Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Thursday, May 12, 2011

“Yes, My son, the reason some churches, including certain ‘Bible Churches,’ do not offer an invitation is because their teaching is of the mind and not of the heart.

“That’s why the two *Bible Churches* you have visited offered no invitation.

“This is the result of the absence of signs, wonders and miracles to confirm the word.¹ In the absence of such, the only thing left to fill the void is knowledge of the bible. That, therefore, may be substituted for the absence of miraculous signs to confirm My power and authority.

“Certain seminaries and bible colleges are a good source for bible knowledge. But in some instances, their teaching may be more of the mind than of the heart. When I showed Mary K. Baxter lines of people marching straight into hell, some of those were people who had a knowledge of the bible which is of the mind, but their heart was far from Me.

“Knowledge of the bible is an intellectual pursuit. There is everything right about bible knowledge, but that knowledge must penetrate the heart through the Holy Spirit to bring one into the kingdom.²

“Those who have done many mighty works and cast out demons in My name but who will be doomed

¹In a church where Holy Spirit baptism is accepted, believed and experienced, miracles will be experienced. I am living evidence of such. *Holy Spirit baptism* birthed the church into existence one Pentecost morning in Jerusalem. Jesus gave His life on a cross to begin the church with *that baptism* while *that baptism* today may be rejected and scorned by some churches. That will change when thirteen God Incarnate apostles are released into ministry, twelve of whom will minister in twelve select parts of the world simultaneously with the same message.

²An example of bible information in the mind that has not penetrated the heart was the live debate on TV, I believe in the early 1970's, between avowed atheist Madalyn Murray O’hair and W. A. Criswell, senior pastor of the First Baptist Church of Dallas, Texas. Mrs. O’hair knew the bible, all of which was in her mind, but that knowledge had not penetrated her heart. With the heart one believes unto righteousness so that with the mouth confession may be made unto salvation.

to hell are those who drew near to Me with their lips but their heart was far from Me.³ This means that was done for the wrong reason. This is when and where self is in the forefront instead of Me.

“I will not be relegated to a back seat. The only antidote for life in and of the world is to know and worship Me. That is both cleansing and purifying. But that needs to be fed.

“When you attended churches with no cross, dark walls, klieg lights, loud rock music and no invitation, that is the result of adopting and adapting to things of the world to attract crowds.

“When you have this kind of church, you begin to stray from Me.

“The cross is the symbol of the church. The cross is the symbol of Me. The cross means self denied that I may be first.

“If any man would follow after Me, let him deny himself, take up his cross (of self denied) daily and follow Me.

“I must be first. Any compromise of that principle opens the door to the enemy.

When you visited Bent Tree Bible Church and observed no invitation offered at the conclusion of the sermon, what I put in your mind was correct: sheep without a shepherd who were wondering and wandering from the fold.

“An invitation must be offered at every church meeting. That’s one purpose of meeting together. That’s one purpose of assembling together. When there is a gathering of My people, My power is intensified. That means My power to convert the heart is intensified. That’s why an invitation should be offered at each gathering of the church.

“You might check out Rob Bell⁴ on the Web.

“My son, all the enemy wants is a small opening. He will take what you give him and gradually use it to his advantage. That’s why hearing the full

³See Matthew 7:21-23; 15:7, 8; Mark 7:6, 7..

⁴A website reveals that in February of 1999, Rob Bell founded Mars Hill Bible Church in Grandville, Michigan, which grew to a mega church. In September of 2011, Mr. Bell stepped down as senior pastor of the church to pursue other interests while announcing that he endorses or accepts same sex marriage.

gospel by a faithful pastor is such a blessing.

“During the week everyone is bombarded with the message of the enemy. Remember that he rules the world.⁵ At least a weekly reminder is useful to all who attend.

“My son, My super thirteen will direct man’s thinking from the mind to the heart, for it is man’s heart that I must control.

“The blessing of complete cleansing from your mother’s womb is that you will be able to see things from My perspective without interference of the dross of the past.

“One freed of the Adamic sin curse and sin nature from conception is not blinded by the world and is teachable. You, My son, reversed that. You were teachable and then I removed lust of the flesh, lust of the eyes and the pride of life mistakes and dross from your life retroactively.

