Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

"My son, when I created God Incarnate man on Earth One, it was with the idea to create him perfectly within My first family. Then, thereafter, procreation would occur as I formed with My Spirit, each God Incarnate infant in the womb of its mother.

"Procreation – all procreation of man after My first family, has been formed by My Spirit in the womb.

"Since like produces like in the kingdom, the offspring of every God Incarnate couple on Earth One was God Incarnate.

"Then came Earth Two and Adam's sin.

"Thereafter, every infant I formed in the womb, would come forth from the womb with the Adamic sin curse and sin nature. There was no other way to begin, since the procreation procedure was forever established on Earth One.

"Therefore, ever since the first born on Earth One came forth as formed by My Spirit, every first born thereafter has come forth from the womb formed by My Spirit.

"When the egg of woman and the seed of man are pure, the infant is pure.

"When the egg of woman and the seed of man are impure, the infant is impure.

"This was only a part of My dilemma when I planned My vast reconstruction project.

"But in conclusion, so you will know, everyone is formed in the womb by My Spirit wherein is life, either pure or impure, according to the egg and the seed."

"Since the twelve men who will become God Incarnate apostles will have been conceived retroactively by the Holy Spirit back to conception in their mother's womb, each one, therefore, will be the son of God, as was Jesus, who was also conceived by the Holy Spirit.

"That leaves only one apostle, the woman, with whom to deal or consider. Since she likewise, was conceived retroactively by the Holy Spirit back to

conception in her mother's womb, she, therefore, became the daughter of God, just as Eve was also the daughter of God.

"This, therefore, makes God's New First Family as Adam and Eve were on Earth Two, before their transgression. Both sets of parents were formed or conceived by the Holy Spirit. One set was conceived in time; the other set was also conceived in time, but retroactively.

"As Adam is the son of God, according to scripture, so Eve was the daughter of God, according to scripture.

"The same is true of God's New First Family. Both were conceived by the Holy spirit in time in the womb of their mother retroactively.

"Therefore, the standing of Adam and Eve before God and before man, prior to their transgression, is the same as the standing of God's New First (and last) Family before God and before man after they are released. All four were (have been) conceived by the Holy Spirit the same as was Jesus, which is the only basis for becoming God Incarnate.

"The first family of God (husband and wife) on Earth One were formed as were the first family of God (husband and wife) on Earth Two (Adam and Eve). Both families, therefore, were God Incarnate, having been formed (conceived) by the Holy Spirit.

"The same holds true of God's New First (and last) Family, since they both have been conceived retroactively in the womb of their mother. They are as Jesus was before He was released into His ministry by the Father. After the baptism of Jesus by John, the Holy Spirit visibly, Jehovah God and the Word, invisibly (all three), entered the physical body of Jesus bodily, and Jesus became God Incarnate at that instant, and not before.

"Jesus was the son of God, having been conceived in the womb of Mary by the Spirit, but He became the Son of God, when the Godhead bodily entered Him after John's baptism.

"When the Holy Spirit fertilizes the seed in the womb, the infant will be free of the Adamic sin curse and sin nature.

“When the sperm of fallen man fertilizes the seed in fallen woman, the infant is born with the Adamic sin curse and sin nature.

“When a man and a woman, chosen by God, both of whom are born with the Adamic sin curse and sin nature, by the power of the Holy Spirit, are cleansed and purified retroactively back to conception in their mother’s womb, they then may become God’s New First Family on the earth, to become God Incarnate forever.

“Those two will forever establish on the earth for the first time, God’s Incarnate principle for mankind. Those who believe in and follow after the teaching of these two, may receive their permanent God Incarnate restoration as well.

“Those who follow after and believe in Jesus, will receive His salvation blessing.

“Those who follow after and believe in God’s New First Family, will receive their God Incarnate blessing, and the restoration of everything that Eve and Adam lost in Eden.

“Thus, God’s new Triumvirate will reestablish on the earth forever, the principle of both God Incarnate man and woman as husband and wife, as Adam and Eve were, before their transgression.

“God’s new Triumvirate, therefore, will reestablish God’s will and perfect order on the earth forever, and will also forever be enshrined in the finally reconfigured Godhead.

