Boldly declaring the **new things** of Isaiah 42:9 and the **greater works** of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Tuesday, May 7, 2013

Yes, My son, you are ninety-three years old today (ninety-four as of the date this letter is published). Remember, you were conceived in your mother's womb by her prayers. My son, you belonged to Me before you were conceived, the same as was Jesus in Mary's womb. And because you have been cleansed of the Adamic sin curse and sin nature by My Holy Spirit retroactively back to your conception, you are now where Jesus was prior to His being baptized by John.

"Of course, all thirteen of you have had that same cleansing, but you are the only one who belonged to Me before you were conceived.

"No only are you special to Me, my Son, but the husband in My New First Family is also special to Me. He will restore to every man, everything that man lost through Adam's sin, who will believe his teaching, and who will follow after his example to become God Incarnate.

"He will reverse the curse pronounced on Adam and thus to all men. I, Jehovah God, will provide for him an abundance unrivaled by Solomon, as you know.

"The blessings I will give him, and that I will direct others to give him, will be so profuse and abundant, it will draw many to Me.

"My son, the husband and his new wife (in My New First Family) will be My fourth beginning, but My third God Incarnate beginning of mankind – this time without failure. This time, however, will be a new perfect beginning with My New First Eternal Family, to content, satisfy and fulfill Me as Jehovah God, for the **FIRST TIME ETERNALLY.**

"My son, only after the Rapture may I reveal to him (the husband) the full meaning of his becoming My fourth and final Adam:

- (1) "The Earth One Adam (first man).
- (2) "The Earth Two Adam (first man).
- (3) "Jesus, the Earth Three Adam (first man).
- (4) "The husband, the fourth and final Adam (first man) in God's New First Eternal Family and wife."

Friday, May 10, 2013

"My son, you can see the light at the end of the tunnel now – your transitional change, that is. Remember, however, that 'in the fullness of time' is more inclusive than it may seem when viewed only from the physical.

"So yes, you can now begin to write your way through your journals with Notebook No. 16 as a starting plan.

"Remember, no one else has what I have given you. Rhema words are word pictures of God, and if not of God, then of Jesus, because they are of one accord."

Later at 3:23 PM

Introduction

The following remarkable word from God is His response to my question on why bible genealogy is traced through the male, and why, for example, the genealogy of Jesus is traced through Joseph, His step father. I am astonished at this most remarkable word wherein God has used terminology that is found neither in the bible nor in any prior word given to me. Here is His answer:

"The reason man's genealogy is traced through the man (the male) is because in his sperm is the seed of man from whence comes procreation in the womb of woman.

"When man is involved in procreation in a fallen world – man, that is, man who is under the Adamic sin curse and sin nature – becomes a substitute for God, for it is God, Himself, who, through the Spirit, forms man (male and female) in the womb of woman.

"When both man and woman are God Incarnate, **it is God, Himself, through His Spirit, who makes the decision to become one in marriage for procreation.**

"Adam was made first. His wife was then made from his body and brought to him. For that reason, the bride is chosen for and is brought to the groom. The groom is not chosen for the bride; the bride is chosen for the groom.

"But in a fallen world, man, himself, makes the

decision to become one in marriage. He (man) therefore, assumes the position of God, Himself, as he (man) becomes one in marriage with his wife.

“It is for this reason that the man (the male), through whom conception is initiated, is considered to be the dominant one in the genealogy of man.

“For this reason, the genealogy of Jesus is traced through Joseph, who became a ‘stand-in’ or a ‘substitute’ for God in the conception of Jesus in Mary’s womb.

“Man – fallen man – is the dominant one in procreation because it is his sperm – his sperm as a substitute for the sperm (Spirit) of God through whom conception, then procreation is initiated in the womb of woman.

“Therefore, the genealogy of mankind is traced through the man (male), who, in a fallen world, becomes a substitute for God in the conception/procreation process of man.

