Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

### RHEMA TALK FROM JIM'S JOURNAL

**Friday, October 5, 2012**

at 1:30 AM

“Yes, My son, the Jewish father chose the bride for his young son. That tradition stemmed from marriage on Earth One. I, the Father, always chose a bride for a young man of marriage age. In that manner, as Jehovah God, My decision choices were always right – were always perfect.

“My son, I have already chosen the new wife for the husband in My New First Family, for that will reestablish forever the principle of My choosing a God Incarnate bride for a young man of marriageable age.

“That is just another first in which the husband will be involved to reestablish My perfect plan for man.

“He, My son, and his new beautiful wife, will reestablish forever the principle involved in a perfect marriage to establish a perfect home.

“The husband and his new wife will be second only to Jesus when their New First Family are enshrined in the Godhead after the Rapture.

“Recognition will be given to the husband prior to the Rapture, but the enshrinement ceremony after the Rapture is most important for all three of them.”

at 10:12 AM

“Yes, My son, since the husband in My New First Family volunteered to be My back-up for Jesus on the cross, through the success of Jesus, he catapulted himself into greatness in **EVERY AREA** of his life.

“Because Jesus did not fail, the husband will become the most outstanding example of My generosity to live on planet earth.

*“The thing I like about him, My son, is that he always draws attention to Me as his source of blessing in this rapture generation.*

“As I release him and he gives Me the credit, the glory and the honor, others will hear that and turn to Me. And the wonder of this all (to certain others) is that he will **NEVER FALTER** in any area of his life.

“The reason for that, My son, is because he has

been trained with the same Six Measure Standard that I used to train Jesus.

“My son, had I known to train Lucifer with My Six Measure Standard, there would have been no failure on Earth One. My First Family on Earth One would have also been trained with the same measures as their leader was trained.

“Now, My son, to the husband in My New First Family.

“My First Family **ALWAYS** sets the pattern, the standard, for those who follow.

“Jesus set the standard for those who follow Him. He was My New First Man on Earth Three.

“In like manner, the husband first, then his new wife, will become (are) My New First Family in this rapture generation.

“As Lucifer went, so went his subjects.

“As Adam went, so went mankind.

“As My New First Family goes, so goes mankind thereafter. It's really that simple, but also that profound. He, My son, and his new wife, will become (they are) My New First Family on the earth.

“As Jesus was to mankind, so the husband and his New First Family are to mankind.

“Jesus set the pattern for mankind to follow.

“My New First Family will set the pattern for mankind to follow.

“But since the enemy is still at large, there are some who will follow him.

“My son, I look forward to the time that I, the Lord Jesus, will have the equipment and the authority to send an angel to bind the enemy and his forces in the Abyss for a thousand years. Then, My son, is when the blessings really begin to flow.

“Then, My son, is when the husband **AND** his (My) New First Family will be My examples for the world to see in a very visible format.

“He and his new wife will become visible icons world-wide. **AND** there will be a role for their New God Incarnate Son.

“They have honors ahead yet to become known by them.

“Yes, being the back-up for Jesus at the cross

has thrust him into eternity as My role model, just as his new beautiful wife will be My role model.

“They both will become My role models to mankind.

“Now the husband is able to see just a little more of what he got himself into by volunteering his life to Me for My use.

“Once his role and that of his new wife are seen clearly, there will be no question of their being thrust into My New Triumvirate.

“Those two will be thrust into My New Triumvirate in the same manner (fashion) that Jesus was thrust into first place therein.

“Those Three, My son, are My role models for eternity. Jesus, first; My New First Family second behind Him. More about that later.

“I have a prominent role for their New God Incarnate Son that will become evident in time.

“As you say, “Now won’t that take the rag ‘offen’ the bush?

“Don’t forget – even the seemingly insignificant things that I reveal to you, may be the key to great strides for others. That’s My way.

“My son, when Jesus was tempted three times by Satan, each time He responded by saying, ‘It is written.’ Nothing, My son, would have been written, had I not failed in Lucifer.

