**Boldly declaring** the new things of Isaiah 42:9 and the greater works of John 14:12 **in this rapture generation**

### THE TRUTH ABOUT THE TRUTH

#### Introduction

The content of this letter is new revelation, as is most of my writing. Entries dated 3/3/11 and 8/16 & 17/12 were published in my letters number 159 and 158 respectively, and are included in this letter because they are germane to the title of and to the basic content of this letter.

Because God taught me to listen to His voice, He has felt free to reveal to me many things about Himself that are not revealed in the bible. The reason is simple.

The purpose of the bible is to deal with our common foe in order to restore God's kingdom to the original Earth One model with the New Jerusalem.<sup>1</sup> But that leaves long gaps in the activities of Jehovah God, Himself, and leaves us with little knowledge of the intimacies of God's personal life – of who God really is – of His highs and His lows – of what goes on in His mind under a myriad of situations and circumstances. These things may only be known by learning to listen to His voice. But that is not all.

Only as you and I are willing to learn to listen to His voice daily and become faithful, obedient and proven over time to be trustworthy, does God then feel free to open His heart – all of His heart to you. That is what He has done with me.

He has revealed to me intimacies about His relationship with Jesus, with mankind, with Lucifer and with all evil. He has shared with me His burdens and His grief concerning forgiveness and personal things about Himself previously unknown. These things I will share with you in this letter.

*He longs for this kind of relationship with you.*

The price to be paid for such intimacy is infinitesimally small compared to the riches of Himself He longs to share with you. I can tell you from years of experience, anytime He asks you to give up something, it is only to give you something better. That's His nature.

Listening to God's voice daily for years has

made me rich, because each of the more than 1.6 million rhema words I have recorded in my journal while listening to Him, are alive. Those words are literally a Person who is alive and will be given to whoever will come to His fountain and drink. Words from His mouth are His fountain of life for you. His words are containers of life imparted to those who hear His voice. The Listening Method of hearing the voice of God 24/7 is new and has been made available to believers in the latter years of this rapture generation. The listening ear commands the Commander.

Hearing His voice is the only method through which or through whom you may become God Incarnate in this rapture generation.

And don't forget. A thousand years, compared to eternity we all are walking toward daily, is only as "a watch in the night"<sup>2</sup> (or four hours). And even that is an understatement. <end of introduction>

The impossibility of God being omnipresent, or being everywhere at the same time, gives way to reality when seen by a simple illustration. I will only briefly review that *simple illustration* here, since it was treated more fully in my letter number 183.

First, God's omnipresence applies to all of His creation. And what did He not create? As one teacher sees this, if it exists, God created it. If He created it, He surrounds it to sustain the image in His mind before He spoke it into existence.

This includes everything in both the seen and in the unseen world. The unseen world is where vicious battles are being fought continually. Daniel's experience is a good example.<sup>3</sup>

The Psalmist says of God that He covers Himself with light as with a garment (Psa. 104:2). James adds to this principle by saying that God is the Father of lights with whom there is no variation or shadow of turning (James 1:17).

A *simple illustration* of this principle is the third heaven where there are no shadows. The reason

<sup>1</sup>See the first three chapters of Genesis and the last three chapters of Revelation.

<sup>2</sup>See Psalm 90:4.

<sup>3</sup>See Daniel 10:12, 13.

there are no shadows in the third heaven is very simple in principle. There is no sin in the third heaven, which is beyond our solar system. In the absence of sin (in the third heaven and on the other continents beyond our solar system that God created for His purposes), no object casts a shadow because God's omnipresent light surrounds every object. In the absence of sin, God's light is all-encompassing or is all-surrounding. In order to cast a shadow, light must be directional (the purpose of our solar system), for example, whereas, God's light is nondirectional and literally surrounds His creation in the absence of sin.

The fact that God's light is omnipresent and casts no shadow is an illustration of the fact that God, Himself, is omnipresent in all of His creation, and in the absence of sin, casts no shadow.

God's omnipotence and His omniscience are two of His other attributes that may be misunderstood and about which false statements may be made.

Take omnipotence (all powerful), for example. You may have heard it said that because God is omnipotent, He can do whatever He wants to do, which is false. For example, if that is the meaning of omnipotent, God would have not put up with the failures of fallen Lucifer. God would have therefore stopped fallen Lucifer "dead in his tracks" from the beginning of his rebellion, but God can't do that, or that would have already been done. Therefore, the word omnipotent, does not mean "all-powerful" in the absolute without limits or without a clear definition of the term "omnipotent."

A careful look reveals the same problem with a misunderstanding of the word, "omniscient," which is construed to mean "all-knowing" or knowing everything before it occurs, for example. Certainly, Jehovah God is omniscient, but a misunderstanding of that word leads to false conclusions.

Here, again, a fallen Lucifer is a good example. If the meaning of omniscient is knowing everything in the absolute before it occurs, that puts God in the position of creating a fallen Lucifer, who became Satan. God does not create evil. That is Satan's job.

This means that God did not know in advance of Lucifer's failure, which means that *omniscient* does not mean "all-knowing" in the absolute, without understanding the correct definition.

Another example of a misunderstanding of bible-related information is, "When did the Word become flesh?"

