: Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Thursday, August 8, 2013

"If you confess with your mouth the Lord Jesus and believe in your heart God raised Him from the dead, you will be saved, for with the heart one believes unto righteousness and with the mouth confession is made unto salvation.

"That's the way words from your mouth may bless you. But that is not the only way the mouth affects you.

"If you confess with your mouth the work of the enemy and believe in your heart his works, you will create ill affects in your physical body just as surely as you may believe in your heart and confess with your mouth the Lord Jesus, attendant blessings will follow.

"It works both ways.

"Life and death are in the power of the tongue. Confession precedes possession in order to receive righteousness from God or to receive unrighteousness from Satan. That's what happened to Eve. She believed in her heart what Satan said, and it became a reality in her life. Then, with words from her mouth, she persuaded her husband (Adam), who heeded her voice, to follow her, for with the heart one believes unto unrighteousness or unto righteousness.

"It works both ways and there is no in-between.

"This is why from your mouth should come the righteousness of God from the word of God.

"Be careful to allow what stays in your mind. If Satan's temptations lodge in your mind and remain there, you will have what your mind dwells on or meditates upon, because it will enter your heart.

"Confession precedes possession. You are propelled in the direction of your confession.

"The lies – the temptations of Satan should be met with the confession of the word in spiritual warfare participation. That lie is a demon spirit who wants to gain entry to your body. The antidote is to speak against the evil thought and command it to leave you in Jesus name. Then allow confession of the word to

come forth from your mouth to combat the evil one.

"Spiritual warfare may be defensive AND offensive.

"When the evil thought comes to mind, tell it to leave you and go to the abyss in Jesus name. Then whenever the same thought comes to your mind again, confess the word out loud as defensive spiritual warfare.

"Life and death are in the power of the tongue – all the time 24/7.

"Fight evil thoughts, that are demon spirits, with the spoken word of God in Jesus name, as effective defensive spiritual warfare against the evil one. Then maintain your freedom by allowing only positive things to come forth from your mouth, as effective offensive spiritual warfare against the evil one."

Friday, August 9, 2013

"Remember, I said that I would send another Comforter, which means the other comforter would be like Me. While on the earth in My visible ministry, I was the Comforter who had no authority of My own, but I simply spoke and did what the Father said and what He instructed Me to do.¹

"Remember also that I, as the original Comforter, was a Person on the earth for that purpose. I came to those who believed in and who followed Me,

"The enemy discomferts you.

"I comfort you.

"Remember also that the work of the other Comforter (the Holy Spirit) was observed by Jews and proselytes from every nation under heaven about nine AM one Pentecost Morning in Jerusalem. He came as a Person to comfort about one hundred and twenty of My disciples and literally entered their bodies as a Person to allow them to speak with other tongues as the Spirit gave them utterance through instructions from the Father Himself.

"The one hundred and twenty were baptized with the Holy Spirit to begin the church age.

"The work of the Holy Spirit and the Person of

¹See Jim Ash letter No. 93 for details, available at website: www.jimash3.com.

the Holy Spirit may be two different things.

“Since the residence of the Holy Spirit is now on the earth, He is everywhere on the earth as the need arises. When one’s heart is ready, that one may be born again as a work of the Holy Spirit, but that is not Holy Spirit baptism.

“One either through spiritual hunger and desire or by specific request today may be baptized with the Holy Spirit. When one is baptized with the Holy Spirit, the Person of the Holy Spirit comes to indwell that one’s physical body.

“The Person of the Holy Spirit comes to indwell a human vessel to begin the cleansing process in preparation for the entry of the other two Persons of the Godhead.

“The Holy Spirit as a Person may enter an unclean body to begin the cleansing process by the washing of water with the word (rhema). Then as that individual, indwelt by the Person of the Holy Spirit, progresses into the Listening Method 24/7 and is led to pray the nine-point cleansing prayer back to conception in the womb, that one is cleansed so as to be ready for the next step. As that one becomes obedient, faithful and trustworthy by listening to the words of God daily, he may then become a candidate for God Incarnation.

“A My son, it’s really that simple when seen by revelation, isn’t it?”

“Salvation, rebirth, Holy Spirit baptism, the Listening Method and God Incarnation are the five stages of spiritual growth in the remaining days of this rapture generation.

“Teach this, My son. It is My truth for today, for this is My mandate to you this morning.

“Because of what happened to Dale last night, or at about four AM this morning, know that I am in this with you and that you may depend on Me to do **EVERYTHING** best for both of you and to the common good of you both.”

Wednesday, August 28, 2013

“God is spirit, and those who worship must worship Him in spirit and in truth.

“The reason we must worship Him in spirit and in truth is because you cannot see God with the natural, physical eye. Therefore, anything you worship that you can see with the physical eye is an idol. That is why idolatry is forbidden. God, who is spirit, must be first.

“Because you cannot see God with the natural

eye, you must ‘see’ or perceive God in your mind – with your thoughts.

“As a man thinks in his heart, so is he.

“My ways are higher than your ways, My thoughts are higher than your thoughts.

“Since God is a spirit, you may ‘hear’ His communication through His thoughts that come to your mind.

“Because your thoughts control your actions, as you learn to listen to God, you will think that His thoughts are your thoughts. That’s why you should keep a journal.

“Once you learn to listen for and to hear His words – to ‘hear’ His thoughts – as you do so and journal them daily, you will begin to grow spiritually exponentially because God knows more than you do.

