**Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation**

### RHEMA TALK FROM JIM'S JOURNAL

Tuesday, November 15, 2011

"Just busy yourself at what you know to do and I will take care of the rest.

"The sermon on the mount is about being freed of law.<sup>1</sup> Law gives you just enough. When you disobey the law, you do not get enough. When you obey the law, you get just enough. When you go beyond the law, you get more than enough.

"Giving more than enough is called grace.

"Giving more than enough frees you of law.

"Giving more than enough brings blessings.

"Giving more than enough brings unexpected blessings.

"Giving is a measure of grace.

"Jesus saw Peter and his partners who had been fishing all night and caught nothing. The disciples saw Jesus but were not affected until Jesus said push away from the shore and cast your nets. The result was two boat loads of fish. Only then was Peter convicted of his sin\*\* (Luke 5:8). That demonstration of grace convicted Peter while he was unaffected by the presence of Jesus.

"By grace you have been saved, not of works, lest any man should boast.

"The cross of Jesus was God's grace to the world.

"It is God's grace that saves us.

"It is God' grace that motivates us.

"It is God's grace that convicts us.

"It is God's grace that reveals who we are.\*\*

"It is God's grace that draws us to Him.

"It is God's grace that reveals who He is.

"Grace demonstrated through love is the most powerful force in heaven and the earth.

"One who lives in grace is freed of law.

"One who lives in grace has no need of law.

"For God so loved the world that He gave – is

---

<sup>1</sup>This is the most objective and profoundly inclusive statement about the teaching of Jesus in the sermon on the mount, that I have ever heard – and that one statement is only the beginning!

grace in motion – is grace in action.

"Grace negates the need for law.

"Law restrains.

"Grace (love in action) compels.

"Grace divorces one from self.

"Grace motivated by love is descriptive of the life of Jesus on the earth.

"Law is about getting.

"Grace is about giving.

"Go and do likewise.

"Only as we move out beyond self to others do we become salt and light – do we become leaven that will leaven the whole lump – will we draw others to our Lord – will we become the light of the world for others.

"When we become light, others see not ourselves, but the light – the light of the world.

"To go one mile is law.

"To go two miles is grace, freed of law.

"Grace renders law null and void.

"Grace motivated by love fulfills the law and is therefore unrestrained and unaffected by law. Grace renders law of no effect.

**"The way Jesus fulfilled the Law (and the Prophets) was by offering grace through love.<sup>2</sup>** He did not obey 613 laws of Moses. He fulfilled the law of Moses. He rendered the law of Moses null and void through grace offered in love.

"The law was necessary to bring us to Christ, but when that occurs, the law is rendered null and void by His grace offered through love.

"Rewards are earned through law.

"Rewards that are not earned (grace) are given through love.

"Rewards earned through law point to self.

---

<sup>2</sup>Fulfilling the Law and the Prophets by ***offering grace through love*** (only four words) is just one more example of the profundity of this treatise from the mouth of God on law and grace. Consider the total number of words in both the Law of Moses and the Prophets being fulfilled by four words of Jesus and you get some idea of the impact of these prophetic words received the morning of November 15, 2011. ***Offering grace through love*** (four words), that fulfills both the Law and the Prophets, is the same thing in principle that Jesus said in thirteen words as recorded in Matthew 7:12.

“Rewards given through grace prompted by love demonstrate self denied.

“Law obeyed exalts self.

“Grace through love denies self – renders self null and void.

“Law is about getting.

“Grace is about giving.

“Jesus of Nazareth went about doing good and healing those who had been maimed by the enemy.

“Law says you deserve it.

“Grace says you don’t.

“Grace without love is a bribe (self).

“Grace without love, says return the favor (self)

“Until self dies, law will prevail by which no man may be justified.

“Law is good in that it restrains one from evil.

“Grace demonstrated through love has no need for law, although it obeys the law in every point.

“Jesus operated by grace through love, and thereby fulfilled the law while not consciously obeying the law. Law has no hold on grace through love.

“Jesus did not obey the 613 laws of Moses. That’s preposterous.<sup>3</sup> Many of those laws did not apply to Him and He therefore could not have obeyed them. You cannot be justified by that which you cannot obey.

