Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Wednesday, June 4, 2014

“Both the church **AND** the world have a new beginning to experience – **AGAIN**. This new beginning in principle will be similar to the one about two thousand years ago. It will start with a ‘**NEW BAPTISM**’ – Godhead baptism this time – with authority and with power **NEVER BEFORE** seen on the earth, and will be My last awakening to bring forth the greatest harvest of souls the world and the church have seen in preparation for the finale for the church: the Rapture.

“This, of course, will bring forth **ANOTHER NEW BEGINNING**: the Tribulation. The first half will be a dress rehearsal for the last half – the Great Tribulation.

“My son, the only way I could bring fallen man back to Me by fallen man is exactly like My plan is unfolding. I had no other choice.

“I used up all of My other choices when I created Earth One, its ruler, his staff of angels, its inhabitants and its furnishings.

“Yes, indeed, I painted Myself into a corner, and the chaotic mess I created was almost too much to overcome. That is why it took so long.

“But in spite of Myself, here We are today with victory in sight. My son, We have come too far to falter now.

“**The excitement in the third heaven has begun – the excitement of My complete defeat of our common foe begins when the husband in My new first family is released into his visible ministry.** Then, for him, the real fun begins. He will embark upon the most interesting and exciting life – the most exciting journey – that any man has undertaken.

“The series of supernatural events he will spearhead will be unprecedented. No one like him – then like his new wife – then like his new God Incarnate Son – have **EVER** come forth on the

earth.

“The series of undertakings he will initiate will be unprecedented. My previous description of his activities – soon to begin – is not exaggerated – it – they – are understated.

“There are no adjectives adequate to describe the varied activities he will initiate when I release him fully into his (My) visible ministries.

“That is why he and his new beautiful wife will be enshrined into the Godhead at the judgment seat of Christ.

“My Triumvirate will become paramount in all of My activities on the earth thereafter.

“My son, I have planned for the formation of My Triumvirate from the beginning. Satan still thinks he can win. The birth to My new first family of their (My) new God Incarnate Son, therefore, will be My announcement to Satan that I have won this battle.

“That will step up the activities of Satan, and you know the rest of the story. Satan's stepped-up activities will occur simultaneously with the greatest harvest of souls to occur on the earth – all spearheaded by the husband in My new first family.

“He, My son, is going to be a very busy man.

“Busy – yes. Interesting – yes. World-wide in import – yes. But the most important thing about his soon-coming visible release, is that it will announce My defeat of our common foe.

“He, (the husband) first, will become a world-renown icon.

“Then his new beautiful wife will outshine his importance to women and to men as a woman.

“She is going to do for woman what Jesus did for man. I have **NEVER** had such a woman before to accomplish kingdom work.

“Those two are ‘naturals’ for each other. They will fit together like a hand fits into a glove – dancing the events of life together in perfect

harmony to do many things.

“Those two will restore order and dignity, perfection and attractiveness, to marriage and to the home.

“Satan attacked marriage and the home from the beginning. My abundance given to the husband and to his new wife in My new first family will cause people to flock to their teaching.

“The husband and his new beautiful wife will be My main attraction – My main offensive weapon against the enemy – world-wide.

“The use of the husband’s time will become very important. For that reason, I will need to oversee **ALL** of his activities – and **ALL** of the activities of his new wife and **ALL** of their joint activities together.

“All of this has been arranged – has been planned – including the security measures necessary at each venue either of them and both of them will attend.

“Travel security will not be a problem.

“I have already seen to that.

“Translation is a very efficient and a very safe and secure way to travel.

“Security measures, however, will need to be in place at **EACH** of their ministry sessions. For that reason, there will be times when their ministry sessions will need to be fewer than he (the husband) will like. But both he and his new wife are too valuable a commodity to Me for it to be otherwise.

“As I have said to him (the husband) before, most of these things he will need to live – to experience – to know – to understand his importance to Me and to My First Cause.

“All of these responsibilities will be on my shoulders. I will be at work on this 24/7, whereas, as long as he is in his physical body, he will need sleep. That gives Me a planning advantage that he doesn’t – that he will not have.

“Once We begin – there is no limit – not even the sky, My son.

“And this is just for starters!