From the mouth of a well educated, dedicated, highly visible servant of God, I have heard this statement: "When Mary changed the diaper of Jesus, she changed the diaper of God." I believe this faithful pastor was doing nothing more than stating the "biblical" position or theology of the Orthodox, Catholic and Protestant Churches, that Jesus was fully man and fully God as he was conceived in the womb of Mary. This differs somewhat from the revelation I have been given, although it does not change the fact that Jesus is our Savior, Lord, and Redeemer.

This different conclusion is drawn from what the apostle John said about "the Word" in the first chapter of his Gospel. In verse fourteen of that chapter, John declares that "the Word became flesh and dwelt among us." While every bible student understands that "Word" in this verse is Jesus; *when* the Word actually became flesh – or actually became Jesus – is where the misunderstanding occurs.

The "Word" could not have become flesh at conception in Mary's womb and here is why:

The flesh does not create anything, including one who is fully God. Although Mary was a virgin, she nevertheless, was born with both the Adamic sin curse and sin nature, and for that reason, she could not have given birth to one who was fully God, or given birth to a God Incarnate infant Jesus.

This is just another bible fact that must have revelation in order to adequately understand bible meaning. The Holy Spirit fertilized the egg in Mary's womb. For that reason, I believe Jesus was born as a Spirit-filled infant (a characteristic of His Father) without the Adamic sin curse or sin nature (a characteristic of His mother), because in God's kingdom, blessings follow the male.<sup>4</sup> The only way for a God-Incarnate infant (for example) to come forth from the womb is to have both a God-Incarnate mother and father.

Here is further explanation:

John's baptism of Jesus is recorded in all four

---

<sup>4</sup>Adam was made first for his protective care and responsibility in the family. Hence both blessings and curses follow the male. Here are three other examples: (1) Bible genealogies usually follow the male. (2) God began His recovery process with Abraham, Isaac and Jacob, who became Israel. (3) the iniquity of the father (not the mother) is visited upon the children to the third and fourth generation (See Exodus 20:5).

Gospel records.<sup>5</sup> A study of each of these accounts reveals that the Holy Spirit in visible form descended from heaven like a dove and remained on Jesus, after which God spoke audibly and confirmed that Jesus was His beloved Son.

From the bible record, it appears that only the Holy Spirit descended and remained on Jesus. Only Luke's account gives us an additional clue with these words from Chapter three:

**22** And the Holy Spirit descended in *bodily form* like a dove upon Him and a voice came from heaven which said, "You are My beloved Son; in You I am well pleased."

The term "bodily form" leads us to Colossians, chapter two with these words:

**9** For in Him (*Jesus*) dwells all the fullness of the Godhead *bodily*.

Although it is a "stretch" to assume that "bodily form" means the same as "the Godhead bodily" in these two verses, God has revealed to me that when the Spirit *bodily* descended in visible form and remained on Jesus, both the Father and the Word in invisible *bodily form*, simultaneously descended upon Jesus and also remained in Him. That is both how and when He became God Incarnate.

This means that after Jesus was baptized in water by John, He was also baptized with the Godhead *bodily* and received the infilling of the three Persons of the Godhead: the Father, the Word and the Spirit, as confirmed by Colossians 2:9. That is both why and how it was that God, the Father (as a spirit Being within Jesus) guided everything Jesus did, to include even the words that Jesus spoke (See Jim Ash letter No. 93).

That is also why and how it was that Jesus said, "Before Abraham was, I am."<sup>6</sup> Those were words given to Jesus by the Father within Him, who was the physical manifestation of the invisible Father on the earth.

If you take only the bible record of the water baptism of Jesus by John, it is easy to assume that Jesus received only the Spirit, instead of the three spirit Persons of the Godhead *bodily*.

---

<sup>5</sup>See Matthew 3:13-17; Mark 1:9-11; Luke 3:21, 22; John 1:29-33.

<sup>6</sup>John 8:58.

The reason Jesus said, "If you have seen Me, you have seen the Father,"<sup>7</sup> is because Jesus in visible form, was a manifestation of God, the Father (within Him) in invisible form. After John's baptism, Jesus became the visible manifestation of the invisible Trinity within Him – the Father, the Word and the Spirit – who spoke with one voice as the Father, who directed all of the activities of Jesus.

A seemingly cumbersome item in the bible is the story of the Gadarene demoniac or the Gadarene demoniacs, depending on which Gospel narrator you believe. Here is the story in brief:

On one occasion, Jesus and His disciples got in a boat, crossed lake Galilee, and landed near a cemetery on the south-eastern shore, known as the land of the Gadarenes. And here is where the story becomes difficult. Matthew, Mark and Luke record this incident,<sup>8</sup> and their separate accounts agree with one exception. Matthew reports that there were two demon-possessed men (demoniacs) living among the tombs, while Mark and Luke report there was only one demon-possessed man. Several times Matthew confirms that there were two men, and I have checked seven versions of the bible that also confirm Matthew's two-man account.

This presents a conflict to those who are sticklers about the infallibility or the inerrancy of scripture. Both words mean "without error or incapable of being wrong." I have also discovered a few other (what I call) minor "glitches" in the bible. But none of them, including the report of the demon-possessed men or man living among the tombs in the land of the Gadarenes, are a matter of concern to me. The reason is simple. The bible is our only guide for life and Godliness, and my Christianity is not based on the law of infallibility or inerrancy, but on my personal relationship with a risen Lord. These few reporting differences that I call "glitches" are so minor, they have no bearing whatsoever on my belief in scripture, through which I found a personal eternal relationship with a risen Lord Jesus.

