Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

The Importance Of The Husband In God's New First Eternal Family

"The changed husband in My new first family, My son, is that for which I, Jehovah God, have longed for longer than you can imagine.

"Remember, he (the husband) is doing this for Me, My son.

"He is – he will be – fulfilling the desire of My heart to content, satisfy and fulfill Me as My beloved wife – eternally – thrust into eternity as the most important man on the planet.

"I, My son, have no other choice.

"I, Jehovah God, have no other choice but him.

"Therefore, since he has passed the Six Measure Standard, I know the objective for his life will be accomplished.

"My son, realize that I have more confidence in him than I had in Jesus in Gethsemane. This is just one more record he has set – that he will set with his anointed life.

"Much lies on his shoulders.

"I have admonished him to carry it with confidence.

"What he is carrying is Me, Jehovah God.

"As Jesus went to the cross for Me, so he (the husband) is carrying Me as Jehovah God, on his shoulders.

"Remember this. I am literally being fulfilled by his every action – by his every activity.

"He and Jesus have **MUCH** in common.

"Jesus went to the cross for Me.

"He (the husband) is carrying Me, Jehovah God, to his release at Christmastime this year to fulfill Me, My son.

"He and Jesus have **MUCH** in common.

"Remember, he will be number one behind Jesus. That means he will be number **THREE** in the Godhead.

"It can get no better than that!"

May 23, 2014

"Remember, the husband in My new first family, the same as you, was cleansed retroactively back to conception in his mother's womb.

"To Me, My son, he now is as Jesus was at His birth – completely cleansed of the Adamic sin curse and sin nature from his conception.

"This is just one of the things I have been able to do that was beyond Satan's comprehension. Satan still thinks the world is his and he is totally unaware of what I am up to in his (the husband's) life. He is My 'second Jesus.' That is, the husband is My second necessary man brought on to the scene to completely defeat Our common foe. He is the second man that I will release publicly as a God Incarnate apostle (Jesus was the first), brought forth as My second necessary man to defeat Our common foe.

"As soon as the husband in My new first family is released publicly around Christmastime this year (2014), so will his new wife be released publicly as the third necessary person and as My first necessary woman.

"Mary was first and more important, but the wife in My new first family will come forth to out-do and outshine Mary in accolades, because Mary was not God Incarnate.

"Mary was the first pioneer woman, while the wife in My new first family will be My first necessary woman – necessary in that she will restore to woman **EVERYTHING** that Eve lost through her transgression.

"Since she will be God Incarnate, she will be able to do what Mary could not do – that is, bear a God Incarnate male child, the birth of whom will announce to Satan, to the world, and to the church, that Satan has lost this battle – **this world-wide battle for absolute control of the world.** Satan has had that absolute control of the world since I, as Jehovah God, gave it to him.

"But the birth of God's first new God Incarnate Grandson will announce to Satan His demise.

“This birth will announce to Satan that he has lost the battle that began with Eve on Earth Two.

“The activities of Satan will then be stepped up. The antichrist will become known, and he will make his move to secure control of this world with his sly, cunning, accuracy, to sway public opinion.

“Public opinion, My son, is not as important in this world as most people think, because the antichrist will take advantage of the strength of public opinion soon after the birth of God’s new God Incarnate Son.

“Public opinion may be fickle, My son. It may be swayed falsely by the enemy.

“The only time public opinion is paramount is when I, as Jehovah God, am the one in charge. Then I will be guiding man in all of his endeavors, and public opinion will become My will.

“Public opinion is not always right.

“Public opinion was slow to recognize and renounce slavery, to recognize the rights of women and to recognize the right to vote.

“Now, public opinion has renounced the right of the unborn, has renounced the morality of the marriage bed, has announced and approved homosexuality and lesbianism and same-sex marriage.

“Public opinion, My son, is in the hip pocket of Satan himself. That is why he still thinks he can win this battle.

