Boldly declaring the **new things** of Isaiah 42:9 and the **greater works** of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Friday, July 22, 2011

"My son, I speak truth. And I have spoken truth to you.

"As I have said to you previously, you (mankind) have lived in a world controlled by Satan for so long, you have no concept of a world without him. That's how powerful (supernatural) he is.

"Think for a moment about what I have previously taught you. Satan is the ruler of this world.¹ **Whenever self, instead of God, dictates man's activities, you know Satan is in charge.**

"The reason this is so hard for you to understand and accept is because for about 6000 years Satan has ruled this world. His rulership began with the failure of Eve and Adam.

"Notice that it took about a thousand years for sin to have its full effect on man.² But once sin was reestablished through Adam, sin eventually took its toll.

"After Adam's sin, sin (Satan) gradually took control of man on the earth.

"Let's go over this again.

"Satan went to the weaker vessel to work on first. That tells you of his cunning and of his supernatural ability. Knowing that a man and his wife wish to please one another, he went to Eve first. She got the logos from Adam who heard the rhema. She was weaker than Adam because she was made of substance taken from Adam. This means that Eve was twice weakened as compared to Adam to whom God gave the prohibition not to eat the forbidden fruit – fruit

¹See John 10:31; 14:30; 16:11.

²For the age of man following the sin of Adam, read Genesis chapter five. There you will find men living for upwards of more than nine hundred years. The reason for this is because of the perfection of Adam's creation. It appears that it took about a thousand years for Adam's sin to finally affect man and curtail his long life to what we experience today. This attests to the fact that Adam's body was God Incarnate originally and how long it took Satan to destroy it.

that reproduces itself from its own seed.³

"Because Satan's snare is appealing to man's senses (sight, hearing, taste, touch and smell), he has instant appeal to one's self. Lust of the flesh, lust of the eyes and the pride of life are of the world and appeal to man's senses.⁴ This means once man believes Satan, **gratification is instant.** *That, My son, is his false, but his ever so attractive, appeal to man.*

"Satan's temptations appeal to man's senses. My appeal is to man's spirit, the source of his life. Satan feeds man's senses. I feed man's spirit, for I am a spiritual Being, the source of his life.

"Satan's appeal is to man's senses, the source of his death. My appeal is to man's spirit, the source of his life.

"And there you have in succinct, simple terms, the appeal of the enemy and the appeal of God. Satan's appeal is instant gratification of the flesh, which leads to death. My appeal is to man's spirit because I am a spirit Being. **And it is the spirit that gives life to man,** for the body apart from the spirit is dead.⁵

"There, My son, is My problem spelled out in simple terms. And I desperately need your help (and the help of the twelve) to demonstrate by signs, wonders and miracles, the validity of My way.

"Only as you (and the twelve) go forth boldly declaring My way of salvation of man and the earth will man pay attention to you.

³The "fruit" both Eve and Adam ate was not physical fruit eaten with the mouth. It is not possible to eat something with the mouth and become defiled spiritually. Jesus said that it is not what goes in the mouth that defiles one spiritually, **but what comes out of his heart, that is, out of the mouth.** See Matthew 15:17, 18; Mark 7:15-23. Therefore Eve was first defiled by believing in her heart what Satan said and she was "hooked." Then she offered the same "fruit" to Adam, who heeded the voice of his wife instead of the voice of God and he was "hooked." Jesus gives the rest of the answer in Matthew 4:4 when He said, "It is written, 'Man shall not live by bread alone, but by every word (rhema) that proceeds from the mouth of God.'" Therefore, we are fed spiritually hearing words from the mouth of God or from Satan and believing them in our heart unto righteousness or unto unrighteousness.

⁴See 1 John 2:15, 16.

⁵See James 2:20, 26.

“My supernatural presence within you to perform signs, wonders and miracles to confirm your words of salvation, is the only way to defeat Our common foe. And remember, he is our target.

“Don’t get so caught up in doing good for others⁶ that you lose sight of Our objective. War against Satan is our objective. Satan himself is Our target. That is the sole purpose of My calling you and the twelve to rescue man. Try and keep this important objective in your mind at all times. Defeat of the enemy is our objective.”

Here I interrupted God – actually paused in journaling this *word* – and asked God if I could minister to (name omitted) when I am released and He said, “Yes.”⁷ Then He picked up where we left off with these words:⁸

“Defeat of Our common foe is our target. Your main weapons are:

(1) “Truth in the place of deceit and

(2) “supernatural signs, wonders and miracles to confirm and draw attention to the truth.

