Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Monday, June 13, 2011

"Yes, My son, as you read through your notebook number 16, you will find nuggets – nuggets that I point out to you by My Spirit.

"You do have time but use it wisely as I put on your mind what is on My mind for you.¹

"Just go through the day and later this week I have another surprise for you. The one I gave you yesterday is an example of additional fine tuning for the future.

"We are on time and within My plan for your life and apostleship. Your time is near."

Tuesday, June 14, 2011

"My son, when you are concerned about My timing of your release, talk to Me about that. That's why I am here.

"The reason you need to talk to Me first is because I have the answer. If you will ask Me first, that releases you of the responsibility. As you do so, it frees your mind to focus on Me instead of the problem.

"My son, I am the problem solver in Our relationship – remember? If you don't know, ask Me, and learn to listen. You have not because you ask not – remember?

"On those two scriptures, one in the bible, the other I have given to you personally, hangs all the issues of life – that's all of the issues of life!"²

"Isn't that simple?"

"My son, do not hesitate to ask Me about

¹The way God speaks to me (and wants to speak to you) today is in or with light, delicate, inaudible *thoughts* that may be easily ignored. That's why hearing His voice in this rapture generation is a learned procedure, not a gifted one or not something one is called by God to do. This is available to every believer today and that's why it's interesting and exciting to be alive today!

²Notice that God defines scripture as words written in the bible and words from Him that I have written in my journal. Scripture is not confined to words written in the bible. **When God speaks, that is scripture and that is why I have said many times, when you hear the voice of God, record it in your journal.**

anything that concerns you. If it concerns you, it concerns Me, but you need to ask Me first so I may then provide the answer. *Then I will get the glory.*

"So long as I get the glory, pride may not enter. That's one purpose of asking. That's really the purpose of life and the way to crucify self that I may live in you and direct your life.

"Even though I said, if I wanted you to pray, I would tell you, that does not preclude your asking Me about **ANYTHING** or about **EVERYTHING** you need answers for. That's one reason I am here – remember?

"1. You have not because you ask not.

"2. Ask and it will be given, seek and you will find, etc.

"3. If you don't know, ask Me and learn to listen.

"All of this has to do with denying self and relying on Me.

"Deny and rely are two key words in the kingdom.

"Only as you deny self and rely on Me, may you enter the kingdom and assist Me with My work. My son, the kingdom is all about Me. A way to know you are in the kingdom is when I am in control of your life as you deny self in **EVERYTHING** and rely on Me for **EVERYTHING**. **The exchange must take place for kingdom living**

"My son, this is a way of life for My people in this rapture generation. Teach it. Proclaim it to the housetops, for it is My desire for My people for this time.

"When you deny your self and rely on Me, I am in charge. But remember, implied in that statement are the three statements outlined above."

("Sleep Kentucky Babe" song lyrics on my mind upon awakening.)

"You may put your house on the market and I will handle the sale. I know Dale needs relief and that is coming. But you may proceed as I have suggested and I will see to the details.

“So continue to go through your number 16 notebook for encouragement.

“I have something for you by the end of the week as promised. You have completed the necessary training, so the rest is left up to Me.

“We’re almost there. Hang in there with Me.

(“*Sleep Kentucky Babe*” song lyrics on my mind here.)

“Yes, you have My word on this. If because of Dales’s condition you put the house on the market, I will see to it that it will not sell until I am ready for your next move into the house that will be an oasis for those who hunger and thirst for righteousness.³

“And again, I say unto you, when I infuse you with all the fullness of the Godhead bodily, I, within you, will direct all of your ministry activities, so you may dismiss that from your mind.

“Remember your letter number 93 and the twelve statements Jesus made? All of His activities were directed by Me, the Father.

“So indeed, will it be for you.

“My son, I have not forgotten you. Patience with Me.

“Remember, you and the twelve will be living, walking, talking, physical Temples of the living God. Solomon’s Temple was where I dwelled – it was where I met a priest once a year to renew My vows to Israel.

“My son, you will be the transformation of the physical Temple into the living, spiritual Temple of God. I, Myself, Jehovah God, will literally reside within your physical body so that I, Jehovah God, in you, may mix and mingle with common man to show him who I am.

“No one has previously had that blessing on the reconstructed earth as you thirteen will have.

“Jesus was filled with similar equipment, but He was restricted in His activities as you know. You and the twelve will **ALL** be living Temples of Jehovah God to show both the world **AND** the church who I am.