“And that is why the husband, his new wife and their new God Incarnate Son are so very important to Me as Jehovah God, as the Ancient of Days, as the Supreme One.

“My son, the husband and his new first family are much more important to me than he is able to realize until he is enshrined into the Godhead after the Rapture, at the judgment seat of Christ.

“Then and then only will the husband, his new wife and their new God Incarnate Son, fully realize how much, how very much the husband means to Me as Jehovah God.

“The husband’s new first family will become My first wife to be thrust into eternity forever.

“This means that the husband’s new marriage will content, satisfy and fulfill the two of them eternally, but as those two come together as one flesh, that will also content, satisfy and fulfill Me eternally as Jehovah God. My son, that will free Me to be Myself for the first time since a fallen Lucifer stole My first wife.

“My abundance made manifest in and to the

husband and his new family will know no boundary. My exuberance, My joy, My fulfillment will become known by My abundance showered on him and on his new family.

“These things need to be repeated again to be published for the whole world to know how important the husband and his new first (and last) family are to Me, as Jehovah God.

“The husband will just have to live – to experience these things, in order to recognize the immensity of the importance he and his new family are to Me. He and his new first family will forever close the door on the enemy’s evil empire.

“I, the Lord Jesus, look forward to his release with anticipated relief, satisfaction, contentment and joy. He and his new wife will be of great support to Me in all areas – some of which remain unknown to him until after his enshrinement at the judgment seat of Christ.

“My son, the husband and his new first family will fulfill My dream – My dream before I began with Earth Two at Genesis 1:3.

“That, in some small measure, tells of the importance of the husband in My new first family, to the present Godhead in its entirety.

“Jesus opened the first door.

“The husband and his new first family will open the second necessary door to declare My victory over Satan.

“That’s how important he is to Me.

“He and Jesus have done things – are doing things – that I, Myself, could not do, for it was through fallen man that man had to be lifted up in complete victory over fallen Lucifer.

“Jesus, the husband and his new beautiful wife have made all of this possible.

“That is why those Three, as My new Triumvirate, have been in My dreams for longer than he cares to know.”

Saturday, May 24, 2014

“Yes, not only does the husband in my new first family have a dream – a vision – he has My dream – My vision.

“He is working on the greatest dream – the greatest vision man (one) could have because his dream – his vision – is Mine that I gave him selfishly – for Myself.

“Yes, that is right. Write it that way for Me, Jehovah God.

“My son, I have dreamed – I have envisioned Myself – once more – forever – with a wife that would be perfect in every way **FOR ME**, My son.

“Ever since a fallen Lucifer stole My blessed wife on Earth One, I have not been Myself. Often I have been ill-at-ease, discontented, unhappy and without the joy I so desire – because I am without a lifetime companion – without an eternal companion as My beloved wife for eternity.

“I have ‘dreamed’ the husband in My new first family into that role for Myself – selfishly – for Myself.

“You have written it correctly. As Adam was incomplete without God Incarnate Eve as his wife, so am I, the great I Am, the Ancient of Days, the Supreme One, incomplete without a God Incarnate wife.

“My son, I have raised him (the husband) up to fulfill Me as Jehovah God. And it doesn’t get any better than that. When he fulfills the unique needs of Jehovah God, that, within itself, lifts him above all the rest.

“But when to that is added his several ministries I have provided for him, all of this will project him into the greatest role for man on the earth.

“Only after the Rapture at the judgment seat of Christ, will I be able to reveal to him all that I, Jehovah God, have planned for him. Only because I do not want him to be distracted, must I withhold from him My ultimate plans for his life throughout eternity.

“These are reasons why My abundance will be showered without measure on the husband in My new first family!

“Then add to this his beautiful wife, who is My show-stopper on her own. The two of them will demonstrate in real life – in real time – My ideal man – My ideal woman – as husband and wife. Then My ideal God Incarnate Son will be My ultimate accomplishment that I set out to do long before I created Earth Two, beginning with Genesis 1:3.