“My son, you and the twelve had to prove yourselves to Me in six areas before I could cleanse you from your mother’s womb by the power of My Spirit.

“You see, you were cleansed as was Jesus by the power of the Spirit. One was done concurrently in time. The other was done retroactively. But both were done by My Spirit, says the Lord. One was before the fact; the other was done after the fact. Before and after conception.

“The Holy Spirit came into Mary and then fertilized the egg in her womb. That’s a two-step process. Man’s sperm comes into the womb and then fertilizes the egg in the womb. It’s a two-step process.

“You serve Me with your mind, the fruit of your lips, but your heart is far from Me – those are the ones to whom I shall say, ‘Depart from Me, I never knew you!’

“That’s something good to teach, My son,

“The battleground is the mind. That’s where the enemy starts with his demonic thoughts.

“The Father, the eternal Word and the Spirit, as three Persons, entered the physical body of Jesus as one spirit in one accord. It was then the Father, Himself, who spoke to and who directed the affairs of Jesus.

“Unforgiveness is as idolatry and cannot be forgiven. Unforgiveness is the worship of self which violates both the first and the second commandments.

“Self must be denied in order to serve God

because self is the weapon of choice used by Satan. All he does is to distract one’s focus from God to self and he has won the battle.

“Self is in control in lust of the flesh, lust of the eyes and pride of life.⁶

“Jesus (through the Holy Spirit) is God’s weapon of choice.

“Self is Satan’s weapon of choice.

“Self denied allows entry into the kingdom.

“When one is saved, he relinquishes self for Jesus.

“The person of self leads to Satan’s hell.

“The person of Jesus leads to God and heaven.”

Friday, May 13, 2011

“Yes, My son, you have tapped into Me, for I am eternal and I live in eternity because where I am there is no sin.

“The reason everywhere you walk is holy ground is because you have been cleansed and purified of all the sinful dross of this world. When you were led by My Spirit to go through the nine-point cleansing and purifying prayer, you accomplished the same thing in your life retroactively that I accomplished in Jesus at His conception. The work in both cases was accomplished by My Spirit. One was accomplished concurrently in time; the other was done retroactively, but both are equally accomplished by My Spirit.

“Realize, My son, that the Father is in charge. When He redesigned and reconstructed the earth and man the second time, it was His word, His spoken word that forever set the boundaries within which man must live and be forever judged by his reaction to the Father’s spoken word.

“This is why one must pay attention to **what is written** within the Pentecost Method and why one must also pay attention to **what I say** in the Listening Method.

“The Listening Method does not supercede the Pentecost Method, but is built thereon. The Pentecost Method had to come first because the physical precedes the spiritual.

“Under the Pentecost Method, man does the work while I, Jehovah God, rest. Under the Listening Method, man rests while I, Jehovah God, do the work by speaking words that conform to the written word by revelation.

⁵See John 12:31; 14:30; 16:11.

⁶See 1 John 2:15, 16.

“When one enters into the Listening Method, he hears words from My mouth that will conform him into My Image. That’s the purpose of the Listening Method.

“I want someone like Myself on whom to lavish Myself and the only way that may be obtained or attained is by listening to words from My mouth which will conform that one into My (Our) image. It’s just that simple but just that profound.

“The special thirteen will all be conformed to My Image by listening to words from My mouth. Those words are *designed* and chosen to conform one into Our image *again*.⁷ Only as that is finished according to My standard may I then deposit Myself within that one.

“The physical man must be cleansed as was Jesus in order to be used to do the same and greater works than He did.⁸

“It’s that simple when seen by revelation.

Physical man must be cleansed and purified as was Jesus in order to be filled with all the fulness of the Godhead bodily.

“The physical first; then the spiritual.

“Ishmael first; then Isaac.

The Pentecost man first; then the Listening man.

The physical thirteen first; then the spiritual thirteen.

“These are the rules set forth when I redesigned the earth the second time.

“And you are right on in your assumption. There was no need for sun, moon and stars on Earth One, for I, Jehovah God, was the eternal light there for eternal man and for an eternal world.

