Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Friday, April 4, 2014

"I awakened at 5:00 AM with transitions at Christmastime, 2014 on my mind.

"And yes, at this time of morning, you feel good – you feel refreshed, don't you?

"Did I not say that I would provide **EVERYTHING** for **EVERYONE** I call to do a work for Me?

"And you, My son, are no exception, except in one area. You are an exception in that I have **NEVER** called **ANYONE**, nor will I ever call **ANYONE** to do such a work (actually such works) that I have called you to do.

"And yes, I wanted you to feel abandoned so that you needed Me to provide – that you needed Me to provide **NOW – EVERYTHING** you need to serve Me.

"And now, you have passed My last test.

My son, I wanted you to be **TOTALLY** dependent upon me for **EVERYTHING**, including the physical strength and energy to serve Me – to complete My call on your life.

"You will remember, you told Me that you would **NEVER** forsake Me, but that you could not enjoy preparation for My **TOTAL** call on your life – and that you could not continue to serve Me as My writer without My actually providing the physical strength and energy to do what I have called you to do.

"Now that you are totally dependant upon Me for **EVERYTHING**, I may now get the glory My son – **ALL THE GLORY** for your life – even for the physical strength and energy that you need daily to serve Me.

"My son, now you are completely Mine.

"You are totally dependent upon Me for EVERYTHING, including daily physical strength and energy to do even the simplest tasks.

"Beginning today, you will have more than adequate strength **AND** energy to do **EVERYTHING** I have called you to do, even to providing the necessary things to do for Dale as she needs you.

"And your desire to do My calling on your life to write a sequel to the bible will return. You will henceforth have the interest **AND** the desire to be My **END-TIME WRITER** of My sequel to the bible.

"My son, I know this has been hard on you physically, but I needed for you to be **TOTALLY** dependent upon Me for **EVERYTHING** so that I would get the glory for **EVERYTHING**, even for the **strength and the energy just to live daily and respond to My call on your life.**

"Now you are Mine – completely dependant on Me for everything so that I, Jehovah God, may now get the glory for **EVERYTHING** you require in order to fully and completely answer My call on your life.

"Now you are **TOTALLY** Mine so that it is **MY** physical strength **AND MY** physical energy that permits you to respond to My call on your life.

"Henceforth you are Mine **AND** I am yours.

"And that is a partnership that CANNOT FAIL.

"I had to get you to the point where you could not physically do what I have called you to do – where you literally did not have the physical strength **AND** energy to do what I have called you to do, so that I, My son, could get the praise **AND** the glory for **EVERYTHING** I have called you to do.

"Then there is the husband in My new first family who is also special to Me. No one, and I mean **NO ONE** has ever been called to become number one behind Jesus in the still-to-be configured Godhead, but him.

"So, as Jesus was, he likewise, is unique as another of My one-of-a-kinds, second only to Jesus, to answer My call – actually My *calls* – on his life.

"Like Robert Morris – he now has given Me **EVERYTHING** so that I, Myself, would need to daily provide for him everything he would need to respond to My call on **HIS LIFE.**

"And now, like you, he is Mine and I am his – another partnership that cannot fail.

"He has joined My inner family circle – a place **NO ONE ELSE** could fill. Only after the Rapture at

the judgment seat of Christ will he know what he means to Me.

“The husband, then his new wife in My new first family will also be admired, lauded and revered beyond that of anyone I have called to a major work, to include Jesus, because My call on Jesus had to be shrouded in secrecy until the first Pentecost after His resurrection.

“His ministry, and that of his new beautiful wife, will be without restraint. I will showcase him, then those two, then those three, as none have ever been previously – to My complete satisfaction and joy.

“Jesus and I will be living his life within him and enjoying **EVERY MINUTE** of it with him as he becomes God Incarnate.

“And he will **NEVER** be at a loss on what to do or on what to say, because We will be in him guiding all of his ministry activities. That way all three of Us in the Godhead, as well as him and his new wife, will be living a life of victory over the enemy **NO ONE** has previously been able to live.

