Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

THE GREATER CHALLENGE

In the kingdom, the greater the challenge, the greater the blessing. *The Greater Challenge* about which I write portends blessings beyond that which anyone has experienced on the earth. Although there is turmoil over the earth that will intensify, God is getting ready to do something that will bring more people into the kingdom than has ever occurred on the earth. As this event begins to unfold, an unprecedented move of God will begin wherein fifty percent of the unsaved people on the earth will be saved! Whether or not you participate in this spectacular event is not God's choice, but your choice.

The only way to participate to the full in this coming move of God is to begin to learn to listen to His voice daily.

If you choose to focus on the turmoil over the earth, which will increase, that will not change the catastrophic, calamitous events on God's calendar, but you may become upset about things over which you have no control. It is better to focus on the Lord for the simple reason that as you stay focused on Him, *you will be at peace¹ when everyone around you may be losing theirs*. This is not just good "biblical theory" when things are going well, but a practical spiritual principle that works.

The Greater Challenge will involve something Jesus prophesied about two thousand years ago. Everyone will be involved, either directly or indirectly, in this greatest event in both world and church history.

The event about which Jesus prophesied, which I have entitled *The Greater Challenge*, will involve both the gospel and the Great Commission in a way you least expect. Let's start with the gospel as defined by Paul in the fifteenth chapter of 1 Corinthians:

- 1 Moreover, brethren, I declare to you the gospel which I preached to you, which also you received and in which you stand,
- 2 by which also you are saved, if you hold fast to that word which I preached to you – unless

you believed in vain.

3 For I delivered to you first of all that which I received: that Christ died for our sins according to the scriptures,

4 and that He was buried and that He rose again the third day according to the scriptures.

According to Paul's definition, the gospel is the death, burial and the resurrection of our Lord.

Now let's look at the Great Commission as recorded by in the four Gospels:

From Matthew chapter 28

18 And Jesus came and spoke to them, saying, "All authority has been given to Me in heaven and on earth.

19 "Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit,

20 "teaching them to observe all things that I have commanded you, and lo, I am with you always, even to the end of the age." Amen.

From Mark chapter 16

15 And He said to them, "Go into all the world and preach the gospel to every creature.

16 "He who believes and is baptized will be saved, but he who does not believe will be condemned.

17 "And these signs will follow those who believe: In My name they will cast out demons; they will speak with new tongues,

18 "they will take up serpents; and if they drink anything deadly, it will by no means hurt them; they will lay hands on the sick, and they will recover."

From Luke chapter 24

46 Then He said to them, "Thus it is written, and thus it was necessary for the Christ to suffer and to rise from the dead the third day,

47 "and that repentance and remission of sins should be preached in His name to all nations, beginning at Jerusalem.

¹See Isaiah 26:3

48 “And you are witnesses of these things.

49 “Behold, I send the promise of the Father upon you; but tarry in the city of Jerusalem until you are endued with power from on high.”

From John chapter 20

21 So Jesus said to them again, “Peace to you. As the Father has sent Me, I also send you.”

22 And when He had said this, He breathed on them, and said to them, “Receive the Holy Spirit.

23 “If you forgive the sins of any, they are forgiven them; if you retain the sins of any, they are retained.”

The gospel and the Great Commission have been the heart of the church for almost two thousand years. *But Jesus prophesied something that is beyond both the gospel and the Great Commission which will replace them both* – and the beginning of that great event is close at hand. Here is His prophecy from the fourteenth chapter of John:

12 Most assuredly, I say to you, he who believes in Me, the works that I do he will do also; and greater works than these will he do, because I go to the Father.”

The two activities that Jesus prophesied have not yet occurred. Both **the works** that He did and **greater works** than He did will begin to occur on the earth very soon.

