Boldly proclaiming **the new things of Isaiah 42:9 and the greater works of John 14:12** in this rapture generation

THE NECESSARY WORKS OF THE FLESH

The apostle Paul admonished the “foolish Galatians”¹ not to indulge in the “works of the flesh,” and stated that those who practice such things will not inherit the kingdom of God. To be sure that he made this teaching clear, Paul listed seventeen *works of the flesh*² as an incomplete list of these sinful activities.

Then why, do you ask, am I so bold as to say that there are **necessary works of the flesh**? And the answer is because that is the purpose of this **necessary letter**. And this is a **necessary letter** because God has instructed me to write it. Try that one on for size!

It is important to note that God created Earth One as His perfect model to last eternally, to include its rulers, its inhabitants and its abundance.

As the ruler of Earth One, Lucifer was endowed with all attributes of the Godhead bodily:³ the Father, the Word and the Spirit.⁴ He was the most beautiful of God's creation, full of wisdom, perfect in all his ways, an anointed cherub of God with God's seal of perfection who walked among the fiery stones. Lucifer was (still is) impervious to fire,⁵ was given the authority to rule

¹See Galatians 3:1.

²See Galatians 5:19-21.

³See Colossians 2:9, which describes the attributes of Jesus, after He was baptized by John, when He was filled with the fullness of the Godhead bodily. Lucifer was endowed with the same spiritual anointing given to Jesus, who was (is) appointed to eventually replace fallen Lucifer to rule the world. Jesus does not have that authority now but will have when He returns with the raptured church after the seven-year Tribulation.

⁴Before the resurrection of Jesus, the “Godhead bodily,” or the common called “Holy Trinity,” was the Father, the Word and the Spirit. The second person of the Trinity did not become Jesus as the Christ (or the Son) until after His resurrection when Jesus, Himself, confirmed that with the Great Commission as recorded in Matthew 28:18-20, when Jesus for the first time uttered His famous words, “. . . in the name of the Father, in the name of the Son and in the name of the Holy Spirit.” Hallelujah! What it took Jesus to get there may not be fathomed with finite mind! All praise and glory to His name forever!

⁵See Ezekiel 28: 12 (b)-15. These verses of scripture start out as an oracle against the king of Tyre, but quickly turn to an oracle against fallen Lucifer.

the earth eternally and was trained by God with the Three Measure Standard:

- (1) God must be first in everything.
- (2) One must be guided by a rhema word in all activities.⁶
- (3) God must get the glory.

Failure in one constitutes failure in all three.

Lucifer, along with all inhabitants of Earth One, was also endowed with God's abounding love. These are reasons why God did not think that His model Earth One could fail. But He was wrong – so very wrong.

Mankind on Earth One was trained by the same Three Measure Standard and was God Incarnate. The first man and the first woman created on Earth One were identical to Adam and Eve in Eden, who Likewise, were originally God Incarnate.

Earth One, its rulers and its inhabitants thrived in God's abundance as a God Incarnate kingdom for approximately five thousand years until Lucifer failed. When he failed, Lucifer was followed by his complete support staff of angels and all inhabitants of Earth One. His take-over was complete and completely devastated God's perfect Earth One model, which was a total loss.

When God created Earth One, its rulers, its inhabitants and its abundance with His immutable, inerrant words to last eternally, He “painted Himself into a corner.” He could not amend, modify or re-create what He had done to correct His mistakes, or His words of creation of Earth One would not have been Truth, because Truth is eternal.

That is the problem with which God, the Ancient of Days, the Supreme One, was confronted.

God first thought to fix the problem.

Then reality set in!

Then is when the reality of His whole mess came crashing down on His own shoulders. And He had nowhere to go but to Himself, because the “buck” stopped with Him. Don't forget, because we are made in God's image and in His likeness, He is also made in

⁶This is the only way to be guided in a God Incarnate sinless, perfect world.

our image and in our likeness. **The rule must work both ways or it is not truth.**

God had never previously been confronted with evil. It was new to Him – and so massive so as to almost overwhelm Jehovah God. He had to learn how to combat evil by observing the evil ways of fallen Lucifer. God did not believe that His model Earth One could fail because of the way he trained both its rulers and its inhabitants, and because of His overabundant love that encompassed and permeated His creation.