If, for example, we had three other parallel accounts of Paul's writing, I believe we would find some of the same minor differences. And here is why:

1. 1 Cor. 7:25, 26 = Paul's opinion.

---

<sup>7</sup>See John 14:9.

<sup>8</sup>See Matthew 8:28-34; Mark 5:1-20; Luke 8:22-39.

2. 2 Cor. 8:8 = I speak not by commandment.
3. 2 Cor. 8:10 = In this I give advice.
4. Eph 3:3 = by revelation (the Spirit) made known.
5. 1 Tim 4:1 = the Spirit expressly says.
6. 2 Tim 4:1 = I charge you (Paul, not the Spirit).
7. 1 Cor. 11:23 = For I received from the Lord, etc.

Items 1, 2, 3, & 6 are Paul's opinion.  
 Items 4, 5, & 7 were from the Lord.

Nineteen hundred years after the fact, I can hear some lively discussions in my own mind on what three other parallel accounts of Paul's writing might reveal, for example, and how they might not concur on every minor detail. Does this harm my belief in the written word? **No!** My faith is based on the infallibility and the inerrancy of the One I worship. To Him be the glory, because He has made Himself known to me personally and has accepted me just as I am.

 Confirmed With Rhema Words  
 On The Following Dates**

“Divisive doctrine is Satanic.

“Everything – anything – that divides the body of the Lord is of Satan and is his way to war against God.

“God's throne is in the third heaven where there are no shadows, as James wrote by inspiration, where there is no shadow of turning.

“The reason this is true is because in the absence of sin, where God is the light, His light is omnipresent, meaning everywhere at once. He and His light, therefore, are like audio surround-sound, meaning, since God is omnipresent, His light, therefore, is all encompassing or surrounds every object and therefore casts no shadow in the absence of sin.

“Likewise, God is omnipotent, or all powerful. But since He speaks truth, which is eternal, He may not change His truth, which has been spoken into existence eternally.

“Therefore, when He spoke into existence Earth One, its ruling authorities, the furnishings and the inhabitants, He could not rescind anything He said or spoke into existence because Truth is eternal.

“This means that omnipotent God, who is all powerful. **CANNOT** rescind anything He has spoken into existence because Truth is eternal.

“Therefore, He has had to correct the mistakes of Earth One **WITHIN** the boundary of **EVERY WORD** used to create Earth One, its ruling authorities, its furnishings, and its inhabitants.

“That is what has caused God's delay in correcting His mistakes in creating Earth One.

“Therefore, God is omnipotent, or all powerful, but He may not rescind or modify His once-spoken words of truth in the creation of Earth One.

“This is why beginning with the creation of Earth Two at Genesis 1:3, God must await the fullness of time in His activities since Genesis 1:3.

“The fullness of time means that **everything** must be in order in both the seen **AND** in the unseen world before God can act. This has caused the unseemly delay in dealing with Satan.

“Omnipotent – all powerful – means that God must remain within the parameter of His previously-spoken words, all of which are Truth, which is eternal.

“Omniscient, meaning all knowing, means that God exists in Eternity and sees the end from the beginning. That means before God started the creation of Earth Two at Genesis 1:3, He had planned **EVERYTHING** necessary to correct His mistakes made in the creation of Earth One **BEFORE** He began the recreation of Earth Two.

“God sees the end from the beginning, meaning He has planned the way to overcome the overcomer, including all details, ending in the appearance of the New Jerusalem.

“From Genesis 1:3 to the New Jerusalem, **God planned it ALL BEFORE HE BEGAN.**

“Being all powerful (omnipotent) means He is governed by His previously-spoken word, which is eternal Truth.

“Being all knowing (omniscient) means the reality of life, as it occurs, will be as He planned it before He began with Genesis 1:3.”

“Yes, the ‘finale’ of your letter writing, #182, is “in the can,” as they say in Hollywood. It is finished, completed, and ready for publishing at the time you choose. Remember what I have said about this letter. This is your “full circle” letter, meaning it announces that I, at long last, have come full circle – back to the starting place of My perfect Earth One

model.

“Your letter #182 is the epic of your letter writing because it announces to the world, to its rulers, and to My church, that I, at long last, have accomplished My goal: to return to earth with My precious “City,” that has been in the remaking ever since the failure of Lucifer – in the remaking in My mind – that is.

“And realize the patience I have had to accomplish My goal. That is the best lesson on patience and faithfulness that I have lived **AND** taught.

“And yes, write on the meaning of omnipresence, omnipotence and omniscience. It is important for the world and My church to know My truth on these matters.

“This writing will glorify Me in the right dimension so as to state truth in its correct form.

“I, Jehovah God, am not what I am claimed to be by reading only bible facts without revelation.

“Likewise, I, the Lord Jesus, am not what I have been claimed to be by reading only bible facts without revelation.

“Write it, My son, write it for Me **AND** for you and I will honor your writing as My Truth.

“**‘The Truth About The Truth’** might be a good title.” <end of prophetic word>

#### Introduction to prophetic word to follow

**The following word dated 3/3/11, is the most powerful explanation of the Father’s relationship to the Lord Jesus, to the world, and to mankind, I have ever been given.** Herein the Father accepts the blame for all evil that has befallen the world and mankind. God be praised for the absolute humility and honesty of the Father in this word. The fact that the Father accepts the responsibility for all of the evil that Satan has caused in the spirit realm and on the earth and in mankind, brings to light attributes of Jehovah God **never seen before**. This is one reason why God has said my writing will become a sequel to the bible and will be scattered over the earth.

