Boldly declaring **the new things of Isaiah 42:9** and **the greater works of John 14:12** in this rapture generation

THE EVOLUTION OF GOD'S PLAN FOR MAN IN THIS RAPTURE GENERATION¹

Mankind – male and female – man and woman – were not made to interact with themselves, or with God, to content, satisfy and fulfill themselves.

Mankind was made to content, to satisfy, to fulfill and to complete Jehovah God, the Ancient of Days, who desires a wife to complete and to fulfill Himself, just as a young man desires a wife to complete and fulfill himself.

As God Incarnate Adam was incomplete without God Incarnate Eve as his wife, Jehovah God, Himself, is incomplete without a God Incarnate wife.

Since God is pure and perfect, He must have a wife who is also pure and perfect. He will have none other.

The first man and the first woman on Earth One were perfect specimens that God made “in Our image” and “in Our likeness.” To be made in the image of and in the likeness of God, means to be God Incarnate. To be God Incarnate means mankind (male and female) in a physical body, as a receptacle or as a physical container for the Godhead bodily (Col. 2:9). The “Godhead bodily” means the **three Persons** of the Godhead.

Therefore, mankind (male and female) were originally created in eternity, not in time, as perfect God Incarnate specimens, conformed to the perfection of the Godhead bodily, to live forever as the beloved wife of God, to content, satisfy and to fulfill Jehovah God, Himself.

This describes God's kingdom – God's economy – that existed on Earth One before Lucifer failed.

This is where God is going with His meticulous plans to defeat the enemy and to once again establish His kingdom on the earth.

This is also descriptive of the New Jerusalem.

¹God asked me to write this letter for Him and told me specifically what He wanted me to include in the letter. He also said that this letter would be unique, classic and a “collector's item letter.”

Now, let's fill in the blanks – the great gulf – the great gap between the destruction of Earth One and the beginning God Incarnate victory over our common foe.

God Incarnate mankind (male and female) created on Earth One in eternity, functioned perfectly for an estimated five thousand years. Then Lucifer failed, about which I have written extensively. Here is why Lucifer failed and took God's beloved wife with him:

Lucifer, his staff of angels created to govern the world and mankind who lived on Earth One, were trained by God's Three Measure Standard:

- (1) God must be first in everything.
- (2) One must be led by a rhema word in all activities.
- (3) God must get the glory.

If you fail in one, you fail in all three.

God's overflowing love permeated Lucifer, his angels and mankind on Earth One.

It is obvious that since Lucifer was filled with the fullness of the Godhead bodily, and that mankind (male and female) on Earth One were God Incarnate, that God, Himself, would direct all activities of both Lucifer and mankind, as long as obedience governed all activities.

But Lucifer had other ideas. He realized that he and his staff of ruling angels were created to rule Earth One for eternity by God's own spoken immutable words of creation, that could not be rescinded, amended or revoked, because those words were spoken as eternal Truth.

Then Lucifer's lust and pride took over, and he saw the opportunity to take over for himself the world of Earth One, to include its inhabitants – which he did. And he was right. God could do nothing but stand by and watch Lucifer steal and irretrievably take over the world of Earth One and its inhabitants. God could do nothing about Lucifer's rebellion and theft – short term – God's short term, not man's.

Lucifer rebelled against Jehovah God with his

God-given authority to rule Earth One and mankind thereon eternally.

Hence, God, for the first time, realized His mistake in creating Earth One, its rulers, its inhabitants and its abundance. God thought that the Three Measure Standard and His unending, overflowing love would be sufficient to keep His creation loyal to Him. But He was wrong.

Hence, the Three Measure Standard was proven to be insufficient.

God, therefore, had to stand by helplessly and watch Lucifer steal – literally rape – His beloved wife on Earth One.

Then God’s anguish, grief, anger, resentment, despair and consternation knew no boundary. He had **NEVER** been confronted with evil – with rebellion – with such audacity – that it took Him a while to work through, or to think through what was happening right before His eyes.

Then reality set in.

He finally was able to reconcile Himself to the fact that He, Himself, the omnipotent One, the omniscient One, the omnipresent One, had made a mistake which He thought to be impossible. And the mistake was one about which He could do nothing but stand by and watch it play out into things more disastrous, more destructive and more hideous than even He could imagine.