“My failures prompted the written instructions in the bible to get both Me **AND** man back on track. Yes, that’s right! **BOTH Myself AND man were off track at Genesis 1:3!**

“The written record of My present bible, plus the sequel that you are writing, will finally get both Myself **AND** mankind back on track to the future.

“Yes, your sequel to the bible is very important. Your sequel will provide the necessary conclusion to how I will have corrected **ALL OF MY FAILURES.**

“Yes, Jesus became My New First Man and the God Incarnate husband and his new wife will become (are) My New First Family. It takes both to restore man to his original estate. That has been My goal from the beginning.

“For that reason, My New Triumvirate will become My key to restore everything Satan stole from Me. That is why the husband and his New First Family are so precious to Me.

“And realize what it took for Me to finally

establish My Six Measure Standard by which Jesus and My New Thirteen apostles have been trained.

“And realize as well, My son, that your role in this has been (is) very important. You are the first man with whom I have felt free to confess **ALL OF MY FAILURES.** That, as you know, cleanses ones heart and conscience of all dross of the past. You are the first man (first one) with whom I have felt comfortable and secure to confess **ALL OF MY FAULTS and failures.**

“Likewise, the husband in My New First Family is as close to Me as is Jesus. He is My Second Son in whom I am well pleased. Then his new wife that I have chosen for him will be the ‘icing on the cake’ as you say. **She is just as special to Me as a woman as he is special to Me as a man.**

“Remember, his new wife attained the status of a God Incarnate apostle/prophet as a woman in a man’s world where a woman was to be in subjection to her husband.

“They both have broken the molds under which mankind has lived for about six thousand years. That is what elevated them both to Godhead Triumvirate status behind Jesus.

“And all three of them attained that state while living in a world ruled by the enemy. The birth of their new Son will spell the death knell of Satan forever! That will be the first visible evidence of his doom **AND** the whole world will witness His birth.

“Then both the world and the church, that is, unbelievers **AND** believers alike, will recognize for the first time ever, the defeat of Our foe.

“There will be celebration and rejoicing over their marriage, then over the birth of their new Son, unrivaled in time.

“Much lies ahead of them, My son.

“Get ready – We are almost there!

“And yes, My sexuality, as you have it, is correct. I am completed fully, in every way, to include My sexuality, when Two God Incarnate virgins come together as one in marriage.

“When they come together sexually as God Incarnate virgins, that contents, satisfies and fulfills Me as Jehovah God, while that simultaneously contents, satisfies and fulfills those two. Therein are both **THEY AND MYSELF fulfilled.**

“My son, I desire a wife with whom to become One just as a young man desires a wife with whom to become one.

“The coming together of Two God Incarnate virgins makes them My wife – My physical body on the earth – for which I have longed and from which I have been denied for millennia.

“The husband, My son, and his (My) New First Family have become MY New First Family (Wife) on the earth to forever establish the complete defeat of Our common foe, and to forever establish My perfect will on the earth once more, but this time, for eternity!”

**Saturday, October 6, 2012**

at 5:06 AM

“Yes, My son, your writing is looking good. Be not reluctant to ‘tell it like it is like I said it to you,’ as you continue.

“Remember, minor things to you may account for a major breakthrough for countless others.

“Remember also what Joseph Prince said about law and grace. Those who know the Pentecost Method well are those who have the hardest time in accepting the New wine. To them the Pentecost Method will be law, whereas the revelation I have given you will become grace or new wine.

“My son, this is the reason why My precious prodigals will more readily receive your message than the pastoral hierarchy. Yes, that is a correct term. Pastoral hierarchy is to the Listening Method of revelation as the law of Moses was to the message of Christ.

“This is why knowledge of Earth One is so very important. From the beginning, I have been in the process of replacing man as he was originally on Earth One. On Earth One in the beginning, its ruler, his contingent of ruling angels and mankind were all perfect. That is where We are going.