“My son, the husband and his (My) new first family will render a coup’ de grace’ to the enemy that **NO ONE** else has been prepared to do.

“His enshrinement ceremony will be unique in the third heaven – and also, nothing like that has ever occurred in the third heaven. He will be showcased in his ministry, but he and his new wife will also be showcased in their enshrinement in the third heaven.

“He and his new wife will be heralded as **NO TWO** others have ever been or as no two others will ever be.

“Enshrinement into the Godhead, My son, is far more special than he may envision until he witness that event.

“My son, you will enjoy your writing hereafter.

“Your God shall supply all your needs according to His riches in glory by Christ Jesus.

“Forget not the importance of Christmastime, 2014.”

Tuesday, April 8, 2014

“Did I not tell you that your desire to write would return? Dismiss any thought contrary to that – contrary to that known fact.

“Remember? I speak truth.

“As you lay in bed this morning, the beginning of your letter Number 186 materialized in your thoughts. That’s the way it works.

“Remember, because you were led to pray (1)

the Six Measure Standard and (2) the nine-point prayer back to conception in your mother’s womb retroactively and retrospectively, you now stand before Me sinless as did Jesus before He was baptized by John.

“You now stand before Me sinless, without either the Satanic (or the Adamic) sin curse or sin nature, and you have proven yourself to Me in obedience, faithfulness and trustworthiness, because you passed the Six Measure Standard that Jesus passed in His training for the cross.

“My son, like you, the husband in My new first family also stands before me sinless. Because he volunteered his services to Me – his life to Me – for something – for anything I needed that had **NEVER** been done before, he then, became My back-up for Jesus on the cross.

“Then as Jesus proved Himself on the cross, he (the husband) did not have to be crucified in His place.

“That’s why he is My number Two in importance among all who have lived on the earth.

“Because I have **NEVER** before said these words to you directly, but only previously by implication, I needed to say them to you as a matter of record.

“And he, as well as his new wife and the eleven, have attained his pre-God Incarnate status in a world ruled by Satan – right in front of him and his evil forces.

“Need I say more?”

“There is really no more I can say about his importance to Me. For this reason, a surprise or two awaits him at the judgment seat of Christ – along with his very special new God Incarnate wife and his new God Incarnate Son.

“No one – no two – and no three have **EVER** existed as he and his (My) new first family have existed.

“A surprise or two awaits all three of them at the judgment seat of Christ in an enshrinement ceremony in the third heaven, that never before has occurred.

“For these reasons, I will somewhat limit his participation in public events because of (1) the large number of activities he will be involved in for Me, and (2) because of the accommodations and security measures needed at his appearances.

“For these reasons, he will translate himself to most appearances or appointments. This will utilize his time and his capabilities to a greater advantage.”

Wednesday, April 9, 2014

“Yes, My son, as you said last night, you struck gold – not oil – but gold in your notebook number nineteen. You may do bloodless spiritual surgery as you choose in writing those words. But the important thing is that My truth about the husband in My new first family, and as My new first family to become enshrined in My new Triumvirate, is new and should become known.

“Those two occurrences will announce that I, as Jehovah God, have come full circle and have overcome the enemy.

“This projects him, his new wife, and yes, his new God Incarnate Son, into My roles of importance unknown to anyone outside of him and his future wife, except you as my writer.

“He has yet to see – yet to realize – the importance to Me of himself **AND** of his new wife.

“My son, rejoicing has already begun in the heavenlies – in the third heaven – over My accomplishments through him and his new wife.

“Yes, the other eleven are important, but those two are in a **SEPARATE CLASS – A SEPARATE CATEGORY** – from the other eleven.

“Yes, he (the husband) will participate in My last great awakening – yes, he will do some of the things the other eleven will do – but he and his new wife go far beyond that.

