**Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation**

### RHEMA TALK FROM JIM'S JOURNAL

Tuesday, April 26, 2011

"You see, as I said, if you would start with your writing assignment, I would help you. That's the way it works.

"When you are called to a ministry, as you step out in faith, I am always there to help you. But My way of leading is gentle so that many miss My guiding hand unknowingly.

"My son, I put My desire in your heart. That is why those who follow their heart are successful. They will be successful **AND** fulfilled if they follow the desire of their heart **AND** worship Me, for that is My way of life.

**"If you follows the desire of your heart without worshipping Me, you will turn to self and will self-destruct because self is the god of Satan who then becomes your father. That is so simple, but Oh so profound.**

"This is the way I designed man.

"The problem of life, however, is that until Satan is cast into the lake of fire, man will be faced with his temptations because *he and I have equal access to man*. It must be that way because I gave him that right when I created him. That, as you know, is one of My mistakes in creating him and is still the source of My grief over Earth One.

"Few there be, My son, who know of My grief over the loss of My precious souls who follow after Satan's alluring ways to the lake of fire.

"But I have spoken. Those who follow after Satan will receive His rewards but those who follow after Me receive My rewards.

"Continue your writing assignments I have given you. That assignment, when finished, will benefit many.

"Remember, you are My herald of this rapture generation and your writing will become a sequel to the bible.

"My son, I have taught you so much, what you write so many times unknowingly, are things no one else knows because your collective knowledge now is

*largely revelation-based*. That is what makes it so important to Me.

"And that is why you are My present day herald and why your writing will become a sequel to the bible.

"So continue along the line of your writing notes and We both will be benefitted."

"You draw near to me with your mouth and honor Me with your lips but your heart is far from me. This is the condition of those who have done mighty works and cast out demons in My name, but since their heart is far from Me, to them I will say, 'Depart from Me, I never knew you.' Their end will be outer darkness. They are hypocrites who claim to be something they are not. It is the heart that determines man's destiny.

"Yes, My son, kingdom entry is measured with your heart, for it is with the heart that man believes unto righteousness or unto unrighteousness.

**"That is why only I am able to judge a man.** I see the heart, that is the intent of man, not just his outward activities, for it is the inward man that determines his eternal destiny. It's just that simple, but Oh so profound."

(This is like the difference between walking in the limelight and walking in the light. There is a difference in desiring the limelight and desiring the Light, for Jesus said, "I am the Light of the world.")

"You will have plenty of time to finish your writing assignments. Let not that be a concern to you. I have seen to that for you. That's the way it now is and the way it will remain for you."

As I awakened this morning, the desire to praise and glorify the Lord for everything He has done for me was in my heart, and my thought was that I would like be able to praise and glorify Him to a greater degree than any mortal on the face of the earth. I then got out of bed and went in to spend some quiet time with Him. I then asked Him, upon My release, to expand my capability musically (piano and vocally) so that I would be able to praise Him and glorify Him with those

capabilities beyond that of anyone else, and said to Him that this is the desire of my heart. Here is His response:

“And yes, My precious son – when I said I would give you the desire of your heart, I spoke truth. This means that I, Myself, place in your heart My desire for you. That desire then becomes yours. Then, as you ask Me for that desire, the answer awaits the request.

“When your heart is Mine, you are at the point I can use you. When that occurs, the journey of life really begins.

“That, My son, is really what I am out to do. I am out to draw you to Me in such a way so as to put My desire in your heart.

“That is the way I can use you. That is one way I use you to draw you to Me in order to bless Me first so that blessing might spill out to others.

“That blessing is contagious – it is effervescent – it bubbles with truth and joy. All of these things, My son are of Me.

“All I want of man is to redeem him from the clutches of the enemy. That’s why I have called you and trained you.

“The enemy, My son, is our target. And as surely as you write these words, they will come to pass.

“Do you know that My heart’s desire is for My people to praise and worship Me? As you know, I am enthroned on the praises of My people.

“You will see the time when, as you have asked, that praise and worship of Me and the Father will literally become a supernatural force that will create signs, wonders and miracles.

“That is something I had in mind to do for you as an extra bonus for your ministry. But since you have asked for that, I will do it for you as you have requested.<sup>1</sup>

“Do you remember that I have said to you that when you ask Me for something that will glorify Me, that request will always be granted? Just remember that, for that is My desire for you that I, Myself, put in your heart.

