabled to walk perfectly before Me to ward off all the temptations of the enemy.

“The enemy’s activities will be stepped up. Remember, I said to you several years ago, ‘Satan is now in control of the world.’ That is why it is essential to learn to hear and obey My voice daily. In that manner will you be perfect because you walk in My perfect will.

“My son, it is possible to walk perfectly before Me today, without sin, by setting aside time for Me daily to hear My instructions for the day.

That is not the Baptist way,¹⁰ for example, for one must hear My voice to know My will.¹¹

“That means to go beyond the written word (logos) to the rhema.

“My son, this time has been set aside by Me, Jehovah God, as rhema time, not as logos time.¹²

“The time has come for rhema, for rhema is always current and apropos, or current for the day at hand. **The time is coming and now is when man must hear My voice to keep up with My changing**

¹⁰“The Baptist way,” meaning that it is impossible to walk daily before God without sin. This is my impression of “Baptist doctrine” by listening to Baptist preachers. The Baptist denomination may not be the only denomination with this doctrine. But when one begins to hear the voice of God daily and becomes obedient thereunto, it is possible to walk daily before God without sin. That is another plateau to which one is lifted by learning to hear God’s voice daily. Remember that God has reserved this blessing for the latter years of this rapture generation. Each of the thirteen new God Incarnate apostles, soon to be released, will demonstrate this in their daily walk before God, reinforced with signs, wonders and miracles.

¹¹In a fallen world, righteousness is not dependant upon perfect conduct, but upon obedience. Therefore, by being obedient to the (rhema) voice of God, one may walk without sin in his daily life.

¹²Logos time is reading the bible. Rhema time is hearing the voice of God. There is little comparison between the two. Logos must be quickened into rhema by the Spirit, while every word you hear from the mouth of God is rhema. Reading the bible is excellent spiritual therapy by which one may grow incrementally, whereas listening to the voice of God daily will allow you to grow exponentially.

instructions for the day.

“My son, tell this to My people now. Now is the time for this to be made known. Those who are hungry will listen and hear. Leave the others to Me.

“The Listening Method is the ‘Pentecost’ of today. The Listening Method is phase three of My three phase plan to bring to a close the church age.

“The close of the church age is just as important as the beginning of the church age.

“It is very important now to learn to hear My voice clearly in order to participate fully in My end-time activities. Those who do so will receive the greater blessings and will be able to assist Me with the final harvest.

“The final harvest is very important because it will close the church age.

“Those who operate only in the Pentecost Method will not be able to participate fully in the end-time harvest, which is at hand.

“Those who will set aside time for Me daily in order to learn to hear My voice, will not only be able to assist Me with the harvest, but they will also be able to enjoy to the full My end-time activities.

“I want My family to enjoy what the thirteen will be doing, **for they (the thirteen) will be living the time of their life and the time of Our life as well.** Our life, meaning the Godhead, God the Father, God the Son and God the Spirit.

“My son, you must teach that those you heal and restore must live for Me and give Me the glory in order to keep their blessings. That is neglected many times in today’s ministries.

“Benny Hinn, for example, cannot know everyone I bless in his crusades. Consequently, many who are blessed fall back into their old ways and lose their blessings.

“You know how to instruct those who are blessed to keep their blessings. Your letter No. 117 is a good starting place, with a few minor changes. Retrospective changes are easy to see.”

March 6, 2011

“My son, you now have another piece of the puzzle. The other piece of the puzzle (your release), a most important piece, is at hand. Things are right on schedule. And I am **MORE** interested in your release than you are, for I, Jehovah God, have awaited this for many millennia. *It is of much more importance to Me*

than it is to you.

“My son, I want you to become Me so people may know who I am. I want you to mix and mingle with common man, My precious prodigals, so they will know who I am. Now, they do not know Me, or in many cases, they have been so misled by the enemy, they are afraid of Me or have serious doubts about Me.

“You and the twelve will change that.

“I long for you to become Me.

“That process is very simple. Assume you and Dale stood close together. Then assume one of you was Me, for I am spirit. All I would have to do is to simply move within you and We would be One.

“However, I cannot infuse you with Myself until **EVERYTHING** is prepared for that moment. Then, My son, We are ‘off to the races’ of life for countless millions.

“You have been given **MORE** than you realize, for I am the **MORE** of your life beginning today.”

March 7, 2011

“Yes, My son, it would be a good idea to write about the Great Commission, as compared with the Greater Challenge of John 14:12, which goes beyond the Great Commission. The Challenge of John 14:12 is greater than walking on water, restoring a withered hand, feeding two multitudes and translating a boat-load of disciples to their destination instantly, for example.

“John 14:12 goes beyond the Great Commission. And for that reason, it is tailored for the **NOW** of time in this rapture generation to bring in the final abundant harvest.

