Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Saturday, July 6, 2013

“Yes, My son, you have quite an array of My words collected in your twenty notebooks (now twenty-two) and counting.

“No one else, My son, has what I have given you. As I have said to you a number of times, you are My unique one-of-a-kind in a number of areas.

“When I release you (soon), you will begin to establish ministries for Me never before seen on this planet.

“When one stops to consider what I have planned for you to do as spiritual warfare against the enemy, all of which will glorify Me as Jehovah God, it is obvious that you will be admired, revered and held in awe by many, such as has never occurred on the earth.

“Then add to this the ability for that to become known and actually seen or viewed world-wide by television – there are hardly words to describe you and your activities, because I will be in you directing all of your activities with perfection.

“My son, you, as I have said before, will become My one-of-a-kind phenomenon on a scale never before seen on the earth.

“You will begin to see this to a greater extent as you write through your notebooks. You are going to find things I have said to you that you had forgotten, that will more clearly define your ministries – which will be quite an undertaking. Remember, you are writing a sequel to the bible.

“And yes, you will have simply at your requests, people like (name omitted¹) and others, who will gladly appear with you in ministry opportunities. They will bless you, but you likewise will bless them as well. **An endorsement by you will do wonders for others which will be one reason why I have called you.**

“My son, I want My blessings to flow through your hands such as never has happened before on the planet. You see, I want the world to know who I am

through your generosity, and don't forget – the blessings and assets under My control are without limit.

“My son, you will be able to give to your heart's content without limit. **Since My bountiful generosity and love will be manifested in your life, you will be free to do the same with others.**

“For God so loved the world that He gave,' is My trademark of life. **My son, I live to give because it makes Me feel good about Myself.** That way My blessings are passed on for others to see and to emulate.

“My son, I want others who may be seen, to emulate Me who may not be seen, or Who is invisible. That is why I live and that is the way I live – to bless others.

“Then, there is another one who is very special to Me: the husband and his new first eternal family. They will allow Me to be Myself for the first time in millennia. That's why he and his ministries will bless Me more than he may know until he is released.

“My son, he is hereby appointed as My representative to mankind to make Me known as I am eternally, for the first time on the earth.

“Yes, these things as you now know, are true.

“The husband and his (My) new eternal first family will become significant firsts, as Jesus was My first eternally begotten Son to serve My poor world.

“Jesus was and is the most important, while he (the husband) and his new first eternal family are a close second. Those three, My son, that is, the husband, his new wife and their new God Incarnate Son, will complete My restoration plan for man in plain open view for all the world to see.

“And that is why I and the heavenly hosts are all abuzz about him and his new first eternal family. Closely behind him in importance will be the other eleven celibate men, who will also become My God Incarnate apostles.

“These things, My son, and the events to follow, will allow Me to proceed on My pre-rapture plans, held in store for this time for millennia.

“Jesus opened the door through which both the husband and his new wife in my new first family will walk, to open two other doors through which other men and women may walk to Me, as Jehovah God, to the complete restoration of everything Adam and Eve lost through their failure.

“Therefore, there have been three doors opened for mankind. Jesus opened the first door through which one may walk to God. Then the husband and his new wife have walked through the same door Jesus opened (the Six Measure Standard door of celibacy), to open two more doors through which man and woman may walk, to the complete restoration of everything Adam and Eve forfeited through their failure.

“Then, having walked through the door opened by Jesus, those two have opened two other doors through which others may walk to the complete restoration of **EVERYTHING** Adam and Eve lost through their failure.

“Therefore, there are three doors that needed to be opened to restore mankind to God’s perfection.

“Then the birth of their new God Incarnate Son will spell the doom of Satan as I will become completely victorious over our common foe for the first time ever.”

Later at 10:09 AM (a supplement to the earlier entry)

“Jesus opened the door of celibacy (the Six Measure Standard) in order to open the door of salvation to mankind.

“Then the two members of God’s new first eternal family also opened the two doors of celibacy (the Six Measure Standard) for both man and woman alike, in order to open two other doors through which all who choose to do so may also walk. Those two doors are the doors of the restoration of **EVERYTHING** Adam and Eve lost through their failures.

“So Jesus opened two doors: the door of celibacy (the Six Measure Standard) and the door of salvation to all mankind.

“Likewise, the husband and the wife of God’s new first family walked through the two doors of celibacy (the Six Measure Standard) and salvation opened by Jesus, to also open two other doors – the two doors of the restoration of **EVERYTHING** Adam and Eve lost through their failures.

“In summary, Jesus opened the two most important doors: the door of celibacy through the Six

Measure Standard and the door of salvation.

“In a similar way, the husband and the wife of God’s new first eternal family walked through the door of celibacy and salvation opened by Jesus, to open two more doors – the two doors through which they walked and through which others may also walk: the two doors of the restoration of **EVERYTHING** Adam and Eve lost through their failures.

“Hence, by three people, four new doors have been opened to restore mankind to his original lofty position and condition.

“Then the birth of the new God Incarnate Son to God’s new first eternal family will open still a fifth door – the door of the final defeat of Satan and the final victory of Jehovah God over His nemesis: Satan, himself.