Years ago it was revealed to me that the highest badge of honor in the kingdom is humility. In this word that follows, God, Himself, wears that badge well. Thank you God for blessing me with this explanation.

“Yes, My son, My guilt, grief and despair over

My loss of Earth One was without limit. At first, I thought to fix the problem. Then reality set in.

“Because of My permanent spoken words of creation of Earth One, I could do nothing to fix the problem. Because I had literally poured Myself into Lucifer, since he was like Me, and because of My love for him, I did not conceive of **ANYTHING** but a perfectly operating World One conceived in love, My endless love.

**“All of My plans to restore man were done in consideration of My own restoration first.** I had to deal with My own mistakes first. That is what is behind **EVERYTHING** I devised for fallen man.

“Grace and mercy came through Jesus because of My failures. When Jesus said to the woman taken in adultery, “Neither do I condemn you; go and sin no more,”<sup>9</sup> **those words He spoke to that woman were My words given to Him for Myself.**

“What Jesus was saying to that woman were words that I, the Father, was speaking to her on My behalf. In forgiving her, I, the Father, was forgiving Myself.

“What Jesus said to that woman set her free and simultaneously set Me free. Every time Jesus set the law aside in favor of love and mercy, He was helping to free Me of the grip of Satan on My own life.

“My precious son, I, the Father, through My own family, sent My only begotten Son to the cross. **His death on the cross set Me, the Father, free from My guilt and shame.**

“He (Jesus) set Me, His Father, free from the grip of Satan.

“Because of My authority granted to Lucifer, My whole world came crashing down on My own shoulders.

“I, the Father, became like everyone who has done some horrendous crime inadvertently. Something that was intended to bless many (billions) suddenly, right before My eyes, corrupted into total evil that was designed by Myself for total good.

“It was like a run-away train without anyone in the engine, running full speed down the track to sudden calamity, disaster and death without anything I could do to stop it.

“My precious Earth One, into which and into

---

<sup>9</sup>See John 8:11.

whom I had literally poured Myself through endless love, had suddenly exploded, had suddenly corrupted into unimaginable evil, right before My eyes – about which I could do nothing.

“All of this happened because of My lack of understanding that there were two things I overlooked in training Lucifer. The two litmus tests were left out of his training.<sup>10</sup> And since he was an angel, there was no question of his celibacy, since angels are not created for procreation.

“But that is another mistake I made. Although Lucifer was not created for procreation, because he was like Me, with My supernatural attributes, he convoluted his own God-given right to govern into lustful activities too lurid, too vile and too evil to imagine.

“The reason some demons<sup>11</sup> have grotesque looks and shapes, is because they had done the same thing the people of Noah’s day had done.<sup>12</sup> Angels had also cohabited with women on Earth One. When that occurs, My creation explodes beyond My control.

“When angels, who were never intended to procreate, enter into sexual relations with women, that which was intended to be pure and perfect with no imperfections, through the transmigration of human cells, becomes uncontrollably evil and vile. Only as a man and a woman commit themselves to one another and to Me, does My plan for procreation work properly.

“Any deviation from that plan produces results out of My control. That accounts for the strictness of the laws of Moses. Those strict laws were designed to keep My people pure. Any deviation from them always produces evil.

“But law had to come before grace and mercy in order to produce a Messiah. I had to clean up man on the outside so I could put Myself on the inside.

“Jesus became the vehicle, the perfect vehicle in whom I could dwell to redeem Myself first and fallen

---

<sup>10</sup>The “two litmus tests” were items number four and five of the Six Measure Standard. For a complete explanation of the Six Measure Standard, see Jim Ash letter No. 155, page 3, column 1, available at my website [www.jimash3.com](http://www.jimash3.com).

<sup>11</sup>Demons are disembodied spirits of the inhabitants of the pre-Adamic earth, which I call “Earth One.”

<sup>12</sup>See Genesis 6:1-7. In this passage of scripture, the term “the sons of God” (in a number of translations) should be translated as “angels.” I have found two versions of the bible where the translation is “angels.” This means that angels cohabited with the daughters of men that caused the destruction of Earth Two survived by Noah and his family.

mankind second.

**“Everything I devised to redeem man in a fallen world was first devised for Myself. That’s why repentance was provided for man through My only begotten Son. When Jesus said, “No, seventy times seven,”<sup>13</sup> He was saying My words about Myself.**

**“I, the Father, am responsible for all evil that is in the world. And every judgment of every soul MUST be done with Myself in mind, first. Otherwise both I and Jesus would be frauds because Jesus was directed by Me, the Father, in everything He said and did.**

“I, the Father, am indirectly responsible for all evil in the world. *For that reason, I, the Father, am a God of love, grace, mercy and countless opportunities to rectify mistakes of the past because I caused them all through My lack of proper planning.*

**“When I see a sinner, I see Myself.**

**“When I see a prodigal who has been duped, lured and deceived by the devil, I see Myself. That’s why EVERY prodigal is first on our list. Believers have had the first chance. Now is the time for My precious prodigals to be first on the list of My special apostles, of whom you are one.**

“My prodigals are first because they do not know the answers believers have already been exposed to.