“And, My son, the church needs to know of My mistakes. You and the twelve are to tell them. Until you are infused with all the fulness of the Godhead bodily, no one will believe you. But when you are able

³This is evidence that a man may not please both God and his wife 24/7. It is literally impossible. **That is the reason for celibacy.** Three men who found that out are Abram, Adam and Jim. This is not to demean nor criticize marriage, for the scripture confirms otherwise, but to emphasize bible truth.

to teach that so My people will know who I am, you will have signs, wonders and miracles to confirm your teaching.

“You must realize that **NO ONE** like you and the twelve has existed on My reconstructed earth. So realize what you have been prepared for.

“Just proceed as I have suggested and **EVERYTHING** will work out as I have outlined.”

(“*Sleep Kentucky Babe*” song lyrics on my mind again.⁴)

Thursday, June 16, 2011

“Try and have patience with Me. You may realize that I have a few more things to contend with than you have.⁵

“Remember the time I spent with Choo Nam Thomas? It took Me a long time to prepare her for her ministry – and that, My son, is still on-going – and remember, she is only one person.

“What I am doing is preparing a single unit (thirteen) of warfare against the enemy with multiples of possibilities with each increase of from one number to the next.

In addition to that, consider the areas into which I shall release (or deposit) each of you, and you begin to see My dilemma.

“You need have no concern over yourself. You know the definition of sin and of righteousness and you are now cleansed as was Jesus, from conception in your mother’s womb.

“That, among a few other things you have been taught in My preparation, makes you a ‘package’ unlike any other.

“Remember the teaching about Jesus. He was born without the Adamic sin curse or sin nature because He was conceived with My Spirit instead of with the sperm of man. You, My son, have now been conceived with My Spirit just as was Jesus, for it was My Spirit who led you through the nine-step forgiveness prayer **beginning** with **your** conception.

“You see, since I am Jehovah God, I may accomplish My objective concurrently in time or retrospectively, both by the power of My Spirit.

⁴God ministers and prophesies to me with song lyrics and has done that for more than forty years. God is not limited to the bible in His ministry. Break out of the mold that says unless it’s in the bible, it isn’t of God. Learn to listen.

⁵God has a sense of humor!

“That, My son, is why both the church **AND** the world will neither accept nor understand the things I have taught you **AND** brought you through, until I release you empowered with all the fullness of the Godhead bodily.

“Remember, “the Godhead “**bodily**” means the spiritual *bodies* of each Person of the Godhead will reside within you permanently.

“With Jesus, that was not so. There was a period of time when I withdrew Myself bodily from Him on the cross until His death, at which time I reentered the soul of Jesus for three days and three nights prior to reentering His body again, while simultaneously restoring His body to the resurrected spiritual status permanently.

“So you see, with you and the twelve, once I enter each of you in the fullness of the Godhead bodily, that is a permanent arrangement.

“What you will experience at the Rapture is what Jesus experienced, when, after the three days and three nights His body was in the tomb, I reentered His dead body, while I simultaneously and instantaneously transformed His dead physical body into a spiritual body, who was resurrected into His eternal existence.

“That’s what you are in for, except your infilling will not experience an intermittent withdrawal for three days and three nights, as experienced by Jesus.

“So you thirteen will **ALL** be unique within your own calling and election.

“Remember that Jesus made all of this possible at the cross. He did that for each one of the special thirteen; otherwise **each of you** would have had to go through your own cross/death experience to accomplish **YOUR** calling and election.

“Try and comprehend what that means. You thirteen owe **EVERYTHING** to the Lord Jesus.

“Jesus prepared the way and paid for the fluid, seamless, effortless transitional adjustment of each of the thirteen as you are filled with all the fullness of the Godhead bodily, upon your release.

“My son, that is why each of you will be revered more than was Jesus. Each of you will be a living, walking, talking Temple of God, released among those of the world and those of the church to establish a reformation that has **NEVER** been previously experienced by anyone, including Enoch, Elijah and Jesus.

“You have known this for a while, but I have

said these things to you once again to try and impress you with the importance of your calling and election – that, I might add – is without repentance or is literally irrevocable!

“Your letter number 117 requirements sealed your future **forever!**⁶

“Try and let all of this soak in. You, My son, are unique among the other twelve, all of whom are unique.

“And I am working with Dale. Leave her to Me.

“Do as you choose about pleasing her concerning putting your house on the market. I will do the rest, for I have already formulated to the most minute detail, your ‘coming out party.’ You will like what I have planned!

