Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Wednesday, October 16, 2013

FULL CIRCLE

“Without faith it is impossible to please God, for those who come to Him must believe that He is and that He is a rewarder of those who diligently seek Him.

“Faith did not begin with the bible. Faith began with God. None of the Old Testament or New Testament ‘greats’ had a bible. The bible originated because of sin. Otherwise, it is not needed.

“There was no bible on Earth One which existed in perfection for several thousand years before Lucifer failed.

“Faith comes by hearing, not by reading. Adam had a personal relationship with God. They talked to one another.

“When God told Adam to name His creation, the names Adam spoke were the names God gave him, because Adam, who was God Incarnate, was given the names by Jehovah God within him. But those names had to be spoken by man to become reality to man, which were already reality to God before He spoke them to Adam. This is evidence that death and life are in the power of the tongue (Mark 11:22-24).

“God made man as a God Incarnate visible expression of Himself, in order to content, satisfy and fulfill God first, while God knew that would simultaneously content, satisfy and fulfill man.

“God Incarnate mankind was originally created as God's family and wife, to fulfill God. As Adam was incomplete without Eve as his wife, so God, as a spirit Being, is incomplete without God Incarnate mankind in whom He may dwell as His family and wife.

“Eve's transgression is the first bible evidence that it takes faith, which comes by hearing, to please God. When Eve obeyed Satan, God withdrew from her His God incarnate presence and she became an agent of Satan. Then Eve persuaded Adam to follow her example, and God Incarnate Adam heeded the voice of his wife and also became an agent of Satan.

“Eve was deceived in her transgression and

became the first prodigal. Satan came to Eve first because she got the Logos from Adam who got the rhema from God. The rhema is **MUCH** more powerful than the logos because it comes from the mouth of God. The logos is rhema received from the mouth of God and spoken or written (the bible) for the benefit of others.

“Somewhere along the way, we have come to believe that the only way to hear from God is to read the bible or to hear someone teach or preach from the bible. That is false doctrine. Adam and Eve demonstrated that in Eden.

“In these last few years of this rapture generation, here is something God has introduced as one of the ‘new things’ about which Isaiah prophesied (42:9). It is possible today to learn to hear the (rhema) voice of God daily in order to become God Incarnate, as were the inhabitants of Earth One originally, as Adam and Eve were originally, as Jesus was in His personal ministry and as the thirteen new apostles will become as they are released.

“This means that God has come ‘*full circle*’ back to man's beginning. He began with God Incarnate man to fulfill both Himself and man. Then Jesus became the first fruit of them that slept, meaning His visible God Incarnate ministry was the first evidence of God's recovery process to restore man's God Incarnate status lost by Eve and Adam.

“The thirteen new apostles, who will become God Incarnate as they are released, are the fruit of the visible ministry of Jesus. Through the first two God Incarnate apostles, a woman and a man, God's perfect family and wife will be restored on the earth. Through these two, everything lost by the sin of Adam and Eve will be restored, which will reverse the curses pronounced by God on woman, on man and on their abundance.

“Those two will become one in marriage, and from their union will come the first eternal God Incarnate Son, which will spell the doom of Satan forever.

“Then, as the remaining eleven God Incarnate apostles are released, the thirteen will be able to replicate themselves and bring forth other God Incarnate men and women to assist in the final abundant harvest.

“With the release of the first two God Incarnate apostles, God will have come *‘full circle’* back to the starting place with God Incarnate man as His family and wife. Those two and the other eleven God Incarnate apostles will do the works that Jesus did, as well as greater works than He did, as prophesied by Jesus in John 14:12.

“For about two thousand years, the church has experienced the Pentecost Method of spiritual growth, confirmed by the bible, to include apostles, prophets, evangelists, pastors and teachers, and the Spiritual gifts. But the time has come for the Listening Method of spiritual growth to be made known. As that occurs, and as one becomes faithful therein, his daily quiet time with God may be gradually transformed from praying to (talking to) God, to listening to God pray to (talk to) him. In that manner may man once again become God Incarnate, which was God’s plan in the beginning.”

“As a man desires to invade his wife to become one with her physically, so the Godhead bodily desires to invade mankind as His wife to become one with him spiritually. Therein both God and man are fulfilled.

“Mankind was originally made as a Godhead receptacle or as a container to first fulfill Jehovah God and to simultaneously fulfill mankind.

“Therein may mankind become God Incarnate to fulfill God as His wife.

“Jehovah God as a person cannot enter a polluted body, for light has no fellowship with darkness, nor does purity have fellowship with corruption.

“The original purpose of mankind was to become God Incarnate or to become a physical receptacle or container for the Godhead bodily. The only way for that to occur is for man to be purged, cleansed and purified back to conception in the womb.

“That occurs only two ways:

(1) “When a God Incarnate man and a God Incarnate woman become one in marriage, their offspring will be God Incarnate.