“This is why the genealogy of Jesus is traced through Joseph, who was God’s substitute father for the son of man, who was the Son of God, and who became the Savior of mankind. To Him, and to Him alone, be praise, glory and honor for man’s salvation from the grip of a fallen Lucifer. For it was the Father’s inadvertent mistake in endowing Lucifer with all authority in heaven and earth, that literally drove Jesus to the cross.

“Yes, that is right. The Father’s inadvertent mistake literally drove Jesus to the cross. He didn’t want to go there – and did everything that He (Jesus) could do to avoid the agony of the cross, while the Father looked on in agonized grief and despair, over the result of His (the Father’s) terrible mistake in granting to Lucifer the irrevocable, immutable authority to rule heaven and earth eternally.

“Satan did not understand that God could take fallen man, and through an imperfect vessel, conquer one who was ordained by God (Lucifer) to rule heaven and earth eternally.

“For this reason, the name of Jesus is above all names, to include His Father, because the cross relieved Satan’s grip of the Father first and mankind second.

“It was the Father’s inadvertent mistake that drove Jesus to the cross.

“Therefore, the name of Jesus is above all names to include, yes, to include the Father first, and mankind second. To Him, therefore (to the Son), be glory, honor, praise, power, thanksgiving and worship forever. Amen.

“For God so loved the world that He gave.....’

“That is why Jesus repeated the words of the Father when He said, ‘Neither do I condemn you, go and sin no more.’

“The reason we should refrain from sin is not to be good or sinless before both God and man, but to keep ourselves pure **FOR GOD** – that is, for the intimate, personal, warm relationship with God, the Father, **for He will not become one with an impure vessel.** Good has no fellowship with evil. Light has no fellowship with darkness. Amen.”

Thursday, May 16, 2013

At 11:20 AM in McKinney for Dale’s therapy

“The reason I know the husband in My New First Family will always return to Me is because Jesus proved the validity of his call at the cross. Then is when I knew the Six Measure Standard was sufficient – and if sufficient for Jesus – likewise will it be sufficient for His back-up at the cross, and also will it be sufficient for the other twelve who have passed the same Six Measure Standard.

“I have also arranged for you to have sufficient time to write. Remember, you are doing that for Me. Those (as well as these) are My words. Remember, you are doing My writing.

“Yes, your (Our) writing will become a stand-alone sequel or an addition to the bible. In one sense, your writing will close out the church age and become the last written words I give to man, to finalize My time of writing.

“Your sequel to the bible will finalize the need for the written word.

“Once the two doors are opened to the restoration of **EVERYTHING** Eve and Adam lost through their sin, the written word will have served its purpose.

“My New First Eternal Family of two, then of three, will forever reestablish My rule on the earth. And that will be done by two, a man and a woman, who passed the same Six Measure Standard that Jesus passed, prior to His release into His visible ministry after John’s baptism.

“For that reason, the first two of My New First Eternal Family (and wife), as viewed from one perspective, have passed more stringent tests than Jesus passed, by becoming obedient to My Six Measure

Standard while living under the Adamic sin curse and sin nature. They, therefore, were delivered from the Adamic sin curse and sin nature **after** passing the Six Measure Standard, while Jesus began **without** the Adamic sin curse or sin nature, because the Holy Spirit instead of the sperm of man, fertilized the egg in Mary's womb.

"So you see, that is just one of the things that the thirteen will do that Jesus did not do.

"It had to be that way because I had to use man – the only material that I had available. Because Jesus confirmed the validity of the Six Measure Standard at the cross, I, the Father, knew I could train the thirteen of you, and then cleanse you retroactively to conception in your mother's womb by My Spirit.

"So this still leaves Jesus – this still makes Jesus – the pioneer of our faith and the hero – the leader – the redeemer – and the Savior of mankind. He paved the way and opened the door of salvation for everyone to walk through without the humiliation and the cruelty of the cross, because He did that for the husband in My New First Eternal Family, who was His back-up at the cross.

"So to Him – the Lord Jesus – be praise, glory, honor and thanksgiving throughout eternity.

