Boldly declaring **the new things of Isaiah 42:9** and **the greater works of John 14:12** in this rapture generation

### RHEMA TALK FROM JIM'S JOURNAL

Friday, September 30, 2011

"My son, you are going to be released as a perfect God Incarnate<sup>1</sup> individual into an imperfect world. This is an adjustment you had not anticipated.

"The adjustment to you will be easy – fluid and seamless. But you will see things you have never seen before, many of which you will be unable to fix. **That will be the biggest adjustment you will be required to make.**

"I have said this to you previously but will repeat it again here. It is imperative that you listen to Me as I (We) enter your physical body, and respond only to those situations that I (We) point out to you.

"With your nature, you will want to fix everything and everybody, but you (We) will be unable to do that.

"Remember, you will be released into an imperfect world ruled by Satan. The things you will then see will break your heart, but you will be one among thirteen individuals in a wicked world.<sup>2</sup>

"There will initially be thirteen of you. You will be placed at twelve select parts of the earth so as to be able to do the maximum damage to the enemy. **You will want to fix everything you see that Satan has done, but you (We) cannot do that.** You first, among

---

<sup>1</sup>Becoming God Incarnate is not new. Everyone on Earth One was God Incarnate for millennia. This means that upwards of several billion people became God Incarnate on Earth One before Lucifer failed. Adam and Eve were both God Incarnate originally. Jesus was God Incarnate in His visible ministry. All thirteen of us, as we are released, will become God Incarnate. Everyone in the New Jerusalem will be God Incarnate.

What God deems a "normal life" on the earth is the God Incarnate life. That's His objective once again. That objective in principle will be established by God's New First Family prior to the Rapture!

<sup>2</sup>The US Census Bureau reports world-wide that 155,520 people die every day; that's 56,764,800 deaths world-wide every year. As God Incarnate servants, we will see the hearts of those souls, many of whom will march directly into the lake of fire, about which we will be able to do nothing but stand by helplessly and watch. Only those who are drawn to us in ministry will we be able to help. It was that way with Jesus.

the eleven will be released into a very imperfect world.

"So be prepared to see what I see – to see what I have seen for more millennia than you care to know. What you will see, My son, is one reason why so many look upon Me, through the bible record, as being aloof, detached, unapproachable and unconcerned. That is because I, as Jehovah God, have had to look upon the mess Satan has made of My world without **ANY RESPONSE** except to **BIDE MY TIME** (as I have said to you), and put up with a world ruled by Satan's evil, deceitful ways, until I could first bring forth My only begotten Son to fix Satan's grip on the world.

"Lucifer's failure introduced sin, death, total chaos and destruction to My world of perfection, that I could do nothing about but look on in abject horror and disbelief.

"You have written it correctly. Because Lucifer and My perfect Earth One were created to endure forever, as Lucifer began to disobey Me, and take over My perfect body (wife) on the earth and literally destroy her with his evil deceitful ways, I could do nothing but stand by and watch.

"My son, that taught Me, Jehovah God, how love could be corrupted with evil that I **never anticipated.**<sup>3</sup> My son, originally, I never even thought of evil. It was beyond My comprehension, because evil has no fellowship (intimate relationship) with good just as light has no fellowship (intimate relationship) with darkness.

"You may not dilute or adulterate good with evil or light with darkness. Each one is contrary to the other.

"When Lucifer began to disobey Me, he had no idea of the ultimate outcome. He was created as a perfect angel. As I have said to you previously, he originally was like Me, Jehovah God. Lucifer, when I created him, was My most perfect **AND** outstanding angelic being.

"When he fell, because of his supernatural characteristics, I could not stop him. Neither did he

---

<sup>3</sup>With only bible knowledge, it is hard to understand that an omniscient God could not anticipate or know everything in advance Hence the value of learning to hear His voice daily.

know the result **TO HIMSELF** of his disobedience. Once he took it upon himself to replace me, his supernatural capabilities began to corrupt into such evil, vile, activities, it was almost impossible for Me to look upon.<sup>4</sup>

“But I had no other choice.