“Jesus, Himself, is the Truth. Satan, himself, is a lie.

“You need not be concerned over always heaving the defeat of Satan in your mind, for I will

⁶Notice that the Lord has prompted me not to get caught up in doing good for others so as to lose my focus on Our objective. This is not a contradiction. Jesus went about doing good and healing those who were oppressed by the devil (Acts 10:36), but that was after He was released into His ministry. The purpose of the thirteen of us being trained to become God Incarnate apostles, is to stay focused on the Lord, the source of our training and instructions **until we are released**. Then the focus of our ministry may be changed to others to set them free from the shackles of Satan.

⁷This is one – only one – of the great advantages of learning to listen to the voice of God 24/7. Notice that I asked God about ministering to a specific individual when I am released and He said, “Yes.” Now I know to proceed in His will. **You can learn to listen to God’s voice 24/7.** That alone, is worth more than the combined value of all of the assets in existence on the earth, world-wide. You can’t buy such a blessing. It was bought and paid for at the cross.

⁸This kind of personal exchange is not unusual when you have listened to the voice of God as long as I have. You can have that same relationship by learning to listen to His voice. That is what God longs for. He has said that to me. He has also said that few of His servants take the time to listen to Him. **You can begin today.** What a patient and loving God we serve.

remind you as the need arises. I simply wanted you once more to be aware of Our common objective.

“Everything you have written is My Truth. These words will serve to reinforce what I have already taught you.

“And yes, the way I dealt with Jesus, about which you have written, is a good way to introduce your writing concerning man on Earth One and Adam on Earth Two, as well.

“Adam was God Incarnate, just as you (and the twelve) will be. Therefore, I, Jehovah God, within him, gave him the names of My creation and Adam used his vocal cords – his mouth – to speak the creative names into existence. In the same way, I spoke to Jesus, Who spoke My words of creation with His vocal cords – with His mouth.⁹

“Adam before sin functioned as a man in the same way that Jesus functioned as a Man after John’s baptism. Both Men were endowed with the same fullness of the Godhead bodily.”¹⁰

“This should reinforce what I have already taught you.

“I know you have needed this reinforcement of My previous teaching because it is so new. But realize and remember, My words to you are Truth. That’s how much I trust you and the twelve.

“My son, ahead of you lies opportunity given to no man previously. Therefore, go in peace today. You are on the threshold of experiencing the reality of My call on your life.

“After you transcribe these words, reread them carefully for understanding and that will be sufficient.

“Lust of the flesh, lust of the eyes and the pride of life are all of the flesh in which nothing good dwells. These three temptations are of the flesh which lead to death. My way of Truth leads to life eternal. Satan’s way of lies leads to death eternal. One is instant gratification of the flesh in which nothing good dwells. The other is fulfillment for which man was created.

“The Spirit must govern the body to live (to live forever)

“When the flesh governs the body, death is the

result (the flesh leads to death)

“It’s instant false gratification versus eternal fulfillment and life.

“Satan’s way is death and destruction.

“God’s way is life eternal and fulfillment.

“Yes, My son, it looks better now, doesn’t it? Obedience is a powerful weapon, isn’t it? And you have never had a problem with obedience. By the time your 30 day exercise period is over, your outlook will be improved as well as your well-being.

“Remember, I said disciplined obedience is important. The discipline is your part. Restoration is My part.

“And yes, (name omitted) will be a good contact for you. You two will be good for one another. You two will bless each other.

“Now you will find your activities will take on a new light and will not be such a chore.

“After confirming to you that man originally on Earth One, as well as both Adam and Eve on Earth Two, were God Incarnate, it puts you and the thirteen in a different light, doesn’t it? This knowledge will allow you to relax more in your new role. **As a matter of fact, the life you will live after you are released will be what I consider the “normal” life of man that I intended in the beginning.**

“Now you know that I named My creation as Adam was obedient.

“The main difference between those who previously were God Incarnate and the lives of you and the twelve is that you will be fighting My battle against the enemy.

“You, My son, and the elite twelve, mark the beginning of the end for Lucifer and those under his authority.

“You have no idea of My regrets and My consternation at the long road to victory that I saw, once I devised My battle plan.