After working through His disbelief, His rage, His anger, His resentment, His anguish, His consternation and His grief, God then began to devise His plan of recovery. It wasn't easy – even for Jehovah God.

He then realized, that since He could not completely destroy Earth One and supernaturally create a duplicate to replace His first model kingdom failure, He would need to devise a way of replacement beyond His supernatural creative capabilities and look into the possibility of man – sinful man, through whom to rectify His (God's) mistakes! That initially appeared to be beyond God's grasp – beyond His capabilities, but He had no other choice.

And that is what evoked Lucifer's initial thought to take-over God's model Earth One, its inhabitants and its complete, perfect support system.

God had no "Plan B." It didn't exist. That's why there is such a long gap between the complete destruction of Earth One and the beginning reconstruction of Earth Two as recorded in Genesis 1:3.

From some things God has said to me, and from some things I have surmised on my own, I have estimated that "gap" to be approximately five thousand years.⁷ This must be only an estimate, because Earth One was created in eternity (not in time) so as to be without an end. Therefore, there is no way to accurately establish and to measure time prior to the creation of our solar system, that began with Genesis 1:3.

God began to rectify His mistakes beginning with Genesis 1:3. But before that "light" occurrence,

⁷There appears to be almost an unlimited number of demons (disembodied spirits of the inhabitants of Earth One) under the authority of Satan. This had to exist because of a long period of time when procreation was without the limit of illness and death when the population increased rapidly. It would therefore take an extended period of "time" (in the absence of a solar system) to produce such a number of "demons" (an estimated 5,000 years) through normal supernatural procreation.

God had to plan **EVERYTHING** that has occurred thereafter to include the new heaven and a new earth for the arrival of the holy city, the New Jerusalem. That city will be illuminated by the glory of God with the Lamb as its light.

From Genesis 1:3 to the arrival of the New Jerusalem, is the broad expanse of approximately seven thousand years. Please think that through. Everything that will occur during those estimated seven thousand years so as to bring the New Jerusalem down on a new cleansed earth, God had to plan in detail before He began with Genesis 1:3. And He had to execute that detailed plan with violent opposition from the enemy and his forces for six thousand of those years. The last one thousand years is the Millennium, when Satan will be bound in the Abyss.

If you think God's plan to depose Satan as the present ruler of this world has been "a cake-walk," think again.

Everything God has done to depose Satan's rule of the world in preparation for the arrival of the New Jerusalem has been done through man.

Man was God's only available choice of weaponry to defeat His most formidable foe, because He exhausted His supernatural capabilities when He created Earth One, its rulers, its inhabitants and its abundance.

Enter God's three **necessary people**: – **two necessary men and one necessary woman**.

Man has been God's only resource and His only recourse in the final planned defeat of Satan. Man has had to become God's most formidable weapon of choice since He exhausted His supernatural creative ability in the creation of Earth One.

Those three necessary people are Jesus and the two members of God's New First Family, who will become God's New Triumvirate. Their works **in** their fleshly bodies will become their works **of** the flesh that will defeat our common foe.

At the cross, His work **of** the flesh set man free.

Through their works **of** the flesh, God's New First Family will restore to man **in** the flesh everything both Eve (woman) and Adam (man) lost through their transgression in Eden.

Since through man, God's perfect plan failed, through man God had to devise a plan to defeat Satan.

Jesus had to come **in the flesh** to become a **work of the flesh** on the cross to defeat Satan. It could have been done no other way. **He is necessary man number**

one and by far the most important of the three necessary people.

Likewise, the husband of God's New First Family had to come ***in the flesh*** – to become a ***work of the flesh*** – to become a back-up for Jesus on the cross. Only when the Father saw Jesus on the cross, did He (the Father) know that His back-up would not be crucified instead of Jesus. At that moment, the back-up for Jesus on the cross became the husband in God's New First Family to also live a sinless life in a world ruled by Satan, to remove the sin curse from all men. **He is necessary man number two.**⁸

Then the wife of God's New First Family will come forth as His necessary woman – as a sinless woman to remove the curse of Adam from womankind to become **God's third necessary person**. She will also come ***in the flesh*** to become a ***work of the flesh*** to restore everything that Eve lost in Eden.