“Hence, five doors, opened by four people, were necessary for Jehovah God to emerge victorious over fallen Lucifer through the possibility of impossibility.”

“God, who is spirit, is unseen to the natural eye of man. God, therefore, must have a man or a woman who is visible, through whom to manifest Himself to the world.

“Until or unless God can find such a man or such a woman as a suitable vessel, He is unable to bring about His will on the earth.

“Therefore, God’s relationship with man is a co-dependency relationship. **God is dependent upon man and man is dependent upon God.**

“However, there are two parts to this equation. That is the positive part.

“The other part is the negative part under the control of Satan and his forces and his followers.

“Both sides have equal access to man.

“And therein lies the battle.

“Satan is out to seduce man into his evil ways, while God is out to counter Satan’s evil ways with an abundance of blessings.

“What God says is truth.

“What Satan says is a lie.

“The problem lies in man’s flesh. Satan’s appeal is to and through lust of the flesh, lust of the eyes and the pride of life, all of which appeal to the fleshly self of man to gratify his fleshly, selfish appetites.

“The gratification of Satan’s evil, lustful,

prideful temptations are more immediate than the gratification of God's blessings through love.

"God draws through His love, devoid of self, while Satan draws through lust, dependant upon the gratification of self.

"Self denied versus self fulfilled describes the war in progress – two supernatural powers warring against each other for the souls of men.

"That is why the thirteen God Incarnate apostles are so important to Jehovah God. Each one of the thirteen will speak and act as Jehovah God, with signs, wonders and miracles, to confirm their words and to affirm their authority.

"There is no greater calling by Jehovah God than the call to become a God Incarnate apostle in the few remaining years of this rapture generation. They represent God's final offensive against the enemy."

"Yes, what you are stepping into makes the operation of (name omitted)² (\$20 million annual TV cost) look small – even though that seems impossible now.

"But remember, I am the God of the impossible. And the commodity of your marketing program is the most precious – the most expensive product on the market.

"Yes, that is what you will be doing. Your marketing will be your writing and your several ministries, all being simultaneously conducted in the absolute for all the world to see.

"You see, My son, when I do the work, it takes all of the pressure off of you and places it on My shoulders. That's the blessing of the Listening Method.

"In the Pentecost Method, man does the work.

"In the Listening Method, I do the work.

"In the Pentecost Method I, Jehovah God, rest. That is My Sabbath rest.

"In the Listening Method, man rests. That's his Sabbath rest.

"Isn't that simple when seen by revelation?"

"That is what lies ahead of you, My son – unbelievable so-called 'success' while I do the work to produce the 'success.'

"Don't forget, one of the things Adam gave up was My super abundant, overflowing provision,

²The name omitted is that of a teacher, pastor and prophet of God who is highly visible in Christian television.

provided without limit at no effort whatsoever by Adam.

"That is what you are stepping into, in an economy entirely different from the economy in which Adam dwelt. But the principle is the same.

"In My economy, man (self) rests while I do the work.

"In man's economy, I, Jehovah God, rest, while man (self) does the work.

"Again, isn't that simple when seen by revelation?"

"That's what lies ahead for you – not in just one area, but in **EVERY AREA** of your many ministries.

"So patience with Me, My son. I am preparing you to be showcased to the world while I do the work.

"I am also preparing someone else for a major work.

"Don't forget – I have been denied the blessing of giving for millennia. Likewise, forget not that I am the Master giver, and the husband and his new first eternal family (My wife) will be the first opportunity I have had to give since Adam's failure.

"Add to that equation the fact that his residual wealth will be My beginning treasury at the beginning of the Millennium, and you get some idea of his accumulated wealth!

"Then remember, I have not been Myself for more millennia than you care to know. His (the husband's) new first eternal family will give Me the first opportunity to be Myself, and I exist to give.

"These things are real, My son, and he will be the focal point of My generosity and love.

"So get ready.

"I am excited for the first time in a long time – and this time, no death is involved – just joyful, jubilant life for Me, for him and for his new first family.

"Yes, all thirteen of you will be as though your new body had NEVER previously lived. Each of you will be My virgins dedicated solely to Me – for Me – to bless Me.

"You will learn more of that as We move nearer to your release Day of the Lord.

"Each of the thirteen will be as Adam and Eve were when they were formed in the garden of Eden – new, perfect bodies, indwelt by the perfect Godhead bodily to content, satisfy and fulfill Myself first, and secondly, to content, satisfy and fulfill the thirteen without measure, to exist for both My and their pleasure and enjoyment.

“Nothing like My thirteen or like My new first family has ever existed on the earth. That’s why they are called My new first eternal family and wife.

“More of that later – but enough for now.”

“Yes, My son, celibacy is an important subject that should be treated in your writing, either as a stand-alone subject, or developed into one of your letters.³

“Celibacy is important in the church – in the priesthood as a reality – but not a necessity in the priesthood.

“One must be called to become celibate.

“Everyone who by faith conforms to the Six Measure Standard, takes the vow of celibacy unknowingly.

“You, yourself, took a vow of celibacy to Me early one morning after you had taken communion in your breakfast room, while Dale was asleep.