“Only after I remove your earthly cloak will you be able to even remotely grasp what I was faced with in the destruction of Earth One. My anger and grief had to subside before I could come to grips with My dilemma: anger at Myself and grief over the destruction of My precious family gone berserk through the influence of a fallen Lucifer.

⁷Adam and Eve originally were God Incarnate, as Jesus was, until they sinned. They were Person filled with God, the Word and the Spirit, but without the training that Jesus had.

⁸One may be born again and Spirit filled without his body being cleansed. Spirit filled, for example, is vastly different from being Person filled. One must be cleansed by the Holy Spirit back to conception in the womb in order to be Person filled.

“Again I say to you, each of you (the thirteen) have been blessings to Me, Jehovah God, by allowing Me to confess to you My grief, My mistake in placing Lucifer over Earth One as its ruler.

“But I have spoken. Those words may not be changed, amended or rescinded. They are forever in place and man must abide by them. That’s why to compromise one of My principles makes one vulnerable to the wiles of the enemy. All he wants is a small opening. That will be his entry point to deceive one into his evil empire.

“You will be able to speak in the absolute after your infusion with all of the attributes of the Godhead bodily (three Persons). You will be guided by My words and remember, the Father and I are one and of one accord.

“Your time of release will be as soon as I can arrange it within My previously prescribed boundary.”

Saturday, May 14, 2011

“These things will come (interruptions in your daily routine) occasionally, but pay no attention to them. They will come and go (only a few) for I have allowed for them.

“When you are released, that will change. I (We) will be in you so that (after a short while of adjustment) your time will be totally given to the most productive time that has ever existed in man’s life.

“And all of that time will be used productively for the kingdom. It will all be kingdom work.

“I am literally excited for you.

“These activities are not things you will have to do or be required to do. These are things you will get to do for Me – that you will look forward to doing. And each one will be enjoyable. Each one will be beneficial to both you and Me. And each one will bring unlimited sources of wealth to you.

“Nothing like you has ever existed previously. That’s one reason your training has been so arduous.

“Remember – after Jesus made one circuit in the Judea-Galilee area, each return trip drew multitudes to whom He ministered. You and the twelve will create the same interest – the same excitement – for no one like you has been called, prepared and sent forth by Me previously.

“I know I have said these things to you previously, but you need a refresher occasionally, lest you forget some of these things. Actually you will not forget some of them, but an occasional reminder is

good for both of Us.

“Every word I have said to you about you is true.

“So take these few interruptions with no concern so far as Our relationship is concerned. I have planned for them.

“Dale is struggling with her place in your future. In time I will take care of that in a way that will bless both of you.

“Just take today as it develops – then We’re on the way – My way – again.

“John Wagner and Kay Starkey will both remember these times with you and relish them more retrospectively as I release you.

“And yes, I will tell you when to release your California warning letter. It’s a good one.

“You may minister to Sherrie with the nine-point prayer of cleansing from the womb.

“Yes, My son, you will be quite a package.

And yes, you may want to write about the nine-point prayer from both standpoints. It will make good bible additions. The letter might be entitled John 14:12 – or things greater than the same things or same things first, greater things second, for example.

“You will enjoy writing this one. Perhaps there will be enough room to treat the last nine-point prayer in a six page letter.

“If you give to be blessed, you will not receive because God cannot be bribed. But if you give from the heart to supply a need, there is no way to avoid being blessed.

“My son, one who has been cleansed from conception in his mother’s womb is a lot different from one without that cleansing. That one is cleansed, is pure and purified. He is teachable and given to Me for ministry. That means to put Me first, to be led by My Spirit and to give Me the glory. Each of those three are devoid of self. Then add to that (those three) the meekness test and the ‘I will never leave you nor forsake you’ test to become celibate in order to become My end-time apostle.

“This gives you some idea of My responsibility in training thirteen of you. All of this is new territory for each of you and for Me.

“My son the reason your writing will be a sequel to the bible is because it is revelational truth.”

Sunday, May 15, 2011 ..

“Yes, My son, you are now beginning to see

how important the Listening Method is.

“If you will observe My teaching beginning with Moses, it was the physical I dealt with first *because that is the target of the enemy.*

“It was through the flesh that I had to get the attention of the enemy. It was also necessary for Me to show man the weakness of the flesh and also to show him that it was through the flesh that he was deceived by Satan.