“As you say, I just wanted to disappear – to ‘drop through the floor,’ to evaporate into nothingness, but I could not do that.

“To have closed My eyes to Satan’s corrupted evil, destructive ways would have been to allow My creation (Lucifer) to overcome Me as Jehovah God.

“After a long time of anguish, doubt, unbelief and anger, I came to Myself. Yes, that is a correct statement. I, Jehovah God, finally came to grips with Myself and realized that I was the only One who could fix the mess I had made.<sup>5</sup>

“I, therefore, was ***forced*** to begin to think about how to recreate another earth, another world in which and on which a fallen Lucifer would rule.<sup>6</sup> I, as Jehovah God, had to force Myself to think evil and how to finally cope with and overcome evil with good. There had to be a way for love to triumph over evil and I had to devise that way, or that solution, Myself.

“I, therefore, had to devise an ultimate and final way to deal with corrupted mankind in a world ruled by Satan in order to overcome evil with love.

“As you know, My second attempt failed like My first one. I had to destroy Earth Two, as you call it, by a flood and start all over again with Noah and his family.

“Since Satan polluted and destroyed My first

---

<sup>4</sup>Lucifer was full of wisdom, perfect in beauty, an anointed cherub, perfect in all his ways, with God’s seal of perfection, who walked back and forth in the midst of fiery stones, which means that he is impervious to fire. See Ezekiel 28:12 (b)-16. No other angel is spoken of in these terms. In addition, I have learned by revelation, that Lucifer was filled with the fullness of the Godhead bodily (without measure) as scripture speaks of Jesus in Colossians 2:9.

<sup>5</sup>If you have any doubt whatsoever that Jehovah God is like us – who has a temper and agonizes and becomes distraught, angry and grieves like we do over disappointments and losses, ***read the three paragraphs in the red enclosure again!***

<sup>6</sup>Satan still rules the world. See John 12:31; 14:30; 16:11. Realize that Jehovah God ***had to create another world that would be ruled by Satan so as to use Man to overcome him. This means that God planned the failure of Eve and Adam in advance, as I have written previously.***

earth (Earth One) through man, My solution for Satan’s destruction had to come through man. That was the only way I could redeem Myself.

“My job was to bring a Man on the scene without the Satanic (not the Adamic) sin curse and sin nature<sup>7</sup> so as to defeat Satan’s evil with and through My love.

“That answer was Jesus. I sent the Holy Spirit to fertilize with a “y” chromosome the seed (egg) in Mary’s womb to bring forth the baby as a male child “xy” whom I could begin to teach at an early age.<sup>8</sup> His life was not as easy as it looked to be.

“It was difficult for Jesus to endure the world for about thirty years while I patiently taught Him the six ways to perfection as outlined in your letter No. 117.

“His ministry started like yours. I had to fill Him with all the fullness of the Godhead bodily so as to guide Him in everything He did. Otherwise, I would have had another failure on My hands.

“Through man, Lucifer’s failure occurred. Through Man, therefore, My solution had to come forth, because that solution could have come no other way. My original creation of man to inhabit the earth was My final solution to overcome Satan’s rebellion. It had to be that way because I created man to live on the earth eternally. Since I could not reverse My original decision, I had to devise a way for eternal Man to overcome Lucifer’s failure.

“Jesus was that Man answer.

“He is My role model. He was My pioneer hero.

“For that reason, I have given Him My authority to overcome the enemy and to rule the earth to replace a fallen Lucifer.

“In My restoration plan, the importance to Me of My New First Family is second only to the importance of Jesus. Jesus is first. Those two are second.

---

<sup>7</sup>This is more new revelation. I, along with others, have presumed that man is under the Adamic sin curse and sin nature because of Adam’s sin. But here God corrects me by calling it the Satanic sin curse and sin nature because the fall of man was induced by Satan.

