Boldly declaring the new things of Isaiah 42:9 and the greater works of John 24:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Monday, February 24, 2014

"Yes, My son, the concept I gave you is correct. The thirteen of you will spearhead My last major offensive campaign against the enemy.

"This final campaign against the evil one will overcome him and his evil forces just as Jesus did two thousand years ago, but with more open aggressiveness and with supernatural anointing and power never before demonstrated on the earth.

"I am well organized along the lines of the Normandy invasion on June 6, 1945:

"General Marshall equates to God as first in command for planning strategy.

"General Eisenhower equates to Jesus as second in command of operations.

"Twelve God Incarnate apostles equate to the Generals in charge of each regiment.

"Victory is assured.

"Seven years after the Rapture the enemy will be bound.

"It will work!"

Wednesday, February 26, 2014

"You (We) are making progress.

"I know it's hard for you to believe, but this time it will work. The transitions will occur in your family at about Christmastime, this year.

"I have planned for Dale's family to be here for that reason.

"Need I say more?"

Saturday, March 1, 2014

THE TRUTH ABOUT THE BIBLE

"The bible is second-hand information, and the only reason we have it is because of sin.

"Sin pollutes everything it touches. When you are in sin, everything you touch is either polluted or it becomes polluted.

"There was no bible on Earth One nor will there

be need for a bible in the New Jerusalem.

"The bible – the written word – is essential only in a fallen world. Scripture is nothing more or nothing less than a written record of words God speaks to someone or to anyone. Those written words may be of benefit to those who have not been designated to listen to God's voice. To those, the bible becomes God's second-hand information chart to direct one's life.

"But in order to do that, you must desire for (or hunger and thirst for) the righteousness of God. Once you surrender to God so that He may deposit within you His Spirit, the Spirit within you enlightens the second-hand bible words into original rhema words. This is the way that dead, lifeless words come alive and become Life.

"The Spirit's light illuminates second-hand bible words into rhema. But that is not all. As that occurs, the presence of the Person of the Holy Spirit within you allows you to see everything in a different light. Things you previously looked at but did not see, may then be seen with enlightened eye-sight. Through your eyes, the light within you allows you to see things you never saw before.

"All things become new when the Holy Spirit comes to live within you as a permanent resident Person. Through Him, the Father and the Son speak with one voice. Through Him life may become new and exciting and liveable with the joy of expectancy.

"The cocoon of a butterfly depicts mankind enslaved to sin. That's the way you begin life. Then, as you hear and believe the Word, that Word will begin to penetrate the cocoon and gradually set free the life within. The progression of man within that cocoon is saved, born again, Spirit baptized and Godhead baptized to become God's body and cherished wife on the earth.

"Take time to learn to listen to God's voice. As that occurs, you begin the transformation into God-Incarnate perfection. That is God's objective for man and is therefore His desire for you. Through His new first family that may occur.

"Man's relationship with God is faith-based.

"Because of sin, man's relationship with God had to also become education-based.

“Man was God Incarnate on Earth One, and he will be God Incarnate in the New Jerusalem. Therefore, an education based relationship with God was not needed on Earth One; nor will it be needed in the New Jerusalem, because in both instances, God within man guides all of his activities.

“One reason Moses was ‘found’ by Pharaoh’s daughter was in order to be reared in the king’s palace and educated in the courts of Egypt. He therefore obtained the best education available in the known world at that time and was taught to read and write fluently.

“That is why Moses could begin man’s education-based relationship with God by writing the first five books of the Old Testament. The fact that he did that while being the pastor of those from two to three million Israelites is one of God’s great miracles. The Israelite slaves Moses led out of Egypt did not have that kind of education.

“The bible is a temporary expediency to give man instructions from God in a fallen world ruled by Satan.

“God’s new first eternal family and wife will be God Incarnate and will therefore have no need for a bible because the Godhead bodily within them will guide and direct their activities.

“Those who follow their example and walk through the four new doors they will open, will also have no need for the *temporary expediency*.

“One reason God is writing a sequel to the bible is because that document, will declare publically and forcefully, confirmed with signs, wonders and miracles, that God has finally become victor over the one who presently rules the world. Amen.”

Monday, March 3, 2014

“My precious son, the thoughts you had before getting out of bed this morning are thoughts you might use to conclude your letter No. 184. Although you will have other writing to do for Me (for Us), that letter is one of those unique one-of-a-kind letters.