“Satan uses the flesh to overcome the spirit of man. The flesh needs to be gratified but under the control of the spirit of man. Otherwise he will self-destruct. Man left to himself through self gratification will destroy himself.

“That was My target when I finally had to destroy Earth One.

“That was one of the things I had to learn to correct through Jesus.

“First the law governing outward man.

“Then the spirit to govern the inward man.

“But both governed by My Spirit through love was and still is the answer.

“Man’s Sabbath rest has always been My objective since the fall of Lucifer and the fall of man. Only as man comes to My Sabbath rest⁹ to listen to Me will he be conformed into Our image from which he fell originally.

“The reason marriage – all marriage – is right and honorable before God and man is that one man for one woman is God’s design to procreate the earth and to gratify man’s sexual desires.

“I put in man and woman attributes that attract each to the other for procreation and for sexual gratification.

“When one man and one woman become one in marriage is step one (the flesh).

“Both becoming one in Me (Us) is the next step (the spirit).

“Ishmael (of the flesh) and Isaac (of the spirit) demonstrated that principle.

“Jesus introduced that principle (law of Moses first, then Jesus of the Spirit).

“The Pentecost Method demonstrated that principle, but that was the first step (partial completion). That still left man with the Adamic sin principle (flesh) with which to deal.

⁹See Hebrews 4:9, 10. If you want to know how to grow spiritually, read the referenced sentence again.

“The climax of all of My teaching in preparation for the Rapture is the Listening Method, for in that method alone, may one go beyond both the Adamic sin curse and the Adamic sin nature (the flesh). And that is done by listening to My voice daily.

“As man comes to his Sabbath rest and listens to Me daily, he will gradually be conformed into My (Our) image once more.

“That is the way man was originally created. In Our image they were created male and female.

“As one learns to listen to words from My mouth daily, through no effort of his own, but entirely through the supernatural power and authority of words from My mouth, will he be conformed once again to Our image.

“There is no other way.

“And that testifies to the power of My spoken (rhema) word over the written (logos) word. Logos may become rhema through the Holy Spirit but every word you hear from My mouth **IS** rhema – life changing **RHEMA**.

“My spoken words created everything you see with your natural eyes.

“In like manner, by My spoken (rhema) words you hear from My mouth, you will be once again conformed to Our image. *And there is no other way. Hence, the value of learning to listen to My voice daily and then setting aside time to do that every day. That is the way to put Me first in your life.*

“Before Adam sinned, he was God Incarnate. By listening to My voice for a sufficiency of time according to My (God’s) standard, man today may be restored into Our Image as God Incarnate.

“My son, this is why the Listening Method is the most important thing you have to teach – not to do, but to teach.

“And the beauty of the Listening Method is that every believer has an equal opportunity to learn to listen, whereas in the Pentecost Method not everyone has the opportunity to act in one or more of the five offices of the church¹⁰ – not everyone is given all nine gifts of the Spirit.¹¹

“That is the advantage of the Listening Method over the Pentecost Method.

“Learn to listen daily.

¹⁰See Ephesians 4:11.

¹¹See 1 Corinthians 12:7-10.

“Be obedient, remain faithful and trustworthy.
“Give Him the glory.”

Monday, May 16, 2011

“Yes, My son, now leave (name omitted) to Me. We have more important things to do.

“Your letter on restoring believers to our image, to the image of the Godhead, is worth writing about. That letter as well as the others, will eventually reach millions or even a large audience.

“Remember, again, I say to you, your writing is revelational. That’s the way Paul wrote most of the time. And that’s why your writing is so important.

“Your writing is not something you learned to remember, but something you have experienced. When you write what you have experienced, what you write is truth.

“You will enjoy writing this one.

“It’ll be fun to do.

“And again, this letter will be new territory.

“You see, I started you on the restoration of man to Our image when, as you were out walking for exercise one day, I said to you, ‘Confession eradicates the sin from My records.’

“See what important things have small beginnings.

“That’s the way of My teaching. Line upon line, precept upon precept is the rule in teaching. Then repetition is next followed by obedience, faithfulness and trustworthiness, in that order.