<sup>8</sup>Jesus was filled with the Holy Spirit from the womb as the first One to be baptized with the Holy Spirit. For this reason, He was teachable by the Father at an early age so as to confound the rabbis at the Temple at twelve years of age. An explanation of the “x” and the “y” chromosomes follows in this letter.

“Jesus was My first pioneer.

“Then My New First family will become My second pioneers.

“Jesus became perfect in an imperfect world to overcome Satan and to reestablish man in his rightful position on the earth.”<sup>9</sup>

In a similar manner, the two members of My New First Family are My pioneers to reestablish marriage and the home as My perfect societal unit in My economy, or in My kingdom on the earth.

“Jesus is to man as those two are to marriage and the home. Both are essential, but Jesus is the foundation. He had to come first that those two might be second. Both are essential, but Jesus comes first.

“For that reason, the husband and wife in My New First Family, will be enshrined in the final reconfigured Godhead. In time, that will be more impressive to you. So, as I said to you about Myself, My son, just bide your time for the present. In just a short while you will see these things come to pass. We’re almost there.

“As I release you, your biggest adjustment will be to do only the selective things I assign to you, while learning to ignore the others.

“You will become salt and light in an evil world ruled by Satan. **As people are drawn to you, I will allow you to minister. That’s the way it will work.**

“Understanding and accepting these things, My son, is your interim assignment today, prior to your release.

“The waiting, My son, is difficult. Your waiting has been the longest after Jesus, because of your importance to Me. Greater tasks require greater preparation, but you will like and enjoy the results I have prepared for you.

“My son, as you are released into ministry, you will minister to those who hunger and thirst for righteousness. That is what you will be doing. You will be dispensing righteousness as you war against the enemy.

“As I have previously said to you, the two members of My New First Family will attract **more attention** than Jesus did because they will be able to

---

<sup>9</sup>This is a prophetic word confirming that God Incarnate Jesus was a precursor of the thirteen God Incarnate apostles, soon to be released, and specifically a precursor of God’s New First Family who will do the second part to “reestablish man in his rightful position on the earth.”

minister unrestrictedly, whereas Jesus was restricted in what He could do so as to remain as bait to the enemy.

“Those two will attract world-wide attention. Particularly will that be true (1) as they are married and (2) as their new God Incarnate Son arrives.

“But I will be in them both as One, guiding them all the beautiful way of their life on the earth.

“The significant thing, My son, about their ministry at their marriage, is that this will have been accomplished in a fallen world ruled by Satan. That will spell to him and to his forces complete defeat for the first time!

“That’s why those two are so important to Me.”

<concluded at 7:38 AM>

Later at 8:42 AM the same morning

“My son, We become One when I penetrate your innermost being with Myself, as you become God Incarnate. That’s when Our marriage is consummated, the spiritual marriage, that is. The physical marriage of My New First Family will be consummated when the husband, as a spiritual virgin, penetrates the innermost being of his new beautiful virgin wife.

“They both will be restored in every way as Adam and Eve were at their marriage.

“My son, this is another way those two will be unique. They will be the first two God Incarnate man and woman to marry since before Lucifer failed Me. That’s a long, long time.

“That’s why there will be more rejoicing over their marriage than you can imagine. As I said to you previously, their marriage will attract more attention than did the marriage in London of Prince William of Wales, to Miss Katherine Middleton, at Westminster Abby on April 29, 2011.

“They (My New First Family) have a surprise or two in store for them, both before and after they remove their earthly cloaks, at the Rapture.

“You are now beginning to see (but yet to experience) that My training you had to be done slowly, in stages. You had to become ‘acclimated’ in stages, each step of the way, in order to be used by Me in the final stage of perfection.

