Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

### A NEW GENESIS

**Sunday, June 22, 2014**

#### **The way it began**

I lay in bed for about an hour before getting up this morning, meditating on the Genesis beginning of both God and man, and of some of their similarities that are strikingly identical, based on the fact that both God and man were not made to live alone, but with a wife. As I meditated on and thought about such, writing about this became clear:

“Yes, My son, you may now write your own Genesis chapters one and two, or just Genesis chapter two, as you choose.

“Isn't it all simple when known or seen by revelation?

“My son, man was made in Our image, in Our likeness. Male and female I made them in Our image and in Our likeness.

“My son, I was in the beginning a triune God, comprised of three spirit Beings: Myself, the Word and the Spirit.

“But I was lonely, discontented and unfulfilled because it is not good for Jehovah God to live alone.

“So I made man also as a triune being. I formed him from the dust of the ground and breathed into his nostrils My breath of life.

“My breath became man's breath and his spirit and created his eternal soul.

“That first man on Earth One was perfect. He was God Incarnate, which means I poured (breathed) all of Myself, as the Godhead bodily, into his physical body. But, because he was like Me, he was lonely and unfulfilled.

“I therefore created from him and for him his counterpart, a God Incarnate woman with whom he could become one in marriage to content, satisfy and fulfill them both. While their coming together as one flesh made them husband and wife, their coming together as one flesh also simultaneously made them My beloved wife on the earth.

“I, Myself, was therefore content, satisfied and fulfilled, because it was not good for Me, as Jehovah

God, to live alone, nor was it good for man to live alone.

“I made man like Myself, as Jehovah God, which means We both desire a wife to content, satisfy and fulfill Ourselves.

“Thus, My son, you can rewrite the Genesis account more accurately than it was originally written, because the revelation I have given you is the source of true knowledge.

“Isn't it simple when seen by revelation?

“That's why the most important thing you have to teach upon being released is to hear My voice 24/7. In that manner alone, may man return to Me as he was originally created, to content, satisfy and fulfill Us both simultaneously.

“For this reason, the husband in My New First Family and his new beautiful wife, mean more to Me as Jehovah God, than they may know until they both are enshrined within the Godhead at the judgment seat of Christ. There, a surprise or two awaits them both **AND** their new God Incarnate Son.

“I did not become God, the Father, until I made man on Earth One. Then is when I became a Father for the first time – a proud, joyful, contented Father.

“Then, as I formed woman from man and for man and placed her at his side, I was again pleased, contented and fulfilled as a Father.

“Then My fulfillment was completed when those two came together as one flesh to simultaneously consummate two marriages – theirs and Mine.

“At that moment, I knew I had done it all right, for triune God Incarnate man and his triune God Incarnate wife became My body – My wife – on Earth One for the first time ever.

“Triune man had become the body – the wife – of triune God for the first time, to content, satisfy and fulfill both God and man.

“Procreation was one purpose of My creating man and woman because I live to love and to give. Then, as they brought forth children, the children, themselves, became of marriageable age to content, satisfy and fulfill Me again and again and again.

“Only as I, Jehovah God, have a God Incarnate

wife on the earth, am I fulfilled.

“Only as God Incarnate man has a God Incarnate wife on the earth is he – are both of them – fulfilled.

“It is not good for God nor for man to live alone! For that reason, I provided a God Incarnate wife for both of Them.

“Man was made to fulfill God. Hence, as Earth One grew in population, so My joyful appreciation grew as My body on the earth became My beloved, cherished wife on whom I could bestow My overflowing love and abundance.”

**Given at a later date**

**From a different perspective**

“The pre-Adamic earth (Earth One) was created as God’s perfect model of the earth to last eternally. A composite of God’s description of Earth One and its failure is recorded in Isaiah 14:9-12, Ezekiel 28:12(b)-19 and Jeremiah 4:23-27.

“Lucifer and his staff of angels were created to rule Earth One forever, to include its inhabitants and God’s overflowing abundance. By His immutable, irrevocable spoken words, God gave Lucifer all of His authority to rule Earth One eternally.

“Lucifer was the most beautiful, the most handsome of God’s created angels. He was full of wisdom, perfect in all his ways, an anointed cherub of God with God’s seal of perfection, who walked among the fiery stones.