“The vow of unencumbrance is a vow of celibacy.

“To be unencumbered, or to become totally devoid of, or to be totally severed from, all worldly and fleshly ties – that is a definition of celibacy to serve Me.

“To become celibate is to be unencumbered to serve Me.

“To become unencumbered is to be celibate to serve Me.

“One must be called and chosen to become unencumbered or to become celibate to serve Me.

“This does not negate or divorce one from the married life. It merely defines one who is called and chosen to separate himself solely to Me.

“Jesus was celibate.

“Paul was celibate.⁴

“The other disciples were not called or chosen to be celibate because they were chosen and trained under the law. Only after the Pentecost experience was celibacy a consideration.

“The apostles who were married had a wife because they were called and chosen under the law. Paul was chosen after the law had been fulfilled and more than thirty years after the Pentecost experience

in Jerusalem.”

“Yes, and I – that is, We – are on course. Continue your prayers for Dale. Your writing is looking good.”

Later at 10:56 AM

“The failure of Adam and Eve dictated the need for a Savior. A Savior, therefore, had to come forth so as to provide an avenue through which the failures of Adam and Eve could be rectified.

“Through the cross and the resurrection, therefore, provision was made to restore **EVERYTHING** Adam and Eve lost through their sin.

“A bloodline was necessary to provide a Savior. But that Savior also provided the avenue through which still another bloodline – a spiritual bloodline – could be established through which the failures of both Adam and Eve could be rectified.

“The most basic rectification to restore man was the cross and the resurrection. That rectification also made preparation for the restoration of man to his original lofty estate in the garden of Eden, which is the purpose of God’s new first eternal family and wife.

“Because God’s new first eternal family will restore everything Adam and Eve lost through their sin, that new first eternal family will bring forth that restoration by assuming the same position in principle that Adam and Eve had originally.

“God’s new first eternal family will establish a new bloodline – not a physical bloodline, *but a spiritual bloodline*, since the physical precedes the spiritual.

“This explains, in brief, the new spiritual bloodline that God’s new first eternal family will establish forever, when they are released as God Incarnate apostles, and come together as husband and wife. They will then be as Adam and Eve would have been had they not sinned.

“There were no offspring of Adam and Eve before they sinned. Otherwise their offspring would have been God Incarnate to live forever.

“Therefore, God’s new first eternal family and wife will establish ***the final spiritual bloodline*** through whom and through which God will restore **EVERYTHING** Adam and Eve lost through their sin.

“The flesh first; the spirit second, is God’s rule.

“The fleshly bloodline first; the spiritual bloodline second.

“The appearance of God’s first two new God Incarnate apostles, when they become one in marriage, will announce to the world and to the church, the restoration of **EVERYTHING** Adam and Eve lost through their sin. Then the birth of their new God Incarnate Son will announce to the world and to the church that God has been victorious over the evil world of the enemy, that began in the garden of Eden.

“Until Adam and Eve failed, there was no need for a new bloodline beginning with Abraham. That physical bloodline brought forth the physical Savior.

“Through that physical Savior, the spiritual bloodline will come forth through God’s new first eternal family as God’s final victory over the enemy, all of which was necessitated by Adam’s failure in the garden of Eden.

“The failure of the first Adam necessitated the appearance of the second Man as the last Adam.

“The appearance of the last Adam provided the entrance of God’s new first eternal family as a spiritual bloodline to forever restore **EVERYTHING** Adam and Eve lost through their transgression.

“Jesus – the physical first.

“God’s new first eternal family – the spiritual – second.

“This is why God’s new first eternal family will be enthroned forever in the finally reconfigured Godhead, second only to Jesus.

“Jesus – the physical first.

“God’s new first family – the spiritual second.

“God’s new first eternal family as the last ‘Adam and Eve,’ will restore everything the first Adam and Eve lost through their sin.

“As Jesus was the last Adam, so God’s new first eternal family will become the last ‘Adam and Eve.’

The physical first; the spiritual second.”

Later that day

“There is more significance to God’s new first eternal family than meets the eye.

“God’s first new family was the first man and the first woman formed on Earth One. God’s method of the creation of man was forever established on Earth One, because Earth One was God’s perfect model.

“Because Earth One, its inhabitants and Lucifer as its ruler, were created to last forever, God’s method

of the creation of man was forever established on Earth One.

“God’s new first family on Earth One began with the first man formed from the dust of the ground. God then breathed into his nostrils and man became a living soul.

“God then took substance from His first man from which to form the first woman. Both were created in God’s likeness and in His image, meaning both were God Incarnate.

“God’s new first family on Earth One were the source of everyone who lived on Earth One. Since there was originally no sin or death on Earth One for millennia, the population grew rapidly until Lucifer failed.

“Adam and Eve on Earth Two were God’s second new first family until they failed.

“Now we come to God’s new *first eternal* family and wife, who are the first two God incarnate apostles soon to be released. **Those two, of necessity, will be replicas of the first man and the first woman on Earth One, as well as replicas of Adam and Eve on Earth Two, because of God’s immutable words of creation on Earth One.**

“Therefore, when God’s new first eternal family is released as God Incarnate apostles, as they become one in marriage, they will become replicas of God’s first new family on Earth one and Adam and Eve before they sinned on Earth Two.