(2) “When a man and a woman, both born with the Adamic sin curse and sin nature, are led by the Holy Spirit to pray the nine-point prayer back to conception in the womb, then as they become God Incarnate, their offspring will be God Incarnate.

“There are seven steps in the restoration of man:

“Step one in man’s restoration is to receive Jesus as Savior and be born again to have fellowship with

God, because Jesus bore man’s sins on the cross.

“Step two in the restoration process is Holy Spirit baptism so that man may be introduced to the spirit world.

“Step three is learning to listen to the voice of God daily.

“Step four is to transition into the Listening Method exclusively.

“Step five is to transition into God’s Six Measure Standard through listening to His voice for a sufficiency of time according to His standard.

“Step six is to be led by the Spirit to pray the nine-point prayer of purification back to conception in the womb, which places one in the same position that Jesus was in prior to John’s baptism.

“Step seven is to become God Incarnate in God’s timing to assist with the final harvest.

“One so equipped in this rapture generation will not die, but be raptured up to the third heaven – the New Jerusalem in waiting. As that one is raptured, on the way up, he will simply have a change in clothing to become a spirit being as Jesus presented Himself for forty days after His resurrection.

“Yes, My son, I have taken you through the whole summary of man’s restoration in preparation for your soon coming transition to become God Incarnate.

“My son, it takes time to transition one through these seven steps, all of which are necessary to fulfill My call on man’s life.”

“**DNA** is an acronym for **deoxyribonucleic acid**, which is a self replacing material present in man as the main constituent of chromosomes that determines the **fundamental characteristics or qualities of man**.

“Males have one x chromosome and one y chromosome (xy).

“Females have two x chromosomes (xx).

“When the x chromosome in the sperm of man unites with the x chromosome in the egg in the womb of woman, the baby will be female (xx).

“When the y chromosome in the sperm of man unites with the x chromosome in the egg in the womb of woman, the baby will be male (xy).

“Therefore, the male determines the sex of a baby.

“This is why genealogy in the bible is most always through the male.

“Every Word (rhema) of God contains seven

characteristics of God. They are spirit, life, love, truth, light, food (spiritual) and faith (which comes by hearing).

“When you learn to listen to the voice (rhema) of God, each Word (rhema) you hear contains small quantities of those seven attributes of God. Each of those seven attributes is residual and cumulative.

“Everything you see with the naked eye, as well as everything in the unseen spirit world, was created by the spoken Word of God.

“God’s spoken Word (rhema) is always creative. You cannot learn to listen to the Word (rhema) of God daily and remain the same. Therefore, when you learn to listen to the voice of God daily, and become obedient, faithful and trustworthy thereunto, that will begin to change your DNA.

“God introduced the Listening Method in the latter part of this rapture generation as the next step to becoming God Incarnate. Here is the method of progression into God Incarnate status:

(1) “The creation of God Incarnate Adam and Eve.

(2) “Satan’s deception of Eve and Adam, hence the establishment of:

(3) “The Adamic sin curse and sin nature on man.

(4) “The call of Abraham and the progression to Moses to establish the Law.

(5) “The Law of Moses given to divorce man from Satan. God had to clean up man on the outside before He could deposit His Spirit inside of man.

(6) “The cross and resurrection to establish the church with Holy Spirit baptism.

(7) “The Listening Method in the last half of this rapture generation to establish Godhead baptism.

(8) “Two God Incarnate apostles (a man and a woman) marry as God’s new first family, to reverse God’s curses pronounced on Eve (woman), on Adam (man) and on God’s abundance (world-wide) to restore everything lost by Adam’s sin.

(9) “A God Incarnate Son born to God’s new first family will finally spell the doom of Satan, at which time he will speed up his take-over preparation during the seven-year Tribulation

(10) “The ministry of the thirteen God Incarnate apostles will bring in the last abundant harvest prior to the rapture of the church.

(11) “As Jesus opened a door through which man may walk to God, God’s new first family will open

a second door through which others may walk to restore everything lost by Adam’s sin.

“Hence, through God’s new first family, He will have come *full circle* to restore to man everything man lost through sin.

“After the Rapture, those two members of God’s new first family will be enshrined forever into the finally reconfigured Godhead. Therefore, in these few remaining years of this rapture generation, the Listening Method may change man’s **DNA fundamental characteristics or qualities** from the sin curse and sin nature of Adam to the God Incarnate status of everyone on Earth One originally, as Adam and Eve were originally, as Jesus was in His visible ministry, as all thirteen God Incarnate apostles and as God’s new first family will be eternally.

“Then God will have come *full circle* to defeat the enemy in preparation for the rapture of the church to close out the church age.

“God ‘armed’ the Holy Spirit with a ‘y’ chromosome to fertilize the egg (seed) in Mary’s womb so that the baby (Jesus) would be a male child (xy).

