Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Wednesday, October 1, 2014

"Yes, My son, the (My) thoughts you had upon awakening this morning are correct.

"All thirteen of you will demonstrate to both the world and to the church, the perfection of life eternal, characteristic of both of My models: Earth One **AND** the New Jerusalem.

"All thirteen of you will become God Incarnate as spiritual warfare against our common foe. And each of you will be thrust into eternity forever as My role models.

"Then the husband and his new wife in My new first family **AND** their new God Incarnate Son will become My first eternal family **AND** wife, thrust into eternity forever.

"Each of them, My son, has a unique role of great significance in My final end-time plans.

"What those two will be doing is to demonstrate to My lost world and to My church in adultery, My way of perfection for mankind. Their influence will be beyond their imagination.

"They both will be able to demonstrate to My perfection **EVERYTHING** man **AND** woman were intended to be forever.

"Their perfect lives as co-equal man and woman – as co-equal husband and wife and as My beloved, cherished first eternal wife to be thrust into eternity forever, will allow Me to literally shower them with My abundance, all of which will be done in plain open view for all the world and the church to see and to emulate.

"Massive numbers will turn to Me through their single ministries and through their ministering together, when they promise that others may follow them, confirmed by signs, wonders and miracles.

"Both of them singly and together will be showcased world-wide to My glory.

"Yes, they both will be demonstrating for all to see, for the first time ever, the way of life that Lucifer completely destroyed.

"The lives they both live will bring massive numbers into the kingdom.

"Then, when the husband will be able to prophesy correctly the time of the Rapture, that alone will cause massive wealth to flow into his hands.¹

"This will place him above all who have gone before him, including Solomon.

"Jesus, of course, is first in importance because of the high price of the cross. But remember, His ministry was shrouded in secrecy. The husband's ministry will be openly broadcast to the world for all to see and to emulate.

"And yes, the Holy Spirit as a Person, enters an unclean body to begin to clean it up. He is able to do that because He has no authority of His own, but simply speaks what He hears and is directed by Jehovah God through His Son, the Lord Jesus (see John 16:13).

"Holy Spirit baptism is the entry point of the Person of the Holy Spirit in one's life."²

"Then He is able to lead and guide one, as He has in your life, for example, so as to:

(1) "Rid one of the adamic sin curse and sin nature as Jesus was prior to His visible ministry.

(2) "Cleanse one back to conception in the womb by the nine-point prayer in preparation for becoming God Incarnate.

"But you, My son, have gone beyond that. You will be My bible writer to reveal these things to the world to see and to know.

"Through your ministry and your writing, you, My son, will be the one to originate these things.

"You will need to give Me the glory in order to

¹This wealth will be used for kingdom purposes and will enhance and help to bring forth God's final massive harvest.

²The abode of the Person of the Holy Spirit has been on the earth since the first Pentecost after the resurrection. Since then He has been available to influence and to aid believers. **But His power as a Person in believers is manifested only in Holy Spirit baptism.** That blessing is assured by Jesus when He said, "Blessed are those who hunger and thirst for righteousness, for they shall be filled." See also Acts 1:8.

direct the worship from you to Me. You will become that powerful.

“But since you have passed the Six Measure Standard, I know you and I will be able to handle all of this attention so as to give Me the glory, adulation and yes, worship, to enhance even further your ministries world-wide.

“Yes, you will be busy.

“And yes, because of your six-year, seven-ministry activities, your public appearances locally and world-wide, will need to be carefully planned so as to produce the maximum benefit for the kingdom.

“There will be times when you would like to become more visible, but because of your many ministries, I will need to plan that carefully.

“In every facet of your life, you will become renown.

“So yes, you and I have quite a future ahead of Us.

“Remember also, that all of this responsibility will be on My shoulders, as I, Myself, direct all of your activities, so all you will need to do in ministry situations is to show up, and I will do the rest.

“Remember likewise, that both of Us within you will be living these things Ourselves, as well as you.