They will become God’s new spiritual bloodline to establish the economy of God on the earth forever.

“Those two will become as Adam and Eve were if they had not sinned.

“For the first time ever, God’s new first eternal family will become the beginning of His kingdom on the earth. **They will be replicas of residents of the New Jerusalem.**”

Later at McKinney at 1:56 PM

(with Dale in physical therapy)

“In the beginning on Earth One, it was God’s spirit first, then the first physical man. God was a Father first when He created man in whom He wished to dwell in His fullness as God’s wife, wherein both God and man would simultaneously be contented, satisfied and fulfilled.

“As Adam was incomplete without a wife, so

Jehovah God is incomplete without a wife.

“So, in the beginning on Earth One, it was the spirit first (the Godhead bodily), then the physical (man) to content, satisfy and fulfill Jehovah God.

“Then came Lucifer’s failure.

“In God’s attempt to rectify His mistake in Lucifer, He formed Adam and Eve in the garden of Eden on Earth Two, knowing full well they would fail.⁵ But in order to rectify His mistake through fallen man, He had to start with a man who failed. Through the flesh of man, God had to devise a plan to restore fallen man.

“That flesh came through Abraham and Isaac to establish a bloodline. It was Isaac, then Jacob who became Israel, through whom would come Man in the flesh who would atone for the sin of the first Adam.

“Through that Man, the last Adam, sin was dealt with forever on the cross. Through His resurrection, eternal life was restored to man forever. That was God’s important first door of the restoration of man to his original state.

“But since it is the flesh first, then the spirit, the flesh of God’s sacrifice on the cross was essential to bring forth the spirit through His new first eternal family, who will restore everything Adam and Eve lost by their transgression.

“From the beginning, **AFTER** God’s first attempt to establish life on Earth One eternally failed, His plan has been to restore and reestablish life on His earth according to His first Earth One model.

“The New Jerusalem will be that second model.

“So it was in the beginning on Earth One, that God, the spirit Being, was first, and man, the physical being, was second.

“But since God’s first attempt failed, His third attempt through His new first eternal family, will succeed.

“In the beginning on Earth One it was the spirit first, then the physical.

“But because of God’s failure through Lucifer

⁵The reason God knew they would fail is because they were trained with the Three Measure Standard, with which both Lucifer and man on Earth One were trained. That proved inadequate with the failure of both Lucifer and man on Earth One. Since fallen Lucifer had the legal right to be in the garden of Eden, God knew that both Eve and Adam, like man on Earth One, would succumb to the evil trickery of fallen Lucifer, who learned how to seduce man on Earth One.

and man, His restoration plan must of necessity be the physical, then the spiritual. It has always been that way since God’s first failure through Lucifer and man on Earth One, and through the failure of Adam and Eve on earth Two.

“First it was the spirit (God), then the physical (man) on Earth One.

“Secondly, it was the physical (Jesus), then the spiritual, in God’s new first eternal family.

“The spirit first, the physical second.

“God’s final restorative victory over the enemy will be His new first eternal family, who, as spiritual God Incarnate beings, will restore forever God’s plan for man.

“God (spirit) first, then man (flesh) second on Earth One.

Jacob (flesh) first, then Isaac (spirit) second, on Earth Two after Noah’s flood.

“Ishmael (flesh) first, then Isaac (spirit) second.

“Jesus (flesh) first, then God’s new first eternal family (spirit) second.

“God (spirit) first, then man (Adam/flesh) second.

“Man (Jesus/flesh) first, then God’s new first eternal family (spirit) second.”

“Your getting your journal transcribed accurately will allow you now to work on letter No. 172 – which will be another good one. Your writing is in good condition. Isn’t it interesting to go back and review My words to you in the past – in this case, two years ago?

“My son, I am always exciting, which reflects My heart. I am literally more excited about the release of the husband and his new wife in My new first family, followed by the release of the other eleven, than I believe I have ever been.

“My son, My son, realize what this means to Me as Jehovah God. **Nothing like you thirteen have ever come forth before.** And to consider the total implication of the release of the husband in My new first family, has Me almost ‘beside Myself.’ You know, I can actually do that!!! (little humor here)

“Then to consider the release of the first two, who will become My first new eternal family **AND** wife, makes Me jubilant.

“Only at the judgment seat of Christ, will the husband know what he **AND** his new wife **AND** their

new God Incarnate Son mean to Me. My love for Him, which abounds to overflowing, will become manifested to the full as those two are released.

“As you say -- ‘Good times ahead.’

“My son, after only a very, very brief transition period, I want you to turn loose of all responsibility – give it all to Me so you can enjoy to the full, everything that lies before you. Do this for Me.”

Sunday, July 21, 2013

“Had I looked at your developing ministries in the usual way, you could have already been at your calling and election. But I looked at it differently.

“You were so open to teaching and so zealous for knowledge, I would have denied Myself of a future spiritual giant, to have acted any other way than the path I have chosen for you.

“No one, My son, in today’s world, even approaches your zeal for Me and for rhema words from My mouth.