“Jesus opened the first door.

“My New First Family will open the second door.

“In principle, the only remaining thing to accomplish is the training of My contingent of ruling angels. That will be accomplished during the Tribulation. In those seven years, all ruling angels will have their assignment. Then We will be ready to return.

“My son, the contribution that the husband and

his New First Family will make is far beyond that which he has understood.

“My son, through **BOTH DOORS EVERYONE** must walk to the complete restoration of My Earth One model.

“There was no need for a Savior or for a bible on Earth One. Those were two expediencies I had to improvise in order to redeem man who was stolen by a fallen Lucifer.

“My son, I realize you know this, but it needs to be reemphasized. My preparation to reclaim **EVERYTHING** Satan stole from Me was the most gargantuan project I ever undertook.

“Three things made it difficult:

(1) “I had no pattern to follow, so I had to devise one.

(2) “All of My corrective procedures had to be done within the confines of My immutable words I used to create Earth One, and

(3) “All of My corrective procedures had to be done through fallen man.

“That’s why it has taken so long.

“And that’s why both Jesus and My New First Family are so important to Me. **Both are essential.**

“My son, your part is more important to Me than you realize. Realize also that through procedures I developed for My thirteen new apostles, **EVERY ONE** of them will be able to start their respective ministries **EXACTLY** as Jesus started His.

“The reason Jesus was born of a virgin when I sent My Spirit to fertilize the egg in Mary’s womb, is because I needed an unpolluted body from whom to bring forth My only begotten Son. Realize that was not on My original agenda.

“Then, as Jesus went through His three and one-half years of ministry, even then I was not sure He would go to the cross until I could see it with My own eyes. **EVERYTHING** was just that indefinite, even to the cross itself.

“My son, that is why the husband in My New First Family means so much to Me. When he volunteered to be My back-up for Jesus on the cross, I knew My final plan would work even though I might need to use My back-up. That is why he is so important to Me. And that is how much confidence I had in him.

“I had to train Jesus for the cross. That’s why the issue was unsettled until I saw the cross with My own eyes.

“But the husband in My New First Family was different. He unknowingly volunteered for the cross in the event I needed a back-up. That is why I had no back-up for him. That settled the issue for Me as the Father, whereas I had to see Jesus on the cross before that became a reality.

“And that is why the husband means so much to Me as the Father, and also is why he means so much to Jesus. That is also why Jesus has confidence in him and why he will be so revered by all of the heavenly hosts, starting with Me as the Father, followed closely by the Lord Jesus. **AND** it doesn’t get any better than that!

“Then there is his new beautiful wife. She is to her calling as Jesus was (is) to His. That’s why they both are My New First Family. They were both chosen because of their relationship to Jesus. And that is why both of them will be elevated to Godhead status behind Jesus to become My New Triumvirate.

“My son, everything I have done to reclaim what Satan stole from Me had to be done by man through whom came the fall of man. That’s why it has been so difficult and why it has taken so much time.

“The restoration or the recovery of everything stolen from Me by Satan had to be reclaimed by mankind through whom came the collapse of My Earth One civilization. That’s why each of My methods of preparation had to be tested to prove its merit to Me.

“My first test was Moses. As you know that proved to be inadequate. To those four tests, I then added two more tests for Jesus. And now you know the rest of the story. With Jesus, My Six Measure Standard proved to be adequate.

“That is why I have confidence in all thirteen of My New God Incarnate apostles. Each one has been trained with the same six tests that Jesus passed before He was released.

“I know you realize, that like Jesus, you have been cleansed from the pollution of the Adamic sin curse and sin nature back to your conception in the womb by the Same Holy Spirit who fertilized the seed in Mary’s womb. That makes all thirteen of you like Him except there was only one cross! He did that for you – all thirteen of you, including the new beautiful wife in My New First Family. That’s why all thirteen of you owe so much to Jesus and why He owes so much to all of you. All thirteen of you make his end-time Rapture generation activities easier to accomplish.