“This gives you a different approach in teaching the Listening Method. Jesus prophesied it. **Believers today have the greatest opportunity to serve God that has ever existed.**

“By learning to hear the voice of God, one may participate in the greatest harvest of souls to occur on planet earth.

“John 14:12 was and is designed to bring in the abundant harvest.

“Thirteen apostles, infused with the Godhead bodily, will shake up or wake up the church and will bring massive numbers of prodigals into the kingdom by fulfilling John 14:12.

“John 14:12 was given for today.

“Every believer has the capacity to hear His voice and to be changed for eternity.

“The super thirteen will have greater authority to destroy the works of the devil without restraint, in plain open view, for all to see.

“‘It is appointed for men to die once, but after this the judgment,’ does not apply to those who dedicate themselves to the Listening Method in the few remaining years of this rapture generation.”¹³

March 8, 2012

“Yes, My son, in one sense, John 14:12 is an extension of the gospel. It is greater than the gospel message because it goes beyond the gospel directly to Me.

“It’s one thing to represent Me, but another thing entirely to become Me. Or said another way, the gospel is to the logos as the Greater Challenge is to the rhema.

“The super thirteen will introduce rhema time to the world and to the church.

“I will continue to teach you on this new way of life as We proceed.

“In the gospel you represent Me.

“In the rhema (John 14:12) you become Me.

“And the only way you become Me is to learn to listen to Me daily. You must be fed daily in order to grow spiritually.

“And no, My son, you have not disobeyed Me. You remembered that this morning. So put your eyes back on Me, because We have some important things to do.

“You may want to write on ‘Beyond the Great Commission.’ That may be a good title. Serious bible students will believe that to mean the Rapture. So it might be a good way to start.

“Beyond representing Me lies the greater blessing. One may actually become Me by resting while I do the work.

“If clearly thought through, becoming Me is relatively easy to do – just listen to Me is all one must do to become Me.

“The seven parts of each rhema word would be

¹³The scripture quoted in this paragraph (Hebrews 9:27) does not apply to those who dedicate themselves to the Listening Method in the few remaining years of this rapture generation. **They will not die, but will be raptured!**

good to include in your teaching.¹⁴ And, of course, Matthew 4:4 and Deuteronomy 8:3 are the foundation.

“Remember, one must become divorced from the concept that the only way to hear the word of the Lord is to hear it preached from the bible (logos – i.e., Romans 10:17). When one breaks through that barrier, he is on the way, on My way, that is.”

March 9, 2011

“My son, We are almost there. As I have previously said to you, the rhema way is essential to knowing and following My will as the enemy steps up his activities. One must be fed spiritually on a daily basis to become a warrior engaged in My end-time activities.

“An important thing to remember, is that as you learn to hear My rhema daily, you first will know My will. Secondly, you may assist Me in My end-time activities and thirdly, you will remain outside of the enemy’s sly, subtle but ever so effective, evil ways.

“As you begin letter No. 147 (February ‘12), I will assist you. Just take it slowly and We will put together another classic.

“My son, no one, and I mean no one, is writing what you write and as you write. Your (My) writing will ‘sell like hot cakes’ once you have demonstrated My authority in your life. I will guide you in your publishing. You remember, I have previously given you instructions on one book to publish.

“My son, while Moses had time for writing, he did not have your responsibility. The more preparation We can make ahead of your release, the more time We will have to thwart the enemy. That’s My goal for you and the twelve.

“But because of your seven ministries, your time will be allocated differently than the other twelve. Not only will you be busy, but, after you have

¹⁴Each rhema word from the mouth of God contains seven attributes of God. There are spirit, life, love, truth, light, food (spiritual) and faith (which comes from hearing). There is no way to overemphasize the importance of these seven attributes. For example, as you hear (and record) rhema words from the mouth of God daily, they will have a residual affect in your physical body that will gradually make you immune to all illness and disease, including debilitating conditions such as Alzheimers and cancer. Here are two other blessings for those who hear the voice of God daily and become obedient thereunto: (1) You will not die but will be raptured and (2) you may become God Incarnate in this rapture generation as you prove yourself to be obedient, faithful and trustworthy for a sufficiency of time according to God’s standard.

ministered for a while, you will attract attention in certain areas in which the other twelve will not be involved.

“All in all, you (We) will be busy. As you know, you will grow into these responsibilities with My guidance – and – We will have a fun time in each of your assigned blessings.

“My son, you now have another piece of the puzzle with only one remaining. So, patience, My son, with Me, for it is I, Jehovah God, who will direct you in everything you do after you are released.