“My son, remember your ‘guinea pig’ offer to Me early that morning in your breakfast room? That is exactly what you are. You are an original ‘one of a kind’ never to ever be duplicated again, just as was Jesus. As a matter of fact, each of the other twelve are all originals, but since you are unique among them, you are a unique ‘one of a kind’ among the other special twelve.

“Welcome home! We have waited long for you as well as for the other twelve.

“There is not a way for you or the other twelve to understand the importance of your choosing until (1) you are released, (2) you are raptured and (3) our return at the Armageddon insurrection.

“Each of those transitional experiences will give you insight into your calling and election. As Andrew Wommack says, ‘that is powerful.’”

Friday, June 17, 2011

“My son, leave those two to Me (two members of my family). I have plans for them and their family that you know not of but you will be a part of.

“You did what you thought was right. Now leave the rest to Me.

“Just continue one day at a time for the end and the new beginning are both now in sight.

“I am blessing Dale – dealing with her, so also leave her to Me.

“That just leaves the two of us, for therein must

⁶Letter number 117 defines the Six Measure Standard that was used to train Jesus and the thirteen new God Incarnate apostles. God has said to me that the sixth measure in that list is inclusive of a vow of celibacy.

your focus be.⁷

“Did I not say as My words to you diminish, that was the sign of your eminent release? So stand by. We’re almost there.

“What I have brought you through – what I have taught you – precludes interference of any nature on your part. So leave that to Me.

“As you say, the ball, therefore, is in My court and I am an excellent ball handler.”

Saturday, June 18, 2011

“However, when He, the Spirit of truth, has come, He will guide you into all truth; for He will not speak ***on His own authority***, but whatever He hears He will speak; and He will tell you of things to come.”⁸

“Yes, My son, Holy Spirit baptism is but an introduction to, or a ‘down-payment on,’ or a preparation for, the entry of the other two Persons of the Godhead into your physical body.

“Holy Spirit baptism is step three in spiritual maturity. That prepares the way for God, the Father and God, the Son to join the third Person of the Godhead.

“When Paul wrote that in Jesus dwells all the fullness of the godhead bodily, this means that the complete body of the Godhead (*the three Persons*) dwelt within His physical body. The *word* or the *term* ‘bodily’ means the complete Trinity (*as three Persons*) indwelt Jesus, whereas Holy Spirit baptism means the entry of only one Person of the Godhead.

“In John 16:13, Jesus said that the Spirit has no authority of His own, but speaks whatever He hears. And what the Spirit hears is what God, the Father and God, the Son speak.

“Since God the Father and God the Son are in one accord, they both speak as one Person who is the Father.

“When the thirteen are released, each one will have been baptized with the Holy Spirit so that the third Person of the Godhead will be within each of the twelve. As they are released, God, the Father and God, the Son, will enter the physical body of each one, so that the three Persons of the Godhead will reside within each one of the special thirteen.

“In Colossians 2:9, the word ‘bodily’ means all

three Persons of the Trinity resided within Jesus.

“When one is baptized with the Holy Spirit, as God, the Father (in one accord with the Son) speaks to the Spirit, miracles occur, because the authority is vested in the Father and the Son, who speak as One.

“When the special thirteen are released, the only thing that will happen is that the Father and the Son as two Persons will enter the physical body of each of the thirteen so that the complete body of the Trinity (or of the Godhead) as three Persons will indwell each one. This means that the complete body of the Godhead will indwell each one of the special thirteen at their release.

“At that time, because of the previous training of the special thirteen, each one will be directed by the Father, just as was Jesus in His visible ministry.

“Therefore, since the complete body of the Godhead will indwell each of the special thirteen, they (the thirteen) will no longer pray because God does not pray to God. Each one of the special thirteen will therefore simply speak into existence whatever is said.

“As each one then speaks, as directed by the Father, those words that come forth from the mouth of the apostle will create the end result or the miracle.

“And that, My son, is the meaning of the word ‘bodily’ in Colossians 2:9.

“The word ‘bodily’ refers to the complete body of the Godhead, not just the Spirit as a Person that occurs in Holy Spirit baptism.

“Each one of the special thirteen will have arrived at their time of release by faith, which means they were taught by God to listen. Thus, as they set aside quiet time with God daily, they became obedient, faithful and trustworthy within the framework of the words they heard from the mouth of God.

“Therefore, the special thirteen will simply continue to listen to the complete body of God within them and be obedient to what they hear, just as they have been doing in their training.

“The only difference is, at their release, the Father (and the Son) will continue to speak to them, but as each one then speaks, he will be speaking what he hears the Father say and the miracle will be created.