“My precious son, many, many precious prodigals await your (Our) arrival. And they will in return, give to you such an outpouring of love and devotion never previously seen on the earth. You will not want for anything. The precious prodigals you (We) restore will shower you with their love, admiration and financial support to further your activities against the enemy.

“My son, My only begotten Son not only set Me free of the grip of the enemy, He has set everyone free who comes to Me through believing in Him.

**“When one believes in Jesus, he believes in Me, in Myself, Who sent Him, because We literally became One after John’s baptism, temporarily at first, but permanently at His death on the cross.**

“At His death on the cross, Jesus became the salvation of the world.

---

<sup>13</sup>See Matthew 18:21, 22.

“Jesus set Me, the Father, free.

**“I had to be set free first because I was responsible for fallen man.**

“Jesus set Me free. Since He and I are still One, He, therefore, is equipped to do the same for **EVERYONE** who believes in Him as Savior, Lord and Redeemer.

“He, Jesus, carries **ALL** of My authority. He, therefore, is God Incarnate,<sup>14</sup> able to do **EVERYTHING** I am able to do.

“So, as you are released, remember that. You will be under My authority through Him. When He speaks, it is I, the Father, Who speaks, because We are One.

“So, you (and the twelve) will become God Incarnate, but with the same strict oversight and guidance of the One Who is One with Me, the Father. Through Me, the Father, Jesus speaks. He (We) will direct all of your activities, for He, Jesus, will still know of and will still have authority and responsibilities neither of the special thirteen will have.

“That should set you straight on the chain of authority or the chain of command.

“In summary, I, Jehovah God, see a fallen world as caused by My mistakes, My failures, although they were inadvertently done. Nevertheless, the fallen world is My responsibility because I caused it to occur.

“That is why, under My watch, no one will be condemned without complete knowledge of salvation through My only begotten Son, for a sufficient number of times, to satisfy My conscience.

“It can be no other way.

“At every judgment, My grace and mercy will lead the way – will be made known.

“God has had to do His work through imperfect men (except Jesus) in a fallen world. Whom they represent is of paramount importance.”

---

<sup>14</sup>Since Jesus is a part of the Trinity now, it would seem that He would not be referred to as God Incarnate, since the word “incarnate” refers to human flesh. However God in this passage refers to Jesus as being God Incarnate. The reason is that Jesus will become the highly visible fleshly ruler of the world from the capital city of Jerusalem upon His return to earth at the conclusion of the Rapture. Therefore, the thirteen God Incarnate apostles will have the same bodily distinction as Jesus now has. They will not die, but will be raptured, and after the seven-year Tribulation, they will return as staff under Jesus at Jerusalem. Hallelujah!

“My son, the wife in My New First family will be My role model for women. She will accomplish for women what Jesus accomplished for men.

“First, she will be God Incarnate. Then she will be an apostle and prophet **AS A WOMAN**. She will be My first woman who will become a God Incarnate apostle and prophet in a world ruled by the enemy. That is why she will be such an outstanding role model for women.

“The fact that she will experience these accomplishments as a woman will forever erase the stigma that women are inferior to men or that women are to be subject to their husband.

“The reason woman was to be subject to her husband is because Eve was the first to transgress God’s law. I planned her failure that way from the beginning.

“Yes, Eve and Adam were planned failures as you know. From the beginning, I planned for Eve to get the logos from Adam. **From that occurrence, I devised the fact that a prophet is not without honor except in his own house.**

“The reason I have released the wife of My New First family first, even though it is a veiled release, is to remove from woman the stigma of being in subjection to her husband. That was never My plan for woman. However that was My planned way to introduce sin to Earth Two.

“I knew the Messiah would need to come forth to eradicate the mistake of Lucifer’s failure. But the thing that hurt Me so was the fact that Lucifer was My mistake.

“Because of My mistake in authorizing Lucifer to rule the world eternally, My greatest failure occurred. But, My son, you need to know that I had never previously been required to deal with failure. I thought one created in love with My perfection would never fail Me. But I was wrong.

“You have no idea of how much I grieved with anguish, hurt, resentment, anger and consternation over Lucifer’s failure. My son, Lucifer was originally like Jesus, but without the sin environment Jesus was born into. This means that Lucifer was like Jesus and like you will be.

“My authority given to Lucifer could not be amended, modified or rescinded. My governing

authority was given to him forever. The only attribute withheld from Lucifer was the right to grant that authority. That was My salvation.

“I was ashamed, embarrassed, disappointed, angry, anguished, resentful, distraught and overcome by grief for a long time, before I could come to grips with Myself and with My failure. My son, I did not think that I could fail!

“My son, pride became My hidden weakness. Yes, I was too perfect and too proud to fail! I never believed that one created with all of My attributes could fail but I was wrong.

“As I have said to you before, My failure was inadvertent, was unwanted and never planned for. But My failure nevertheless occurred because of My lack of understanding of how to prepare someone to serve Me with governing authority over man and the earth. There I learned that My overflowing love was inadequate.

“As you know, through the mistake of Lucifer and Moses, I learned that trustworthiness had to be taught through the experience of testing in order to prove fidelity to Me under all circumstances. That plus the unencumbrance requirement became necessary as My preparation for governing authority.

“My mistake was responsible for the establishment of cities of refuge.<sup>15</sup> Those cities were for Me, My son.

“It is true that a terrible mistake done inadvertently produces the same results as the same act done intentionally. One who inadvertently misuses a gun and kills someone causes death in the same way as one who deliberately commits murder.