“My son, you have sought the best – you have sought Me from the beginning, although unknowingly in the beginning.

“I saw your heart and responded accordingly to your heart.

“Count these days as blessed days of preparation, even though your strength and energy may dictate otherwise. Soon I will be in you in all the fullness thereof, when most of the sacrifice prior to your release will seem less important.

“My son, I, the Lord Jesus, experienced the same agonizing delay into My ministry as well. I thought the father would **NEVER** release Me, to the point of frustration and desperation – more than once.

“You see, because I was formed in Mary’s womb beyond the Adamic sin curse, I was filled with My Father’s Spirit at conception. Being Spirit filled from birth is a blessing. But being Spirit formed and Spirit filled **FROM CONCEPTION** is somewhat different. Being Spirit formed and Spirit filled from conception allows the formation of that infant to be perfect in all ways, freed from the wiles of the enemy completely, provided that occurs in the womb of a virgin woman who has been kept pure.

“My son, a young virgin woman reared in a loving home, who keeps herself pure for My sake and for the sake of her future husband, is a blessing to Me.

“Woman, My son, was and is My chosen vessel

to procreate the human race and is special to Me.

“But back to the beginning: One Spirit formed and Spirit filled from conception allows that child to be teachable at an early age. This is why at twelve years of age, My questions to the Jewish rabbis at the Temple were startling to them.

“But they were not startled by Me, they were startled by what the Father was able to teach me at a very early age.

“The firstborn is important to Me.

“I was Mary’s firstborn and the only one on Earth Two or Earth Three who was Spirit filled and Spirit formed at conception.

“Since I, as Jesus, had a perfect Father and since My mother was a pure young virgin woman, I was both conceived and formed with attributes no infant possessed after Lucifer’s failure.

“My son, where We are headed is to bring forth the other part of the equation. I, as Jesus, had a perfect Father, but a pure mother **born with the Adamic sin curse and sin nature.**

“This means that I, Jesus, was conceived – was formed in the womb and birthed with only fifty percent of God’s perfection.

“This is why the birth of the new God Incarnate Son (to My new first eternal family) is, or will be, such a celebrated event. **His birth as a God Incarnate Son, will fulfill the total formation equation of God.**

“Spirit formed and Spirit filled from conception, yes! But that was only fifty percent of the equation!

“So when both the husband and his new wife, as God Incarnate servants of Mine, come together as one in marriage, this will be the one event that will fulfill My plans as set forth and foreordained before My Genesis 1:3 new beginning.

“Jesus provided the most important and the most expensive part of the restoration equation.

“The husband and his new wife in My new first family, will provide the other part of the equation to bring forth from two perfect God Incarnate servants, a perfect God Incarnate Son.

“To be Spirit formed and Spirit filled in the womb is the first and the most important blessing.

“That paved the way for a child to be Godhead-formed and Godhead-filled from conception in the womb. Such a birth was the way of procreation in the beginning on Earth One. The husband and his new wife, My son, will fulfill My dreams first when I release

both of them into ministry as God Incarnate servants. Secondly, when those two are married, they will provide for Me an eternal first family and wife for whom I have longed. And thirdly, the birth of their new, eternal, Godhead-formed and Godhead-filled God Incarnate Son, will spell the doom of Satan **FOR THE FIRST TIME EVER.**

“My son, the accomplishments I have just outlined to you will cause more rejoicing and jubilation in the third heaven, since the coming of and the birth of the visible ministry of Jesus.

“The part of My only begotten Son is the most important and the most costly.

“His part opened the way for the part provided by the husband and his new wife and their new God Incarnate, Godhead-conceived and Godhead-formed Son.

“Their (Our – My) new God Incarnate Son, My son, will touch off a celebration world-wide and heaven-wide among the heavenly hosts, second only to that of the coming of Jesus.

“He was first.

“The husband is second.

“His new wife is third.

“Their new Son is fourth.

“Now, isn’t that simple or simplified by revelation?

“Good times ahead, My son.

“Jesus was Spirit formed and Spirit filled from conception in Mary’s womb.

“The new Son in My new first eternal family will be Godhead-formed and Godhead-filled from conception in the womb of His mother.

“Being Spirit formed and Spirit filled from conception, is a requirement in order to become Godhead-formed and Godhead-filled from conception, in a world ruled by Satan. **But once that birth barrier is broken by God’s new first eternal family and wife, others may follow.**

“Jesus and God’s new first eternal family and wife have opened the five doors of restoration to mankind.

“The two doors opened by Jesus:

(1) “Through the cross, He atoned for the sin of *mankind* forever.

(2) “Through His resurrection, He restored eternal life to all mankind forever.

“The three doors opened by God’s new eternal family and wife:

(1) “The restoration by God’s first new God Incarnate woman apostle of everything Eve lost through her transgression.

(2) “The restoration by God’s first new God Incarnate man apostle of everything Adam lost through his sin.

(3) “The birth to God’s new first eternal family and wife of the first eternal God Incarnate Son, whose arrival will announce to the world God’s eternal victory over a fallen Lucifer.”