“Don’t forget. The burden Jesus carried to the cross made all of this possible.

“He is our hero in all of this.

“Without Him, none of this would have happened.

“Therefore, to Him be praise, glory and honor for making all of this possible.

“He is our hero in all of this.

“He did the difficult part.

“His (the husband’s) part, compared to His (Jesus’) part, will be a ‘piece of cake.’

“Jesus is Our hero! And that means more to the husband as His back-up than it may mean to anyone else. Those two have very much in common.

“The camaraderie between those two will be evident.

“And yes, I am communicating with his new wife on these matters as well. That is also necessary, although My communication with him is in more detail.

“And, My son, you are privy to all of these things because you are My writer, which is very significant.

“The sequel to the bible alone, that you are writing, would be more than sufficient for **ANY** other man. But that is only **ONE** of your accomplishments.

“You, yourself, My son, will wear many hats – and wear them well, I may add.

“Little did you know of what lay ahead when you went back to Baylor University to complete your B.B.A. degree. Your desire to become an administrator was put there by Me.

“In a similar manner I have orchestrated in detail the activities of the husband in My new first family.

“Joint administration of the world under Jesus as My new Triumvirate is a pretty good jump in promotion.

“And the fact that he will be God Incarnate and will do all of these things to perfection without flaw, will catapult him well beyond **EVERYONE** who has gone before him.

“I will be making all of these decisions for him, which will allow him to enjoy to the full **EVERYTHING** I have called him and prepared him to do.

“I want his joy – the joy of life as it was

originally intended to be – to be seen by **EVERYONE!** That one thing alone will bring many into the kingdom as spiritual warfare against our common foe.”

“My son, I have heard your request to upgrade your physical condition in two areas so as to be more efficient in serving Me.

“I also realize that you now know enough about Me to know of My mistakes and My failures – that I am like you and you are like Me.

“But I want you to stay within My original design for you as much as possible, so as to allow for the greatest import at your transition into a God Incarnate apostle/prophet.

“I would like for your transitional change to be as pronounced as possible to please Me, My son. I want to showcase your change when I transition you into Me.

“So allow Me some leeway and know that I am fully aware of **ALL** of your needs, wants and desires – even your computer problems.

“And remember, I am a good planner.”

Sunday, June 8, 2014

“My son, as you busy yourself with the issues of life and those I direct you to do, time will be less burdensome to you. Then the things you write will bless more people than you have any idea of – multitudes, My son.

“You have heard so many words from Me, even that which seems to be ordinary – mundane – to you, is beyond all others. So be encouraged, My son.

“The reservoir of words you have captured from My mouth are priceless. No one, My son, has ever undertaken to write a sequel to the bible.

“Your sequel will complete My bible words so as to make a composite whole – an understandable written document never before undertaken – never before accomplished.

“You will be lauded for your writing beyond your dreams. Royalty income will reach heights never before accomplished.

“But the main thing about your writing is that it will make My actions – My activities as

Jehovah God – understandable. It will take Me from an unreachable plateau down to a reachable, understandable God, as a Father, whose love for His family – all of His family – is without limit.

“By reading the bible only, no one knows who I am.

“Your sequel brings Me at My worst down to man at his best to become My beloved family.

“Or, your sequel brings man at his best up to Me at My worst to become My beloved family.

“So continue to write as My thoughts come to your mind.

“My son, when you become Me (God Incarnate), that is an absolute transliteration or transformation into Myself on the earth. Jesus said, ‘When you see Me, you have seen the Father,’ because I directed all of His ministry activities in the absolute.

“The only way to become Me is for Me to be in man in all of My fullness thereof to become His Spirit being – his life – to supplant, to overlay or to become one with his spirit to become his life – the Source of his life, to direct all of his activities. That fulfills Me, while man is simultaneously fulfilled.

“Man, as a physical being, was never designed to live alone without Me in My fullness thereof indwelling him eternally. That was fallen Lucifer’s idea – to take over My creation for himself. When he did that on Earth One and with Eve and Adam on Earth Two, I had no choice but to leave My perfect creation and devise new ways for man to live without Me.

“Against My own will, I was forced to follow after Satan’s will for man until I could devise a way to redeem fallen man through fallen man.

“As that occurred, Lucifer thought he had My creation for his own.