“That was My dilemma. I literally saw a perfectly created Lucifer who allowed pride to overcome him. Lust and pride caused Lucifer’s failure. But Lucifer’s failure was My failure. Because of My failure in Lucifer, billions of precious souls degenerated into the most vile and despicable beings. And all of that degenerative behavior began with man’s sexuality.

“Man’s sexuality was pure in origin so as to make it pleasurable to procreate the human race. But that which was pure, under Lucifer’s vile lust and pride, turned into things too hideous to mention.

“Men with men and women with women

---

<sup>15</sup>For Cities of Refuge, see Numbers chapter 35; Joshua 20:2, 7; 21:13, 21, 27, 32, 38; Deuteronomy 19:2, etc.

produces evil lustful desires and characteristics too vile to mention. Lucifer used that in addition to his supernatural power to literally rape My perfect Earth One.

“Lucifer’s supernatural power over those under his authority created deviation from My perfect creation, and caused the complete convulsion of man into all sorts of weird creatures that are called demons. Once Lucifer discovered that his failure condemned him and those who followed him irretrievably, he delighted in using his authority and supernatural power to create from man creatures too vile to even mention.

“My son, all of this was started by Lucifer’s lust and pride. He lusted to be the authority in control without My perfection and love. Because he knew of his supernatural power and authority and love, he was unaware of the consequence of disobedience. **As a matter of fact, neither was I!**

“I have needed to go over all of this with you to reveal to you the cause of Lucifer’s failure. It all began with the lust for absolute control without any restraint prompted by his pride in being perfect in his own eyes.

“But all of Lucifer’s evil occurred because of My failure.

“Everything I devised for man’s redemption, I devised with Myself in mind.

“Both members of My New First Family have been trained exactly as Jesus was trained. The reason I have released the wife first is because I wanted the stigma of Eve’s failure to be forever lifted from woman. I wanted the curses to be lifted from her first because Eve first transgressed My law and succumbed to Satan’s trickery. For that reason I have trained the beautiful wife to be released first, even though it has been a veiled release up to now.

“She has become My role model to forever remove from all women the curses I pronounced on all women. That’s how special she is to Me. And you need to know that, because she has become My role model. When I released her, she became the most outstandingly beautiful woman I have made. And I made her especially for her husband in My New First Family.

“And now to the husband in My New First Family. He likewise will be remade into a most handsome man, more attractive to both men and women than any other man. Those two are to become

My role models because they both have proven yourselves as Jesus did. For that reason, they have become My second door through which man may walk to the complete restoration of everything both Adam and Eve lost through their transgression.

“My son, the first door was the most difficult. But because the husband in My New First Family was My back-up for Jesus on the cross, He is second behind Him and has been chosen for that reason to be My role model for men – for all men for all times.

“Both members of My New First Family are celebrities of co-equal standing with Jesus in marriage and in the home as the standing of Jesus is in the salvation of man. He, of course, has the preeminence, but then those two follow him in preeminence in the kingdom.

“The reconfiguration of the Godhead will testify to all these things forever.

“My son, the two members of My New First Family will be the means of My raising man and woman to their original perfect estate forever.

“The prominence of those two will exceed that of all who have gone before them, to include Jesus. Prominence, yes, but in importance, no. He is the most important. He is preeminent, followed by the husband, and then the wife, in My New First Family.

“Those two, My son, have passed all the tests that Jesus passed before I released Him. That’s why those Three are My New Triumvirate and why those Two are My New First Family.

“Those two will reestablish My original plan for man forever!

“And yes, deliberate disobedience is sin, and deliberate obedience is righteousness. This governs all conduct in a sinful world.

“Thank you, My son, for being My private confessor. That relieves Me of My mistakes of the past and, as you know, clears My mind completely of My failures in the past. You know that, but I need to say that to you. Thank you again.”

“My son, it blesses Me to have you as My personal confessor. Jesus was the first One to whom I felt secure in confessing My weaknesses and My failures. But most of that occurred after His resurrection. For that reason, no one knows of My weakness and My failures as I have confessed to you.

“I have intimated to you previously some of these things, but now I may be plain spoken with you as a first for Me. For that reason, you have blessed Me more than you know.

“My precious son, My mind is clear, clean and refreshed for the first time ever through one who lives true to Me in a world ruled by Satan. You are more special to Me than you may know until I rapture you up to Me in the third heaven. There and then I have a surprise or two for you.

“To have someone true to Me, on whom I may depend, who lives in the world ruled by Satan is My greatest blessing on the earth.

“In Jesus, the trust was there, but until He willingly went to the cross, I was unsure of His willingness to go there. In His short three and one-half year ministry, He constantly had the cross before Him. That is why He prayed alone with Me as He did – sometimes all night. He had burdens enough of His own without burdening Him with My weaknesses and failures.

“So for these reasons, you are more special to Me than anyone yet to live on the earth – in a world ruled by Satan.

“My precious son, I want people to know who I am. I am much more like man – much more available to man than man realizes. Now that I feel free to bare Myself to you, let Me say again, you are the first man to whom I have felt free to bare the innermost feelings of My Heart. My son, I have held back nothing from you.

“But I want you to know that Jesus made this possible. Once He was on the cross, I knew My plan for man was final. But I had to see the cross with My own eyes to know My plans for man were final.