“You likewise have no idea of My plan for recognition for you and My special twelve. You will be as David was as a warrior, except in a spiritual sense. His fight was in the physical. Yours will be in the spiritual.

“Here, again, you notice that the physical preceded the spiritual, but that is the way it works in the kingdom. What the thirteen of you will be doing is to

consummate the plans **AND** the dream of the Godhead.

“I know you look forward with great anticipation to your release into your seven roles under the God Incarnate anointing. Right behind you, however, and actually, right ahead of you and your excitement, are all three members of the Godhead.

“Think of, and remember for a moment, the time it took for Me, Jehovah God, to think through My Master Plan for the defeat of Satan.¹¹ If you think you and the twelve are excited, what about Us? We are jumping up and down within ourselves with glee and rejoicing, as we now know that the thirteen of you will participate in, and, with Our guidance, will literally engineer the defeat of Satan and his forces. As We consider the impact of this accomplishment, We are somewhat beside Ourselves. Your excitement is the overflow of Ours. That’s how important the thirteen of you are to We Three – and yes – Three is the correct number, for the Spirit is the one of Us Who speaks what He hears.¹² So you see, His role is a necessary part of Our planned attack on Our common foe.

“All three of Us play an important part in this victory. Picture Me, Jehovah God, as the Master Planner and Jesus as the allied Commander and the Spirit through Whom comes the orders to execute our battle plan, and you have the overall picture.

“It is like the World War II master plan. George C. Marshall was the master planner, Dwight D. Eisenhower was the one responsible for execution of the plan while all of the communications systems made known orders to execute the master plan into victory.

“And yes, there were casualties in the execution of Marshall’s master plan, just as there will be casualties in My Master Plan. But the important thing to remember is that victory is assured and that the thirteen of you are responsible for carrying out the greatest Master Plan for victory that has ever been devised.

“And yes, there will be a victory party for those to whom honor is due that has already been planned.

“But remember also that the execution of the “Marshall Plan” of recovery will occur during the Millennium and the husband in My New First Family will be second in command there. The Millennium is

but preparation for the final victory at the Great White Throne Judgment at which the coup' de grace' is administered to the enemy and his forces by the Lord Jesus. And yes, the leader of My New First Family will be there at His side, as well. "So all in all, We have quite a victorious future outlined for the thirteen of you.

"And remember to keep Our objective in view and to enjoy the days, months and years ahead, for We are.

"And yes, you need to remember that the thirteen of you will be living what you now know as "normal" lives as a God Incarnate representative of the Godhead. That will be a shock to everyone in the beginning, but will soon be 'seen' by My people with great rejoicing, respect and adoration for My special thirteen, for that is the way I planned it.

"And yes, World Five instead of World four, is a good writing idea. (Letter No. 175)

"And yes, the thirteen of you, will be living as man originally lived on Earth One, and as Adam and Eve lived on Earth Two before sin. But you thirteen will be living under wartime conditions. That's the difference, but a very important and necessary difference.

"This war is necessary to secure the peace that follows and to the victor belongs the spoils of battle, but consequently, there will also be many casualties who fall under the lure of a desperate foe.

"But you need to know, the way I chose was the best way to secure the final victory.

"You must not grieve over My inadvertent mistake. I am over the major adjustment. You now need to focus on Me that We may execute Our victorious battle plan.¹³

"And yes, since you will be God Incarnate, you will be able to mandate a shorter period of training for the twelve apostles each of you twelve will train. That's one of the blessings of going forth to battle without restrictions." <finished at 5:13 AM>

"My son, I know how you feel. Both you and I enjoy each other's company. And, yes I, the same as you, will miss the convenience of time together as it has

¹³Often you can know what I am thinking by what God says to me. This paragraph of one of those "indicators."

been for years. But courage, My son. You will not miss a single thing, for I Myself, Jehovah God, will see to that. Our time together means that much, not only to you, but to Me as well. And remember, I am not encumbered with a fleshly body as you are. So I, Myself, Jehovah God, will see to it that We have our quiet time together.¹⁴

"And yes, you will have time for and you will enjoy one of the surprises in store for you. And yes, it will be pleasurable to you both. Try that one on for size! I know what I am doing.

"Have I not created in love and managed a whole new earth filled with those as We are and as you will be? When I said, 'Let Us make man like Us, in Our image and in Our likeness,' that means God Incarnate in a physical body. My son, Jesus became the first fruit of them that slept.