“My teaching is done slowly so that you will be able to live what I teach. Only as My teaching is lived is it most effective.

“That’s the way Paul wrote. I spent fifteen years teaching him before he went on his first missionary journey to establish churches.

“So you see, you and Paul have a lot in common. When what you write is from revelation that is lived, writing is no more than relating something you have received by revelation and then learned by living.

“That is the way most of the bible was written.

“That is why your writing will be a sequel to the bible. Your sequel, however, will be unique. No one has ever written as you write. You, My son, are writing to close the two thousand-year window of the church age. That is very important.

“And again, remember, you are My herald for this rapture generation and I have only one of those –

you are it.

“So be advised of the importance of your writing **AGAIN**, for it is important.”

Tuesday, May 17, 2011

“Yes, My son, the letter you have begun (#151) will be easy to write, but is ever so important; its content is totally outside of the bible record and may be acquired only by revelation.

“The way of fulfillment of John 14:12 is hidden within that scripture itself. That is one of the mysteries of the kingdom that may be revealed only by the King. He said it and hid within His words is the key to unlocking the answer.

“You are on the threshold of unlocking secrets unknown to man except to Jesus. He knew of these things. And now I am revealing them to My special thirteen.

“Try and realize the importance of what you are writing. With your writing, you are unlocking secrets of the universe previously known only by Jesus. That why your writing is so important.

“Your writing assignments prior to your release are very important to Me. Try and zero in on that between now and the time of your release.

“My son, to write as you write requires revelation no other writer has been given. That is always the way of My prophets, but in your case, your revelation will exceed all others who went before you. Your revelation is My final effort to leave man My written record.

“I will see to the publishing of your writing and will also see that it is distributed world-wide. So take your time. Do each assignment well and thoroughly as you receive additional revelation and the job will be done.

“So you see, We have formed a partnership. I provide the revelation while you translate into writing My message. My son, you are doing this for Me. I am the One who wants this revelation known and distributed widely.

“Your writing will reveal Me as I have desired for a long time. My son, My people do not know Me as you know Me. That’s what I want My people to know. I want them to know the real Me as I have revealed Myself to you. And you are appointed to do that with your writing and with your several ministries.

“When I release you and you state that your relationship with Me was obtained by learning to listen,

that will spur a return to Me for which I have longed for millennia.

“That’s what your writing will do for Me.

“My son, your writing is for Me. And because it is for Me, it will bless everyone who reads what you write. I will see to that. That is a part of My distribution strategy.

“I have seen to everything.

“We will make an invincible team like no other on the earth.

“So get ready. Do your writing assignments for **Our** – not for your – but for **Our** time draws nigh!”

:

At this point I asked the Lord if Adam had the same supernatural anointing that Jesus had in His visible ministry. In other words, was Adam God Incarnate as Jesus was in His ministry. *Here is His remarkable answer:*

“Yes, the first Adam had the same spiritual attributes as the last Adam, but without the training of the last Adam. The first Adam was not celibate. In order to serve Me and in order to fill My needs, one must be celibate, *or be truly devoted to Me exclusively without the interference of a wife’s needs.*¹²

“I must become to man everything he needs in order for him to do a major work for Me so as to fulfill My needs. I can fulfill all the desires of one so devoted to Me. *His desire must be for Me – to serve Me first.*

“It is not that having a wife is improper or wrong, since that is my foreordained way of procreation, but that one may not serve Me and simultaneously serve a wife 24/7. Disagreements – conflicts therein are inevitable. That’s the reason.”¹³

Following is God’s commentary on *His remarkable answer*. But first, notice in His answer, He did not stop at just answering my question, but *in His answer* and *in His commentary that follows*, His words provided far more than I had asked. That is the way of

¹²Not the interference of a wife, but the interference of a wife’s needs.

¹³This is demonstrated in the life of Adam (Genesis 3:17) and in the life of Abram (Genesis 16:2). Behold, to obey is better than sacrifice, or said differently, behold to obey God is more important than being persuaded by a wife or by anyone else to do **ANYTHING** that conflicts with God’s will.

our Lord. As we are willing to listen, He will provide us with an unexpected blessing. Here are His words – His commentary on His answer, given to me that morning:

“Remember, I said that Eve was deceived and therefore was not responsible for her transgression. Adam was the one who failed knowingly, but he failed twice. His first failure was not in intervening between Satan and Eve. His second mistake was in allowing his wife to persuade him to disobey Me. Adam heeded the voice of his wife instead of the voice of God. This is clear evidence that a man may not please both his wife and God 24/7, since there will be conflicts.