“When a triune God indwells a triune body of man, they become one and continue as one so long as man is obedient. In that manner, both God and man are fulfilled.

“But the moment man becomes disobedient, the Godhead leaves him to Satan.

⁷Anything that distracts your focus from God to self is of the enemy and is his way to secure victory.

⁸John 16:13

“This is what man of Earth One as well as Eve and Adam on Earth Two, gave up when they became disobedient.

“My son, I have known this all along. That is why My heart grieves so over the ones Satan will take right into the lake of fire. But I have spoken and My words may not be rescinded, as you know. **Therefore, you and the twelve may help Me to issue a warning to return to Me now, while there is still time.**

“And yes, to your heart’s content, you will be able to minister to those who have been taken advantage of by Satan. The reason for that is that you and I are now One.

“Therefore, your heart and Mine are one. This means that your desires and Mine will be the same.

“And, My precious son, thank you for believing in Me and My call on your life. Your obedience, faithfulness and trustworthiness bless Me for which I am grateful.

“Now, doesn’t that make John 16:13 clear in your mind? And again, isn’t it simple when seen by revelation?

“In conclusion, **the authority figure of the Godhead** will join with the Spirit as a Person in each of the thirteen as they are released.

“Thus, each one will become God inclosed or incased in human flesh as God Incarnate.

“This is as Jesus was, but since the second Person of the Godhead now has more authority than the second Person of the Godhead (the Word) in Jesus during His visible ministry, each of the special thirteen will have greater authority than Jesus had in His ministry.

“And yes, this is the surprise I promised you.

“By listening to Me, man may accomplish much more then he can by talking to Me.

“That’s why man’s Sabbath rest is so important to both man **AND** Myself in the few remaining years of this rapture generation.

“When man learns to listen to Me daily, I can then meet ***all of his needs***, not just the ones he is concerned about!

“I can do more for man than man can do for himself. That is the contrast between the Pentecost Method and the Listening Method. Isn’t that simple?

“My son, offer this new wine to My precious prodigals and also to My poor church.

“Once I open the doors of a few of My churches

to you and the twelve, your ministries will mushroom to unbelievable proportions.

“You will be so much in demand, your life will need to be completely controlled by Me so as to make the most of in the short time available.

“But when I enter you at your release, I will conform you to Me in such a way so that **EVERYTHING** you do will be without stress and will be accomplished with grace and ease of the Godhead.

“Remember, I will only be using your body as an expediency for the remaining time prior to the Rapture. In that manner, common man will become acquainted with me – with who I really am. And I have longed for that for more time than you may conceive of, until you are brought to the third heaven at the Rapture. And that time, My son, will be a reunion you will remember and cherish.

“I have planned a party for you, for the other twelve and for those you have ministered to, after the Rapture. And you, My son, will be at My right side for that event.

“So rest easy. You will not delay – you have not delayed – your release and that shall not occur. We have come too far together for that to occur now. Time is too short to do otherwise.

“During the training of the special thirteen, God the Father and Christ, the Son, speaking in one accord, have trained each of you as you listened to Our voice daily and became obedient, faithful and trustworthy.

“At your release, you will do the same thing, except the complete Godhead will reside **within each of you**

“Before their release, each special apostle in training listened to and became obedient to the voice of God **outside** of his physical body. After their release, each apostle will listen to and become obedient to the voice of God **within** his physical body.

“In the first case, one has a relationship with God.

“In the second case, one becomes God.”

Friday, August 9, 2013

“Remember, I said that I would send another comforter which means the other comforter would be like Me. While on the earth in My visible ministry, I was the Comforter with no authority of My own, but I simply spoke and did what the Father said and instructed Me to do.

“Remember also that I, as the original Comforter, was a Person on the earth for that purpose. I came to comfort those who believed in and who followed Me to comfort them against the discomfort of the enemy.

“The enemy discomforts you.

“I comfort you.

“Remember also that the work of the other comforter was observed by Jews from every nation under heaven one Pentecost morning in Jerusalem about two thousand years ago. He came as a Person to comfort about one hundred and twenty of My disciples and literally entered their bodies as a Person, to allow them to speak with other tongues as the Spirit gave them utterance, through instructions from the Father Himself.

“The one hundred and twenty were baptized with the Holy Spirit to begin the church age.

“The work of the Holy Spirit and the Person of the Holy Spirit may be two different things.

“Since the residence of the Holy Spirit is now on the earth, He is everywhere on the earth as the need arises. When one’s heart is ready, that one may be born again as a work of the Holy Spirit, but that is not Holy Spirit baptism.