“Jesus fulfilled (not obeyed) all 613 laws of Moses (and the Prophets) by living His following words recorded in Matthew, chapter 7:

**12** Therefore, whatever you want men to do to you, do also to them, for ***this is the Law and the Prophets.***

“When Jesus came along and offered grace through love in the place of law, the law keepers killed Him. The old wine of Moses was better than the new wine of Jesus until the first Pentecost after His resurrection. Three thousand Jews and proselytes were

---

<sup>3</sup>The reason Jesus could not have obeyed the 613 laws of Moses is because parts of the law governed marriage, divorce and family life. He was never married and never had the responsibility of a wife and family. Parts of the law governed business practices, employees and slaves, neither of which He experienced. There are many other parts of the “Law” He could not have obeyed, but these examples will suffice as evidence that Jesus could have never obeyed the 613 laws of Moses, but fulfilled them all and the Prophets, by living one single verse that came out of His mouth in “the sermon the mount.” The source of every word that came out of His mouth was the Father. See Jim Ash letter No. 93.

saved that day but that did not stop the law givers, the law keepers and the law teachers. They continued to kill the grace keepers for many years.

“That persecution continues today.

“Those who live a Godly life in Christ Jesus will suffer persecution. But I put you on notice. Now **NEW** wine is about to be offered to the world and to the church **with similar results.**

“The common people will receive it gladly (Mark 12:37), while the law keepers will like the Old wine of Pentecost better than the **NEW** wine of listening to God’s voice 24/7.”

#### **Tuesday, November 11, 2011**

“What you have been imagining will take place.

“What I am preparing you for is perfection. As you know, that may only occur when I baptize you (fill you) with all the fullness of the Godhead bodily.

“There is nothing like My word and its affect upon the one for whom it is given. That word feeds and administers life, love, grace, mercy and contentment simultaneously.

“This gives you some idea of what it is like to be filled with the fullness of the Godhead bodily. As that occurs, man discovers for the first time why he was created.

“Man was created first to complete, content, satisfy and to fulfill Me, as Jehovah God, while man is simultaneously perfected.

“I am perfected by man and by Me, by Myself, man is perfected. What I long for perfects man.

“What I long for perfects both man and Myself.

“Man was made for Me and I was made for man.

“Man was created to perfect and to fulfill both Myself and himself.

“Man was created to fulfill Me, and I am that man may be contented, fulfilled and perfected.

“Man becomes to Me spiritually what man becomes to woman physically when both man and woman are filled with all the fullness of the Godhead bodily and become one in marriage.

“My son, I have just described what I lost when Lucifer stole My first wife. And that is what I have been about restoring for lo, these many millennia.

“All of this was accomplished initially on Earth One until Lucifer failed. All of My efforts, all of My activities since Lucifer’s failure, have been put forth to

reestablish that same relationship I had with man as My physical wife on Earth One.

“As you know, the reason for the delay has been that I have had to be governed by My spoken words of creation of Earth One. That is why the restoration has been difficult. And that is what still grieves Me.

**“NEVER, NEVER did I ever plan to destroy ANYTHING!** All destruction and destructive activities that have ever occurred on the earth have been brought about by a fallen Lucifer, either directly or indirectly.

“That is why I am so blessed when someone, when anyone, prompted by My love, will turn to Me in his imperfect ways, to be loved, blessed and to be used by Me to defeat Our common foe.

“You see, I, (as well as Satan), am limited by My words of creation of Earth One, in what I can do to call man back to Me. That is what has made it difficult for Me.

“I was obligated by My own spoken words of creation of Earth One, to give Satan equal representation (equal access to man) in the midst of the garden of Eden, knowing full well, that he would tempt Adam to failure.

“But that was the only way that I could begin again.

“So you see My dilemma. I had to work out a plan to restore the earth through man, for it was through man that Earth One failed. I therefore, knew that Satan would lead many to destruction with his evil deceptive ways before I could gain control of My creation through man, the source of My failure.

“And that, My son, is why I rejoice at the soon release of My special thirteen God Incarnate apostles.

“The first two, as the husband and wife of My New First Family, and their new God Incarnate Son, will forever reestablish My victory over our common foe, by faith through love. Those two and then those three, will prove once and forever, the value of and the victory in My words: ‘For God so loved the world that He gave . . . . .’