“This means that Lucifer, like God, is impervious to fire, or that he is comfortable in the midst of fire, because God created fire and God’s creation (fire) does not control the Creator. Lucifer was like God because he was made in His image and in His likeness as a spirit being.

“This also means that Lucifer was filled with all the fullness of the Godhead bodily, or with the three spirit Persons of Godhead: God, the Word and the Spirit. When Lucifer was created, God was not yet a Father because the first man had not been created. God had to form the first man on Earth One before He became a Father. The first man on Earth One was His first child.

“Lucifer was Godhead filled and possessed **EVERY ATTRIBUTE OF GOD** except the right to grant that authority, who became God.

“Man was created first on Earth One and was formed from the dust of the ground. God then breathed into his nostrils and God’s breath became man’s breath

and his spirit (his life) and created his eternal soul. When God breathed into the nostrils of the first man, along with His breath came the three spirit Beings of God: God, the Word and the Spirit.

“Therefore, God’s first man on Earth One was God Incarnate. But God soon determined that man was not meant to live alone, for he was not contented, satisfied or fulfilled. Therefore God took substance from and for the first man and formed the first woman – man’s counterpart – to be his wife, to complete and to fulfill man.

“God also breathed into the nostrils of His first woman and His breath became her breath and her spirit (her life) and created her eternal soul.

“When God’s first God Incarnate man and His first God Incarnate woman became of one flesh to consummate their marriage, that simultaneously consummated the marriage of those two to God as His beloved wife to content, satisfy and fulfill Him for the first time.

“In the beginning, God, who is one, was (is) also comprised of three spirit Beings: God, the Word and the Spirit. This means that He was (is) a triune God who was (is) omnipotent, omniscient and omnipresent.

“In spite of the awesomeness of Jehovah God, He was not contented, satisfied or fulfilled, in and of Himself. He, therefore, discovered that it is not good for God to live alone without a wife as a lifetime companion, to whom He could surrender Himself and on whom He could lavish Himself with His love and abundance.

“Hence, man, both male and female, as man and wife, were made as a single unit in God’s kingdom to become of one flesh to consummate their marriage, while simultaneously God’s first God Incarnate couple became His beloved wife.

“Both unions contented, satisfied and fulfilled both God and man for the first time. And that was and is God’s intended pattern for man and for Himself.

“God’s perfect pattern – perfect model – for man and for Himself and for Lucifer and his staff of angels to govern Earth One eternally, prospered for several thousand years. That earth was not part of our present solar system, which had not been created. That earth (Earth One) was suspended in space (God’s first space ship) and held in place by His omnipotence, omniscience and omnipresence.

“God’s light was the light on perfect Earth One where there was no shadow of turning because

omnipresent light does not cast a shadow. Only directional light casts a shadow.

“On Earth One, mankind, both male and female, were co-equals in all activities, since they were both God Incarnate. God was both their provision and their protector. Since the inhabitants on Earth One were God Incarnate, God, the Father, within each one guided all of their activities. For that reason, there were no disagreements or conflicts, no sin or no death.

“God’s system of government on Earth One worked perfectly for several thousand years of ‘unmeasured time’ because **ALL** activities of Godhead filled Lucifer as its governor, and all activities of God Incarnate mankind, were guided by Jehovah God within each one.

“God’s abundance on Earth One originally was like God’s abundance on Earth Two prepared for Adam and Eve as described in Genesis 1:28-30.

God Incarnate mankind was given dominion over God’s creation on the earth. This included all marine life, all plant and animal life, herbs from seeds, birds of the air and fruit trees. Dominion in this case meant to have authority over God’s creation on the earth while governing of the earth was the responsibility of Lucifer and his staff of angels.

“God was pleased with His creation of Earth One, its governing authorities and mankind thereon, because He was the Creator, the Designer, the Architect, the Engineer and the Director of all of the activities of Lucifer and of mankind.

“Earth One, its ruler (Lucifer) and its inhabitants were all created specifically by Jehovah God for Himself – to fulfill Himself.