“You need have no concern about how to handle one’s relationship to you when you are released. I will handle that. In the meantime, look at how I handled that. Look how I handled those who wanted to worship Me. But be not concerned about this. I will be within you bodily to govern all you do. Therefore, that is My responsibility. The adjustment will be minor – like putting on a new coat that will be ‘just a fit.’”

March 12, 2011

(The song, “Georgia on My mind” was on my mind this morning upon awakening. Here is His response:)

“Yes, My son, from Geogia to San Francisco is inclusive of the whole continental USA. That is your scope of operation. It will be national first, then international secondly.

“Remember the vision of light wherein you saw South America, Portugal, Spain, France and Europe? That is your secondary target for more than one of your ministries. So you will be busy, but a *good busy* and a *blessed busy*.

“And yes, I have arranged for you to see Billie Sue Medley in an interesting arrangement. You two will enjoy what I have planned for you.

“And yes, I will do as you have requested. I will not allow temptation to lure you away from Me. You see, now all you have to do is to ask Me and the request is granted because We are One. **Additionally, remember, I said any request that will glorify Me will be granted. As a matter of fact, the answer to such prayers awaits the requests. That statement is powerful, My precious son, and one that needs to be made known in your writing.**

“Your writing, My son, is like the writing of all of My servants. Your readers will be drawn to Me in different ways. Remember, (1) if in your writing they will see things to do, they will do them. (2) If they see

things to become, that will happen. And (3) if they desire Me, that will occur.

“In the above paragraph are the three areas of spiritual growth. If you will be observant, you will be able to see all three stages of growth in believers.

“But, My precious son, what I look forward to is your ministry to My (Our) precious prodigals. I have much, very, very much empathy for them because I, Jehovah God, Myself, was hurt first and most by the deceiver over which I still grieve.

“This means **EVERYONE** who has been deceived by the enemy is one for whom I have empathy and one for whom My love has no boundary (*limit*).

“This is why your ministry to Our precious prodigals holds so much potential for both of Us. For Me, meaning, I see Myself in every prodigal because of My failure in Lucifer. For you, meaning, you will become endeared to each one you set free in unbounding love and devotion and support – financial and otherwise.

“You will be able to say to them, to each one authoritatively, ‘You are accepted – you are loved – you are forgiven.’

“And as you say those things with Myself within you, there will be a cleansing unlike any other done previously!”

“Those prodigals you bring into the kingdom will become My powerhouse of this rapture generation.

“Remember, I said to you that many of My prodigals would have exceeded My most noble ones had they not been deceived.

“My son, **many** of My prodigals you (We) bring into the kingdom, while knowing and believing in your words, will take them literally and make their assets available to you for the gospel as in no other generation.

“Many of My prodigals have been starved for reality, satisfaction and fulfillment in life only to be fed false information by the enemy. Once many of them are set free and know Me for Who I am, they will become a formidable force never before seen on the earth. Many with substantial assets, will accept as fact, information about the ten years¹⁵ remaining, and will consequently provide financial support for the gospel never before seen. So you see what you have tapped

¹⁵“Ten years” is correct as of the date this word was given to me on March 9, 2011, but eight years from February 1, 2013.

into. Get ready for something never before seen on planet earth. I, the Lord God, am hungry for and lonely for the redemption of My precious prodigals by My precious thirteen. This gives you some idea of the blessing each of My special thirteen will be to Me, Jehovah God. This is also why the whole heavenly hosts will rejoice at your release. They know what the ministry of My special thirteen means to Me, Jehovah God, the Father of mankind.

“One great advantage you and the twelve have is to know the ‘how to’ and the ‘when’ of My plans. That is a great advantage, especially in the remaining ten years prior to the Rapture.

“And yes, what you saw yesterday in Japan is only the beginning. Remember, I said to you several years ago, ‘The enemy is now in control of the world.’¹⁶ Japan is only one illustration of what the future holds.

“So be prepared for your release. It may occur when you least expect it, so stay ready.

“And yes, when you are released, your skeletal prayers will no longer be needed. All of your time will then be Mine, or Ours.”

“Yes, My son, My people will take time to feed the physical body, which is only a temporary home for the soul, while I cry out to be heard and remain alone.

“The physical body is only a temporary cloak for the soul that will live forever.

“You now see where I stand among My people who are starved for spiritual food, while they feed to excess their physical body which is only a temporary home.

“My people are starved and unfulfilled for lack of knowledge, not for lack of intellectual knowledge, but for lack of spiritual knowledge that comes from revelation.

“My people will spend time and money to get their temporary home (*their body*) in better condition while giving little or no time listening to Me. **Only as you listen to Me am I able to feed your soul that will live forever.**

“My son, you know why the church is weak. **You are to tell My people to listen to Me.** As you take time to listen to Me daily, you will begin to be equipped to assist Me in the final abundant harvest.”