“When I gave the world My only begotten Son, that was done with victory over the enemy in mind. So you see, giving is My mark of perfection, while getting is the mark of self, for self is Satan’s weapon of choice.

“The reason you (and the twelve) will become perfect without sin when I enter you at your release is because at that moment, you will conform to the

perfection of the Godhead bodily. Thereafter, I will lead, guide and direct all of your activities. You therefore, will begin in perfection and will be perfected day by day as I direct your activities. Perfection of man is only obtained and attained by the presence of My fullness within man.

“God Incarnate man thusly perfects Me as Jehovah God, as I perfect him – a marriage made in heaven.

“As the two members of My New First Family become one in marriage, they will both experience total oneness physically and spiritually ***for the first time since before Lucifer failed.***<sup>4</sup>

“The only way they will be able to comprehend the importance of their new marriage and the birth of their new Son is after I remove their earthly cloaks at the Rapture. Even then, a number of things must occur before the total impact of their marriage may be realized and experienced.

“Those are some goodies I have reserved for Myself and for those two for My joy and for My pleasure.”

#### **An explanation**

On the dates the following rhema words were received from the Lord, He had been training me for about fifteen years. That extends to about *seventeen years from the date this letter is published*. When you know God is preparing you for an assignment and your training takes that long, time grows long – very long – in the waiting. Although God gives me words of encouragement to keep my interest, nevertheless, on occasion, waiting causes me to become weary – very weary in well-doing. His words on the two following consecutive days are His encouragement to me. They contain redundancies, but they are His redundancies for my encouragement – they are His way of encouraging me to “keep the faith” and to look forward undauntingly to the work that lies ahead at my release.

By reading these encouraging words to me, you can see more of the grace, mercy and love of our God as revealed in an intimate way, that I want you to experience with me.

---

<sup>4</sup>This statement once again portends the profound importance of God’s New First Family, in His total scheme of redemption and restoration of the personal losses sustained by Adam and Eve in Eden.

**Sunday, January 22, 2012**

“Yes, My son, your Day of the Lord draws near with each passing day. Don’t give up on Me. Just know that **ANY** delay is because of something that is **VERY IMPORTANT** that I must see to first.

“Do you not yet know that I, Jehovah God, am far more interested in your release than you are? My wait for you is even beyond your grasp. I want to be sure that **EVERYTHING** is in order.

“When I have seen to details ***that you have not seen***, is when I will literally thrust you from the scene as Myself – as no one but Myself may accomplish.

“And remember, I know how to get people’s attention. I did it with Ananias and Sapphira. I did it with Elijah and the 450 prophets of Baal. So rest assured, I can do it again. And this time I will do it through you and twelve others. But as you know, you will be the leader/mentor of the other twelve because I have trained you in areas beyond that of the other twelve.

“So sit steady in the boat for a little longer and We will do some fancy water walking<sup>5</sup> in plain open view for everyone to see.

*(Here I prayed in tongues for a short while and here is His response:)*

“My son I hear your cry. Patience with Me for just a little longer.”

**Monday, January 23, 2012**

“My son, I know you grow tired of waiting. But you are in good company, an elite company of ‘one among thirteen,’ I might add. Jesus of Nazareth was in training for about thirty years before I released Him.

“I know you are ‘waiting’ under different circumstances. But the reason for your waiting is the same as that of Jesus of Nazareth who waited for about thirty years.

“It was in the fullness of time that I brought Jesus on the scene.

“Do you realize I could have picked a young Jewish woman a hundred years before I chose Mary? But then the timing would not have been right.

“My picking Mary to birth Jesus of Nazareth

---

<sup>5</sup>Water walking” is a term God uses that refers to signs, wonders and miracles that will confirm the teaching of the thirteen.

was My third bold step<sup>6</sup> in My overall spiritual warfare strategy against Satan.

“My son, please listen to Me. My overall spiritual warfare strategy against the enemy is designed to defeat him and divorce him completely from My earth I created for Myself. Therefore, ***all of my strategic planning*** to war against the enemy is designed around what I, as Jehovah God, **see him doing**.

“All of My strategic warfare is planned, or ‘dictated,’ if you please, by what I see Satan doing on the earth and also in the unseen realm.