“Mankind on Earth One, both male and female, were made to become one at a marriageable age. When that time arrived, God would choose a bride for a young man of marriageable age and present her to him. The consummation of each marriage simultaneously consummated the marriage of those two to Jehovah God as His enlarged body and as His beloved wife on the earth to content, satisfy and fulfill both God and man.

“As God was not made to live alone without a wife, neither was man made to live alone without a wife because God Incarnate man, male and female, were made in the image and in the likeness of God.

“Man was made to fulfill God while man was likewise simultaneously fulfilled.

**God’s New Genesis Family**

**as Replacements for God’s First Family**

**on Earth One and for Adam and Eve on Earth Two**

“The first God Incarnate woman apostle/prophet has already been released, although it is a veiled release (not made public). Her unveiled release awaits the unveiled release of her new husband: the second God Incarnate apostle/prophet God has brought forth. He was the back-up for Jesus on the cross.

“Her unveiled release will free both God Incarnate apostle/prophets to begin ministering publicly. Their individual ministries will attract attention worldwide as they minister boldly the ‘new revived gospel’ of Jesus that will be the same as the first gospel of Jesus, but proclaimed boldly with vigorous assurance, and confirmed with signs, wonders and miracles to the glory of God.

“Soon after these two begin their unveiled ministries, they will become acquainted. This will not be a surprise to either of them, for the Lord has already spoken to each one – somewhat extensively – about the other. God, Himself, has therefore done most of their ‘courting’ for them and they know much of their intended new lifetime eternal companion and look forward to their marriage.

“For these reasons, since each of them knows they are called of God to become married, their marriage will occur soon after they become acquainted. Their marriage will attract world-wide attention and is joyfully anticipated in the third heaven.

“Because of their marriage soon after they become acquainted, like the marriage of Joseph and Mary, there will be gossip about their soon or their ‘almost immediate marriage.’

“Within a year after their marriage, their new and only God Incarnate Son will be born, and like His parents, He will be thrust into eternity forever.

“Those three will become God’s New First (and last) Family thrust into eternity forever.

“They will be God’s new and first ‘starter family,’ replacing God’s first two failed attempts on Earth One and on Earth Two (Adam and Eve).

“God’s New First Family will establish a new blood-line, freed of the pollution of the Adamic (Satanic) sin curse and sin nature.

“The ministry of the husband and of the wife in God’s New First Family will begin to attract large

crowds. After they marry, no venue will be large enough to seat the crowds attracted to their publicly announced appearances. For that reason, most of their subsequent ministry appearances will not be publicly announced, but will be privately arranged for by only a very few who are responsible for the seating and security assignment.

“The wife in God’s New First Family will become the darling of every woman. She will come forth to minister as a co-equal to her husband and to man, in every respect but one. She will be the source of God’s new conception – procreation – without sorrow and pain in childbirth, while her husband will control the sex of her first born. They therefore will be co-dependant upon each other.

“She will be to woman as Jesus was (is) to man.

“She will lift woman to her original lofty estate from which Eve fell on earth Two, and will remove from Eve that stigma.

“Her ministry, particularly in the eastern cultures, will lift woman to her original lofty estate as a co-equal to her husband and to man. There she will be celebrated, loved, revered and admired by the women of those areas, beyond that of any woman.

“She will become renown world-wide as will her husband.

“The seven ministries of her husband will likewise cause him to become renown world-wide.

“Their ministries, both singly and together, will bless many and will bring multitudes into the kingdom.

“On occasion, they will have translated visits to each of the eleven other God Incarnate men apostle/prophets at their world-wide ministry locations, to both encourage and to mentor them.

“For this reason, the public ministries of these two will be carefully chosen so as to maximize their warfare against the enemy. This, at times, may seem to limit God’s use of those two, but the ministry appearance of each one and of both of them together, will be planned to maximize their effectiveness against the enemy.

“The ministry of these two, lived out in the open – publicly – for everyone to see – will remove from both the curses pronounced against Eve and against Adam and against God’s abundant provisions as recorded in Genesis 3:16-19.

“As Jesus opened the door through which man may walk to God, so those two will open a second door through which others may walk to the restoration of

everything Eve and Adam lost personally through their transgression in Eden. Through those two doors, others may walk to the complete restoration of God’s Earth One model man and woman. Both doors must be opened before the Rapture may occur.