“My son **NO ONE** on the earth knows Me like you do – and it all has occurred because you were willing to be taught to listen to Me, and since have been overly aggressive in your faith-walk with Me.

“And yes, it is a faith-walk – one day at a time.

“But the aggressive obedience of the husband in My new first family has catapulted him beyond all others except Jesus. That, My son, is a pregnant sentence, that, more than any other thing on the earth, may also apply to whomsoever will come to Me, says the Lord.

“My son, for many years you have drunk from My cup. You have feasted on living water for My words are a living Person, given to you daily over many years, one thought at a time.

“That’s the way of My communication. Thoughts, My son, are the language of the spirit world – both the good and the evil spirit world. But you have listened to Me for so long, you know My voice, so the enemy now does not bother or harass you with his fiery dart-thoughts.

“As your wife says, you are in a spiritual bubble, protected, maintained and sustained for My purposes only. That’s how far We have come since that morning when you did what Jesus did and laid your hands on an imaginary globe of the earth, and forgave everyone who has ever lived on the earth, everyone alive on the earth, and everyone who shall ever live on the earth. My son, that’s another pregnant sentence.

“**Then is when I called you to a special work** – but unknowingly. Because of your nature, you have exceeded My (Our) expectations three times so that you are on the fourth tier or plateau of My (of Our) call on your life.

“Yes, you will become Me, My son. As that occurs, I may then easily guide and direct all of your ministry activities because I, in My fullness bodily, will be within you.

“For you and the twelve to be anointed beyond that of Jesus to do greater works than Jesus did, is beyond the wildest imagination of My most ardent, devoted followers. So We have a little adjusting to do there, but it will be minor.

“When your work among My precious prodigals gets underway, that alone will get the attention of ‘the experts.’ But try and be gracious with them, My son. They will become your most powerful supporters once they see the light.

“As that occurs, your invitations to speak or to minister will skyrocket. Remember, I must approve your invitations to minister so We may do the optimum good.

“You will be living the life Jesus desired to live, but since He will be within you, you and He will make a formidable duo – a formidable team.

“Yes, Jesus even now looks fondly upon your preparation for ministry awaiting the time when you both will have free rein to do massive combat with the enemy. Remember, he is our target.

“You will be able to take from him in plain open view for the world to see, that which he has targeted to

steal, kill and destroy in secret.

“Be blessed, My son.

“What you are now doing for Me may not be done by anyone else on the earth – as you know.

“Then there is the husband in My new first family. No one, My son, and I mean no one, has ever been called by Me to do such a work that I have outlined and approved for him. Like I said, ‘Top dog to the Top Dog ain’t bad.’¹ To say it another way, ‘Signet ring authority from the King is as high as it gets!’

“Because of the length of your training, you will be better prepared for your release than anyone I have trained, except Jesus. You and He will have a lot in common.”

Saturday, March 8, 2014

at 3:26 PM

“Since the resurrection of Jesus, God and the Spirit are now the only two purely spirit Beings in the Godhead.

“The Word, which was originally a pure spirit Being, is now one with the spirit of Jesus or one with Him, who is now flesh and bones.

“Jesus is the only fleshly member of the Trinity. The other Two (the Father and the Spirit) are purely spirit Beings.

“Jesus today is still spoken of as God Incarnate because God Incarnate means the Godhead bodily encased in human flesh.

“Jesus is still flesh and bones and will remain that way throughout eternity.

“The reason is because fallen man had to be redeemed by fallen man. **It could have been done no other way, because when God created Earth One as His perfect Model for eternity, God exhausted all**

¹Here is the reason I sometimes include things like this humorous remark that God said to me: The fact that God has a sense of humor and would express things like this to me, is beyond the thinking of many faithful believers who have erroneously concluded from reading the bible that God is staid, formal and unapproachable, lest we get too close to Him or become too familiar with Him and make Him angry. How unlike that God is when once we learn to listen to Him. Once we know who God really is, He is someone with whom you would like to sit on the bank of a creek fishing with two cane poles and hope you might not get a bite that would interrupt the conversation.

Once you get to know Him, He is Someone you like to “hang out with,” because I do it every day.

spiritual means of rectifying His mistakes. That’s why Lucifer thought His rebellion would be victorious over God.