“Learning to hear the voice (the thoughts) of God 24/7 and become obedient thereunto is a blessing He has reserved for the latter years of this rapture generation.

“The four measures of spiritual growth are: saved, born again, Spirit filled (baptized) and God Incarnate.

“There is only one way to become God Incarnate: by learning to listen to His voice 24/7 and become obedient thereunto.

“That is the way Jesus became God Incarnate.

“That is the only way to become God Incarnate in the world ruled by Satan. That is the way all thirteen new apostles became (will become) God Incarnate to fulfill John 14:12.

“That is why this is the most interesting and exciting time to be alive on space ship earth. The reason a believer may become God Incarnate today is because the remaining time is short prior to the Rapture, and those who become God Incarnate may become leaders in the final abundant harvest.

“Through the efforts of the final thirteen God Incarnate apostles, the final harvest will be brought in, and Satan will be rendered his coup’ de grace’ by the emergence of God’s final eternal family, wife and Grandson. The emergence of God’s new first eternal family and wife are essential so that the curses pronounced by God on man, on woman, and on His abundance, may be restored through the lives of the two God Incarnate apostles. The first woman apostle and

the first man apostle to be released will become one in marriage and will simultaneously restore to man and to woman, everything Eve and Adam lost through their disobedience. This is essential to begin the final massive harvest, which is the starting point of God's complete recovery of His beloved family.

"All who believe in Jesus may receive His blessings of life eternal.

"All who believe in God's new first eternal family of Two may receive their blessings of the restoration of everything Adam and Eve lost through their disobedience.

"Through their obedience, the losses of Eve and Adam may be restored.

"Through the obedience of Jesus, eternal life may be restored.

"Through the obedience of God's new first eternal family of Two, everything Eve and Adam lost through their disobedience may be restored.

"Disobedience requires obedience for restoration of that which was lost, to include both eternal life and the God Incarnate status for mankind. Both may be achieved through three sinless lives in the final remaining years of this rapture generation."

Later at 9:45 PM

"Everyone on Earth One originally was God Incarnate until several thousand years later when Lucifer failed. Lucifer, himself, like Jesus, was originally filled with all the fullness of the Godhead bodily. Adam and Eve originally were God Incarnate, but they both failed. **Jesus was the first God Incarnate Man to successfully remain true to His calling.** That was the beginning of God's restoration plan for man. Jesus was also the earnest of God's complete restoration plan through His first, eternal, God Incarnate family and wife. When those two become one in marriage, to whom the first eternal God Incarnate Son is born, that will seal the doom of the enemy and mark the beginning of God's restoration plan for man that He set in motion long before the world (Earth Two) began, as recorded in Genesis 1:3.

"That frees God to begin the massive harvest in the few remaining years of this rapture generation, in preparation for that Great Event."

Thursday, August 29, 2013

"Yes, My son, you have surmised correctly. When the sperm of man fertilizes the egg in the womb

of woman, a soul is formed that is predestined to eternal life or eternal death.

"When on the earth one dies, his physical body dies, but the soul and the spirit of that one, configured as his physical body, has an eternal existence: eternal life or eternal death; eternal life with God or eternal death prepared for Satan and his angels.

"Yes, My son, you must write about the second death. I know that is not your ministry, but one of your ministries is to write a sequel to the bible, and the second death is a much neglected subject among Christian writers.

"You now know the truth about when life begins and the final consequences thereof. No one else has this knowledge, as you have written in this word from Me, and since you are writing a sequel to the bible, you must write on the second death.

"My son, there are a number of scriptures in the bible that leave the wrong impression. The soul that sins it shall die, is one. That 'death' is eternal death which is left out of that verse.

"So, as you write on the second death, include any scripture that I bring to your mind which may leave the wrong impression about either life or death, as man understands either of both, and as scripture may leave the wrong impression about either or both

"This writing, My son, is very important for you to do because it is neglected.

"After physical death, your senses are not diminished. They remain, and if anything, are quickened or increased or sharpened to sense, experience or feel **EVERYTHING** at some heightened capacity, whether in heaven or in hell, after the Great White Throne judgment.

"When God created man on Earth One, he was created to live eternally in and within God's super abundance as described in Genesis 1:29-31. Since God spoke man into existence, and since God speaks truth which may not be rescinded, amended, nor modified, (or it would not be truth), man was created to live eternally to experience God's supernatural abundance, to fulfill Jehovah God as His wife.

"For that reason, everyone born from the womb of woman is born into eternity – which means forever and which also means eternal life with God or eternal death prepared for Satan and his angels. Eternal death is the second death.

"It was Jehovah God, Himself, who

confounded the language of man so man could speak to God but not to man.

“Since the Godhead bodily will be within each of the thirteen God Incarnate apostles, each one will be able to understand, speak, and fully comprehend every language, for it will be Jehovah God, Himself, who will mature and activate all ministry activities of the thirteen.

“That will also apply to non-ministry activities insofar as living in the world is concerned. Each of the thirteen will become a God-Man or a God-Woman in human form to mix and to mingle with mankind to acquaint mankind with God.

“Mankind does not know God.

“That is one of the principle reasons for each of the thirteen God Incarnate apostles.

“The term ‘second death’ seems to be an oxymoron or a conundrum, for doesn’t scripture say that it is given to man once to die and after that, the judgment? That scripture is true, but it is given to reveal that man has only one opportunity to ‘get it right.’ That opportunity is life on the earth as a preparation for eternity.