“I may not marry (invade or penetrate) a polluted body, which would be adultery. A perfected body may exist in a fallen world, but only as a God Incarnate individual. That is also the only way My will

may be done on earth as it is in heaven.

“It is actually simple when seen by revelation. But until revelation comes, it will remain a mystery. That’s why the worldly wise will remain blind, and why and how those who are blind may see.

“Only by revelation may My plans be made known to man, and that means to enroll in My school of the prophets, where and when the student writes his own text. Isn’t that simple?<sup>10</sup>

“One who chooses to learn to listen to Me in these few remaining years of this rapture generation, will be blessed above all others. And that, My son, is not talking about salvation, but about blessings.

“And yes, as I reside within you in the fullness of the Godhead bodily, you will live in the world as a perfect child of God and become perfected with every act thereafter. And again, isn’t **THAT** simple?”

<concluded at 9:02 AM>

Later that morning

“And yes, My son, it is to fulfill, to content and to satisfy Myself, that you and the twelve others will have the most fruitful ministry ever. And that is why the third heaven is all abuzz about your ministry and that of twelve others.

“Then My cup will be overflowing once again. You are about to experience My lavish giving for which I have longed for many millennia.

“Go in peace today, My son. *My peace and My Aaronic blessings<sup>11</sup> attends you forever, beginning today.*

“Yes, My son, man and his wife as a God Incarnate couple, were My original concept to rule the earth and have dominion over it. That was the physical side of authority.

“But there had to be a spiritual authority to oversee and to supercede the physical authority. That was the original function of Lucifer and his angels. There was and there is much to do to keep My perfect world in perfection 24/7, or in eternity. **Both ways (now and in eternity) require spiritual and physical**

---

<sup>10</sup>The marvelous thing about this statement is that every believer today enrolls himself in God’s school of the prophets, as he learns to listen and spend quiet time with the Lord every day to journal His words. As he remains faithful, he thereby enrolls himself in God’s school of the prophets wherein the benefits are without limit.

<sup>11</sup>For the Aaronic blessing, see Numbers 6:24-26.

**rulership to remain perfect and perfected.**

“My son, nothing was overlooked in My original plans. That is why it hurt Me so to see it destroyed by a fallen Lucifer.

“So first, Jesus, then both members of My New First Family, bless Me more than they can now imagine. That will have to wait and await further developments, with which I may be fulfilled, and My New First Family will be right in the middle of the plans.

“There is a much greater blessing in learning to hear My voice daily 24/7 than there is in doing something for Me, for as one occupies himself in doing something for Me, he is deprived of hearing My voice 24/7. And it is by hearing My voice 24/7 that literally changes one from one degree of glory to another, by the power of hearing My creative words from My mouth. Nothing is greater than that.

“My son, it is true. A believer has three choices. If he sees something to do, he will do it. If he sees something to become, that will happen and if he sees and desires Me, that will also occur. And the latter is the greatest blessing.<sup>12</sup>

“My son, you and John are very much alike, and he knows of you and that he is your hero among the first apostles.”

<concluded at 9:25 AM>

### An introduction

Time and time again, I have been prompted to write an introduction to God’s prophetic words that He gives me, but I usually talk myself out of it by saying to myself, “It’s God’s word. Let Him speak for Himself.” However, the prophetic word He gave the morning of December 19, 2012, contains so many new revelations, I feel an introduction is in order. If nothing more, this prophetic word emphasizes the blessing of listening to God instead of talking to Him, because He knows more than we do.

New revelation abounds in this prophetic word – things that I never even imagined, and I have a rather vivid imagination after listening to and recording God’s words to me for many years. That, in itself, will not only change your life, but will also change the way you look at and the way you think about God, the Lord Jesus, all bible characters and about the bible itself.

---

<sup>12</sup>Someone who appears to be doing nothing for God may be engaged in the greatest work for Him. The best example is Jesus. For about thirty years, Jesus appeared to be doing nothing.

