Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Wednesday, June 29, 2011

"Yes, My son, one baptized with the Holy Spirit is being prepared for ministry under the Pentecost Method which is the third measure of spiritual growth.

"But, as you know, when the Spirit of truth comes, He will have no authority of His own but will speak what He hears (John 16:13).

"What he hears and speaks is from God the Father and God the Son. But since they are of one accord, they speak as God the Father, for it is with His authority that the Spirit is directed.

"When you are filled or infused with all the fulness of the Godhead bodily, you will then have within you the three Persons of the Godhead. This means you will have within you the complete authority of the Godhead.

"Therefore, within you will be Jehovah God, who will be guiding and directing all of your ministry activities. Therefore, what you will hear from Him you will speak with His authority.

"For that reason, the end result you speak will occur to restore all of the evil the enemy has done to mankind on the earth.

"You will therefore, as there is need, bypass physical law that spiritual law might prevail. As the Father speaks, you will speak. As He directs you to act, so will you do.

"All of the directions of the Father will be directed against the enemy and what he has done.

"As you have surmised, the Godhead bodily within you will use your body and vocal cords to direct your activities and what you speak.

"For that reason, your body will be used as Our vehicle of expression just as demon powers use the body and vocal cords of one they possess to express themselves.

"The principle is the same. With Me, however, I do not possess an individual except with his complete acceptance and approval, whereas the enemy may possess an individual without his approval.

"The other difference is that I possess one to do

good and glorify Me, whereas the enemy possesses one to do evil and glorify the enemy.

"We are going to have fun and enjoy what lies ahead. You have been sufficiently taught now so that the transition will be relatively minor and without incident. As a matter of fact, your transition will be effortless, fluid and seamless.

"My son, We both will enjoy the transition. And the blessing for both you and Dale, is that she will witness and experience your transition make-over.

"My son, I continually say this to you, but only as a reminder: you are blessed among men of this rapture generation, by and among My precious prodigals at first; then by My church to awaken her from her lukewarmness.

"You will speak My life into My body in adultery. But to some degree, she will be provoked to jealousy by My precious prodigals. Many of them will leapfrog over the church believers into sozo salvation so as to impact the world first and then the church.

"So there before you lies your immediate future. The containment of Our joy, happiness and excitement is about to bubble over into you for which We have longed ever since the destruction of Earth One in My fierce anger.

"I am working with Dale. Leave her to Me.

"You two are ready.

"As We are prepared, your Day of the Lord will transpire.

"Your part is done."

"First, realize that you have plenty of time. Just relax as you go about what I have put on your heart. **A fifth world would be good to add to your four-world letter.**

"You now understand that you are where Jesus was before He was released into ministry, except you have a wife. So did Adam and he was God Incarnate until he sinned. Eve transgressed God's law but did not sin since she was deceived. Sin is an act of the heart done knowingly.

"God is not trying to trap you; he is trying to

save you. And He saves man with truth, not with deceit.

“Everyone who follows Satan into the lake of fire will do so only after **repeated opportunities** for salvation in Christ, *according to God’s conscience*. His conscience is His guide just as our conscience is our guide; otherwise the guilt burden would be transferred to God Himself instead of to one He is trying to save.

“The only way God is free of Satan’s grip is to satisfy His conscience by offering to everyone more than one opportunity for salvation until His conscience is freed of the guilt of the one who refuses His invitation.

“Yes, it would be good to write on ‘Crime in the Church.’ When a pastor preaches on salvation messages without offering an invitation to be saved, he commits a crime against the lost.

“Satan is responsible for all who are without Christ. He (Satan) is the one who introduced sin to the world. For that reason, everyone who follows Satan into the lake of fire will have multiple opportunities to be saved *according to God’s conscience*. This is the only way that God is freed from Satan’s grip.

“Satan’s mess he has made of God’s world is the source of God’s anguish and grief. Everyone who follows Satan into the lake of fire is one who was formed in the womb by God and is therefore a child of God in the beginning. But because of Satan’s sin, Adam became a victim of Satan.

“Therefore, everyone born of woman since Adam is a victim of Satan and consequently carries his mark as Adam’s sin curse and sin nature. **That is why an invitation should be offered at every church service.**”

“My son, as I have said to you previously, We are One. Your desires are My desires, so proceed accordingly.

“Do not get in a hurry to do what I have called you to do. There is plenty of time. As I have said to you previously, tired work does not avail.

“As you know, there is only one event left to accomplish in your life and that is your release. You know when you will be free or will be able to function in freedom, and that Dale will witness your release. **So**

your release will precede your freedom date for a short period of time. So We are on course.

“So between now and then, go about each day to do what I put on your heart to do. Do not be concerned about your lack of desire. I will take care of that between now and the date of your release.

