Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Saturday, January 19, 2013

"Yes, I know the waiting, particularly at ninety-two (now ninety-four) years of age, isn't easy. But try and last this out with Me. As I have said, 'We're about there, My son.'

"Remember what I (Jesus) said to you about Myself. After waiting and waiting and waiting and at times thinking I had been abandoned, the Father spoke.

"Then My life changed – and I changed the world.

"That's **EXACTLY** what We are working on for you. You, My son, are being prepared to change the world **AGAIN**. The price of waiting and waiting is worth the reward – not just for you and Me (Us), but for millions now – and things too glorious to think of – later.

"We're almost there."

later at 10:52 PM

"My son, you are training other people to become God Incarnate as Jesus was in His visible ministry.

"The whole of the Gospel/the Great Commission is centered around Jesus and the cross. But what you are teaching is that every consecrated believer may also become God Incarnate as Jesus was, without the burden of the cross.

"To become God Incarnate is to become as Jesus was in His visible ministry. 'If you have seen Me, you have seen the Father,' He said.

"This means that the Father was in Him as a spirit Person guiding and directing **EVERYTHING** Jesus said and did. Therefore, as you saw Jesus speak and act out His life daily, you actually saw (in Jesus) the Father as His (the Father's) spirit was superimposed over and into the soul and spirit of Jesus, so that He (Jesus) actually become the Father who lived within Him. Jesus was actually 'role playing' the part of the Father in everything He said and did, as the Person of the Father within Jesus guided everything Jesus said and did.

"The Godhead bodily (as a Person) who is spirit, became One with the soul and spirit of Jesus within His physical body.

"All thirteen will become Jesus (in the spirit), as He indwells each of you, to speak the Father's words in the guidance and direction of each one.

"My son, you will actually become God (Father, Son, Holy Spirit) encased, enclosed, incarnated in human flesh to do His (Their) will. You will be directed by the words of Jesus, who speaks the Father's words and directives, since He (Jesus) and the Father are One.

"Each of you will become God Incarnate as Jesus was.

"The Godhead bodily will be in each of you (the thirteen), but since Jesus has all authority in heaven and earth, He (Jesus) will guide and direct each of you as He (Jesus) speaks the Father's words and guidance, since they are One.

"Nothing may be more awesome than to become God Incarnate. The opportunity is offered to, or will be offered to, every consecrated believer by each of the thirteen.

"She (the God Incarnate woman apostle) will be able to do most everything the other twelve men can do, except **she will not have the authority to train additional apostles, nor will she have territorial responsibility**. That is not her calling.

"Her calling is to forever remove from Eve (from woman) the stigma of being the first to transgress God's law and lose the joint authority so as to be equal with her husband. That is her main purpose. She will restore woman to the place Eve abandoned by her transgression.

"She has been released (veiled) first to restore woman to her full status as Eve was before her transgression.

"Giving birth to Her New God Incarnate Son is the thing that will catapult her over all other women who have lived on the earth.

"She is a first in that area as Jesus was first in the area of His calling."

“As Jesus was the first Man, as Savior of the world, she will be the first Woman to restore **EVERYTHING** to womankind that she was created to be.

“As Jesus was the first Man of the world, she will become the first Woman of the world.

Things are shaping up. Be not reluctant to publish more than one letter every month. My son, your writing is **MUCH, MUCH MORE IMPORTANT** to Me (you are writing for Me, remember?) and to the world, and to the church, than you realize.

“No one has **EVER** written a sequel to the bible before I brought you on to the scene.

“Be not reluctant to publish a letter without having the next month’s replacement. I will help you.

“Very recently you read twice in your Notebook No. 16 that I said one of your main responsibilities was writing, and as much as possible of your writing should be done before your release, because once you are released, your priorities will change.

“My son, your several ministries require a different approach than if you had only one ministry, although there will be some time for writing after your release.”