Tuesday, July 23, 2013

“Yes, My son, it is true. The husband and his new first eternal family and wife of God, will establish forever a new bloodline. A spiritual bloodline through him, his new wife and their new Son, all three of whom are God Incarnate.

“One who is God Incarnate today is Godhead-filled eternally, meaning enclosed within that one’s body is God, the Father, God, the Son (*inclusive of the eternal Word*), and God, the Holy Spirit.

“The reason this is a new bloodline is that a bloodline is first established by the God Incarnate man whose seed is in himself. When that seed fertilizes the egg in a God Incarnate woman from whom is born a God Incarnate Son, **that new spiritual bloodline is forever established.**

“The physical is first; the spiritual is second.

“The physical bloodline of Israel, or of the Hebrew nation, was established by faith when God called Abram and promised him a son. That faith became fact in Isaac who was born when Abraham was one hundred years old and Sarah was ninety.

“The eternal spiritual bloodline will be established by God’s new first eternal family when, by faith, they produce a God Incarnate Son. The birth of that Son will establish God’s new spiritual bloodline because both parents were first cleansed by the Spirit back to conception in the womb. This act by the Spirit eliminated the Adamic sin curse and sin nature from their lives in preparation to become God Incarnate.

“The birth of their firstborn Son will establish a new spiritual bloodline in the same way that Abraham and Sarah established a new physical bloodline.

“The physical bloodline of Abraham and Sarah was first. The spiritual bloodline of God’s new first

eternal family is second.

“God’s law is the physical first; the spiritual second.

“The spiritual bloodline was begun by Jesus, who was the first Man who was born of the Spirit without the Adamic sin curse of sin nature. It was Jesus who opened two doors through which God’s new first eternal family walked to open still three more doors to establish God’s new first eternal spiritual bloodline through their firstborn God Incarnate Son.

“Isaac was firstborn.

“The blood type is determined by both parents. When both parents today are God Incarnate, the blood type will establish a spiritual bloodline forever.

“X chromosomes from the female.

“Y chromosomes from the male.

“My son, a prophet is one who announces, proclaims, foretells or declares an event that will take place or occur in the future.

“My son, you are My end-time prophet. You are also My end-time writer of a sequel to the bible.

“Look at My words to you. Most everything I say to you now is prophetic of the future or of future events.

“My son, I know the future, and I tell you what I know by words from My mouth. Isn’t that simple?

“This is why the most important thing you have to teach is to learn to listen to My voice daily and become obedient and faithful thereunto, for thusly you are fulfilled. **My son, there is no other way.**

“And yes, I have overloaded you with My words, but only because of the aggressiveness in your faith walk with Me. The overload has at times caused you to overlook a few of My instructions, but this will be corrected as you write through or publish your journal (notebooks). I have been responsible, at least partially, for the few overlooked items because of your insatiable appetite for words from My mouth, and because of your meticulous desire to know about every facet of your several ministries. **That is the mark of excellence, but it also has prolonged your training time.**

“None of this is rebuke, but simple truth from My mouth.

“My son, only eternity will fully disclose the importance and the significance of My call on your life. So hang in there with Me! We are on a real journey **NEVER** before traveled – which leads to Me.

“Need I say more?”

“My son, **EVERY MAJOR WORK** I have assigned to man has required more time than each one has desired. But do not become too resentful of Me before you come to your release.

“I, Myself, for example, as Jehovah God, have had the longest wait. You would not believe the anger, the grief, the resentment, the disappointment I struggled through after Lucifer failed Me, and before I began My reconstruction project as revealed beginning with Genesis 1:3. Only as I came to grips with Myself and what I had done **TO MYSELF**, and to My creation, was I able to begin the abnormally long trek of planning My way out of My mess. Yes, that is what is was, as I have said to you before. **IT WAS MY MESS!**

“Only after that abnormally long planning session was I able to begin again at Genesis 1:3.

Couple those **TWO** abnormally long periods of time with the approximate 6000 years from Adam to today, and you have some idea of how long I have waited and how patient I, as Jehovah God, have been.

“Add together all of the three abnormally long periods of time I have waited for today and you have some idea of how My patience has been tried.

“From Lucifer’s failure to today has been My incubation period for you thirteen God Incarnate apostles.

“I called Abram when he was seventy-five years old. Isaac was born when Abraham was one hundred years old and Sarah was ninety.

Moses was ready to take the leadership out of My hands at forty years of age. I had to mellow him for forty more years before he was ready.

“Jesus thought I would **NEVER** release Him into His visible ministry. Time and time again He was ready for Me to release Him, only to arrive at disappointment over My delayed response. But finally, in the fullness of time, I was able to release Him, and only after He had been released for a period of time, was He able to accept and understand My delayed release into His visible ministry.

“Now, We come to the thirteen of you. The end of the year, 2014, will mark the beginning of your transition into the greatest ministry assigned to any man, not the most important ministry, for the ministry of Jesus was the most important, but the greatest ministry activities. Nothing, My son, will rival what I have planned for and what I have assigned to you.

“Your ministry activity will break the mold for servanthood in the kingdom.

“Need I say more?”