God's New First Family will reverse the curses God pronounced on Eve and on Adam and on their abundance.

The Satanic curses pronounced on woman, on man and on their abundance, must be lifted before Jesus will have the authority to bind Satan in the Abyss for a thousand years, to begin His millennial reign of the world from Jerusalem.

Hence, God's three necessary people will become His New Triumvirate in an enshrinement ceremony at the Judgment Seat of Christ in the third heaven after the Rapture.

Until the curses God pronounced on woman, on man and on their abundance are removed, Satan will still rule the world and will prevent Christ's return at the Armageddon insurrection, to rule the world for a thousand years from Jerusalem.

God's three necessary people, His New Triumvirate, must ***come in the flesh*** in order to do their ***works of the flesh*** to defeat our common foe, because in God's Earth One model, He used all of His supernatural means of creation.

⁸The only way for God's necessary man number two, for His necessary woman number one, and for the other eleven super apostles (all soon to be released) to live a sinless life (as did Jesus) in order to become God Incarnate, is for each of them to be cleansed retroactively from the womb of their mother. This nine-point procedural requirement and the prophetic word that follows is in Jim Ash letter No. 161, beginning on page 5, column 1.

RHEMA WORDS FROM JIM'S JOURNAL

Monday, October 15, 2012

"Yes, My son, you are seeing what I see, but only in limited form. You are seeing those around you die a little each day.

"My son, Satan is the cause of death. Said another way, the wages of sin is death. Death is purchased by sin.

"There was no sin in the world until Lucifer failed. His sin – his rebellion against Me – introduced death to My world. That is the way he literally destroyed My cherished, beloved wife on Earth One.

"And now as I look down on a polluted earth, all I see, with only a very few exceptions, is more than seven billion people dying, one day at a time.

"And realize, My precious son, Satan caused it all, and I am the one who gave Lucifer the unrestricted supernatural authority to rule the earth.

"Do you now see why I have an explosive temper against evil? **Most everywhere I look on planet earth, I see death that I caused by My unrestricted supernatural authority given to Lucifer to rule the earth.**

"My son, that's what I see – not just every day, but 24/7 since I destroyed Earth One in My fierce anger. Satan evokes My fierce anger and he always will until I defrock him in the lake of fire at the Great White Throne judgment.

"And hear this: because Satan, like Me, is eternal and impervious to fire, **he cannot be killed**. The only thing I can do is to send him and those who follow him to the lake of fire eternally.

"Realize again – I cannot kill Satan. I created him like Me in every area except one. I reserved for Myself the right to grant such authority – and again – that was not only My salvation. That was **My only salvation!**

"That's what I, Myself, as Jehovah God, did to Myself and to My cherished beloved wife on Earth One. And because of My own immutable words of creation of Earth One, its ruler and his staff, I must live with My mistake forever – **that's forever, My son!**

"That is why I have a terrible temper against evil. Again I say to you, everything I devised to redeem man from his mistakes, faults, failures and inadvertent as

well as deliberate sin, I devised for Myself and with Myself in mind!

“That’s why you will see many unpleasant things when you and the twelve become God Incarnate. I allow you to see illness to teach you what I see 24/7, for I never sleep. **Spirit beings, because we exist in eternity, never sleep.** That is a part of our supernatural make-up. But remember, the same holds true of the evil spirit world.

“Now you are beginning to see My dilemma.

“And you need to realize that I, Myself, as Jehovah God, caused all of this. I hold Myself responsible for every death that has occurred on the earth and every death that will occur on the earth because I, Myself, am responsible for **EVERY ONE** of them.

“There, now you have only a brief glimpse of My dilemma – of what I have had to live with since Lucifer’s failure.

“I am responsible for Lucifer’s failure because I did not believe one supernaturally empowered to rule the earth endowed with **ALL OF MY LOVE** could fail. But I was wrong – so very wrong.

“That is why Jesus is so special to Me.

“Secondly, that is why the husband in My New First family is so special to Me.

“Had Jesus failed, he would have been crucified!”

