Boldly declaring **the greater works** of John 14:12 and the **new things** of Isaiah 42:9 in this rapture generation

### GOD'S PROGRESSION OF MAN

Behold the word of the Lord:

"Yes, My son, the whole world lies in darkness for two reasons:

(1) "What We see is illuminated by artificial light. Sunlight is artificial – is temporary compared with the light of Jehovah God.

(2) "The whole world is ruled by Satan whose offensive weapon against God is self as compared with self that must be denied to serve God.

"And yes, so long as you stay in the Pentecost Method, you will see the scripture subjectively.

"Only as you learn to hear and record the voice of God daily will you begin to see objectively the scripture, Jehovah God and the Lord Jesus.

"So long as you stay in the Pentecost Method, as you read the bible, you will be blessed – you will be defined so as to see your short comings.

"One who remains in the Pentecost Method never measures up to God's standard, for he sees the scripture as a definition of himself – as a measure of himself – and he therefore never "measures up" to God's standard.

"The more you learn to hear from God, the more objectively you are able to see yourself as well as others.

"In the Pentecost Method, you see yourself defined, measured and contained within the scripture.

"Only as you are transitioned into the Listening Method, will you be able to see objectively yourself, others, Jehovah God, the Lord Jesus and the scripture.

"True revelation occurs in the Listening Method.

"Intellectual knowledge is more prevalent in the Pentecost Method.

**"Only the Listening Method may be used to transition into becoming God Incarnate.**

"The Listening Method is the necessary launching platform into becoming God Incarnate.

"God Incarnate man was and is God's objective for man. Only therein is both God and man fulfilled.

"Only God Incarnate man may become the wife of God.

"Pentecost Method, Listening Method, God Incarnate, wife of God, is the progression.

"Abraham, Moses, Jesus, Pentecost Method, Listening Method, God Incarnate, wife of God, is another progression."

### **The progression of God and of man:<sup>1</sup>**

"God's perfect Earth One model created to last eternally.

"Godhead filled Lucifer created as God's most beautiful, perfect and complete angel to rule the earth forever.

"The creation of and the assignment to Lucifer, his staff of ruling angels under his authority.

"Lucifer trained by God with the Three Measure Standard and God's overflowing love.

"Lucifer given all authority in heaven and earth to rule Earth One.

"God Incarnate man made as God's new first family and wife for eternity.

"Lucifer's failure and corruption.

"Deterioration of God Incarnate man

"The deposition of Lucifer and his ruling angels.

"The destruction of Earth One, God's first catastrophic failure.

"Satan falls like lightning from heaven as God casts Him out.

"The release into the heavenlies of fallen Lucifer (Satan), his disobedient staff of angels, and the

<sup>1</sup>"The progression of (both) God and man" is a correct statement. As I have written previously, Jehovah God, Himself, recovered from His massive failure of Earth One and began planning for the restoration of His Earth One model after its destruction. The progression of God, of necessity, included the progression of man, who was His only available "agent" through whom the progressive change could be made. Therefore, both God and man progressed toward perfection a second time as God began His own "learning cycle" through the use of man beginning with Genesis 1:3, to arrive at the cross, His final beginning "adjustment" toward perfection.

disembodied spirits/souls of the total Earth One population as demons.

“God’s initial unbelief, which grew into resentment, followed by grief, disappointment, anger, frustration, and humiliation at His first failure.

“The millennia gap between the destruction of Earth One and the beginning reconstruction of Earth Two.

“God’s intensive planning for the future.

“The difficulty God experienced in overriding His initial creation of Earth One eternally.

“Earth Two reconstruction beginning at Genesis 1:3, God’s **first try** at recovery.

“God Incarnate Adam and Eve as God’s first new family and wife on Earth Two.

“Satan’s presence in the garden of Eden and his destructive influence in the transgression of Eve and Adam, God’s second failure.

“The **second deterioration** of man, God’s third failure directed by Satan..

“The destructive flood of Earth Two survived by Noah and his family.

“God’s **second try** at restoration with Earth Three.

“Abraham.

“Moses.

“The law given to divorce man from Satan.<sup>2</sup>

“Satan’s effort to initiate another failure (in the wilderness) thwarted by Moses.

“The mistake of Moses in anger becomes God’s growth toward recovery.

“God Incarnate Jesus – God’s **first step** on the road back to perfection..

“The Pentecost Method.

“The forty-year Rapture generation

“The Listening Method.

“Thirteen God Incarnate apostles as God’s **step two** on the road back to perfection.

“God’s new first (and last) family – His **third wife** as **step three** on the road back to perfection.