The works that Jesus did as well as the greater works than He did are both beyond the gospel and the Great Commission. Here is one reason why:

Under the gospel and the Great Commission, you represent the Lord. Beyond the gospel and the Great Commission you may become God Incarnate! There is a vast difference between representing Him and becoming Him (God Incarnate). Representing Him is within the gospel and the Great Commission. Becoming Him is beyond the gospel and the Great Commission.

Here is another reason why the John 14:12 is beyond the gospel and the Great Commission:

John 14:12 implies that We will not only be doing both the works that Jesus did as well as greater works than Jesus did, but also that we will be doing these works ***in the same manner that He did them.*** Let me explain.

Jesus never prayed to the Father to restore a withered hand or to feed two multitudes with two sack lunches, for example. He simply spoke those things into existence by the authority and supernatural power of Jehovah God who resided in His physical body.²

The reason He did not pray and ask the Father to do those works is because the Father within Him guided and directed everything Jesus did during His visible ministry. This means that the Father within Jesus showed Him what He was to do or what He was to say. Jesus, therefore, first saw in the spirit what the Father showed Him or directed Him to do. Jesus then either spoke or acted into physical existence what He saw in the spirit.

It must occur or be seen in the spirit before it may be manifested in the physical. That is the way God operates. Since God in the fulness thereof, resided within the physical body of Jesus, He, the Father, directed Jesus to speak into physical reality what He, the Father, showed Him in the spirit. That’s what it means to be God Incarnate.

All twelve³ of the new apostles, soon to be released, will become God Incarnate at the moment of their release. At least two will experience a “veiled release” prior to being fully released, or unleashed, against the enemy.

This should not be looked upon as some great, unique, supernatural feat or happening that had never occurred except in the life of Jesus of Nazareth. No. **This (God Incarnate man) has been God’s objective for mankind since He made Adam and Eve in the garden of Eden. They were prototypes of mankind, both before and after they transgressed God’s law.**

Before their sin, they were both God Incarnate. Had they not sinned, you and I would be God Incarnate today. But Satan enticed them to sin against God and they instantly lost their God Incarnate status. For that reason, mankind today bears the sin curse and the sin nature of Adam after his transgression.

Earth One started like Earth Two in the garden of Eden. On Earth One, the first man and woman were ***both*** God Incarnate (as Adam and Eve were originally) and as Jesus was in His visible ministry. Since those first two on Earth One remained that way without sin, their offspring were God Incarnate because like produces like in God’s kingdom.

²See Colossians 2:9.

³One of the thirteen apostles (the only woman) has been released although at present it is a veiled release.

For this reason, mankind on Earth One was God Incarnate for millennia. God in His fullness thereof, within them, guided and directed all of their activities so as to create God's perfect society. Since there was no sin, there was no death and the population grew rapidly.

The reason man originally was God Incarnate was because he was made to fulfill Jehovah God as His wife on the earth. The only way for God to have a wife on the earth is for a God Incarnate man and woman to become one in marriage that their offspring may also be God Incarnate.

On Earth One God chose the bride of a young man eligible for marriage. When those two then came together as one to consummate their marriage, they simultaneously became God's spiritual wife on the earth to consummate His marriage, which fulfilled Him. The original purpose of man was to become God's wife on the earth to fulfill Him.

So the fact that God is preparing to commission thirteen new God Incarnate apostles ***IS NOT NEW***. God is simply preparing to bring forth these thirteen new God Incarnate apostles to begin the greatest move of God that has ever occurred on planet earth.

The first two of the thirteen God Incarnate apostles will be the only woman (already released) and the man whom God chose as His back-up for Jesus on the cross. God has already chosen these two as His first family who will be thrust into eternity as their marriage is consummated. The consummation of their marriage will simultaneously consummate their becoming the new wife of God on the earth as a first to be thrust into eternity forever.

That will free Jehovah God to become Himself and to lavish His new First family with unheard of blessings to openly demonstrate His love and devotion for His first New Wife who will be thrust into eternity forever.