“And I had experienced so many failures, I had to see Jesus on the cross with My own eyes before I knew My Six Measure Standard would work.⁹

“When He pled with me that night in Gethsemane, he wanted Me to find another way to defeat Satan since He realized that I am the Ancient of Days, the Great God Jehovah, the supreme One, who has always been and who has all supernatural authority and power within Myself. My son, I am it. The “buck” stops with Me and besides Me, there is none other. I am the greatest of the great and have always been.

“You cannot understand that now. In time, you will understand more.

“And that gives you only a brief glimpse of why you are so precious to Me. By passing the Six Measure Standard test as a man, who understands and who has discharged carefully the responsibility of being a single

⁹See Jim Ash letter No. 155, page 3, column 1, for the Six Measure Standard.

man, a married man with a wife and children, who assumed and discharged his responsibility in all of these areas in a world ruled by Satan – that means more to Me than you can realize until you are raptured up to the third heaven.

“In addition, you have become My trusted confessor. I have unloaded all of My faults, all of My failures on you through My confessions to you. No one else has become My private confessor.

“As you know, confession releases Satan’s grip and frees both God and man of guilt. My son, you have done that for Me, the Ancient of Days, the Great God Jehovah. No one else has done that.

“The husband in My New First Family is also as unique to Me, as Jesus is unique to Me in His sacrifice to remove man’s sin guilt. Both of them are unique to Me for different reasons, but for necessary reasons. **Both of them are My necessary men – Jesus first, of course.**

“Also, the wife in My New First Family is My first and most important **NECESSARY WOMAN.**

“All three of them are **NECESSARY** to My plan to restore man. That is why all three of them are My New Triumvirate. All three of them – each of them – is absolutely necessary to My restoration plan for man.

“Let Me emphasize to you again.

“Each of these three is absolutely essential to My restoration plan for man.

“That’s why My new Triumvirate is so important.

“That is why each of them will be eternally enshrined into the Godhead. Jesus is already there and champions the addition of the other two to His permanent staff. Each of them brings to the Triumvirate a necessary uniqueness contribution, in My restoration plan for man.

“But My necessary man and his New First (and last) Family, My son, provide Me as Jehovah God, with My New wife in eternity for the first time ever.

“That portends for those two, then for those three, abundant blessings, for I am a generous giver.

“Thank you again for being a good listener.

“The wife in My New First Family is cognizant of some of these blessings but not all of them. Her husband will enjoy sharing some of them with her.

“And remember – they will want for nothing.

“*You may now have a better grasp – a better*

understanding of My disdain – of My literal hatred for sin, but also why, in a world ruled by Satan, I decreed that righteousness is not based on perfect conduct, but on obedience.

“My son, no one knows these things as you do. **Please – just for Me, proclaim these things loudly to the house tops – just for Me.**

“Pay no attention to either the gainsayers or the naysayers. In time, many of them will become your most ardent supporters.

“Now you may better understand that everything you do will become spiritual warfare against the enemy, because you will be governed by Truth – by My Truth.”

Tuesday, October 16, 2012

“Yes, My son, no one – that is, *no one* – knows Me as you do. I have **NEVER** shared with anyone My faults, My weaknesses and My mistakes as I have shared with you. And yes, as you realize, when one has a chip on His shoulder, He will find someone to knock it off.

“However, once I have been able to share with you My most intimate thoughts, I have had a weight lifted from My shoulders.

“You are the first one ever with whom I have felt free to confess My faults about which James wrote. The sharing of faults, contrary to one’s first thoughts, draws two people closer together.

“But realize this, My son, that it takes more courage for Me to share (confess) My faults with you than it does to confess one’s faults to one another as James wrote.¹⁰

“The reason it was important for you to become My confessor **NOW** is because I needed to unload **ALL OF MY BURDENS** before the Rapture, for the Rapture is preparation for the Millennium, and the Millennium is My time to shine. I, therefore, want to enjoy the Millennium as you will.

“The Millennium will be a carefree time on the earth. It will be the only time that man will begin to realize what it means to be without Satan’s evil influence on the earth.

“My son, you got it right. The Millennium is a ‘shake-down cruise’ for the New Jerusalem. The difference is that everyone is not born God Incarnate during the Millennium. The Gospel must be preached

¹⁰See James 5:16.

even then that one may be saved and secured.