"However, those two (husband and wife) have walked through the door that Jesus opened to also open two additional, very significant doors, to the complete restoration of mankind to become My New First Eternal Family and wife, on whom, at long last, I may lavish with My unbounding, limitless love and super abundance.

"My son, their super abundance will glorify Me and bring many into the kingdom of God Incarnation,¹ as I designed it originally under Lucifer's authority.

"Those three (to include their new Son) will spell the doom of Satan forever.

"That's why those two, then those three, will become the focal point of My super abundance world-wide for **EVERYONE** to see, for My glory.

"Since the failure of Lucifer, I have been without

¹"**The kingdom of God Incarnation**" is a new term God has not previously used in talking to me for more than forty-nine years. On Earth One for millennia, God's original kingdom was a kingdom of God Incarnate individuals. Therefore, the *kingdom of God Incarnation* must have been God's objective in the beginning. That objective will again be established by His New First Eternal Family soon to be released.

a cherished eternal wife for whom I could provide every need, want and desire in the super abundance of My love.

"For that reason, more wealth will flow into his (the husband's) hands than Solomon possessed. He and his activities world-wide will create awe, wonder, reverence, respect and honor as no man has done. I know he will give Me the honor for it all, so I look forward to all of this much more than he does, for it will content, satisfy and fulfill Me as Jehovah God, for the first time eternally

"For that reason, those two will be enshrined in the finally reconfigured Godhead, and those three, to include Jesus, will become My New Triumvirate. That will enlarge the finally reconfigured Godhead to a Pentarchy.

"So, all in all, My son, the husband in My New First Eternal Family has quite a future ahead of him. And believe that I have looked forward to this and will enjoy it more – much more – than he will.

"Yes, as you say, 'Good things are coming down the pike.' And it just so happens that he (the husband) will be leading the way – My way, that is.

"And yes, again, I will see to – I have already seen to – adequate time to publish a sufficiency of your journal after your release, as well as some time I will make available for you to do some writing after your release.

"Remember Moses. He did all of his writing after he became the pastor of that great multitude – the nation of Israel in the wilderness.

"In like manner, I have arranged for some time for you to write after your release."²

Saturday, May 18, 2013

"My son, your writing serves more than one purpose.

"First, it serves to proclaim who I am.

"I am not at all like what I have been painted to be, with the broad brush of the tongue of men, who now may read the bible in their own native language.

"Just as My visible ministry was cut short by the cross, so was the training of My first twelve.

"That is the reason for Paul. To some degree, I was able to train him, in a small inadequate way, to fill in some of the gaps – but certainly not all of them.

²I believe this is the first time God has revealed to me that after my release, He will set aside time for me to (1) "do some writing" and (2) "publish a sufficiency of my journal."

That's where you come in.

"Jesus was not a writer. Besides, if He had been, His ministry was so dominated by the cross, He would have had little time to write.

"Additionally, as you know, I was unable to tell Him very much about Myself until after the resurrection. That, however, was too late to leave a written record for man to read.

"Then, there is Myself. As you know, no one, and I mean, no one who has lived on the earth (Earth Two) since Adam, really knows who I am.

"It is true that Moses knew Me well, but he and I were busy getting a race of people divorced from Satan, and law was the only way that could be done.

"My rhema talk with Moses was similar to Our rhema talk, but I had to establish some basics through Moses that it was not expedient to go beyond at that time.

"Then came the cross and the twelve and then My call of Paul.

"Paul's main thrust was to help establish a fledgling church.

"Then, as you know, the availability of the written word to common man had to evolve over centuries. For example, it wasn't until the early seventeenth century that the King James bible became available to common man. Then the printing press further acted as My distribution medium for the bible.

"Now fast forward to today.

No one knows Me like you do. Even Jesus learned much of what I have taught you after His resurrection.

"As Paul's writing helped to establish the church age, so your writing will close the church age.

"When your writing is complete, the purpose of the written word will have been accomplished.

"My purpose from the beginning has been to replicate My Earth One model. A you know, My New First Eternal Family of two and then of three, will do that.