“Those two, then those three, with the jump-start provided by Jesus, will complete My plan to overthrow Satan and his forces forever.

“In these plans, the husband in my new first family means more to Me, My son, than he may comprehend until he experiences the Rapture and the judgment seat of Christ. There for the first time, he will get a glimpse of what lies in store for him.

“There I will welcome him to My family – to My inner circle.

“Both he and his new wife will be able to recede into Me, as Jesus does, to become One with Me. AND there will be special blessings that lie in store for his new God Incarnate Son – yet to be revealed.

“Words are inadequate to describe My feelings for the husband in My new first family. He will just have to live life as I have outlined it, as I have ordained it for him, in order to know what he means to Me as Jehovah God.”

Sunday, May 25, 2014

“I prayed and asked the Lord to give me increased needed strength, energy and physical health in my old age (ninety-four years) to proceed with the writing assignment He had given me.”

His response

“My son, let Me handle your physical problems for you. Turn this over to Me.”

Later at 1:12 PM

“My son, your physical deficiencies – your eyesight, the excessive watering of your eyes, particularly your right eye, and all of the other physical deficiencies that accompany your aging processes at ninety-four years, to include a diminishing supply of strength and energy for each day – is your thorn in the flesh to keep you from being too elevated in your own eyes – in your own thinking – because of the tremendous revelation I have given you and because of everything else included in My call on your life.”

My response

“Lord, if this be true, that is, if this is your word for me, I will accept it and continue my writing to conclusion as you have directed me, with all the glory to My God forever!”

God’s response

“My son, you are right. When a man gets to the point that he can thank Me for his deficiencies, that’s about as good as it gets.”

My response

“The tears flowed as this word came. The fact that the Lord would give me a thorn in the flesh as He did with the apostle Paul – that He would put me in the

same class as the great apostle Paul – was very humbling and caused the tears to flow. And yet, I know that my God Incarnate anointing will place me beyond Paul who was not God Incarnate.”

Monday, May 26, 2014

“Yes, now it looks a little different, doesn’t it? Work through your thorn in the flesh, for it will not be like that of Paul. His was permanent. Yours is only temporary, but nevertheless needful for the same reason that Paul’s was needful.

“To no one, My son, including Paul, have I given what I have given you.

“But there is another one to whom I have also given major responsibility – the husband in My new first family. From the beginning I had plans for him – as My back-up for the cross. Had Jesus failed at the cross, I had plan ‘B’ waiting in the wings. Then his life would have been totally different – and so would Mine have been.

“In the case of the failure of Jesus, a new cast of characters would have been chosen. But nevertheless, they would have been chosen. There was too much at stake for it to have been otherwise.

“But enough supposition.

“The reality is that Jesus did not fail Me.

“My son, now Jesus, the husband in My new first family and his new wife, have before them a life that has yet to be lived – all within My planned will for their lives.

“To no one have I given the opportunity to serve Me as I have given to the husband in My new first family.

“He has no idea where that statement leads to. It leads to beyond his thinking, but not beyond Mine. Opportunities, yes. Responsibilities, yes. But opportunities and responsibilities that I, Myself, as Jehovah God, will be the major participant. Yes, that is right. I, Myself as Jehovah God, will be the invisible major participant in **ALL OF HIS** activities, because I will be guiding him in all of them as I guided all of the activities of Jesus in His personal visible ministry. Your letter No. 93 confirms this.

“So why will I be the major participant in **ALL OF HIS ACTIVITIES?** Because I, Myself, My son, have planned that from the beginning. As I become the major participant in all of his activities, I will get the same satisfaction of accomplishment – the same joy – the same sense of fulfillment – that he will get as I guide

him in each one.

“That’s how much he is like Me – how much I am like him.

“Remember – he – mankind – was made to content, satisfy and to fulfill Me, as Jehovah God.