For me, the bible has changed from being scripture to read to reflect God's character with which to measure mine, to a book of scripture to look at objectively instead of subjectively. Until I learned to listen to God speak to me, I was never able to read or see the bible objectively.

I now know that Jehovah God gets angry, frustrated, disgusted and upset, for example, over things He cannot change because He, Himself, caused the problem, over which He has no control, but to wait on man, under His direction, to clean up the mess. I did not find that out by reading and studying the bible. I found that out by listening to God talk and tell me of His hurts, of His disappointments and of His righteous anger against Satan and of His unending patience and of His undying love for His people. Our God longs for someone – anyone – just to take time to listen **TO HIM**. That's all – just to listen to Him. That fulfills **HIS NEEDS**. And yes, He has needs that only one of His children can fill – by listening to Him.

I have found that Jehovah God, Himself, is not at all like I concluded from reading bible facts. He is not distant, aloof or unapproachable. He originally made man **AND** woman in His likeness and in His image, which means God Incarnate, but which also means **LIKE HIM**. For example, in the prophetic word to follow, He speaks of a changed and much improved bloodline for mankind. Never had I ever thought of such. His new beginning for man and His final restoration plan is revealed in this word. Why a physical bloodline is always polluted so that a spiritual bloodline becomes essential is explained.

He also speaks of the beginning of signs and wonders, of one greater than Solomon, of Godhead enshrinement and of the importance of hearing His voice, none of which I would have known without listening to Him.

By listening to God, I have learned things that are interesting and exciting, some of which I cannot reveal now, but which contain unbelievable blessings, only because I did nothing but listen to Our God.

Listening to our God talk to you will put a spring in your step, and regardless of your age, will make life worth living all over again, day after day after day.

Here is His prophetic word:

**Wednesday, December 19, 2012**

“Yes, My son, because the husband and the wife

of My New First Family will reestablish the perfection of **My bloodline on the earth, they will be remade as My pristine example in the similitude of Adam and Eve.**<sup>13</sup>

“My Son, those two will become My role model for **EVERYONE** to see – for **EVERYONE** to emulate.<sup>14</sup> Yes, that will be the principle reason for Me to showcase them **to everyone – to the world.**

“As those two teach that learning to listen for and to hear My voice daily and become obedient thereunto is the reason they have become God Incarnate, that will become incentive for those who are hungry, to attend their teaching/ministering sessions.

“The confirming signs, wonders and miracles will serve to reinforce **EVERYTHING** they teach.

**“Since those two will become the reestablishment<sup>15</sup> of the perfection of My bloodline on the earth,** I will be free to make them both perfect in appearance and perfect in all they do, for others to emulate.

“Secondly, as you publish your letter No. 158, that will free Me to release **BOTH** of Us (God's New First Family and Himself) for the first time since Lucifer's failure.<sup>16</sup>

My son, no one has seen Me for who I really am since the failure of Eve and Adam. The husband and wife in My New First Family are going to start **ALL OVER AGAIN** to reestablish mankind **ON THE**

<sup>13</sup>This word on God's bloodline is new. Never previously has God said anything about establishing a **new bloodline.** Establishing a new bloodline in the similitude of Adam and Eve means that God's New First Family will have a perfect beginning, completely freed of the curses pronounced on both Eve and Adam and upon their superabundance, all of which will take place about 6000 years after the failure of Eve and Adam.

<sup>14</sup>This means that as Jesus opened a door through which others may walk to God, God's New First Family will also open a second door through others may walk to enter the same perfection as God's New First Family and as Adam and Eve were before sin.

<sup>15</sup>The word “reestablishment” implies that the perfect bloodline was established previously, but ended in failure.

<sup>16</sup>**This is another first!** Notice that the content of my letter No. 158 (published 1/15/13) will free both God's New First Family and Jehovah God, Himself, for the first time since Lucifer's failure. **Nothing more significant is written in this letter, which contains several significant firsts.** Please read my letter No. 158 posted on my website [www.jimash3.com](http://www.jimash3.com) if you do not have a copy in your files.