“God will ‘arm’ the sperm of the husband in His new first family with a ‘y’ chromosome to impregnate his wife so that the baby will be a male God Incarnate child (xy). The reason this is significant is because within God’s first eternal God Incarnate Son will be the capability to produce both God Incarnate male (xy) and God Incarnate female (xx) offspring to forever reestablish on the earth God’s perfect **DNA** bloodline of God Incarnate mankind.

“Hence, the supernatural detail planning of our God is beyond man’s comprehension, all because of His love for mankind.

“All of this will be done so that once again, Jehovah God will have a family and wife within whom he may deposit Himself in the fullness of the Godhead bodily, to content, satisfy and fulfill Jehovah God in the same way each God Incarnate groom desires to deposit himself within his God Incarnate bride to content, satisfy and fulfill them both.

“As God Incarnate Adam was incomplete without Eve as his God Incarnate wife, in whom he could deposit himself, to content, satisfy and fulfill them both, so Jehovah God is incomplete without a family and wife within whom He may deposit Himself in the fullness of the Godhead bodily, to content, satisfy and fulfill Himself. Therein only is Jehovah God contented, satisfied and fulfilled, while mankind is simultaneously

contented, satisfied and fulfilled.

“Only then may Jehovah God be Himself once again as He was for several thousand years on Earth One before the failure of Lucifer.

“Hence, the importance of God’s new first eternal family, who will change the DNA bloodline of mankind forever – this time never to be violated again.

“All praise, glory and honor to our God who has patiently awaited these last few years of this rapture generation.

“With the appearance of God’s new first eternal family and the other eleven God Incarnate apostles, multitudes will enter the kingdom in preparation for the rapture of the church, to begin the seven-year Tribulation.

“God’s loving generosity will be manifested in His new first eternal family and wife for the first time on the earth since the transgression of Eve and Adam. Their every need, want and desire will be filled to an abundant overflowing as never before seen on the earth.

“How gracious, patient, kind, loving and forgiving is our God.”

“I had a dream wherein someone had apparently caught a beautiful bird – a large bird like an eagle – and tied a very long cord around one of its feet. I saw him flying with the long cord, attached to his foot, dangling in the air.

“I caught the long cord and eventually was able to chew it in two with my teeth.

“When that happened, the eagle, obviously exhausted and frightened, lit very near – very close to another eagle that spread his wings to protect the frightened exhausted bird.

“I then talked to the eagle protecting the one with the long cord attached to his foot, and said that I wanted to free the tethered bird.

“By then I had obtained a pair of scissors, and I gently cut the cord from the eagle’s foot.

“The thought I had afterward was that I did that so the beautiful, tired, exhausted bird could soar.

“My son, that eagle was the husband in My new first family.

“He has been tethered to Me by a long cord while I have been teaching him – tethered to Me because I had to have him constantly near Me to teach him.

“But soon, very soon, My son, by his own

obedient, faithful, trustworthy conduct, he has freed himself to soar ‘above the clouds,’ in a manner of speaking, to where ever he has to fly (to go) to do what I have called and trained him to do.

“My precious son, he is about to be set free as a God Incarnate apostle to accomplish things for Me no one has ever done. Not Abraham, Enoch, Elijah, the prophets, Moses, Jesus or His twelve apostles, or Paul has done what I have prepared him to do.

“The eagle may soar above on wind currents with grace and ease that no other bird can do. That is what he (the husband) is about to become.

“My son, I am about to set him free to accomplish everything I have promised him – everything I have prophesied to him – and much more than he has any idea of.

“As My back-up for Jesus on the cross, he is My one-of-a-kind, just as Jesus was. My precious son, had Jesus failed Me, he (the husband) would have been crucified in His place to become the Savior of the world, for whom I chose no back-up. That’s how much confidence I have in him.

“Yes, there are surprises ahead for him, not revealed in scripture, which I have reserved for him that are beyond his dreams – beyond his comprehension – which may only become known to him after the Rapture.

“But freed – yes.

“Able to soar where ever he desires to go – yes.

“To bring multitudes into the kingdom beyond that of any of My servants – yes.

“To enjoy all of this in complete freedom without limitation – yes.

“To have another precious one at his side to bless him, encourage him, support him and to bear his God Incarnate Son – yes.

“And much, much more beyond even his dreams.

“I, the Lord God Jehovah, prophesy these things to you this morning to fulfill – yes – to even fulfill My dreams – yes even My dreams literally.

“My precious son, no one has ever been called to do as I have patiently called and trained him to do.

“He and his new wife are about to become My new first eternal family and wife to content, satisfy and fulfill Me as Jehovah God, for the first time in 31,000 years of lapsed time, as you have recently written.

“What he, then what those two, then what those three will do for Me as Jehovah God, may not be

measured by him. Only I may measure what he, then what his (My) new first eternal family and wife will do for Me.