“**Jesus is the only fleshly member of the Trinity.** However, at His death on the cross, the Word (a spirit Being) became one eternally with His soul and His spirit (two spirit beings), while at His resurrection, the Word (as a spirit Being) became permanently fused or joined to the spirit and the soul of Jesus (two spirit beings), to become one with Him as a flesh and bones body eternally.

“Therefore, since the spirit Being Word became eternally grafted or fused into the soul and the spirit of the fleshly Jesus, the Word became eternally one with Jesus at His resurrection.

“Hence, flesh and blood fallen man was redeemed by flesh and blood sinless Jesus, who came through the sinful body of Mary, His mother.

“However, even though both blessing **AND** curses follow the male in God’s order of things, Jesus came forth from the womb of Mary, who, like everyone else since Adam, carried the adamic sin curse and sin nature.

“Therefore, from sinful woman came the sinless infant Jesus, whose birth circumvented the Adamic sin curse and sin nature because:

(1) “the Spirit of His Father fertilized the egg in Mary’s womb with a ‘y’ chromosome to bring forth an ‘xy’ chromosome male infant Jesus, and because,

(2) “both blessings and curses **follow the male** (in this case the Spirit of His Father) in God’s kingdom because,

(3) “Adam was made first.

“This is what fallen Lucifer overlooked when he rebelled against God as the ruler of Earth One.

“God, the Father, and God, the Spirit, are pure spirit Beings. Jesus, the second member of the Godhead today, is the only fleshly member of the Trinity, who is still flesh and bones, but no longer subject to physical laws since His resurrection.

“Jesus is still flesh and bones, governed by superior spiritual laws, while the other two Persons of the Godhead, the Father and the Spirit, are pure spirit Beings.

“Here is the reason Jesus became a God Incarnate

member of the Godhead bodily eternally:

“First, the original Godhead was three pure spirit Beings: the Father, the Word and the Spirit, while both the spirit and the soul of man (Jesus in this case), are also spirit beings.

“Immediately after John’s baptism, the three pure spirit Beings (the Godhead bodily) entered the sinless, fleshly body of Jesus, when He temporarily became God Incarnate until His death on the cross.

“At His death, the spirit and the soul of Jesus immediately became one again with the Godhead bodily, to descend into the heart of the earth to preach to the spirits in prison.

“Three days later, the fullness of the Godhead bodily, who were still one with the spirit and soul of Jesus, re-entered His dead body, in resurrection. At that moment, the spirit and the soul of Jesus became permanently fused into or with the spirit Word (three spirits), to become one with Jesus as His new name (The Word of God) and as His permanent **DNA** identity. Simultaneously, the Father and the Spirit became permanently incarnated in (or within) His fleshly physical body as God Incarnate Jesus, who (now as the Word – His new name) became the second person of the Godhead eternally.

“Jesus made the way for the complete restoration of mankind through God’s new first family. He opened the door that those two walked through to God, which provided their entrance into the same God Incarnate walk Jesus had, in order to restore man and woman to their station in life experienced by Adam and Eve before they sinned.

“God’s restoration of man had to come through His new first family.

“God’s restoration of woman and man to their original God Incarnate estate, likewise, had to come through a woman and a man, that is, through God’s new first family, soon to be released.

“God’s complete restoration of man had to come **through the sinful flesh of man** because God used all of His immutable spirit-words in the creation of Earth One, its rulers, its inhabitants and its abundance.

“Both members of God’s new first family, as well as Jesus, are that sinful flesh. **Jesus was of sinful flesh** because Mary carried the Adamic (Satanic) sin curse and sin nature.

“The lack of the knowledge of these things prompted Lucifer’s rebellion. Here is what was behind

Lucifer’s rebellion against God: Lucifer thought he could steal God’s creation because he (Lucifer) knew God could not create another perfect model Earth One to include its rulers and its inhabitants.

“And Lucifer came close to being right. So close, in fact, that it took millennia (approximately five thousand years) just to plan God’s new beginning with Genesis 1:3 to redeem Himself completely through sinful, fleshly man. To that add another seven thousand years to the Great White Throne judgment. Then add another approximate five thousand years for the life of Earth One before its destruction (that’s approximately seventeen thousand years). To that add the billions of lost souls who have followed Satan to his reward and you have some idea of the cost of the redemption of mankind from the grasp of a fallen Lucifer.”

Sunday, March 9, 2014

“Now, after reading My words in your notebook number nineteen last night, you know your next assignment. I said that it all would not be ‘pretty’ or pleasant.

