Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

WHY ADAM FAILED

On Friday, November 27, 2015, as I was transcribing the 11/26/15 (Thanksgiving Day) entry from my journal, I asked the Lord why Adam followed Eve, his wife, instead of the rhema word God spoke to him as recorded in Genesis 2:16, 17. And the Lord replied, "Because they had become one flesh." This is powerful testimony for one to follow biblical principles before becoming sexually active, whether man or woman, because sexual ties are difficult to break without great faith.

This means Adam gave up his eternal God Incarnate life and accepted Satan's life of certain death and chose to follow his wife into sin, because he had become one flesh with Eve, his wife. Adam's example is powerful testimony to follow written biblical principles before becoming sexually active, whether man or woman.

The remainder of this letter is transcribed from My journal on the dates as indicated.

"My son, your question about Adam has led you into truth that needs to be known.

"That is why I never created man to live in a world ruled by Our common foe. This tells you how supernaturally powerful are the subtle, vile, evil, sadistic ways of the enemy. Satan delights in death, while I delight in life.

"This is also why My original plan on Earth One is best.

"On Earth One originally, and for several thousand years, My plan for God Incarnate man thrived.

"When a God Incarnate man became of marriageable age, I, Myself, chose a young God Incarnate virgin and brought her to him.

"In that manner, man became My family **AND** My wife, while a man and his wife also became content, satisfied and fulfilled. That was My original plan and still is My plan for man.

"Both man **AND** woman, born with the Adamic sin curse and sin nature, **MUST** have written

instructions to divorce them from Satan's world. That is why I originated the written bible for man's salvation from the death grip of Satan.

"The crux of the bible record is the cross and the resurrection of Jesus. In His death, burial and resurrection, Jesus died Satan's death for everyone so everyone could have His resurrected life, for, since by man, man's blood of death was shed, by One Man's blood and death, life could be restored to every man.

"My son, you **MUST** write about what I have revealed to you about Adam and Eve (or about Eve and Adam), whose disobedience inflicted death on both of them, but also, inflicted death upon the whole human race who followed them.

"It is important for you to write that the sexual tie of man and woman to become one flesh may be more powerful than the God Incarnate status of man."

"This is a **MUST** for your writing, My son, for it is new revelation that **NO ONE** has ventured forth into before. This is why I chose you as My writer, among the many other very important activities assigned to you.

"This is why biblical examples of one man for one woman should be followed in a world ruled by Satan."

"This is also why your writing is so important to Us in the present Godhead. The husband in his (actually in My) New First Eternal Family, will bring forth for the first time **EVER**, a God Incarnate Son, who, by His birth, will single handedly spell the doom of Satan, his fallen angels and demons.

"This is also why, at the judgment seat of Christ, his whole New First Family will be inducted within My finally reconfigured Godhead in an enshrinement ceremony that will be the highlight of the seven-year preparation for Jesus to return to earth to put down the Armageddon insurrection and return to Jerusalem, Israel to rule and reign over the world during the Millennium.

"My son, after Jesus, the husband in My New First Family is the major player in My plan to defeat Our

common foe. And for that reason, he will have honor and accolades reserved for him to be known only at the judgment seat of Christ – and that is just for starters!

“There is much **MORE**, but let’s let those things wait until another appropriate time.

“This is why, as My writer, you are so important to Me. And **AGAIN**, that is only for starters.

“When using the biblical example for marriage in a world ruled by Satan, the rule of one man for one woman is God’s preference.

“This is also why a believer should not yoke himself or herself to an unbeliever, because that is confusion to the biblical principle **in a world ruled by Satan.**

“God’s written rules should be followed in a world ruled by Satan because the home is the basic unit in God’s kingdom.

“That rule is about to be changed forever by My New First Eternal Family who will become known soon after the husband is released into his full-blown God Incarnate ministry.

“So this is just one more reason why the present Godhead is rejoicing over his soon before Christmas transitions.

“He is far more important to Us than he may presently know.