“Those two, by the sinless lives they live, as they become one in marriage, will allow Me to reverse My curses on woman, on man and on their abundance! This means that I, as Jehovah God, will have accomplished the ‘impossible’ through a sinful woman and a sinful man, made sinless retroactively back to conception in the womb of their mothers, to come forth as living sacrifices and as living examples of My original plan for man.

“And all of his has been done in full open view of the world, of the church and of the enemy and his forces.

“My son, this, meaning the husband and his new wife in My new first family, are far more important to Me than he (the husband) may imagine until his enshrinement at the judgment seat of Christ. There he will become number one after Jesus, and his new wife will become number two after Jesus. Or said another way, those two will become number Three and number Four in My finally reconfigured Godhead, in order to be

enshrined in My new Triumvirate to rule during the Millennium.

“Those two, that is, the husband and his new wife, will be able to greatly assist Jesus in both judgmental and administrative decisions because they both have lived lives Jesus know nothing of.

“Jesus never knew the responsibility of a wife – of a family – including children whom to rear and for whom to provide.

“For these reasons, those two will be of help to Jesus in decisions that involve others who have lived a life under the Adamic (Satanic) sin curse and sin nature that Jesus knew not of.

“Jesus knew not of a life lived under that Satanic sin curse and sin nature.

“He knew not of the life of a single man with the sin curse and sin nature in Satan’s world.

“He knew not of the life of a single woman with the sin curse and the sin nature in Satan’s world.

“He knew not of the life of a married man, with a wife and children for whom to provide in Satan’s world.

“He knew not of the responsibility of marriage and of the home in Satan’s world.

“In all of these things, My son, the husband **AND** his new wife, have been chosen by Me, just as I chose Mary **AND** Jesus for their **MOST** important part in My restoration plan for man.

“The role of Jesus will **ALWAYS** remain paramount. But second is the husband in My new first family because he came as a volunteer, not as a conscript, as Jesus came.

“Then comes number three, who among women, is more important as a woman than her husband is as a man. She is to woman as Jesus is to mankind.

“His new wife is a **FIRST** among women to live in a world ruled by Satan, chosen to remove from women forever the stigma of Eve being the first one to be overcome by the overcomer.

“She will restore to woman the position Eve had prior to her transgression, as co-equal to man, because both (Adam and Eve) were originally God Incarnate.

“For these reasons, his (the husband’s) new wife will receive the reverence, the admiration and the accolades of all women never before seen on the earth.

“For these reasons, she will bear a God Incarnate Son as a first among women. The sorrow in conception and pain in child bearing will be lifted in her and

through her first God Incarnate birth, whose God Incarnate Son will be thrust into eternity from conception.

“Then, on the other hand, the several ministries of the husband, administered perfectly, including vast wealth accumulation and administration, will be acknowledged and revered by other men as a one-of-a-kind phenomenon.

“So those two have quite a road ahead, My son.

“I have needed to refresh your memory on these things you already knew, just for the record.

“And remember, Christmastime of this year is important for your household.”

Tuesday, April 15, 2014

“Did I not say I would shorten your wait if it was expediently useful to do so? Remember, there are two of you. I am doing all I can to release you.

“And remember, I am **MUCH MORE ANXIOUS** for you to be released than you are.

“We are nearing your Day of the Lord.

“Jehovah God, as a Triune Being, desires to have a physical body, a beloved wife (as a triune being) for whom he may care, protect and relish with His abundance. God desires a physical body, a physical wife just as a young man desires a wife to content, satisfy and fulfill himself. As Adam, who was made first, was incomplete without a wife, so Jehovah God is incomplete without a wife.

“It was never intended that the population of the earth be restricted, by whatever means, ***to one planet.*** In the absence of sin and in the presence of the Godhead bodily in **EVERY** man and in **EVERY** woman, and with procreation invoked on mankind, just the opposite was intended by God.

“It is the desire of Jehovah God to love, to give and to bless ***mankind*** with His abundance, as His physical body (since He has no other physical body), as a physical presence of Himself, as His beloved wife, that God could see, in a physical state of being.