“My son, as he participates in **ALL OF HIS** many future activities, I, Jehovah God, within him, will be living **EVERY ONE OF THEM FOR MYSELF**, for he will be fulfilling **EVERY ONE** of them for **ME!**

“All of his future activities were designed for Me – with Me in mind **FIRST!** What he will be doing is to put Me, as Jehovah God, back in the drivers seat.

“For that purpose, Jesus, the husband and his new wife **AND** their new God Incarnate Son, have all been brought into existence for Me and for My contentment, for My satisfaction and for My fulfillment.

“Now you know.

“That is not really new to him, but I needed to say these things to reveal proper perspective on the future events in his life.

“My son, I am much more of a participant in the lives of My people than any of them perceive until they are raptured. Only then will they see how intricately involved I am – I have been – in all the details of the lives of My people from the beginning.

“Remember, mankind was originally made to content, satisfy and to fulfill Me as Jehovah God. The way that occurs is for mankind to become God Incarnate again.

“My son, that is what the husband and his new first family are doing – will be doing – just for Me.

“That is why he means so much to Me.

“He and My new first family fill up My senses as well as My contentment, My satisfaction, My fulfillment, My joy, My happiness and My pleasure with his obedience, faithfulness and trustworthiness.

“My son, Jesus, the husband and My new first family will get Me back on track to rule the earth – the world – once again.

“When I am fulfilled, My abundance will not only flow, but will overflow to My family.

“The husband and his new first family will allow Me to show the world **AND** My poor church who I am for the first time since the failure of Eve and Adam on Earth Two.

“I can’t wait for My superabundance to flow to him (the husband) to overflowing for the world **AND** for the church to see. That sight, My son, will bring

many souls to Me.

“Remember what two boatloads of fish did for Peter.

“Multiply that by an unlimited abundance for the world **AND** for My poor church to see. People will then clamor to follow his (the husband’s) instructions to obtain entrance into My kingdom.

“He (the husband) will have persuavensness no one before him has had.

“His perfect physique and that of his new perfect beautiful wife, will reestablish stability, attractiveness and permanence to marriage and to the home.

“The slide of marriage and the home in the direction of Satan’s lies will reverse with the husband’s demonstration of perfection for all to see.

“So you see, My son, I am going to actually showcase **MYSELF** through the husband and his new first family for My own contentment, satisfaction and fulfillment.

“That, My son, in short, reveals the purpose of Jesus, of the husband and of his new first family.

“Those three, as My Triumvirate, will once again establish My will on earth as it is in heaven.

“And that is the purpose of the husband being My second necessary man and the purpose of his new wife as My first necessary woman, to reestablish My will on earth as it is in heaven.

“The only way for that to happen under present circumstances, is to bring heaven down to earth in the form of My new first (and last) family.

“That is why the whole of the heavenly host is excited about the release – about the unveiled release of both the husband and his new wife.

“That will portend the demise of our common foe.

“And that is why the third heaven is excited about the husband and his (My) new first family.

“Everyone there knows of My plans for him and for his (My) new first family.”

Tuesday, May 27, 2014

“Yes, it does look different now, doesn’t it?”

“Your ‘thorn in the flesh’ is only temporary, whereas Paul’s was for a ‘moment’ as he wrote, but for his lifetime on the earth.

“Let this be an encouragement to you, for you, My son, are truly another of my one-of-a-kinds in the making.

“Then there is also the husband in My new first family. There is no way for Me, as Jehovah God, to give him the words that fully describe what lies before him.

“He will just have to live the (My) life before him to believe it.

“No one, My son, and that includes Jesus, has ever come forth equipped to become My God Incarnate apostle/prophet, as the (My) leader of thirteen apostle/prophets, as the husband leader in My new first (and last) family, married to My first necessary woman who will bear his God Incarnate Son, who, along with himself, will become the second and third members of My Triumvirate thrust into eternity forever, with opportunities (responsibilities) before him that **EVERY MAN** would like to experience.

“You see, My son, the husband is – he will be – living the dream of both Jesus **AND** Myself, as Jehovah God.

