Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Tuesday, May 31, 2011 at 6:00 AM

“Yes, My precious son, those words are true. You will actually be revered more than Jesus was because you will have greater authority than He had during His visible ministry.

“You are able to ‘see’ and understand that now. As Jesus ministered, He had not yet been to the cross, although that event lay before Him **EVERY DAY** of His personal ministry life.

“That is why, on some nights, He would pray all night long because it took that long to be at peace with God, the Jews, Satan and Himself. And the remarkable thing about that is that **NO ONE** else knew the personal burdens He carried **EACH DAY**. An example of His burdens and the way it affected His sleepless nights is illustrated by your two and one-half year law suit with the (name omitted), the (name omitted) family and (name omitted). You had to pray until you were at peace with God, yourself and everyone else on the face of earth, before you could go back to bed for some rest.

“You will remember that occurred right after night, as you would awaken with the burden. As you responded with prayer to Me, and did what I had taught you to do, you were successful. It was My instructive strength, however, that carried you through that time in your life.

“**That time in your life was training for today.** You came through that without being angry and bitter and filled with hatred. That, My son, is the difference in coming through such a trial with Me and without Me. One who goes through such a trial without Me, would remain bitter, angry and revengeful, all of which are tools the enemy uses to destroy man.

“Remember, all of Satan's tools are in support of self. All of My tools are in support of Me. Only I, Myself, Jehovah God, may successfully carry one through such an ordeal strengthened instead of being weakened.

“When I am your source, nothing is too big for Me to handle. My son, the litmus test is when you can love and pray for your enemies.

“And yes, you were right. What was done to you was unethical and immoral, but still was legal, because a judge ‘signed off’ on the final injustice. That is a good illustration of the difference in law and love. Law restrains. Love compels.

“And here is another thing about being revered more than was Jesus. As you are able to become comfortable with that, We may move on.

“Look at it this way. That reverence will be for the bodily Godhead within you. That's what makes such reverence possible without overcoming one so revered.

“Again, look at it this way, as well: all of that reverence is for Me, Jehovah God. That was what Adam had within him. That is what made him special. Notice that it was after he was given a wife, that he was twice weakened: once physically and once spiritually. One may not please Me and also please a wife 24/7. That's why both Adam and Abram failed. To that extent, both men may be looked upon as was Jesus, except He did not have a wife to please.

“That is why all thirteen of My special apostles will become celibate at one point in their ministry. I must have **all** of your (one's) time in order to effectuate such an important assignment.

“Jesus demonstrated that when He was ministering one day in a crowded room and was told that His mother and His brothers were outside asking for Him. Then He looked around the room among those to whom He was ministering and said, ‘These are My brothers, My sisters and My mother.’

“That was not ‘Mary's first born’ speaking, it was the bodily Godhead, the Father within Him, who was speaking. Jesus had ‘distanced’ Himself from His earthly, physical ties (physical family) and revealed to those present *His spiritual ties (spiritual family)*. But remember, it is the physical first, then the spiritual.

“That's the way it was with Jesus and that is the way it is now with you. There is now no difference since you prayed the nine-step prayer for cleansing, retroactive to conception in your mother's womb. You, My son, now stand where Jesus stood, prior to His baptism by John and prior to His infusion of all the

fulness of the Godhead bodily immediately thereafter.

“So you see, you have arrived at the same beginning point that Jesus had. That means you are ready for the next step. Stay tuned, as you say.

“In just a short time, you will become comfortable with your recent cleansing retroactive to conception in your mother’s womb. Then We will be ready for the next step.

“In reality, the next step is to call attention to My authority over the enemy. That’s really not only *what*, but that is also *all*, the next step amounts to. You are being equipped to do battle against the enemy. And in order to do so, you must be better equipped to do battle than the enemy is. That’s what it amounts to. Only as the three of Us as spirit, **bodily enter your physical body**, will you become fully equipped to overcome all the enemy has done to man.