**EARTH FOR ETERNITY!** As their New marriage is consummated, so will My marriage to them be consummated simultaneously. **Both of Us (the husband in God's New First Family and Jehovah God), My son, will simultaneously have new wives thrust into eternity forever.**<sup>17</sup>

“That will free Me to be Myself for which I have longed for millennia. Then I may relish Myself on them both as My cherished wife for which I have longed since Lucifer's failure.

“As I have previously said, those two will have no need, want or desire that I will not fill to overflowing. My loving generosity will be seen **FOR THE FIRST TIME** since Adam's failure.

“Solomon will not be able to ‘hold a light’ to the blessings I have in store for those two. Solomon's life in old age became miserable and shameful. His mistakes through embracing the idolatry of his many wives ***polluted his bloodline***. True, he was a good administrator and his reign as king was peaceful, but beyond that, he was My failure. In honoring him, I honored his father, David.

“So in every way, I will be able to showcase those two as **MY NEW FIRST FAMILY** – as **MY NEW FIRST WIFE** in eternity that I, as Jehovah God, have **NEVER EXPERIENCED PREVIOUSLY**.

“So this will be **NEW** for those two but will also be new for Me as well. So get ready! We both (My New First Family and Myself) are on the threshold of establishing on the earth for the first time **ETERNALLY, *My new perfect bloodline on the earth.***

“As you say, those two will really be ‘a piece of work’ – *a piece of My work, that is!*

“So those two, then those three, along with Myself, as Jehovah God, will be experiencing new life on the earth while simultaneously establishing precedence for My body (My new wife) on the earth for the first time **ETERNALLY**.

“Then, after the Rapture, another precedent will

---

<sup>17</sup>***This is new and is a most significant statement. The two marriages mentioned in this paragraph will actually mark the beginning of what God has had in mind since He began His reconstruction process beginning with Genesis 1:3.*** This actually describes Earth One before Lucifer's failure as well as the New Jerusalem!

be established for eternity. Those two will be enshrined into the Godhead - into My finally reconfigured Godhead permanently, alongside of Jesus.

“There is likewise special recognition for their new God Incarnate Son. Remember, He also is a first, along with those two.

“So, all in all, those two – then those three – and the three of Us have quite a pathway ahead of Us, one for which I have longed for millennia.”

<end of prophetic word>

#### **Commentary on the above prophetic word**

Three times in this word, God prophesies that His New First Family will establish or reestablish His perfect bloodline on the earth ***eternally***. This will be the third time that His perfect God Incarnate bloodline has been established. The first time was on Earth One that ended in failure. The second time was in Adam and Eve on Earth Two, which also ended in failure. His third time, through two Gentiles, will be successful eternally. This means that two God Incarnate Gentile apostles will establish God's perfect bloodline on the earth forever. The fact that two Gentiles will do this is most significant.

This confirms that God **NEVER** intended to establish His physical bloodline through the Jews exclusively because they refused Jesus and His efficacious work at the cross.

God established a bloodline, beginning with Abram, to bring forth Messiah. But then the Jews rejected their Messiah, so God chose two Gentiles to complete His restoration work prior to the Rapture – *restoration work* meaning the restoration of everything mankind lost through the sin of Adam and Eve. The curses pronounced on Eve, on Adam and on God's abundance, must of necessity be reversed and the lost blessings restored prior to the close of the church age and prior to the Rapture, else Satan will have demonstrated his mastery over God, and that will not happen.

Those two Gentiles will be enshrined in the final reconfigured Godhead. That means one Jewish Messiah **AND** two Gentiles will be used to restore that which Satan stole from God. This validates the fact that severing of the veil in the Temple opened the way to God to both Jews and Gentiles alike thereafter. This is a most significant revelation and is an admonition to Messianic Jews of the lessening of the Jewish bloodline and the law of Moses *in favor of the*

acknowledgment to Gentiles, as well.