Monday, January 21, 2013

“Yes, My son, you have a new invective now from which We both will benefit. Just proceed to tidy up your letters No. 159 and 160 to your satisfaction. Then publish within a smaller window of time to make room for No. 161 and We’re on the way.”

Tuesday, January 22, 2013

“Yes, My son, you have several ideas about writing, all of which are good. Now you may pursue these ideas – all of which have come from your Notebook No. 16.

“Now you have your work cut out for you.

“Use this time wisely, My son – for Me.”

Wednesday, January 23, 2013

“It is as I have said. Once you begin to write as I have instructed, My instructions will be given. This is a good lesson to learn about Me. My instructions are activated by your favorable response to My will revealed in My rhemas.”

Thursday, January 24, 2013

“Yes, My son, you are now beginning to realize what I have given you. Use it to the maximum for Me, and also for your present and future readers.”

Friday, February 1, 2013

“Yes, My son, five is the correct number of ‘immense angels’ at your side. And they stay at your side. That is their assignment.

“That was also the assignment of the five immense angels I placed at the side of Jesus of Nazareth. You two have a lot in common.

“Your five immense angels are with you everywhere you go. They announce to all spirit beings – those for Us and those against Us – of your importance to Me.

“This is just a precaution that I am able to take as the director of heaven and earth.

“My son, I have all responsibility in heaven and on earth. The Father gave it to Me after I placed My own blood on the Mercy Seat in the third heaven. That completed My first assignment, and My reward was the Father’s trust, at which time **ALL** of the Father’s immutable, irrevocable authority was vested in Me.

“But here is the other part of that equation.

“The Father and I are One. Therefore, all of Our thoughts, all of Our ways, all of Our activities and all of Our actions, both positive **AND** negative, are synchronously harmonious, and therefore, are of the Father.

“This means the Father is in control through the same vested authority, because, as spirit Beings, We are One.

“When I release you and infiltrate you with the fullness of the Godhead bodily, you then will become One with Me. All of your thoughts, desires, actions and activities will be directed by Me, because We will become One the moment We infiltrate your physical body.

“However, your activities will be in principle like the five immense angels I placed at your side. You go about your daily activities without their being a burden, because you stay focused on My will for your life.

“Therefore, you have My spiritual protective care provided continually by the five immense angels, while you, in your own mind, are oblivious to their protective care 24/7.

“This is the way it will be after you are released. You will become oblivious to Our presence within you

while being guided by Ourselves within you 24/7. As I said to you previously, the transition will be effortless, fluid and seamless, like trying on a new coat that will be ‘just a fit.’

“In this manner, your very personal activities will not be intruded upon, nor hindered in any way. Don’t forget, you will not be doing something new. Everyone on Earth One was God Incarnate for millennia before Lucifer’s failure.

“Man was made to be My God Incarnate companion (wife) forever. That completes and fulfills Me as Jehovah God first, while completing and fulfilling man simultaneously. That is a description of My kingdom, of My economy and of My social order, as I originally designed it.

“And the husband in My New First Family is second in My plan for man, second only to Jesus. That’s ‘tall cotton’ for a man from (name omitted), Texas.

“And yes, you can have some humorous fun out of that tall Texas tale.”

Saturday, February 2, 2013

“Yes, you have a new starting place today, My son. And you know what to do – and you know that I will assist you as you begin. That’s faith, My son.

“You are the only one who has the tools with which to write a sequel to the bible.

“Use them.”

A remarkable treatise on the rhema

“Yes, My son, it is true. When you learn to hear My voice is when you begin to see – is when you begin to read the bible objectively, rather than subjectively. You begin to see, perceive or understand the bible so as to define who its characters really are, instead of reading the bible to see, perceive or understand who you really are.

“Said another way, you begin to see the bible record as the measure of who the bible characters really are, instead of reading the bible to see who you, the reader, really are.

“Said still another way, when you learn to hear the voice of God, you begin to see the bible as a measure of others instead of a measure of yourself.

“Still another blessing of hearing God’s voice is that you begin to objectively see the historical record of Jehovah God Himself.