“The birth of a God Incarnate Son to God’s new first family, **step four** on the road back to

<sup>2</sup>Yes, the law of Moses was severe. **But that was necessary in view of the fact that Satan’s rule of the earth had not been challenged – could not be challenged until the cross, the death, burial and resurrection of Jesus provided the leverage necessary to combat Satan.** The law of Moses was given to divorce man from Satan. That was why it was so severe. **Satan, in essence, had a “free rein” prior to the cross.**

perfection and the coup’ de grace’ to Satan.

“The release of thirteen new God Incarnate apostles to initiate the “down pouring” wherein fifty percent of the unsaved will be saved, **step five** on the road back to perfection.

“The Rapture

“The Tribulation

“The judgment seat of Christ during the first part of the Tribulation.

“Recognition of God’s New Triumvirate.

“God’s new first family elevated to Godhead status, **step six** on the road back to perfection..

“Significant recognition given to the God Incarnate Son born to God’s new first family, **step seven** on the road back to perfection..

“The end of the Tribulation.

“Return of Christ to begin His Royal Millennial reign.

“Satan bound in the abyss for a thousand years.

“Christ slays with the breath of His mouth the Armageddon insurrection.

“The seven-year clean-up of the Armageddon battle field.

“The 993 year remainder of Christ’s peaceful millennial reign.

“Satan released for a little while at the conclusion of the Millennium.

“The great white throne judgment.

“Satan, the beast, the false prophet, Death, Hades and everyone whose name is not written in the Book of Life are all cast into the lake of fire and brimstone.

“God’s eternal city (the New Jerusalem) descends through the new heaven to the new earth with no sea for the first earth was no more. .

“God Incarnate man becomes God’s wife forever, as he was on Earth One prior to Lucifer’s failure. <end of progression of God and man>

“Yes, My son, the few I have chosen to remain after the rapture will be armed for battle. They will be My answer to the beast, fully equipped to thwart his effort in their life, **for they shall become God Incarnate as My answer to his evil devices.** In that manner, I, Myself, as Jehovah God, shall guide and direct all of their activities just as I guided and directed all of the activities of Jesus during His visible

ministry.<sup>3</sup> (See Jim Ash letter No. 93)

“Yes, My son, your time – your Day of the Lord draws nigh.<sup>4</sup>

“My son, review My words to you concerning My new first family, My new wife and My finally reconfigured Godhead. That will give you a clue as to the importance to Me of My new first family and the importance to **MY IMMEDIATE HOUSEHOLD**.<sup>5</sup>

“As you know, I was once three.<sup>6</sup> Then I became four within three.<sup>7</sup> Next I will become a Pentarchy within One.<sup>8</sup>

“My son, the three people necessary to restore Me to My original contented, satisfied and fulfilled Self, are the three necessary people to restore My losses.<sup>9</sup>

“God Incarnate man was originally created as My wife on Earth One to fulfill Me. That’s what Satan stole from Me. All of My efforts since Lucifer’s failure, have been to reclaim man from Lucifer’s grasp to become My precious wife on whom I may lavish My desire to give.

“My son, giving to My new first (and last) wife (family) has been My objective all along. I will not experience that blessing until I have been able to restore from the wreckage eternally, My new first (and last) family (wife) on the earth.

---

<sup>3</sup>I know of no greater blessing for those whom God chooses to remain through the rapture of the church. Those who remain for a lack of faith shall experience trials never before seen on the earth. However, those whom God chooses to remain on the earth after the Rapture will be become God Incarnate prior to the Rapture. This means that they will have within them the fullness of the Godhead bodily so as to avoid the entrapment of the beast. Those God chooses to remain after the Rapture will have an honored position in the kingdom.

<sup>4</sup>The “Day of the Lord” here refers to the date of my release as a God Incarnate apostle.

<sup>5</sup>God’s immediate household today is the Father, the Son, inclusive of the eternal Word, and the Spirit.

<sup>6</sup>The original Godhead (Trinity) was the Father, the Word and the Spirit.

<sup>7</sup>At the resurrection of Jesus, the eternal Word became one with Jesus; hence the “four.” The Father, the Son, the eternal Word, and the Spirit became the “four within three.”

<sup>8</sup>The Pentarchy or the five-part Godhead (that is now *four within three*), will be the Father, the Son, the two God Incarnate members of God’s new first (and last) family and the Spirit. Or said another way the Pentarchy will become the Father, God’s new Triumvirate and the Spirit, a five-part ruling Godhead.

<sup>9</sup>Here God is speaking of His new Triumvirate.

“That has been My objective all along.

“My son, I am not Myself when I am not contented. I am like you. Only as I am contented am I able to be Myself – when I am at peace. You are that way – everyone is.<sup>10</sup> ‘I will keep him in perfect peace whose mind is stayed on Me.’

“I have not been at peace with Myself since Lucifer’s failure. I have been ill at ease – discontented – out of sorts – unhappy – unable to be Myself since Lucifer stole My first wife.