“Even though Eve was deceived by Satan and therefore was not responsible for her transgression, she was penalized. Transgression of My law always brings results contrary to My will for that person and removes a blessing otherwise obtained by obedience.

“Eve’s penalty through Adam was:

“(1) Pain and sorrow in childbirth.

“(2) Her desire shall be for her husband.

“(3) Her husband shall rule over her.

“(4) Her right to be co-equal with man in governing authority was revoked.

“Remember that rulership over the earth was originally given to both man and woman (Adam and Eve) jointly. Adam’s sin and Eve’s transgression rearranged that original order so that after Adams sin, man was given the sole responsibility for leadership both outside of the home and within the home as well.”

Wednesday, May 18, 2011

“Your letter No. 151 (June, 2012) will materialize as you proceed. And remember, you are writing about the training of an apostle – and there are only thirteen of you. And among the thirteen, you are unique. This makes your writing unique and important to Me. That’s reason enough to write.

“After Tony’s visit today respond to Sherrie.

“There is nothing wrong with Sherrie praying the nine-point prayer back to conception in the womb. My words that follow thereafter, however, will not all apply to her for she is not where you are in spiritual growth. But yes, tell her to pray the prayer. That will benefit her but not to the extent that it benefitted you, because each of My following prophetic words were for you.

“In time, as she matures, all of those words will

benefit her.

“Yes, you have done the right thing. By waiting and asking Me, you have the best answer.

“I am preparing Dale to proceed to your day of release. You will need to move only once. And that will not be down-sizing, it will be up-sizing.

“Yes, My son, the Listening Method is beyond the Pentecost Method and that includes speaking in tongues. The most important thing one may do today is to learn to listen. Then every word you hear will be words from My mouth and you will understand each one and each word you hear will change you – will begin to change you into My likeness. Nothing is more important than that.

“One who will totally devote himself to Me and learn to listen may preserve his life through the Rapture – that means he may preserve his life forever by learning to listen.

“I have done that for you and I am no respecter of persons. Everyone who believes in Me has the same right of access to Me that you have.

“This is only one reason why learning to listen is the most important thing you have to teach – not the most important thing you have to do, but the most important thing you have to teach.

“My teaching you to listen to Me is one reason you are where you are today. That is a powerful thing to teach.

“Your teaching, My son, is *intended* to ignite fires within believers. Once that fire is ignited, it will be self-sustaining as one remains obedient. As that occurs, each one will in turn ignite the same fire in others.

“Everywhere you turn today in the world, you are distracted from Me and attracted to things of this world. The health care industry is a good example. In the electronic and print media, you have paraded for all to see and hear why you are going to become ill and what you should do about it. All of that is of Satan.

“The first thing you should do if you become ill is to talk to Me. **But that relationship needs to be established before you become ill.**

“Illness is a down payment on death caused by Satan. Today, because of the nearness of the Rapture, all believers have the opportunity to live in improved health through the time of the Rapture and thus be freed from death. My son, you may teach that – shout it to

the house-tops. Proclaim it as My truth for this time – for the first time ever!

“No stronger truth, no more important truth may be taught today than the truth of the Listening Method. It far surpasses the Pentecost Method that has been in place for more than nineteen hundred years.

“Given the option of spiritual growth today between the Pentecost Method and the Listening Method, the Listening Method wins **EVERY TIME** hands down, because you learn infinitely more and at a greater rate of growth by listening to My rhema words than by reading the logos that I gave to someone else.

“Teach this, My son, teach it, for it is a life-saver to many.

“My son, remember the importance of your writing.

“Yes, My son, those you heal (restore) will also get a special touch from Me as part of My renewal for this time. That is another reason why you will have the support of those you save (bring to Me) and restore.

“If and as you do anything outside of My will you become an agent of Satan. Living in My will 24/7 is the only protection from the enemy. That’s why I came to earth!