As those two come together to consummate their marriage and have a God Incarnate Son, that one act – that one occurrence – will seal the doom of Satan on the earth for the first time **EVER!** He will know that his time is short and will step up his activity aimed at the beginning of the seven-year Tribulation.

An additional reason why this is so important is because when God's new first family (the first two God Incarnate apostles to be released) consummate their marriage and give birth to their first born God Incarnate Son, that will reestablish on the earth for the first time, the ever recurring, never ending principle of God

Incarnate mankind planted on the earth forever. Glory hallelujah!

The Greater Challenge of these thirteen new God Incarnate apostles is to begin this great “down pouring” of God in preparation to close the church age immediately prior to the Rapture.

That will not be a *Greater Challenge* to the new thirteen God Incarnate apostles. They will be delighted – they will be overjoyed – as they are called out to begin this last move of God wherein fifty percent of the unsaved will be saved.

The Greater Challenge will be to the old wine drinkers who have drunk the two thousand year-old wine of Pentecost while the new thirteen God Incarnate apostles will be offering to everyone the new wine of the Listening Method.

Old wine drinkers always say that the old wine tastes better than the new. Jesus offered the new wine of grace, mercy and forgiveness to those who had drunk the old wine of Moses (the law) for more than fourteen hundred years and they killed Him.

The new thirteen God Incarnate apostles will initially be treated as Jesus was treated when He went to Judea. The leaders of Judaism lived in Jerusalem. The Temple and those who attended to the Temple rites, the High Priest, the Sanhedrin, the Scribes and Pharisees were in Jerusalem.

The leaders of the Jews were the ones who couldn't accept the new wine that Jesus brought while the common people accepted Him (the new wine) gladly.⁴

Things have not changed. The pastoral hierarchy originally will vocally and vehemently denounce and reject the thirteen new God Incarnate apostles who will offer them the new wine of the Listening Method. ***This has already begun***. For this reason, the new apostles will by-pass those who have heard the gospel message for years and go first to the “common people,” God's precious prodigals, who will gladly drink the new wine of the Listening Method.

As they drink the new wine and are saved, there will be such an outpouring of love, devotion and gratitude from these precious prodigals as has never been seen on the earth.

Here are a few rhema words given to me to support this statement concerning God's precious prodigals:

⁴See Mark 12:37.

“Everyone who has been deceived by the enemy is one for whom I have empathy and one for whom My love has no boundary (*limit*).⁵

“This is why your ministry to Our precious prodigals holds so much potential for both of Us. For Me, meaning, I see Myself in every precious prodigal because of My failure in Lucifer. For you, meaning you will become endeared to each one you set free in unbounding love and devotion and support – financial and otherwise.

“You will be able to say to them, to each one authoritatively, ‘You are accepted – you are loved – you are forgiven.’

“And as you say those things with Myself within you, **there will be a cleansing unlike any other done previously!**

“Those prodigals you bring into the kingdom will become My powerhouse of this rapture generation!” <end of rhema word>

Personal note added to this rhema word

Although I have quoted only five short paragraphs in the above rhema word, the Source of everything I have written in this letter has come from the mouth of God. All of my writing for years has come from the same Source. All praise and glory to His name forever! <end of personal note>

After the thirteen minster to God’s precious prodigals for a period of time, He will then open the

⁵The reason God has such empathy for those whom He calls “His precious prodigals,” is because He has defined a prodigal as one who has been deceived by the enemy. Eve was His first prodigal on Earth Two. **But Jehovah God, Himself, was also a prodigal because He was deceived by a fallen Lucifer.**

God has prophesied to me that I will have a special ministry to all of His precious prodigals, but also to one class of His precious prodigals in particular, that will include homosexuals, many of whom have been trapped by the enemy in a body they do not understand. Do not despise the homosexual, whether male or female, but instead despise the enemy who entrapped them.