“My son, that is what you have been trained for. Consider yourself blessed to be chosen and remember, ‘many are called, but few are chosen.’¹ Only those who have proven themselves to be obedient, faithful and trustworthy, *may be chosen* for the work assigned to My special thirteen.

“You are now in very elite company, My son. Welcome home. We are in for a real ride. A ride **NO ONE** has experienced before, including Jesus. How’s that for starters? And yet, there is still more to come, as you know.

“The administration of your seven ministries is what the heavenly hosts are all abuzz about.

“Remember, it is to do battle against the enemy for which you have been chosen and trained. He is our target.

“The reason you will be looked upon as God, is because that is what you will be. Since I, as Jehovah God, am spirit, I may not be seen by the natural, physical eye. I therefore must prepare an earthen vessel to receive Me in the fulness thereof, in order to be ‘seen’ by man. *That, My son, is Our objective in you (and in the other twelve).*

“Our objective in you is two-fold. First, that man might know Me for who I really am, and secondly, to do successful battle with the enemy unrestrictedly. Jesus was restricted in His ministry, as you know. But you and the twelve will minister unrestrictedly against Our common foe. That is Our objective for which you and the twelve have been prepared.

¹See Matthew 22:14.

“Couple those two objectives with bringing in the most abundant harvest ever, and you have before you your (Our) objective.

“But your responsibilities do not stop there, as you know. Your responsibilities extend through the Rapture to Our return at Armageddon and thereafter through the Millennium. My son, you are going to be a busy man. But you have had more than adequate training and are **NOW** ready for *the water walking*.”

Wednesday, June 1, 2011

“Yes, My son, you now have the ingredients for the crux of letter No. 152. Revelation is the source of true knowledge, not intellectual knowledge of the bible.

“When one is left to his own intellect in appropriating knowledge, that intellectual knowledge is of self. If one is consecrated to Me, that is the way of the Pentecost Method. That is what man has been struggling with for almost two thousand years.

“But now I have come forth with the Listening Method, wherein man rests and I do the work. When, by faith, man comes to his Sabbath rest, as he learns to listen, I, Myself, Jehovah God, will do the work for him, by speaking to him while he rests, as confirmed in Hebrews, chapter 4:

9 There remains therefore a rest for the people of God.

10 For he who has entered His rest has himself also ceased from his works as God did from His.

“That’s the way I created the universe – by speaking – which includes the earth, the sun, moon and stars to establish time² and to regulate seasons of the year. **Do you realize that I did that while man did NOTHING? All of that was done BEFORE man was created. I did all of that FOR man by speaking words from My mouth.**

“**Since I have brought man this far, I NOW** want to relish him with Myself. That is exactly what I have done (what I am doing) in My special thirteen apostles.

“I, Myself, Jehovah God, am in the process of

²In order to live, age, grow old and die, man must be born in time instead of in eternity. The sun, moon and stars were created to establish time on the earth for this purpose. Time includes seconds, minutes, hours, days, months, years and the four seasons.

restoring **EVERYTHING** that Adam lost, through My thirteen **NEW** apostles. **My son, I am in the process of bringing forth TWELVE new last Adams, fully equipped as was the first Adam before he sinned.**

“Now you are beginning to see what I have been accomplishing in each of the thirteen new apostles.

“I have been preparing twelve men and one woman in whom I may once more dwell as I did in Adam. It was My pride and My joy to create the first Adam on whom I could relish Myself.

“I, Jehovah God, indwelt Adam in the fullness of the Godhead bodily. Each of Us as three Persons, indwelt the first Adam. The first Adam, as the first man on Earth Two, was God Incarnate.

“But now hear this. Each of My precious thirteen will be better equipped than both the first Adam and the One whom Paul called the last Adam. But Jesus was not the last Adam. He was the second Adam, as you have rightly said and written.

“Jesus became the second Adam, that through His life and accomplishments, I might literally bring forth **twelve last Adams** in whom I will dwell in all the fullness of the Godhead bodily.