“Feel free to have no accomplishment days. You need some of those – more of those than you have allowed yourself. Take those days as My days for you. You deserve them.

“As you proceed accordingly, your work (Our work) will be accomplished.

“Review your letters one by one as the time comes for the publication date is the best way to proceed with your letters.

“You know from experience with Gene Bridges that your writing is making an impact on more of your readers than you are aware of.

“When the time comes to publish your writing in book form, you will have time for fine tuning.

“Yes, it is alright for you to speak at the Full Gospel luncheon if you choose to do so. However, do not let that be a chore or a burden to you. Do that only as you have the desire.

“When you learn to listen, you minister to My needs. **My needs are greater than your needs, but My needs are inclusive of your needs, as well.** So you loose nothing by learning to listen to My voice daily.

“This simply has to do with who is in control of your life. This is just another part of self to be surrendered to Me by faith.

“This also means what I say to you is more important than what you have to say to Me. Isn’t that simple?

“Yes, the demonic world will recognize you the same as they recognized Me, but to a greater extent will you be able to respond in ministry in that area because there will be no restriction on your ministry.

Saturday, July 2, 2011

“Now, My son, you are back in touch. Just continue to thank Me for your soon release which frees Me to react more expeditiously to the time of your release. Isn’t that simple?

“The short delay is because of a few others (of the twelve), not because of you and Dale.

“Dale will witness and participate to a small

degree in your soon release.

“Then, of course, your date to become a free man will set the stage for the expansion of your ministries to the full blown stature.

“Dale will not interfere with nor disagree with **ANY** of your ministry activities. I know you would not allow that, but I will see to that for you.

“Now that frees up the last detail in your mind concerning your soon release.

“Welcome home. You are free.

“Be not concerned about your lack of energy to do the things I have given you to do. Do only what you feel like doing. Upon your release, since Dale will witness that, time may be spent putting the finishing touches on some of your writing.

“Remember, I said I would take care of all details necessary to each of your seven ministries.

“This should free your mind of everything but awaiting your soon release. Confess and thank Me for your soon release every time you think about it. That frees Me to utilize My time getting everyone of the remaining twelve ready for ignition and lift-off.

“The Pentecost Method getting dedicated servants of Mine to the launch pad, and the Listening Method providing ignition and lift-off, may be used in your writing as the thought occurs to you.

“Your preparation time has been utilized well. My time with you has been spent in keeping up with the aggressiveness in your faith walk with Me. Try that one on for size!

“You are the only one of the other twelve who has challenged the Challenger twice (*now three times*). That, however, is why I chose you as My chief of staff upon our return to earth to first put down the Armageddon insurrection. The following seven month/seven year clean-up of the battle field and its residue will be under your supervision.

“Isn’t it interesting that your clean-up of the Armageddon battlefield and its residue takes the same time as the Tribulation?

“The seven-year preparation (*the Tribulation period*) is training for Our return at which time you will have a sufficient number of staff assistants to assign major responsibility for the clean-up. That will free you to assist Me with more important responsibility. **My son, We will have an earth to govern.** That’s a little more than Wright Asphalt, isn’t it? Yes, you may keep your sense of humor, for that is a part of your

personality make-up. This will help you to be understood and accepted as you associate with common man.

“You, My son, will be doing what I, the Father, have longed to do for many millennia. But remember, you and I will be One, so both of Us will joyfully accept and participate in My once again lavishing Myself on My people through you and the twelve

“My son, the fact that your love for Me has grown as I revealed to you My weaknesses – My mistakes – will make you (and Me) real to common man for the first time since before Lucifer turned on Me. And that I will look forward to with greater joy and anticipation than you may envision. As I have said to you, your earthly cloak will need to be removed in order to fully understand the blessing you are to Me, a grateful Father.

“Like Father, like son, now has another dimension, doesn’t it?

“My son, I gave you permission to recede within Me as Jesus does. But realize that you had to be cleansed as Jesus was before that could occur. Only one who has thusly been cleansed may have the privilege of receding into Me, his origin into existence.

“By receding into Me, you will be doing the same thing that Jesus does. Jesus, by the power of the Holy Spirit, returns (recedes) within Me since He came forth from Me through the Holy Spirit.

“Since your nine-step cleansing prayer, you likewise have been cleansed and stand before Me, as Jesus does.

“You both have been originated within Me by the power of My Spirit. That’s how important you and the twelve are to Me and to the Lord Jesus. Each of you (thirteen) have now been cleansed from your mother’s womb as was Jesus. That is what qualifies you to do greater works than Jesus did.