“Jehovah God exists to love, to give and to bless, and there is no end to His desire to bless with His abundance.

“If you want to get a grasp of God’s infinite desire to bless and His supernatural ability to do so, on a clear moonless night, look up at the countless number of stars suspended in space, hanging on nothing but God’s omniscience, His omnipotence and on His

omnipresence.

“God desires a God Incarnate man and a God Incarnate woman to come together as one flesh in marriage, to content, satisfy and fulfill Himself first, as His own body, as His beloved wife, while that will simultaneously content, satisfy and fulfill mankind. That is the sole purpose of mankind.

“The wife is the body of the husband, and the husband is the body of the wife, as Paul taught. This is talking about the relationship of Jehovah God to mankind. As a God Incarnate man and a God Incarnate woman come together as one flesh, they become the body of God – the wife of God. Mankind, therefore, as the body and the wife of God, must submit to God as her body and God, as the husband, must submit to His body, His wife. But since the Godhead bodily in God’s wife guides all of her activities, that pleases the Husband (God) and also pleases the wife (mankind).

“In this manner, since procreation is invoked upon mankind, there eventually will be the need for additional planets to content, satisfy and to fulfill Jehovah God.”

Thursday, April 17, 2014

“I know it is difficult, but when I release you, you will then understand why the (My) wait has occurred. I must see to the needs of Dale as well. She is also precious to Me.”

Friday, April 18, 2014

“My son, as you have surmised, this is not a serious problem. Just work this out as best you can.

“Remember, you are looking at a ‘short-term’ problem. Although you have good reason to question Me, this time My word is accurate.

“Come Christmastime of this year, things both you and I have been working on for longer than you care to know, will take on a different meaning.

“You might try ‘gmail’ for these eight months (to solve an email problem), for by that time, your time, or rather Our time, will assume a completely different set of priorities.”

Saturday, April 19, 2014

“Your eyes need a rest – that’s all. Just continue to pray about them and they both will clear up.

“The highest order of spiritual maturity is when one has absolutely no authority of his own because **ALL**

OF HIS decisions are made for him. That describes Jesus during His visible ministry and also is descriptive of the Holy Spirit today. He has no authority of His own, but speaks only what He hears.

“One becomes a comforter, a counselor and a director of his own life when he has no authority of his own.

“These words describe Lucifer before he failed, everyone on Earth One originally, Adam and Eve before they failed, Jesus in His personal visible ministry and all thirteen new God Incarnate apostles, soon to be released.

“These words are descriptive of God’s ideal man, of His ideal body on the earth and of His ideal wife, without whom He is incomplete.

“Adam, who was God Incarnate, was incomplete, dissatisfied and unfulfilled without a wife like himself, with whom he could become one flesh.

“In like manner, Jehovah God, who is a triune Being, is incomplete, dissatisfied and unfulfilled without the triune physical body of man with whom He may become one flesh.

“That and that alone, will content, satisfy and fulfill Jehovah God.

“Earth One began that way. Adam and Eve were that way originally. Jesus was that way as a living sacrifice portending God’s new first family to open the second door to the complete restoration of man to his God Incarnate status.”

Thursday, April 24, 2014

“You see, nothing can separate you from Me. Once you pass the Six Measure Standard, nothing can separate you from Me, for the Six Measure Standard is My seal of approval forever.

“That’s the same commitment Paul made in Romans 8:38, 39.

“Nothing, absolutely nothing, can separate you from Me, the Lord Jesus, once you pass the Six Measure Standard and pray as led by My Spirit, the nine-point cleansing prayer back to conception in the womb.

“Those two spiritual commitments, My precious son, are My standards with which I must measure **EVERYONE** who desires to become God Incarnate, to include the prophetic word that follows the nine-point cleansing prayer.

“My son, this must be written about in one of your letters. That’s three things: The Three Measure Standard which led to the Six Measure Standard, the

nine-point cleansing prayer back to conception in the womb **AND** the prophetic word that follows. (See letter No. 187).