“One either through hunger and desire or by specific request today may be baptized with the Holy Spirit. When one is baptized with the Holy Spirit, the Person of the Holy Spirit comes to indwell that one’s physical body.

“Holy Spirit baptism is but a down-payment in preparation for the other two Persons of the Godhead to enter into or to indwell one’s physical body.

“The Person of the Holy Spirit comes to indwell a human vessel to begin the cleansing process in preparation for the entry of the other two Persons of the Godhead.

“The Holy Spirit as a Person may enter an unclean body to begin the cleansing process by the washing of water with the word (rhema). Then as that individual, indwelt by the Person of the Holy Spirit, progresses into the Listening Method 24/7 and is led to pray the nine-point cleansing prayer back to conception in the womb, that one is cleansed so as to be ready for the next step. As that one remains obedient, faithful and trustworthy by listening to the words of God daily, he may then become a candidate for God Incarnation.

“My son, it’s really that simple when seen by revelation, isn’t it?

“Salvation, rebirth, Holy Spirit baptism, the Listening Method and God Incarnation are the five stages of spiritual growth in the remaining days of this rapture generation.

“Teach this, My son. It is My truth for today for this is My mandate to you this morning.

“Because of what happened to Dale last night or at about four AM this morning, know that I am in this with you and that you may depend on Me to do **EVERYTHING** best for both of you and in the common good of you both.”

Sunday, June 19, 2011

“My son, you are nearer to your release now than ever before, not with reference to time necessarily, but with reference to your being ready for My release.

“You and Dale are now on My page. That makes three of Us and a three-fold cord may not be easily broken.

“You now also know some specifics of your release with an understanding of John 16:13. That revelation is important.

“The reason it is important is because it outlines a principle of My dealing with man.

“The Holy Spirit has no authority of His own. He never has had authority. The authority is vested in the Father. But since the Father and the second Person of the Trinity are of one accord, the Father speaks for both to direct the Holy Spirit on what He does.

“Remember, however, it was the Father Himself, who directed Jesus in all of His activities. It was also the Father who directed all of the spiritual activities of Jesus while His body was in the tomb.

“It was the Father who directed the Spirit to resurrect Jesus from the tomb. So realize that it is the Father’s good pleasure to give you the Spirit and to lead you and guide you through the day – every day.

“So you have learned a valuable principle from John 16:13. That verse outlines Our method of operation and therefore it is important.

“So you two are on My page, which is the last thing necessary between you two prior to your release. Dale also now has better understanding of your ministry – a better understanding of your release than she has understood previously.

“So the time is nearer now than ever before.

“And remember, you have done your part.

“Your ministry, after your release, will be similar to your life with Me before your release. The main difference is that after your release, the Godhead bodily will reside **within** you. Prior to your release, the Spirit as a Person was in you but God, the father and God, the Son directed you, although they were not **within** your physical body.

“Prior to your release, all of Our instructions originated **outside** of your physical body. After your release, all of Us (the Godhead bodily), will literally reside **within** you as a permanent arrangement.

“For that reason, you will be greater equipped for ministry than Jesus was, because Jesus is now the second Person of the Trinity.

“John 16:13 is a power-packed verse.

“The Spirit, My son, cannot have any authority of His own for that would disassociate Him from the Father and the Son. For that reason, the Father and the Son, acting in one accord, direct the Spirit in all of His activities. It’s just that simple when seen by revelation.

“Just enjoy the day with part of your family I have given you.

“Remember, one great benefit of Our being in you in bodily form is that **EVERYTHING** you say and do thereafter, will be of Devine origin and will therefore be perfect and perfected by an act of Myself, the Godhead. Or said another way, henceforth, you will be directed in all you say and do by Jehovah God, the Father , just as was Jesus.

“There is a great difference in being directed by God and becoming God. When you become Me, *you will conform to Myself*, and remember, I am perfect and without flaw.

“That will be the new and interesting thing for you to experience **AFTER** your release. Remember, however, that the transition period will be short, fluid, seamless and effortless on your part. You have been trained for that and the new ‘coat’ will be ‘just a fit.’

“There is a great difference in representing Me (God) and becoming me (God). But you will enjoy the new frame of reference. For once, you will become that for which I have longed for a longer period of time than you care to know.

“You, My son, and the twelve, will be an original **EVENT** in **MY LIFE**. That’s what makes your release important, unusual **AND** unique in the annals of time.”