“My son, My desire is to live My life in My physical creation (man) in the absolute. That alone, contents, satisfies and fulfills Me.

“My son, I am a spirit Being, and only as I am able to live in a physical being like Myself, may I become ‘seen’ in the physical world.

“That, My son, is My desire for Myself.

“That alone will fulfill Me completely.

“That is where We are going.”

Monday, June 9, 2014

“Man was never designed to live without My indwelling him in My fullness thereof. The first man and the first woman on Earth one and Adam and Eve on Earth Two were created as God Incarnate man and woman. When I breathed into the nostrils of the first man and the first woman on Earth One and into the nostrils of Adam and Eve on Earth Two, My complete spirit Beings in the fullness thereof were imparted into each one. Colossians 2:9 is My intended blessing for **EVERY MAN AND EVERY WOMAN** to live on the earth.”

Saturday, June 14, 2014

“Yes, that is right. It is inevitable that one will become Jehovah God by learning to listen for and to hear the voice of God 24/7. As that one will remain obedient, faithful and trustworthy, he will become Jehovah God.

“Here is evidence of that fact:

“Jesus said, ‘If you have seen Me, you have seen the Father.’ This does not mean that physical Jesus was literally the spiritual Father (Jehovah God), but that within the physical body of Jesus dwelled the spiritual Person of Jehovah God in His fullness thereof, to include the Word and the Spirit, so that by seeing Jesus, you ‘saw’ the Father (a spirit Being) because Jehovah God guided and directed all ministry activities of physical Jesus, even to the words He spoke.

“The natural eyes of man may not ‘see’ a spirit being. Therefore, God as a spirit Being must indwell a physical body on the earth in order for the natural eye of man to ‘see’ the Father.

“What the physical person sees is the activity of a physical body being activated by a spirit Being within.

“As the body without the spirit is dead, so faith without works is dead – a dead body equals to a dead faith.

“Therefore, the spirit Being (Jehovah God) became one with the spirit of Jesus to activate and motivate the individual activities of Jesus. It’s that simple.

“Jesus said, ‘If you have seen Me, you have seen the Father.’ This means that the Godhead

bodily, as a spirit Being within Jesus, became one with the spirit of Jesus – became the dominant spirit Being of Jesus – to guide and direct all of His ministry activities.

“The dominance of the Godhead bodily within Jesus, to guide and direct all of His ministries, was welcomed by Jesus, Who had proved His willingness to be so guided and directed by passing the Six Measure Standard prior to His release into ministry.

“The Six Measure Standard was God’s way of training Jesus to become obedient to the directives of the Godhead bodily within Him, proven by the obedience, faithfulness and trustworthiness of Jesus during His training.

“When one desires to please God and learns to listen to His voice 24/7, every rhema word he hears contains spirit, life, love, truth, light, food and faith which are seven attributes of God.

“When one transitions into the listening mode completely, that one rests while God does the work. Then as that one becomes obedient, faithful and trustworthy and is led by the Spirit into the nine-step prayer back to conception in the womb, that one, in time, will become God Incarnate.”

Sunday, June 29, 2014

“My son, your September letter is a ‘doozie,’ alright. The theme of that letter, as I instructed you, rewrote Genesis chapters one and two since it treated both the first God Incarnate man and the first God Incarnate woman who were made or formed in Our image and in Our likeness, but it also treats the Genesis chapter two chronological story as well.

“It also records things – necessary things – that are not in the Genesis bible that are important:

(1) “In Our image and in Our likeness means God Incarnate.

(2) “God did not become a Father until He made His first man as His child on Earth One.

(3) “Neither God nor man were meant to live alone without a wife.

(4) “God had a need for a private confessor.

(5) “Adam was My necessary man, the same as Moses.

(6) “My chosen people throughout the bible

often had serious character flaws, but they served My purpose in spite of their weaknesses.

(7) “Only a God Incarnate man and a God Incarnate woman, cleansed back to conception in the womb, who have passed the Six Measure Standard, may become My beloved body, My cherished wife on the earth.

(8) “God’s model Earth One will be replicated in the New Jerusalem.

(9) “Fallen man restored fallen man.

(10) “The restoration of man and woman as co-equals in God’s plan.