“I have said you would be quite a package! That is one other thing you may add to your shopping cart.

“My son, thank you for offering all of your heart to Me. I will use you beyond your fondest

dreams – and that is just ahead. We’re almost there.

“And don’t you think that I am more eager for your release than you are? I have much, much more at stake than you do in this. Actually, all thirteen of you are My responsibility. And you and the twelve have been on My mind for longer than you are able to comprehend.

“And yes, the eternal Word within Me<sup>2</sup> has been desirous of all of these things since the failure of Lucifer.

“The things you write, My son, will be used to a far greater extent than you can imagine. And you are taking with you, with your writing, more than you realize.

“Diana Cawthorn is only one example. There are other Diana Cawthorns out there who are ministered to by your writing.

“One of the things I see in you that make Me somewhat reluctant to release you is your writing. That is a powerful weapon for the kingdom.

“My son, you are writing things that have **NEVER** been written before. And all of it is My truth given to you as My herald of this rapture generation.

“So continue to write as you have outlined. **That will not impede your release, but will bless many as We both together await your Day of the Lord.**

“My son you bless Me.” <finished at 5:12 AM>

#### Monday, May 2, 2011

“Yes, this day is a signal day. I finally got Dale’s attention. It will be easier for you henceforth.

“But We have much to do, so pay attention.

“Your release is near but leave that to Me – the more you focus on that, the more you postpone it. Keep your focus on Me.<sup>3</sup>

“We have much to do, but very little preparation time left, so We must use it wisely.

“My son, do what your heart tells you to do. PJ and Terri may have a copy of yesterday’s word. They will receive it from you.

“I don’t want to overemphasize this, but your writing is unique. Through your writing, I can minister to thousands, yea, to millions or even billions,

---

<sup>2</sup>The eternal Word became one with Jesus at His resurrection.

<sup>3</sup>When you focus on the problem, you delay the Lord’s blessing. When you focus on the Lord, He can give you the answer to your problem and the desire of your heart.

simultaneously.

“Look at what is being done with the bible today. Did I not tell you that your writing will become a sequel to the bible?”

“You will become very wealthy through your writing and I will direct you in the use of those funds.

“No one else writes as you write. What you write is *rhema conversation* with God. It’s *rhema talk*.<sup>4</sup> That might be a good title for some of your published works.

“My son, what I am doing in you is **NEW**. You know that, but it is important to mention it occasionally in your writing. New wine will not initially appeal to the old wine drinkers – especially to those who have drunk much, very much of the old wine.

“Many of the old wine drinkers are so accustomed to the Pentecost Method (old wine) *they will believe in their heart that your new wine is of the enemy*. You know that the enemy and I both seek the heart of man. He (the enemy) therefore will plant seeds of doubt – many seeds of doubt about you and the twelve that must be cast out.

“The bond woman (flesh) must be cast out so that I may rule and reign.<sup>5</sup>

Don’t forget My excitement over your ministries. You, My son, will be showcased as no other servant of Mine. In reality, I will be showcasing Myself since My words (which are Me) have brought you to today.

“But I get pleasure from showcasing you just as you get pleasure from showcasing Me. My son, it must be mutual to be of Me.

“So Just concentrate on what I have put before you. Today has been a hallmark day for all three of Us – you, your wife and Myself (Ourselves). That’s actually five of Us – that’s a plural majority any way you look at it.

“Enjoy the day.

---

<sup>4</sup>Two years later (April 7, 2013), the Lord directed me to begin publishing my journal under the heading **Rhema Talk** beginning with Jim Ash letter No. 166. This gives you an idea of how the Lord has instructed me. Often times He will begin a thought for something new by planting a seed in my mind to grow into maturity sometime later.

<sup>5</sup>Here God is comparing the Pentecost Method (old wine) to the Listening Method (new wine) as Paul compared Hagar and Ishmael to Sarah and Isaac – one of the flesh, the other of the spirit. Here is the analogy: In the Pentecost Method, man (the flesh) does the work while God (the Spirit) rests. In the Listening Method, man (the flesh) rests while God (the Spirit) does the work.

“Do as I have instructed.

“We have much that lies ahead.

“We are near ignition and lift off.

“Stand by.