“And that is also why My New First Family is so important to Me, the Father, and to Jesus as well. The two of them complete the restoration of **EVERYTHING** Eve and Adam lost personally by their transgression.

“Those two are to the restoration of everything Eve and Adam lost personally through their transgression, as Jesus was (is) to the restoration of man’s lost condition through the chicanery of Satan.

“But also, as you know, both of them will be of great comfort to Jesus as they sit by His side at every judgment to affirm or to confirm **EVERY JUDGMENT** He makes, because both of them will have experienced the life of those He judges that Jesus did not live or experience.

“Those three will make My beautiful Triumvirate complete, not only to judge mankind and Satan and his hierarchy, but for the two of them to sit by His side in the administration of the earth, beginning with our return to earth after the Tribulation.

“The two of them will be of great assistance to, as well as great comfort to Jesus, beginning very shortly. My son it’s that close.

“In comparing My New Triumvirate to flying, Jesus made the first flight while the other two broke the sound barrier.

“The ministry of My New First Family will differ from that of Jesus.

“Those two will break the sound barrier but will then be available to teach others to do the same thing. That’s why the ministry of both of them will become so important world-wide.

“In the eastern countries – the Persian gulf area particularly – as well as in all eastern cultures, the new wife in My New First Family particularly, will become a living icon to change the culture completely concerning women.

“Then the two of them appearing together will also be powerful. The two of them as co-equal God Incarnate apostle/prophets ministering together as man and wife, will have tremendous affect when witnessed in person.

“The reason those who become God Incarnate will not die, is because they will become forever transfixed and translated (thrust) into eternity forever. As they become God Incarnate, since Jesus has proved this in real time, they will exist in time but will live in

eternity unaffected by time. They will remain youthful in a perfected state for eternity exactly as was intended on Earth One prior to Lucifer's failure."

later at 5:20 PM

"Remember, My son, I am incomplete without a wife just as Adam was – just as man is. Eve completed Adam's life.

"When a young man and a young woman marry as virgins, it is the bridegroom's desire to penetrate the innermost being of his bride, while the bride both desires and welcomes that penetration of oneness.

"When one gives himself to Me as Jehovah God and desires to give Me permission to penetrate his innermost being to become one with him, then, with his permission, based on his desire, I enter and penetrate his innermost being, I become One with him as My physical body (wife) on the earth.

"That, My son, is what contents, satisfies and fulfills Me as the sexual act contents, satisfies and fulfills a husband **AND** a wife.

"My fulfillment, however, is continuous. The satisfaction of the sexual relationship of a man and his wife is short lived. Mine is continuous.

"Remember, however, that My relationship with that couple (My body) is continuous as the relationship of a man and his wife is continuous. But also remember that I, as Jehovah God within that couple, participate in the sex act to a full enjoyment of both parties."

Monday, October 8, 2012

"Yes, My son, you have a weight lifted from your shoulders. Now you can go to work on the greatest writing assignment I have given you.

"Do your best to tell it all – tell it all like it is, even though in some cases I will direct you to call attention to yourself as My writer. If you will write as I instruct, when you are released, you will have the ammunition to back up your claims.

"Once that happens, I will have other prophets to begin to support your assertions. As that occurs, the fruit of your ministries (new wine) will simultaneously begin to authenticate your assertions. That will force your (My) critics to take a second look – then We are on the way!

"I have given you adequate material to publish with little need for introductory commentary. So your work is actually laid out for you.

"You have been given prophetic words concerning everything I need to accomplish. And, as you know, I must accomplish all of My plans through fallen man. That is what has made it difficult.

"However, My training My thirteen new God Incarnate apostles will bring all of My plans to fruition. Jesus paved the way for that. Once I saw Him on the cross with My own eyes, I knew My Six Measure Standard was sufficient.

"So you see, once again, both you and I, as Jehovah God, owe it all to Jesus. He was My pioneer of performance and perfection that set Me, as Jehovah God, back on My course of perfection.