“Said still another way, when you learn to hear the voice of God, since every word is alive as rhema, **that rhema** reveals the truth of that which is written in the bible.

“The bible is ‘second-hand’ logos given as rhema to the writer. Hearing rhema (revelation) therefore, from the mouth of God, is essential to understanding the rhema given to the bible writers.

“When you read the bible, you are attempting to intellectually understand the logos. That cannot be done. Only the rhema may reveal the meaning of the logos.

“That is why learning to hear the voice of God in this rapture generation is so very important, interesting and exciting.

“Every rhema is alive and creative. For that reason, you cannot hear the rhema daily without being changed forever.

“Said positively, learn to hear the rhema daily to be changed from one degree of glory to another, in order to transition into becoming God Incarnate.

“Said even more succinctly, only the rhema may make you God Incarnate.

“Said still another way, if you will learn to hear the rhema of God 24/7 and spend quiet time with Him daily, as you are obedient, faithful and trustworthy to the rhema you hear, you may become God Incarnate when God judges you sufficiently prepared.

“It is the rhema who determines and reveals relationship.

“Rhema created everything in the seen and in the unseen world.

“One may not hear the rhema and remain the same.

“Every rhema produces change – a cleansing – a washing off of, or the removal of, the ways of the world with the simultaneous replacement of kingdom attributes.

“Every rhema replaces worldly attributes with kingdom attributes.

“Rhema will give you eyes to see, ears to hear, faith to respond and be conformed to the will of God.

“Rhema is God’s spoken word or will for your life.

“All rhema are alive with God’s life and are therefore creative of the seven attributes of God.

“Spiritual feeding is accomplished by hearing

rhema.

“In the spirit, you eat by hearing the rhema.

“In the physical, you eat with your mouth.

“In the spiritual you eat by hearing the rhema from God.

“Physical feeding is with the mouth.

“Spiritual feeding is from the mouth of God.

“Spiritual feeding is hearing the rhema.

“Every time you hear the rhema of God, you are being fed spiritually and are being changed from one degree of glory to another.

“Hearing the rhema will conform you to kingdom attributes.

“Hearing the rhema will change you from representing God to becoming God Incarnate.

“Use every opportunity to hear and to become obedient to the rhema of God.

“Logos is of the intellect.

“Rhema is of the heart.

“Logos is of the mind.

“Rhema is of the Spirit.

“The Spirit has no authority of His own. He speaks what He hears from God.

“The Spirit is the conduit through whom we hear the rhema.

“What the Spirit hears is the voice of Jesus, Who is One with the Father, and therefore, speaks the Father’s words (rhema).”

“Without faith it is impossible to please God, for those who come to Him must believe that He is and that He is a rewarder of those who diligently seek Him.” (Hebrews 11:6)

“Answered prayer is also a source of faith. But faith, regardless of its origin, must have a beginning. And that beginning is at the fingertips of your fertile mind. **Reach out and take a generous portion of faith by asking God to talk to you.** That’s the way to start. And once you start, the end is never in sight, for you’ll be able to see forever.

“Faith is an unending journey, the pursuit of which is interesting, exciting and more rewarding than you can imagine. Faith has no dimensions, neither height, nor depth, nor width, nor breadth, because faith is forever in all dimensions.

My prayer:

“Lord are the five immense angels at my side the same five angels you assigned to Jesus during His visible ministry?”

His answer:

“No, they are not, but they, both sets of five, are of the same family of angels.

“Yes, there are families of or classifications of angels, each of whom have different assignments.”

“Unforgiveness is drinking poison expecting someone else to die. You cannot afford to entertain unforgiveness. It will kill you. Unforgiveness is the unforgiven – the unforgivable sin. Unforgiveness is a sign of life, whereas the cross is the sign of death. You cannot offend a dead man.

“If anyone desires to come after Me, let him deny **himself**, take up his cross daily, and follow Me.

“In the kingdom, death is the sign of life.

“In the world, death is the sign of a funeral.

“You might print that, My son.