“Man has only one opportunity to determine his eternal existence, and that opportunity is physical life on the earth.

“Therefore, know assuredly, that life on this earth is but a proving ground or the preparation for eternity that will be spent with God or with Satan. Heaven and its perfection is just as real as hell and its eternal fire.”

Friday, August 30, 2013

“Yes, My son, I know your heart because you have Mine. The homosexual community is something you can treat in your writing on the ‘second death.’²

“The body of man is nothing more than a temporary physical cloak or housing or container for man’s soul and spirit. It is the soul of man that is eternal.

“The term ‘death’ in reality means only a ‘change of clothing’ from the physical to the spiritual. The soul that sins it shall surely die, as scripture states, may leave a wrong impression. The soul that is enclosed in a physical body **NEVER DIES!**

²See Jim Ash letter No. 176 entitled “The Second Death” available at www.jimash3.com.

“When the physical body dies, the soul and the spirit depart from that body and continue to live eternally.

“It is the spirit that animates or gives life to the body, while the soul is the real ‘person’ within that body. At death, the soul, or the person of the body, retains the five senses previously experienced in the body, the temporary outward clothing.

“The moment the sperm of man attaches itself to the egg in the womb of woman, a soul is created. This is God’s law of creation and procreation that was established forever in the first man and in the first woman of earth One.

“That dual law of creation and of procreation was continued in Adam and Eve on Earth Two.”

Saturday, August 31, 2013

“My son, I must correct you again. You must learn to give up your right to defend yourself. The only way for you to be defended is to allow Me to defend you. Then it will be done right. Most every attempt to defend one’s self will end up in the flesh so as to cause the wound to be deepened without being healed.

“The answer for you is to just be silent in each of these cases. If you will be silent, there is no way to offend. **If you will be silent and pray quietly, that is what allows or permits Me to intervene.**

“But you must allow Me to do the teaching, and you must also remember that whether or not I am successful depends on whether or not the one I am correcting accepts the correction.

“Remember, My formula for spiritual growth is obedience, faithfulness and trustworthiness. If you fail on one, you fail in all and the process starts all over again.

“I never give up on My children.

Sometimes My children are unwilling to accept My correction, which means I must continue to try for a breakthrough.

“I never give up on My children.

“However, sometimes My children are so intent on doing it their way, it makes My way more difficult to accept.

“And there, My son, is My way of dealing with My children. Although I never give up on them, sometimes death will interrupt My instruction. That is always caused by the enemy who is good at what he does. He, not man, is My nemesis.

“This is why there are varying degrees of reward and punishment.

“My son, My Spirit will strive with man until I am satisfied – until My conscience is satisfied that I have done all I can do with that one. Then judgment is set (*Genesis 6:3*).

“I have too many things to do other than strive to change the unchangeable. I must have the cooperation of the one I am teaching.

“Life, My son, is really a school in which there are choices to make. Both the enemy **AND** I will strive with all of our resources to woo **EVERYONE** into our respective kingdoms. But remember, the kingdom of darkness and death is dressed in alluring, glitzy, fleshly, prideful satisfaction.

“The kingdom of darkness is dressed up in the attirement of self.

“My kingdom of light is dressed up in the allurement of Myself.

“This means the ultimate choice man must make is reliant upon one’s willingness to worship Me instead of self.

“A self-reliant person is predestined to failure, although by worldly means and measures, he may appear to be imminently successful.

“As I have said to you previously, every decision you make, everything you say, everything you do, is either in My kingdom of light or in the kingdom of darkness.

“But remember, the kingdom of darkness has its glitzy, attractive (to the senses), strobe-light dancing in the darkness, seeking whom to devour.

“My kingdom of light may seem to be less rewarding, but that is always a temptation of the enemy.

“My way is the way of truth and love. The enemy’s way is deceit and lust.

“No one who comes to Me with his heart will be denied.

“So now, see that your momentary weakness may be used as a platform to teach My way of life – to teach My way of eternal life with Me.

“And yes, I am excited about your writing on the Second Death, or the Myth of Death, or whatever you choose to name that writing assignment.

“Do you now see that **NOTHING** is wasted in My kingdom? I gather up the fragments no one wants

and use them to My glory.

“Nothing, My son, is wasted in My kingdom of light. Visibility is a characteristic of My kingdom.

“Everything is wasted in the kingdom of darkness.

“Those strobe-lights the enemy uses to dance among the crowd in the dark, are seeking someone to devour, while My way is done in the open for everyone to see, for that is the way of truth.”

Later the same day:

“Sin is deliberate disobedience.

“Righteousness is deliberate obedience.

“This means you may do something you should not have done or say something you wish you had not said, which will not be sin, **provided the word or the act, said or done, does not disavow God’s call on your life.**

“The best example of this is an act of God. God gave Lucifer all authority in heaven and on earth to rule Earth One, which is identical to the authority Jesus now has. When Lucifer rebelled against God and stole His possessions, that failed authority God gave to him was not sin or disobedience on God’s part, even though the consequences of that one act caused and continues to cause great, grievous consequences and loss.

“God’s inadvertent mistake was not sin because it did not disavow God’s intent to bless man abundantly. Man was created to content, to satisfy and to fulfill God, as His wife. That was His purpose in creating Earth One, and that is God’s objective for man today.

“God uses the same measure to judge others that He uses to judge Himself.