“At the judgment seat of Christ, both will be enshrined into the finally reconfigured Godhead to become (with Jesus) both the Triumvirate and the Pentarchy in the Godhead. At that time, announcements will be made of the eternal assignments of all three members of God’s New First Family.”

**God’s writing instructions made clear**

“Yes, My son, you have the capability to write for Me, for it is My responsibility to see that you do.

“And yes, you now understand how it was that I gave Moses the ‘Genesis record.’ It wasn’t as complicated as it would seem at first read.

“Remember, thoughts are the language of the Spirit.

“I simply gave to Moses the thought pattern I wanted him to write, and he, like you, translated My thought pattern into word sentences.

**“You see, My son, because of sin, I had to turn to an education-based way to bring man back to Me. My way to bring fallen man back to Me was – had to be – education based. That is (was) only one of My problems.**

**“Please believe Me – I had to overlook a lot of things many of My chosen leaders did as they became My key character for a certain time.**

“The way you are writing My rhema words is the way My bible was written. Verbal inspiration is not My way. It is man’s way of explaining how I, as Jehovah God, spoke to My people. The problem with verbal inspiration, however, is that it is the process of man trying intellectually to understand a spiritual occurrence.

“You are right about Paul’s writing. *Much of what he wrote about came from what I said to him during his fourteen years of training.* Then as he would address (write about) a problem, I would assist him *after he began his writing* – like I do for you – like I did for Moses – like I did for everyone who wrote My bible.

“So, My son, you are not doing something new in principle, but you are simply following in the steps of

all of My bible greats.

“You, however, have been given more of My rhema words than anyone else. You are the only one who has been brought into the inner recesses of My mind to relieve Me of the enemy’s grip on My life.

“My son, you have set free One who was captive of the enemy. You set the Captor (Me) free.

“You are the only man (one) to whom I have revealed the innermost secrets of My mind. Because I have perfect and instant recall, I, Myself, was able to unload **ALL** of My spiritual baggage on to your shoulders. Thank you again.

“Much of what I have done in your life has been to bring you into My thinking so as to understand who I am as Jehovah God. You (man) is so much like Me because man was originally made in Our image and in Our likeness.

**“You are My only writer to whom I have revealed that ‘in Our image and in Our likeness’ means to become God Incarnate.**

“You are the only (the first) one to whom I have revealed the fact, that since I am a spirit Being, I can impart Myself in (or within) My breath easily because My breath **IS** spirit or **IS** life or **IS** spiritual in nature.

“The spirit world, My son, is a whole other ball game. The spirit world controls the physical world, as I have taught you.

“When I taught you spiritual warfare above nations, that was training for the future as well as for the present.

“My way of ‘speaking’ to you My rhema words is no different from My way of speaking to Moses – to Joshua – to Paul – and to all the rest who helped to write My bible.

“I, as Jehovah God, have come – I have been enclosed within – the many thousands of My rhema words I have given you. For that reason, My son, you have become like Me, much more than you presently realize. You will see that better retrospectively when I release you.

“Yes, you have a lot in common with Moses and with all of the other ‘greats’ I have used along the way.

“And don’t be too critical of some of the people I have chosen to be My leaders. They, like you, have come from the same Adamic stock except one – and that One is Jesus.

“He is the only one chosen to by-pass the Adamic sin nature so I could both form and baptize Him with My Spirit in the womb of His mother.

“My son, the husband in My New First Family, Jesus and David have much in common yet to be revealed.

“So continue to write as I put My thoughts on your mind. You may remember, however, there will be some minor editing to do as you (We) prepare your writing to be released for publishing,

“I will help you.

“You will be capable of doing that as you become God Incarnate.

“Don’t forget – My son – you are like Me now.

“There is nothing I am not able to say to you now with confidence.

“All of My writers are alike. As they began, I would assist them as they wrote. That’s why they seemed to be so ‘anointed.’ ***They were actually no more anointed than others of My leaders.*** As they were obedient, I simply began to assist them with their (My) assignment **AS THEY WROTE**.