"This means that Jesus literally became as the thirteen of you will be when He became God Incarnate in human flesh and then, after his resurrection, He became the second Person of the Godhead as the Son of God, inclusive of the eternal Word, clothed in a spiritual body.

"You see, those who are raptured will immediately become as Jesus was before, during and after John's baptism, while He was in His physical body, and after His resurrection, as well.¹⁵ **You will become as He was in all three transitional conditions.**

"And remember that I said I had a surprise or two for you and that you would transition from the third objective into a fourth objective for your life, about which I have spoken to you previously.¹⁶

"You, My son, are going to experience some changes. There are other things about your immediate future that I could tell you, but it might distract you from Our immediate goal, so rather than do that, those things will have to wait for the time being.

¹⁴On this day, 7/25/11, we were expecting the arrival of house guests for ten days and I was concerned that would intrude into My quiet time with God each day. With these words God is assuring me that we would still have our intimate times together and that I would not miss anything.

¹⁵See 1 John 3:2.

¹⁶God's objective for His call on our life is dependant upon obedience. The nature of our obedience, whether it is lackadaisical, responsive or overly aggressive, can literally change or modify God's objective for our life. I am one such example.

“But I want you to know again, that I am the Master gift giver. You will like, you will enjoy and have, yes, you will have pleasure in the fourth dimension I have prepared for you.

“As you know, the husband of My New First Family will also be at My side when We return at the Armageddon insurrection, as well as during the cleanup of the battlefield, during the Millennium and also at the Great White Throne Judgment. No one else will have that privilege.¹⁷

“But you must remember, it does not stop there. Eternity holds some interesting, exciting and eventful experiences for him and Me.

“Neither he nor I will enjoy the Great White Throne Judgment, but the Father has spoken. You will remember that I said to you, ‘I have My instructions.’ I do. Remember, the Father is the One Who originated the concept of having someone like Ourselves with whom We could have intimate fellowship and enjoyment and who could reproduce themselves. You have yet to fully grasp the concept of life on the earth for My people as it will ultimately be.

“One of the surprises I have prepared for you will be in that area, not just for you, but for Us as well. You are being prepared for rulership heretofore unannounced and uncharted. I know about that and that is the fourth dimension of your future. But additional facts about that will have to await further developments before I may share with you some other details

And yes, the marriage that I showed you in a dream is a reality. I have given you a glimpse or two of that, which will suffice for the present. So leave it at that for the time being. Finite mind may not conceive of what I have prepared for you.

“And yes, you will be one of the thirteen, but somewhat advanced over the other twelve as I have previously shared with you. So just sit steady in the boat, My son, and get ready for some water walking and some water management to benefit many.¹⁸

¹⁷This is the first revelation I have received that someone would be at the side of Jesus at the Great White Throne Judgment. I have likewise been told that someone else will also be at His side at this event as revealed at a later date.

¹⁸This is the first indication of a miracle God is calling **“water management”** which is beyond the scope of “water walking” to which He has referred previously.

While you are alone during these few days Dale is in Colorado, you, or rather We, will utilize the time effectively as you are doing, and yes, you will find out that you can write in some position other than on your knees.¹⁹

“Do you realize you have written the equivalent of a supplement to the bible that is about one and one-fourth times the length of the bible you use daily, and that you have done it on your knees?²⁰

“Translate that into transcribed finished ‘copy’ in a semi-publishing condition and you will have what you have done for Me. Again, I say to you, no one has ever done that for Me before!

“While that does not impress you as it does Me, in time – a relatively short time – you will understand more fully what that means.

“The demand for your writing will skyrocket so, it will reach unbelievable heights after you have been ministering for a while. Even I am excited about your writing and the wealth it will generate.²¹ Think for a moment of the demand for your writing exceeding the capability of the publisher to keep up with the demand. That means the demand for your writing translated into many languages as rapidly as that can be done. And that is just for starters.

“So you and We have an interesting, exciting and productive time ahead. No one, My son, has ever done nor will anyone duplicate, what I have called you to do and what you are about to embark upon.

“I have said that you (and the twelve) will be revered beyond that of Jesus in His visible ministry and you must be prepared for that.²² I realize you have known that for some time, but you have not yet experienced that. I know what is ahead, but you will

¹⁹This is a personal thing between me and the Lord. In Dale’s absence, I will have more leeway in choosing where I spend quiet time with Him.