“This is why My New First (and last) Family are so important to Me. My New Triumvirate will rule the earth during the Millennium.

“For this, as well as other reasons, I felt compelled to seek out a private confessor with whom I could feel free to bare My soul.

“I need to say to you again – you are the first man (first one) with whom I have felt comfortable to share My innermost thoughts about Myself.

“And yes, I feel relieved.

“And yes, I feel lighter.

“And yes, I feel renewed.

“That, as you know, is what confession does. It cleanses one’s soul of the dross of this world, to include His mind and His heart.

“My son, remember, I have told you that I had to learn to deal with evil from the evil one. I was **NEVER** confronted with evil until Lucifer failed.

“**Then when I realized that the one who personifies evil had been given My irrevocable supernatural power and authority over My perfect earth, I was literally fit to be tied. That was almost too much for Me to bear alone.**

“Only because of My desire to be contented, satisfied and fulfilled by My second wife,¹¹ was I motivated to patiently devise a way to correct My mistakes and My failures.

“Obviously, Earth One had to be written off. Satan so convoluted and wreaked the inhabitants of Earth One, there was no recovery possible.

“I, therefore, had to devise a failsafe way to recoup my losses through fallen man.

“That was My dilemma.

“To reemphasize again, the husband and his New First (and last) Family will demonstrate for the first time ever, that My Six Measure Standard is sufficient to reestablish My perfect family on the earth **AGAIN**.

“Jesus demonstrated that My Six Measure

¹¹God’s first wife were all of the inhabitants of Earth One collectively until Lucifer failed and stole God’s first beloved wife. Until they sinned, Adam and Eve would be considered as God’s second wife, but they are not counted because God knew they would fail. His second wife that God refers to here, is His New First (and last) Family, who will be thrust into eternity forever when those two God Incarnate apostles become one in marriage. Nothing like this has ever happened on planet earth!

Standard was sufficient to regain authority over Satan. But My New First Family will demonstrate that My Six Measure Standard is also sufficient to reestablish My perfect body on the earth once again.

“That, My son, is what has been My plan for man for millennia. For that reason, My New First Family mean more to Me as Jehovah God, than they may comprehend until they are raptured up to the third heaven.

“Yes, I feel different.

“Yes, I am contented **AGAIN** by My New First Family and particularly by My private confessor. That, alone, is a great blessing. But when you add to that My New First Family and their new God Incarnate Son, I will be fulfilled completely for the first time in millennia. This means so much to Me that only the judgment Seat of Christ may reveal its total importance.

“As a man thinks in his heart, so is he.

“You, My son, have cleansed My heart.¹²

“I am now able to think, and therefore I am able to act, as never before. And My New Triumvirate is the reason.”

Friday, October 19, 2012

“Yes, My son, you are correct. **When you reveal the facts about My faults – about My failures – it will be clear that the cross was for Me, Jehovah God. The cross was FOR ME, My son!**¹³

“I created Lucifer perfectly. He was filled with all the fullness of the Godhead bodily, just as Jesus was.¹⁴ He had all of My attributes except one. He was like Me in every aspect except one, and that was My salvation. But all of the supernatural perfect attributes with which I endowed Lucifer were permanent – **they were for ETERNITY!**

“Yes, as you say, I painted My self into a corner. And I had to wait until the paint dried to walk over My

¹²The rule must work both ways or it is not Truth.

¹³The fact that the cross was for Jehovah God, is new revelation, as is much of the content of this letter. The reason God needed the cross for His cleansing, is because God’s mistake in giving Lucifer eternal authority to rule the earth, necessitated the reason for the cross. The cross was needed to cleanse man of the curse of death brought about by Adam’s sin, but there would have been no need for the cross had God not given Lucifer authority to rule the earth.

¹⁴See Colossians 2:9.

mistake to the door.

“My son, beginning with Earth Two at Genesis 1:3, it has taken about six thousand years for the paint to dry, so that I could correct My mistake. It has taken that long for Me to bring about the salvation of man through fallen man.

“My plan for the complete restoration of man was (is) through My New Triumvirate or through My Three necessary people – two men and one woman.