“One reason I want you to do My writing now is that your (Our) priorities will change upon your release. That’s why you should give you attention to your (Our) writing assignment.

“Let Me repeat again for emphasis. I can use you to minister to many, many souls through your writing. This means that you can minister in multi-lateral, international, supernatural ways through your (Our) writing.

**“My son, your writing is Me. I am literally in your writing seven ways (spirit, life, love, truth, light, food and faith). That’s how powerful your writing is.**

“Use it to the maximum this day.

“My son, that’s what I call holy substitution.

“As you become acquainted with Me and surrender completely to Me, then over time, as you become Mine completely, I can begin to refine you into a finished product at which time I am able to give Myself totally to you.<sup>6</sup>

“It’s called holy substitution.

“Then, as you become wholly Mine, I may become wholly yours. That’s how We become One. And it is done through listening.

“Only then may I lead and direct you in all your desires 24/7.

“For you to become Me was My desire for you all along. Then your aggressive faith walk took over. You are on Our third tier<sup>7</sup> of spiritual maturity and opportunity. That makes Our job easier and your life more fruitful.

“Remember, everything I do now is toward the defeat of Our common foe. He is our target.

“Because what you are doing is new, it will take some arm twisting to make **NEW** wine drinkers, but I have done that before. I know how to get the attention of old wine drinkers.”

**Tuesday, May 3, 2011 at 6:14 AM**

---

<sup>6</sup>This is the way one becomes God Incarnate in this rapture generation.

<sup>7</sup>Since God gave me these words in May of 2011, one tier has been added. I am now on the forth tier of God’s spiritual maturity and opportunity.

“Yes, My son, I have said that I, as well as others, think more of your writing than you do **and the San Francisco warning is one of those examples. That is of great importance.**

“That letter, when finished,<sup>8</sup> will be good to publish prior to some of the others you have written. It is that important to Me. No one else has that revelation from Me.

“So just continue to expand that letter along the line of you early morning thoughts and publish the letter for Me as I have suggested.

“That letter is important.

“My son, I have given you so many of My words, you have become accustomed to them. They have become common-place, every-day occurrences. And that is of My doing, I realize.

“But that does not detract from the importance of My words to you. They are all important.

“I, Myself, have trained you that way, so I will take the responsibility for this, however, that must not detract from the importance of My words spoken to you.

“I say again, this is not rebuke, but instead, to remind you of what you have tapped into. My son, you have tapped into My heart, the heart of Jehovah God, as few have done. It is a privilege allowed to a very few. Jesus was the first. The other twelve are the others, so realize you are in rarified air reserved for only a few. And you alone, among those few, are My herald of this rapture generation.

“So write, My son, for Me, and if for Me, for the world and for the church. No one, My son, has ever had such a mandate<sup>9</sup> from Me. Treat it thoughtfully and carefully that many may be blessed.

“That is My charge to you this morning.

“I will back up what you write. And I am a good back-up man. So proceed accordingly.<sup>10</sup>

---

<sup>8</sup>That letter was finished and was published as Jim Ash letter No. 150, entitled, **A WARNING FRM GOD.**

<sup>9</sup>Notice that I have been given a mandate from God to write. Mandate is defined as an official order or command to do something. In this case, God has given me His official order or command to write as He instructs me. Now you know why I write.

<sup>10</sup>Although the Lord has given me writing instructions previously, this is the first time He has said to me, “I will back-up what you write.” That is one of the most awesome statements God has ever said to me. It truly is awesome.

“You will look back on this time differently after you are released. **This is your opportunity for Me, My son. When you are released, that will be your time for others – for My poor prodigals, for My poor church and for the other individuals in the other areas into which your other ministries will reach.**

“You, My son, are going to be busy.

“Use this time wisely. This is an important writing time for Me, for yourself and for multitudes, as well. You will look back on this time as confirmation of My words to you. I know you have confidence in My words, but their importance will grow as time goes by and as you (We) see the day approaching – meaning your Day of the Lord.

“My son, I love you. Nothing I have said to you today is by way of rebuke. I have nothing but commendation and admiration for you.”

<finished at 7:10 AM>

#### **Thursday, May 5, 2011**

“My son, your writing about San Francisco is important, but it does not need to be developed into a letter unless you choose to do so.<sup>11</sup> You know now how to proceed, so just conclude this writing as you choose to do so.