“Both of Us are jubilant over the future for you because both of Us will be living every moment with you!

“You will need to live this life for only a short period of time in order to become comfortable in your God Incarnate life, but that will be easily done and short lived. It will all be fun to do.

“And yes, the Counselor has no authority of his own, which is why He may enter an unclean body to clean it up.

“As He does so, His instructions will come from Me, the Lord Jesus, as the Father and I become One in purpose for the sake of the kingdom.

“It is the Holy Spirit as a Person who prepares the way for the entry of the Godhead bodily. He is the clean-up person in preparation for Godhead entry as a Person.”

Saturday, October 4, 2014

“My son, I have taught you some things that are

beyond, or that by-pass human reasoning, and involve the faith realm which is beyond the human realm.

“The human realm is of the mind. The faith realm is of the heart, and man’s heart is his compass.

“The reason (name withheld) was successful in her marriage was that she asked for the best gift, which was faith, for without faith it is impossible to please Me, for those who come to Me must believe that I am and that I am a rewarder of those who diligently seek **ME**.

“So, My son, in the marriage relationship, faith is the key – faith in My word. **Faith in what I have said is the most powerful force on the earth.**

“When you are released, you will have greater insight into My ways that are always better than man’s ways, for even so, as the heavens are higher than the earth, so are My ways higher than man’s ways.

“This is the same thing as saying I am more important than is man (or self).

“The reason man has trouble with My ways is because he is taught at a very early age to become self-reliant.

“On the other hand, remember, Jesus was formed in the womb with My Spirit. He was Spirit filled or Spirit baptized when He came forth from the womb.

“For that reason, since He was born without either the Adamic sin curse or sin nature, He was teachable at a very early age.

“My son, I taught Jesus about Myself at a very early age, so that He confounded the Jewish rabbis in the Temple when He was twelve.

“But, as I have said to you before, it was not Jesus who confounded the rabbis, it was My teaching Him at a very early age in the absence of the Adamic sin curse and sin nature.

“Maybe now you may begin to understand what Eve and Adam gave up when Eve bought in to the lie of Satan to focus on self – on what self could do – on what self could achieve – on what self could enjoy – on what self could be ‘elevated’ to – instead of what I, as Jehovah God, could do.

“You see, the Spirit, as a Person, is My communications vehicle through whom I communicate with My people.

“When that channel is open and free of the Adamic contamination, I become that one’s Teacher – that is, I, as Jehovah God, become that one’s Teacher.

“This is why Jesus confounded the rabbis at the Temple. He (Jesus) had two advantages the rabbis did not have:

(1) “He was Spirit formed and Spirit filled from conception, and therefore,

(2) “He was freed of the Adamic deficiency of mankind.

“For these reasons, Jesus was teachable at a very early age because of My communications channel which was deposited within Him from conception.

“Isn’t that simple?

“Now consider a husband **AND** his wife, who are both God Incarnate. This means that I, in all of My fullness, reside in both, in which case the seed of the man contains the fullness of the Incarnation of God from conception.

“Isn’t that simple?

“This is why the seed of man controls the destiny of the human race.

“When conception takes place between two who have the Adamic sin condition, that is passed on through the male sperm and self is exalted again.

“When the seed and the egg are from two who are God Incarnate, I, as Jehovah God, am exalted beginning at conception, because both the seed and the egg are freed of the Adamic contamination.

“Jesus was fifty percent pure at conception because the seed was perfect but Mary had the Adamic contamination.³

“The God Incarnate Son of My new first family will be one hundred percent pure at conception because both the seed and the egg will be perfect and without contamination.

“Therefore, the restoration of a new bloodline for the human race will come forth from the husband’s seed and from the egg of his new wife, both of whom are God Incarnate.