“In the kingdom, life is the sign of the enemy.

“The way Eve lost the battle and God lost the world was when Satan distracted Eve’s focus from God to self – to what self could do – to what self was missing – to what someone did to self – to what self could accomplish. That’s why Jesus said, ‘If anyone desires to come after Me, let him deny **himself**, take up his cross daily, and follow Me.’

“There are two crosses in the human equation. One for Jesus and one for everyone else. You might think that it hurts to die to self, but that kind of thinking is of one who has not fallen in love with the Lord.

“Come unto Me all you who are weary and heaven laden and I will give your rest. Take My yoke upon you and learn of Me for I am meek and lowly in heart and you will find rest unto your soul – not unto your mind, but unto your soul – not unto your intellect, but unto your heart.”

Friday, March 1, 2013

“Yes, My son, you have another piece of the puzzle now. Yes, Lucifer was given the same authority to govern that I gave Jesus **AFTER** His resurrection.

“Lucifer, as I have said to you, was given all of My attributes. He was like Me, My son. All authority in heaven and earth was given to him.

“Lucifer was the most beautiful, the most handsome of all of My angelic creation, who was

perfect in all of his ways. My son, Lucifer was like Me in every aspect except one.

“The only authority I did not give Lucifer was the right to grant the authority that I gave him. I reserved that for Myself. And that was My salvation – **yes, salvation is the right word.** By My retaining for Myself the right to grant the authority to govern heaven and earth, I was able to salvage from My disappointment, from My shame, from My disgrace, from My resentment and from My anger, a sufficiency of resolve to begin again.

“And yes, ‘begin again’ is the correct term. In final analysis, all I had was a complete mess on My hands with Lucifer’s failure.

“Only after your Godhead filled release will I be able to share with you the time-line of My restoration, to partially becoming Myself again.

“My whole world collapsed on Me. What I created for excellence – for good – in order to fulfill Myself – turned into complete chaos in front of My eyes.

“Lucifer changed – in front of My eyes – from the most wonderful and perfect of My angelic creation, into the most vile, hideous, evil, sadistic creature imaginable.

“That was not My only loss.

“My wonderful, perfect, beautiful wife, whom I dearly loved and cherished, became a convoluted, vile, hideous mess in front of My very eyes about which I could do nothing.

“Lucifer was filled with all the fullness of the Godhead bodily, just as was mankind on Earth One initially. I literally lavished Myself on My creation for millennia.

“Then Lucifer realized I had given him eternally, authority to govern forever My prized creation – My beautiful, beloved wife on Earth One. That responsibility was irrevocable, because the gifts and call of God are irrevocable – even to the disobedient Lucifer and My wife, who followed after him.

“As you know, for a while, Lucifer accepted My corrections. Then he became irritated at My ‘interfering’ with ‘his possessions’ I had given him.

“I did not realize that one trained with My Three Measure Standard and imbued with all of My love could fail Me. But as I have said to previously, the results of mistakes made inadvertently are no different

from something done intentionally.

“I was shamed in front of the whole heavenly hosts – that is, the about two-thirds of My spiritual family that I had left.

“But My disappointment and hurt over My loss finally turned to My destructive rage – not anger – but rage against a fallen Lucifer.

“My destruction of Earth One was complete. Everything thereon, including the marine life, was polluted – was contaminated beyond recovery.

“There was only one thing to do. Rub out, as best I could, and start all over again. But it wasn’t that easy. The mess on My hands included permanent provision for fallen, convoluted angels, and mankind who had become Satan’s demon subjects. That took millennia of planning **BEFORE** I could even begin to think of My massive reconstruction project.

“I won’t take the time here to tell you of My ‘highs’ and My ‘lows’ during My millennia of planning time for My reconstruction period.