“You are going to see how it is that the enemy does his specialty: death – that I am forced to see – that I am forced to observe – 24/7 world-wide.

“The bright side of that, however, is that in notebook number nineteen and beyond, you have revelation given to no one else on the earth.

“This will emphasize the fact of My recent revelation to you – that I must look to fallen man to rectify My mistakes. That is why, ‘Here am I, use me,’ are words I long to hear from My people.

“That offer, plus learning to listen to Me 24/7, is the reason I will soon release thirteen God Incarnate apostles to bring in the final abundant harvest in preparation for the Rapture.

“My son, many of My prophetic writers wrote what I gave them without knowing what they were prophesying.

“But you, My son, are going to write – you have already written – some of your future activities – and those of others – knowing full well, not only what you are prophesying, but that you, My precious son, are one of the main characters about whom you are prophesying.

“My son, this has **NEVER** previously occurred on planet earth!

“Then there is the husband in My new first family. There is no way for him to know – no way that I may reveal his importance to Me until I rapture him up

to Me. Only then, after his enshrinement into the Godhead to become one with Jesus, will he even begin to see what I am preparing him to do – to accomplish for Me as Jehovah God.

“My son, you must write about the fact that I must use sinful fleshly man to accomplish **EVERYTHING** necessary to get to the New Jerusalem.

“Again, only after his (the husband’s) enshrinement will he begin to know **AND** to understand what he means to Me.

“Yes, My New Triumvirate is not only special to Me, they are the key to the New Jerusalem **AND EVERYTHING** that will occur between **NOW AND THEN!**

“Again – it will be good for you to write about My being forced to redeem Myself, My ruling authorities, My poor earth and My abundance, to include My beloved wife eternally, through, with, and by fallen man.

“This is what fallen Lucifer thought to be impossible because he did not believe I was capable of doing such with, by and through fallen, sinful man.

“This is what prompted Lucifer’s rebellion against Me.

“My son, for **MILLENNIA** I have longed for someone – for others – to whom I could bare My hurt – My soul. And realize full well that all of this, after Jesus, began first with the husband in My new first family – then with his new wife – then with the remaining eleven God Incarnate apostles, who will follow his soon release to Me.

“Yes, that’s what his release will be. It will be his unrestricted release to Me, My son – his release to Me to war against our common foe. Then, even though his new wife is already released (veiled) to remove the stigma from womankind, he will be second in importance to Jesus in My overall recovery and restoration program to redeem Myself and My creation from the grip of Satan.

“And yes, realize that Satan cannot die, because I created him to rule the earth eternally. He and everyone who follows him will be banished into the lake of fire eternally.

“That may be hard for you to wrap your mind around, but it is My Truth.

“My son, that, in principle, is true of

EVERYONE I form in the womb. **EVERYONE** I form in the womb **HAS** eternal life – that’s **EVERYONE!**

“Although you have previously realized this in your thinking, I have needed to say this to you in My words so that you may both know and publish this for Me.

“I want these things to be published because they are My truth for today.

“You are the first one, after Jesus, to know these things, so they must be written for Me by you.

“Before We are finished, My son, you will know how important the husband in My new first family is to Me – and how important My new precious Triumvirate is to Me and to mankind.

“My new Triumvirate is My triumphant method and way that I have devised to redeem Myself from and through sinful flesh.

“My Triumvirate, My son, originated – that is, all three members originated – through and from sinful flesh – **an occurrence Lucifer thought impossible.**

“And that, My son, is what prompted his rebellion against Me.

“He (fallen Lucifer) did not think that I could take his mess and devise from it My message of redemption and restoration for both Myself **AND** for My creation.

“That is why it has taken so long.

“And now, My son, you know the full story – the complete story, in principle, of:

- (1) “what I faced when Lucifer failed,
- (2) “the devastating effect that it had on Me, and
- (3) “how My recovery **AND** restoration program

was devised.

“**No one, My son, knows these things but you.**

“And these things **MUST** be made known – and you are not only My designated writer to proclaim them, but you are also **THE ONLY ONE** to whom I have revealed these things.”

Tuesday, March 11, 2014

“I have never called anyone to do a work for Me without providing more than enough to accomplish that assignment. And you are no exception

“Just continue along the pathway I have chosen for you, knowing full well that, yes, I know even your thoughts, and that nothing escapes My attention.