“But remember, all the fullness of the Godhead bodily is much greater today than it was in the first Adam before he sinned, and is also greater than it was in the second Adam (Jesus) during His visible ministry.

“Now, all the fullness of the Godhead bodily is inclusive of God, the Father, God, the Son and God, the Holy Spirit. They are three in One.

“But all the fullness of God, the Son, today, is inclusive of the eternal Word and all of His activities **before the world was**³ and is also inclusive of all of the activities of the Son:

“(1) at the cross,

“(2) during three days and the three nights His body was in the tomb,

“(3) from the resurrection to today,

“(4) between now and the rapture of the church,

“(5) on the earth and in the third heaven during the Tribulation,

“(6) beginning with the return at Armageddon,

“(7) through the Millennium and

³“Before the world was” refers to the time before World One was, which was millennia before the reconstruction of Earth Two began, as recorded in Genesis 1:3, to which Jesus referred in John 17:5: “And now O Father, glorify Me together with Yourself, with the glory which I had with You before the world was.”

“(8) through the arrival of the New Jerusalem.

“And that, My precious son, is why the name of Jesus is above **EVERY OTHER NAME**. Through the sacrifice of Himself to the purpose of God, He has also made possible the ministry of the twelve last Adams and so much, much more than finite mind may now comprehend.

“This fills in some of, but not all of, the blanks in your mind concerning the validity of the importance of Jesus. And that, in brief, is the responsibility that I, Jehovah God, have relinquished to Him as My only begotten Son, in whom I am well pleased.

“And now you have some small idea of why I am well pleased in Him. He will be in charge of all of the activities of the special thirteen. But, as you know, He (the Lord Jesus) and I, the Father, are One or are in one accord. Therefore, when Jesus speaks to lead, guide and direct all of the activities of the special thirteen, He will speak as Myself, the Father. In that manner, I, the Father, will direct all of your activities (and those of the twelve) from the moment of your infused release into ministry.

“That, in brief (very brief) is why the name of Jesus is above every name, including the name of the Father, whom He (Jesus) set free of the grip of the enemy, under which I, the Father, had labored for more millennia than you care to know.

“Additionally, the blessing of My being able to confess to you, as My precious thirteen, My weaknesses and My mistakes, has meant more to Me, Jehovah God, than you may know until I remove your earthly cloak. Then, and then only, may more of these things be revealed to you and to the twelve.

“Until then, count yourself fortunate and blessed to have been chosen as the elder brother/mentor of the other twelve, and to engage in your six other miniseries. You, My son, are special among the other twelve, as Jesus was special to the first twelve. They will look to you as their leader.

“**The thirteen of you, as you are released into ministry, will all be as the first Adam and Eve were before sin.** All the fullness of the Godhead bodily will be within you. You, therefore, will become God Incarnate, with absolute authority over Our common foe, to wreak havoc on all he has done to man.

“While your ministries will be to target the enemy with absolute authority over him, you will also be equipped to restore everything he (Satan) has done to man. And because of what Jesus has done, those you

set free from the enemy's grip, will be the source of your support.

"There will be much rejoicing and many tears of joy shed through the ministry of My special thirteen. Count yourself blessed, to be not only among the thirteen, but to be their leader, as well.

"Welcome, My son.

"Yes, My son, the reason Jesus was successful in **EVERYTHING** He did is because He was subservient to the Father in **EVERYTHING** He said and in **EVERYTHING** he did.

"Go thou and do likewise."

My closing prayer:

And thank you Lord for choosing Me. Here am I. Use Me. And thank you a million times for the blessings **AND** for the opportunities given me to serve you. Amen

Thursday, June 2, 2011 – early morning

"My son, it is not that I chose to disappoint you. In reality, your aggressiveness has been the cause of two⁴ postponements for you.