God has said to me that many of his precious prodigals would have exceeded His most noble ones had they not been deceived. Those who would have excelled includes some (but not all) homosexuals, both male and female.

So take heart, my precious prodigal – all prodigals. Whether or not you are trapped in a body you do not understand, help – unusual help – is on the way. **The thirteen new God Incarnate apostles will give ministry to you first priority with a special promise to each of you who responds to God’s call.** For the special blessing promised to each of God’s precious prodigals who respond to the ministry of the God Incarnate apostles, see the content of the above **RED BOX!**

door of a few churches (to the ministry of the new thirteen God Incarnate apostles) who will then receive gladly, with open arms, the new wine of the Listening Method. Then the flood gates will open.

God be praised for His love, grace and mercy in offering His only begotten Son on the cross to redeem you and me so that His name may be honored, revered, praised and exalted above every name, including the name of Jehovah God Himself. Amen.

The remaining body of this letter will be devoted to rhema words transcribed from my journal on the five dates as indicated.

March 25, 2011

“Yes, My son, your early morning thoughts are correct. I painted Myself into a corner when I created Lucifer.

“Lucifer knew that, which was the basis of his rebellion. He knew that he could rebel within the parameter of his creation about which I could do nothing but stand by and watch.

“The thing Lucifer did not know is that once he rebelled, he would degenerate into progressive, supernatural evil personified from which there was no recovery.

“Rebellion against Me by one created by Me has no basis or foundation for recovery. The reason man is allowed repentance is because Satan is the cause of his sin.

“Lucifer walked amidst the fiery stones which means fire does not affect him as it does human beings of flesh and bones.

“There, in brief, you have My dilemma when I created Lucifer and mankind on Earth One.

“The thing Lucifer did not know is that I could create a man on Earth Three like man was originally on Earth One and like Adam was on Earth Two, and endow him with Myself bodily to defeat Satan. That was My trump card Satan was unaware of.

“But My problem in planning My recovery from Satan’s death blow to Earth One, was that I had to plan My complete recovery process within My words of creation of Earth One and mankind who lived thereon.

“That took some planning that was beyond the concept of a fallen Lucifer, regardless of the magnificent attributes with which he was endowed.

“This is why it has taken so long.

“You must remember to state very clearly that

the war in progress is forever. Therefore, to disobey Me as Jehovah God is to obey Satan and there is no middle ground. That is why the mission of the special thirteen is so important.

“Each of the special thirteen, when fully released, will have unrestricted authority to war against Satan.

“You have no idea of how long I have waited for the release of My special thirteen.

“My anger against Satan knows no boundary and My grief over fallen man has no boundary. Therefore, once one crosses the line of no return, his fate is the same as that of Satan.

“I have spoken and those words may not be rescinded.

“No one will go to hell without an opportunity to obey Me. I have seen to that. But I have spoken words that may not be rescinded, so you and I must operate within these words of finality.

“Your tasks will not be as difficult as you may think because I, Jehovah God bodily, will be within you guiding your activities.

“But your activities will not be restrictive as Mine were in My visible ministry. They will be unrestricted to return, resurrect and restore **EVERYTHING** Satan has done to man.

“My precious son, the most must be made of your remaining time after your release because so much rides on your shoulders. That means your time is My time and My time is your time.

“Yes, you will have some personal time and yes, your assignments will be overwhelmingly fulfilling, but ever so important to Me, the Father.

“So hitch up your pants; get ready and stay ready. We’re almost ready to begin the most important assignments since the cross.

“Remember, the cross provided you with **everything** you will need to accomplish your several missions. The Lord Jesus is your mentor. His ministry has made your ministries possible. You will learn more about that beginning with your release and thereafter, as well.

“Let not this responsibility be a burden. I say to you the same thing I said to Choo Nam Thomas. Do not worry about anything, for I have taken care of everything for you **IN ADVANCE** of your release.”