“Since the home principle of one man for one woman is My kingdom example for marriage, this eliminates all homosexuality activity as an abomination to God **because it is demonically instigated.**

“This is why, My son, you will be able to minister very effectually in the whole homosexual and transsexual community, in direct disagreement with the Supreme Court rulings on homosexuality and abortion. Yes, if homosexuality is prohibited, so is abortion, which is another of Satan’s ruse to attack the home.

“My son, once you begin to minister in the homosexual community with supernaturally inspired understanding (confirmed with signs, wonders and miracles) that Satan’s demons instigate such unbiblical activity, multitudes will renounce such practices to follow Me and to support your ministry financially.

“One man for one woman is My prescription for procreation and for sexual fulfillment. It was that way on Earth One. It is that way for today and will always be that way in My kingdom.

“Certain US Supreme Court rulings seem to be

based on the false premise that if a sufficient number of citizens openly and freely practice a certain behavior, it should be certified as a civil and legal activity.

“This is like a politician, wetting his finger and holding it up in the air to see which way the political wind is blowing and tailoring his election platform and ‘sound-bite advertising’ accordingly, knowing full well he can’t deliver his promises.

“This is why a politician’s character should direct your vote at election time.

“Sodom and Gomorrah did not change My rule for marriage to the US Supreme Court rulings.”

“Yes, My son, if your pre-release time permits, you should write on Adam’s failure. That needs to be done, and you are My designated writer to do so.

“Yes, Lucifer, Michael and Gabriel were the three original archangels just as God, the Word and the Spirit were the three original members of the Godhead.

“The three members of the Godhead and the three archangels were the six original ruling body of the world on Earth One, while responsibility for the world on Earth One was given to Lucifer and his staff of angels.

“‘The earth is the Lord’s and all its fullness,’ while Lucifer, the chief archangel and his staff of angels, were appointed to rule the world on Earth One, a position that fallen Lucifer (Satan) still holds today.¹

“The perfect Godhead of three and the perfect three archangels (with Lucifer’s staff of angels) under the Godhead, ruled the world on Earth One perfectly for several thousand years before Lucifer failed.

“The failure of Lucifer was the first mistake for which I had not planned. Since you have previously written about Lucifer’s failure in detail, I will relate here only a synoptic overview of that disastrous, massive failure.

“Lucifer originally was My most beautiful creation, full of wisdom, perfect in all his ways as an anointed cherub with every precious stone as his covering. He was also a talented musician for whom perfect musical instruments were prepared on the day he was created.

“In Lucifer was deposited the fullness of the Godhead bodily, meaning God, the Word and the Spirit. Lucifer was like Me because the fullness of the Godhead

¹See John 12:31; 14:30; 16:11.

bodily was deposited within him.²

“All of Lucifer’s activities for several thousand years were perfect because the Godhead within him, fostered by My love, directed all of his activities.

“Then Lucifer realized that I created him to rule the world forever and gave him that responsibility with My immutably spoken words of Truth that could not be rescinded, modified or amended.

“Lucifer lusted after My authority. He wanted to be ‘like the Most High.’ He therefore realized with the authority I gave him, he could rebel against Me and take over the rulership of the world himself, so that I could do nothing but stand by with folded arms and watch helplessly. And he was right.

“And that is what happened.

“Neither Lucifer nor I knew the result of his (Lucifer’s) rebellion, that he would forfeit his attributes of My love and that he would be transformed into the vile father of lies whose every convoluted thought was evil continually.

“But once Lucifer rebelled, there was no turning back because angels do not have the right of repentance. Therefore, once Lucifer rebelled, the die was cast forever, and fallen Lucifer became Satan.

“Fallen Lucifer demanded that his subjects, meaning everyone living on Earth One, worship him in rebellion against Me. Even though the human population of Earth One was God Incarnate, Satan’s demand that they worship him so convoluted mankind into vile, evil creatures whose sexual activities were so grotesque, it should not be mentioned.