"You have wondered about this, so I will bring it out into the open. There are two reasons for your two delays. One, your aggressiveness in your faith walk with Me and two, the length of time it takes Me to prepare you to become God Incarnate.

"There is actually a third reason for the length of time it has taken Me to train you and that is the thoroughness with which you desire preparation.

"You have been so meticulous about wanting to know every facet of your released activities, that has also postponed your release.

"Please know that I realize the souls that are at stake in this issue. After all, that is the main issue of your training. But if you will stop and think, there are thirteen of you. And each time you increase from one number to the next, from one through thirteen, for example, the issues with which I must deal in order to try and not disrupt too many lives, increases in multiples too high to consider. When you consider twelve new men and one new woman who will become God to everyone who sees or hears you minister, that is also unique, as you know.

⁴There have been other postponements beyond the two mentioned here on June 2, 2011. From what God has said to me, my present writing assignment through December 31, 2013, may be my last assignment prior to my transitional release activities.

"Couple that with My concern for souls being neglected by the delay, and you will see My side of the picture. I am trying to disrupt as few lives as possible in the release of the thirteen.

"Add to these multiple possibilities the fact that each of the thirteen will become celibate, and you have My side of this issue.

"I will do My best to stay within the prescribed limits that I have suggested. You may discontinue formalizing your writing in letter format, but simply transcribe and print your journal and you (We) will do fine for the rest of the way.⁵

"You will have some latitude in your activities, including your writing, so stay relaxed and open and We'll do fine.

"You realize that in your case, I have not one, but two lives to disrupt, and there are multiple considerations for both of you that I want to handle the best way for everyone and you also realize what that means. And you are not the only one of the thirteen with multiple considerations."

Later at 11:40 AM

"The Listening Method is the fourth and final measure or method of spiritual growth available to Christians today. The reason it is the fourth and final method is because persistent pursuit of the Listening Method will restore man to God's image and to His likeness as it was prior to sin.

"By learning to listen, as one remains obedient, faithful and trustworthy, he will be restored to God's image and to His likeness by the power of the rhema of God.

"Adam, before sin, was God Incarnate. This means that all the fullness of the Godhead bodily (three Persons) were within his physical body. That's what 'in our image' and 'in Our likeness' means.

"Man is born today as a triune being. Adam was formed as a triune being but also incarnated within him were the three Persons of the Godhead: God, the Father, God, the Word and God, the Spirit.

"That is why, when he was requested to name God's creation, the names Adam gave them were the names we call them today. Those names were spoken with Adam's vocal cords, but were originated by the Father within him.

⁵This is one of God's instructions that I inadvertently ignored, about which I have previously written.

“The four measures of spiritual growth today are: (1) salvation, (2) rebirth, (3) Holy Spirit baptism, (4) the Listening Method.

“The reason the Listening Method is the fourth and final measure of growth today is because **in this rapture generation, one may be restored as God Incarnate, which is the way man began.**

“In other words, by becoming God Incarnate again, man will have come full circle to his beginning, from whence he fell. That has been one of My objectives since the destruction of Earth One.

“God came to His Sabbath rest when His work was finished.

“Likewise, when man comes to his Sabbath rest so that God Himself may occupy man’s quiet time with Him, as man then learns to listen and remains obedient, faithful and trustworthy, through the power of rhema words from God’s mouth, in God’s time, man will again become God Incarnate, indwelt by all the fullness of the Godhead bodily.

“In contemplative prayer, man’s needs are met. In the Listening Method, God’s needs are met.”

Later at 4:27 PM

“Salvation, rebirth and Holy Spirit baptism are all of the Pentecost Methods of growth whereby one matures spiritually. The Pentecost Method is wherein one matures so as to grow spiritually himself and minister to others as one sees the need or as one is led or called to do.

“In summary, the Pentecost Method of growth is to free God to minister to your needs and to the needs of others through you as well.

“On the other hand, the purpose of the Listening Method of growth is to free man to minister to God’s needs and to the needs of others as He directs.”