“You will have more in common with Jesus than you now realize.” <began at 3:16 AM – finished at 4:32 AM>

Added later:

“The Holy Spirit fertilized the seed in Mary’s womb so that Jesus could come forth from her womb cleansed and without the Adamic sin-curse or the Adamic sin-nature.

“You were also cleansed by the Holy Spirit. It was the Holy Spirit who led you into the nine-step cleansing prayer. It is also the Holy Spirit who formed you in the womb. But since the seed in your mother’s

womb was fertilized by man, you came forth from your mother's womb contaminated by sin. Therefore, as you were led by the Holy Spirit in the nine-step cleansing prayer and was cleansed from conception in your mother's womb, you now stand before Me, God, the Father, as Jesus did before He was released into His ministry."

Sunday, July 3, 2011

"You are now practicing what I have suggested to you to do. Continue that so you may be expediently released into your ministries. Keep your thoughts – your spiritual eyes focused on Me.¹

"And remember, as you spend days doing 'nothing' seemingly, those are something days, not nothing days. Those nothing days are something days for Me. Those days of rest are good for you.

"For more than fourteen years (*now almost seventeen years*), you have vigorously pursued Me to a greater extent than most. And you have done it to the extent that you have challenged the Challenger. So you have earned, and I will honor, whatever number of 'nothing days' you choose to do – to have.

"My son, you passed the point of no return in your pursuit of Me long ago. Time off – time of rest – are good for you. They will bless you.

"You need not be concerned that someone defends you (name omitted). I know your heart and you know that is not necessary, but she (and others) feel that way about you. The reason she said that is because she is in contact with people who knew about your departure from (name omitted) Church. That negative publicity is to be expected. But remember, that is nothing compared to those who are fed by your writing. Soon you will have some ammunition with which to counter such trivia.

"And that's what it is. Trivia. Pay no attention to trivia. Pay attention to what I have said to you. My rhema words will put to flight all trivia of the enemy.

"And yes, (name omitted) had not learned the way of speaking the logos into rhema to overcome illness. He operated in the Pentecost Method. (name omitted) operates in the Pentecost Method, but at the top

¹"Your thoughts are your spiritual eyes," is **new revelation**. It is so simple when given by revelation. What you are looking at spiritually is what you are thinking about. Your thoughts are your spiritual eyes. When your thoughts are focused on the Lord, you are thinking about Him, or you are "seeing" Him in the spirit with your spiritual eyes.

of the Pentecost Method learning curve.

"The top of the Pentecost Method learning curve is the bottom of the Listening Method learning curve. The two are different.

"The Pentecost Method believes the logos into rhema. That exercise is not necessary in the Listening Method. In the Listening Method, every word **IS** rhema. My son, when one has heard and recorded rhema from My mouth as you have, he becomes Me. That's the difference – but what a difference.

"You may teach the principle that I just gave you because it is My truth for today.

"You may literally become God Incarnate by learning to hear My rhema daily. One may not remain the same by hearing rhema from Me on a daily basis. In this manner one may become God Incarnate as Adam was before sin.

"You may teach that but you may teach it more effectively when you are released as God Incarnate. That, My son, will get the attention of the world first and then the church.

"It's really simple when experienced by My rhema words.

"Being led by the Spirit is different than being taught by God the Father until you learn to hear His voice daily. Then all things become new **AGAIN**.

"Include Five Worlds instead of Four Worlds in current writing."

Monday, July 4, 2011

"It is what My rhema words have taught you, and your heart that is One with Mine, that makes you invincible before the world and the enemy. Remember you were outside of the organized church for more than twenty-eight years and remained faithful.

"So you have no need to be concerned about time off for your own personal pleasure and relaxation.

"Another thing that is unique in you is that now your encouragement comes from reviewing My rhema words to you, instead of reading the bible. Your sequel to the bible contains rhema words from My mouth. Remember that rhema words given to you **NEVER** lose their anointing – **NEVER!** The reason is because those words came forth from My mouth directly to you. As such, they were increments of Myself, or impartations of Myself that may be obtained no other way.

"Another important thing about learning to listen to Me daily, is that is My way of restoring man to God Incarnate as Adam was before he sinned and as the

second Adam (Jesus) was in His visible ministry.

“Had the first Adam not failed, there would have been no need for the second Adam.

“Had Lucifer not failed, Earth One would have remained intact forever.

“So, you see, your knowledge of Me and that reaction to your heart have determined your eternity. That is so simple but so profound.

“A believer will tend to become that which he sees. If he sees something to do, he will do it. If he sees something to become that will occur. If he sees and desires Me, that will occur.

“So remember, during the remaining time prior to your release, as time grows heavy on your hands, read in My sequel to the bible. Every word was written to you. **To no one, My son, may I make that statement but you!**

“Your published writing will exceed that of Moses and Paul combined. But remember that the writing of both Moses and Paul were given for different, but for related causes or reasons.