**God's eternal bloodline is being established by Godliness, instead of through a physical ancestry lineage, which therefore emphasizes faith over law.**

The law was given to divorce man from Satan. That's why it was so harsh. This is most remarkable. But it is in line with the fact that both Adam and Eve were God Incarnate and that they would have established God's new eternal bloodline themselves had they not failed.

This means that two Gentiles will have passed the same Six Measure Standard that Jesus passed prior to His visible ministry in order to establish forever God's new bloodline on the earth, after the similitude of Adam and Eve.

If this seems too harsh and critical of the Jewish physical bloodline, think again. Time and again the Jewish bloodline was contaminated by sin. Solomon, who was in the Jewish bloodline of the Messiah (Matthew 1:6), is only one example. This should be no surprise, since Jesus called the Jewish leaders, who knew and obeyed the law of Moses, hypocrites, white washed sepulchers, full of dead men's bones, who, He said, would travel land and sea to make one proselyte, and when he was won, he would be twice as much a son of hell as they were. See these words of Jesus in Matthew 23:1-39 for His scathing rebuke of the Jewish leaders. Look at the history of Israel. If you would plot Israel's history on a graph, it would look the Dow - Jones averages.

Yes, the Messiah came through the physical Jewish bloodline, but through a young Jewish virgin (betrothed to a Jewish man), who was impregnated by the Holy Spirit with a "y" chromosome so the infant would be a male "xy" baby Jesus, who was Spirit filled from His mothers womb. Scribes and Pharisees, prominent in the time of Jesus, whom Jesus rebuked so severely, had representation on the Sanhedrin, the supreme ruling body of the Jews.

The bloodline revealed in this prophetic word from God is a pure bloodline, through God's New First Family, both of whom were purified and cleansed retroactively, through the nine-point cleansing prayer back to conception in the womb without sin, just as Jesus was conceived concurrently in time without sin, from the womb of a pure virgin by the Holy Spirit of God. God's New First Family is His third and final attempt to establish eternally, His pure bloodline through two God Incarnate apostles.

<end of commentary>

The evening of Friday, October 18, 2013, we attended a Jewish "Shabbat" in the apartment of Tony Vera. Afterward, at Tony's invitation, as I was sharing about hearing the voice of God, Diana Cawthorn prophesied that listening to the voice of God will change your DNA. That triggered a response in my spirit, after which I did a little research and then wrote the following on November 3, 2013:

DNA is an acronym for **d**eoxyribo**n**ucleic **a**cid, which is a self replacing material present in man as the main constituent of chromosomes that determines **the fundamental characteristics or qualities\*\* of man.**

Males have one "x" chromosome and one "y" chromosome (xy). Females have two "x" chromosomes (xx).

When the "x" chromosome in the sperm of man, unites with the "x" chromosome in the egg in the womb of woman, the baby will be a female (xx).

When the "y" chromosome in the sperm of man, unites with the "x" chromosome in the egg in the womb of woman, the baby will be a male (xy).

Therefore the male determines the sex of a baby. This is why genealogy in the bible is most always through the male.

Every Word (rhema) of God contains seven characteristics\*\* of God. They are: spirit, life, love, truth, light, food (spiritual) and faith (which comes by hearing).

When you learn to listen to the voice (rhema) of God, each Word (rhema) you hear contains small quantities of those seven attributes of God. Each of those seven attributes is residual and cumulative.

Everything you see with the naked eye, as well as everything in the unseen spirit world, was created by the spoken Word of God.

God's spoken Word (rhema) is always creative. **You cannot learn to listen to the Word (rhema) of God daily and remain the same.** Therefore, when you learn to listen to the voice of God daily, and become obedient, faithful and trustworthy thereunto, that will begin to change your DNA.