“My son, this (*letter No. 187*) will make a good ‘collectors item letter’ – just another one, I might add.

“And as usual, it will be unique. But unique for this time and for this place, written by you, for you are the only one with the knowledge thereof to do this job.

“Do it for Me, My son, do it for Me. It is very important. It will become a classic – a classic writing as instructed by the Lord.”

Monday, April 29, 2014

“Remember, I have **NEVER** previously trained **ANYONE** to become God Incarnate not to die, but to be raptured.

“And remember also, the husband and his new wife in My new first family have led the way in this category. Her training has not been as long and as arduous as his, but it has been just as exacting.

“Likewise, I have **NEVER** trained someone to be back-up for Jesus on the cross who unknowingly volunteered for that job.

“So I, like him, have been learning as I have taught him.

“One reason his training was as arduous as it has been is because I had to be sure of his allegiance to Me. Second in importance to Me after Jesus is as good as it gets.

“He, as yet, does not realize his importance to Me, nor will he understand that until after the Rapture when he is enshrined into the finally reconfigured Godhead.

“And as you were thinking last night, he will understand how to relate to both Jesus and to Me very shortly after he becomes God Incarnate. When the four of Us who are three invade his physical body, very shortly thereafter, he will know how to relate to Jesus and to Me, for he will then be in Our family – on Our team – to overthrow Satan in preparation to rule the earth from the Capitol City of Jerusalem.

“He and his new wife have a life before them for which I have longed for longer than he cares to know.

“My son, those two, along with Jesus, will become My new Triumvirate to govern the earth – the whole world – **AND – that is not all because I have more than one planet – space ships, as you call them, to see after.**

“And yes, light will emanate from both the husband and his new wife. Remember that Jesse Duplantis described Jesus as a shaft of light whose eyes were pools of love that could see right through you. That describes both the husband and his new wife when they are released.

“The husband and his new wife, as co-equal God Incarnates, will have responsibilities **beyond the earth on which they live**. Remember, I told you that I am short-handed in the spirit world. I fight many battles in the unseen 24/7. But when We return and bind Satan in the Abyss for a thousand years, that will change decidedly.

“Look forward to a joyful seven years beginning with your Christmastime 2014 transitions – transitions that will be visible for everyone to see – to see how I do things, for example.

“My son, I accomplish things – My works – with Truth which is eternal.

“Yes, that’s right. The husband in My new first family will become a living, walking, acting, talking phenomenon, making eternal history while living that history every second of every day.

“And yes, We in the Godhead will be having the time of Our life as those two, then as those three, live their daily lives for the world to see.

“Those two, then those three, will become much more visible and important to Me than they realize until they actually experience the life that now lies before them – that for millennia I have planned out for them.

“Think these words through – drink them in. They are My truth for them for today.

“And yes – there is more – much more that lies ahead for them.

“And yes, all of the husband’s family will be brought into the kingdom as an ancillary blessing because of his righteousness. Those who love most are those who have been forgiven most. That fits several members of his family by My own planning.

“The desires of his heart – and he has My heart – will reap huge rewards for others he has touched and for those who have assisted him along the way.

“He is going to have quite a following in the heavenly realm, as well as in the visible world.

A most remarkable new revelation

“Yes, My son, you are beginning to tap in to, or

to understand, the immense value of learning to hear the voice of God 24/7, and recording those words for future use.

“Learning to hear the voice of God 24/7 is the greatest reservoir of knowledge available to mankind.

“One’s aggressiveness multiplies the effectiveness of learning to hear the voice of God 24/7.

“Then as one becomes God Incarnate, within that person – within that physical body – exists Jehovah God, God, the Son, inclusive of the eternal Word, and God, the Holy Spirit.

“Then, within that one lies the four Persons of the Godhead, conformed and configured into three Persons in one God, Who is omniscient, omnipotent and omnipresent.

“That God Incarnate person will then become able to see, hear, speak, act and know in the absolute.