Added later

“The purpose of the Pentecost Method is to enable God to minister to your needs, and to the needs of others through you, as you are led and/or as you are called to do so.

“The purpose of the Listening Method is to enable you to minister to God’s needs as you are obedient, faithful and trustworthy.

“In the Pentecost Method, you do the work while God rests.

“In the Listening Method, God does the work while you rest.

“God’s creative work is done through rhema words spoken from his mouth. That’s the way He created the universe, the sun, moon, the stars, the earth and man to live thereon. God does both His creative and destructive work by speaking.

“In the same manner, as you learn to listen to Him daily and remain obedient, faithful and trustworthy, those words will gradually change you into His image – into His likeness.

“When you have listened to Him for a sufficiency of time according to His standard, you will be changed into His likeness, into His image to become God Incarnate, just as Adam was before sin.”

Friday, June 3, 2011 at 6:03 AM

“My son, do you realize that through you and My special twelve, I, Jehovah God, have come full circle? Man coming full circle is one thing. But **My** coming full circle as Jehovah God is something entirely different, but something that I have been working on since the destruction of Earth One!

“What you will be doing, My son, is arriving at the same position and at the same spiritual condition as the first Adam. He was God Incarnate just like Jesus was. Think that through.

“When you and the eleven are released into ministry as God Incarnate, you will be as both the first and the second Adams were. But becoming God Incarnate **NOW**, is different from being God Incarnate in the first Adam and in the second Adam.

“And the reason becoming God Incarnate **NOW**, is different from being God Incarnate in the first and second Adams, is because who the second Person of the Godhead is **NOW**, compared with who He was in the first and the second Adams.

“Because of the cross, and because of My intense activities during the three days and the three nights that followed the cross and because of My resurrection, **the second Person of the Godhead today is far superior to the second Person of the Godhead who indwelt the first and the second Adams.**

“So you see, here is just one more thing that Jesus made available, that He made possible to the special thirteen, that has not been available or possible prior to now.

“My son, that’s how much Jesus purchased for you **AND** for mankind. He (Jesus) made it possible for each of the thirteen to become God Incarnate, to the

degree – to the extent that was totally impossible, totally unavailable, prior to this day.

“Of course, becoming God Incarnate at the first Pentecost after My resurrection, would have been no different from becoming God Incarnate **NOW, except I have not made that available prior to this rapture generation.**

“Now, if you will think that through, you will have some idea of what Jesus has done for the second Person of the Godhead, and you will also know what He has done for the special thirteen.

“Through the second Person of the Godhead, Jesus made it possible for you to have absolute authority over the enemy, from the first day of your released ministry.

“That will give you some idea of what Jesus has meant to the second Person of the Godhead and what He will mean to each of My special thirteen. Because of what He did, as you become God Incarnate, you will have absolute authority over the enemy, and absolutely no restrictions during your approximate seven-year ministry period.

“That, My precious son, is what Jesus has done for the Godhead, **AND** for mankind through the special thirteen, as each of you become God Incarnate.

“These things you need to know as a part of your training that has been left to the latter days of your preparation. This will leave it fresh on your mind, the value that the ongoing ministry of Jesus is to the Godhead, to the special thirteen, to mankind and to the world.

“There is no way for finite mind to grasp the fullness of the accomplishments of Jesus of Nazareth. He became Man that man might overcome the enemy. But in so doing, His accomplishments are so gargantuan, so immense and so overwhelming, that your earthly cloak must be removed in order for you to grasp even the partial significance of His work on behalf of the Godhead, on behalf of mankind and on behalf of the world.

“All of that will be incorporated within the body of the Godhead as you and the twelve become God Incarnate.

“This will be the third time that man has become God Incarnate on the reconstructed earth, but the activity within this reincarnation will exceed by far, the other two and this is just for starters.

“My son, you and the twelve have quite a future before you. And you need not be concerned about a

single detail of your future. I have seen to it all for you **AND** for Me, says the Lord of hosts to you this morning.