“The way I said this to you, you are unable to tell which comes first – the Andreas fault disturbance or your release. Just proceed with your writing and I will take care of that.

“As you go through your notebook #16, your writing assignments will become clear.

“I know you have been impressed with what I have revealed to you in notebook #16, and rightly so, for there is revealed in that record many important things.

“You have received so many new revelations, they seem common-place. That was done intentionally. But observe that I have removed all of your skeletal prayer. That should be sign enough, within itself, that your release is near.

“And yes, I will take care of Dale’s desire to move twice instead of once.

“Just take these things one at a time and you (We) will do fine.

“Your becoming Me (God Incarnate) at your release is finally becoming real to you. My son, that is

---

<sup>11</sup>Notice the latitude God gives to me in my writing.

new territory for both you (the thirteen) and Me. I have been through that Myself, but I have never previously trained others to become God Incarnate.<sup>12</sup> However, since I have been through the training and since I now have qualifications I did not have in My visible ministry,<sup>13</sup> the transition will be easily done – smooth as silk – a seamless, effortless transition that will be easily accomplished.

“Your timing is in good condition. Leave the rest to Me.

“And yes, those who are lackadaisical about their Christian walk, those who are Sunday only believers, those who do not take their relationship with Me seriously, those who are not ready for My coming, those who have put off being serious about Me, those who are not eagerly anticipating My soon coming **are not going to be raptured.**

“Only those who go in the Rapture will hear the shout of the archangel and the trumpet blast. In other words, the Rapture or the “catching up” of the saints will be done silently to those who are left behind. This will add to the confusion and the panic among the believers and the non-believers who are left behind.

“You might review your journal and the scripture to draw your conclusions.

“It might be well to mention that in your writing.”

#### Friday, May 6, 2011

“Yes, My son, I know your heart because We are One. That’s My heart – thoughts from My heart that you are expressing.<sup>14</sup> Those thoughts are spiritual food that will be important at the judgment seat of Christ.

*“But, My son, the reason you have such thoughts is because of your nearness to your release.* Then, My son, you will begin to have an audience who will listen to you, who will be more receptive to your

---

<sup>12</sup>Here Jesus is confessing that He has experienced becoming God Incarnate, but He has never trained others to become god Incarnate. This means that both Jesus and the thirteen are all in “new territory.”

<sup>13</sup>The Trinity now is greater than it was when Jesus was in His visible ministry, as I have previously explained.

<sup>14</sup>The desire in my heart to share a spiritual meal with others instead of a physical meal. Rhema food is forever whereas physical food is but for a moment. There are many who give the impression of interest but then allow the world to crowd out things that are real.

words.

“It will be like My trip to Sychar in Samaria. I was invited to stay an extra two days there because the precious people were hungry for spiritual food.

“They were like the woman who came to Jacob’s well at noon time. She was an outcast among the women who came for water early in the morning because she was not acceptable to them morally.

“But she was acceptable to Me for I knew her needs. My son when I enter your physical body as the fulness of the Godhead bodily, your life will change – again. But this time you will become God Incarnate as I was in My visible ministry.<sup>15</sup>

“But your qualifications (and that of the twelve) will be greater than Mine was in My visible ministry. They will be greater because

“(1) I have been to the Father and

“(2) because I have qualifications now that I did not have in my visible ministry.

“But on the way I had to complete some assignments in the heart of the earth. After your infusion with the Godhead bodily, you will understand more readily what I did those three days and nights.

“But for now, just be contented with your present knowledge of such. There will be plenty of time for that after you become One with the fulness of the Godhead bodily.<sup>16</sup>

“My son, that means you will literally have residing within your body the Persons of the Godhead bodily. That’s what all the fulness of the Godhead *bodily* means.

“No one has previously had that experience eternally except Jesus, and His infusion of all the fulness of the Godhead bodily was not as great as yours (and the twelve) will be.

“You have not yet grasped the full significance of having the Persons of the Godhead bodily within

---

<sup>15</sup>What a blessing it will be to know and to see and to minister to someone’s needs as Jesus did while the “other women” of the town ostracized her. A similar thing happened when the woman taken in adultery was brought to Jesus. The Jews brought their rocks but Jesus forgave her and blessed her. Jesus met the needs of the woman at Jacob’s well who was an outcast by the other women from Sychar, Samaria.