“Remember, our foe is the enemy. Focus on Me and My call on your life, that he may suffer his first total defeat at the hands of My Triumvirate, of which the

husband in My new first family is number two in that final arrangement, to defeat our common foe and to rule the earth for a thousand years.

“Yes, that is new.

“It is new like believing in Jesus provides eternal life, while that may seem to be an oxymoron, because **EVERYONE** is born to eternal life, and belief in Jesus directs **WHERE** you spend it.

“Many of My sayings are for the unbelievers.

“Death is not normal.

“In order to escape death one must believe in Jesus, but he must die to escape death.

“So what I do is to give My words to My prophets so as to encourage anyone – everyone – to accept My way to escape the way of the enemy.

“In truth, belief in Jesus allows one to escape into **ETERNAL LIFE** with Me, surrounded with My abundance.

“To be understood, **ETERNAL LIFE** must be compared with **ETERNAL DEATH**, the result of following the enemy. There is the real comparison.

“Eternal life with Me and My abundance, compared with eternal death is the real comparison. Eternal death is the plight of Satan and his followers. Eternal life is the gift of those who follow and believe Jesus. That states it very succinctly and clears up any conflict or doubt.

“You know what ‘eternal death’ is because of what you have read. You know what ‘eternal life’ is because of what you have read and because of whom you know and because of whose you are.

“So, My son, I got it right the first time if you will think it through, because **EVERYONE** is born to live eternally. It is either eternal life or eternal death.

“Yes, it is true that one must die in order to achieve **ETERNAL** life, but the enemy caused that. He is our foe.

“Eternal death is when and where one is in a constant state of death or dying, while being unable to die to stop the torment.

“Eternal life is when and where one is in a constant state of supernatural, God filled, God Incarnate life, while experiencing My super abundant provision eternally.

“And yes, because of My original mistake, everyone born in time today begins to age from the

beginning. And age leads to death. I had to make it that way to overcome the overcomer. But there is where the husband in My new first family comes in. “Through him and his new wife, man will be offered eternal life without dying. Yes, that is true.

“As he and his future new wife come forth as God Incarnate apostles and marry, that will get the attention of our common foe. Then as their God Incarnate Son is born, **THAT** will get the attention of Satan big-time.

“Then is when he knows of his ultimate defeat, because I will have accomplished the impossible to bring forth from sinful, fleshly man, a God Incarnate family as a permanent addition to My family.

“This is so significant that it will become My standard for man, like Jesus changed or became My standard for man.

“The enshrinement of My new first family will occur after the Rapture at the judgment seat of Christ. At that time, those two will become one with Jesus to form My New Triumvirate. They will rule during the Millennium. Those Three will govern through Christ as the Three now govern through the Father.

“My son, the Triumvirate is essential to My plan because of My new first family. As Jesus restored man to God, My new first family will restore to both woman and to man **EVERYTHING** they lost by sin, to include My abundance.

“That restoration must occur in order for Me to bind Satan in the Abyss for the thousand years. I do not have the authority to bind Satan until the effect of his curses on woman and on man are lifted.

“That is what My new first family will do for Me. They will completely negate the affect of the original sin of Eve and of Adam in Eden. Those two will lift three curses from mankind by their sinless lives lived before Me and before the world as they begin their God Incarnate ministry to Me first – then to a reluctant church and to the world.

“Yes, My son, those two are essential to My final plan for man.

“Let Me repeat. The curse of sin in the garden of Eden **MUST** be reversed in order for Me to return for the Millennium. So long as the curse of death exists, Satan is in charge, and My hands are tied.

“That curse MUST be lifted to negate the work of the enemy BEFORE I will have the authority to bind the enemy.

“The Satanic (the Adamic) sin curse of death has prevailed since sin in Eden. That curse is proof of the enemy’s control of the world. That curse **MUST** be lifted to prove My authority over our enemy.

“That, My son, is the purpose of My new first family. They will provide the missing link to restore My authority over the enemy.

“So long as the curse of death prevails, the enemy is in control. Until that curse is lifted or negated completely, it is visible evidence of the enemy’s control of the world and of kind who lives therein.

“That’s why the husband in My new first family is. He and his new wife will demonstrate to the enemy and to the world that I have erased the enemy’s mark on man, which is the curse of death in the world. The elimination of the enemy’s work in Eden **MUST** be completely negated to demonstrate My authority and power over him in order to bind him for a thousand years to begin the Millennium.