“God, Jesus (inclusive of the Word), God’s New First Family (husband and wife) and the Holy Spirit, in that order, will form the new reconfigured Godhead – a Pentarchy – forever!”

“My son, you see there is more that I can teach you as We wait, as you asked Me to do – interesting things that have been there all the time and unseen except by revelation.

“Those who hunger and thirst for righteousness will be fed Me – Myself – the living Word. Isn’t that easy?

“That’s why I said, ‘Blessed are those who hunger and thirst for righteousness, for they shall be filled.’

“The poor in spirit, the meek, the merciful, the lowly in heart, shall all see God. **Each of those**

descriptions is another expression of those who are pure in heart and devoid of pride. Then when that one hears of Me and desires Me, I am free to go to work. My words will create the hunger and thirst for righteousness, which frees Me to do what I wanted to do when I formed that one in the womb.

“My son, you now see these things because you have been obedient. **My rhema words, in time, will provide EVERYTHING man needs.**

“The reason (Name omitted) is homosexual, is because homosexual demons from her mother and her father entered her body unknowingly to either of the three.

“The iniquity of the fathers is visited upon the children to the third and fourth generation.¹

“Iniquity is an intentional transgression of God’s law with no intent or desire to repent. This is why obedience to God’s laws, even if you do not understand them, reaps untold, unknown and unobserved benefits throughout eternity.

“God’s laws were given to divorce God’s people from Satan. That was the only way to begin until Jesus arrived upon the scene. Then, through Jesus, law gave way to love, grace and mercy.

“So long as Satan remains at large, he is at work 24/7, with many demons under his control, who are dispatched to individuals to do his dirty tricks.

“The prevalence of and the presence of homosexuals and lesbians is Satan’s way to undermine the home and the family, which are the moral structure of civilization.

“When the home and the family unit are challenged, civilization is challenged.

“When the home and the family unit are destroyed, civilization is destroyed. That’s what happened on Earth One and on Earth Two survived by Noah and his family. It was a family who survived the flood.

“The home – the family unit, is the foundational structure upon which civilization is built. Satan’s goal is the infiltration of the home – the family unit – through homosexuality, lesbianism, same sex marriage, abortion and divorce.

“Abortion may be an excuse to correct one’s sins

¹See Exodus 20:5 (b). Both the iniquity and the blessings of the father are visited upon the children because both blessings and curses follow the male according to God’s laws, because man (Adam) was made first.

or to take on the role of God. Euthanasia is like abortion in that both place an individual in the role of playing God.

“Same sex marriage and adoption of children into a same sex marriage is flaunting and taunting God’s laws in His face. The demons in a same sex marriage will always find a home in adopted children who unexpectedly and unsuspectingly become victims of Satan.

“God’s laws are absolute. When they are discharged, the results are also absolute. That’s why God’s laws should be obeyed, even though they are not always understood.

“God’s laws are higher than man’s ways. As the heavens are higher than the earth, so are My thoughts higher than your thoughts, My ways higher than your ways. Since thoughts are the language of the Spirit, learn to ‘listen for’ or to ‘hear’ My thoughts, says the Lord, for they will lead to life – to My life for you in the here and now of time. They are protection from the enemy, and they are the prelude to walking in My will, and to blessings untold in the now of time and in timeless eternity.”

Later at 11:15 AM

“My son, I am bound in everything I do by My immutably spoken words with which I created Earth One.

“My first family on Earth Two (Adam and Eve), for example, were replicates of My first family on Earth One. It had to be that way because of My immutably spoken words with which I created Earth One.

“My son, all of this is truth because Earth One was created – spoken into existence, to last eternally. That’s what made My job of restoration so difficult.

“I am bound by My previously spoken words of creation in each of My new beginnings. For example, My first family on earth One were exactly like My first family on Earth Two (Adam and Eve).

“For these reasons, My New First (and last) Family, who are about to appear on the world scene, will be like My previous two new first families.

“Therefore, the first two of My thirteen new God Incarnate apostles, will be the only woman, followed by the first of twelve God Incarnate men apostles to be released. Those two will undergo more drastic changes than the other eleven, because they represent My third

and final attempt to restore mankind to his lofty estate, as My beloved wife, thrust into eternity forever.