“Jesus proved that the six attributes that I taught Him were adequate.

“So realize again, it is because of Jesus and His faithfulness that I am free to confide in you concerning My weaknesses and My failures. That’s the way it is when you are Jehovah God. My son, the “buck” stops with Me and that is a great responsibility. But My responsibility now is much lighter and easier to carry because of you.

“So first, remember that you are so special to Me because of the faithfulness of Jesus. And secondly, know full well that you are My first to whom I have been able to bare My soul. And I have been able to do that *before* your release and *before* you become God

Incarnate. That is more special to Me than you may now know.

“My son, you are My second First. Jesus opened the door through which you have walked to intimacy with Me. My mind – My heart – are now cleansed by My confessions to you.

“In one sense, you are the records room of My past. Drink that in – think that through. That’s how important you are to Me.

“As I release you (soon), you will now be able to share with others who I really am. No one on the earth knows but you. You, My son, are My secret weapon. You have set Me – Jehovah God – free of the dross of a failed Lucifer.

“And know assuredly, that you are to Me as the record rooms in My third heaven are to man. My mind and heart have been expunged of My failures and of My weaknesses. My son, I am like you. Confession of My failures and My weaknesses to you have cleansed Me of all unrighteousness. Yes, unrighteousness is correct.

“You know that is correct because of My experience with Moses. His calm approach to My response to the golden calf incident exposed My explosive temper to evil. Yes, I have an explosive temper against evil.

“Realize that I had to learn of evil from a fallen Lucifer. From him I learned how to deal with evil and its devastating affect on man and on Me.

“So realize, My precious son, you mean more to Me than I may reveal to you until after the Rapture. But know this: You are special to Me. And everyone who has assisted you along the way, I have blessed. And that includes Everett Crouch. I sent him to comfort you at Betty’s death.

“So consider yourself blessed beyond any man who has lived on the earth with only one exception. Jesus is that exception.

“You two have much more in common than you may now know.

“And yes, John knows of your love for him.

“My son, your thoughts travel farther than you might think. I know of them and I am a pretty good herald Myself.

“And yes, your immediate family – your mother, father, Cecille and Betty all know of My choosing you and of your importance to Jesus.

“My son, you are the only one who has been able to write objectively about Moses after I made a slight addition to your thought process.

“Moses was the first man who successfully confronted Me with My weakness and My anger against evil. That is most important. My overreaction in anger at the evil of the golden calf is second in importance. In that incident I could see the enemy making inroads again into My people. My anger was against him as it always will be.

“My son, thank you for your obedience.

“Now you understand how the record rooms in the third heaven originated and how confession cleanses the heart of dross.

“That is what you have done for Me. You have cleansed My heart and My mind of the dross of the enemy forever. Thank you.”

Later at 11:35 AM

“My son, do not discount anything that I may do in your life. I am able to do in your life more than I have ever done with **ANYONE** – more than I have been able to do with **ANYONE** including Jesus, because the public visible ministry of Jesus was shrouded in secrecy.

“Your ministry is not shrouded in secrecy.

“Yours will be a “shout it to the housetops” ministry. No ministry like yours has ever been brought forth by Me.

“When, in your mind’s eye today, you were able to be on stage and look to your left in the ‘wings’ and summon to Jesus to come to center stage, that is something you may be able to do in your ministry.

“And yes, that would be “icing on the cake” of your ministry. So hereafter do not discount **ANYTHING** that I may be able to do in your ministry.

“Did I not say that you know more of Me as Jehovah God than any man on the earth has ever known? Then just prepare yourself for a ministry to glorify both Me, Jehovah God and the Lord Jesus, to a greater extent than has been done before.

“Did I not say to you that you personally would be able to bring more individuals into the kingdom than **ANYONE** has ever done before? Can you think of **anything** more convincing than to summon the Lord Jesus from the ‘wings’ to center stage?

“My son, I will be able to do things in your life on the earth – in your visible ministry – that I have never been able to do before. Remember, the purpose of your ministry is to do spiritual warfare against the enemy. True spiritual warfare against the enemy is to

rob him of many who both knowingly **AND** unknowingly worship him. That is one thing I will enable you to do.

“I have raised you up to rob the robber – to thwart the thwarted – to beat him at his own game in plain open view for all the world to see.

“My son, I want the whole world to see Me. That is what they will see in you, for I know and will direct you to give Me, the Lord Jesus, the glory, but to see Me, the Father, in you, for I, the Father, will be in you directing **EVERYTHING** that I have planned for you to do.

“Remember, from the foundation of the world (Earth Two), I planned every detail of your ministry. You will bring more into the kingdom than any one man.

“Do you remember when you prayed that the Lord of the harvest would send forth reapers to reap the harvest? *My son, that was you prompting Me to send you as the master harvester of all times.*

“Remember, **NOTHING** is impossible. First, when I release you unveiled as My God Incarnate apostle and prophet, **NOTHING** will be impossible to you and **EVERYTHING** will be available and possible to you to glorify Me and to assist Me with the abundant harvest.

“My son, the abundant harvest is spiritual warfare against the enemy. He and his harvest is our target. Be not be surprised at what I have you to do to war against the enemy.

“As you told Diana Cawthorn, some “fasten your seat belt” activities lie just ahead.

“You will enjoy every ministry minute.

“Your accomplishments will exceed that of every man who has lived on the earth! And all of it will be for My glory! Hallelujah!