"When Satan sees their new God Incarnate Son, that will spell his doom, and he will know it. This will set the stage for his stepped-up activity in preparation for the Rapture, followed by the Tribulation.

"So, My son, you are the only man (the only one) alive who can proclaim to the world and to the church who I really am.

"I long for that day to come, for as it comes, My

New First family will be thrust upon the scene. Only then will I become content, satisfied and fulfilled as Jehovah God, for the first time since the failure of Lucifer. My New First Eternal Family, who will simultaneously become My first eternal wife, will give Me an opportunity to ply the husband and his new family with My unlimited, boundless love and abundance.

"Those two, My son, then those three, will allow Me as Jehovah God, to be fulfilled for the first time in many millennia. For that reason, they will have no need, want or desire, that will not be filled to overflowing.

"My abundance, demonstrated in the husband and in his new family, will allow Me to declare openly for all to see, who I really am.

"Those two, the husband and wife, will restore to mankind all blessings lost by the curses of Adam's sin.

"The cause of the curses pronounced on Eve, thence to all women, is: because she heeded the voice of Satan and his temptations, instead of My voice as confirmed to her by Adam, her husband.

"The curses pronounced on Eve, thence to all women, are:

(1) "Multiplied sorrow in her conception and pain in childbirth.

(2) "Her desire shall be for her husband, and

(3) "he shall rule over her.

"The cause of the curses pronounced on Adam, thence on all men, is: because he heeded the voice of his wife instead of My voice.

The curses pronounced on Adam, thence on all men, are:

(1) "The ground from which formerly came his abundance, is cursed.

(2) "Thorns and thistles shall come forth in the ground (in opposition to both the food chain and his sowing and reaping.)

(3) "In the place of his former abundance, by the sweat of his face, he shall eat bread (food) till he returns to the dust from which he came (which is the curse of death to all mankind).

"Through My New First Eternal Family and wife, all of these curses, including death, will be removed and to mankind will be restored the perfection of My eternal plan.

"My son, that is what both your writing and then the presence of the husband and his new wife, will reveal and will restore to mankind.

"My son, both you and the husband and his new

family will be the culmination of all of My plans since Lucifer's failure.

"Your writing will chronicle all of this – first prophetically – then followed by the fulfillment of your prophetic writing.

"That is why your writing will serve My final need for the written word of God.

"Your writing will foretell of the reestablishing of **My God Incarnate kingdom**, to content, satisfy and fulfill Me first, as Jehovah God, and secondly, to content, satisfy and fulfill My New First Eternal Family and wife, thrust into eternity.

"That, My son, is briefly what you and your prophetic writing will accomplish for Me.

"The remarkable thing to Me about all of this, is, that because you, and the husband and wife in My New First Eternal Family will have passed the Six Measure Standard, I know that I am secure in both you and their unquestioned faithfulness and fidelity to Me.

"Only at the judgment seat of Christ, My son, may I openly declare the way both you and My New First Family have blessed Me.

"There are some rewards for you and for My New First Family awaiting your and their arrival, that I will bestow personally, which will proclaim for all to see, both your and their blessings to Me."

Sunday, May 19, 2013

"Yes, yesterday's word (May 18) when transcribed, will be in one sense, unique to your writing."

Monday, May 20, 2013

"Yes, My son, the things I am teaching you are only one reason why I could not have given Paul the same teaching.

"For example, many of the things I am teaching you would not have been appropriate to teach Paul. His primary mission was to establish a fledgling church with a firm foundation.

"One, and only one, of your primary missions is to close the church age.

"So you two, you and Paul, both had essential but somewhat different missions to accomplish for Me."

Tuesday, May 21, 2013

"Yes, My son, this will be one of those days. Take care of the essentials, then come back to My work

is fine."³

Wednesday, May 22, 2013

"Yes, My son, it is truth that I give you My words which are word-pictures of Me, Jehovah God.

"And what you are writing and what you will do, will close the church age.

"And yes, you are right. Every devoted servant of Mine would like to exchange places with the husband in My New First Family. He will become more renown, more revered, more respected, more important and better known than any man, including Jesus, because of the restrictions placed on Him and His ministry.