“As you know, I had to learn from My mistake. You see, I am like you in so many ways. And you, My son, in your aggressive ways to approach your faith walk with Me, are so much like Me – even now before you become God Incarnate – it is scary, as I have said to you twice previously. But I am thankful for your nature that I put in you **at your conception. My son, I planned your eternal life before your conception because of your mother’s prayers.**

“It is true that I did not anticipate your aggressiveness in your faith walk with Me, but that has turned into an unbelievable asset to Me, Your Father.

“So yes, Lucifer was given the same authority to govern that Jesus now has, but with totally inadequate training preparation. As you know, I finally learned through Moses what I had to do to train Jesus, **AND**, as it has turned out, to train all thirteen of My new God Incarnate apostles.

“So now, you have the complete picture of My mess and the recovery process through which I have learned finally how to control My creation.

“The husband in My New First Family, My son, is My crown jewel of My final recovery process. He, his new wife, and then their new God Incarnate Son, will fulfill Me as Jehovah God, for the first time in millennia.

“And because he and his new beautiful wife have passed with flying colors, the Six Measure

Standard test, proven by Jesus, he, then his new family, will become the object of My affection. He, then the two of them, then the three of them to include their new God Incarnate Son, will be showcased world-wide as no other family has ever been.

“Then his (the husband’s) seven ministries, all supervised supernaturally by Myself, this time without mistake, will be something to behold. Nothing like him has ever emerged on the world scene.

“Then there is his new wife. Nothing like her has ever been brought forth on the earth. Just as he (the husband) will be, she will be the most outstanding woman I have ever made. She will excitedly restore **EVERYTHING** Eve lost through her transgression, plus some other things I have planned just for her.

“My son, those two will be showcased by Me as no other two have ever been or ever will be.

“As those two are married and consummate their marriage, they will simultaneously consummate My first marriage on the earth that will be thrust into eternity.

“This time, with confidence, I will shower him (the husband) and My new First Family with My blessings of love to really showcase Myself that others might be drawn to Me.

“There, in brief, is what lies before them.

“Nothing has been overlooked.

“Those two will restore family and the home to My original design. Joint responsibility will be administered by Me within them, which means those two will have a perfect home **AND** a perfect marriage **AND** a one-Son family to be showcased world-wide for My glory.

“Many will come to Me by showcasing My blessings given them through obedience, faithfulness and trustworthiness, demonstrated in a world ruled by Satan.

“And that is not all. But this is enough for now.

“My son, you now have the final piece of the puzzle, so as to know and to understand, the dilemma with which I was faced with a failed Lucifer.

“My son, I am just as anxious and excited about the release of My New First Family as they are.

“Just observe My love and compassion through their transition into the last stage of their preparation.

“More than they now know, Jesus looks forward to both members of My New First Family joining Him as My New Triumvirate.

“Thank you again, My son, for your response to My call.”

“Jesus was planted in the earth in the fullness of time as ‘bait’ for the enemy. In like manner, Adam and Eve were planted in the garden of Eden as ‘bait’ for the enemy.

“The ministry of Jesus had to be shrouded in mystery, clothed in types and figures so that **NO ONE** except God, the Father, and Jesus, Himself, knew of His real mission.

“The giving of His life as Messiah was planned before the foundation of the world (Earth Two). The life of a sinless One for the lives of sinners, as a blood sacrifice, was the only way for God to redeem Himself. Yes, that is right. **The sacrifice of Jesus on the cross was so that I could redeem Myself from My terrible blunder of giving Lucifer absolute, irrevocable authority to rule the earth forever.**¹

“In a similar manner, God knew that since through man, sin (death) entered into the world, through man, therefore, sin (death) would have to be removed from the world.

“For that reason, God placed Adam and Eve in the garden of Eden, knowing they would fail. But He had no other choice. Since through man the Messiah had to come, through Adam and Eve, therefore, He had to come.

“The reason God knew Adam and Eve would fail was because He trained them with the Three Measure Standard with which man was trained on Earth One.

“Adam and Eve were therefore ‘bait’ for Satan, as Jesus was ‘bait’ for Satan. Both were essential because on Earth One, By God’s own spoken immutable words, man was created forever without recall.