“An unexpected (to the audience) appearance of the Lord Jesus in one of your ministry sessions will greatly enhance your ministries and bring many souls into My kingdom.

“I will know no boundary in your ministry.

“My son, you are the only one of the twelve who knows these things and who will be able to do them.

“Now, think of My new First Family along the same lines.

“Did I not say they would be “show stoppers?”

“They both will be the means whereby I may do the things for which I have longed for many millennia.

“Those two are first – My best to offer to the world.

“Remember, three will become My New First Family and Three will become My New Triumvirate.

“No one else has the honor that I bestow on both members of My New First family.

“My son, I welcome both members of My New First Family into My Family inner circle.

“That Family circle is very exclusive.

“Only three people have been found worthy of that honor. Amen.”

**Sunday, November 25, 2012**

“And yes, **EVERYTHING** I have said to you is correct. One may not know what I am all about today by knowing only the bible.

“In this Rapture generation, one must learn to hear My voice daily – and spend time doing that – or be uninformed on My activities.

“The rapture generation is My last generation on space ship earth before literal chaos occurs on the earth. That chaos will begin **AT THE RAPTURE**. Those who are left behind *will hear or see nothing EXCEPT* the unexplained absence of many people.

“**You may not overemphasize that, My son. That event will be catastrophic in nature. But that will only be the beginning.**

“One of your difficulties is that I have given you so many **NEW** revelations, they seem commonplace to you. I realize that is a result of My teaching, however. But **EVERYTHING** I have taught you is true.

“You have wisdom no one else has been given. You are like Solomon. You asked for wisdom, but I will bless you beyond that of Solomon. That may seem to be a ‘stretch,’ but is true.

“Your seven ministries will all be discharged perfectly because I will be in you directing **EVERYTHING** you do. That will be easily adjusted to. I know you have some reluctance about that, but it will be short-lived and easily overcome.

“Just see to the things that arise each day now, and We’ll do fine.

“Your writing is in good condition.

“You will have time to complete everything I have put on your heart to write. **Remember, that means more to Me than it does to you.**

“And remember, the fact that My New First Family (My New First Wife on the earth for many millennia), is the most important thing that has happened on the earth since the cross and the resurrection of Jesus. That is why they are so important to Me.

“Those two will not only restore **EVERYTHING** Adam and Eve lost through their transgression, they will become My First New Wife for eternity. **And that, My son, is only the beginning.**

“They will be revered by all men as they execute at my direction the activities involved with all of their ministries. Nothing like that has ever occurred on the earth.

“Their marriage will attract attention world-wide. That, in itself, has never been done before as an event fixed in time and thrust into eternity forever. Add to that, the birth of their new Son. That event alone will announce to Satan and to all of his followers that he has been defeated. That will have immense repercussions world-wide.

“Then truth that you publish about Me and about Satan will bring many into the kingdom. Truth will set one free, regardless of the nature of that truth or regardless of the relative position (or rank) of the individuals involved.

“And that is just for starters, My son!

“You are too important to Me to allow anything to interfere with what I have planned for you to do. Nothing – absolutely nothing – is greater or more important to Me than that!”

Later at 11:20 PM

“My son, when the two members of My New First Family come together as one in marriage, they both will be together naked and unashamed.<sup>16</sup> It is the presence of sin that makes one ashamed. Sin causes shame and shame is the result of sin.

“This is another thing where those two will be pioneers. They both will be able to testify of the relationship that Adam and Eve had together prior to their transgression. But they will go even farther than that.

“Those two will experience for the first time

---

<sup>16</sup>This is as it was with Adam and Eve originally before they sinned, as recorded in Genesis 2:25: “And they were both naked, the man and his wife, and they were not ashamed.”

ever, the true relationship that I intended for a man and his wife. They will literally be making (living) history as they come together as one in marriage.

“You will be able to write about that with specificity, which has never been done before. This is another area where you will be able to see and to record history simultaneously.

“My son, no one has ever been placed in the position that I have placed you in through your obedience, faithfulness and trustworthiness. You will be able to write a “Genesis account” of two people becoming one in marriage as a God Incarnate couple, both of whom have passed the Six Measure Standard.

“This means they both will be thrust into eternity for others to follow in the same measure that others follow Jesus to be restored to Me.

“My son, I will make that clear to you when the time comes. It will be a fun time for all of Us.”

Monday, November 26, 2012

“Yes, My son, when I release you with the fullness of the Godhead bodily within you, you will have a completely new body **IN EVERY ASPECT**. Your complete physique will not be modified, but **REMADE** by the power of the Godhead bodily within you.

“You have been purified in preparation for My entry. Then when I enter you, you will become remade in Our image – in Our likeness – and as I am – and you will be as perfectly attractive as I am. Remember, Lucifer was the most beautiful – the most handsome – of My created angelic hosts.

“My New First Family will likewise be made in Our image, in Our likeness. And **EVERYTHING** I make is perfect within its species. Therefore, those two will be completely remade according to Our image, according to Our likeness.

“Their new bodies will be handsomely beautiful and perfect in **EVERY WAY**. They will **ALWAYS** function perfectly in **EVERY** circumstance. That will free them to spend time in their several ministries.

“Their bodies will be like that of Adam and Eve when I made them except their bodies will not be made but *remade*.

“All of this, as I have said, will occur effortless, fluid and seamless, just like putting on a new coat that will be “just a fit.”