“My son, I waste nothing. Even the fragments of one’s life may be gathered up for future use.

“A fragment is something that is unimportant at the moment and discarded. However, those unwanted, discarded fragments may be used as a future useful teaching vehicle.”

Sunday, September 1, 2013

“Yes, My son, time rushes by when you are interested in and excited about your life with Me.

“My use of the fragments of your life is a good new discovery. My son, nothing is wasted in a life totally devoted to Me. But that devotion must be of the heart – not of the mind.

“If your devotion is merely of the mind, you will be double minded – or you will become double minded – and a double minded man is unstable in all his ways.

“It is with the heart that man believes unto either righteousness, or unto unrighteousness, for the heart is man’s compass.

“A compass stabilizes or sets the direction of man’s travels. It is with a compass that one sets the course – the direction – of his life, for with the heart one believes – sets the direction of his life – whether for good or for evil.

“The world war in progress is between Satan and Jesus. Both are supernatural and both have supernatural power – the supernatural authority – to empower their followers. The essential difference between the two is that Satan tempts one into the kingdom of darkness, deceit, disaster and death – eternal death – which is the second death – whereas Jesus lures or woos one into His kingdom with love, truth, light and eternal life.

“When the sperm of man attaches itself to the egg in the womb of woman, a soul is formed – is created instantly. That soul, even though it is still-born, aborted or miscarried soon thereafter, will live eternally as foreordained by God and by the predisposition of God’s immutable words spoken in the creation of Earth One, over which Lucifer ruled.

“The reason this was foreordained by God at the creation of Earth One is because Earth One was created to last eternally as God’s perfect model. God **NEVER** planned for Earth One to fail.

“For that reason, the law of procreation of man was forever set in motion when God created Earth One.

“This is only **ONE** of the ‘impossible situations’ with which God was presented, when a fallen Lucifer stole God’s beloved family and wife on Earth One.

“When Lucifer stole God’s first wife on Earth One, he did that knowing full well that God could do nothing about his evil theft but stand by and watch – and he was right.

“Oh, the unfathomable love of God for mankind is without understanding. The multiplicity of God’s detail planning to recreate another earth and another mankind bloodline to establish for Himself another perfect family and wife, is totally beyond the capacity and the capability of finite mind.

“Only at the death, or at the rapture of God’s

saints, will we even begin to comprehend God’s love for man.

“Only then will we be able to begin to comprehend the magnitude of God’s love for man in order to truly worship Him in spirit and in truth, for who He really is.

“All praise, glory, honor and worship, to God, the Father of mankind.”

An entry from my journal

On Thursday, September 5, 2013, I was ill all day for the first time that I could remember. I felt miserable but had no aches or pains. My left ear had slight twinge of pain several days before –the latter part of last week – and I wondered if that was the cause.

I asked God what caused My illness.

He replied: “Sin.”

I asked, “When?”

His reply was, “When you did not pray immediately for Dale with the laying on of hands after her CT/Scan, and the doctor said it was arthritis that was causing the pain in her neck and shoulder.”

My thought – although it was unexpressed – was, “Why was this sin?”

God’s immediate response was, “To him who knows to do good and does not do it, to him it is sin.”

I knew the scripture but had wondered what it meant. God has a way of teaching that is convincing. I immediately confessed my sin and repented and then prayed for Dale with the laying on of hands and fulfilled my neglected responsibility. I also prayed for her several times thereafter, which I continue to do.

This puts my testimony in total contradiction to my personal Hebrews chapter eleven, written in letter No. 162 published on April 1, 2013, which I very reluctantly wrote after being urged to do so by God several times.

In that letter on page 5, column 1, in my first of forty “by faith” items, I wrote,

“By faith, I walk in good health at ninety-two (*now ninety-four*) years of age. This is not new to me. I cannot remember the last time I went to an MD to be treated for an illness. However, I am on a daily spiritual medication of His rhema word, in which lies seven attributes of God.”

That was a true statement when it was written, and I have not had a day of illness since, except for my illness on Thursday, September 5, 2013. Nevertheless, I learned my lesson. It took several days to be free of the ‘miserable feeling’ that I had because of my sin. I do not intend to experience that again because I learned my lesson.

In my quiet time with God on November of 2005, God said to me, “Hereafter when you come to spend quiet time with Me, come with no prayer agenda. If I want you to pray, I will tell you.”

Since that day, I have come before God daily, usually the first thing each morning, with a pen and a journal to write every word He said to me.

I had grown sloppy in my prayer opportunities while spending my time listening to Him and journaling every word He said and writing as He has instructed me to do.

Some time before this illness incident, God noticed my disinclination to talk to Him (that is, to pray) and He corrected me on that, but I disregarded His instructions.

God knows how to get your (my) attention.

I was told to write about this sin that caused my illness, that others may benefit therefrom, to the Glory of God.

On the morning of the second day of my illness, September 6, 2013, I was very miserable. I awakened twice that morning while perspiring and knew my light fever had broken. Confession and repentance is a powerful spiritual tool.

Thursday, September 5, 2013

“My son, this (*the illness incident*) means that you must look for opportunities to bless others, which confirms what I said to you: ‘Enjoy the freedom you now have, for when you are released, your time will belong to others.’ When that time arrives, you will go forward each day to literally act as God (because you will be God Incarnate) – under His direction – and His motive for existence is to bless – not curse – for the scripture that states, ‘To him who knows to do good and does not do it, to him it is sin,’ is descriptive of God. He exists to give and bless, while the enemy goes forth as a roaring lion seeking whom he may devour, that is, to steal, kill and destroy mankind.