“The first necessary man was Jesus. His contribution was by far the most important.

“The second necessary man **AND** the first necessary woman formed My New First (and last) Family. Those two, along with Jesus, formed My New Triumvirate.

“After Jesus opened the first door through which man could walk to Me, there still remained a second door to be opened, to restore everything else that Adam and Eve lost through their transgression. **That door is just as necessary as the first one in preparation for the Rapture.** Everything Adam and Eve lost must be restored in order to regain the perfection of their beginning.

“The perfection of their beginning means that since both of them were God Incarnate, their union, their marriage and their home was perfect. They were made in My Image and were perfectly joined together as one because they were God Incarnate. I, Myself, within each one, guided and directed all of their activities, as I did with Jesus.

“Since I, Myself, directed them, there was no disagreement or argument because I do not disagree nor argue with Myself.

“This is the remaining door that had to be opened to reestablish the perfect relationship Adam and Eve had with each other prior to their transgression.

“That second door will be opened by My New First (and last) Family, My two new necessary people who are the second **AND** the third members of My New Triumvirate.

“My New Triumvirate will restore **EVERYTHING** Adam and Eve lost through their transgression. Jesus reversed the sin curse of death. My New First Family will reverse the curses pronounced on Eve (woman), on Adam (man) and on their abundance, as recorded in Genesis 3:16-19.

“In verses 17, 18 and 19, I pronounced a curse on the ground and upon man, and placed upon man the

responsibility to provide for himself and for his family, whereas I, Myself, provided everything before Adam's sin.

“Those curses will be reversed in My New First Family. They will want for nothing. I will reverse that curse Myself by providing all the needs, wants and desires of those two, then of those three. My provision will fill their every need, want and desire!

“Hence, prior to the Rapture, My New Triumvirate will reverse the curses pronounced on woman (Eve) and on man (Adam). It was necessary that those curses be reversed before the Rapture to make way for the triumphant return of Christ following the Tribulation.

“Adam (man) and Eve (woman) lost their salvation, their perfect joint-authority relationship in marriage and in the home, and My abundant provisions, wherein I provided all their needs, wants and desires. These losses (curses) will be restored by My New Triumvirate before the Rapture.

“In the restoration process, increased sorrow in conception and pain in childbirth will be lifted from woman; nor shall her desire be for her husband nor shall he rule over her. My perfection will rule over her activities.

“The relationship between a God Incarnate man and his God Incarnate wife will be restored eternally as it was between Adam and Eve prior to their transgression. My perfection will govern all of their activities. Nor will they age or grow old. Their youthful appearance and physique will be sustained eternally and death, the wages of sin, will be no more.

“These blessings will be provided through My New Triumvirate prior to the Rapture.”

“Since the resurrection of Jesus, I, Myself, as Jehovah God, and the Spirit are the only two purely spirit Beings in the Godhead.

“The Word, which was originally a pure spirit Being, is now one with the spirit of Jesus or one with Him who is now flesh and bones.¹⁵

“Jesus is the only fleshly member of the Trinity. The other Two (Myself and the Spirit) are purely spirit Beings.

“Jesus today is still spoken of as God Incarnate because God Incarnate means the Godhead bodily

encased in human flesh.

“Jesus is still flesh and bones and will remain that way throughout eternity.

“The reason is, because fallen man had to be redeemed by fallen man. **It could have been done no other way, because when I created Earth One as My perfect model for eternity, I exhausted all spiritual means of rectifying My mistakes.** That's why Satan thought his rebellion would be victorious over Me.

“Jesus is the only fleshly member of the Trinity. However, at His death on the cross, the Word (a spirit Being) became one eternally with His soul and His spirit (two spirit beings), while at His resurrection, the Word (as an eternal spirit Being) became permanently fused with or joined to the spirit and soul (two spirit beings) of Jesus, to become one with Him eternally as a flesh and bones body.

“Therefore, since the spirit Being Word became eternally grafted or fused into the soul and the spirit of the fleshly Jesus, the Word became eternally one with Jesus at His death on the cross.

“Hence, flesh and blood fallen man was redeemed by flesh and blood sinless Jesus, who came through the sinful body of Mary, His mother.