Here is what God said to me about His failure the morning of August 16, 2012:²

“I was ashamed, embarrassed, disappointed, angry, anguished, resentful, distraught and overcome by grief for a long time, before I could come to grips with Myself and with My failure. My son, I did not think that I could fail!

“My son, pride became My hidden weakness. Yes, I was too perfect and too proud to fail! I never believed that one created with all of My attributes (Lucifer) could fail, but I was wrong.

“As I have said to you before, My failure was inadvertent, was unwanted and never planned for. Nevertheless, My failure occurred because of My lack of understanding on how to prepare someone to serve Me with governing authority over man and the earth.

²The prophetic word given to me the morning of August 16, 2012, was also published in Jim Ash letter No. 158, beginning on page 4, column 2.

There I learned that My overflowing love was inadequate.

“Through the mistake of Lucifer and Moses, I learned that trustworthiness had to be taught through the experience of testing in order to prove fidelity to Me under all circumstances, and the unencumbrance requirement became necessary as My preparation for governing authority.³

“My mistake was responsible for the establishment of cities of refuge.⁴ Those cities were for Me, My son!

“A terrible mistake done inadvertently produces the same result as the same act done intentionally. One who inadvertently misuses a gun and kills someone, causes death in the same way as one who deliberately commits murder.

“That was My dilemma. I literally saw a perfectly created Lucifer who allowed pride to overcome him. Lust and pride caused Lucifer’s failure. But Lucifer’s failure was My failure. **Because of My failure in Lucifer, billions of precious souls on Earth One degenerated into the most vile and despicable beings. All of that degenerative behavior began with man’s sexuality.**

“Man’s sexuality was pure in origin, so as to make it pleasurable to procreate the human race. But that which was pure, under Lucifer’s vile lust and pride, turned into things too hideous to mention.

“Men with men and women with women produces evil, lustful desires and characteristics too vile to mention. **Lucifer used that, in addition to his supernatural power, to literally ‘rape’ My perfect Earth One.**

“Through Lucifer’s supernatural power over those under his authority, he created deviation from My perfect creation into the complete convolution of man

³See Jim Ash letter No. 117 for these details.

⁴There were six cities of refuge to which the manslayer who had killed a person by accident might flee. Three cities were located on the west side of the Jordan: Kedesh in Galilee (1 Chronicles 6:76), Shechem in Ephraim (Joshua 21:21; 1 Chronicles 6:67) and Hebron in Judah (Joshua 21:11; 2 Samuel 5:5; 1 Chronicles; 1 Chronicles 6:55), and three cities were located on the east side of the Jordan: Beazer, in the plain of Moab (Deuteronomy 4:43; Joshua 20:28), Ramoth in Gilead, in the tribe of Gad (Deuteronomy 4:43; Joshua 21:28; 1 Kings 22:3) and Golan, in Bashan, in the half-tribe of Manasseh (Deuteronomy 4:43; Joshua 21:27; 1 Chronicles 6:71). There were also Levite Cities.

into all sorts of weird creatures that are called ‘demons.’ Once Lucifer discovered that his failure condemned him and those who followed him irretrievably, he delighted in using his authority and his supernatural power to create from man creatures too vile to even mention.” <end of prophetic word>

This prophetic word reveals that neither Lucifer nor God, Himself, realized the evidential conclusion to the mess that lay before Him at Lucifer’s failure.

The conduct of mankind on Earth One under rebellious Lucifer’s supernatural authority became as it was before the flood survived only by Noah and his family.

Therefore, destruction of Earth One, was God’s only solution.

After the destruction of Earth One, it took several thousand years for God to plan everything He had to do, before starting all over again to redeem fallen man through fallen man, which Lucifer did not think possible. That is what was behind Lucifer’s rebellion.

After God’s plans to redeem fallen man through fallen man were complete, He began again with Genesis 1:3.

The first thing that God had to do was to create light and then to create our solar system to establish time in order for man to age, grow old and die. This was all new to God, because Earth One was established to exist eternally. God was the light on Earth One just as He is the light today in the third heaven where there is no shadow of turning.