“When your published truth about My past coincides with your release, your ministries may begin.

“My son, when the two members of My new first family marry and become one flesh, that one act will consummate two marriages for the first time eternally.

“My New Triumvirate will fulfill Me for the first time in millennia. This will free Me to be Myself once again. **For that reason, I will showcase My new first family world-wide.**

“My son, Jesus and My new first (and last) family have been My objective since Lucifer failed.

“Then their new God Incarnate Son, who will spell the doom of Satan, will complete My restoration cycle for the first time ever.

“My generous giving to My new first family will know no boundary. Then the birth of their new Son will set off a celebration unequalled world-wide and in the third heaven.

**“Their new God Incarnate Son will be like His mother and father. Each of them is uniquely important to Me for similar reasons, but each one is also important to Me for a specific reason within himself.**

“In My new first family, the God Incarnate husband, as my back-up for Jesus on the cross, became the most important man in the kingdom **AFTER** Jesus. Then the God Incarnate wife and mother is to women as Jesus was (is) to men. She was (is) the first eternal God Incarnate woman as Jesus was (is) the first eternal God Incarnate man. This is why My New Triumvirate

---

<sup>10</sup>This is a profound statement from the mouth of God which serves to prove once again that not only are we made in God’s image and likeness, but God, Himself, is also made in our image – in our likeness. Mankind is remarkable like Jehovah God.

is so important to Me as Jehovah God.

“All three of them, in the order as mentioned, are My necessary three to restore what Satan stole from Me. Then, the birth of their new God Incarnate Son, who will spell the doom of Satan, becomes My fourth necessary one to reclaim **EVERYTHING** in principle that Satan stole from Me.

“So, as you may now see, their new God Incarnate Son is the final part of My original restoration process that was planned before the foundation of the world (Earth Two).

“My son, My new first family will be the first family to bring forth a newborn God Incarnate Son in whom I am (already) pleased. He will be the eternal climax of all of My plans to restore, in principle, **EVERYTHING** I lost when Lucifer failed.

“Therefore, all three of My new first family have a special eternal place in My restored heart. For these reasons they – all three of them – will be heralded and showcased as **NO THREE HAVE EVER BEEN.**

“I will use them to demonstrate My desire to give to My own. For this reason alone, they will attract world-wide attention. They will be able to point to Me as the provider of their abundance which will attract many to Me as powerful spiritual warfare.

“So all in all, My son, all of this, plus the ministry of both the God Incarnate husband and wife, will put them in a “fish bowl” for everyone to see.

“Nothing like them, both the father and the mother and their new God Incarnate Son, has ever occurred on the earth. For these reasons, I must carefully place the husband and the wife in ministry situations to accomplish the most for the kingdom.

**“This, as you know, will place every ministry decision and activity on My shoulders, which will allow them to enjoy to the full, every ministry opportunity.** And, as you know, remember as I showcase them, I will be showcasing Myself – My generosity – My desire to give in abundance to My own. This will attract many to Me as they both point to Me as the source of their blessings. That, in itself, will be a powerful ministry tool.

“No one, no two and no three have ever occupied the place of prominence that My new first family will occupy, beginning on the earth, but extending into eternity. For this reason, they also have

a surprise or two awaiting them at the judgment seat of Christ after the Rapture.

“I say these things to you repetitiously so as to prepare you for the future and to assure you of the importance of My new first family and their blessings to Me as the Father. **Those three are Mine and they will give Me an opportunity to be Myself for the first time since Lucifer’s failure.**

“Your time is close at hand, as you know.

“Yes, My son, you have some new ammunition now. The destruction on the earth during the Tribulation will be centered around the enemies of Israel – a lot of it in the Persian Gulf area. Then the massive destruction will come at the Armageddon insurrection when We return. So your **RTD** will be a viable document or instrument of preservation of assets through the seven year Tribulation. If that had not been true, I would not have had you to produce the document.

“Yes, isn’t that exciting?

“My son, there is no limit on your desire **AND** your ability to give to others in major increments as I release you. **You will showcase My desire to bless My people!**

“Now concerning the thirteen new God Incarnate apostles, each of you will be remade and restored to a capable, youthful, vigorous individual, commensurate with your ministry responsibilities whereunto I have called you.

“The husband and wife in My new first family will be exceptions, in that I will remake them both into a beautiful, handsome, vigorous, youthful couple as Adam and Eve were before their failure. Remember, those two are to restore what Adam and Eve lost in their transgression. Those two will be My new starting place for eternity as well as My new third wife for eternity. Those two therefore, will be My showcased examples for the world to see and to emulate.

**“The wife in My new first family will be beautiful beyond comparison.**

**“The husband likewise, will be handsome beyond comparison.**

**“I will remake them both this way so as to attract attention to My blessings.”**