“There, My son, is the reason for My new first family and for My New Triumvirate. Those three will be My means of overcoming the enemy. The work of Jesus is first in importance. But the work of My new first family is also essential to confirm My authority over the enemy.

“My son, those three, as My new Triumvirate, will be the means whereby I may once again be in control of My creation.

“The husband’s part and the part of his new wife and Son eternally, will be revealed after he (the husband) is enshrined into the Godhead at the judgment seat of Christ.

“Good times ahead, My son!

“Be prepared to see an abundance never before demonstrated to the world.

“The husband’s abundance will bring many to Me.

“My son, let Me say this to you again. Satan has his mark of dominance on man that was established in Eden. I must demonstrate a removal of that mark of

authority in order to bind him and his evil forces. **I do not have that authority now.**

“Only as I demonstrate to the enemy and to the world My authority over Satan, do I have the right to bind him for the Millennium. My new first family, as they demonstrate that authority, will restore to both woman and to man **EVERYTHING** they lost through sin.

“That may be accomplished by not only one, but by two sinless lives, to become My new first family.

“The sinless lives of those two will be accomplished through the same Spirit that brought forth Jesus from the womb of Mary, but in those two, it will be done retrospectively (*how*) and retroactively (*when*) in time, instead of concurrently in time as it was with Jesus.

“But the results will be the same.

“It has taken three sinless lives to bring forth My victory over the enemy. That is why those three will become My new Triumvirate.

“Satan thought it to be impossible for Me to bring forth three sinless lives from fleshly, sinful man, to overcome him. But that is what occurred.

“Jesus came forth sinless, concurrently in time by the Spirit.

“Both members of My new first family came forth sinless, retroactively in time by the same Spirit.

“Now, My son, you are beginning to see who and why the husband in My new first family is.

“This is why the two of them will receive accolades, honor and reverence no two have ever received on the earth.”

Tuesday, March 18, 2014

“War is when you give someone a gun to kill someone else before he kills you.

“War makes animals out of men.

“Enormous profits are made from war on both sides of the conflict because production of the war machine is paramount at ‘whatever the cost.’

“My son, wars are of the enemy and war is the only way he may be conquered. It is a conundrum.

“When We rule from Jerusalem, peace will be enforced. Enormous gains will be achieved when a world government will pursue peace under My terms.

“When one comes to serve instead of to be served, My will may be done on the earth.

“You will enjoy the administration of a peaceful

economy in Jerusalem.

“Your wait will not be long.

“Your faithfulness to Me will be long remembered – will never be forgotten.

“When ‘I will never leave you nor forsake you’ is pledged from the heart by both parties, peace is the result.

“In the absence of Satan, sin will not abound. The administration of peace is pleasurable when everyone becomes a servant.

“That kind of conduct exists now in the third heaven – the New Jerusalem-in-waiting.

“That is what will descend on the earth after it is cleansed – after it is cleansed by fire.

“There are things prepared for you, My son, beyond your dreams. The future holds marvelous things for you and for Me.

“I’m excited about it!

“Do you now see what My training has done in you? Regardless of what your thoughts may be, they may always come back to self.

“When seen by revelation, it is always simple.

“Having your eyes on Me does not allow you to abuse others, but to serve them.

“My kingdom is one of servanthood. That’s the key.

“I washed the feet of Judas.

“Grace and mercy is more powerful than law.

“Serving is more powerful than being served.

“Grace and mercy melts the heart of the sinner – if it can be reached – if the timing is right.

“Be a servant, My son.

“Wash the feet of – serve those who would do harm to you.

“Two boatloads of fish convicted Peter when My presence failed to do so.”

Sunday, March 23, 2014

“My son, Christmastime of this year holds great significance for your household.

“Your delight to serve Me is the delight of My life. Nothing excites Me more than a grateful heart turned to Me for direction.

“That, My son, is what motivates Me as Jehovah God. Yes, that is right – a grateful heart is My way to motivate to serve.

“My son, I live to give. What motivates Me is one who is willing to receive, for I am a willing and

cheerful giver to those who ask in My will and My true resources are without limit.

“My son, when I release you, what you are able to do – what you are allowed to do for others – is the most powerful spiritual warfare at your disposal.

“Giving, My son, is My most powerful weapon of choice. For God so loved the world that He gave – and continues to give to those with hungry hearts.