“So not only have you joined My ‘writing greats,’ you have joined My ‘activity greats’ who were not writers.

“Never before have I equipped anyone as I have equipped the husband in My New First Family. That is why he, as My back-up for Jesus on the cross, will become My number two man for all eternity and that is why his new beautiful wife will become My number one woman for all times.

“Mary’s job – Mary’s contribution – was first, and no one will ever take her place. But his new wife, along with him, will be enshrined in My finally reconfigured Godhead at the judgment seat of Christ.

“He (Christ) is the greatest, My son, by far.

“But behind Him, the husband and his new wife in My New First Family, are also My heroes, who have literally become My restorative tools to reclaim **EVERYTHING ELSE** that I lost when Lucifer rebelled against Me and when Adam failed Me.

“Look kindly on Adam, My son. My choice for him was made **BEFORE** I made him. He served My purpose the same as Moss and all the rest.

“It was necessary that Adam fail so as to bring forth the Messiah. **So look at Adam as being another of my necessary men**, since, in My economy, both

blessings **AND** curses follow the male because he (the male) was made first.

“As I have said to you before, a surprise or two awaits the enshrinement of both members of My New First Family at the judgment seat of Christ.

“There is a special place for the husband, for his new wife and for their new God Incarnate Son yet to be revealed.

“You now know more about the bible than any seminary graduate – that is, more about the bible – more about how it was written – and more about Me – than **ANY** of My servants.

“Recognition of your value to Me will only be revealed at the judgment seat of Christ when and where you will be given recognition, that is, the acknowledgment of your accomplishments, which will be very impressive.

“And yes, your family already with Me know of your accomplishments and eagerly await your arrival.

“As I said to you before, don’t try and figure out your recognition assignments at the judgment seat of Christ. You won’t be able to.

“And don’t forget – your overly aggressiveness in your faith walk with Me has changed My objective for your life three times. You are on My fourth tier – a unique accomplishment among My chosen people.”

### **ANOTHER NEW BEGINNING**

#### **A Synoptic Overview**

“God is a God of new beginnings, everyone of which has been caused – is being caused – will be caused – by our common foe.

“It all began with Earth One, which was God’s perfect model until Lucifer failed. Then it took several thousand years of ‘unmeasured time’ for God to work through the disbelief, the hurt, the anger, the rage, the anguish caused by Lucifer’s rebellion.

“When God’s explosive temper against Lucifer’s uncontrolled rebellion began to subside so He could look at His mess more objectively, He began His long-term plan to re-establish His absolute authority on the earth **AGAIN**.

“It took several thousand years of ‘unmeasured time’ for God to begin to work out His problem with a fallen Lucifer, who had gone berserk. The term

‘unmeasured time’ is accurate because Jehovah God was the light on Earth One before the solar system had been created.

“The sun, moon and the stars were created to establish time for Earth Two, beginning at Genesis 1:3, so man could live, age, grow old and die, the result of sin. Sin did not exist on Earth One until Lucifer failed.

“Sin is the cause of all death that began with Lucifer’s rebellion on Earth One and continued with Eve’s transgression on Earth Two in Eden. Adam followed Eve’s misdeed, and since both blessings and curses follow the male in God’s kingdom, Adam’s failure set the stage for a world of sin and death that was unknown to God until Lucifer’s failure.

“Time to live, age, grow old and to die in a fallen world was **NEVER IN** God’s original plan for man. God had to learn to deal with evil, sin and death by observing fallen Lucifer.

“Man was made first on Earth One and also on Earth Two (Adam) because on Earth Two the physical stature of man provided the protective care for the family. Hence, blessings and curses follow the male in God’s kingdom.

“Earth Two was created beginning with Genesis 1:3. Since Adam’s failure on Earth Two was planned from the beginning, his sin set God’s course for the restoration of His kingdom – His economy – on the earth through fallen man.

“In a world ruled by Satan (Earth Two), it did not take very long for mankind to degenerate into the same lasciviousness that marked the failure of Earth One.

“When man turns to himself and away from God for satisfaction, happiness and fulfillment, he will turn to lasciviousness through his sexuality and will self-destruct. That happened when Lucifer failed on Earth One. It happened again on Earth Two so that destruction of the world again, survived only by Noah’s family, was God’s only solution.