God introduced the Listening Method in the latter part of the this rapture generation as the next step to becoming God Incarnate. Here is the method of progression into God Incarnate status:

(1) The creation of God Incarnate Adam and Eve.

(2) Satan's deception of Eve and Adam; hence the establishment of:

(3) The Satanic sin curse and sin nature on man.

(4) The call of Abraham and the progression to Moses to establish the Law.

(5) The Law of Moses given to divorce man from Satan. God had to clean up man on the outside before He could deposit His Spirit inside of man.

(6) The cross and resurrection to establish the church with Holy Spirit baptism.

(7) The Listening method in the last half of this rapture generation to establish Godhead baptism.

(8) Two God Incarnate apostles (a man and a woman) marry as God's New First Family, to reverse God's curses pronounced on Eve (woman), Adam (man) and on God's abundance, to restore everything lost by Adam's sin.

(9) A God Incarnate Son born to God's New First Family will finally spell the doom of Satan at which time he will speed up his take-over preparation during the seven-year Tribulation.

The ministry of the thirteen God Incarnate apostles will bring in the last abundant harvest prior to the rapture of the church.

As Jesus opened a door through which man may walk to God, God's New First Family will open a second door through which others may walk to restore everything lost by Adam's sin.

Therefore, through God's New First Family, He will have come full circle to restore to man everything man lost through sin.

After the Rapture, those two members of God's New First Family will be enshrined forever into the finally reconfigured Godhead.

Hence, in these few remaining years of this rapture generation, the Listening Method may change man's DNA fundamental characteristics or qualities\*\* from the sin curse and sin nature of Satan to the God Incarnate status of everyone on Earth One originally, as Adam and Eve were originally, as Jesus was in His visible ministry and as God's New First Family will be eternally.

Then God will have come full circle to defeat the enemy in preparation for the rapture of the church to close out the church age.

God "armed" the Holy Spirit with a "y" chromosome to fertilize the egg (seed) in Mary's womb so that the baby (Jesus) would be a male child (xy).

God will "arm" the sperm of the husband in His

New First Family with a "y" chromosome to impregnate his wife so that the baby will be a male God Incarnate child (xy). The reason this is significant is because within God's New First God Incarnate Son will be the capability to produce both God Incarnate male (xy) and God Incarnate female (xx) offspring to forever reestablish on the earth God's perfect DNA bloodline of God Incarnate mankind.

Hence the supernatural detail planning of our God is beyond man's comprehension, all because of His love for mankind.

All of this will be done so that once again, Jehovah God will have a family and wife within whom he may deposit Himself in the fullness of the Godhead bodily to content, satisfy and fulfill Jehovah God, in the same way each God Incarnate groom desires to deposit himself within his God Incarnate bride to content, satisfy and fulfill them both.

As God Incarnate Adam was incomplete without Eve as his God Incarnate wife, in whom he could deposit himself, to content, satisfy and fulfill them both, so Jehovah God is incomplete without a family and wife within whom He may deposit Himself in the fullness of the Godhead bodily to content, satisfy and fulfill Himself. Therein only is Jehovah God contented, satisfied and fulfilled while simultaneously mankind is contented, satisfied and fulfilled

Only then may Jehovah God be Himself once again as He was for millennia on Earth One before the failure of Lucifer.

Hence, the importance of God's New First Family who will change the DNA bloodline of mankind forever – this time never to be violated again.

All praise, glory and honor to our God who has patiently awaited these last few years of this rapture generation.

With the appearance of God's New First Family and the other eleven God Incarnate apostles, multitudes will enter the kingdom in preparation for the rapture of the church to begin the seven-year Tribulation.

God's loving generosity will be manifested in His New First Family and wife for the first time since the transgression of Eve and Adam. Their every need, want and desire will be filled to an abundant overflowing as never before seen on the earth.

How gracious, patient, kind, loving and forgiving is our God.