“A hungry heart is a heart longing for Me.

“Come unto Me – bring Me your hungry heart that I may fill it with My love – with My overflowing, endless, abundant love.

“My son, since I live to give, I am fulfilled by giving.

“Tell others that I want an opportunity to give to **EVERYONE** and that I have the resources available.

“My son, My resources to give to others are without limit.

“All I need is one who desires to serve Me – to put Me first – to give Me the glory for everything I have provided. Only then may man discover who I really am.

“I live to give.

“When My cup runs over is when I find someone who lives to receive from Me with joy and thanksgiving. That one will become a light to the world.

“My son, I want – I need – others to so desire Me that My overflowing abundance will seek him out for My abundance.

“These are words for you, My son.

“They are also words for all who desire to serve Me.

“And nothing fulfills Me like desiring to serve Me.

“Shout this to the housetops, My son, it is true.

“Nothing fulfills others like desiring to serve Me.

“Shout this to the housetops, My son, it is true.”

Later in the day

“Since the Son now is inclusive of the eternal Word, there was nothing lost in the reconfiguration of the Godhead; something was gained: The Son, whose preeminence is superceded only by Jehovah God, Himself. But that is not all

“Another reconfiguration of the Godhead is in store for the future.

“While the preeminence of Jesus is second only to the Father, two others who will follow Him will do things that only those two may accomplish. Those two

will have preeminence over all others after Jesus because those two, by their sinless lives, will reverse the three curses God pronounced on woman, on man and on their abundance.

“Those three curses must be reversed to remove the mark of Satan from God’s people. And this must be done so as to remove the mark of Satan’s eternal authority to govern the earth and its people that God originally gave to Lucifer for eternity.

“Satan thought God would be unable to remove his mark of sin and death from mankind. Jesus did that partially at the cross. God’s new first family will take the next, but the essential step to remove from God’s family completely, Satan’s mark on God’s family.

“That mark will be removed first by the two members of God’s new first family. By their sinless lives, they will become God Incarnate to assume the lives of a third ‘Adam and Eve’ (a third new beginning) to become a new God Incarnate bloodline to forever establish God’s perfect bloodline on the earth never to be violated by sin.

“Satan’s sin in Eden violated God’s right to His own people and precluded His ability to fulfill Himself through them. God’s new first family will reestablish God’s right to His own people that was stolen by Satan.

“This activity by God’s new first family will announce to the world and to the church, God’s ability to recover the eternal authority to rule the earth, originally given to Lucifer. God’s new first family will, by their sinless lives lived in a world ruled by Satan, take by the force of their perfect lives lived for all the world to see, everything lost by the transgression of Eve and Adam in Eden.

“Then the birth of their new God Incarnate Son will announce to Satan that he has lost his authority to rule the earth forever.

“This is why My new Triumvirate is so important to Me, My son.

“My new Triumvirate is My surprise to Satan first – My surprise to My precious prodigals second – and my surprise to My poor church third.

“My new Triumvirate is My previously unannounced answer – My previously unannounced way – to deal with Satan forever. My new Triumvirate was My only way available to overcome all of My mistakes – all of My failures – to wrest from a fallen Lucifer his absolute authority to rule the earth forever.

“In preeminence, Jesus by far, is number one.

“Secondly in preeminence, however, is the husband, then the wife of My new first family.

“Those three are My new Triumvirate. Those three are My new revealed secret weapon to defeat Satan on his own turf, within his own terms – all of which he thought impossible.

“My new Triumvirate will demonstrate the possibility of the impossible – all to My delight as Jehovah God.

“But the husband in My new first family, as number two in My new Triumvirate, must be prepared to have assignments he will not enjoy.

“He will enjoy wresting from Satan by supernatural force those who have been deceived by him.

“Then, however, the penalty – enforcing the penalty for resisting My many offers to follow Me – he will not enjoy – will not be joyful responsibility.

“But remember, he has been just as carefully prepared for **BOTH** responsibilities. And **BOTH** are essential to forever deal with Satan, for Satan is our target.

“We must deal with him and his influence forever to establish once more My role on the earth. That, My son, is his assignment and the responsibility of My Triumvirate.

“My new first family is (was) essential to the establishment of My new Triumvirate.

“The husband in My new first family has been brought forth from the womb of his mother for just such a time and for just such a purpose as this.