“God had to learn to deal with fallen man under rules set forth by a fallen Lucifer. That doesn’t fit the concept of an omniscient, omnipotent, omnipresent God, but it became reality because God originally gave Lucifer the authority to rule the earth eternally.

“Since the gifts and calling of God are irrevocable, God had not planned for Lucifer’s failure.

“So Jehovah God, Himself, had to learn to deal with evil in order to establish a plan to redeem fallen

man through fallen man. He had no other choice. And the only choice God had was thought to be impossible by fallen Lucifer. And Lucifer came close to being right. So close, that in fact, it has taken many thousands of years of 'unmeasured time' plus years of measured time for God to work through His plan for the restoration of man and the earth.

"God's plan for man was once again established through Abraham's grandson, Jacob, whose descendants became the nation of Israel.

"Through the leadership of Moses, the nation of Israel as slaves, was led out of Egypt into an arid area called 'the wilderness.'

"God added 'meekness' as a fourth test with which he trained Moses, which proved to be inadequate.

"Therefore, in preparation to train Jesus, God added a fifth and a sixth test to the four tests by which God trained Moses. Thus, the Six Measure Standard was developed by God after many failures.

"When God saw Jesus on the cross, He knew that His Six Measure Standard was adequate to ensure the unalterable commitment of fallen man to Himself, in a fallen world ruled by fallen Lucifer.

"It took God about four thousand years from Adam to the cross plus several thousand years of 'unmeasured time' to devise a way to redeem fallen man through fallen man.

"Thus, an estimate of the 'unmeasured time' plus the measured time that it took God to devise a way to redeem man from Satan's grip, is approximately eight or nine thousand years after Lucifer's failure.

"Jesus opened the first and the most important door through which man may walk to God. But that left a second and important door that remained to be opened.

"In preparation for opening that second door, God will bring forth thirteen new God Incarnate apostles trained with the same Six Measure Standard with which Jesus was trained, with one additional requirement: A nine-point cleansing, purifying prayer back to conception in the womb, by the same Spirit that fertilized the egg in Mary's womb. Hence, all thirteen new God Incarnate apostles will begin their ministry without the Adamic sin curse or sin nature as Jesus began His ministry.

"The first two God Incarnate apostles to be released will be the only woman, and the first of twelve men, who will become her husband. After those two are married, they will become God's New First Family

who will open the second door to restore **EVERYTHING** Eve and Adam lost when they failed in Eden.

"The restoration through the second door is essential to God's preparation for the last great spiritual 'awakening' prior to the Rapture.

"The identity of God's New First Family will become known as the first two God Incarnate apostles are released into their visible ministry. The husband and the wife in God's New First Family will emerge into their released ministry to begin God's last 'great awakening.'

"As God's New First Family becomes known, they will have a God Incarnate Son who will announce to Satan his defeat. Until then, Satan will still believe that he will win the victory over Jehovah God.

"The birth of the first God Incarnate Son will announce to Satan that he has lost the battle. He will then step up his activities leading to the Rapture and the Tribulation.

"The series of battles known as Armageddon will occur during the Great Tribulation, which will culminate in the Second coming of our Lord with His raptured church as His contingent of angels, with whom He will rule the world for a thousand years from His Jerusalem headquarters.

"The release of God's New First Family into their visible ministry will inaugurate a new move of God. Those who follow their teaching and become obedient thereunto, will walk through the same door that they opened, to the restoration of everything Eve and Adam lost when they failed in Eden.

"Through the work of the thirteen new God Incarnate apostles, the remaining time prior to the Rapture will become known as '**the God Incarnate years,**' or '**Another New Beginning**' in God's kingdom.

"The release of God's thirteen new God Incarnate apostles will mark **ANOTHER NEW THING** on God's calendar. God planted Jesus in the ground to bring forth thirteen additional God Incarnate apostles, as the first few of multitudes to follow.

"Jesus is to the restoration of man to God, as God's New First Family will be to the restoration of everything man lost through sin in Eden.

"My children, these words are true and are given for your learning and for your admonition in preparation for the soon coming 'last great awakening.'"