God was mandated to start with the creation of Earth Two, the same way He created Earth One, because of His immutable words of Creation spoken in the creation of Earth One. This meant God’s love and the Three Measure Standard would govern both Adam and Eve. It also meant that Satan would have representation in Eden because of God’s eternal commitment to him to govern the world of Earth One.

For these reasons, because of His experience with Lucifer on Earth One, God knew that Eve and Adam would fall to the cunning, alluring deceit of Satan. But God had no other way to start all over again. He had to work out a way to redeem fallen man through fallen man.

Before He began with Genesis 1:3, God knew He would have to send a redeemer for mankind. But He had never done such a thing before. Therefore,

Jehovah God, Himself, would need to learn from experience how to equip fallen man to redeem fallen man.

God’s first learning experience to redeem fallen man began with Moses. Through the failure of Moses, God discovered that the Three Measure Standard plus meekness was insufficient to keep man faithful to Him.

Then when God trained Jesus to become the Savior of mankind, to the Three Measure Standard and “meekness,” He added two other requirements:

- (1) The “I will never leave you nor forsake you” test.
- (2) The unencumbrance requirement.

That is the way the Six Measure Standard evolved over about four thousand years, beginning with Adam on Earth Two. This, however excludes the approximate five thousand year planning gap between the destruction of Earth One and the beginning reconstruction of Earth Two with Genesis 1:3. This means that it took approximately nine thousand years of planning and effort by God to get to God’s definitive plan to redeem man: Jesus on the cross.

Here, then, is the Six Measure Standard that God devised to train Jesus, to which I have added explanations in italics:

- (1) The Lord must be first in everything 24/7, *otherwise self, the god of Satan, will be first, and Satan becomes your father.*
- (2) You must be guided by a rhema word (from the Holy Spirit) 24/7 *or you will be guided by self, the god of Satan.*
- (3) You must give God the glory 24/7 *or self, the god of Satan, will get the glory. (God calls these first three requirements, The Three Measure Standard.)*
- (4) The “meekness” test. *(Moses was trained with these first four requirements which proved to be inadequate.)*
- (5) The “I will never leave you nor forsake you” test. *(This is a covenant God made with Moses and with Joshua, and with the Israelites through Moses, but one must make that same covenant to God as the Fifth Standard.)*
- (6) The “unencumbrance” test. *(This means to be freed of all earthly ties and totally committed to the Lord. Jesus was the first one*

to be trained with all six of these requirements that God has called His Six Measure Standard.)

Each of the thirteen new apostle/prophets have passed the Six Measure Standard as part of their preparation to be released.

Realize that those thirteen have passed the Six Measure Standard under more strenuous circumstances than Jesus had to contend with during His training. Each of the thirteen carried the burden of the Adamic sin curse and sin nature during their training, that Jesus was freed of at His conception.

Therefore each of the thirteen must be cleansed of the dross of this world – of the Adamic sin curse and sin nature back to conception in the womb – prior to their release, because the fullness of the Godhead bodily will not – cannot – enter an unclean – an impure vessel.

Because the Holy Spirit (instead of the sperm of man) fertilized the egg in Mary's womb, Jesus came forth at birth without the Adam sin curse or sin nature. He therefore was a pure vessel from conception in the womb, in preparation to be baptized with the Godhead bodily (three Persons), after He was baptized by John.

Only one cleansed of the Adamic sin curse and sin nature from conception in the womb, just as Jesus was, may be filled with the fullness of the Godhead bodily to become God Incarnate.

For this reason, God devised a way for the thirteen new apostle/prophets to be cleansed and purified retroactively back to conception in the womb, just as Jesus was. And this, like some other things God has done, was something that fallen Lucifer thought to be impossible.

Here is the way God's plan began:

One afternoon in the Fall of 2006, I was out walking for exercise when the Lord spoke to me and said, "Confession eradicates the sin from my records." Those words changed my life – again.

If you will think about this statement, it may eliminate the need to ask God for forgiveness. As a matter of fact, I do not know of a single instance in the New Testament where we are told to ask God to forgive our sin – or our sins as a stand-alone statement..

Forgive our sins as we forgive others – yes.

Forgive others that we may be forgiven – yes.