“Satan is sadistic. His pleasure and his continued work in the world, to steal, kill and destroy,

actually feeds his sadistic nature.

“Lucifer was not like that in the beginning. Initially, he thought he could take over the world with the authority I had given him, to rule without conflict.

“But pride overcame him.

“And pride goes before a fall, even among angels.

“Through his pride and self-worship, he degenerated into activities too vile to mention. That is why, ‘To him who knows to do good and does not do it, to him it is sin.’

“Satan feeds on sin through lies, debauchery, sexual deviation and crimes against mankind now, knowing full well that he, and all those who follow him, will be cast into outer darkness for eternity.

“One reason Satan is fulfilled – is fed by – is satisfied by – opposing God on **EVERY** issue, is because he knows that he is impervious to the fire of hell, and as a matter of fact, he is the partial source of flaming, torturing, excruciating pain caused by fire in hell. **That is why he delights in doing evil in hell in the same way God delights in blessing His people in heaven.**”

Here is partial proof of this statement:

- (1) Lazarus and the rich man, Luke 16:20-31.
- (2) Jim Ash letter No. 173, entitled, “The Second Death.”³
- (3) Jim Ash letter No. 186, entitled, “God’s Awesome Power Revisited.”
- (4) “A Divine Revelation Of Hell.”⁴

Please listen to this teacher. All scriptures on hell are correct but not sufficiently descriptive of the details of the torture inflicted there, as overseen by Satan, himself, who thrives in the presence of fire.

Saturday, September 7, 2013

“Yes, your time is near, and you will make it to the finish line. But as you know, your finish line is another spectacular beginning for your release into ministry.

“To anyone but you, that would be a startling statement with cause for astonished jubilation, but to you, I know it produces much less, because of the many words you have recorded from Me over the past

³For all of my letters see my website: www.jimash3.com.

⁴Written by Mary K. Baxter, published by Whitaker House, New Kensington, PA 15068.

eighteen years since we started this journey.

“I know you are tired and weary, physically, mentally and spiritually, but if you will believe Me this time, your Day of the Lord will be the result, and We can begin Our new activity against Our common foe.

“My son, My precious son, hold on for only a little longer. Victory is now in sight.

“You are reading Mary K. Baxter’s book on Hell at My request to impress upon you the very importance of your writing on ‘The Second Death.’

“My son, Oh My son, so few people of the earth have any idea of what hell is. Hell is the domain of Satan and his angels and all those who have followed him.

“Hell is not only the antithesis of heaven, it is so much more than that, there is a great need – and that is My great need – for a writing that will be vividly descriptive of hell that will be more widely distributed than the writing of MKB⁵ or CNT⁶. And you happen to be that person.

“Take your time in writing this one. You have My authority to quote MKB and CNT. My words are truth, and you have discovered the value of truth.

“And here is another thing about this writing.

“The Holy Spirit revival has penetrated the masses. The faith message, the feel good about yourself message, the message of hope, the message of grace have also now reached the masses through television. All of these messages, My son, were – have been – My messages designed to bring into the kingdom, warriors who will stand their ground. That is the reason for each.⁷

“But each one has been carefully prepared to introduce the message of My thirteen new God Incarnate apostles.

⁵Mary K. Baxter, author of “A Divine Revelation Of Hell,” published by Whitaker House, New Kensington, PA 15068.

⁶Choo Nam Thomas, author of “Heaven Is So Real,” published by Charisma House, A Strang Company, Lake Mary, Florida 32746.

⁷Let this be an admonition loud and clear to those who have criticized pastors who preach these messages of the Spirit, and of faith, hope, grace and love, **who have thrown off the chains of legalism to proclaim the goodness of God.** It is a part of God’s plan to utilize these precious pastors and their congregations in the greatest harvest of souls the world has seen. When known, the love of God, and the goodness of God, become the most powerful force on the earth and in heaven.

“However, the time is now so short, your message on the Second Death is a must for the now generation. Those who must have it now must also know the consequences of their now decisions.

“The enemy has gained inroads into the world at a rapid rate through the electronic communication and conversation devices. And he has been very active there from the beginning because every radio, radar, television, and now most telephone transmissions, travel through his territory, since he is the prince of the power of the air.

“And realize that he knows of all and of any intrusion into his territory. He has welcomed with open arms each of these intrusions into his territory, as nothing more than an opportunity to expand his empire, which he has done.

“While many Spirit filled believers have rejoiced over the intrusion of the Gospel into television, Satan likewise, has also rejoiced at the now greatest opportunity ever to spew his evil through the electronic and print media.

“So your writing on *The Second Death*⁸ is very timely, and you are the only one to whom I have given the knowledge to do this writing assignment

“Take your time and do this writing for Me, which is a reinforcement of My previous writing instructions.”

Sunday, September 8, 3013

“Yes, you are now beginning to see the whole picture again. You are on the way to becoming again able to do everything I have called you to do.

“Do not rush. You (We) have enough time. I will restore your desire to do everything I have called you to do in every area without fail. I assure you I can do that.

“Your thoughts about Me are right. Once I became a spirit Being,⁹ My capability was utilized to a much greater extent thought possible by one who still lives in a physical body.