“The reason I am certain of success this time, is because each of the thirteen new God Incarnate apostles will have passed the same Six Measure Standard that Jesus passed.

“Jesus proved the perfection of My Six Measure Standard at the cross.

“For these reasons, realize that My New First Family, who are about to be released to the world and to the church, will undergo the most pronounced make-over when they both are released, filled with the fullness of the Godhead bodily.

“These two will be My showcased models for the world to see. The woman will become beautiful beyond comparison. Likewise, the man will become handsome beyond comparison.

“All of this is to showcase Myself to the world and to the church. These two will create incentive for others to follow after their example, so as to receive My boundless blessings, as well.”

“Yes, the time grows shorter with every day that passes. You see in time, which provides for aging, while I see in eternity, and therefore, I know the end from the beginning, because I have the ability to see the whole picture before it unfolds in time.

“Just bear with Me for a short while – a very short while longer while I tidy up a few things. Then We will be ready. ‘We’ includes the Godhead, the principals involved, and the fullness of time – meaning the proper moment for those to whom and for whom you will be sent. My son, that’s a mouthful, isn’t it?”

Thursday, March 21, 2013

“My son, you (We) are on to something big **AND** important. You have been given revelation that is far more important than you realize.

“The world and its outcome hangs on My words given to you. Yes, that is true. My words given to you will judge everyone. Therefore, what I give you, and therefore, what you write, is of the utmost importance. Write what comes to your mind as censored by your heart, for now that you are Mine, those thoughts are My words of life given to you as My writer, as My scribe, as My seer of this rapture generation.

“Yes, by all means, include the things about homosexuality that I have given you.

“Here is something to keep in your mind: **EVERYONE** who is in the world and of the world is of the enemy. That’s why he still is the ruler of their world. And remember, his methodology is simple, but very effective.

“All the enemy does was demonstrated by his luring Eve into his trap. All he did to lure Eve from her perfect, beautiful, God Incarnate self, into the sinfulness of Satan’s evil, was to distract her focus from Jehovah God, who dwelled in His fullness bodily within her, to self – to what self could do – to what self could enjoy. To add to that so as to include the modern vernacular of today, Satan lures one into what self enjoys – to what others have that self does not have – to what self is entitled to, in order to become prominent and satisfied. This is the way Satan rules the world. Self is his weapon of choice. That is why he is so successful.

“When self is exalted, God is denied.

“When self is denied, God is exalted.

“In those two statements are all of God’s wisdom.

“Yes, My son, you must write what I put on your heart, because you are my scribe. As you begin, the thoughts, My thoughts, will come.

“Be not reluctant to use what I have given you, for my words are My truth and My truth is eternal. Write My truth, My son. Proclaim it to the housetops – to the world – to a lost and dying world, going headlong into the jaws of death and hell.

“My son, you are the only one – the only man – to whom I have bared My soul as I have to you. I have held back nothing from you. You know Me as no one else knows Me. **AND** only as you make these things known, will I be exalted and will My poor world know who I really am.

“My son, I want My poor world to know Me as I have revealed Myself to you. **That is your charge – yes, that is your mandate from Me.** Write, My son, for Me, your beloved Father, who has bared his soul to you.

“The important thing about your last end-time writing, is that you will be able to reveal what I have given you without restraint.

“And yes, I will keep you preserved and pure for your future encounters, that will be many, and will be seen by the world.

“All seven attributes of the beatitudes are antagonistic to pride and lust, and are characteristic of

one who has become personally acquainted with, and who has walked with Jehovah God and His precious Son, to whom has been given governing authority in heaven and the earth.

“In spite of man’s opinion of himself, everyone will come before the judgment bar of God – that’s everyone. **That includes every governing magistrate and governing body of every nation under heaven.**

“Life on this earth is not the main thing, but only a small preparation time for the main thing – the main event. Life on this earth is but preparation for timeless eternity.

“**Look again at the seven attributes of the beatitudes, for those are the true measure of a man.** One may acquire these seven attributes by walking daily with the King of kings and the Lord of lords, whom you may know personally, and who will guide your life with His spoken rhema words of revelation, as you learn to listen.