“To become omnipresent, omnipotent and omniscient means to have absolute knowledge about that which God has created.

“But being omniscient (all knowing) does not mean all knowing about what God’s creation will do – only knowing in the absolute about that which God has created.

“The example is Lucifer. God did not know Lucifer would fail, and Lucifer’s failure was the result of Lucifer becoming a free moral agent with the right to obey or to disobey God.

“God does not know who will obey or who will disobey Him until that one passes His Six Measure Standard.

“The Six Measure Standard, therefore, becomes the means by which God may foreknow the obedience of one endowed with the three Persons of the Godhead bodily.

“No greater blessing is available to mankind today than the ability to hear God’s voice 24/7. That may become the launching platform for becoming God Incarnate in this rapture generation. Then, after becoming God Incarnate, one becomes subservient to, or obedient to, the instructions of God, the Father, within him.

“As a God Incarnate male becomes of one flesh with a God Incarnate female, the moment they become of one flesh to consummate their marriage to each other, they simultaneously become the body and the wife of God, so that Jehovah God in that one act, becomes

content, satisfied and fulfilled with His wife.

“The purpose of the creation of mankind was to satisfy, content and fulfill Jehovah God, as His beloved wife, on whom He may relish Himself with His abundance.

“That is why mankind was originally made to be God Incarnate. Only a God Incarnate man and a God Incarnate woman, united in marriage, may become God’s wife.

“Only as God Incarnate Adam became of one flesh with God Incarnate Eve, did they become the wife of God, which was the original purpose of mankind.

“God is only all knowing (omniscient) about His creation beings (mankind/angels), not about the decisions of mankind or of angels as free moral agents.

“For this reason, Lucifer, his staff of angels and mankind on Earth One failed, so that destruction of Earth One was God’s only choice.

“God’s omniscience did not allow Him to foreknow of Lucifer’s failure. Hence, through ‘meekness,’ the fourth Standard, plus the, ‘I will never leave you nor forsake you’ and the ‘unencumbrance’ Standards (numbers five and six), did God learn that the Six Measure Standard would provide the platform from which to inaugurate His renewed restoration program for mankind.

“God’s new first family will become the ones to inaugurate His Six Measure Standard eternally in order to restore to mankind the losses Eve and Adam sustained through their transgressions in Eden.

“God’s new first family, soon to emerge as God’s showcased model to the world, will demonstrate God’s restoration program for mankind, and the birth of their God Incarnate Son, will spell the doom of Satan forever.

“Hence, those two, after the Rapture, at the judgment seat of Christ, will be enshrined into the Godhead forever, who, along with Jesus, will become God’s new ruling Triumvirate for the world during the Millennium, **as well as for the other planets in existence now, and those to be created in the future.**

“No greater work may one become involved in than to learn to hear God’s voice 24/7 and become obedient thereunto. Therein lies the key to life and the key to God’s renewed abundance as it was before the transgressions of Eve and of Adam.

“God’s new first family will reverse the three

curse pronounced on Eve, on Adam and on their abundance.

“Those two will therefore open a second door through which others may walk to the same three-fold abundance. Amen.”

Thursday, May 1, 2014

“The husband in My new first family will set more records than any man (or woman) who has ever lived on Earth One, Earth Two or Earth Three.

“The contrast between his physique now and what he will be **AFTER** We enter him will be the most dramatic of all thirteen of My new God Incarnate apostle/prophets.

“And that is just for starters. That’s what he is. He is the first in My first, new, God Incarnate, eternal ‘starter family.’

“From him and his starter family will come countless others who believe what he teaches.

“His ‘new starter family’ will be to the restoration of mankind and of God’s abundance, to include marriage and the home, as Jesus is to the salvation – to the restoration of man to God.

“That’s difficult for you to comprehend in its entirety, but it is true.

“My son, the husband and his new wife and their new God Incarnate Son, will literally restore to woman and to man, everything Eve and Adam lost through their transgressions to include My abundance.

“But that is not all.