But to ask God to forgive our sins as a stand-alone statement – I do not find in the New Testament.

The reason for that may be found in 1 John 1:9:

"If we confess our sins, He is faithful and just to forgive us our sins and to cleanse us from all unrighteousness."

This scripture is completely in line with The Lord's statement to me that "Confession eradicates the sin from my records."

After this teaching I ceased to ask God to forgive me, *as I had done countless times before*. I now simply confess to God the sin or the wrong. Then, an angel in the records room in the third heaven, where my book is on file, takes it from the shelf, and with a soft cloth, wipes away my sin or my wrong, leaving a red tint on the page.

This new understanding of my walk with God led to God's nine-point forgiveness prescription that I know is effective.

If you have a problem with someone in your past that somehow, you have been unable to escape from, try this prayer – it will work. Then thereafter, should the same incident, or the same person come to your mind, always pray for that person.

This nine-point forgiveness prescription works.

For it to work correctly, one should speak aloud the following nine-point prayer and insert in the blanks the one who offended you:

1. Confess the sin (wrong) to the Lord.
2. Repent (I repent).
3. I forgive _____ .
4. Lord will you bless _____ .
5. I bless _____ .
6. Lord I forgive myself.
7. I bless myself.
8. Will You now bless me.
9. Lord I now release _____ and myself to You to do the work, in Jesus' Name. Amen.

This prayer was foundational for another cleansing prayer given to me by the Lord years later. In my quiet time before God the morning of Friday, April 8, 2011, He revealed to me the way for the thirteen new apostles to be cleansed retroactively back to conception in the womb. Here is the actual entry from my journal that Friday morning, which begins with the prayer I was led to pray, followed by a prophetic word connected to the prayer. The prayer and the prophetic word that follows are one composite prophetic revelation:

A prayer:

(1) “Lord, I confess as sin my whole lifetime from the moment I was conceived in my mother’s womb to this present time.

(2) “I repent of everything I have done in my lifetime from the moment of my conception to this present time.

(3) “I forgive **EVERYONE** of every wrong and of every sin committed against me from the moment of My conception to this present time.

(4) “Lord, will You now bless **EVERYONE** who has wronged me or who has sinned against me from the moment of my conception to this present time.

(5) “I now bless **EVERYONE** who has wronged me or who has sinned against me from the moment of my conception to this present time.

(6) “Lord, I now forgive myself of **EVERYTHING** I have ever done since I was conceived in my mother’s womb to this present time.

(7) “Lord, I now bless myself.

(8) “Lord, will You now bless me.

(9) “I now release myself and **EVERYONE** to You who has ever committed a wrong against me or who has sinned against me from the time I was conceived in my mother’s womb to this present time, to do the work, for You Lord do the work. In Jesus’ Name. Amen.”⁵ <end of prophetic prayer>

The prophetic word that followed

“My son, what you have just done makes you of

⁵Notice that the nine-step prayer for forgiveness God that gave me in the Fall of 2006 (page 4, column 2 in this letter), is identical in principle to the nine-point prayer for cleansing back to conception in the womb (beginning on page 5, column 1, of this letter), given to me on Friday, April 8, 2011. God is meticulous in His planning for His people. The first prayer is to be spoken as the need arises, concurrently in time. The second prayer is spoken only once, but is retroactive back to conception in the womb, and is directly connected to, and is a composite part of, the prophecy that follows, which is the only basis or foundation for becoming God Incarnate in a fallen world.

equal standing with the Godhead as was Jesus when he was conceived and brought forth from the womb of Mary, to redeem mankind from the mark of sin and death under which the whole world lies. That gives you the legal right or the legal standing with the Godhead that Jesus of Nazareth had from the moment of His conception.

“That, My son, gives Me the legal right to empower you with the same anointed, supernatural, legal, empowerment given to Jesus immediately after John’s baptism.

“My son, your record in the records room of the third heaven has now been expunged or cleansed by the blood of Jesus, of **EVERYTHING** you have done from the moment of your conception in your mother’s womb to this present time. This means that there is a red tint on these pages of your record book in the records room in the third heaven.

“My son, you now stand before Me prepared to receive your Godhead impartation upon your release into ministry. Amen!

“You must realize what you have done.