“However, since both blessings **AND** curses follow the male in My order of things, Jesus came forth from the womb of Mary, who, like everyone else since Adam, carried the Adamic sin curse and sin nature.

“Therefore, from sinful woman came the sinless infant Jesus, whose birth circumvented the Adamic sin curse and sin nature because:

- (1) “I sent the Spirit to fertilize the egg in Mary's womb with a ‘y’ chromosome to bring forth an ‘xy’ chromosome male infant Jesus, and because,
- (2) “both blessings and curses follow the male (in this case, the Spirit) in My kingdom and because,
- (3) “I made Adam first.

“As the ruler of Earth One, this is what fallen Lucifer overlooked when he rebelled against Me.

“I, God the Father, and the Spirit, are pure spirit Beings. Jesus, the second member of the Godhead today, is the only fleshly member of the Trinity, who is still flesh and bones, but no longer subject to physical laws since His resurrection.

¹⁵See Luke 24.39.

“Jesus is still flesh and bones, governed by superior spiritual laws, while the other two persons of the Godhead, I, the Father, and the Spirit, are pure spirit Beings.

“Here is the reason Jesus became an eternal God Incarnate member of the Godhead bodily:

“First, the original Godhead was three pure spirit Beings: the Father, the Word and the Spirit, while both the spirit and the soul of man (Jesus in this case), are also spirit beings.

“Immediately after John’s baptism, the three pure spirit Beings (the Godhead bodily) entered the sinless, fleshly body of Jesus, when He temporarily became God Incarnate, until His death on the cross.

“At His death, the spirit and the soul of Jesus (spirit beings), immediately became one again with the Godhead bodily, to descend into the heart of the earth to preach to the spirits in prison.

“Three days later, the fullness of the Godhead bodily, who were still one with the spirit and soul of Jesus, re-entered His dead body in resurrection. At that moment, the spirit and soul of Jesus became permanently fused into or with the spirit Word (three spirits), to become one with Jesus as His new name (The Word of God) and as His permanent DNA identity. Simultaneously, I, the Father, and the Spirit became permanently incarnated in (or within) His fleshly physical body as God Incarnate Jesus who (now as the Word – His new name) became the second person of the Godhead eternally.

“Jesus made the way for the complete restoration of mankind through My New First Family. He opened the door that those two walked through to Me, which provided their entrance into the same God Incarnate walk Jesus had, in order to restore man and woman to their station in life, experienced by Adam and Eve before they sinned.

“My restoration of man had to come through My New First Family.

“My restoration of man and woman to their original God Incarnate estate, likewise, had to come through man and woman, that is, through My New First Family, soon to be released.

“My complete restoration of man had to come **through the sinful flesh of man**, because I used all of My spiritual, immutable, creation words when I spoke into existence Earth One, its rulers, its inhabitants and its abundance.

“Jesus and My New First Family, the New Triumvirate, came through sinful flesh.

“The lack of the knowledge of these things prompted Lucifer’s rebellion. Here is what was behind Lucifer’s rebellion against Me: Lucifer thought he could steal My creation because he (Satan) knew I could not create another perfect model Earth One to include its rulers and its inhabitants.

“And Lucifer came close to being right. So close, in fact, that it took Me millennia (about 5000 years) just to plan My new beginning with Genesis 1:3 to redeem Myself completely through sinful, fleshly man. Then add to that another 7000 years to the Great White Throne Judgment. Then add to that another approximate 5000 years for the life of Earth One before its destruction (that’s approximately 17,000 years). To that add the billions of lost souls who have followed Satan to his reward and you have some idea of the cost of the redemption of mankind from the grasp of a fallen Lucifer.”

“As you write, be sure to include the necessity of My being required to use sinful, fleshly individuals to accomplish My end-time events, because I used up **ALL** of My supernatural, immutable words of creation on Earth One, which was intended to be My Earth Model for eternity.

“Good times ahead, My son.

“Good times ahead for you **AND** for Me, for which I have longed and for which I have planned for millennia.

“Thank you!”

“Yes, My son, it’s getting exciting, isn’t it? Diana’s dream is prophetic, as you have surmised.