“Remember, everything I have promised – have prophesied to him, will come to pass – and much, much more that he is unaware of.

“My son, no one has ever done for Me what he and his new first eternal family will do for Me.

“Jesus, of course, led the way and is first after Me forever, but he (the husband) is a close second behind Him.

“As I have said to you previously, he and Jesus have more in common than he may now realize.

“I realize I have said most of these things to you before, except the soaring beautiful eagle parable – soaring higher than anyone, to be seen by many world-wide to spell the doom of our common foe, and to become My new first eternal family and wife – then to be enshrined in My finally reconfigured Godhead.

“I, the Lord Jesus, with the Father’s permission and urging, look forward to the enshrinement of him and his beautiful new wife **AND** Son in a ceremony with some surprises for those three.¹

“He will become a one-of-a-kind phenomenon never before seen on the earth.

“The reverence, the adulation and yes, even at times the ‘worship’ he receives, will exceed all other servants of Mine, including Jesus during His personal ministry, because His ministry was shrouded in secrecy.

“He will enjoy **EVERYTHING** I have prepared for him to do, except his absolute ability will allow him to see the evil work of the enemy. But that will be easily adjusted to so as to focus on the multitude of activities he will be involved in.

“He is being prepared to set records in **EVERY** area of his seven (and more) ministries.

“As a doting Father, it will be hard for Me not to overdo My desire to bless him.

“But even that will be quickly adjusted to so as to function as My servant in **EVERY AREA** of his many ministries.

“He and his new wife, then those three will be showcased beyond anything I have ever been involved in previously.

¹This is the first time God has prophesied to me that the new God Incarnate Son of His new first eternal family and wife, will be enshrined in the ceremony at the judgment seat of Christ. That means all three members of God’s new first eternal family will be included in the enshrinement ceremony – **another first!**

“He is being prepared to soar above **EVERYONE** for Me, My son – untethered, unrestricted to war against the enemy and to at long last, set Me, Jehovah God, free from all of My past failures forever.

“His new wife knows of most of these things I have said to you except the eagle parable.

“And she is just as excited as he is and as all of Us are in the third heaven. His excitement and exuberance over all of this is but a reflection of Mine – an overflow of Mine.

“His chewing the cord in two that tethered the eagle was representative of his asking Me to shorten the training time prior to his release into ministries.”

<finished at 1:47 AM>

a short time later

“My son, he (the husband) will be able to teach beyond anyone I have prepared for ministry.

“He and his new wife will be able to have teaching ministry sessions beyond that of anyone else that will yield great blessings and bring multitudes into the kingdom. That will simultaneously bless many lives, all of which will bring great wealth under his control/administration to fund other ministries, like (name omitted²), for example.

“Yes, (name omitted³) may be the recipient of his financial assistance. My son, no ministry will have a real need that he will not be able to help – to fix. Remember, he will be God Incarnate, while those he assists will not be.”

“Einstein said if you travel at the speed of light, time would stand still or be nonexistent. In one sense, what he described without knowing it was Earth One for several thousand years, the third heaven and the New Jerusalem. In each of these three areas there is (will be) no sun or moon for light, for God will be (is) their light.

“In each of these three areas, there was (is) no sin or death, nor does one age; hence time stands still in the presence of God as its light, because each existed (or exists) in eternity.

“Only in the presence of artificial light, or natural created light, such as the sun and the moon, does time, sin, aging and death occur.

“In the New Jerusalem, God is its light, and the Lamb thereof its Lamp (its light Holder). There was no

need for a Savior (the Lamp) on Earth One because everyone was God Incarnate; hence there was no sin, no death and no aging until Lucifer failed.

“When time stands still in eternity is when there is the absence of sin, the sun and the moon and where everyone is filled with the presence of the fullness of the Godhead bodily.

“Wherever God is the light source, time will stand still; hence no aging and no death.

“The light of the sun and of the moon in our solar system casts a shadow. God’s light casts no shadow because His light is omnipresent.

“The only place time stands still is in the presence of God’s light since God and His light exist in eternity. God’s light may not exist in the presence of time, or the sun, or aging or death, since time was created because of sin wherein one is born, ages, grows old and dies.

“If we travel faster than the speed of light, we could go back in time, i.e., all knowing as God is.

“If we travel at the speed of light, everything stands still without movement (without change) or age, which is descriptive of eternity.

“Time is relative to two objects.

“If we travel at the speed of light, we exist in eternity.

“If we travel faster than the speed of light, depart from this earth and then return, we arrive before we left.

“Example: If we depart from the earth faster than the speed of light on 12/1/13, arrive at our destination and return, we will arrive before 12/1/13. How far back in time we return to earth depends on how long we are gone from the earth.

“The longer the round trip, the farther back in time we arrive at our point of departure.