“Man was **NEVER** intended to live in a physical body subject to the ravages of time, sin, aging

⁸“The Second Death,” Jim Ash letter No. 176, published in November, 2013.

⁹These are the words of the Lord Jesus who became a “spirit Being” or God Incarnate, immediately after John’s baptism..

and death. All of that is the result of Satan's work. Yes, that's right. **Satan has dictated the conditions under which I, as Jehovah God, have had to work ever since Adam's sin.**

"Man born in sin is unlike man born without the Adamic sin curse and sin nature. My son, I was Spirit filled at conception because the Spirit fertilized the egg in Mary's womb to conceive Me. The Spirit was My Father's DNA. That means I was teachable at an early age. That is why I confounded the rabbis at the Temple when I was twelve.

"So you see, I had a leg up on everyone at the beginning.

"Now the thing about you new thirteen God Incarnate apostles is that at your release you will have accomplished the same thing I accomplished without My beginning. The reason for that, however, is that each of you have had My 'model' to go by. Holy Spirit baptism and the Six Measure Standard may produce the same thing concurrently in time, or retroactively back to conception in the womb, to provide the same results.

"Isn't that simple when seen by revelation?"

"You see, Satan has seen Jehovah God 'fiddle with' or 'fine tune' or 'try to adjust' mankind for about 6000 years without success, so Satan still believes he can win and still goes about doing his dirty tricks without concern for his future.

"The only thing that will get Satan's attention is when two God Incarnate apostles get married and produce a God Incarnate Son (not a daughter). That will get Satan's attention. That will tell Satan that the Godline established on Earth One has been established on Earth Three in a world ruled by Satan himself.

"This will tell Satan that God has done what Satan thought impossible right in front of his evil nose.

"As Jesus led the way to God, God's new first eternal family and wife opened the door to the restoration of everything lost through the sin of Adam and Eve.

"Those who follow God's new first family and wife will receive their blessings.

"Before the Rapture, this will be demonstrated by those who follow God's new first family.

"The door Jesus opened is by far the most important.

"The doors God's new first family will open are second in importance to the one Jesus opened.

"Of the three doors openers, the remaining two

will be enshrined in the finally reconfigured Godhead at the judgment seat of Christ."

Monday, September 9, 2013

"Yes, you are improved this morning (from last Friday's illness).

"And yes, this will continue until **EVERYTHING** you lost (and more) will be returned.

"So fret not over trivia.

"Leave that to others to fret over.

"We have fish to fry that have not yet been caught, nor do they understand the need to be caught in their total unbelief.

"Total ignorance may be blissful – for a while. Then it turns into a Howard Hughes or a Bill Shockley.

"My son, look not on the way one begins this race of life as My measure. My measure is the way the race ends. And many times, the end of a man's race is determined only at the last mile or at the last moment as with Solomon and with your firstborn son.

"This, My son, is why man must not judge man. Only I may judge man because I see man's heart. Often, for example, one with a large heart but with scant resources, may be, by far the most generous giver. The "widow's mite" is a good example. Lazarus and the rich man, for example.

"My son, I have chosen for you, by far, the best way for you to travel your road on this journey of life, **for if I had left your net worth intact and even expanded it as I had originally planned,** you would not have been thrust into the ministry positions to which you have been called.

"My son, realize what I have promised (prophesied) for your unlimited future. And as you know, that is not all. The beginning of your life, My son, will look totally unlike the ending thereof."

Commentary on the bold font underlined phrase enclosed in the above red box:

I received this prophetic word in bold fonts one morning after I had lost 90% of my net worth, before we moved from our Steamboat Drive address in north Dallas. "Four million dollars in April" was the prophetic word God gave me that was connected with a financial transaction with which I was involved. That prophetic word from the mouth of God **NEVER WAS FULFILLED**. God later said to me that the aggressiveness in my faith walk with Him was the

reason he changed His mind about that prophetic word from Him. He also said that if I had asked Him why the prophecy did not come to pass, which I did not do, He would have told me. However, it is of great comfort to me to know from Him, even retroactively at a much later date, that His original prophetic word to provide the four million dollars was a valid word from Him. This opens up an unexplored area in the gifts and calling of God I have never before encountered. **It was the aggressiveness in my faith walk with God that negated ‘the four million dollars in April,’ as well as other promises that never came to pass.** This is a good lesson in dealing with God. **We believers have made rules concerning God that God, Himself, did not make.**

This makes one’s walk with God by faith of paramount importance, in spite of all else. The life of Job also confirms this same lesson. It was God’s will to allow Satan to abuse Job, but so long as Job’s faith never wavered, he came through the abuse of Satan to experience God’s abundance. So has that been true in my life – more than once as my aggressive faith walk with God has caused Him to change His objective – meaning His confirmed prophetic objective for my life – three times. This makes faith paramount above all else, in one’s walk with God.

God has said to me that the reason He allowed me to lose 90% of my net worth was so that I would be totally dependent on Him. That is just another of the changes in His objective for my life caused by the aggressiveness in my faith walk with Him

<end of commentary>

Saturday, September 14, 2013

“Yes, my son, you may begin your new writing assignment. The other writing you have started will wait and await a more favorable time for completion, for ‘The Second Death’ is the one to ‘zero’ in on for the present.

“Take you time on this one. It will be another of My ‘one of a kind’ letters.