"You see, Jesus was not like the husband in My New First family. Jesus did not volunteer for the cross as he did. I had to gradually train – gradually teach – Jesus about the cross. That's why it was so difficult.

"That's why in the garden of Gethsemane, the night of His betrayal, His plea to Me was to find another way to defeat Satan. That's why He pled with Me three times, to find another way for Him. He knew full well what lay before Him and He knew full well of My supernatural power as Jehovah God. That is why He pled with Me to find another way to defeat Satan.

"The husband in My New First Family, on the other hand, unknowingly volunteered as My back-up for Jesus at the cross. That's the main difference between the two of them. Jesus was drafted. The husband in My New First Family volunteered.

"So yes, he is My second Son in whom I am well pleased, but My first Son had the most difficult job given to any man. And, as you know, until I saw Jesus on the cross, I was not sure that I didn't have another apostle Peter on My hands.

"You will recall that Peter denied Jesus three times because it was his (Peter's) neck at stake. Yes, he repented. And yes, he became a leader of the others, but yes, in the time of crisis is when one is tested.

"Jesus passed that crisis dilemma only after My third denial of His to 'find another way.'

"So both the husband in My New First Family and I, as Jehovah God, owed a debt We could not pay while Jesus paid that debt for Us that He did not owe.

"He paid a debt He did not owe for those who had the debt they could not pay. That sums it up, My son. Jesus paid a debt that I, as Jehovah God had but could not pay. Jesus paid My debt of guilt for releasing Lucifer as the supreme supernatural God Incarnate ruler of Earth One. Lucifer was My failure because I did not

realize that My Godhead filled Lucifer, endued with all of My love, could fail Me.

“My son, as I have said to you previously, I did not think that I, as Jehovah God, could fail. That, My son, is pride, as you know.

“Pride caused Lucifer’s failure and pride caused My failure.

“It took Me a long time to see and admit My own failure – yes, My own pride.

“As you know, pride goes before a fall. My son, that statement is applicable to both Lucifer **AND** to the Ancient of Days – to Jehovah God, who did not believe that He could fail.

“Now you know, as I have said to you before, that in **EVERYTHING** I have said in the bible about wrongs that must be set right, I was talking about **MYSELF** as the Ancient of Days – as Jehovah God.

“As I confess these things to you again, thank you again for being My private confessor. As you know, confession cleanses **EVEN JEHOVAH GOD**. A rule must work in both directions to be a good rule.

“And yes, that applies to **EVERYONE**. My son, the Catholic Church got it right. Confession cleanses the soul of its filth. That’s one reason why spoken words are so powerful. Both sides hear the spoken word. Confession cleanses the work of the enemy for both man and God.

“**My son, that needs to be known.** When known publically, that will allow another cleansing for Me. It is not necessary for Me as Jehovah God, but it is necessary for those in the kingdom. They need to know that their Leader has humbled Himself, not before almighty God, for there is none other, but before sinful man have I confessed My faults and My mistakes.

“But please note that I have confessed these things to you, My son, after you have been cleansed back to conception in your mother’s womb and after you have passed My Six Measure Standard to become My God Incarnate apostle/prophet.

“My son, the husband in My New First Family is much more important to Me than he realizes. That, however, will become known after the Rapture at the judgment Seat of Christ. There, My son, he and his new beautiful wife will be enshrined within the reconfigured Godhead while there will also be special recognition for their new God Incarnate Son.

“My son, these things are important to Me as Jehovah God.

“They, therefore, are important to mankind!

“Now you are beginning to understand why the husband in My New First Family is so important to Me – second only to Jesus followed by his new wife.

“My son, My New Triumvirate is very special to Me as Jehovah God and therefore to mankind!

“The husband in My New First Family will be in a position to teach truth about the kingdom **NO ONE ELSE** on the earth has ever been able to teach! That’s how important he is to Me.

“My son, you are right. These facts – these truths will not be well received until other of My servant prophets prophesy these things to the world **AND** to the church. That will take a while, then the deluge will come. So get ready!