“The longer we spend in travel faster than the speed of light, the farther back in time we arrive at the point of departure.

“This has to do with aging. It takes the solar system, the sun and the moon and the earth in its orbit around the sun in order to age, grow old and die.

“Only in the light of God does time stand still – does aging and death nonexistent.”

Saturday, November 9, 2013

“When you travel at the speed of light, God becomes the light, time does not exist, and you live in eternity beyond the reach of and beyond the influence of the sun and the moon. That is God’s dominion where

He is the light in eternity: in the third heaven, on Earth One originally, in the New Jerusalem and on the other planets where there is life (there are several).”

“You are right. I am first – and it has been that way for years.

“My son, your life is a good lesson to teach. It’s not how you begin the race that matters most, it’s how you finish the race. Bill Shockley, Howard Hughes and (name omitted⁴) are only three examples – there are many others.

“And, My son, as the enemy steps up his activity, there will be others who will be taken in, who will be consumed by the enemy’s evil, alluring, deceitful ways.

“And yes, I will honor your request to anoint you to be the most powerful, persuasive presenter of My Truth I have raised up for these end times – in every area of the Gospel – homosexuality not excluded.

“These thoughts you have expressed to Me were My thoughts given to you to express to Me. Remember? We are one now.

“Yes, the road ahead – that is, the road to your soon transitioning – is very short now.

“And truly believe that all of Us in the Godhead are much more desirous of your soon release than you are. 31,000 years doesn’t even tell the whole story.

“Then there is the husband in My new first eternal family. He means much more to Us than even We have expressed to him. He will be exalted above the heavens because he would have been crucified had Jesus failed like Lucifer did (remember, both were filled with the fullness of the Godhead bodily).

“The husband, his new wife and their new Son will become My new first eternal family on the earth. And the important thing about this spiritually is that I will have raised them up in the evil world ruled by the enemy.

“So yes, he, then his new beautiful wife, are going to be **MY PROJECT – MY PERSONAL PROJECT** as Jehovah God, to ply him, then those two especially, with a superabundance **NO ONE** has ever been given.

“I will showcase him so that multitudes will be

drawn to Me by his example. That is why he is – to draw others to Me to defeat the enemy at his own game right in the middle of his territory (the world).

“Yes, We three are his cheering section because We, all three of Us (actually four), will be within him experiencing every victory over the enemy.

“Yes, Yes! He will be the most powerful persuader I have raised up, because he will become God Incarnate. That tells it all.

“He, then his new wife, then their new Son, will become My new first eternal family on the earth. And the important thing about this spiritually is that I will have raised him up in the evil world ruled by the enemy.

“That is what makes him important to Me.

“I will use him to draw multitudes to Me by example alone.

“Then there is the abundance I will attract to him. He will exceed Solomon by far. Solomon was not God Incarnate.

“He has things going for him that no man has ever had, including Jesus – and including Jesus only because His ministry had to be shrouded in secrecy so as to deceive the enemy.

“Yes, My son, I had to become a deceiver to deceive the deceiver. I had to use his tactics to defeat him. That is what made the ministry so difficult for both Myself and for Jesus. We had to proceed along the pathway of complete secrecy in order to deceive the enemy.

“Then along the way, My own people had to be used in the plot. That seems cruel, but that was the only way accessible to Me in order to restore man who fell, by fallen man.

“The enemy did not believe I could do that. That is why he rebelled against Me.

“You know the rest of the story.

“Enjoy as best you can, the remaining days with Dale prior to your transitioning.”

at 2:00 PM

“While at Cindy’s eating breakfast and reading a word God gave on 8/24/11, the thought occurred to me that God is giving me the last one-third of His kingdom work to be done before the church can be raptured.

“Further – God will not send His Son for the church until He has closed the door that Satan opened to the world at the failure of Eve and Adam.

“Satan still rules the world that Jesus came to

save. That door, opened by the weaknesses of Eve and Adam by the clever, evil devices of Satan, will be closed by God’s new first eternal family of two, then of three. They will restore everything that Eve and Adam lost. That will include God’s superabundance to be enjoyed by His new first family.

“Therefore, what God is going to do through His new first eternal family is to provide the last one-third of His kingdom work before the Rapture:

1/3 = “From Adam to Abraham – from Moses and the prophets to the cross, to include the written word of the law and the prophets.

1/3 = “The resurrection, the establishment of the Church, thirteen apostles (to include Matthias), the New Testament, the Pentecost Method.

1/3 = “The Listening Method, thirteen new God Incarnate apostles, God’s new first eternal family, restoration of everything Eve and Adam lost through disobedience, a sequel to the bible, the close of the church age. These restorative works will be provided by God’s new first eternal family and wife.

“For this reason, the first two members of God’s new first family will be enshrined as additions to the eternal Godhead at the judgment seat of Christ.