Monday, June 20, 2011 at 1:30 PM

“Did I not say, ‘I am working with Dale?’ Now you know. I needed you two together before I could release you. This is just another barrier to your release that I have removed.

“Remember, I said you were ready and that I had taught you sufficiently prior to your release.

“So now, both of you have completed your assigned activities prior to your release.

“While it was essential for Dale to be ready, her ministry will hinge – will revolve around yours. You will have multiple ministries as you know. And your ministries will not be as confining as you have been led to believe.

“When you are released, all of your time will be Mine, but I have allowed for some time of your own **WITHIN** that allocation. I know that does not fit your understanding, but it fits My plan for you both.

“So stand by. Both of your are now ready for your release. Now the rest of the time – the timing of your release – is **ENTIRELY** left up to Me, since I have dealt with both of you completely within My framework of planning.

“This way, My son, your wife may be cognizant of, and will also participate in your release. That makes it a ‘family affair’ instead of a solo affair. Leave to Me the rest, for I have it all planned out.

“Don’t try and figure it out on your own. It won’t work. That way, it’s all by faith. In that manner, I take **EVERYTHING** out of your hands and place it in Mine.

“And yes, it would be good for you to write on the scriptures that support the Listening Method. That is important.

“My son, I will bring some people out of the woodwork to join you as staff support. They will be those I have prepared for you.

(Here I reviewed my 24-hour day before the Lord and His response was:)

“Yes, I approve. Now, go in peace.”

Tuesday, June 21, 2011

“Yes, My son, now both you and Dale have accomplished everything on My starting page.

“And yes, I have changed My mind on Dale’s assignment in your life, but only temporarily. As this unfolds, you will see the reason why.

“Just attend to the things on your desk and then you will be ready.

“And yes, you will want to revise your Spiritual Warfare Manual before releasing it. That publication is more important than you think because you wrote it – that is, you experienced many of the specifics about which you wrote.

“This means that Manual will be a practical ‘how to’ publication proven on the field of battle by experience. That’s why it will be useful and even more so than ‘Pigs in the Parlor,’ for example.⁹ That is My classic book on deliverance. Through your experience, your SWM takes the next step into the simple, practical use of that book through thirteen or fourteen example-guides that believers may use by faith.

“And yes, as you join (hands) with your wife, then is when the example of her submission to you and your submission to Me is demonstrated into practical, every-day reality.

“And yes, when you come together that way, you are joined to Me spiritually just as when you come together sexually you are joined together physically.

“Remember, it is always the physical first, then the spiritual, which is demonstrated throughout the bible. The physical Adam was first, the Spiritual Adam was second. Ishmael was before Isaac.

“In like manner, when man and woman come together physically in marriage, that physical union should precede the spiritual union. That’s the way it was after Lucifer sinned.

“Before Lucifer sinned, it was not that way. The pre-Adamic earth, including man and everything thereon, was created perfectly and without flaw. Only after Lucifer entered into sin was I forced to provide that entry to Me would need to come through the flesh of man.

“This gives you some additional insight into what I had to do to recover My losses experienced on Earth One.

“I had created Lucifer, his angels and the earth

⁹“Pigs In The Parlor” is the classic book on deliverance written by Frank and Ida Mae Hammond and first published in 1973 with many additional printings. Frank Hammond was a Baptist pastor who discovered Holy Spirit baptism whom God lead into the deliverance ministry. I used this text as a model for deliverance ministry until 1999 when Dale and I went to a school on healing and deliverance conducted by Dr. Jerry A. King at Covenant Church in Dallas, Texas, after which we used the model developed by Dr. King.

(including man) over which he reigned to such a state of perfection, Lucifer thought he could steal everything I had created in perfect order, for himself.

“The thing he did not foresee was that once he rebelled against Me, even in his perfection, he would begin to self-destruct into evil too horrible to imagine.

“That, of course, spilled over into man, who was made to worship Me, (like Lucifer) in order to fulfill both himself and Myself, as well. But the moment man rebelled against Me and turned to self, he (mankind) would also self-destruct into things too terrible to imagine.

“So there you have in synoptic overview, what I was presented with at Lucifer’s failure.

“I had never experienced nor even anticipated Lucifer’s failure. Hence, I was totally unprepared for his failure.

“Of course, his failure translated into My failure, for I created him in My (Our) image to govern My perfect earth for eternity.

“Initially, My anger and My grief knew no boundaries. But eventually, I came to Myself and realized that I was the only One who could correct My mistakes.

“Then, as the way to correct My mistakes in Lucifer began to unfold in My mind, the additional grief over the cost in lost souls of men, was almost overwhelming to me **AGAIN**.