“But realize, as you are released, the total cost of your becoming God Incarnate in the absolute, may not be evaluated by finite mind.

“Much rides on your future activities. Realize how you are blessed, and how you will be able to bless others, all because of what Jesus did at the cross.

“And that’s why His name is above every other name, even that of the Father, because He (Jesus) set Me, the Father, free from the grip of the enemy, as My first private Confessor. Each of My precious second thirteen have also become My private confessor. They therefore, will go forth **as I am**, to mix and to mingle with common man to show man **who I really am.**

“That is one of the most important things you and the twelve will do for Me and for mankind. And that is why you will be revered more than Jesus was. Not because you are greater than He was and is, but because of what He did before you at the cross.

“What is happening to you, My son, is what I revealed to you several years ago. Remember, I said the further We go toward your release, the fewer people would understand what you say and what you write. It will take signs, wonder and miracles to begin that process.”

<finished at 7:10 AM>

Later at 12:29 PM

“Yes, you may now release the California warning letter.

“And yes, email Warren Lewis on his “rapture” remarks.”

Saturday, June 4, 2011

An answer to prayer:

“Hold up publishing the California warning until I tell you to publish it. That may wait a short while. You may go ahead and choose another substitution. Almost anything you choose will give you exposure that needs signs, wonders and miracles to confirm.

“**But take that risk.** In a short time you will have the confirmation needed. I’ll see to that for you.

“See – you have not lost a single thing – I will see to everything you have asked – **but you needed to ask which releases Me to act.** Thank you. ‘You have not because you ask not.’ Remember?”

The prophetic word continues:

“My son, when you are offended is when your eyes are on self instead of Me. And that is the self that must be denied to serve Me. You cannot serve self, or others and serve Me. I must be your priority.

“**When you desire to please others, that is the desire to please self.** When self is denied – when self is dead – your desire will be for Me only. When you please Me and then displease others, or offend others without concern, is when self is dead.⁶ A self denied is a self dead to things of this world and alive to the things of God.

“My son, we have too much to do to be concerned about displeasing others when you obey Me. Obedience is our objective. As you obey Me upon your release, you are not only going to displease others, you are going to discover a fire storm of words against you.

“That fire storm of words against you will actually be against Me. But since I went to the cross for you and for the twelve, you will be able to minister to the common people who will not have been indoctrinated with false information.

“Common man, My precious prodigals, will be drawn to you by My demonstrated authority within you.

“You will be able to minister in real life in the absolute, as no one else has been able to do. My son, you will be able to rob the robber, take back that which was stolen, and in some cases, resurrect that one whom he killed. That is our objective; however, resurrection will be more or less mainly for ‘demonstration purposes.’ **Resurrection is no more difficult for Me than any other miracle, but must be used for My purpose only. It is, and it will continue to be My spoken word that creates resurrections and anything else contrary to physical law.**

“You have quite a task ahead. As I have said to you previously, what you will be doing will contradict seminary teaching, just as what I did contradicted the teaching of the rabbis.

“But the good news is, after I clear the way for you to enter a few churches, the flood gates will open.

“You and the twelve are My barrier breakers.

“If anyone desires to come after Me, let him deny himself, and take up his cross daily, and follow Me.” Luke 9:23. The purpose of the cross is death and each believer has one. Until a believer dies to self, he is unavailable to the Lord. One dead to self may not be offended. But one given to the Lord will become offensive to others as he is obedient.

Each of you, in your own environment, will be doing the same thing in principle that I did, with the cross before Me every day.

“So patience, My son. I can see the victory ahead.”

Sunday, June 5, 2011

“Yes, this is a new day. Remember, I said, ‘Do not forget to ask.’ Many of My children go without because they do not ask Me.

“In some cases, they do get around to asking Me, but only after everything else and everyone else fails to provide the needed answer.