“The birth of their new Son will announce publically My complete victory over Satan.

“When Satan sees his (the husband’s) new-born God Incarnate Son, he will know for the first time ever that I have achieved My victory over him through fallen man – something he thought to be impossible.

“Only time will demonstrate to him what he means to Me, as Jehovah God.

“There will be insufficient and inadequate accolades to express the accomplishments of him, of his new wife and of his new Son.

“He will establish My new bloodline.

“He will establish My new DNA for mankind.

“He will establish My new model for man, for woman, for marriage and for the home.

“He will establish My victory over Satan.

“He will establish My new and My eternal way of life for mankind.

“And most importantly, he will allow Me, as

Jehovah God, the Ancient of Days, to satisfy, content and fulfill Me by giving to Me My blessed body – My wife – for eternity – something that has never before been accomplished.

“Again, My son, to restate it all – he has restored to Me as Jehovah God, My way of life. He, his new family, as My first eternal wife, will content, satisfy and fulfill Me **ETERNALLY** for the first time ever.

“That accomplishment, My son, is far more far-reaching and far more important to Me than he may now know.

“The abundance I will allow to flow into his hands will be unprecedented and will come from more than one source, to include contributions from those whose lives he touches, which will be gargantuan in scope and amount.

“He will exceed Solomon in wealth and wisdom.

“Solomon was not God Incarnate.

“To sum this all up, Jesus first, then he and his new family second, will open four doors through which others may walk to My way of eternal life intended from the beginning.

“That, My son, provides Me with My third wife, as My new first eternal wife, to content, satisfy and fulfill Me as Jehovah God forever.

“This will allow Me to be Myself for the first time since Lucifer’s failure.

“For these reasons, he and his new family will become My first showcased model family and wife on whom My abundance may be showered for the world to see. That, alone, My son, will bring multitudes into the kingdom.

“For the first time, the world will see Me, as Jehovah God, as I really am, through the husband and his new first family.

“That means more to Me than he may now know. He will need to experience the judgment seat of Christ in order to begin to understand what he and his new first eternal family mean to Me.

“I am elated – actually giddy – with excitement and anticipation over My new wife.

“My son, it’s like My being married for the first time. I, Jehovah God, and acting like a giddy groom awaiting his wedding day.

“That’s what he has done for Me.

“And We haven’t even started!

“And then the attractiveness, the beauty of those two as a couple, will actually astonish **EVERYONE**.

Those two will literally shine with My beauty – with My love and with My perfection.

“They will become My most attractive couple.

“Those two together will become showstoppers.

“Then his love and his lack of pride to showcase Me will be something to behold.

“Yes, he will need to live this new life – My new life – to comprehend his importance to Me.

“Both he and I will enjoy the coming feast.

“Many will feast their eyes on him and clamor to come into the kingdom.

“As you say, ‘More Christianity is caught than taught.’

“The two of them, by living their new lives, will bring multitudes to Me.

“And that will become My most effective weapon against our common foe.

“He and his new first eternal family will give Me My opportunity to shine for the world to see.

“My son, I have longed for the world to see My first, real, genuine product – My first, real, genuine family – My first new eternal family.

“Remember, one test – one demonstration – is worth a thousand ‘expert’ opinions.

“Through his (the husband’s) new first eternal family, multitudes will be drawn to Me.”

In conclusion

“A number of years ago, God spoke to me and said that He was going to call people from the pew, bypassing a corrupted pastoral system, to bring to pass His end-time activities prior to the Rapture.

“That move of God will begin by the end of December, 2014. It will start slowly – almost imperceptible at first – but then will gradually mushroom into the greatest blessing for multitudes.

“Dallas will be one of twelve ‘hubs,’ world-wide, from which twelve new apostles will teach the same gospel message from twelve select parts of the earth, with signs, wonders and miracles confirming their messages – something that has never previously occurred on the earth.

“Let it be clearly known and proclaimed that these events will occur as proclaimed by My prophet, says the Lord this day.”