“But the only way I could redeem Myself and My mistakes was to create another earth *in time*, so Satan could overcome My perfect creation again, in order to bring forth another Man to correct My mistakes.

“And because of man’s weakness and vulnerability to Satan, I knew many, many souls would be condemned to Satan’s hell, but there was no other way to solve the problem, for through man Satan took over the earth; through man, therefore, the earth would need to be recovered. That was decreed when I created the first earth and its rulers.

“So there you have again, in synoptic overview, My dilemma when Lucifer rebelled against Me.

“But again, realize how you and the twelve have blessed Me by My having confidence in you so that I have felt comfortable in confessing to you My weakness, My mistakes, all of which were made

because of My desire to bless My creation.

“Because of My failure in Lucifer, I must test an individual through the five steps of spiritual maturity, so as to prove his obedience, faithfulness and trustworthiness, before I feel free to share with him My weaknesses. That’s why you and the special twelve are so special to Me. I feel free to ‘be Myself’ with you. Only as your earthly cloak is removed may I reveal to you how you have blessed Me therein.

“Your marriage now meets My criteria for your release. So stand by.

“When you come together spiritually, connected as man and wife, I am always the invisible third in that spiritual union, **for when two or three are gathered together in My name, there am I in the midst of them. That’s EVERY TIME, My son.**¹⁰

“But remember, the purpose is to honor Me as your head and for the wife to honor Me as her head, through submission to her husband. That’s the line of authority and that’s the line of the blessing. Such a home will *always* be blessed. **See that you teach that, My son, but be careful to delineate the line of spiritual authority is to honor Me – not the husband or the wife, but to honor Me.**

“When the two of you come together to honor Me, there am I in the midst of you *every time*.”

“Yes, I have said to you, now both of you are on My page and are ready to be released in so far as your requirements are concerned.

“Now the rest is up to Me.

“Both of you will be cognizant of your release. While your ministries will be the focal point of your activities, Dale will have a ministry.

“Let not that be something that either of you originates, for I am the Originator.

“Both of you now be about what I have told you to do and that will allow Me to plan the timing of your release.

“You will enjoy what I have planned.

¹⁰Dale was instructed by the Lord for us to sit across from one another and hold hands and pray. Most every time we have done this, Dale is shown a vision of Jesus standing beside us with His right hand on my shoulder and His left hand on Dale’s shoulder confirming what the Lord said to me about coming together spiritually. The obvious conclusion is that whenever two or three are gathered in His name, He is there in the midst of them just as He said.

“You may grow tired of hearing this, but you, My son, are going to be a forerunner of the other twelve and have a unique time ahead of you.

“See to the things on your desk – that’s your part.

“Realize what you and the eleven will become. You will become God to those to whom you minister because all the fulness of the Godhead bodily will reside within you.

“You will adjust quickly to your new role, for I will be in you directing everything you do. You have your instructions – that is, to give God the glory as Jesus did. That’s all you need to know, for I will fill in the rest of the blanks, for you will experience with My guidance, everything you need to do – and it will be easily adjusted to.

“My son, when you take time to minister to someone, do not consider that as an unproductive day. That is one reason why I have trained you. Yesterday with Gene Bridges and the day before with Patty Farrar are good examples.

“Utilize those opportunities as they occur for those are seeds planted for harvest.

“Gene said he had read your letter number 139 at least eight times. That tells you how hungry he is and also that he is learning to be useful to Me in the final abundant harvest.

“And yes, you have done your part to be on My page for your release as has Dale. So bide your time and do what I put in front of you in this short period of waiting.”

“My son, the idea I have given you will make a good stand-alone piece or a good letter if you choose to format it as a letter.

“You need to remember, information I have given you as a writer is unique. That’s why your writing will be a sequel to the bible.

“No other writer has what I have given you. I know I have said that to you a number of times, but your writing is **very important** because of what I have taught you.

“So enjoy putting together this writing that you might entitle, FOUR WORLDS.

“No one, My son, literally, no one, has your knowledge as a writer. New revelation has become so

common-place with you, it has become mundane. Only in time will you realize what I have given you by revelation.

“After I release you, your writing will grow in demand. So prepare yourself for that. This will become a major source of income for you personally and will make you independently wealthy.

“So just enjoy today as you go forth as My herald of end-time events as no other man has been equipped! I, Myself, look forward to your writing, for you are the first writer, the first apostle-prophet to whom I have revealed My mistakes, My weaknesses, as a writer, to chronicle end-time events. That is quite a statement, My son. So enjoy what I have called you and what I have commissioned you to do.