“He must be prepared for reverence, for accolades and yes, even for worship, never before experienced on the earth. He already knows that and I will instruct him on how to handle such things as they occur.

“And now, My son, concerning your soon release and the beginning of your several ministries, have a field day with your sense of humor, but the same thing will apply as you deal with your gainsayers and with your naysayers. I have said this to you before, but if things get a little too ‘sticky’ – or just a little ‘out of hand,’ I know how to handle such matters, not to the detriment of your ministry, but to the enhancement of your ministries.

“And I, as well as you, will delight in handling matters such as these.

“My son, there is more. But this is enough for you to ‘chew on,’ or to take in at one setting. There will be more. I will give you more, as this sinks in – as you become comfortable with these facts – more will

follow.”

Saturday, March 29, 2014

“Yes, My son, today is the birthday of your firstborn and you know why I have him. As you wanted to ‘return the favor,’ so it has happened as you have desired.

“My son, when your desire will glorify Me, that desire is fulfilled **BEFORE** it occurs in your mind.

“Learn this principle well. Anything – everything – you say, believe or desire that will be for My glory, is a ‘done deal’ before the fact.

“Isn’t that simple?

“And yes, I have My hand on Roy Warner to assist you. Leave him to Me as best your heart is allowed to do and yes, you will (already have) be able to bless him – I will see to that personally.

“And yes, I saw your complete exhaustion yesterday. And yes, I see your physical limitation in strength and in energy. As best you can, conserve both for Me and My call on your life to include the necessary days without fear or fret just for Me. I’ll take care of the rest.

“And yes, once again, I am excited about the husband, his new wife and their new God Incarnate Son in My new first family. Since the Word of eternity has been engrafted within Me to become one with the totality of My Being, believe that I and the Father have looked forward to their coming-out party for longer than they – longer than anyone – may even consider. Since the planning after Lucifer’s failure, to be exact.

“Yes, it’s true.

“Since **EVERYONE** on Earth One was God Incarnate originally, that was My perfect kingdom or My perfect economy, as you call it. You may call it either or both, for both concepts contain the principle of completeness – a complete self-sustaining conceptually perfect world with Me at the center to bless Me first – to bless, maintain and sustain mankind second, for eternity.

“My son, you have written correctly. I have other ‘space ships’ as you call them, out there seemingly ‘floating’ in space on ‘nothing’ but My sustaining power beyond our solar system where only My light prevails.

“As Jesus, the husband, his new wife and their new God Incarnate Son are four necessary people, so the other ‘space ships’ are My necessary planets, all for My glory, My son.

“My son, listen to Me. The wishes – the desires of your heart, spoken or unexpressed except in thoughts, will all be fulfilled because I, Myself, that is, My presence in your life, has prompted them.

“My son, that’s the way it is in My kingdom, for since I live to love and to give, that will be the trademark of **ALL OF MY** worlds one day in the future.

“Nothing escapes My notice, My son – nothing.

“The reason is that I created **EVERYTHING** and each is sustained by My sustaining presence.

“Isn’t that simple?

“I hold things together by the power of My surrounding (omnipresent) presence. Therefore, they cannot fail so long as I am at the center.

“But the unfortunate thing about My surrounding sustaining presence is that My creation of man and the heavenly hosts was forever.

“All one must do to be sustained forever in My kingdom is to remain faithful to Me.

“But the opposite is also true. To remain faithful to our common foe means to follow him eternally into his rewards.

“I have an uncontrolled hatred for sin because sin is walking in disobedience to Me.

“Teach this My son – teach it forcefully without apology, as I know you will.

“Shout it to the housetops, for it is true. This is why My word should be obeyed to the letter, whether you understand it, or whether you understand why, My word **MUST** be obeyed, or you venture into the area of My hatred for sin.

“Sin, My son, is the enemy’s bait to lure you into his evil ways of lust and pride, all of which are of the five senses of self.

“Teach and preach this, My son. I have a hatred for **ANYTHING** that will lure one into the camp of the enemy. He is our target upon your release, to which I and the whole heavenly hosts look forward.

“You have no way to know of your importance to Me until I rapture you up to Me at the judgment seat of Christ. Then and there a surprise or two await.

“My son, you are far more important to Me than you may now imagine – because of My teaching, I realize, but nevertheless, true.

“Don’t forget, Christmastime this year is a signal event in your life.

“And remember, I am coming back at a time when you think not.”