“All manner of things done in your life included within the parameter of lust of the flesh, lust of the eyes and the pride of life, have been removed from your life completely. And because of Jesus and what He did, you are now as He was when He was released into His ministry.

“My son, My spiritual laws, when spoken into existence, are fixed in place forever and must be obeyed as qualification for entry into My kingdom. This, in addition to your obedience to the details of your assignment, determines your final judgment. In other words, you, yourself, determine your own final judgment of reward. Isn’t that simple?

“This final spiritual adjustment in your life had to take place before I could release you into ministry, for you had to be cleansed and prepared as was Jesus in order to do greater works than Jesus did.

“Now you know.

“Now you can teach others.

“Only one who has been cleansed may cleanse others.

“And yes, isn’t that also simple?

“You must be clean in order to cleanse others.

“You may not cleanse others while you are unclean because that is both confusion **AND** contamination in action. And yes, again, isn’t that

simple?

“If you wallow in the pig pen, you may not cleanse others while you are contaminated.

“My son, all of My requirements are simple when seen by rhema revelation. You see that – you know that now to a greater degree than may be seen except by revelation. Hence, the power **AND** the blessing of learning to hear My voice daily in the few remaining years of this rapture generation.

“Only one thusly cleansed and prepared as you have been this morning may be released to bring the fulfillment of John 14:12.

“You are right. No one would ever know of these things except by revelation. Hence, the immense value of the Listening Method over the Pentecost Method.

“My son, My way, when seen by revelation, is not difficult. Hence, the value of teaching the Listening Method as you are released.

“Because you have learned these things over a period of more than fourteen years (more than seventeen years from the publication date of this letter), you will be able to teach them with a much shorter learning curve than yours.

“Now, My son, you are perfect before Me. Additionally, you know how to walk obediently in My will so that your activities are also now perfect. You, therefore, are perfected by My will as you walk (live) in it.

“My son, I have had to bring you to this point before I could release you. Therefore, as I release you, you will be able to confidently go forth to do battle against Our common foe. You are now equipped for battle. The only thing remaining is your anointed infusion of Myself. Then We will be prepared, just as was Jesus for His ministry.

“When you pray, you petition Me to minister to you. When you learn to listen, as I speak to you, I petition you to minister to Me.

“You are right, My son. The only way you may teach this is to know the definition of both sin and of righteousness.⁶ Otherwise, this teaching will fall on deaf ears.” <end of prophetic word connected to the Prayer.>

⁶Concise definitions of sin and of righteousness: In a fallen world, sin is intentional disobedience and righteousness is intentional obedience.

Later journal entry at 1:58 PM after talking to an out-of-town pastor at the Full Gospel meeting held at the Marriott Hotel on the Dallas North Tollway:

“You now see how difficult it will be for the pastors trained under the Pentecost Method to accept something new. The old wine is hard to give up. Something new, therefore, must be wrong.

“However, (name omitted) will have time to remember some of your words. He likewise will have opportunity to have your words confirmed with signs, wonders and miracles.

“You got proof of My words to you today when I said that pastors would be first to reject your message. That’s why I will need to intervene for you to enter churches to cleanse and purify them first; then to minister with My authority.

“Let this be of no concern to you. Let this be My concern. I can handle it.” <end of journal entry dated 4/8/11>

Thus, in this one letter, we have seen how God’s plan for man has evolved over approximately sixteen thousand years with a most exciting, concluding event to begin shortly: the appearance of God’s New First Family.

The marriage of these two God Incarnate apostle/prophets will demonstrate with their lives, the restoration of **EVERYTHING** Eve and Adam lost through their transgressions, to include God’s abundance.

Then the birth of their God Incarnate Son will announce to the heavenly hosts, to Satan, to the world and to the Church, God’s complete victory over fallen Lucifer.

Those two will be able to teach others to follow “in their steps” to become God Incarnate, never to die, but to be raptured at the soon coming descent of the Lord in the air, with the shout of an archangel, and the sound of the trumpet of God.

Saints of God, we are living in the best time to be alive on planet earth and the best is yet to come.

Stand by and stay ready!

“These words from My prophet are for your learning and admonition, in preparation for My soon coming,” says the Lord.