"This descriptive statement of Jesus applies only to His restricted visible ministry, for after His resurrection, His preeminence is exceeded only by the Father.

"But yes, the husband will have ahead of him a career that will be unrivaled for eternity, with the exception of Jesus. That's why those two will make such a good team. And that is why those three will also make a good team.

"His new wife will provide a necessary feminine ingredient that will give excellence and balance to the new Triumvirate to form the new Pentarchy.

"Yes, no one, My son, has ever had the unrivaled future that lies ahead of him.

"And to top it all off, because at his release, I will be in him, guiding him in all of his ministry activities and decisions, all the stress will be removed from his shoulders and placed on Mine. This means at first he, then he and his new wife, will be able to enjoy to the full, all of his (their) activities of life.

"No one, then no two, then no three like their (Our) New Eternal Family has ever existed on the earth previously, nor shall ever exist on the earth in the future.

"He (the husband), those two and those three will accomplish so many things for Me, it is almost inconceivable. He will:

(1) "Become the leader/mentor of the other eleven men.

(2) "Become the wealthiest man on the earth.

³The reason I have included some of these "one sentence days" is to show you how God deals with one who has surrendered to His call, in this case to write a sequel to the bible. He allows for the necessary, mundane things to be accomplished in order to clear one's mind so as to be at ease and at peace in order to concentrate or focus on the main thing.

(3) “Become world-renown in seven ministries.

(4) “Along with his new wife, reverse the curses pronounced on Eve and Adam for eternity.

(5) “Along with his new wife, be at My side after the Rapture at every judgment.⁴

(6) “Along with his new wife and new God Incarnate Son, proclaim to the enemy and to the world, the doom of Satan.

(7) “Become My Chief of Staff during My reign from Jerusalem.

(8) “Provide the beginning treasury for My millennial reign from Jerusalem.

(9) “Along with his new wife, become members of My first and only Triumvirate headed by Jesus.

(10) “Along with his new wife, become enshrined in the finally reconfigured Godhead to make it a final Pentarchy.

“Then, as he is released and his ministries develop, he will become renown in all phases of the economy and of the God Incarnate kingdom and will be sought after for advice and counseling beyond any one who has lived on the earth, because of the perfection of his life in all areas.

“And, My son, the important thing to Me as the Father, is that I know of his trustworthiness and fidelity to Me because Jesus proved that at the cross. That’s why he is so important to Me, to the world, to the church and to his eternal family.

“He and Jesus have much in common that will bless many.

“There are other accomplishments ahead for him, that will become evident in the future.

“My son, just relax now, and write your way through your journals as far as you can go until the transition takes place. Then the real fun begins.”

Saturday, May 25, 2013

“Your problem will be fixed today, so give it to Me.

“My son, Oh My son, you have no idea of how this (writing through your notebooks – publishing your journal) will bless Me as Jehovah God. This will become an adjunct addition to your stand-alone sequel to the bible.

“As you write through your notebooks, you are going to find revelation you had forgotten.

⁴See Jim Ash letter No. 154, beginning on page 2, column 2, for “Eight Bible Judgments.”

“No one, including Jesus, My precious son, has ever been given revelation I have given you as My writer. Only after His resurrection did I give Jesus many of the things I have given you.

“Please remember, I have never had a writer to become God Incarnate before. While the main body of your revelation has already been given to you by faith, there are yet important things I will reveal to you to write.

“So all in all, none of My writers, to include Paul, have been given what I have given you. So as your computer problem is fixed, put your heart into your writing and **withhold nothing I have given you**. Discretion must be used in certain areas as you will fully understand.

“Now Mr. ‘More than Moses or Paul,’ how do you like that?”⁵

Sunday, May 26, 2013

“Yes, problems with your computer have been solved and you have missed nothing.

“Now, you can ‘let the good times roll’ as you begin your new writing assignment.

“Likewise, the husband in My New First Family is rapidly approaching his limitless, absolute ministries – seven in all. But that is not all.