²⁰One and one-fourth times the length of the bible on 7/25/11 has grown substantially beyond that, two and one-half years later, the date of this letter.

²¹Royalty income will be used for kingdom purposes. Funds God places in my hands will be used to further and finance other ministries to bring souls into the kingdom in preparation for the Rapture.

²²The reason we (the God Incarnate thirteen) will be revered beyond that of Jesus in His visible ministry is because His ministry had to be shrouded in mystery until after His resurrection and the sending of the Holy Spirit on the following Pentecost morning. The ministry of the thirteen will be done in the open without restrictions imposed on the ministry of Jesus.

have to experience this phenomenon I have created for you (and the twelve) before you will believe and understand some things I know of a certainty.

“But remember, I (We) will be in you guiding you every step of the way. And that, My son, is what will make your future life *enjoyable, pleasurable, exciting, productive and fulfilling*, for We Three to start with, but to others as well, who will marvel at what I have done in and with your life (and that of the twelve).

“You will be able to teach and instruct with absolute authority and clarity as no one else has done. That will be most rewarding for you because you enjoy sharing with others knowledge you have acquired, but this time, it will be knowledge in the absolute, obtained by the supernatural presence of the fullness of the Godhead in your physical body. No one else has ever been in this position.

“My son, I can see your teaching sessions televised to many nations through satellite television directly and to many foreign countries, either by closed captioned transmission or by taped translation developed by a major Christian network. Let Me say again, you will develop into a one-of-a-kind phenomenon never previously seen on the planet.

“Remember, however, I am telling you these things to alert you about what lies ahead, but also to remind you that the Three of Us will be within you to guide and direct every activity and every decision to the best benefit of the kingdom

“These are a few of the things with which you will be involved that will make your time important to Us first, to others secondly and thirdly to you and the wealth you will begin to accumulate.

“You will want to establish a sheltered Trust, the residual of which will be the beginning treasury for Our use in Jerusalem. All of that I have foreseen. My son your greatest problem with wealth will be wealth management and preservation for future use from Jerusalem as well as to utilize it most advantageously for the kingdom. But remember, I am good at wealth production and wealth management as you have seen demonstrated.²³

²³The demonstration of “wealth management” God speaks of refers to an incident that began in 2002 when God told me to put \$50.00 per week in gold. Six years later I sold 21 American gold eagles for enough cash to buy a new car, pay a tithe on the income, pay the tax on the income with cash to spare. That is ***wealth management***, God style, available upon my release into ministry.

“So all in all, I, or rather We, have seen to all of your fourth dimension ministries²⁴ ahead of time so you will be able to act as We (the Godhead bodily within you) direct the results to benefit the kingdom.

Many will come into the kingdom and come to your support with unlimited capability and financial contributions. One of your biggest responsibilities will be administration, but remember, We will guide you in the decision process, so that you will be able to enjoy what I have called you to do.

“It is good to begin your writings on your knees with a pen and your journal, for that tells Me you expect Me to talk to you, but in the future, your time will be somewhat limited in that area, so let Me handle that for you. Remember that We Three bodily (or without measure) will be in you as your God Incarnate ministries begin.

“Your chief of staff will need your supernatural impartation, as I was able to do with the artisans and craftsmen who constructed the tabernacle, in order for Moses to stay abreast of his administrative duties. You will have that capability. And those I send to you will be hand picked by Me to be loyal to Me first, secondly to you and your ministries which I have prepared for you.

“I have seen to everything so that all you need to do is to keep your focus, your spiritual eyes on Me.

“And yes, ***thoughts are the language of the Spirit***, for My ways are higher than your ways and My thoughts are higher than your thoughts. That’s why hearing My voice is as ‘hearing’ My thoughts. Since My thoughts are higher than your thoughts, all you need to do is to desire to hear from Me and devote quiet time to be alone with Me every day. In that manner alone may I feed you with My daily ‘manna.’ You need spiritual food daily for spiritual sustenance and maintenance, just as you need physical food daily to sustain and maintain your physical body.

“Your physical body and your spiritual body (soul) both need daily attention or the enemy will have his way with you and retard your spiritual growth and objective.

“No man may live a fulfilled life without both.”

<finished at 5:48 AM>

²⁴The “fourth dimension ministries” refer to activities I will be involved in, along with another individual, that must be kept under “wraps” now but will bless many.