(11) “God has more than one inhabited ‘space ship’ (planet) created for a specific purpose.

(12) “When the first God Incarnate man apostle marries the first and only God Incarnate woman apostle, the consummation of their marriage will simultaneously consummate My marriage to them as My new first wife thrust into eternity forever.

(13) “Christianity is education-based because of Lucifer’s failure.

(14) “When God breathed into the nostrils of the first man and the first woman on Earth One, God’s breath became their breath on loan until their death, and also created their spirit to sustain their life.

(15) “Along with My breath came the three spirit Beings: God, the Word and the Spirit.

(16) “The words, ‘In the beginning’ as recorded in Genesis 1:1 refers to Earth One.

(17) “Verbal inspiration was not the method of inspiration used in writing My bible. That is an erroneous idea of man that originated in his intellect.

(18) “One must understand Earth One and its existence and destruction in order to understand the bible.

(19) “‘Jesus crucified before the foundation of the world,’ as referred to in the bible, means before the foundation of Earth Two, not before the foundation of Earth One.

“The appearance of God’s new first family is the most important thing to occur on planet earth since the cross and the resurrection of Jesus.”

Monday, June 30, 2014

“You are right, My son. Moses knew **NOTHING ABOUT** My pre-Adamic Earth One.

“**Moses wrote about what I gave him (told him) to write to establish the beginning of My education-based system of laws to divorce man from Satan.** That was My first objective for Moses.

“And Moses (like you) was educated (in the courts of Egypt). As a result, he could read and write fluently, which was one thing I accomplished as I carefully watched over him, as he was reared and tutored to become royalty in the greatest nation under heaven.

“I needed someone who could read and write fluently as Moses was trained to do in the courts of Egypt.

“No one had a greater job than Moses. To oversee the Israelites for forty years in the wilderness while writing the first five books of My bible is a remarkable achievement.

“For that reason, some bible students believe ‘In the beginning,’ in Genesis 1:1, means God’s first beginning, not His second beginning.

“I had to bring hidden knowledge of My Earth One through several other prophets to complete My present bible record.

“You are the only one of My prophets to whom I have revealed things about Earth One, about Lucifer and Myself, in order to complete My bible record and ‘connect the dots,’ as you say.

“When Jesus said to the Father, ‘...for You loved Me before the foundation of the world’ (John 17:24), He was talking about before the foundation of Earth Two, because at the foundation of, or at the beginning of Earth One, there was no need for a Savior – for a Messiah – because Earth One was God’s model for several thousand years of ‘unmeasured time.’

“It was only after the unexpected failure of Lucifer that there became a need for a Messiah.

“Moses did his most important part and did it well except for one mistake – and that was a remarkable accomplishment.

“He did that in a moment of temper just as I did something – made a mistake – in a moment of

temper when the level head of Moses allowed Me to cool off.

“Now you know how it was that My present bible contains – hidden in three books – (Isaiah, Ezekiel and Jeremiah) – the facts covering Earth One about which Charles Capps first taught you and about which you have written extensively. Neither of those three prophets knew the significance of their writing about the pre-Adamic earth or Earth One.

“Now you know how to ‘connect the dots,’ as you say.

“Realize full well, the significance of your (My) writing. The sequel to My bible you are writing will complete My significant writing concerning My education-based kingdom.

“Let it be known to others.

“Proclaim it loudly, My son!”

Wednesday, July 2, 2014

“Yes, you will have a better time during the day now as I help you manage the physical side of your activities.

“As you know, I not only hear **EVERY** word you say to Me, I ‘hear’ your thoughts as they occur. Here is the way that works:

“My breath becomes your breath on loan from Me until death or until the Rapture, to sustain you in the absence of My fullness bodily within your physical body.

“My breath, which also creates your spirit (your life), is our common method or our common way that I am able to see – able to hear – and know everything about you 24/7. This is the way I know your thoughts.

“Thus, as you know, My breath also creates your spirit **AND** your soul.

“This means **EVERYONE** I form in the womb – and that’s **EVERYONE** – is formed in the womb **ETERNALLY** – to eternal life.

“The soul of man does not die because each soul has a spirit that activates its life.

“As the body without the spirit is dead, so faith without works is dead.