“**That relationship with Him is available to every consecrated believer in this rapture generation.**

Therein lies His blessings, His peace and contentment on the earth, for He, Himself, has said, ‘Come unto Me, all you who labor and are heavy laden, and I will give you rest. Take My yoke upon you and learn of Me, for I am meek and lowly in heart and you shall find rest unto your soul. For My yoke is easy and My burden is light.’

“**No man can carry the burden of life that Satan offers.** One who believes otherwise, will, in time, self destruct. Jesus bore on the cross, every burden Satan has offered to man, and therefore, He offers to everyone a burden-free life. (*My ninety-four years of life is testimony to that one fact.*)

“Everything Jesus said were words given to Him by the Father, whose presence within Him guided everything He said and did.

“To Him be praise, glory and honor forever, throughout all eternity, world without end. Amen.”

GOD’S OBJECTIVE A Synoptic Overview

“Earth One was God’s model. For example, as God’s first man on Earth One was unfulfilled without the first woman on Earth One as his wife, so Jehovah God, Himself, is unfulfilled without a wife – in His image and in His likeness – like Himself – whom He may love and

cherish.

“The reason God was fulfilled on Earth One for millennia before Lucifer failed, is because the first man and the first woman were God Incarnate, made in His likeness and in His Image. Since like produces like in God’s kingdom, man’s offspring on Earth One for millennia were God Incarnate.

“Therefore God, Himself, for millennia on Earth One, had a beloved wife on whom He could relish Himself with His abundance.

“Mankind on Earth One lived in a garden Paradise (as it was originally for Adam and Eve on Earth Two) until they transgressed God’s law, as deceived by a fallen Lucifer. It was fallen Lucifer who led the first rebellion against God and the result was destruction.

“Jehovah God has not been contented, satisfied or fulfilled since the failure of Lucifer on Earth One. A fallen Lucifer stole God’s first wife. Then, through his supernatural evil and deceitful efforts, he convoluted man’s thinking, conduct and activities to the extent that man, through transmigration, became the evil, grotesque, vile creatures now known as demons.

“God did not anticipate Lucifer’s failure. Therefore, neither God nor Lucifer foreknew what the result of Lucifer’s failure would produce. Neither God nor Lucifer knew that through Lucifer’s rebellion against God, that both Lucifer and mankind who followed him, would self-destruct irretrievably into unimaginable evil creatures.

“Neither God nor Lucifer had previously been confronted with disobedience – with evil and the results thereof. This was a new learning experience for both of them.

“That was God’s mess, dumped into His lap by fallen man led by fallen Lucifer.

“That’s why destruction was the only obvious conclusion that God had.

“Lucifer had stolen God’s first perfect wife in such a way, that God could do nothing about the theft but stand by and watch.

“As the first man on Earth One was incomplete and unfulfilled without a wife, so Jehovah God was incomplete and unfulfilled without a wife. That’s why a beautiful, perfect, voluptuous wife was provided for the first Man on Earth One. When those two came together to consummate their marriage, that act simultaneously consummated their spiritual marriage to Jehovah God as His wife.

“Hence, two marriages were consummated simultaneously when the first man and the first woman on Earth One came together as one in their marriage.

“That fulfilled God first and mankind second.

“The reason that fulfilled God was because the first man and woman on Earth One were God Incarnate. The fullness of the Godhead bodily resided in both of them when they were created.

“Their coming together as one, therefore, provided Jehovah God Himself, with a beloved wife, whom He could love and cherish and for whom He could provide in supernatural abundance.

“Every want, need and desire of the first couple on Earth One, as God’s first wife, was provided in supernatural abundance. Jehovah God exists to love and to give. He is contented, satisfied and fulfilled only as He has a wife for whom He may care, love, provide and cherish in supernatural abundance.

“That was the purpose of Earth One. **And that is God’s ultimate objective.** His ultimate objective will be accomplished beginning with His New First (and last) Family soon to be released to the world and to the church.