“This will be similar in principle to the second one-third that Jesus provided which included:

- (1) “New revelation.
- (2) “Remission of sin.
- (3) “New additions to scripture.
- (4) “Reconfiguration of the Godhead.

“These four works of God provided the second one-third of God’s works.

“These four new works of Jesus laid the foundation of the four new works of God’s new first eternal family; hence, providing the last one-third of God’s works before the Rapture:

- (1) “Restoration of the losses of Eve and Adam.
- (2) “The appearance of God’s new first eternal family.
- (3) “The rapture of the church and a sequel to the bible.
- (4) “The final reconfiguration of the Godhead.

“Yes, My son, you are now relearning what I said to you in 2011 and are amazed with wonder again. Continue this journey through notebooks No. 17, 18, 19, 20, 21, and now, 22.

“Do what you can to publish what I have given you, clothed in figurative language that may seem awkward at first, until your transition is complete. Until then, I realize you must write in prophetic types and figures instead of in My original words.

“My son, that is the way I work with My true prophets. There are times when it is expedient to speak and write in prophetic figurative language instead of in My words as I give them to you.

“So just proceed on this remarkable journey. And you are now seeing how remarkable your journey actually is.

“No one, My son, has traveled the road you are on – the road your aggressive faith walk with Me has shown you.

“In a similar fashion, no one, My son, has been a back-up for Jesus on the cross as has been the husband in My new first eternal family. That’s **NO ONE!**

“He is just as important to Me in what I have called him to do as Jesus was important to Me in what I called Him to do. Jesus, of course, led the way. But the husband has followed closely behind Jesus as he walks in His steps in his daily walk with Me.

“Now My son, back to you. Just write now as you have the time. You have letter No. 182 outlined and earmarked for content. Did I not say, “Enjoy your new (*writing*) ‘toy’?”

“No one has ever had such a new ‘toy.’

“Enjoy this as best you can and try and realize the true significance of what you are publishing. You are actually writing – that is, publishing – your own testimony as biblical scripture. No one has ever done that.

“Enjoy this new toy! Do your best, and I will accept the results. And realize I am enjoying this far more than you are because I am the Words you write.

“My Word is Truth.

“You are writing My Word.

“You are actually writing Me with your own pen.

“In the beginning was the Word. That, My son, is what you are writing – what you have written for years.

“No one – fully realize as you can – has been

given the wide range of authoritative blessings/opportunities I have given you – **NO ONE!**

“Now back again to the husband in My new first family – **he (with his new wife) are literally the last one-third of My restoration plan for man.**

“They will restore everything Eve and Adam lost through their sin. And **THAT**, My son, is what makes him first and his new wife second, in My final plan of the restoration of man.

“And that is not all.

“Surprises await both of them after the Rapture that will acknowledge My recognition of his calling. He will like and be surprised at what I have prepared for both him and his new wife.

“**And yes, My son, it has to do with My new Triumvirate.**”

Thursday, November 14, 2013

“And yes, My son, the wife in My new first eternal family will be educated like her husband, and will have the same aspirations that he has. I have matched those two perfectly. Would I do it any other way?

“And yes, she is just as anxious to meet him as he is anxious to meet her.

“Both she and he are musically talented. And as he has asked, I will enhance his musical capabilities when he becomes God Incarnate.

“I will likewise enhance her musical abilities when she is fully released.

“Remember, timbrels and pipes were made for Lucifer on the day he was created. Those two (the husband and the wife) are going to take from Satan **EVERYTHING HE STOLE FROM ME**, in his rebellion. Yes, those two will become **EVERYTHING** Satan was with the exception of the rulership authority which belongs to Jesus.

“In order for those two to restore **EVERYTHING** fallen Lucifer stole from Me, **they will need to be and will become as well qualified as he was** – the most beautiful of God’s creation, handsome, full of wisdom, perfect in all of their ways, musically talented and gifted as an anointed cherub. Since that means ‘angel,’ those two will have to await the Rapture for the rest.

“Handsome, the most beautiful beyond comparison, musically talented, full of wisdom, perfect in all their ways, supernaturally blessed in every area

above all others will both of them become, not just for My sake and for the sake of mankind, **but to flaunt in the face of fallen Lucifer, attributes he gave up.**

“Yes, I have implied to you these things, but it is time for you to know them in words. My son, the husband and his new beautiful wife will be the best I can do in the area of replacement to restore, not only everything Satan stole from mankind, but also everything he stole from Me as well.

“That is what those two will become to Me, My precious son. And not only to Me, but also to every man and every woman on the earth. Those two will excel over them all.

“And the most blessed thing about all of this is that both of them will have accomplished all of this in a sinful world ruled by Satan – right in front of his eyes, about which he can do nothing but stand by and watch helplessly.

“Those two will remind him of what he gave up which will add to his anger and rage so as to step-up his end-time activities in preparation for the Tribulation.