“In the lives of man, what I am doing would be called military intelligence. My son, I am gathering military intelligence on an enemy **YOU** cannot see. That, or “he,” is dictating **My** military strategy.<sup>7</sup>

“If this seems ‘odd’ or ‘unusual’ or ‘strange’ to you, look back over the approximate 6000 years of Earth Two and Earth Three.<sup>8</sup> Add to that the millennia that Earth One existed in perfection. Then add the millennia I spent in planning strategically to take over My earth and mankind stolen from Me, and you will have some idea of how powerful and efficient the enemy is.

“Then add to these many millennia, the fact that I was not just dealing with the affect of Satan’s evil on the earth, I was also dealing with him and his forces in the unseen (in the air) as Daniel encountered.

“Remember that it was twenty-one days before I could send an angel to answer Daniel’s (one man’s) prayer because of the activity of the enemy. And that was only **ONE INCIDENT** revealed in the bible – **only one, My son, for there were many of those**.

“And although Daniel’s job was important, it was of lesser importance to Me than the jobs I have assigned to you and to the twelve.

---

<sup>6</sup>Step one was Abraham; step two was Moses; step three was Jesus.

<sup>7</sup>The fact that Satan – not God – dictates God’s military strategy in this war between those two gives one a different idea about God who is omnipotent. Omnipotent, therefore, does not mean all-powerful, or powerful in the absolute so as to be able to do anything He chooses to do, otherwise He would do away with Satan **NOW – INSTANTLY**. Learning to listen to God’s voice 24/7 will allow us to see many bible facts objectively according to His truth, instead of according to our occasionally erroneous conclusions obtained only by reading the bible.

<sup>8</sup>Earth Two is from Adam to the flood survived only by Noah and his family. Earth Three is from the flood to the present. Earth One is the pre-Adamic earth.

“Your job, My son, is to strike an unexpected massive blow to the enemy that will render a coup’ de grace’ to him. He does not yet know that I am going to give you greater supernatural tools than I gave to Jesus, just as he did not know about the supernatural tools I gave to Jesus until He was released into His ministry. Your having greater supernatural tools than Jesus had in order to defeat Satan permanently, will come as a surprise tactic to the enemy. That is what got Satan’s attention after the resurrection and that is what will get Satan’s attention, big time, after your release.<sup>9</sup>

“Then remember that **EVERYTHING** I directed Jesus to do was secreted under ‘wraps’ until the first Pentecost after the resurrection.

“Now consider what I have called you to do. When I release you, for the first time, that will toll the death knell of Satan in wide-open view for **EVERYONE** to see.

“That is going to incense him but it will be too late to do anything about it. *I am awaiting the fullness of time for your soon release.* The ‘fullness of time’ means that everything in the visible world and everything in the invisible world is in order for the next planned event.

“The song lyrics I gave you this morning are an indication of the nearness of your release.<sup>10</sup> Patience, My son. Your release means **MUCH MORE** to Me, as Jehovah God, than you can know.

“We are almost there. The next step will occur suddenly but within My overall plan for man. That plan will include the restoration of marriage and the home to their rightful places by My New First Family, as My first eternal wife and societal unit on the earth.

“The accomplishments of My New First Family are enough to enshrine those two in My finally reconfigured Godhead forever.”

---

<sup>9</sup>During His visible ministry, God Incarnate Jesus was anointed (filled) with the fullness of the Godhead bodily (Col.2:9) which were the three persons of the Godhead, the Father, the Word and the Spirit. All thirteen God Incarnate apostles will also be filled with the fullness of the Godhead bodily, however that now is the Father, the Son (inclusive of the Word) and the Spirit. There is now greater power (authority) in the Godhead bodily than there was during the visible ministry of Jesus because now the Godhead bodily is inclusive of the resurrected Jesus!

<sup>10</sup>It is not unusual for God to give me song lyrics to prophesy to me the meaning of an event that has happened or an event that will occur in the future.

#### Commentary on the word given on January 22 & 23, 2012

It is remarkable to me that God would take His time to minister to me – one individual – with words of encouragement and explanation. This tells you and me volumes about God’s care for just one individual – whether that is you or me. His love for us – each one of us – is never exhausted, regardless of our conduct or disobedience. All He wants is someone – anyone – who will say to Him, “Here am I Lord – use me.” This also underscores the blessing of learning to Hear His voice 24/7 – that alone is priceless. And remember, you have the ability to learn to hear His voice every day. If He will do it for me, He will do it for you. My life is testimony to that truth and to the reality of the attendant blessings.