“Likewise, your writing will also be for two unique reasons: (1) to understand the ‘when’ and the ‘how to’ of the bible and end-time events and (2) to close out the two-thousand-year window of the church age.

“A reason your published writing will be so widely distributed and known is because your writing reveals the hidden things as well as the mysteries of scripture. When seen by revelation, the bible is clearly understood. That is why a child may understand revelation.

“That was done on purpose so that the worldly wise would be left in the dark while one may become as a child and walk in the light.

“All you need to do to encourage yourself is to read My rhema words. No one else has that privilege, My son. That’s how important you are to Me. And that is one reason you will be at My side upon Our return to earth as My chief of staff.

“And remember, the chief of staff does not do all the work. He appoints subordinates to do the work under his oversight. But remember also, you will have My guidance and oversight, which will put all of the responsibility on My shoulders. We will make a good team for We will both have the same objective.

“God’s revealed truth concerning the last thirteen:

“Abram, Moses, Jesus, the first thirteen apostles and now the special thirteen God Incarnate apostles to close out the church age, to experience the rapture, to introduce the Tribulation and to birth the second coming to begin the Millennium. Hallelujah times ahead!”

Tuesday, July 5, 2011

“Yes, My son, We (you) are back on track. Your reviewing of notebook No. 16 is a good exercise. As you have discovered, I have been saying some of the same things to you for years.

“It takes a while for spiritual revelation to penetrate the heart with reality.²

“As I have said, be not reluctant to take some time off as you see and feel the need. As I have said to you, by so doing, you will not miss anything in the Spirit. He will simply take up where He left off.

“My son, you are fine. Remember, I will see to everything you will need, both before **AND** after your soon release.”

Wednesday, July 6, 2011.

“Your release time is now nearby, so busy yourself, as you have the desire, at the things on your desk. There is no need whatsoever to rush, for there is no time line now on your activities. I am the One governed by a time line.

“**I am much more cognizant of the dire need for ministry among My people than you are,** for I see the complete picture.

“One of the blessings of the Learning Method is that while I see the complete picture, I can direct you to the area most needful of your several ministries.

“Because of your wide range of activities in your ministries, it is imperative that you (We) be attentive to My directives to utilize your usefulness to Me.

“Revel in the thought of being able to restore to My perfection **EVERYTHING** the enemy has taken illegally. That is what you will be able to do. And yes, the Foose son with deformed feet will be the object of your ministry.

“Did I not say that We are One? This means that as you see a need and desire restoration, you will have that opportunity.

“When We are One, My desires are your desires.

²Notice that this sentence describes the way God teaches in the Listening Method today so as to impart or to “live” the teaching in our “memory bank” for recall.

That's all it takes.

"And yes, (name omitted's) son is also on Our agenda as you have desired and prayed.

"God does not operate in the natural but in the supernatural. Therefore focus on Him, that is, center your thoughts on Him, **for your thoughts are your spiritual sight**. The more you do that, the more you become like Me.

"Then, when you learn to listen and hear My voice daily, My thoughts become your spiritual sight wherein there is no limit. Those thought-words, as they are heard, impart small quantities of My characteristics (attributes) to you. And that is the way to grow spiritually into the fulness of the stature of Christ! And that, My son, is accessible, is available to every believer today!

"This means that becoming God Incarnate today is within the grasp of every believer in this rapture generation.

"Spirit, life, love, truth, light, food and faith are all characteristics of the Godhead. Every rhema word **you** hear imparts within you small quantities of each of the seven characteristics of Jehovah God."

Thursday, July 7, 2011

"My son, you are disposing of five cemetery lots in Madisonville, Texas where your mother and father, your sister Betty and your wife Ruth are buried. You will not need a cemetery plot.

"Do you realize what a blessing that is? Do you have any idea how many people alive today have that blessing? Being one of My special thirteen apostles is a signal blessing, each of whom will not die, but will be raptured. While that is a signal blessing, you are unique among the special thirteen.

"In addition, you have before you a **God Incarnate** life to live that only twelve men and one woman have experienced. Add to that the fact that you will have a greater anointing than Jesus had in His visible ministry and you have yourself.

"But that is not all.

"No one who has lived on planet earth but you, has the blessing of being My chief of staff as We return to earth at the Armageddon insurrection.

"You may also add to your credentials the RTD mini-industry.

"You likewise might add to that the fact that you are writing a sequel to the bible that is very near completion, which will be scattered over the earth and

will be the source of great wealth. You are the only one of the special thirteen who is My herald of this rapture generation.