“Yes, My son, as James wrote, confession of one’s faults to another draws them closer together. Finite mind would dictate the opposite, but the mind of Christ dictates otherwise, doesn’t it? The mind of God also dictates otherwise.

“My son, We all need each other when seen by the magnifying glass of God. The telescope of God draws one closer to Him – makes Him real – in real earth time.

“My son, the reason man’s behavior does not always distress Me is because I know the persuasiveness of Satan. That’s why righteousness in a fallen world is not dependant upon perfect conduct, but upon obedience.

“That is not true in a God Incarnate world – only in a world where Satan rules.”

#### Tuesday, October 9, 2012

“Yes, I am giving you, as you say, the ammunition for your concluding series of letters. Remember, no one else knows what I have revealed to you.

“My son, you’ve got a corner on the market. And, believe Me, it will sell.

“Once I release the husband in My New First family, and he demonstrates the ammunition I have revealed to him and empowered him to use, he will be the only man (the only one) on the face of the earth to act, speak, teach and minister with such authority.

“Although what Jesus did was most important, he will outshine Jesus in His ministry by far. He will be the only man in the history of the earth – that’s Earth One, Earth Two and Earth Three – empowered in the absolute to accomplish so many things for Me

and for the kingdom.

“First, he will become God Incarnate without limitation. Secondly, he will demonstrate six – yes, even seven ministries in the absolute. Thirdly, he will marry the first and only God Incarnate woman apostle/prophet of God to exist on the earth. Fourthly, those two will open the second door through which others may walk through to the complete restoration of everything Eve and Adam lost personally at their transgression. Fifthly, those two will bring more people into the kingdom than anyone has ever done. Sixthly, those two will have a God Incarnate Son to proclaim the final defeat of Satan. Seventhly, they will become My New First (and last) Family on the earth and Eighthly, those two will be inaugurated or enshrined in My newly reconfigured Godhead.

“And that, My son, is only for starters!

“The husband and his new wife will both become living icons individually and collectively together as none other has ever been.

“And remember, because he and his New First Family will be thrust into eternity forever as My New First Family – as My New First Wife, they will want for nothing. I, Jehovah God, am going to showcase them both with an abundance no two have ever received.

“They will be looked to for counsel and advice as no other man and as no other woman and as no two have been, in every walk of life, because they both will be able to speak in the absolute.

“Solomon was not God Incarnate.

“What the husband will be able to do – what he will do will cause what I did in Solomon to pale by comparison.

“Solomon failed Me in his personal life through his many occultic marriages, for example. But he (the husband) will not fail Me in a single activity or event, but will glorify Me in all of them.

“So you see, as ‘Mr. Icon,’ he will have quite a future ahead of him. There will be no adjectives to sufficiently describe him or his new wife or those two as a married couple.

“And beside that, those two will be wholly Mine. **That is the important thing to Me personally.** The husband and his New First (and last) Family will content, satisfy and fulfill Me as Jehovah God eternally for the first time ever, while that simultaneously will content, satisfy and fulfill them both eternally as My New First Wife.

“Nothing I have done in the past will compare with what I will do with him, then with his new wife, then with those two as a couple, then with those three as a family. So he and his New Family will become icons in every area of their future life on the earth. And that is only for starters! Then the real fun begins all over again. At the judgment Seat of Christ, they will be enshrined as My two new members of the Godhead. That event will place both of them thereafter at the side of Jesus for every important activity He is authorized and empowered to do. That, My son, is a mouth full.

“As yet, the husband has no idea of what it means to be enshrined in the eternal Godhead, second only to Jesus. He and his new wife individually, then those two as a couple, will do many things Jesus did not experience on the earth.

“Those two will therefore be looked to by Jesus for confirmation of many things He is appointed and commissioned to do.

“Those three, as My New Triumvirate, will become outstandingly significant and important immediately following the Rapture. My son, the Rapture is only the beginning! The Rapture will usher in remarkable places of prominence for all three members of My New First Family.