#### Saturday, February 4, 2012

“Yes, My son, there is no way to get real understanding of the bible on your own. By self effort with My assistance, you may learn some of the hidden things of scripture. But the best way to understand the bible, that is, to comprehend its meaning (of the bible), is to listen to Me.

“**My son, I, Jehovah God, am the only one who can explain what I have written.** The enemy would have you to think that you, through self effort, can understand the deeper things about the written word, but that is just another of his ways to keep you from Me.

“Remember, if the enemy can thwart your effort to learn of Me by diverting your attention to what you, yourself, can do, he will do it. That’s the way he becomes victorious.

“This is why (name omitted\*) said you had been listening to Satan. That is Satan’s way of discrediting a prophet of Mine. That has always been his way. Satan discredits My prophets by pointing to himself. That’s what (name omitted\*) did or how Satan used him. Since what you wrote did not line up with his understanding of the bible, your information had to come from the enemy. That’s how sly and clever the enemy is.

“And yes, it might be a good idea to write a synopsis of the realization of My call on the life of the husband of My New First Family as a back-up for Jesus, had He failed to go the cross. That will be a good thing to record now.

“No one else, My son, has had that call on their life but him. That is why he **AND** his new wife will be in My reconfigured Godhead.

“He has taken somewhat lightly My call on his life as a back-up for Jesus, which I understand. But when you stop to think that I had no back-up for him, that should tell you something about Me and about him.

“The fact that I had a back up for Jesus and had no back-up for him speaks volumes.

“No one will understand this who is unable to relate eternity to time and time to eternity. One must understand that I have always existed in eternity and that I am not governed by time in order to understand retroactive occurrences in time.

“My son, the husband in My New First Family was chosen as My back-up for Jesus from the foundation of the world, that is, the world that Adam saw.

“I have not said this to you previously because you have had enough on your plate. But because I exist in eternity, not in time, I see things from the end to the beginning in time.

“I therefore saw both Jesus **AND** the husband in My New First Family from the foundation of the world, World Two, that is. This is why your terms World One, Two, Three and Four are important.

“Now you may be able to understand why both the husband and the wife in My New First Family will be in My finally reconfigured Godhead.

“You now may know that, along with the husband, I saw his **NEW** wife from the foundation of Earth Two. She fits in this picture as he does. They both were in My plans from the foundation of the world. This means that only after Jesus went to the cross could I proceed with final plans for the husband. After the cross, I could then place him with his new wife in their proper places.

“This places him **AND** his new wife on equal footing as Adam and Eve were originally as revealed in Genesis 1:26-28.

“This tells you something about My plans you have not known before. No one else but Jesus knows of these details. This is why the husband will have His signet ring authority on Our return to earth.

“This places the husband **AND** his new wife in a position of unique spiritual prominence, in the same fashion as Jesus was first placed. The elevation of His

(Jesus’) status provided for the elevation of the status of both members of My New First Family.

“Now you know more of My plans than anyone on the earth – more than anyone except Jesus.

“Yes, you are correct again. The roles for Jesus and for both members of My New First Family had to be in My plans before Genesis 1:3 in order for My plans to be complete. Your skeptics will have a good time with this one. But you know this information must be made public by another of My servants for it to be most effective.

“My son, the husband in My New First Family is more important to Me and to My plans to restore man and the earth than he has realized and more than he can know fully until after the Rapture.

“And, yes, remember the common people heard Him (Jesus) gladly [Mark 12:37 (b)]. So it will be with you initially. But you will have an advantage that Jesus did not have. His cross opened the way for you to have complete freedom to shout to the housetops that which He (Jesus) had to carry to the cross.

“You and the twelve will be completely free to openly and publically proclaim to the world **EVERYTHING** I put on your heart to say and to do. You realize that Jesus did not have that privilege.

“This is why your ministry and the ministry of My New First Family will be one of pure joy for all the world **AND** the church to see, to admire and to emulate.