"Likewise your personal **RTD** will become the repository of:

"(1) great wealth sourced from the use of your **RTD** in the both pre-rapture and the post-rapture period, plus

"(2) royalties from the sale of your writing during the pre-tribulation and the Tribulation period.

"My son, you will return to earth as a very wealthy man. As you know, much of that will become the initial source of My treasury funds.

"There is no one on the face of the earth who has such a resume – no one!

"That should be enough to carry you beyond the present to the time of your release.

"*The way I have trained you, even this does not excite you.* Only one of these issues would be enough to excite most every man who is a servant of mine. This, I realize, is the result of My training you over these almost fifteen (*now almost seventeen*) years. I wanted it that way. But you have come to the point in life where it is said that Napoleon came to. When there were no more "worlds" to conquer, life became dull or monotonous.

"Remember to review your notebooks as you have time. Write as you have the desire to do so.

"There are still some things I want to teach you before I release you.

"And remember, the exact date of your release will depend on circumstances surrounding a very few of the other twelve.

"So courage, My son. We are almost there.

"Just continue to thank Me for your soon release is your part of the equation. That not only will facilitate and expedite your release, but it will free Me to do other important issues that only I can do.

"Go in peace today My son.

"If any one of your seven ministries could be auctioned off in the Spirit, you would be surprised at the value of only one of your ministries. **You have seven!**

"Only at your rapture will you be able to begin to comprehend your importance to Me.

"But to you, neither of your ministries will become a source of pride, but will become a source of blessing as you discharge your obedience blessings when you are released.

"As you say, 'Stay tuned.' Stand by for action."

Friday, July 8, 2011

“Yes, My son, even thinking about what I have said to you and the possibility of sharing that with others puts a spring in your step. Remember to proclaim often, **‘Thank you for my soon release.’**

“And yes, you are so right on. Travel is in your future. That is why your writing assignments are important now. So just do that as you have the desire – without any forced, tired work and that will be amply sufficient.

“Other parts of the United States will also be your targets. Atlanta, New York and California, for example.

“Yes, My son. The enemy went to Eve first. Eve accepted and believed in her heart what Satan had said to her and the moment what Satan said took control of her heart, God’s Spirit left her, for light has no fellowship with darkness.

“It, therefore was a fallen Eve, **one who was under the control of Satan**, who tempted Adam and he ‘ate’ of the forbidden ‘fruit’ that took control of his heart.

“This is why it is not good for a believer to be married to (joined to) an unbeliever. **One who is joined to another physically in marriage is a greater temptation than is an ‘outsider,’ or one to whom that one is not joined physically, either sexually or physically by association.**

“Now isn’t that simple? This explains a lot of things written about marriage in the bible.

“When two are joined sexually as man and wife, each one is more susceptible to the conduct and practices of the other than in any other relationship. In marriage, each desires to please the other. So there is both an inner-dependance and an inter-dependance in the relationship that is unique. One may influence the other in marriage as in no other relationship.

“This is why an unbeliever should not be joined or tied inseparably to an unbeliever. But when that happens, as it does, the believer, by continuing in his or her faith without deference to unbelief, may win the unbeliever to the Lord.

“I took substance from Adam’s body from which to create Eve. Adam was thereby weakened. Because Eve was taken from Adam, she was weaker than Adam. Adam was stronger before Eve was created than after she was created.

“Adam was weakened twice. Once by substance removed from his body. Secondly by being co-equally joined to a wife wherein both parties desire to please the other person.

“In marriage, each party surrenders his or her right to act independently of the other party. This weakens the position of the believer and strengthens the position of the unbeliever, while simultaneously the opposite is also true. The believer is therefore challenged to remain faithful to win the unbelieving partner.

“In conclusion, it is always best for two believers to be married. But where that does not happen, and it often does, the believer is challenged to remain faithful in order to win the unbeliever.

“You are fed spiritually by hearing and believing in your heart (Matt. 4:4; Rom. 10:9, 10) and that applies to both good and evil (God and Satan), for both have equal access to your mind.

“The heart is your spiritual compass. As a man believes in his heart, so is he (Prov 23:7). This means that your heart, as your spiritual compass, directs you **to do** both good and evil or directs you **to do** both good and evil. You make that choice every day because death and life are in the power of the tongue (Prov. 18:21). This applies to every word that comes from your mouth and every word that you hear others speak and there is no in-between.”

Saturday, July 9, 2011

“Yes, My son, when you are released, you will be living My dream.

“When I was on the earth in My visible ministry, I was restricted in what I could do. Therefore, I had to limit what I did and stay within only a small restricted area of activities so as not to reveal too much to the enemy.

“The enemy, My son, was the target of My ministry. I came to destroy the works of the devil. His works are illness, disease, destruction, death, rebellion, deceit, war and such like, all of which are the result of lust and pride, the source of self worship.