“As I previously said to you, there are no adjectives to adequately describe My New First (and last) Family. That’s the way it is to be elevated into Godhead status.

“My son, remember, as I have said to you previously, I have had to use sinful man to bring about his own salvation. That’s an oxymoron as you can see. That’s a conundrum – a riddle, if you please – an impossible proposition. But that’s what I had on My hands when Lucifer failed.

“And hear this. Lucifer realized what I had done when I appointed him as My Godhead filled supreme supernatural ruler of Earth One forever. **Lucifer, himself, then also realized what I had done to Myself as Jehovah God, by appointing him to rule the earth forever.** *That is why he rebelled and took Earth One as his own.*

“However, neither he nor I knew the end result of rebelling against My conferred supreme supernatural authority, as Jehovah God. Lucifer was unaware that his rebellion would strip him of My love and that he would corrupt into the evil, vile, contemptuous, sadistic ruler of the earth over which I gave him authority to

rule.

“When Lucifer realized the consequences of his rebellion, he turned to sadistic evil as his past time. Through his supernatural power and authority, inhabitants of Earth One were convolutedly transformed into evil, weird creatures too vile to mention. They are today’s demons. They come in all different shapes, configurations and sizes. Their sole existence is predicated on evil. Evil is their delight as they are dispatched by Satan’s hierarchy into the earth to harass, discontent, confuse, posses and destroy mankind.

“Satan is fed by sadistic evil. Satan, his fallen angels and demons, as spirit beings, never rest or sleep and are active 24/7.

“The appearance of My New First Family will get Satan’s attention. Then the birth of their new God Incarnate Son will announce to Satan his doom. For that reason, his activity will be stepped up by degrees.

“He is already at work on his plans to take over the earth again. **The antichrist is on the scene now and he knows who he is.** His placid establishment of a false three and one-half year peace will be only his ruse to assume complete authority over the earth when all hell will break loose.

**“The Great Tribulation will be Satan’s response to My New First Family.** I will rapture My church to heaven at the beginning of the Tribulation. Then My New Triumvirate will be formed, followed by the judgment Seat of Christ and the marriage supper of the Lamb.<sup>1</sup>

“Thereafter, for the remainder of the Tribulation period, assignments will be made and training will begin to return to earth with Jesus to rule and reign the world from His Jerusalem headquarters.

“And that, My son, is only the beginning!

“As these things begin, the husband in My New First Family will begin to learn – to know by experience, what it means to be My back-up and what it means to be My back-up for Jesus on the cross. That, My son, catapulted him into eternal prominence, second only to Jesus.

“And the rest he must learn by experience. That is the only way for him to know the importance he is to Me as Jehovah God and to the Lord Jesus. The both of

Us are excited about his future!”

**Thursday, October 11, 2012**

“Yes, My son, isn’t it great to be free – that is, free of all the cares of life to serve Me? That’s where you are and that allows you to give yourself completely to Me to serve Me.

“Now, I want you to relax and begin again your writing assignment. Note the thought I placed in your mind yesterday about My First Family. Note that My Spirit revealed to you things that you had **NEVER** thought of.

“I have had several first men – several first women – several first families, but only one first woman who was thrust into eternity forever as the wife in My New First Family.

“Then My back-up for Jesus at the cross is the husband in My New First Family who is My number one man behind Jesus.

“So indeed, is the wife in My New First Family number one behind Jesus **as a woman**, but number two behind Jesus after her husband.

“In My plan, man was always created first because he is the protector/provider of his family; hence Adam was created first on Earth Two. Eve was my chosen way to introduce sin into Earth Two because Eve got the logos from Adam who got the rhema from Me. My first God Incarnate woman apostle, however, will forever remove from Eve (from woman) the stigma of being the first one on Earth Two to be ‘taken in’ by Satan’s chicanery.