“My son, the husband will become much more than he has anticipated, none of which he has expected, but all of which I have planned from the beginning, to deceive and to overcome the deceiver and the overcomer.

“These are just some of the reasons both the husband and his new wife will be elevated far above what neither of them have anticipated.

“**AND** remember, I want both of them to enjoy everything I call on them to do because that will enhance greatly **EVERYTHING** I have called and prepared for both of them to accomplish for Me as Jehovah God.

“Don’t forget, I am Jehovah God, and for Me, the best is far beyond everything man has seen on this earth since Adam.

“And please believe, the Godhead bodily within them will be the source of their pleasure, happiness and exuberant joy.

“For far too long, My church has lacked these attributes with which both of them will be endowed. That is why I will showcase those two world-wide as the first new members of My new first eternal family and wife.

“My son, I will be showing off My new wife. Don’t forget how important that is to Me, and if to Me, then to countless multitudes as well.”

After a short pause, then the following words came:

“You cannot live with one foot in the church and the other in the world. You may neither possess nor enjoy the best of both the kingdom **AND** the world, for the world will keep you from the kingdom and lead you straight to hell.

“You cannot embrace good and evil, light and darkness, for evil and darkness will become your master.”

“Yes, My son, I am all you need because I am the Ancient of Days, the Supreme One, the Great I Am That I Am – far more extensive, far greater than you may at this point imagine.

“But the important thing is that you will actually become Me. That is what We have been working on since that forgiveness morning of September 27, 1996. It was then that We – yes, that’s right – We – when We started this journey together to transition you from man to God Incarnate.

“You were totally unaware of what I was doing in your life, but you were willing to be used. That’s what it takes – that’s **ALL** it takes to serve Me, My son – a willing heart is My greatest asset.

“But you wanted more than that.

“You aggressively sought more of Me – more aggressively than I – yes than I – was accustomed to giving. **You sought Me so aggressively, We had to prepare for you a place unique to Our principle mission.**

“Yes, you pushed the envelope – and I was the Envelope – so that I had to change or rearrange My designs for you to suit your aggressiveness.

“Then there is the husband in My new first eternal family. We retroactively arranged for him to be the back-up for Jesus to accommodate his aggressive faith walk with Us.

“Yes, he changed the agenda of the Godhead to suit his aggressiveness in his pursuit of Us.

“My son, that is rare – rare indeed. Much more so than you realize until you are raptured up to the third heaven where We are in total.

“Surprises await him at the judgment seat of Christ – that will humble him even more, for that is the way I work. Humility is the highest badge of honor in the kingdom, and he is being prepared for some unexpected surprises prepared especially for him – **AND** for his new wife **AND** for his new Son.

“That pretty well sums it up for the present, but I wanted you to have this in words for both your and My sake.”

“Reminiscing is alright, but only briefly. We have much more important things to do.

“Observe the things I have given you on man’s sexuality. You now know the truth on homosexuality and same sex marriage as the most flagrant flaunting of My directives on marriage and the home, out in the open for everyone to see.

“As I have said to you previously, abortion and homosexuality and now same sex marriages legalized, are the same thing – Satan’s disruption of the home.

“All of this is Satan’s evil, corrupting of marriage and the home as I designed it.

“And as you now know, the whole purpose of man may be summed up with one word: **MARRIAGE**.

“So your letter No. 179 on homosexuality and same-sex marriage is very important. Pull no punches. Use My words in the bible and My words to you on the subject.

“This writing, like all of your letters now, are supplements to the bible, but this one will be helpful as I release you into ministry, as a ‘back-up’ supplement to your ministry sessions when you teach on homosexuality and same sex marriages.

“I notice you have been concerned about making the correct – the proper presentation to the homosexuality community so as to dissuade them from their sinful condition. My son, **DO NOT DO THAT!** When I release you, I, Jehovah God, will provide **EVERY** ministry opportunity and will likewise give you even the words to speak.

“Your ministry will be precisely as was the ministry of Jesus. As you know, I provided even the words He spoke at **EVERY** ministry opportunity, and I will do the same for you. R e m e m b e r , y o u r ministries are much more important to Me than you may now grasp.

“I know you have not been through this before. Neither have I! But your training now has been **MORE** than adequate for Me, for you and for **EACH** of your ministries that now lie just ahead.

“Don’t forget. You are My responsibility, and I will provide you with **EVERYTHING** you need plus an over abundance of blessings I will pour out on you as no

other man has been blessed.

“All of the responsibility is on My shoulders.

“Give it to Me.”

“Yes, My son, My word to you on **MARRIAGE** is profound, but is also amazingly simple, isn’t it? That is the way of all of My revelation – amazingly simple.

“That is why I made the remark about children. A child may understand My words, for all of My words – actually, all of My revelations – are truth in the absolute, as yours will be.