“Things are moving now at a faster clip than I had anticipated, so stand by – hold on – get ready!”

“Yes, *at His resurrection, **The Word of God*** became the new name of Jesus when His spirit and His soul became fused eternally with (became one with eternally) the Word of God so that it changed His **DNA** identity to include His name.

“**These are most important things for you to**

write, because they are conclusive evidence of what you have written all along, but in reality, is nothing but My truth given to you.

“Did I not say that ‘learning to listen to My voice 24/7’ is the most important thing you have to teach?”

Later at 12:15 PM

“Jesus became the Second person of the Godhead, supplanting, or taking the place that the Word formerly occupied, because the spirit and the soul of Jesus became permanently fused into the Word to become the new name of Jesus, as well as His new DNA identity.

“The Word, as a spirit Being, became one with the two spirit beings of Jesus (His soul and His spirit) as an eternal arrangement. The identity of, or a name of Jesus at that moment, became ‘The Word of God,’ or the second person in the reconfigured Trinity.

“The reason Jesus became the second person in the Godhead – in the Trinity – is because at His resurrection, His soul and His spirit literally became fused with, or became integrated with, the Word, the original second spirit Being in the Godhead.

“Two or more spirits may combine and occupy the same space or the same body. That’s why the Word, as a spirit Being, could unite permanently with the two spirit beings of Jesus: His soul and His spirit.

“This arrangement or this rearrangement or this realignment, became fixed eternally at the resurrection of Jesus.

“As the Gentiles were grafted into the natural tree (Israel) to become one with the natural branches, so the spirit and the soul of Jesus were grafted into the Word to become one with the two other supernatural “Branches” of the Godhead, and to assume the second position in the Godhead that was previously held or occupied by the Word.

“Prior to Jesus, the Godhead was the Father, the Word and the Spirit. After the resurrection of Jesus, the Godhead became the Father, the Son (inclusive of the eternal Word) and the Spirit.

“And behold, I, the Lord God do declare these things to be true as My revelation for My people for this time. Be watchful, be ready, for My soon coming will be at a day and hour when you think not.” <end of prophetic word>

THE EVOLUTION OF THE GODHEAD

The original Godhead (Trinity) was God, the Father, God, the Word and God, the Spirit, under whom Lucifer ruled perfect Earth One for an estimated 5000 years until

Lucifer failed. Lucifer’s failure included his support staff of angels, mankind and God’s abundance on Earth One that was destroyed. Through Eve and Adam (God’s planned failures) on Earth Two, Satan, once again became ruler of the world. Hence, the need for a Savior and the first reconfiguration of the Godhead through Jesus as illustrated:

Trinity: God **Word*** Spirit = spirit Beings
Jesus: {body = physical being
{ **soul** spirit***** = spirit beings

At His resurrection, the **soul**** and the **spirit***** of Jesus became engrafted into the eternal **Word*** to become a new name of Jesus – The Word of God¹⁶ – who then became the eternal second Person of the Godhead as the “Son,” inclusive of the eternal “Word.” At the judgment Seat of Christ, the two members of God’s New First Family will be enshrined within the Godhead to form God’s New Triumvirate.

A HOMECOMING MEMORIAL

On Friday, February 21, 2014, Charles Capps informed his family and his close friends that he would be going home to heaven in three days.

After having some final words with family and friends the following day (Saturday), he went to bed, went to sleep and never awakened.

At 5:15 PM Sunday, February 23, 2014, in his sleep and in the presence of his wife and his two daughters, Charles Capps got his glorified body, as he had prophesied. (He kept saying, “I want to go in my sleep.”)

Charles Capps got what he said and called those things that be not as though they were.

This is the most remarkable testimony to the power of a life dedicated to believing, teaching and living the word of God, that this servant of God has ever seen.

His weekly “Concepts of Faith” TV and radio broadcasts will be continued, his books will continue to be published and the newsletters mailed. Hence, with the electronic and print media, the ministry of Charles Capps will continue.

All praise, glory and honor to our Lord Jesus who has made such a life and such a homecoming possible. Amen.

This information on the homecoming of Charles Capps was obtained at a website posting from his daughter, Annette Capps, who has followed in ministry in her father’s footsteps.