“Ever since Earth One was destroyed in God’s fierce anger against a fallen Lucifer, God has not been Himself. For that reason, **NO ONE** since the failure of Adam and Eve on Earth Two, has known Jehovah God as He really is.

“That is about to change. The first God Incarnate woman apostle and the first God Incarnate man apostle are about to be fully released into their ministry to become God’s final New First Family and wife for eternity.

“The reason God is sure that His New First (and last) Family will not fail this time is because both the husband and the wife have passed the Six Measure Standard, and they both have been led of the Spirit to pray the nine-point prayer of cleansing – of purification – back to conception in the womb, which has prepared them as Jesus was prepared prior to John’s baptism.

“Jesus proved the validity of God’s Six Measure Standard at the cross.

“Once more will God have a beloved wife for whom He may provide in super abundance, whom He may love and cherish, this time, with no concern of failure.

“The fidelity of Jesus on the cross provided that assurance to Jehovah God.

“The cross of Jesus was the forerunner of and the precursor to God’s New First Family – His first family forever, with many to follow.

“Those who follow after Jesus will receive His reward.

“Those who follow after God’s final New First Family will receive their reward. Their reward will be to become God Incarnate as God’s wife, and to experience the restoration of everything Eve and Adam lost personally through their disobedience in Eden, on whom God may relish Himself and His super abundance, who will be thrust into eternity forever.

“In the remaining years of this rapture generation, God’s New First Family is about to be released for the world and for the church to see and to emulate. This means that God will finally have a beloved wife who will remain faithful to Him and who will also content, satisfy and fulfill Him forever.

“Only as that occurs, will both the world and the church know who Jehovah God really is. His first wife for eternity will be abundantly provided for without measure.

“The world and the church will see this, which will provoke a following after God neither the world nor the church has seen previously. God’s New wife will be showered with God’s super abundance for both the world and the church to see.

“This will provoke a turning to God that the world has never witnessed. Fifty percent of the unsaved will be saved in this final ‘*down pouring*’ of God’s Spirit.

“One reason this last *down pouring* of God’s Spirit will bring in such an abundant harvest, is because of the desire to follow after God’s New First Family, wherein God’s super abundance will be seen for the first time by the world and by the church.

“Hence, for the first time since the failure of Adam and Eve on Earth Two, will the world and the church know who Jehovah God really is.

“His super abundance, freely given to His new wife for eternity, will point the way back to Jehovah God. This will allow God to be Himself openly – for the whole world to see – for the first time ever since the failure of Lucifer.

“God, Himself, will become contented, satisfied and fulfilled, so that He may ‘be Himself’ for the world to see. That is what will prompt many to accept His only begotten Son as the first step to perfection, as a precursor

to becoming God Incarnate on the way to eternity.

“Hallelujah to the lamb of God, who takes away the sin of the world so the world may see His Father.

“These things will come to pass in the remaining years of this rapture generation and will begin soon.

“If you want to participate in this last day’s *down pouring* of God, learn to hear His voice daily – record His words and become obedient, faithful and trustworthy. He will do the *rest* as you arrive at your Sabbath day of *rest*. ‘For he who has entered His *rest* has himself also ceased from his works as God did from His.’²

“Hallelujah to the lamb of God who takes away the sin of the world! Amen.”

“Yes, My son, you have discovered yourself. To no one have I given prophetic rhema words that I have given to you. You already have transcribed from your journal, printed and filed twice as many words as there are in two King James bibles – and we have not yet finished. To no one have I ever given Myself so profusely.

“And yes, as you have time, you may now write your way through notebook No. 17 and proceed from there.

“It will be easier to publish a letter if you will simply edit and publish what I have given you. That will make it easier on you. But that way, you may publish more of my rhema work.

“Yes, My son, you have discovered what I have given you and the importance thereof to Me and to My people.

“As you increase the number of letters you publish to more than one per month, this will allow you to publish more of My truth, which I have given to no one previously.

“Do not get in a hurry. Just peruse your notebook No. 17 through No.20 (now 21 and counting) as you have time, and that will be more than adequate.

“This will also allow you to utilize your short waiting time more effectively.”

If you want to know how much time we have left, read my letter No. 146 on the Rapture, available at my Website: www.jimash3.com.