“When only the sperm of the father is God Incarnate and the egg of the mother is of the Adamic condition, that infant is born with fifty percent of

³A correct understanding of this statement (fifty percent) stems from a correct understanding of John 1:14. The Word did not become flesh (in Jesus) at conception. The Word became flesh in Jesus after John’s baptism when the fullness of the Godhead bodily descended on and entered into Jesus. That “fullness” included Jehovah God, the Word and the Spirit. It was then that the fullness of the Godhead bodily was within Jesus and the “fifty percent” became “one hundred percent.” See Colossians 2:9.

God’s best.

“But when both the seed of the father **AND** the egg of the mother have the Godhead **DNA**, the conceived infant will have the **DNA** of the Godhead bodily (Colossians 2:9), whether male or female.

“That’s why the husband, his new wife **AND** their new Son are so important to Me as Jehovah God.

“Those three, My son, are the second most important part of the human equation to restore mankind to his (to My) original perfect God Incarnate status forever..

“A new spiritual bloodline and a new physical bloodline will be established forever by the husband’s (My) new first eternal family and wife.

“But remember, Jesus had the difficult assignment. His part was the most important and the most costly. The part the husband and his new wife will play are a close second, but also less important than the sacrifice of the cross.

“The cross, My son, was the purchase price of My new first eternal family, soon to emerge upon the scene.

“That’s it, My son.

“These two are next separately, and then together, to complete My equation for the total restoration of My plan for man.

“When their new Son is born, the shofar will blow announcing My complete victory over our common foe (*this is new*).⁴

“Satan will then step up his activity leading to the Rapture.

“But in the six-year fruitful ministry of those two **AND** the other eleven men, My massive harvest will be brought in to fill out My final plan for the church, that is, to close out the church age.

“My son, the husband’s value to Me is far beyond that which he is able to see now.

“He, his new wife and his new Son are in for a mighty future, experienced by no one, by no two and

⁴The fact that the shofar will blow is reminiscent of “the trumpet of God” that will blow at the Rapture of the church, as described in 1 Thessalonians 4:16. **The reason such great significance is attached to the birth of the new Son to God’s new first eternal family, is because it will announce to Satan, to the world and to the church, that God has attained victory over our common foe, for the first time ever!**

by no three of My chosen ones before.

“They will be welcomed as My Son **AND** as My Daughter **AND** as My new first ever Grandson, to My family (*this – God’s Grandson – is new*).⁵

“In their special enshrinement ceremony, at the judgment seat of Christ, **a few surprises await the three of them**, planned and foreordained before the foundation of Earth Two that began with Genesis 1:3.

“My son, the husband will need to live these things in order to understand their importance to Me, as Jehovah God. He, his new wife **AND** his new son, have quite future ahead.

“As I have said to you previously, the whole heavenly hosts are all abuzz and excited over his (My) new first eternal family and wife.

“The part Jesus played is the most costly – the most important part – because upon His foundation is built the works of the husband, of his new wife and of his new Son.

“Now you have the complete picture of My new first eternal family and wife, who will become the beginning restoration of My plan for man eternally.

“Not until the judgment seat of Christ will the husband even begin to know of his importance to Me, as Jehovah God.

“And yes, this word started and finished with marriage. As you know, the whole of My plan for man may be summed up with one word: **MARRIAGE.**”

Tuesday, October 7, 2014

“You are beginning to see who I am and that I require of Myself things I require of you.

“You have again seen My humility as I revealed to you late in the day of August 21, 2013, that My mistakes and failures were not sin **IN THE SAME WAY** that your mistakes and failures are not sins when they do not disavow My claim on your life.⁶

“My son, Oh My son, I made man to complete, to satisfy and to fulfill Myself as My cherished wife because it is My nature to shower My abundance on

⁵The fact that God’s new Grandson will be welcomed into His new family, along with both of His parents, is new revelation.

⁶Once you understand this statement from the mouth of God and learn to live it in your daily life, it will change your life forever.

those I love.

“That is why the husband’s (My) new first eternal family will allow Me **FOR THE FIRST TIME** in millennia to be Myself once again.

“My longing to bless is only satisfied when I have opportunity to shower My abundance on those who love Me.