“Man left to himself will self-destruct. Man was made to worship and glorify God. Therein alone does he remain as I created him. The moment he steps outside of those parameters, self takes over and he will self-destruct.

“Satan was clever enough to distract man’s focus from God to self. In that manner, man becomes a pawn

of Satan. In that manner, Satan rules the world today.

“As I have said to you previously, Satan is now in control of the world. He has gained that control in the same way I gain control of an individual – little by little. All Satan wants is a small opening. He may be contented with that for years until he sees an opportunity to enlarge that opening.

“Lust of the flesh, lust of the eyes and the pride of life are Satan’s weapons of choice, all of which are not of the Father but are of the world.

“So, in essence, My son, I, the Father, will be living My dream in twelve men so that My message against Satan will be voiced in every tribe and in every nation to the satisfaction and to the glory of God.

“Nothing like the special twelve has ever been displayed against the enemy. That has been My objective from the moment of My defeat by a fallen Lucifer.

“So you see how long I, Myself, Jehovah God, have awaited this golden opportunity to display My authority, My power and My might against the enemy. And this will be done publically and in the open for all to see. That is why the twelve of you will be revered to a greater extent or to a greater degree than was Jesus, because you will not only do the works He did, but you will do greater works than He did.

“That, My son, has been My dream from the beginning of My journey, from defeat to victory. So cherish what you have been chosen to do, because I am.

“Each of you will be living My dream, just as Paul Crouch, Sr., is now living his dream to own and operate a TV station in Jerusalem, Israel televising the gospel every day 24/7, when the station is in full operation.

“I know you grow weary of the long preparation. So do I – but to a much greater degree than you. Remember, I am the One who was defeated by the enemy.

“I still grieve over My losses. But I have spoken. My word of recovery and restoration has been put in place and the matter is settled. The twelve of you are to announce and put into effect My decisions that may not be rescinded. I have spoken and My words of recovery, restoration and victory are fixed permanently in place and the twelve of you are to be My heralds to announce My will to the world.

“Your words will be My will for My people. Your word will be spiritual law spoken into existence. You will each be as I am on the earth. My desires to do

battle against the enemy to take from him everything he has done to man will be your desires as you are released.

“You have been concerned as to how to conduct yourself as God Incarnate. Because of your long training period, that will only be a minor, but fluid, seamless and effortless transitional adjustment. I will be in you to instruct you in this matter. You will respond quickly and easily to give Me the glory, for that is the way I have taught you.

“My son, My instruction on the fall of man through Eve and Adam is important to write about. This will point out the role of woman and man in the fall, for that is important to know and to declare openly. Do it gently with discretion so as not to lose anyone with your writing.

“Those you may lose initially will be brought back to Me quickly, however. When you teach and write with signs, wonders and miracles confirming everything you do, that will overcome believers who are unable to initially accept your teaching.

“That is what happened in My ministry and it will also happen to a greater degree in yours.

“My son, you will be able to renounce positively and forcefully, the despicable practice originated by the enemy, of man with man and of woman with woman. As you are able to set free those who respond to your ministry, those who have been held captive by the enemy will be of great assistance in bringing other homosexuals and lesbians into the fold.

“A converted homosexual and lesbian will become the best ammunition against this vile practice. As you bring those who respond to your call out of their vile practices, they will be brought out of their former lifestyle in such a dramatic and convincing way so as to become great influence among others who have been thusly deceived by the enemy. They will be brought into the kingdom sozo saved just as others who have been deceived by the enemy.”

Introductory note:

Notice the part of this word dated 7/10/11 enclosed in red. I was taken to the woodshed by the Lord by not **asking Him first** about a pain in my right hip. Notice His answer. Putting Him first in **EVERYTHING** is to be an absolute if one is to follow the Lord and receive all He desires to give us. He must be first which includes asking Him first about every

problem that arises in our life. **When He is not first** may account for many problems believers have who fail to **ask** the Lord first about the problem. Only as He is first may we be first in His loving care and that includes our asking Him first about everything. He should not be the last, but our first resort as problems arise in our life. This is a learned procedure and may require a few failures in order to grow into this blessing.

<end of introductory note>

“Yes, My son, I provided you with an answer to correct your letter. Remember, I suggested that you reread each letter you have written in advance of publication for corrections.

“Now about your hip. Just continue to speak over it. We don’t have time for such trivia for We have much more important things to do. My son, We have a world to attend to.

“Do you remember the blood in your urethra? The pain in your hip is in the same category. Just use the word – speak the word against the problem for My word will not return void, but will accomplish what I please and prosper in the thing for which I sent it. It is done, My son. Speak it out.