<sup>16</sup>What a blessing it will be (as I understand it) to have transferred within myself the Persons of Jehovah God, the Lord Jesus and the Holy Spirit. That means within me (and within the other twelve) will be a reservoir of the absolute past and the absolute authority to war against the enemy without limit. Hallelujah!

you. ‘Persons’ has the same meaning as the word ‘bodily.’

“Therefore, when you say all the fulness of the Godhead bodily, it is the same as saying all the fulness of the three Persons of the Godhead.

“That’s why your training (and that of the twelve) has been so thorough.

“But you need to remember that you, as My herald and as My elder brother/mentor of the twelve, are in the premiere position among the twelve. You will be looked to as their leader or as their adviser as needed.”

My prayer interrupted the Lord at this point:

Lord, I need instructions on publishing letter No. 150 and letter No. 138. I know I may have gone beyond your time-frame in publishing some of my letters, but I also know that you said go ahead as I had planned.

But this time because of the timeliness of letter No. 150 and because of the importance of letter No. 138, I need your guidance. I can substitute as needed.

I leave this in your hands, but I need a decision by the 13<sup>th</sup> of May in order to get My letter No. 138 reproduced in hard copies.

The Lord’s reply:

“My son, I hear your request and I will comply within your suggested time-frame.

“Realize now, in your thinking, that I have relieved you of all of your daily skeletal prayer. This means that your time is near.

“Complete your writing assignments and We’re ready.

“My son, I am training you as I trained My first twelve, but also in the same way that I trained Paul. You thirteen are a hybrid. You are getting training every day as I trained My first twelve but you are also being trained as Paul was trained spiritually.

“The reason your training is hybrid is because I am going one step farther with you than I went with Paul. Your training is much more severe and exacting because you will take that giant step of becoming Me.<sup>17</sup>

“Let Me repeat again, because this is important. **No one** – and I mean **no one** – has ever been God Incarnate as the thirteen of you will be!

---

<sup>17</sup>To become God Incarnate.

“There is **NO PATTERN** for twelve men and one woman empowered and anointed as God Incarnate ministering in the absolute in massive spiritual warfare against the enemy.

“And to realize your seven ministries will be administered under those conditions means that within My preparation (as God Incarnate), you will be able to minister in all seven of your ministries guided in My perfection. Try and drink that in.

“Again, **NO ONE has ever done this before.** It will be a massive blow to the enemy. You (the thirteen) will be the reason that about fifty percent of the unbelievers will come into the kingdom before the Rapture, through your combined ministries.

“But remember, your time will be allocated differently from the other twelve. Have no concern over that, for you will bless others and be blessed in all seven of your ministries. You will miss no blessing experienced by the other twelve. Your life will be fuller than theirs – and your ministries will touch a wider variety of believers than the other twelve.

“Your water walking will be more diverse than the other twelve.

“Yes, the positions for which I have trained you are all off of the chart. As a matter of fact, your activities after your release will be chart constructive.

“Everything you do and everything you say will be history making in the kingdom and the heavenly hosts all know of you **AND** the twelve.

“But again – remember, I will lead and guide you in each of these seven areas which puts the responsibility on My shoulders. And remember also, that in My spirit form, I can handle it just fine. It will be no strain on Me whatsoever. That’s what the Rapture will do for those who come to be trained to return with Me to rule the earth during the Millennium.”

<finished at 4:52 AM>

I am 91 years old today. 2011 - 1920 = 91

“Yes, My son, you see how much I have taught you. You were able to bless PJ and yes you were gentle with her.

“But also, you now better see our task that lies ahead. My son, it is going to be a teaching assignment, but a teaching assignment you (We) will enjoy, for you enjoy sharing what I have given you.

“But the opportunities will be seen differently after I release you because We – the three Persons of Us – will be in you providing guidance in **EVERYTHING** you say and do, just as it was with Me in My visible ministry.

“And yes, you will be able to adjust quickly to your ‘new surroundings.’