“Everything *in the world* is done to keep you from Me. That is because the world is self-based. The enemy does nothing more than to distract your focus from Me to self and he has won. That’s all it takes one to turn to self who will then self-destruct.

“Everything in the world and of the world is self based.¹⁴

“Everything in and of the kingdom is faith-based – faith in Me instead of in self.

“If you are living for self, you are living for Satan. The only antidote for self is Me.”

Thursday, May 19, 2011

My prayer at the beginning of the day:

In view of the excitement of everything I will be

¹⁴Everything **in the world** today is self-based: the government, the educational system, the arts, crafts and professions, the military, the home in most cases, the financial community, the economic system, the monetary system, the banking system, all governmental alliances including the UN. Many churches are partially self based. This is the way Satan rules the world. Being self-based does not necessarily mean one is doing something wrong, but that Satan is in charge.

doing for the Lord after my release, I asked Him if He was going to help me to be able to “turn off” the excitement at the end of the day so as to allow me to get sufficient rest and sleep after I am released into my ministries.

Here is His answer:

“Yes, My son, I will be able to do that for you. I will be in you as the fulness of the Godhead bodily, to guide and direct you in all you do – even to your rest and sleep time.

“I, Myself, Jehovah God, need no rest or sleep as a spirit Being. But since I made man, I know how to control him as he becomes totally dependant upon Me.

“It is different, as you know, to matriculate in a fallen world and be subservient to Me in all things, but I can even control your rest/sleep time under those circumstances because I made you. I formed you in the womb and as your Father I can direct even your rest/sleep time.

“And you are correct. You are going to be a busy man once I release you.

“Now you better understand what I mean by saying that I was working with Dale. She will now be able to more readily accept your exclusive walk with Me. So just leave the other details to Me. I can handle them so as to be a blessing to everyone.

“Just proceed now with your writing for that is very important to Me. It is for Me, now, that you write. I will see to it that your writing will bless many.”

Later at 2:03 PM

“Yes, My son, it is good to ask Me about sending My words to others as you did with Sherrie. I like it better that way.

“But remember, that will not be necessary when you are released because We, the fulness of the Godhead bodily, will be within you guiding all of your activities.”

Friday, May 20, 2011

“The thing that compounded My calling in your case was that I knew you would have an age issue that was unique to the other eleven men, but also to Me. My son, I have never released one into a major responsibility at the age of ninety-one.¹⁵ Couple that with the fact that there has never previously been twelve men and one woman with responsibility to do

¹⁵Two years later my age is now ninety-three.

greater works than I did, and you have the decision before Me when I chose you to be one of the twelve men. Add to that, My choosing you to be My chief of staff as We return at Armageddon and you know why I went to the Father for conformation of my choosing you.

“Place in the mix your seven ministries and you will see briefly the responsibility I will be placing on your shoulders. But at the same time, remember that I will be in you literally guiding each of your days within each of your seven ministries.

“My son, you have been chosen and trained for just such a time as this. And the remarkable thing about all of this is that I have been able to tell you in advance, all of these things so that none of them will be surprises to you. That is a great advantage to Me, for your learning curves, in a manner of speaking, have been experienced *before the fact*.

“That makes it easier for both you and Me. That is why the transition into your God Incarnate role will be fluid, seamless and effortless to both you and Me.

“No one will believe the area of responsibility I have given you and the measure of efficiency with which you handle them except to see you in action. Only as your activities are confirmed by signs, wonders and miracles will you be believed. That’s the purpose of the miraculous signs. Otherwise, no one would accept you or believe you.

“Only as you are translated to your appointment with (name omitted) will he take you seriously – and then, only after due consideration, because the **RTD** is another of the **NEW** things you will be doing.

“However, once (name omitted) and others come aboard to utilize the **RTD**, you will be deluged with requests. Then is when you may want to consider appointing representatives in a few other nations of the world to handle the many requests.

“My son, you are going to be a busy man. And I will send needed support staff to you. But remember, since you may have more than one choice, I will be in you to give you the correct selection. This frees you of that responsibility.

“Between now and then (your release), just take one day at a time and do what I put before you.

“Yes, you are now released for the day.”

<end of letter No. 170>