“With your stripes Lord Jesus, my hip is healed. Thank you for my healing, in Jesus’ name, Amen.

“Observe now the details I have furnished you for correcting your letter. My son, I have not – I will not overlook one detail in planning your soon release. Speak it out for your soon release.

“Thank you for my soon release today, in Jesus’ name, Amen.

“Remember, **you asked Me** what to do about blood in your urethra? You should have done the same thing about the pain in your right hip. But you let doubt creep in. Don’t do that again. You must ask Me about **EVERYTHING**. That, and that alone, allows Our relationship to be strengthened and the problem to be solved.

“Do you now see how easy that was?

You have used the example of a young child asking a parent about **EVERYTHING**. Learn the lesson that you teach others. **Ask Me first hereafter!** Not only do I have the answer but I am the solution.

“So remember this incident. It occurred for your learning AND admonition! Enough of this trivia. We have too much to see to – too much to do that is important to Me – and I am running this show. Remember?!”

“I have answered your request about your wife. She is now able to respond to both her and your needs as you requested.

“You must remember from whence you have come. We have spent a lot of time together. Remember, We are One. **Ask when in doubt is the way to eliminate doubt.** Otherwise the enemy will gain a foothold.

“My son, We have come too far to fail. Of that I am certain.

“Notice that I am the One who originated the hip problem. I will not let you fail. **So remember to ask Me first is the answer to every problem that may occur.**

“I am the one who originated the hip pain.

“Now you know.

“Remember, it is all by faith. But the asking is key. Remember that!

“Ask and it will be given, seek and you will find, knock and it will be opened unto you. If you know how to give good things to your children, how much more will your heavenly Father give good things to **those who ask Him.**

“I will always provide you with the necessary tools to do the work which I have called you to do. **Just remember to ask Me first.**

“Oh, the blessing of asking Me first is totally without measure. Only as I am first may I provide for My own.

“Did not He who made the flesh also make the bone? The only difference is that the bone is of greater substance – of greater density – in order to support the flesh. Both the bone and the flesh were made by Me and I may maintain both with faith – unwavering faith. My son that is a good lesson (to learn) and to teach.

“I teach you so you may teach others.

“Sure she was. Eve, as well as Adam, was God Incarnate. The Godhead bodily indwelt both. Remember, let us make man in Our own image. Male and female He made them in Our likeness.

“In Our likeness applies to both male and female.

“My son, you are correct. Many Spirit filled churches teach the full gospel but few indeed have allowed those things to take possession of the heart, for it is not the mind, but the heart that is man’s compass.

“Pain is the early warning network of the body.”

“So continue to pursue Me and do what I have called you to do as you have the desire. We are on course – on time – and believe Me, I am much more anxious for the thirteen of you to be released than you are.

“Remember, man living on the earth is My responsibility. I formed everyone in the womb and to see the multitudes follow Satan into the lake of fire grieves Me still because My mistake caused My losses. So please continue as you are doing, one day at a time and I will lengthen the time of your release no longer than is necessary.

“My son, I will not have another failure like Lucifer. I cannot afford to release just one of the special thirteen until each is fully prepared, as you and others are. That is the cause of the delay.

“And remember, it has been a challenge to Me to hold your attention for these fifteen (*now seventeen*) years. However, that was necessary because of your age at My call. For that reason, your training has taken longer than the other eleven, but only because of your age at the time of your call.

“It was because of your age relative to the age of the other twelve, that I went to the Father for your approval. I knew that training time would be long and arduous, but your aggressive faith walk with Me dictated your final destiny.

“The other twelve do not have the problem of age with which to contend as you have. So there are two of Us to blame (or to credit) for My choosing you as the elder brother/mentor of the special twelve. Both you and Me. You because of your aggressive faith walk with Me, and Me because of the same reason. You had grown too much not to be utilized to the full.

“Take your pick, but you must include both of Us because that is the way of My call. Endure until your release for there is too much at stake to do otherwise.

“And yes, My son, your conclusion is right. One’s love for Me determines My importance to that one. You desire to be with one you love. When that love has had its full effect, I will become your desire first thing in the morning. To be the greatest blessing to Me, I must be first on your list every day. The apostle John understood that. You, My son, understand that, but not every believer arrives at that point in their spiritual walk with Me.

“That is why the precious prodigals who enter

the kingdom under your ministry will provoke the church people to jealousy. My precious prodigals will be accorded sozo salvation from the beginning, and their zeal – their love for Me and you will know no boundary. They will reveal the marked complacency of My lukewarm church.

“However, second on your list will be the church people. When you enter the churches with signs, wonders and miracles to follow your teaching, that will literally spark a revival in the churches you visit. But that also, in itself, will remove the complacency from many in the church.