Wednesday, July 24, 2013

“Yes, My son, you are correct. In order for My new first eternal family and wife to spell the doom of Satan, their first (and only) born must be a male child, for the sperm of man contains the seed of procreation. Procreation comes through the woman, but the seed from which procreation comes is in the male sperm.

“Now you have the complete picture. The birth of the male God Incarnate child to My first eternal family and wife, will spell the doom of Satan, and for the first time since the failure of Lucifer, My victory over him will become known publically. The birth of a God Incarnate daughter would not perpetuate the bloodline, which requires the sperm of a male.

“Now you know – now you may realize how long I have waited for the husband, for his new wife, and for their new Son. And you likewise may reflect on the fact that it is through man – through fallen man – that I have had to devise a way to restore man to his lofty place in My kingdom.

“Yes, My son, many of those who are chosen to assist Me along the way had no idea of My final objective, but they were willing to assist Me in the way for which they were chosen. On those servants were placed great responsibility unknowingly. When they served Me fruitfully and unknowingly, they were becoming an important piece of the puzzle – an important link in the human chain, to become the final victory over Satan.

“Those precious souls served Me fruitfully, but without knowing their ultimate contribution to Me and to the kingdom.

“But, My son, the husband in My new first eternal family, is different from all the many fruitful servants of Mine down through the ages. He knows the part he will play or contribute to My final victory over Our common foe. His deed, My son, will fertilize the egg in the womb of his new God Incarnate apostle wife, to produce ***My first eternal Grandson***, the birth of whom will spell the doom of Our common foe.

“This is why, My precious son, his coming marriage will be a widely celebrated event, and those two will receive many gifts. But an even greater celebration will follow the announcement at the birth of their (My – Our) new God Incarnate Son. That will

touch off a celebration in the third heaven and on the earth, unlike any birth has done previously, including that of Jesus, because the cross and its purpose shrouded in secrecy the real reason for His birth.

“So, My son, get ready. We have many things to celebrate today. And the husband in My new first eternal family will be the center attraction, and the one on whom My mantle will fall for greatness in the kingdom. He will be second only to Jesus, then followed closely to that second only to Jesus is his new beautiful, voluptuous wife, third only to Jesus.

“My son, he will need to live what I have planned for him, to even begin to understand the significance of his calling and election.

“He and his new wife are in for quite a ride! So the watchword is, get ready – stay ready – as I said to Paul Crouch, Sr.”

“Yes, My son, the remarkable revelation I gave you from July 17 through July 24, 2013, is unique. Never have I previously given such revelation to anyone.

“The reason I have been able to do this is because you are the central participant – the central servant in that human chain of events.

“Yes, that’s what it is – a human chain. You are now able to see the chain of human events required to right the wrongs I committed when I placed in Lucifer the authority to rule the earth. Since he ruined My earth through man whom he defiled, it became fallen man through whom I had to restore man to his lofty estate.

“The husband in My new first eternal family, My son, is the **FINAL LINK** in the human chain of events over these six thousand years, through whom will come the victory over a fallen Lucifer. You see now how I have literally had to use fallen man as a continuous physical chain, from Adam to him (the husband), to finally defeat Our common foe.

“And yes, at first it seems that I may have used a chain of human beings ruthlessly to restore My mistakes. But I **NEVER** looked at it that way. What I ‘saw’ in My planning before I began with Genesis 1:3, was a way to restore man to his lofty position the only

way available to Me. And that was done or initiated by My love for man, not to ruthlessly use man as My pawns.

“Remember, ‘For God so loved the world.....’

“The world is the domain of Satan, over which he rules by his deceitful three-fold way, to lure man into his snare. It was My love for man that has prompted all of My activities since Adam’s failure.

“Using man as My pawn is the worldly view of My activities. Allowing man to assist Me to redeem him from absolute disaster and destruction, prompted by My love, is the kingdom view of My use of man.

“And realize, I have lured man to redeem himself with My love – never by anything else. Each time I called a man to become part of the human chain of redemption, it was eternity that I had in mind. And **EACH ONE** I have chosen to use, responded to Me willingly and knowingly, while realizing that he was doing My will for his life.

“My will for man is to love him into submission in preparation for eternity – an eternity wherein each one chosen to assist Me along the way, will be rewarded beyond his fondest dreams.

“And lastly, My son, the only way man may be content, satisfied and fulfilled is by assisting Me to restore him to his lofty platform, as My beloved family and wife for eternity.

“And remember, I am a bountiful giver, whereas Satan is a bountiful taker – a destroyer of human life. All of My efforts, beginning with Genesis 1:3, have been to place man once more on the lofty plane of My creation, that My love affair with My first love may be reinstated in all of its glory and fulness thereof.

“You will begin to see the fruit of My labors as I release the husband **AND** his new beautiful wife in My new first eternal family. Only as he experiences My bountiful desire to give to My restored beloved family and wife, will he begin to understand My choosing the human chain of willing servants, to participate in the greatest love affair, acted out on the earth in real time to My utmost joy and pleasure, so as to bless My family and wife beyond her fondest expectations.

“Now, My son, this should satisfy the ill-founded, preconceived notions you thought of that are of the world. Take this not as rebuke, but as the answer to all of those who are tempted to follow after the ways of Satan. His lie to his followers is that I have used man as My pawns. That is why I have given you this – My

answer.”