“But, again, you see that you (We) have a teaching assignment ahead. But that teaching assignment will be no strain, for We who indwell your physical body, will be there in a much more real way to provide you with **EVERYTHING** you need, **EVERYTHING** you say **AND** do. Remember – the responsibility will be Mine (Ours), so that relieves you of all responsibility and places it on Me. And remember, I can handle it since I now am unlimited in all areas because I now operate in the spiritual realm. I can be anywhere I want to be instantly. And I will be in you leading **AND** guiding you 24/7.

“It sounds difficult, but it will not be difficult when you are released.

“You can relax and enjoy what I have called you to do because I will be in you directing *all of your activities*. Otherwise you would be unable to handle **EVERYTHING** I have called you to do.”

#### **Sunday, May 8, 2011**

“My son, you did well yesterday by not telling (name omitted) that she and (name omitted) were doing contemplative prayer in the Pentecost Method which is not in the Listening Method.

“Contemplative prayer is an excellent practice that is foundational for the Listening Method. But contemplative prayer still may be self directed instead of being totally devoid of self.

“In the Listening Method, I, Myself, initiate the conversation. That’s a completely different approach. Once one allows Me to initiate the conversation, then I am in control. Then is when I can direct all of your activities and show you what I see, and tell you what I want you to know.

“Contemplative prayer is limited.

“I am unlimited.

“You can see from what I have been saying to you recently that none of your waiting time has been wasted. The nine-point cleansing prayer is a good example. I began to teach you that as you were out walking for exercise about seven years ago. That led to your nine steps of forgiveness which is, or which was,

the foundation for your being cleansed of the filth of the world since your conception in your mother’s womb.

“Isn’t it easy when seen by revelation? No one, My son, has ever conceived of the fact that one could be cleansed of both the Adamic sin curse and sin nature as Jesus was before He was released into His ministry. But with Me, all things are possible.

“You must have the same starting point that Jesus had in order to do greater works than Jesus did. Did you notice that your nine-point cleansing from conception in your mother’s womb has been done as one of the last things before your release? I had to bring you to the point of knowing the definition of sin and of righteousness before I could cleanse you of all the filth of this world.

**“Now you know three ways to be brought into the kingdom from conception without the sting of sin. The way of Adam and Eve, the way of Jesus and the way of My special thirteen.**

“Now do you see the blessing of learning to listen? I can do everything today that I did in the life of visible Jesus, but accomplish it retroactively, instead of concurrently in time, as with Jesus.

“For this reason, you and the twelve will be prepared to be commissioned to become Me at your release. It could have been no other way.

“In order for you to become as Jesus was to do works that He did and to do greater works than He did, you must be cleared completely of the Adamic sin. And that can be done only supernaturally as induced by My Spirit, whether in the womb (as with Jesus), or retroactively, as with the special thirteen.

“Now you are beginning to see the value of listening to Me 24/7 for years. All of this time (fourteen years<sup>18</sup> and almost eight months), what I have been doing is cleansing you of the stench and the filth of the world gradually so I could release you into ministry.

**“You are now more able to see that John 14:12 is not included in the Great Commission. It is beyond the Great Commission. Everyone who operates within the Great Commission operates within the Adamic sin nature.**

“In order to function within the every-day reality of John 14:12, one must be cleansed of the filth and the stench of the world, either concurrently with his

---

<sup>18</sup>Sixteen years from the publication date of this letter.

conception as Jesus was, or retroactively as with the special thirteen.

“And, once again, isn’t this simple when seen by revelation?

“You are beginning to see the hold that Satan has on the world **AND** the church. You will be able to deal objectively with that in the church and with My precious prodigals when you are released.

“You are also now able to see how long your cleansing has taken and why it has taken so long. None of this may be seen except by revelation.

“My son, this is why you will be offering new wine to old wine drinkers, who will invariably say the two thousand year-old wine is best. The new wine you offer will be just as new to My faithful Pentecost Method servants as the new wine that I, Myself, offered to the Jews who crucified Me.

**“Remember, I did that for you!**

“That is why your ministry will be the culmination of all of My efforts, as Jehovah God, to restore man to his rightful place as I intended, through the ministry of you and the twelve.

“My son, no one has ever crossed the threshold that you are about to cross over. No one! That’s how new your ministry will be.

“It will be as was My ministry about 2000 years ago without the cross. **Remember, I did that for you.** My cross made the way for your crossless ministry, but both are equally new to the old wine drinkers.