“But, My son, My truth is **ALWAYS** hidden from the worldly wise, like (name omitted⁵), for example.

“This is why, My son, the pure in heart know more than the worldly wise.

“Intellectual knowledge profits little, but godliness profits in **EVERY WAY**.

“Godliness is the opposite of worldliness.

“Worldliness is of the world and may be obtained by self, which is the enemy’s territory. Anything that may be attained or obtained by self exclusively, is of the world and is in the territory of the enemy.

“This, of course, includes self attainment, such as the Nobel or the Pulitzer prizes, for example. Those attainments are all of self effort which may not be bad, but ends up in the glorification of self instead of Me. And I will have no other gods before Me and that includes **SELF**.

“Self Is Satan’s god.

“Self exalted becomes Satan’s god.

“Self denied permits Me to become God.

“My son, to serve Me, self must be denied.

“To serve Satan, self must be exalted.

“This, as you know, is how Satan rules the

⁵The name omitted is an individual, apparently an atheist, deceased now for many years, who was well known by me and my family before we moved to Dallas. He was successful by worldly means, but was infatuated with self. He had multiple opportunities to accept the Lord, but apparently turned them down. On one occasion, I remember that a faithful believer came from another town to, I believe, talk to him about accepting the Lord – spent part of an afternoon with him. Some time ago I asked God where this individual’s soul was and His reply was, “You wouldn’t want to know.” I remember it was said of him, while he was attending Texas A & M University, that one of his professors said in class one day that it was impossible for a woman (Mary) to give birth to a child without being impregnated by a man.

world, and it tells you of his brilliance – of his supernatural, cunning, evil brilliance.

“My son, Satan and I vie for man’s attention, for man’s affection, for man’s love.

“Satan does it with self.

“I do it with self denied, which allows you to *see*.

“To see, love and worship Me, self must be removed from the equation of life, or it will get in the way and steal the prominence for Satan.

“Satan wants the prominence that I have. Since he found out that is impossible, he then turned to self – to the self of man.

“If Satan can get man to recognize and exalt self, he (Satan) has won the battle.

“And yes, ‘battle’ is the correct name for life on the earth in a fallen world.

“The *battle* is for the life of man. When I win, it is life eternal.

“When Satan wins, it’s eternal death.

“You, My son, will become My most formidable weapon against the enemy ever to exist, even beyond Jesus, because your ministry will not be shielded or hidden or presented in types, figures and parables.

“You will be able to do battle against the enemy without restraint, openly and publically that **NO ONE** has thus far been equipped to do. Jesus, of course, as you know, was inhibited in everything He did because of the cross.

“But because of the cross and the resurrection, you will be able to do battle against the enemy beyond any I have called to ministry.

“And this, My son, is partly because of the time in which you live and partly because of your overly aggressive faith walk with Me. Both are necessary for My empowerment of your several ministries.

“So take heart.

“We are almost there.”

(The remarkable accomplishments of the husband in God’s new first eternal family are revealed)

“Yes, his (the husband in My new first family) Day of the Lord and his Day of Man are rapidly approaching. Since both of these ‘Days’ are of significance in **HIS** life, here is just **ANOTHER** milestone in the life of one man – and he is that one man.

“No other man has that significance attached to

his life.

“The Day of the Lord means that the Lord, once again, becomes dominant in the life of His people.

“The Day of Man means the very day that man, the day that fallen man, has at long last overcome the overcomer.

“To have that kind of significance attached to the accomplishments of **ONE MAN** has **NEVER** before occurred on the earth.

“So yes, remember, My son, he is My key ingredient in My defeat of Satan, which he (Satan) still does not believe – and he won’t believe until I unleash him (the husband) in all the fullness of the Godhead bodily against him.

“My son, as he requested of Me years ago early one morning over communion in his home, he has become My battering ram against the stronghold and the ramparts of the evil world, to complete what Jesus began at the cross and accomplished through His resurrection.

“Those Two, with Jesus leading the way of first significance, will forever defeat our common foe in a way he still does not think possible.

“So yes, his two Days of prominence and importance will mark the defeat (the end) of our common foe and the beginning of My beginning Day on the earth once more..

“Yes, no other man has ever experienced such a two-day accomplishment.

“So here again, he is My New First Man in My new first eternal family and he will become both on the same Day for Me, My son – for Me.

“That is what makes these two days so important in My life. They have both been accomplished by him for Me through love and devotion. And that is what even still thrills My heart.

“And this is only one reason why he will be the second man behind Jesus as the first to become enshrined in My finally reconfigured Godhead.

“Second only to Jesus – no one else has even come close to such an accomplishment for Me.

“And that is why his two-day day will cause rejoicing in the third heaven beyond description with Jesus leading the way, for he, My son, will complete what Jesus started, which will magnify even more, what Jesus did for Me and for him and for mankind.

“Good days ahead, My son.”