Monday, July 29, 2013

Yes, My son, you have ‘seen’ correctly. You have ‘seen’ the chain of human beings or the chain of human events through which I, as Jehovah God, have worked through to get to you.

To become unencumbered is to become celibate to serve Me.

“One must become unencumbered (or celibate) in order to become God Incarnate.

“Then as one becomes unencumbered, or is willing to become celibate to serve Me as Jehovah God, I can use that one as I see fit.

“Should I desire that one to become God Incarnate, as I have prepared the thirteen to be, is the first step.

“I have been saying to you for years, that as you become God Incarnate, you will become Me.

“Now, I have taken the next step in you. You now have ‘seen’ the advantage of becoming Me – that is, to be able to be, and to do what I do, as Jehovah God, and what I have done in My pre-existent existence or in My pre-creation existence.⁶

“It is My desire to bless man – to give to man with My super abundant desire to bless.

“My son, you have become Me – you have had the genuine desire to be Me – to become Me **BEFORE** you become God Incarnate. This means that you are ready to become Me – to become infused with all the fullness of the Godhead bodily or to become God Incarnate.

“That, My son, is where I have been going with you since I first began to train you.

“Now you are ready for the next step.

“Are you ready to become Me?”

“Are you ready to become God Incarnate?”

My reply:

“Yes, Lord, I am ready. Proceed to infuse Me with Yourself – with the fullness of the Godhead bodily.”

God’s response:

“The term “pre-existent existence” or “pre-creation existence” are new terms. This refers to God’s existence **before He created anything** when the original Trinity was God, the Word and the Spirit.

“Now – you, My son, are ready, and I am ready for your infusion of Myself in the fullness thereof.

“Now, My precious son, all it takes is for Me to establish the fullness of time, and you are ready.

“My son, you now know more than Jesus knew before He became God Incarnate.

“You are ready to become Me.

“Henceforth, just stay focused on Me so I may act when the time is right.

“This very moment is what I have been planning for from the beginning when I formed you in the womb.

“Now you may see, in retrospect, My chain of human beings or My chain of human events that I have seen from the beginning of My planning, to take back from a fallen Lucifer what he stole from Me.

“And you now are able to objectively see both ‘how’ and ‘that’ I must reclaim fallen man through man who fell under Lucifer’s cunning, evil temptations.

“My son, Jesus **AND** you are what Lucifer did not think I could do.

“Now you may better understand My patience.

“I knew from the beginning that I would have failures. But I also knew eventually I would find a man or men I could use to defeat our common foe.

“Yes, I did not plan for My chosen men to fail, but I knew when I had a failure, I would simply need to start all over again.

“All of this, My son, has been done because of My love for man.

“And yes, I have always had to start with man, or with a man in whom is the ‘seed’ of mankind, but, as you know, I made man dependant upon woman for procreation. **That is why I made man attracted to woman and woman attracted to man.**

“That was required in order for procreation to be continuous.

“Now, as you say, the ball is in My court. And I am a pretty good ball handler. I can keep it and use it or I can pass it off. What I enjoy most is passing the ball – in this case passing it off to you.

“You are next.

“Stay tuned.

“So you see, My son, I can minister to you in the midst of crisis. (*Dale is in the hospital.*)

Later at 9:23 AM

“When you become God Incarnate, you become God, not in a literal sense, but in a spiritual sense. One who is Spirit filled may be guided or directed by the

Holy Spirit who has no authority of His own, but speaks what He hears from God.

“Then when one becomes God Incarnate, instead of the Spirit guiding or directing that one, he is guided and directed by the fullness of the Godhead bodily within him.

“At Spirit baptism, the Person of the Holy Spirit enters an unclean body in order to clean it up. Then when directed by the Spirit to be cleansed back to conception in the womb, one is prepared for the entrance of the Godhead to become God Incarnate.

“Then the spirit of that person and the Person of God will become One, as Jesus became One with the Word spiritually, when Jesus was resurrected.

“Therefore, when one becomes God Incarnate, everything that person does will seem to be just as natural as before, except He will be supernatural instead of natural in all He does.

“It’s easy. The Person of God (spirit) becomes One with the spirit of man. That’s the adjustment which will be like Spirit baptism in principle, except the Person of God, as a spirit Being, will become One with man’s spirit.

“Thereafter, everything one does will seem to be just as easy and natural as before, except that One will be supernatural as God is supernatural.

“That’s really what it amounts to.

“It’s like Holy Spirit baptism, but without all doubt.

“Yes, My son, I am having you to write this so it may be shared with those you teach, to reduce the learning curve.

“In addition, My son, you will be able to supernaturally shorten the learning curve by the authority within you as you see the expediency to do so.

“So all in all, you will be able to assist those to help you as they are ready and their heart is receptive.

You will be quite a package.

“You will be able to know these things in the absolute, which will be a great expedient advantage ***in everything you do.***

“And don’t forget, every day that passes diminishes the time remaining until I catch you up to Myself, to be with Me for ever and ever. Get ready, stay ready, for My joyful coming will be when you expect it not, says the Lord.”