“The husband and his new first eternal family will allow Me to be Myself for the first time since Lucifer’s failure. For that reason, I will shower him with My abundance, **AND** My abundance is without limit.

“**My son, it makes Me feel good to give.**⁷ I am fulfilled when I am freed to be Myself that I may give to those who love Me.

“My son, the husband and his (My) new first eternal family will allow Me for the first time in millennia to shower My abundance on him and on his new family.

“And the beautiful and unique thing about this is that he will be singled out as My target to receive My abundance, for all the world **AND** for all the church to see simultaneously.

“This has **NEVER** happened before.

“On Earth One, **EVERYONE** was God Incarnate and experienced My abundance until Lucifer failed.

“There was no one to see My abundance provided for Adam and Eve before they failed.

“But the husband, My son, and his new first eternal family, will be unique in a number of ways.

“Both the world **AND** the church will be able to observe first hand, My abundance flow freely to him and his new first family.

“Remember, after I finished teaching that day from Peter’s boat on the lake, I told him to launch out into the deep and let down his nets for a catch. Peter and his partners had worked all night and had caught nothing, but Peter, nevertheless, did as I said, and their

⁷The reason you “feel good” when from your heart you give to others, is because that “feel good” feeling within you is God’s nature imparted to you. Once you learn to hear God’s voice daily and become obedient thereunto, you will discover that God is like us and that we are like God to a much greater extent than you previously thought possible. Then is when you enjoy just “hanging out with God” as I have done daily for years. The more you hear His voice, the more like Him you become, and the more you long to be with Him.

catch filled both boats so that they began to sink.

“It was then that Peter fell down at the knees of Jesus and said, ‘Depart from me, for I am a sinful man, O Lord!’

“It was also then that Peter and his partners forsook all and followed Him.

“Both Peter and his partners saw Jesus and heard Him teach and remained unchanged. But when they saw the abundance of Jesus, Peter fell down on his knees and was convicted of his sins.

“It was not the presence of Jesus, but the abundance of Jesus that convicted Peter and his partners to forsake all and follow Him. (See Luke 5:1-11)

“That, My son, is only one reason to shower the husband and his new first family with My unlimited abundance.

“My abundance demonstrated for all the world **AND** the church to see will bring multitudes to Me.

“**AND THAT**, My son, is why I am that I am.

“The husband and his new family will allow Me to be Myself for everyone to see as a unique occurrence, so as to bring multitudes into My boat of the kingdom.

“My boat of the kingdom, My son, is My unlimited abundance given freely for **EVERYONE** to see. My abundance is My fishing boat in the kingdom.”

Saturday, October 11, 2014

“My son, the thoughts you had this morning in your awakening moments before you got out of bed, were My thoughts – and remember, thoughts are the language of both the spirit and of the Spirit, or of both the (evil) spirit world and the (good) Spirit world.

“The contest going on between Satan and God is like a giant chess game. The chess board is the world and the chess men are those in both the seen world and in the unseen world, under the control of and under the direction of Satan and of Jesus (God).

“The failure of Eve and Adam in Eden gave authority over the world (the chess board) to Satan again.⁸

“This war manifested more clearly when angels cohabited with the daughters of men and every thought and intent of man became evil continually.⁹

⁸See John 12:31; 14:30; 16:11.

⁹See Genesis 6:5-7.

“This left God with no alternative but to **AGAIN** destroy the world by water – a flood survived only by Noah’s family, in this case.

“Noah’s family became the nucleus of God’s second effort to gain supremacy over Satan.

“Now fast-forward to the cross and the resurrection. The resurrection gave back to God certain authority over Satan, but that was limited authority, because both man and woman and God’s abundance still remained cursed by the sin of Eve and Adam.

“God’s new first eternal family will therefore come forth in time through two God Incarnate people, a man and a woman, who will produce a Son – a God Incarnate Son – that will provide for mankind four things:

(1) “The restoration of man to his status before the sin of Eve and Adam.

(2) “The restoration of woman to her status before the sin of Eve and Adam.