“This means man’s soul **AND** his spirit are eternally one. Man’s spirit is the eternal life of his

soul and the temporary life of his body. At death, man’s eternal soul and spirit – inseparably joined – depart from his body to the place prepared for him according to God’s plan.

“I had to originate this method to sustain man after Lucifer failed.

“The fight going on in the spirit world and made manifest in the visible world is for the souls of man.

“That battle goes on in the spirit world 24/7.

“That is what occupies much of My time because that is **NOW MY RESPONSIBILITY**.

“This is why I am excited about all thirteen of you soon to be released.

“You and I know some things about this that Satan does not know.

“He still thinks he can win this battle because he has seen **NOTHING** to convince him otherwise. He will continue to have this thought pattern until My new God Incarnate Grandson is born. Only then will he know of his defeat.

“You may begin to release more things about yourself in your letters to be published in November and December as you choose or desire because that will be close to your release.”

Tuesday, September 9, 2014

At 4:00 AM

“Yes, My son, the bible is an incomplete document because it declares Satan (fallen Lucifer) victorious over Jehovah God. That’s why Satan still thinks he can win. Here is why he thinks that:

“Satan was in the garden of Eden because he had the legal right to be there given to him by Me as Jehovah God.

“He, therefore, promptly tempted Eve and Adam, both of whom were God Incarnate, to sin and lose their God given God Incarnate life.

“Since then, Satan has controlled the world through self.

“As the bible now stands, it declares Satan to be the victor over Jehovah God, because, through Satan’s evil, mankind lost his spiritual virginity through Eve and Adam in Eden.

“Therefore, God must restore mankind to his original spiritual virginity (cleansed and purified)

before God may be declared the victor over fallen Lucifer.

“That victory over Satan will occur as God’s new first eternal family come forth as God Incarnate spiritual virgins, to become Godhead filled, or to become God Incarnate, and produce a God Incarnate Son, that, for the first time ever, will declare Jehovah God the victor over fallen Lucifer.

“The gospel of Jesus (death, burial & resurrection – 1 Cor. 15:1-4), as it now stands, is incomplete because it still leaves everyone born of woman with the Adamic (the Satanic) sin curse and sin nature.

“That was partially addressed by Jehovah God when He sent Jesus to the cross. By His resurrection, He (Jesus) took mankind out of Satan’s grasp forever.

“But that still leaves Satan as ruler of the world (John 12:31; 14:30; 16:11). This must be alleviated by Jehovah God before He may be declared victor over fallen Lucifer, whom God, Himself, gave legal, supernatural authority to govern the world eternally, proven by Satan’s presence in the garden of Eden, through whom came the failure of Eve and Adam.

“Therefore, a God Incarnate man must come forth to marry a God Incarnate woman. When that occurs, their one-child family, a God Incarnate Son, will be born to declare to Satan and to the world, that fallen Lucifer (Satan) has lost the battle.

“Those who follow Jesus will receive His reward.

“Likewise, those who follow God’s new God Incarnate first eternal family, will receive **THEIR** reward: a God Incarnate life thrust into eternity forever to restore **EVERYTHING** Eve and Adam lost in Eden.

“Thus, God’s spiritual virginity will be restored to His new first eternal family **AND** wife, as they restore to the world **EVERYTHING** Eve and Adam lost when they surrendered their spiritual virginity to Satan in Eden.

“Therefore, the bible, as it now stands, is an incomplete document.

“The bible will be a completed document when it contains a written record of Jehovah God’s

COMPLETE VICTORY over a fallen Lucifer (Satan) by:

(1) “declaring God’s victory over sin and death by the Lord Jesus at His resurrection, and by

(2) “declaring God’s victory over fallen Lucifer (Satan) by His new first eternal family and cherished wife.

“Mankind’s spiritual virginity will be completely restored by God’s new first eternal family, who, for the first time ever, will present themselves to God as His beloved virgin wife, thrust into eternity forever.

“These things, when written in the sequel to the bible, will make the bible a completed document, and will finally declare Jehovah God to be the victor over fallen Lucifer (Satan) forever.

“Therefore, to Jehovah God, and to His only begotten Son, be praise, glory, honor, worship and joyful thanksgiving forever and ever. Amen.