“Yes, My son, Jesus lived in time but saw in the spirit. One filled with the fullness of the Godhead bodily has **MANY SUPERNATURAL AMENITIES** unavailable otherwise.”

#### Monday, February 13, 2012

“Yes, My son, meditation is what you did before you got out of bed this morning. In your own mind you were thinking about how to teach what I have taught you – how to say in words that truth – how to use your experience to prove the validity of that truth.

“You were meditating on the word I gave – on the words I had given you.

“Thinking about the word – how to use it – how to share it effectively is called meditating on the word. Meditating on the word allows it to stay alive in your spirit – in your mind. Meditating on the word also allows the word to mold you into My servant – into a more effective servant.

**“Meditating on the rhema word imparts spiritual growth unattainable any other way. Meditating on *rhema words* I have given you allows the *rhema word* to conform you to itself – to conform you to that *rhema word* wherein there is My life.”<sup>11</sup>**

**“As you listen to My *rhema words* for a sufficient period of time according to My Standard, you will become Me, Jehovah God. *There is no other way to become Me in this world.***

“The same thing will occur at the Rapture. But the more of Me, that is, the more of My rhema words you hear before the Rapture, the more use you can be to Me prior to the Rapture and the more use you will be to Me after the Rapture. This is because, when We return to the earth at the Armageddon insurrection, We will have a world to rule over.

“The more rhema words you hear, the greater use to Me you may become both prior to **AND** after the Rapture. Both are important! If you will devote yourself to hearing My voice 24/7 today, you will be of more use to Me in bringing in the abundant harvest **PRIOR TO** the Rapture **AND** you will be of more use to Me **AFTER** the Rapture.

“The amount of time you devote to hearing My voice before the Rapture, the more you may help Me with the pre-rapture harvest and the more you may help Me with the administration of the world upon Our return.

*“My son, this may be taught effectively as I have outlined it to you this morning.*

“Salvation today is not just about escaping from hell, it is about helping Me to bring in the harvest **AND** helping Me to rule the world during the Millennium.

“Serving Me today by learning to hear My voice 24/7 is about displacing the present ruler of the world with Myself and My contingent of Saints (or angels). That’s what it is all about. It’s about denouncing and replacing Satan and his forces, as taking one step toward the New Jerusalem and toward the restoration of

---

<sup>11</sup>Every *rhema word* you hear from the mouth of God contains spirit, life, love, truth, light, food (spiritual) and faith (which comes by hearing), which are seven attributes of God. These attributes of God are residual and cumulative and gradually transform you into preparation to become God Incarnate.

the earth to the Earth One standard prior to Lucifer’s failure.

“My son, you are free to teach that by hearing My voice 24/7, one may be transformed into Me – into Jehovah God, that is. That is the way the thirteen of you will become God Incarnate and that is the way others you teach may become God Incarnate under your ministry!

“My son, I am looking for servants who want to serve Me. I want the world wrested from the control of Satan and placed once again in My hands. That is what you are called to do – to help Me to attain. That’s where We are going.

“Those who are willing to pay the price of abstaining from self to serve Me will be rewarded beyond their dreams. You are – you will be – My example to the world **AND** to the church as to the validity of these promises!

“I am looking forward to showcasing you to the world **AND** to the church! Only as you walk the walk and talk the talk, will you make an impact on both the world **AND** the church. That is why I am eager to release you, My son. *You are going to be My walking, talking, living example of the fruit of hearing My voice 24/7!*

“Here is the way you become God Incarnate: you learn to hear My voice 24/7 for a sufficiency of time according to My standard. Those rhema words, as you hear them, will deposit small quantities of Myself in you that will have a cumulative residual affect. As you grow close to an infilling of the Godhead bodily, I will cleanse you back to conception in your mother’s womb, just as Jesus was at His conception.<sup>12</sup> Then with additional teaching, you will be prepared for your Incarnation to receive the fullness of the Godhead bodily to become God Incarnate.

*(Here I prayed in tongues – spoke in another language – for a period of time – and here is His response:)*

“Yes, My son, those words were music to My ears.”

“Yes, My son, you are, you will become one of My recruiting officers. You will become a recruiter of soldiers to become administrators in order to restore the earth, the world and its inhabitants to their originally designed perfection in eternity.”