(3) “The restoration of God’s abundance that Eve and Adam surrendered when they sinned.

(4) “God’s proclamation to Satan, to the world and to the church, God’s complete victory over Satan through the birth of the God Incarnate Son to God’s new first eternal family and wife.

“These four things must be accomplished by God’s new first eternal family and wife to proclaim forever God’s final victory over Satan, and must occur before the Rapture.

“Therefore, the work of Jesus (the most important), and the work of God’s new first eternal family and wife, are essential to the proclamation of God’s victory over Satan.

“This will cause Satan to step-up his activities leading to the Rapture, the Tribulation and the Second Coming.

“Both God and Satan are limited in what they can do by the availability of and by the willingness of men and women who respond to their respective calls on their life.

“Both God and Satan have equal access to mankind.

“One lures by lust of the flesh, lust of the eyes

and the pride of life¹⁰ through lies and deceit.

“The Other lures by love, truth, fulfillment and peace.

“God is short-handed in the war in progress.

“That shortage will be compensated for when Jesus returns with His triumphant church to rule the world from Jerusalem, Israel.

“After the Great White Throne judgment and before the descent of the New Jerusalem, the earth of today, to include the sun, the moon and the stars, will be destroyed –melted with fervent heat – each of which was created because of sin.

“The complete solar system will be destroyed since it was created because of sin (*the complete solar system of necessity includes every planet and every piece of physical substance in orbit around the earth, to include manned and unmanned satellites orbiting in space around the earth*¹¹ which prepares the way for the New Jerusalem).

“Remember, God knew Eve and Adam would fail before they were made or created from dust of the ground and substance from Adam’s body.”

Monday, October 13, 2014

“Yes, My son, the **GMA** (Gospel Music Association) ‘Dove Awards’ TV program you watched last night surprised you, didn’t it?

“You needed to watch to understand the areas in which I am active.

“Some of the ‘Gospel entertainment arena’ appeals to young people who may not want to attend a church – who are not attracted to – old, drab adult methods, as you are prone to think.

“It’s like the hell-fire and brimstone messages of years ago when one got ‘saved’ rather frequently, ‘just to be sure.’ God has another side.

“God’s side of love, grace and mercy is attracting large crowds – Joel Osteen, Joseph Prince and the Hillsong message, for example (and there are others). But I am also active in the more extreme areas of what you might think of as the ‘cross-the-line entertainment’ method of getting My message out.

¹⁰All sin comes under one of these three classifications as revealed by John in 1 John 2:15, 16. That’s all Satan has in his arsenal.

¹¹See 2 Peter 3:10-13 for a description of the complete destruction of the solar system to include the sun, the moon, the earth and the stars in preparation for the arrival of the new earth and the New Jerusalem.

“All of these areas, My son, are drawing people to Me. Paul understood this. He said he would become all things to all men that by all means he might save some.¹²

“You know from hearing about England from Nick and Angela that few people went to church there because the churches were cold and drab.

“My son, I am involved in many things now that by all means, some might be saved.

“All extremes that extol Me as Lord may attract some to Me that may not be reached otherwise.

“As Paul said, I have become all things to all men that by all means I might save some. That’s what you saw last night on the ‘Dove Awards’ TV program.

“My son, ‘all means’ is attracting those of all ages, from all walks of life who will be used when the thirteen of you are released.

“You and the twelve will attract them all, confirmed with signs, wonders and miracles, in the greatest harvest of souls the world has seen.

“Yes, My son, all who are attracted to the Gospel, by whatever means, will be useful when I release thirteen of you as My God Incarnate servants.

“Yes, the **GMA** will become major contributors to the youth of the world when I release My thirteen special God Incarnate apostles, particularly, the twelve men at select parts of the world, who will become My last and most important spearhead of activities against the enemy.”