“Then there is his transition, his new wife, marriage, and his new God Incarnate Son.

“Oh My son, My precious son, you have no idea how I have looked forward to today and to his release.

“Please realize that My New First Eternal Family and wife, followed by the birth of their God Incarnate Son, is what I have been working on for more millennia than you care to know.

“The bells are ringing in the third heaven to announce this exciting event.

“The birth of their new God Incarnate Son will announce to the world, to the church and to Satan, that what I began planning after Lucifer’s failure has finally arrived in its preparatory form.

“Only the resurrection of Jesus superceded the importance of the husband, his new wife and their new God Incarnate Son. That is why those three all have a unique place in history – in the three-world history – that is.

“As yet, the husband does not realize the importance of all of this, however I realize it is because

⁵God’s spontaneous ironic humor is something to behold.

of the way I have trained him. I have trained him so that his focus has been on Me in order to accomplish the next important event at hand. For that reason, for the reason that his focus has been on Me, he has not been impressed with what I have said to him and what I have trained him to become.

“My son, the One who spoke the universe into existence has been totally limited and totally defined by what I could do with and in the physical body of mankind.

“I have had to be limited within and governed by the physical body that comes forth from the womb of woman in order to defeat the most perfect and supernaturally endowed angel I have ever created.

“Look back over the stream of time, and you can see that I, Jehovah God, have been limited in what I could accomplish to defeat the enemy by the birth of a child from the womb of its mother.

“For that reason, the new wife in My New First Family will be revered to a greater extent than all women who have gone before her.

“Mary was not God Incarnate. Mary did not pass the same Six Measure Standard that the new wife in My New First Family passed while being in a world controlled by Satan – in plain open view for all to see.

“Mary did not give birth to a God Incarnate Son. Her son did become God Incarnate, but not from her womb.

“Only a God Incarnate woman, married to a God Incarnate man, may give birth to a God Incarnate Son. While it is true that Mary’s Son became God Incarnate after John’s baptism, the new Son in My New First Family will come forth from the womb as a God Incarnate infant.

“This neither distracts from the importance of Mary and the importance of her new Son, nor diminishes their importance, for they both were essential to begin My recovery from a total defeat by a fallen Lucifer.

“Mary and Jesus had to come first – a most important first in order for Jesus to emerge from her womb. The fruit of her womb is the salvation of man and the signal event of all times forever.

“Next in importance, however, is the husband and his new wife in My New First Family, followed by their new God Incarnate Son.

“My son, enjoy writing through your notebooks. You may now understand that all along, you have been writing a new ‘bible’ or a new sequel to the written

Word (the bible).

“By your detailed efforts over the past years and particularly since November of 2005, and of faithfully recording My words to you and transcribing them in semi-formal form, you have literally become My writer of the last written word of God for man.

“Your writing will close out the church age and introduce the defeat of Satan and the return of His Replacement, to bind him (Satan) for a thousand years as I, Myself, My friend, will literally govern the whole world from Jerusalem, Israel, with both the husband and his new wife in My New First Family, at My side, as the co-administrators of My world-wide administration.

“Both of them, at the side of the King, will lend visible confirmation of all administrative decrees as conferred to men and women alike from the beginning of the Millennium.

“While the husband, My son, will be the second of My one-of-a kinds, his wife will become My third one-of-a-kinds on the earth. But among women, even during her pre-rapture life, she will be admired and revered above all women by women of the world and in the church.

“She will become the stand-out example for all women, as Jesus became the stand-out example for all men, with the husband, My son, running a close second, since he was His back-up on the cross.

“So all in all, those three, as My New Triumvirate, will be showcased beyond all others who have loaned Me their bodies doing their lifetime, for the singular purpose: to defeat the enemy so Jesus could become his replacement in a way so as to completely befuddle and bewilder the enemy.⁶

“The husband and his new wife and Son will become My New First Eternal Family **AND** wife forever. That will signal to the heavenly hosts, to the world, and to the church, and to a fallen Lucifer, the complete defeat of the enemy for the first time, openly and publically for all to see.