March 26, 2011

“Yes, My son, with your present attitude, We are

growing nearer to the true beginning.

“Realize that your released life will be another new beginning. And realize that your writing will also be another new beginning for My church.

“I have said to you that your writing is important. The two things I said to you about your writing, (1) you do not think enough of your writing and (2) you are writing a sequel to the bible, are two things I have said to no one else.

“And yes, I repeat things to you for a purpose. They are important and they must be published. You need have no concern over the publishing. I will help you with that.

“And yes, Ward Beaudry will be involved with your **RTD**, but We will need expertise far beyond his to accomplish My purpose for that document.⁶ It is more important than you realize.

“That document will partially contribute to My Treasury at the beginning of the Millennium.

“So just stay ready. We have much to do.

“Do what I put before you day by day.

“And yes, the reality of hell and the necessary things to do to escape that inferno is something you might mention in your writing. What you have read written by Mary K. Baxter and Choo Nam Thomas is merely an elaboration of the written word.

“Many of My people do not believe in a literal hell, so you might write on its reality. **And remember, I do not send anyone to hell. They make that decision themselves.**

“The final destiny of everyone is determined by their own actions and thoughts while on the earth.

“As a man thinketh in his heart, so is he.

“Your thoughts determine your destiny.

“Since My thoughts are higher than your thoughts, as you are drawn to Me by My words, My thoughts are transmitted to your mind. That’s the way I give you the desires of My heart which become your desires.

“So guard your mind carefully, for it is the entry way to your heart, for as a man thinketh in his heart, so is he.

“Have no care about additional thoughts you must do to be accepted by Me. That has already been determined by Me. You are already there. Your letter

⁶There will be a need for international legal counsel from the standpoint of legality and copyright law, as well as language translation and marketing strategy.

No. 117 confirms that.

“So just concentrate on the future as I lay it out before you, for We have much to do.

“We have much to do in seven areas, which is why your training has taken so long. A large seed takes more time to die to itself so that the new germination may begin to emerge. But when the seed of self germinates to the point of new growth emerging from the old seed, watch out. That power is without limit.

“Each of the special thirteen have been planted as seeds. They have been covered in order to die completely to self so the new self might emerge.

“The new Self of My special thirteen is Me, My son. I, the Great **I AM**, Jehovah God, will emerge in every one of the thirteen.

“I know you realize that you, My son, will be a new experiment in life, just as I was. A new experiment may be better said as a new life beginning.

“I am training you as the Father trained Me. But since the Father and I are One spiritually, We speak and act in one accord. When I speak, I speak with the Father’s authority, but also, always within the previously spoken words of the Father. I, the Lord Jesus, am governed by those words – words that are final and complete – creatively spoken words of formation and instruction for eternity.

“So I have My instructions of the Father within Me for We are One.

“It will be the same with you. Since the Godhead bodily will be infused within you at the beginning, every word you say and everything you do will be of the Godhead bodily.

“That’s the way it works. And as I have said to you many times, the transition will be fluid, seamless and effortless – like putting on a new coat that will be ‘just a fit.’

“Go back and look over what I said to you about your physical and spiritual make-over. My words were chosen very carefully. They are truth from My mouth.

March 27, 2011

“My son, I know you are discouraged, but I have not finished with you. Just a little more fine-tuning and We’re there.

“I will give you the strength and energy to do what I have called you to do – but you need to ask Me for that. Ask and it will be given, seek and you shall find, knock and it will be opened unto you are My words to you. Just follow My instructions and I will

respond.

“Remember, word prayers get My attention.

“I now thank you for expending the strength and the energy necessary to do that which I have called you to do.

“Now that you have the strength and energy to write, you might use the “Sin and Righteousness” writing and the explanation of the “God Incarnate” writing for one letter.

“Both of those writings are unique.

“You don’t realize where I have brought you.

“My being incarnated with the Godhead is beyond the concept of the church, but it is the way I came. That is impossible in the natural but possible only in the supernatural.