CONCLUDING SUPPLEMENT TO TO MY LETTER No. 210

Introductory explanation:

My letter No. 210, published in January, 2015, was a chronicle of my recent “illness testing.” This concluding supplement to that letter, given to me on the dates as indicated, gives some additional insight into the reason for my *illness testing*, and might be called a platform from which God launched additional necessary teaching for me prior to my promised soon release.

This supplemental *teaching* was an encouragement to me.

Notice that God’s additional revelation on my *illness testing* came seventeen days and forty-one days

¹²See 2 Corinthians 9:19-22.

after my illness began which allowed for a partial recovery from this unexpected ordeal.

Here are God's words given to me, with minor editing to delete something that should not be revealed at this time:

**RHEMA TALK
FROM JIM'S JOURNAL – CONTINUED**

Saturday, January 17, 2015

“Yes, you may mouth off at Me any way you choose. I have it coming, and I can take it from you because you have been tested every way of My strenuous testing for the Godhead.

“My son, Godhead preparation requires the most strenuous testing. Thus far only one candidate has shown Himself worthy of such testing. The cross was My most strenuous test, and only Jesus passed that test. What you have been through is your final testing for dross removal, and you passed the test.

“Even in the worst moment of your illness, you remembered My call on your life which you held on to in the midst of your last testing. You refused to disavow My call on your life when that would have been understandable – but instead, in the midst of your final testing, you fought with the enemy relentlessly.

“That was My final test.

“My son, I showed Nick My arms around you while you were ‘out of it.’

“Yes, I knew what I was putting you through, and all the time My loving arms of comfort were around you, which was the only thing I could do for you in the midst of the battle. You, My son, were released to the worst thing the enemy could do to you other than take your life, which I would not permit.

“Yes, I was hurting with you and for you while knowing full well that you, yourself, would have to bear this alone as My final test, just as Jesus bore His cross alone.¹³

“My son, it may seem too harsh, but testing for what lies ahead of you – as a man – is the most severe because both blessings **AND** curses follow the male in My kingdom.

¹³I do not believe finite mind may conceive of the hurt and the anguish of Jehovah God as He (God) looked on His only begotten Son on the cross, while knowing full well that He (Jehovah God, Himself) was responsible for sending Jesus to the cross because of the mistake in giving Lucifer irrevocable authority to rule the earth eternally.

“While the final testing for your unique anointing and authority was severe, it was not as severe as the cross. Remember that. That is what Jesus did for you. So yes, now proceed to regain your well-being as We now both prepare for your release.

“This will have its affect on you. You now will get out of your hurry to accomplish things for Me.

“While that has catapulted you over three tiers of My objectives for your life, you will now know that **EVERYTHING** you do not accomplish prior to your release may be done afterward.

“In other words, I am **NOW** in complete control of your life only because you **NOW** have surrendered it completely to Me.

“Now, Mr. Accomplishment, how do you like that? (*God's humor here.*)

“Actually, We both now may accomplish **MY WILL** in your life without My being **PUSHED** by the aggressiveness in your faith walk with Me.

“We both may **NOW** proceed according to My uncontested, or according to My perfect unaffected plan for your life.

“Now We **BOTH** may relax for **MY WILL** to occur in your life to the best benefit of **EVERYONE** involved.

“This takes pressure off of Me for My perfect will to now occur in both your life and in My perfect plan for your life. Amen.”

Tuesday, February 10, 2015 (excerpted)

“This is the first day since January 3, 2015, that you have felt good before you got out of bed. Remember, you prayed about that last night. It has taken you thirty-eight days to literally overcome the disastrous activity of Satan to your physical body for part of three days.

“My son, I released Satan to do to you whatever he chose to do in a short – less than three-day period of time. You, My son, experienced what Job experienced in principle. But because of My call and because of My plans for your life, your test was not as severe as was Jobs.

“Yes, Satan knows of you, but not everything I will be doing through you. Satan knows of My favor to you, but none of the other details. That – those things – have been reserved as a surprise to our common foe, to the world **AND** to the church.

“Much ahead in the few remaining days.”

“This time – watch out – We're on the way!”