“Whereas Jesus was My most important pioneer, the husband in My new first family is a close second, for I see his blood and the blood of Jesus as the same.

“The blood of Jesus opened the door to God once again, while the blood of the husband will open the second door, the second essential door through which he and his new beautiful wife will walk through to lead others into the God Incarnate life of My Earth One model.

“While it is true that he is My second necessary man behind Jesus, he will be married to My first necessary God Incarnate woman who will give birth to My third necessary man (Son).

“Yes, that is correct. It has taken (will take) three necessary (impossible) men to announce to Satan that I, as Jehovah God, have finally and at last defeated him.

“The husband has no way to know of the true significance of all of that – of all of his future life – except to live it out under My joyful appreciation.

“Yes, My joyful appreciation will know no boundary as I lovingly shower him and his (My) new first (and last) family with My abundance.

“And remember – My abundance is without limit.

“My abundance showered on him, will astonish both the world and the church, but will bring multitudes into the kingdom, as he makes it known that My abundance is available to **EVERYONE** who will follow

the example of him and his new beautiful wife, as My new first family.

“As those who follow My first necessary Man (Jesus) may receive His reward, so those who follow My new first family, My second necessary man and My first necessary woman, may receive their rewards.

“My son, those three are My Triumvirate as My three keys to My God Incarnate life for mankind.

“And, as you say, ‘It doesn’t get any better than that!’

“And the blessing to Me, as Jehovah God in all of this, is that I know the husband will go out of his way to point to Me – to give Me all the glory.

“That, within itself, will be a most powerful tool in the kingdom.

“Those I send to him as staff will be prepared to serve him as their leader.

“And the remarkable thing about his staff is that since they have passed My test, he will be able to endow them supernaturally to do their assigned job. For that reason, he will be able to bring them aboard as a staff member, anoint them for excellence and release them with only a job description of their responsibility.

“That’s the beauty of his new staff.

“They will be self starters and capable.

“The anointing he gives them will allow them to become the integral part of his organization with very little supervision.

“Yes, he will need a chief of staff. His chief of staff, like other staff members, will need his supernaturally imparted anointing so as to know **EVERYTHING** about My calling on his life.

“After his supernatural anointing for ministry, his chief of staff will be able to oversee all of his (the husband’s) far-flung activities so as to leave him free to do his daily ministry for Me with a clear mind.

“His chief of staff will allow him to become My Mr. Icon, while he may devote himself to ministering as I direct him **EACH DAY**.

“And remember – in all of this, I will be in him making **ALL OF THE DECISIONS**. That will make him look good while enjoying **EVERY DAY TO THE FULL**.”

Wednesday, May 28, 2014

“Yes, My son, your fertile mind is always – will always – reach out for more.

“Or said another way, I, within you, will always cause you to reach out for more, for one given to Me

begins to take on My characteristics.

“Since My knowledge is infinite, I, within man, instill within him the desire to be like Me.

“Hence, once man becomes truly Mine, he embarks upon an interesting life of incomprehensible accomplishments. Incomprehensible to man, but comprehensible to Me – to God.

“My son, you will never cease to learn to accomplish.

“As you become God Incarnate, you will live for others.

“As you begin to hear (and record) My voice, you will slowly, but gradually begin to see things – to see life – objectively instead of subjectively. That is the beginning of My transformation.

“When that transformation is complete, I will deposit Myself within that individual so that he becomes God Incarnate.

“The words, activities and actions of that individual then become absolute to see the needs of others and respond to their needs.

“Then one is transformed from a life of subjectivity to a life of objectivity.

“That one then lives to fill the needs, the wants, the desires of others.

“That one then becomes God.

“The desire of God is to see the needs, wants and the desires of man and provide them as the individual is able to receive those blessings.

“Hence, in a fallen world, the thirteen God Incarnate apostle/prophets will be brought forth to present God, Himself, to fallen man (the world) and to a poor weak church turned to entertainment temporarily.