“Therefore, God had no choice in either Adam and Eve or in Jesus. Through mankind the Savior had

¹It may seem absolutely preposterous that Jehovah God, Who is omniscient, omnipotent and omnipresent, would Himself commit what He calls a “terrible blunder” in giving Lucifer “absolute, irrevocable authority to rule the earth forever.” This is why by only reading the bible, we have a very limited knowledge of Jehovah God, Himself – who He really is – and how much He is like us. This underscores the importance of learning to hear the voice of God daily in the few remaining years of this rapture generation.

to come, and that was determined by God's own immutable, spoken words of Earth One creation.

"Since Lucifer was given absolute authority to rule the earth eternally, he was in the garden of Eden legally. In like manner, he was on hand to tempt Jesus.

"God knew all of this because of His planning time in the millennial gap between the destruction of Earth One and the beginning reconstruction of Earth Two at Genesis 1:3.

"My son, what you are writing is the result of hearing My rhema words for many years. The more than 1.5 million rhema words you have in your twenty (now twenty-one and counting) three-ring notebooks is foundational for such revelation.

"My son, I am withholding nothing from you. And you must realize that you are the only human being to whom I have revealed both the things I have revealed and the things I am revealing to you.

"You are a one-of-a-kind above all other one-of-a-kinds in My march toward perfection.

"Since this is not impressive to you, I know you are ready for your release, but Dale is not yet there. Just a little while longer as I follow your guidelines for her."

Wednesday, March 13, 2013

"Remember, I said when My words to you would become minimized, that was the sign of your soon release. Hold on, My son – your Day of the Lord is in sight. There are many things I could say to you about your soon coming Day of the Lord, but enough of that for now.

"Just stay ready so when the fullness of time arrives, both of Us will be ready."

Friday, March 15, 2013

"As you know, I see the end from the beginning and I have the end. And I am excited about it. The end, meaning your soon release. The third heaven is all abuzz about your Day of the Lord.

"Yes, My son, demons will recognize My presence in you and in the twelve as they did in Jesus. Jesus was the first God Incarnate man thrust into eternity to displace Satan and all of his supporters.

"Did I not say you would operate in the absolute? You, My son, and the twelve, will be able to openly challenge every facet of the enemy's territory – without exception.

"Remember, I have said to you that the enemy is our target. That's why the third heaven is all abuzz about you and the other eleven God Incarnate men apostles. The twelve men will have territorial responsibility whereas the only woman God Incarnate apostle will not have territorial responsibility.

"This means the world will be divided into twelve parts among the men.

"While the God Incarnate woman apostle will have the same supernatural capability as the men, her principle mission will be to restore to women **EVERYTHING** Eve lost through her transgression. In so doing, she will be God Incarnate as will the men, but primarily to reestablish co-equal authority in the home – in the family – as the first woman to do so.

"Those two (My New First Family) will perform everything necessary to give mankind his last and eternal God Incarnate beginning to become My first wife thrust into eternity.

"The husband, My son, will do as much in his seven ministries so as to surpass the other eleven men by far. His ministry will be a seven-fold ministry for the world to observe.

"He will exceed all other men except Jesus.

"So get ready – stay ready – as I told Paul Crouch, Sr.

"My son, he (the husband) will become renown in seven areas. No one, including Jesus, has ever come forth to do as I have trained him to do. Since he will be free to minister openly – without restrictions – no one like him has ever come forth called by Me.

"Because he is My first family leader, he will be heralded and exalted world-wide as no one has ever been.

"But he knows this and he is ready for his Day of the Lord. Now the rest is left up to Me.

"My son, I have longed to be Myself – to enjoy to the full – giving bountifully to My cherished wife. The husband and his new wife and family as My New First Family will give Me that opportunity.

"No one knows that as he (the husband) does.

"Their abundance will astonish and astound the world while I will lavishly provide them with My abundance.

"While that may seem excessive to some, My abundance in them will be used to draw attention to Me; hence, it will become incentive for others to follow in their footsteps."