“So, the first step is consecration to discover relationship. One must know that I *am* in order to discover that relationship. Most of My people believe that I *was*. They believe that I *was* with Adam – that I *was* with Noah. They believe that I *was* with Abram, Moses and the prophets.

“They believe that I *was* with Jesus and with Paul and the others who wrote the New Testament. But all of that occurred hundreds – some even thousands – of years ago.

“For that reason My people believe today that I am not the Great *I am* but instead that I am the Great *I was*. *I am* is eternal present tense but *I was* is always past tense. Some have even ventured into the *I never was* or into the *I never will* areas. What a waste of the cross!

“My son, teach My people that I, Jehovah God, am a very personal God. That occurred in Adam, for he was God Incarnate before he sinned, just as Jesus became God Incarnate after John’s baptism.

“When one becomes God Incarnate, that means all the fulness of the Godhead *bodily* resides as a spirit within that individual. That is the ultimate spiritual growth in this rapture generation.

“In order to mature from *I was* to *God Incarnate*, one must discover the *I am*. That begins with consecration. As one becomes consecrated to Me, he then matures from *I was* to *I am*.

“After one experiences the *I am* of Myself for a sufficient period of time, he is ready for the next step – the Listening Method of spiritual maturity. Then as one learns to listen daily and remains obedient, faithful and trustworthy, each day he takes the time to hear words from My mouth, he will grow spiritually by the power of My spoken rhema words.

“The way I created the earth, the sun, moon, the stars and everything that lives on planet earth, was by speaking words from My mouth.

“Words that come from My mouth are always creative. When one learns to listen to Me daily and remains faithful, obedient and trustworthy, by no effort of his own, he slowly but surely, will be transformed once again into Our image – into Our likeness.

“Every word that one hears from Me removes a small part of the dross from his life (*by the washing of water with the word*⁷) while simultaneously certain attributes of Myself are imparted to him to fill the void.

“In that manner alone, and in that way alone, may one become transformed or changed from one degree of glory to another to become God Incarnate.

“That is My goal for man in the remaining years of this rapture generation. And that method of spiritual growth is available to every believer today.

“From *I was* to *I am*.

“From *I am* to *consecration*.

“From *consecration* to *relationship*.

“From *relationship* to *the reality of My presence*.

“From *the reality of My presence* to *the Listening Method*.

“From *the Listening Method* to *God Incarnate*.

“Admittedly, that is a brief outline, but it is real and it is available to every believer today in this rapture generation.

“I have said it to you this day and I will bring it to pass in My people as I have outlined it to you this day.

“Proclaim it, My son, for all to hear, for it is My special truth for today, says the Lord of hosts to you this morning.

“My precious thirteen new apostles will be able to demonstrate this to My poor church and to My precious prodigals and to My lost world.

“Many will listen and hear to be gloriously sozo saved, as never before in large numbers, for multitudes will hear and believe when signs, wonders and miracles, confirm My message through My special thirteen, who will go forth as God Incarnate, with more

⁷“ the washing of water with the word” is from Ephesians 5:26, wherein “word” there is ***rhema***, not logos, or the spoken, not the written word of God.

authority to defeat the enemy than has been demonstrated on the earth previously, says God to you this morning.

“Proclaim this message from the house tops, My son, for *this is My mandate to you this day.*”

Monday, June 6, 2011

“My son, I know it’s been a long time since We started out, but remember I knew that from the beginning.

You will have enough to do between now and the time of your release, so just try and sit steady in the boat. I will continue to reveal to you enough additional revelation to keep you interested and occupied with your (Our) writing.

“Your writing is very important to Me.

I have said it to you many times, but again, no one else has been or is being given the revelational information you are being given as My herald of this rapture generation.

“So continue to write. Your time draws nigh.

“And what you write will find a vast market world-wide. So there. Your writing skills are important to Me.

“Choose a letter to publish for June and I will honor your decision. Because you wrote letters in advance believing you would be released by now, most everything you have written will contain revelation that needs signs, wonders and miracles as confirmation to become authenticated.