“But it will be My precious prodigals who will lead the way. **They will believe you and accept your revelation on the time of the rapture.** That, in itself, along with your anointed ministry will spark a renewal unlike and beyond anything in the past.

“And that, My son, is what you and I (and the twelve) have in store for Us.

“My son, I have heard your cry – a cry that never goes unanswered, says the Lord to you this morning.

“Go in peace this day.”

Tuesday, July 12, 2011.

“Yes, My son, here are reasons why Eve and Adam failed.

“(1) It was Adam to whom God spoke with the admonition not to eat of the fruit of the tree of the knowledge of good and evil, who then told Eve.

“(2) Therefore, Eve was weaker than Adam in dealing with Satan because she heard the logos from Adam who heard the rhema. The rhema is always stronger or more powerful than the logos. Eve, who was God Incarnate, surrendered her God Incarnate status for something to eat, just as did Esau, who was not God Incarnate.

“(3) Neither Eve nor Adam could say, ‘It is written,’ which is the way Jesus defeated Satan. Hence, the importance of the written word. The word of God must be written to govern our daily lives because it is given so profusely, it otherwise will not be remembered. If you learn to listen to God daily, His words will also be given so profusely, you must journal each word or you will not remember what He said, because otherwise the enemy will steal it.

“(4) Satan went to the weaker Eve first. She accepted what he said and it took control of her heart and was manifested in her life, or in her conduct. Therefore when she offered to Adam the “fruit,” she did

so as an agent of Satan. Eve, as an agent or representative of Satan, offered the forbidden “fruit” to Adam as a God Incarnate man.

“(5) The relationship of a wife and husband is unique among the social relationships of mankind. For this reason, love provides a desire for each to please the other that exceeds all other human relationships. This strong influence played a part in Adam’s decision.

“For these reasons, Satan went to Eve first. She bought into his deception and liked it so well that she offered the same thing to her husband and he ‘ate’ of the same ‘fruit’ by believing the lie and it took possession of his heart and was manifested in his life.

“The bible was written for fallen man as a guidepost to redeem him from Satan’s curse of sin and death. The law of Moses was given to divorce man from Satan because God had to clean up mankind from the outside before He could deposit Himself inside of man.

“Obedience to the law of Moses made man clean from the outside, *but only temporarily clean on the inside* by observance of types and figures in the law. Man was cleansed *temporarily* by the blood of bulls and goats and the ashes of a heifer as a portent of the blood of Christ.

“When Christ came, His blood eliminated the necessity of animal sacrifices and provided for the *literal spiritual cleansing* of one who believes on Him. That cleansing was from sin and death unto eternal life with God, instead of with Satan. **Because of God’s law established when Earth One was created, every man born of woman, will live eternally either as an ally of God or an ally of Satan and there is no in-between.**

“But remember, the desire of God is to save everyone because God, Himself, was deceived by Satan and became the first prodigal. He, therefore, has empathy with every prodigal who has been deceived by Satan.

“My son, this gives you understanding of why I knew Eve and Adam would fail. Satan comes with sugar coated promises, which, without exception, turn out to be spiritual cyanide and certain death.

Lust of the flesh, lust of the eyes and the pride of life turn out to be spiritual cyanide pills dressed up with glistening, alluring deceit. They always produce death.

“Eve was deceived and came to Adam as an agent of Satan. Before Adam accepted, you had an agent of God and an agent of Satan living together as man and wife. And you see who won. Hence, the reason for the admonition against a believer marrying an

unbeliever and the inherent risk involved. Both become agents of the supernatural. God and Satan. Both have the desire to please the other; hence the difficulty of a believer marrying an unbeliever.

“However, since two are joined sexually (physically) first, spiritual union comes second. It is that way with believers who marry and is also that way when a believer marries an unbeliever.

“It has always been the physical first and the spiritual second. The law of Moses preceded the law of Christ. Ishmael preceded Isaac. The physical Jesus preceded the spiritual Jesus. Hence the spiritual battleground from an objective point of view.

“God made man and woman to be attracted to each other sexually for procreation. **But that sexual union was intended to be pure and purified by abstaining from adultery.** God made the sexual union for love and for procreation, but He also made one man for one woman from the beginning. **Any adulteration of that pledge to faithfulness is of the enemy and is condemned by God.**

“Lust is of the enemy. Love is of God

“Pride is of the enemy. Selflessness is of God.

“Lust of the flesh, lust of the eyes and the pride of life are the tools of Satan and provide him with weapons to rule the world and unfortunately to invade the church in adultery.

“The idol of self is Satan’s weapon to rule the world.

“Death and life are in the power of the tongue. Every word you speak and every word you hear is either death or life and there is no in-between.”