“The reason I did it the way I did is because Lucifer’s failure left Me with no alternative.

“It could have been no other way because I could not create another angel like Lucifer with the additional blessings given to Jesus.

“I, therefore had to create an Angel like Lucifer in three stages with the additional blessings of meekness and the “I will never leave you nor forsake you” requirement.

“But since I could not create such an Angel, I had to form one from the only material I had available – man.

“Lucifer knew I had painted Myself into a corner with his creation. That is what gave him confidence. But in Lucifer’s mind, there was no way for Me to create a replacement for him and he was right.

“I therefore, had to form – not create, but form – another Angel to rule the earth.

“But remember the first thing I had to do was to deal with Myself – with My failures. As I have said to you, that took longer than you can imagine, for there were three things I had to deal with – to work through: Lucifer, Myself and man.

“Each of these three challenged Me more than you can know. But when I thought through each of those three challenges, I knew what I had to do.

“You know about My anger toward Lucifer, as well as My anguish and grief over the destruction of My perfect Earth One model. But I finally thought through to My final conclusion. And this time the final solution is in place.

“And yes, warn My people against being secure in their complacency because the Tribulation will bring challenges never before faced by man.”

“When the church is taken up, the enemy will then come forth unrestrained to take charge of the world system and wreak havoc never before seen.

“Some of those who have not learned to listen are going to see their regrets too late. It will be very difficult not to follow after one who demonstrates his supernatural power by causing the image of the beast to come alive and speak and who makes fire come down from heaven on the earth.

“Absolute authority given or created in love is unlike absolute authority taken by greed, lust and pride. One leads to and supports an abundant and fulfilled life – the other supports lust, pride, pain, sorrow and death.

“So, in conclusion, you may write on the crucial issues at stake and point out that hell is as real as is heaven.”

“There need be no rush on this. Just respond as you have the desire to do so.

“Your writing, My son, is important to Me. What you are doing with your writing, you are doing for Me. I was My idea for you to write. I have led you to this step by step.

“You remember the remark of Nettie Byers, your home-room teacher as a high school senior when she said, “You have the ability to write what you know.”

“That seed I planted in you has grown, My son.

“You are now that seed prepared to come forth to be My assistant during the Millennium.

“Your mentorship/leadership of the super thirteen will be a starter example and learning opportunity for you.

“That should be enough to last for the remaining time available and to give you important assignments to accomplish for Me.

“I will give you enough time for fine tuning and publishing your (Our) writing after your release. That will not be difficult for I will lead you and guide you, as you know.

“I know that, at times, it is hard for you to grasp everything I have called you to do, but remember, I have trained you to trust in Me for **EVERYTHING** I have planned for you.

“You have come through the hard part. The rest of the way will be easier, I assure you.

“You shall have that for which you have asked, for remember, I said that when you pray a prayer to glorify Me, the answer awaits the prayer.

“As you share these things with others, remind

them that in this rapture generation, learning to hear My voice is first. Then the other blessings will follow.

“But also remember, this is a growth time in the kingdom, not a gifted time.

“That gives **EVERYONE** the same opportunity to receive My blessings.

“My son, this is actually the best time to be alive as a servant of Mine. No other generation since Adam’s failure has had opportunities available that this generation has.”

“That will certainly be seen in retrospect, but you may proclaim that loudly to others as an example.

“We’re almost there.”

March 28, 2011

(Lyrics of “I Left My Heart In San Francisco” on my mind in the early awakening moments this morning.)

“And yes, My son, San Francisco, the heart of repugnance in California, will be targeted soon in a destructive earth quake and tsunami.” This is what Benny Hinn spoke of on TV a few weeks ago.

“Get ready, My son The end-time events prophesied in My word are about to be stepped up.

“You will be protected. So have no concern for yourself.