“But My treatment of the wife in My New First Family in this matter will forever remove from woman the concept that she is in any way inferior to man, or that she will be in subjection to her husband. The way I shall showcase the new wife will forever remove from woman the stigma attached to Eve as the first to transgress My law.

“For that reason, the wife in My New First Family has been released before her husband, although that has been a veiled release. The moment the husband is fully released, so shall she be fully released. That is when the fun begins.

“They both will become co-equal in all areas of their marriage the moment those two are married, except the husband will become the protector/provider under My authority, and remember, I live and love to give.

“So watch out. The husband must be prepared to become a leader in the area of My generous,

---

<sup>1</sup>See Revelation 19:9.

bountiful provisions. Not only do I love a cheerful giver, I, Myself, as Jehovah God, am also a generous, cheerful giver

“This is another area where the husband will become My First Man, My First Family, that I may showcase them both to the world – this time for My sake.

“This time, My son, I know in advance of the faithfulness of both the husband **AND** his new wife because they both have passed the same Six Measure Standard that Jesus passed in preparation for His cross.

“Those six tests, My son, are My measuring rule for man. Everyone who passes those six tests passes over My line of demarcation forever to become God Incarnate.

“And, remember, everyone who lived on Earth One was created to live forever. That was one of My rules in bringing forth man as My cherished wife forever.

“But as you know, a fallen Lucifer changed My plans. However, that did not change – that could not change – My plan for the eternal existence of mankind.

“That’s why everyone is formed in the womb to live eternally. Therefore, as one exists in time, life on the earth is not the main thing. Eternity is the main thing. Life is but a prelude to eternity, for **EVERYONE** born of woman!” <finished at 7:08 AM.>

later that morning

“There has always been My first man, My first woman and My first family in that order. And each of those ‘firsts’ casts their shadow or their signature of performance, likeness and influence on all to follow them.”

later that same morning

Later in the morning, while holding hands with Dale in prayer, she had the following conversation with God:

“Is daddy with you?”

“Your whole family and friends are with Me. You’ll see them soon.

“How soon?”

“Soon! You’re not going to get a time and date.

“Are Jim’s family and friends with you?”

“Yes.”

still later that morning

“The reason that Adam was forever lost without

a Savior after he sinned is because as a God Incarnate man, he deliberately disobeyed Me as Jehovah God within him. Deliberate disobedience without a Savior delivers one forever into the kingdom of darkness. That was Adam’s sin when he deliberately disobeyed the rhema word. Had he eaten of the fruit of the tree of life, he would have remained in his lost condition forever. That’s why a cherub with a flaming sword guarded the tree of life.

“The tree of the knowledge of good and evil is rooted in self. The tree of life is rooted in the denial of self. It’s self versus God. It’s what self can do versus what God can do.”

#### Commentary

New revelation abounds in this letter. That is not unusual for my writing, for I have learned that the listening ear commands the Commander.

The Lord has said to me that upon my release into His ministry, the most important thing I will have to teach is to learn to listen to His voice 24/7. You have that ability.

Once you learn to listen, the advantages are obvious. Each rhema word you hear contains spirit, life, love, truth, light, food (spiritual) and faith (which comes by hearing), which are seven attributes of God.

As you learn to hear the voice of God daily, you will begin to “see” things in a different “light.” God’s “light” always allows you to see things you never saw before. You will also begin to see things objectively instead of subjectively – such things as the bible, Jehovah God and the Lord Jesus, for example, for you will begin to see as God sees instead of the way man sees. You will also begin to know God – our wonderful God – in simple words a child may understand. We learn more by listening to God than we learn by talking to Him.

This letter reveals some of the *new things* prophesied in Isaiah 42:9 that were written more than seven hundred years before Christ.

Hearing God’s voice daily is a blessing God has reserved for the few remaining years before the Rapture. And hearing His voice daily is one way to be assured that you will be able to participate in the soon-coming greatest harvest of souls that has ever occurred on the earth.

And don’t forget. He’s coming back!

What a trip!