“My precious son, far too many faithful pastors have turned to ‘feel good’ sermons. **They have their place, but their place should not – must not – push out My truth about eternity.**”

Wednesday, September 18, 2013

“Did I not say that if you would start on My writing assignment, I would provide any and every need

for that assignment? It’s the same old adage. I cannot give an on-course correction to a ship in the harbor.

“The ship in the harbor (your life) must move out into the open water in order to get My on-course corrections. Sometimes they come to avoid an unseen obstacle, and sometimes they come to correct something in your life.

“This simply means a life that begins by faith may not avoid My constant care and My continual guidance to Our desired destination.

“My son, this is the way of life lived in the Pentecostal Method. That will change, however, when you become God Incarnate. Then is when you no longer will represent Me, but instead, you will become Me, even as Jesus did when He said, ‘If you have seen Me, you have seen the Father.’ This means He had become one with the Person of God, the Father, within His physical body.

“In the God Incarnate status, you simply speak what you know as truth as the Father within you guides and directs all of your activities, so that you literally become God in visible form.

“God is spirit that may not be seen with normal eyesight. Therefore, He (God) must inhabit a physical body to be seen by man. Hence, the reason for the God Incarnate status of man.

“Man began as a God Incarnate creation of God. God then becomes content, satisfied and fulfilled with His family and His wife while man simultaneously becomes content, satisfied and fulfilled, thus fulfilling the purpose of the creation of man.

“God is unfilled without a beloved wife whom He may love and cherish with His super abundance. Man therefore fulfills God while simultaneously man, Himself, is fulfilled.”

Later at 7:46 PM

“My son, one reason I will send each of you twelve men to My precious prodigals first, is the same reason Paul was accepted by the Gentiles and rejected by the church.

“The Gentiles to whom I sent Paul equates to My precious prodigals. to whom My special twelve will be sent first.

“Only as My precious prodigals provoke My complacent church to jealousy, will My lethargic church awaken to action and to activities, and join in

the outpouring of My Spirit to bring in the final harvest prior to the Rapture.”

Sunday, September 22, 2013

“You are now fully recovered (from a number of time-consuming outside activities) and are ready for your final push – your final lap wherein the baton you carry will be surrendered.

“Your final lap is unlike another 4 by 4 relay lap.

“Your relay, My son, has all been run by you. Each of the batons you have passed off to yourself represent an upgrade to another – to a higher objective for your life.

“No one, My precious son, has ever run a relay race such as the one you are running – on which you are running the final lap.

“What you have waiting for you at the end of this final lap is your release – the prize for which you have striven ever since the race began.

“Little did you know of the end of your new beginning when you began this race the morning of September 27, 1996, when that morning I said to you, ‘That’s what Jesus did.’

“Then is when you entered the race for life.

“But neither did I nor you know of the final outcome of your race for life when it began. Your final rewards are even too great to be revealed now. Only after I remove your earthly cloak may I reveal to you your final rewards for your diligent, faithful, obedient pursuit of excellence few have even desired.

“You, My son, as I have said to you before, will be My world-wide showcased example of what may be accomplished by an aggressive faith-walk with Me.

“You, My son, must not be reluctant to use yourself as an example to others to strive for excellence in My kingdom.

“And you are My example in that area – in that arena. I will have others to prophesy of your greatness, of your importance to Me, and if to Me, then to both the world and to the church.

“My precious son – good times are ahead for both of Us.”

Later at 4:45 PM

“My call on your life is a 4 by 4 relay race in which you have run all four laps and have handed off the baton to yourself in each of the four laps. You are

on the forth of My calling on your life after I changed the objective for your life three times. The baton on the first lap was the beginning on September 27, 1996. Each of the next three hand-offs of the baton to yourself represents three times God has changed His objective for your life. This is powerful testimony to the power of fidelity in one’s life who transitions into the Listening Method 24/7.”

Saturday, September 28, 2013

“Oh My son, Oh My son, I am even more anxious to release you than you are to be released, but I am the one – the only one – responsible for your release. The responsibility rests on My shoulders – as it has from the beginning.

“My wait has been **MUCH** longer than yours. **AND** the responsibility that I have is **MUCH** greater than yours. My son, on My shoulders lie all of the responsibility that I have carried for 21,000 years, as you have estimated.

“Your estimated 21,000 years do not include the lapsed time I spent in planning for Earth One **BEFORE** I spoke it into existence.

“So you see, My anxiety – My **URGENT DESIRE** to release you far exceeds yours.

“There are many others I must manipulate into the right place – into the right time – into the right relative position **BEFORE** I release you.

“Yes, I will release you as My battering ram.

“Yes I will release you as My leader/mentor of the other twelve.

“So you will be – you are My key to the whole of My activity to close the church age.

“My son, I am the Ancient of Days. I was (in time) and I am (in eternity) in the beginning before I created Earth One and Lucifer and his staff of angels as its eternal ruler.

“My son, My perfect Earth One – My perfect world came crashing down on My shoulders, none of which I had foreseen.

“No one knows of My dilemma at the failure of Lucifer and Earth One as you do – that’s **NO ONE**, My son.

“So you still have some work – some writing to do for Me – for Us – before I can release you.

“And yes, you will have the necessary strength and energy to do **EVERYTHING** I have called you to do.

“And yes, you will have opportunities to tear

down some barriers for Me as you thought of this morning as you awakened – and even more than you have realized.

“You have much ahead of you, My son, that only I know of. So peace, My son. My peace I give you until I am ready for your release. It will be even greater than you have imagined.”