“Thus, through those thirteen, the greatest move of God on the earth in a fallen world will occur.

“Enter God’s new first family.

“God’s abundance, His super abundance will accompany their every wish, need and desire. Those two will once again make marriage attractive and desired.

“Jehovah God will be showcasing Himself through those two. Nothing like those two has ever existed on the earth.

“All three members of the Godhead will be living their dreams through those two.

“This means every ministry session of both members of God’s new first family will be in the perfect enjoyable will of God, the Father, God, the Son, and God, the Spirit as well as the enjoyable will of both members of God’s new first family.

“Perfection personified in action is descriptive of every ministry session of God’s number one couple.

“As Jesus was God’s number one man, His number one couple will be His new first family in action.

“That’s why those Three will become God’s new Triumvirate.

“The enemy will be targeted on each ministry session. Souls will be brought into the kingdom – will flock into the kingdom, though those two and through the eleven.”

Saturday, May 31, 2014

“Yes, My son, the only way you may see as I see is to hear My words for a sufficiency of time to become Me – to become as I am.

“When you hear My word, you may not remain the same – you cannot remain the same – because My words that proceed from My mouth are alive. Each one contains spirit, life, love, truth, light, food and faith.

“As you learn to listen and put me first, you do not have to do **ANYTHING** to change – to become like Me – because through My words from My mouth, I change you while you rest and listen.

“When you transition completely from the speaking mode to the listening mode is when the **REAL** transitioning takes place.¹

“Then, in My sufficiency of time, as you become obedient, faithful and trustworthy, you will begin to see objectively instead of subjectively.

“You will then learn to see as I see.

“Things that used to bother you are no longer

¹From June of 2004 to November of 2005, God transitioned me into the listening mode completely. That morning in 2005 He said to me, “Hereafter when you come to spend quiet time with Me, come with no prayer agenda. If I want you to pray, I will tell you.” Each morning since then I have come before God to spend quiet time with Him with no prayer agenda, but with a pen, a journal, and at times with a bible, to do nothing but listen and take dictation from the mouth of God. Transcribed notes from my journals now fill 21 notebooks with number 22 half full and counting. My notebooks are a treasure trove of inestimable value. My transcribed rhema words from the mouth of God now total more than twice the number of words in the King James Version of the bible and counting.

disruptive, for you have learned to see – to observe – objectively as truth, and it is truth that sets you free.

“An insufficiency of truth makes you a judge. A sufficiency of truth makes you an observer of truth so that you no longer have a need to judge.

“A little truth makes you a judge.

“A sufficiency of truth makes you an objective observer of truth, stripped of your desire to judge.

“That’s why Jesus told the woman taken in adultery, ‘Neither do I condemn you. Go and sin no more.’

“With a sufficiency of My rhema words, you become merciful. You offer hope instead of judgment, love instead of criticism.

“Only one who has been transitioned completely into the listening mode, who remains obedient, faithful and trustworthy, may become God Incarnate.

“The few remaining years of this rapture generation will become known as the God Incarnate years.

“God Incarnate baptism is My final gift to man. That has been My objective from the beginning. All else will become side issues, but necessary for the transition process.

“Only as one becomes God Incarnate may I guide and direct that one’s life. That is what contents, satisfies and fulfills Me, as Jehovah God – as My body – as My wife on the earth, which was the purpose for which I made man.

“Only as I once again have a wife on this earth who is thrust into eternity forever, may I, as Jehovah God, become fully known.

“That is why I excitedly await the release of My new first (and last) family. As they are released, My abundance showered on them will allow Me to be known as I am for the first time since the failure of Lucifer.

“My abundance will attract more attention than anything I have done on the earth and will bring – will attract – multitudes to Me.

“Remember, two boatloads of fish convicted Peter, while My presence didn’t phase him.

“That is the purpose of signs, wonders and miracles in these few remaining years before the Rapture.

“Christmastime of 2014 marks the beginning of the greatest move of God the world has seen, says the Lord.”