“God must have a pure virgin as His wife.

“Satan took His pure virgin wife on Earth One and raped her as his own.

“He also did the same thing to Eve and Adam as they surrendered to Satan their spiritual virginity, their spiritual purity.

“But by God’s grace and mercy, through the cross that produced the Lord Jesus, and through God’s new first eternal family and cherished wife, whose God Incarnate Son declares God to be victor over Satan, mankind, once again, may be restored as God’s pure virgin wife, thrust into eternity forever to declare Jehovah God victor over Satan eternally.

“Therefore, to Jehovah God, and to His only begotten Son, who together have had the love, the patience and the fortitude to bring forth God’s beloved cherished virgin wife, be praise, glory, honor, worship and joyful thanksgiving forever and ever. Amen.

“For it is the obedience, faithfulness and trustworthiness of God’s new first eternal family, through whom have come God’s first eternal God Incarnate Son, who spelled the doom of Satan forever.

“Only as these things are written in conclusion, in the sequel to the bible, will the bible be a completed document.

“Christianity is faith based.

“Christianity is also education based because of sin.

“Therefore, the final sequel to the bible must be written to close forever the final chapter in a faith-based, education-based Christianity, all of which was brought forth by sin.

“When that final chapter is written, the bible will be a completed document.

“Therefore, the Triumvirate becomes necessary to complete God’s plan for the restoration of mankind.

“Each of the three members of the Triumvirate play an important role in God’s restoration of man, the most important being that of the Lord Jesus, followed by the husband and the wife of God’s new first eternal family and cherished wife, thrust into eternity forever and ever. Amen.

“All of these things, My son, make the husband in My new first eternal family a very important number one behind Jesus, with his new wife as a close number two behind him.

“Then there is their new God Incarnate Son.

“Much lies ahead for Him.

“But we must leave that for another time.

“Enough for this morning.

“Now you may **BEGIN** to see your importance to Me as My end-time writer – and We haven’t even begun!

“So, My precious Son, you are just beginning to see your importance to Me and to our purpose for eternity.

“And We haven’t even started!

“Not only will your written record become a sequel to the bible, but your activities, beginning very soon, will close out the church age forever.

“Quite a package?

“I would say yes!”

Saturday, May 9, 2009

“The rabbinical priesthood cast out and crucified Jesus. The pastoral hierarchy in the church today will do the same thing.

“Therefore, My son, be prepared for this, as I have said to you before. Confront it head on with the power and authority I have given you and you (We) will start afresh and anew on the road to

Armageddon. Armageddon is the objective, for that will be the first time that My authority and power will be unleashed on Satan’s grip of the world so that it will take seven months to bury the dead (Ezekiel 39:11-16) and seven years to clean up the battle field (Ezekiel 39:9).

“I have said it to you today, says Jehovah Jireh to you this morning. For behold, the Alpha and the Omega is preparing for His departure from the third heaven even as you write these words. To Him be praise, glory and honor forever. Amen.

“My son, the bible has been made into a weapon of constriction instead of a weapon of freedom. You are to change that in My body, the church, on the earth. Amen.

“As I prepare to release you, anointed with My power and authority, heaven rejoices at the forthcoming events and I, Myself, the Alpha and the Omega, await with anticipated joy the events that lie just ahead of you.

“The church has become a slave to the bible instead of a love slave of the Person revealed in the bible. That means, to whatever degree the pastor has grown spiritually, that becomes the norm, the measure, instead of the true measure Who is the Lord Jesus wherein is liberty, not law, love, not legalism. This is just another system of laws established and enforced by pastors as it was in the days of Jesus on the earth. In that system, growth is stifled and limited by the pastor’s growth instead of encouraged by the Lord Jesus.

“In essence, this is another form of slavery, another system of laws interpreted from the bible and enforced by the pastor. In such an environment, growth is stifled by law instead of being encouraged by a Person Who is the Example. The bible cannot be the example because that will evolve into another system of laws to govern based on the pastor’s interpretation of the bible, instead of freedom to grow under the guidance of the Lord Jesus.

“This is why the church is in adultery. The pastor’s interpretation of bible facts become laws to restrict one’s spiritual growth, whereas, Jesus is without limit.”