“Even though the cleansing of Jesus was done at conception in the womb and the special thirteen have had the same cleansing retroactively, they both are equally effective! It had to be that way for the special thirteen to duplicate and to go beyond the ministry of Jesus. It’s just that simple when seen by revelation.

“As We proceed, you will realize to a greater extent that you will be operating in rarified air that **no one** has previously experienced. That means **NO ONE!** Each of you will be originals. Each of you will be offering new wine to old wine connoisseurs, who will know the old wine characteristics with which to chastize you verbally. But since you have been through that, it will not be new to you. In this area, you may be of help to some of the other twelve.

“You have done well, My son, in your assignment. Because of your spiritual faith aggressiveness, I have given you many things of a prophetic nature. But that is to both your advantage and My advantage.

“So, in summary, you (We) are on-course. Forget the past. Look forward to the future.

“And yes, My son, as you bring My precious prodigals into the kingdom, it will be with an advanced spiritual blessing (sozo) so that they will be of much greater benefit to Me and to the kingdom than has happened before. That is also to your advantage, as well”

**Monday, May 9, 2011**

“Yes, My son, the time of your release is nearby. Just stay in the boat, for We are about ready to abandon the boat in the middle of the sea. *Water-walking* will be the order of the day when We begin.

**“And yes, I will tell you when to release the prophecy about San Francisco and California. Study that prophecy and make notes for future reference.”<sup>19</sup>**

“My son, I have given you so many important prophetic words, they are common-place occurrences in your life. Nevertheless, My words are important, as you know.

“You have done well, My son, in your assignment. Because of your spiritual, faith aggressiveness, I have given you many things of a prophetic nature. But that is to both your advantage and to My advantage.

“As you publish your letters and your journal, there will be hidden therein that which will make your writing a sequel to the bible.”

(As I was transcribing the above sentence, I envisioned a wall revealed in the scripture, behind which lies things hidden from view that may only be “seen” by revelation. The wall and those things behind the wall remain hidden from view until revealed by the Listening Method. Then viewing those hidden things is so simple. All you need to do is look – a small child can look. Then I continued transcribing the word as follows.)

“That is to your benefit and to My benefit. I have longed for someone such as you to whom I could speak so I could reveal things on My heart. My son, I am like you! That is something the church will have a

hard time grasping. They (the church) have been taught so many wrong things about Me that you and the twelve will have the responsibility to correct. **It will not be difficult, for when We enter you as three Persons, you will speak, act and write in the absolute at My instructions.**

“My son, there is a lot of difference between being baptized with My Spirit and being filled with all the fullness of the Godhead bodily. Spirit filled is vastly different from being Person filled. This means that all three of Us as Persons will invade or will fill your physical body, configured into and as your physical body. **That is why your physical body will not be changed, but will conform to Ourselves and We are without flaw – We are perfect. That’s what you have in store for yourself.**

“Remember, I told you that you and the twelve would be doing things that have **NEVER BEEN DONE BEFORE.** That is why the heavenly hosts are all abuzz about you and the twelve.

“And you, My son, yourself, will be unique, even among the other twelve. I say this to you over and over again to impress you with the significance of your calling and election. It (your calling and election) is most important as you know, in seven areas.

“It is good that you are not impressed with your responsibilities, for I have taught you that way. But so often, you have overlooked some important things because you have not carefully observed My words to you.<sup>20</sup>

“I know I am responsible for that, but remember, training you and the twelve is also new to Me.<sup>21</sup> I have never done such before. That is why I must be careful and sure of each step because much

<sup>20</sup>Here God is taking me to the woodshed , while in the next paragraph, He places the responsibility on Himself for my oversights. No one but a God who is love could treat my oversights as He has done. One of my desires is that others – many, many others – will come to know Him as I have learned to know Him simply by listening to Him every day 24/7 for many years.

<sup>21</sup>Notice that God again admits that He is doing something He has never done before by training the thirteen of us as God Incarnate apostles. This frank admission reveals a side of Jehovah God that is not revealed by only reading the bible. That is why the Listening Method is so important and why the sequel to the bible that I have been instructed to write is also important. Only by learning to listen to the voice of God 24/7 in this rapture generation is Jehovah God able to reveal Himself to His people as He has longed to do for many millennia.

rides on the shoulders of My special thirteen.

“So just go about your days now one at a time, doing what I put before you, for your time is at hand.”