“Realize that this has been My goal since long

⁶This is a remarkable sentence and paragraph enclosed in the red box. This is the first time I have ever heard the Lord mention that someone “loaned Him their body.” But that is exactly what those of us who are servants of the Lord do. We literally loan Him our body until he finishes the use thereof. Jesus loaned God His body which turned out to be for eternity. The Same holds true for God’s New First Family, for those two will become two parts of God’s New Triumvirate, thrust into eternity forever.

before My second beginning at Genesis 1:3, and that will give you some idea of its importance.

“Enjoy your new writing assignment as you begin writing through your notebooks continuing through Notebook No. 16, and thereafter, as time permits.

“My son, I have had this in mind all along. That is why you may write through your notebooks chronologically, as I have dictated the words to you. You will simply be publishing rhema words from Jim’s Journal as My final writing assignment for man.

“If you will look back over what I have done beginning with Adam, I have simply brought forth from the womb of women a physical body I could use to defeat our common foe.”

Monday, May 27, 2013

“You do not realize this in the same way that I do, but **EVERY DAY** brings you (Us) closer to that for which I have longed for many millennia.

“My precious son, I, Jehovah God, have not been Myself, have not been content, satisfied or fulfilled since the failure of Lucifer. That was several thousand years before My reconstruction began with Genesis 1:3.

“The reason for all of this lack in My life is because I live to love and to give. Without someone on whom I am free to lavish Myself with My love and super abundance, I am unfulfilled.

“The husband and his new wife, and yes, their new God Incarnate Son in My New First Family, will provide Me with a blessed opportunity for which I have longed for millennia.

“First, the husband, My son, was chosen as My back-up for Jesus on the cross. You have no idea of the depth of the meaning of that to Me. This means had Jesus failed as did Lucifer, he (the husband) would have been on the cross. Then he, himself, would have projected into the role Jesus has had for about two thousand years. That means more to Me and to Jesus than he (the husband) can know until after the Rapture.

“Then there is My call on his life,

“His seven ministries,

“His marriage, and

“His new God Incarnate Son.

“No one like him has ever been on the earth.

“Enough of that about him for now.

“Then there is his new wife. She will be exalted in the eyes of her beholders beyond that of Mary **because she has done** and **because she will do** things

beyond the accomplishments of Mary.

“Additionally, through a Son she shall bear, Satan will be defeated.

“Through her life, the curses pronounced against Eve, thence to all women, will be reversed forever.

“She will liberate women to become co-equal with their husband as Adam and Eve were before sin. For this reason alone, she will be lauded, revered, admired, loved and respected, even to the point of worship, which she will be well equipped to handle.

“Then as she gives birth to a God Incarnate Son, that will further exalt her in the eyes of every woman world-wide.

“Then being her husband is something else.

“She and her husband as a couple, as My New First Eternal Family and wife, will be thrust into eternity. The abundance I will shower upon those two and that I will prompt others to give them, will be unprecedented to include Solomon.

“This abundance alone will bring many to me in massive numbers.

“Then his new wife, as one who will sit by the side of Jesus (with her husband) on every judgment, followed by a prominent visible position in My millennial administration, will further exalt her.

“Both the husband and his new wife in My New First Eternal Family, will be quite a package.

“Then those two as a family and as parents of the first God Incarnate Son to be thrust into eternity as My New First Eternal Family and wife, makes those two, then those three, the most important occurrence in the kingdom since Jesus.

“So you see, the husband, his new wife and his new Son have been in My plans, and on My mind since far before the Genesis 1:3 new beginning.

“The only way I, as Jehovah God, may reveal to the husband the complete meaning of his importance to Me will be after the Rapture at the judgment seat of Christ.

“Only then may I reveal to him some surprises in store for the number two man in My kingdom.

“These words I have given to you this morning, My son, reveal only a small fraction of My gratitude for him and for the blessings I have in store for him.

“And all of this is only for starters.

“There is more, but enough for this morning.”

“But don’t forget, I am coming again. Stay ready!”