Tuesday, October 1, 2013

“Yes, time is growing short, but ever so important to you, to Me and to multitudes who await your release.

“My son, you have yet to realize who you are to Me, to the world, and to the church.

“No one, and I mean no one like you, has ever walked in this world in the full presence of the enemy. He still believes he can win because he has not yet seen the birth of a God Incarnate Son from the womb of a God Incarnate woman. Those are the conditions under which he will recognize My supreme importance on the earth once again, as he witnessed on Earth One.

“He still believes that it is impossible to bring forth from or through man who fell, one who may overcome him (Satan). The only way he will know that is to witness the birth of the new God Incarnate Son in My new first eternal family. Only then will he know that I, Jehovah God, have defeated him (Satan) through his evil sadistic, cunning, supernatural devices to trap and to overcome man in the (his) world.

“Remember, Satan is supernatural, and he wins converts in the same manner or principle that I, Myself, as Jehovah God, use.

“Satan starts with the mind. His temptations look good, sound good and taste good to give an artificial ‘high’ that is never fulfilling and never fully satisfying so as to bring My peace.

“He has the same access to man that I have.

“His temptations come through self.

“My beckoning comes through self denied.

“There you have in simplistic overview, the battle I have been waging against Satan for your estimated 21,000 years.

“But, My son, that estimated 21,000 years does not allow for the millennia it took Me as Jehovah God, along with the Word and My Spirit, to devise a way to content, satisfy and fulfill Me, as Jehovah God, long before I had begun My creation activities through which or through whom I, as Jehovah God, could be

contented, fulfilled and satisfied.

“You have said it correctly. As Adam was incomplete or unfilled without a wife, so I, as Jehovah God, am incomplete and unfulfilled without My physical family **AND** wife.

“Since I am spirit, I need a physical family and wife in which to deposit Myself in the fullness thereof to content, fulfill and satisfy Myself.

“My son, I was unfulfilled without a physical wife in whom I could deposit Myself – with whom I could become one, just as a young man desires to have a wife in whom he may deposit himself – with whom he may become one – of one flesh, that is.

“Until I am able to invade – to deposit Myself in the fullness thereof in man to become one with him, I, Myself, as Jehovah God, am unfulfilled – discontented – dissatisfied and not at peace.

“Only as I have a family to whom I may give Myself completely and with whom I may become one eternally, am I, as Jehovah God, content, satisfied and fulfilled.

“So you see, your estimated 21,000 years falls short of the estimated lapsed time I have spent to create – for Myself – a family and wife.

“I spent millennia in preparation for the beginning of the earth – of Earth One.

“So just for the sake of a better estimate, add another estimated 10,000 years of lapsed time to your 21,000 years. That’s about how long I have been in the process of establishing My family, My wife on the earth once again.

“So realize that an estimated 31,000 years of lapsed time is a better estimate of how long I have been awaiting the arrival of you **AND** the other twelve.

“Since I have been at this for an approximate 31,000 years of lapsed time, you may now better understand the true significance of you and of My new first eternal family and wife and their God Incarnate Son, and how much you and they mean to me.

“This is why I will allow massive wealth to flow into the hands of the husband in My new first family. He and his new wife and Son will want for nothing.

“That is why I will showcase them world-wide. Their new marriage will accentuate their importance to Me as Jehovah God. Then the birth of their new God Incarnate Son, as that spells the doom of Satan, will touch off a celebration in heaven **AND** on the earth

unlike any other birth, including that of Jesus, since they will have absolutely no restrictions on any of their activities.

“As I have said to you previously, you must await your second change of clothing (Rapture) in order to begin to understand what lies in store for you.

“And yes you will have the equivalent of four Persons of the Godhead in you at your release: God, the Father, God, the Son, inclusive of the eternal Word, and God, the Spirit.

“You will than be able to see, hear, know and act in the absolute. As you speak, creation and truth will be the result – without any restraint.”

Explanatory note from my journal on 10/6/13:

Last Friday about 9:30 PM discovered a leak in our water heater. Part of the hallway, Dale’s office and the master bedroom flooded before I could get to the intake water cut-off at the top of the heater. Emergency water extractor arrived at 1:30 AM and left at about 2:30 AM. Saturday morning warranty replacement company arrived with new water heater about 9:00 AM – left at 11:00 AM.

Sunday, October 6, 2013

“Yes, My son, I blessed you with the replacement of your defective water heater with a new one yesterday (Saturday) as My blessing to you for your faithfulness.

“And yes, you are running the last lap on your 4 by 4 relay race for Me – or to Me, would be a better way to say it.

“The 4 by 4 statement is significant to you. You are on the fourth lap of My blessings because of the aggressiveness in your faith walk with me. And the unusual thing about your 4 by 4 relay race is that on each lap, you handed the baton off to yourself.

“Few, indeed, My son, are those like you. John the apostle, was like you. He always wanted more of Me than the others – you and John have a lot in common.

“But the interesting thing about the last lap of your 4 by 4 is that you will once more hand the baton off to yourself. But this time, the baton will be Me – the Lord Jesus, with all authority in heaven and earth.

“The end of your 4 by 4 is the beginning of eternity for you. The prize of the finish of your 4 by 4 is becoming God Incarnate as the first man to become an eternal God Incarnate apostle.

“The aggressiveness in your faith-walk with Me has thrust you forever into prominence in my kingdom.”

<end of letter No. 202>