“My people will not understand these things as they occur, but My faithful servants will know of them in advance. So just observe the results and be prepared to see these things take place at an alarming increase beginning soon.

“And now about your release. You have said things to Me recently about you and your wife that tell Me you are ready so that makes two of Us; so the timing is now left up to Me.”

“And yes, as some of the things I said to Choo Nam Thomas were for her enjoyment, there were also other things I showed her that were not pleasant but truthful.

“Your ministry is not like hers since each of you has a distinctly different call on your life, but in one sense, they are alike. You both are unique. There is only one Choo Nam Thomas and there is only one you in ministry calling.

“While her income from ‘Heaven is So Real’ is substantial, your royalties will be much greater, for your writing will not be a commentary on the logos, but a sequel to the bible specifically for these end times. I will arrange for you two to meet just like I will arrange for you to see Billie Sue Medley.

“When you tell Me you are ready for the transition without any apprehension, then I know you are ready for the next step – the next step for Me, but a giant step forward for mankind. The similarity is striking.

“My son, a warning to the city of San Francisco will not be believed – just as a warning to Japan would not have been believed.

“These warning end-time occurrences are to alert My people that time is short. You are to write about this in one of your letters.

“My son, the time has come for My people, all of them, to turn to Me in purity to escape the Tribulation catastrophic occurrences.

“As I have said previously, even the elect will be deceived when the beast exhibits his supernatural power for the world to see.

“In the beginning, he will be the peace maker but then the peace breaker to engulf the whole world. The daily newspapers will read like the book of Revelation without the types and figures plus untold evil and misery during the last three and one-half years known as the Great Tribulation.

“And yes, it would be good for you to write about end-times as a warning to My church and to those who only pay lip-service to My chosen ways of righteousness.

“The pure in heart and those who do not love the pleasures of this world system more than the blessing of the kingdom will be taken in the rapture. The rest will be left but will have another chance.

“And yes, the Rapture will spark looting and martial law enactment in some places to restore order. This will be the beginning of trials introduced by the restoration of peace for three and one-half years followed by just a foretaste of hell on the earth.

“You may warn My people of this as you are released. It is real, My son.

“As I release you, you will become better informed on the specifics of your ministries, so leave that to Me.

March 29, 2011

“I want you and your activities to inspire others to listen to your teaching. As I release you, I will anoint you to create a hunger for Me with your words We give you and with what We direct you to do.

“Now, try and leave this – your anointed release

– to Me and keep your focus on Me and what I have given you to do. It’s just that simple.

“And yes, I have even seen to the staff of your new residence so you may not be distracted with serving details but contented with ministry details.

“My son, I know how your feel. Until I was about thirty years of age, I too wondered about the call of My Father who had tutored Me since childhood.

“Time and again, I questioned the Father about My calling. We had a good relationship – like you and I have now – but time and again, I waited and waited and waited.

“I, like you, was almost ready to give up and walk away from My call with doubts surrounding Me day by day.

“But finally, in the fullness of time, the Father spoke. The fullness of time means **EVERYTHING** was in place – was in order for My entry into the world of the Godhead bodily. Then the blessings and the rewards were worth the waiting – and waiting and waiting.

“My precious son, the fullness of time must arrive for you and the eleven. It is more difficult to arrange the fullness of time for twelve individuals than it is to arrange it for one Person.

“So look at it this way. Each one of the twelve must arrive at his own fullness of time. There is more than one of you who has completed your training, awaiting the fullness of time for the others.

“Now, you know. You are not the only one who is restless to begin. But I, the Father, must await the fullness of time for each one of the twelve.

“As you await My release, you might begin to thank Me for your soon release. That will facilitate My activity instead of restraining it.

“The fullness of time in My case meant the correct timing for those to whom I was sent. Remember, the fullness of time for twelve men does not increase twelve fold over the One, but in multiples of twelve. So there you now see the reason for a temporary – a very temporary delay.”