“No one else has ever been selected to do what I have called you to do – ever. And that is quite an accomplishment, even for Me, My son.

“Your nine-step prayer on two levels will also make a good letter or writing topic.

“You will be able to look back over your life since Holy Spirit baptism and see My Devine guidance. My son, if you do something that will glorify Me, that thought originated with Me. That’s what I do. I plant thoughts in the mind of man that will glorify Me. In that manner, one is led by My Spirit, many times unknowingly.

“I have allowed you to perceive such thoughts so that you may tie that in with learning to listen to Me 24/7

“Just take the few remaining days one at a time, for your time is near.”

“Yes, My son, you are cleansed from your mothers womb and ready for My released authority. This does not mean you will not be tempted, but that you will overcome the temptation instead of being overcome by it.

“But it also means that you are cleansed from the Adamic sin-curse **AND** the Adamic sin-nature. You are now cleansed of all sin since your mother’s womb.

“That is the starting place for one to be filled with all the fullness of the Godhead bodily. So you are on track and on course.

“Stand by for the final act – My entering your physical body that both you and Dale will witness and participate in.

“And yes, the Four Worlds writing you are

working on will be a good one. Pursue it to conclusion and then the nine-step prayer and its two applications will also be good to write about.

“No one else, My son, has been given these thoughts who is My writer of a sequel to the bible.

“Write as you feel up to it. That will be sufficient. I will direct your writing and publishing after your release.”

“My son, you will never lose your desire to serve Me. That was determined long ago. When you feel that way, take some time off. It will do you good and act as a refreshment of your spirit.

“Go in peace – enjoy the day.

“You will have opportunity to minister prior to your release into ministry. Just take them as they come. Remember yesterday – Gene Bridges and Patty Farrar.

“I have not forgotten you. Continue with what I have put before you as I have instructed, for your time is near.

My prayer:

“My wonderful God, the Father of mankind and My precious Lord Jesus. I love you both more than words may express. What you have prepared for Me is so far beyond finite mind, it may not even be remotely portrayed except by revelation of the Holy Spirit – when you release me, conforming me to you in such a way that I will be able to have the physical strength and energy to respond to the desires of My heart.

“And the desire of My heart is to attack the enemy’s works with such fervor that I will be able to wreak total havoc in every area of his activity – to undo – to reverse and restore the evil he has done.

“Precious God, I look forward to ministering to your precious prodigals, for I will be able to see you in everyone of them.” (end of prayer)

The Lord then begins to speak to me:

“My son, welcome. While your love and devotion to Us is in the absolute, remember that you have even challenged Us. Twice (*now three times*) you have so challenged Us that We have had to revise Our plans upward for your life.

“The last time was when I went to the Father

for His approval of your being My chief of staff during the Millennium.

“No one has challenged Us as you have. You have caused Us to push the envelope.” Your position with Me beginning at the Armageddon insurrection is the result of your obedience and devotion to Us.

“My son, when you challenged the Challenger, you have arrived. Few have done that. None to the extent that you have, particularly since you will help close the 2000-year window of the church age.

“So your being here at this time caused Us to call you at ninety-one (*now ninety-three*) years of age to the most awesome tasks We have ever called anyone to. The seven ministries of your calling makes you unique among those We have called to major responsibility.

“So welcome home. You now know enough to see the end of your training and the true beginning of the greatest adventure of everyone We have called to major responsibility.

“But remember, We will be in you guiding you every step of the way. That’s what makes it so exciting for both you as well as Ourselves.

“Your excitement is but a reflection of Ours. Remember, We have planned this for more millennia than you care to think of.

“I will see to the excess weight when We release you conformed to Our perfection.

“Call Coye Nelson and Patty Farrar for encouragement.”

“My son, My people need to know who I am. The world needs to know who I am.

“Both the world and the church needs to know that to refuse My offer of salvation is to serve Satan.

“Believers need to know that as one learns to listen to Me 24/7 on a daily basis, that person slowly but surely will become God Incarnate, just as Adam was before sin.

“My son, the second world (Earth Two) was so contaminated by Adam’s sin that it required total destruction except for eight souls that became My foundation family for the Jews to bring forth a Messiah.

“Earth One – total destruction.

“Earth Two – total destruction by the flood.

“Earth Three – the cross.

“Earth Four – perfection for the second time in My new first eternal family and the other eleven God Incarnate apostles.

“One may become God Incarnate by learning to listen.”