“But you have already done this before, so proceed and I’ll approve what you choose. That’s how much confidence I now have in you.

“You are making a ‘believer’ out of (name omitted).

“My son, the idea that someone could actually have a personal relationship with Me such as you and the twelve have, is so outlandish, it is unthinkable. You heard (name omitted) say as much recently.

“But remember, men such as (name omitted)⁸ have much to share that is beneficial in the kingdom, so be patient with him and them. They will be your friends once I endorse you to them which I shall do.

“Remember, it is for the common good that I will come forth victorious against Our common foe. My kingdom is about giving. His kingdom is about

getting. One is limited, the other is unlimited. One leads to destruction, the other leads to life. One appears to be more attractive until it is experienced. The other appears to be less attractive until it is experienced. My way is always best but not always the more attractive to one engrossed in self. That's the difference.

"One must be dead to self to 'see' My way, whereas, one must be alive to self to see and to become a part of the enemy's kingdom.

"Your idea about your June letter will work.

"I realize your letters prepared for release for the next year were prepared assuming you would be released by now. However, they are all good writing. Work through them until you see past September, then you may freely release what I have given you. In the meantime, do the best you can with July, August and September and I'll accept your decisions.

"You might read through the Gospels again now that you better understand your role when you are released – particularly, My personal activities. You will have opportunities and responses that I had, but with unlimited capability to defeat the enemy that I did not have.

"That's one of the most important opportunities you will have. Unlimited opportunities to defeat the enemy will draw support to you in unprecedented numbers – even more than I had.

"I will help you with your responses, for there will be many. You must remember that no one like you and the twelve have ever been seen before.

"Think for a moment – unlimited authority to defeat the enemy plus the fact that you will even be unique among the twelve, will make you stand out as no apostle/prophet has before you.

"You will need My guidance in a different way than the other twelve due to the wide diversification of your activities.

"Your RTD in particular, will draw much attention. But I will help you with all of these staff additions and staff decisions.

"As I have said to you previously, you are going to be quite a package!"

"Your prayers for Dale were accurate. Now the solution lies within her provided she will become

obedient to what I say to her.

"Let Me emphasize one thing. As you have discovered, most believers think God is mute because of a misunderstanding of Romans 10:17.⁹ The way this is demonstrated is the way believers deal with illness or other problems. Many times the last one to be consulted is God.

"Until that is reversed successfully, My people will continue to perish unnecessarily. That's how shrewd the enemy is. He is so intelligent and shrewd, he is the ruler of this world.¹⁰

"My son, My people need to know who Satan is and how he rules the world in order to understand the importance of the bible.¹¹

"And John G. Lake was (is) right. You may use his outline in writing or in teaching – it is good because it is truth."¹²

⁹" faith comes by hearing and hearing by the **word (rhema)** of God." Hearing words from the mouth of God will produce faith, about which I have written for years. The **rhema** given to an individual is much more convincing than the **logos** written in the bible that was given to someone else a few hundred years ago or a few thousand years ago. Rhema from the mouth of God prompts faith and eliminates doubt. Sarai and Eve are eternal examples of this truth. Abram got the rhema; Sarai got the logos. Adam got the rhema; Eve got the logos. Both men heeded the voice of their wives which does not excuse the men, but notice that the doubt originated with both women who got the logos.

¹⁰See John 12:31; 14:30; 16:10

¹¹Since I have written on this previously, this one statement describes the way Satan rules this world: **Satan's weapon of choice is self, the self that must be denied to serve our Lord.** Through self, Satan tempts one with lust of the flesh, lust of the eyes and the pride of life.

¹²Very briefly, sin and illness may enter through the same door. The thought of sin or of illness may enter the mind and if we accept and confess the sin or the illness, we will have what we say, since confession may precede possession in the kingdom. Death and life are in the power of the tongue. John G. Lake's presentation included many scriptures in convincing support of his sermon on this topic.