“For these reasons, the destruction of the world on Earth One was My only choice. The disembodied souls and spirits of Earth One’s inhabitants became Satan’s demons under his direction and control. His fallen angels, still at large under his control, war against God’s angelic hosts, including Michael and Gabriel.

“This brings us to My plan to destroy and replace My initial ruling body of the world on Earth One and Satan’s rulership of the Earth Two and Three worlds.

“Everything the bible relates about My method to replace Lucifer and his staff of angels with the Lord Jesus and the church, to include mankind’s life in the New Jerusalem, was planned in detail before the

Genesis 1:3 creation began.

“That is why I know the end from the beginning. I planned the end before I started the beginning.”

Tuesday, December 1, 2015

“When I began My second creation of the world at Genesis 1:3, I had what Satan thought to be an impossible task: In order to defeat Satan as an impostor, I had to use fallen man from whom to restore fallen man, because of My immutable words spoken in the creation of man on Earth One; otherwise My original words of creation would not have been Truth because Truth is eternal.

“Therefore, man would need to fail **AGAIN** in order for Me to bring forth a Messiah to restore man and release him from the grip of Satan.

“This would necessitate that I create man and woman again as God Incarnate co-equals, made ‘in Our image according to Our likeness’ to introduce sin (the cause of death) to the world **AGAIN** in order to bring forth a Messiah as the Savior and Redeemer of mankind.

“At first glance, that appears to be sadistic, but realize I had **NO OTHER CHOICE!**

“That is why My second ‘first man’ (or Adam) on Earth Two was created to fail.

“Therefore, the first man (Adam) formed on Earth Two was trained and prepared for life with the Three Measure Standard and My over abundant love.

“I knew that would be insufficient to keep Adam faithful to Me in the presence of Satan’s temptations, because both Lucifer and mankind on Earth One were trained the same way: with the Three Measure Standard and My over-abundant love.

“Therein lay My dilemma: how to create a perfect God Incarnate man and woman as co-equals so that the man (Adam) would fail – would sin – which would necessitate the need for a Messiah as Savior and Redeemer.

“That Messiah would then be equipped so as to draw to Himself a sufficient number of followers, called ‘the church,’ to supplant and replace the angelic staff of fallen Lucifer to come forth and rule the world during the Millennium, as Lucifer did originally on Earth One.

“Satan, of course, thought that to be impossible, but I thought otherwise, which brings us to Adam’s failure.

²The original Godhead was God, the Word and the Spirit. It was only **after the resurrection of Jesus** that the Godhead became the Father, the Son (inclusive of the Word), and the Holy Spirit.

“I had to form the second ‘first man’ (Adam) on Earth Two so that he would willingly give up or surrender his God Incarnate status to Satan’s temptations. **That is why man’s sex drive is so predominate.**

“Satan tempted Eve first because:

(1) “Eve got the logos from Adam who received from Me the rhema that ‘the day you eat of the tree of the knowledge of good and evil, you shall surely die.’ (the logos is **NEVER** as powerful and convincing as the rhema), and because

(2) “I intensified man’s sex drive so that he would surrender his God Incarnate status rather than give up his wife with whom he had become one flesh.

“Adam and Eve were **twice** of one flesh because:

(1) “God took substance from Adam’s body from which to form Eve, and because

(2) “Their sexual union confirmed their one-flesh beginning.

“This is why the sexual tie of man and woman to become one flesh may become more dominant than the God Incarnate status of man. And that is why Adam surrendered his God Incarnate life to face certain death so as to sustain his sexual tie to his wife Eve. *It had to be that way in order for Adam to follow his wife into disobedience and certain death rather than keep his God Incarnate status and become divorced from his wife.*

“But remember this before you become too critical: I made man (Adam) that way on purpose so that his sex drive would provide for procreation of My family while fulfilling both man **AND** woman as husband and wife simultaneously.

“The purpose of My kingdom may be summarized with one word: **MARRIAGE**. But that marriage had to be a God Incarnate man married to a God Incarnate woman for that marriage to be pure from the beginning, because I will only have a wife that is pure and freed from the Adamic sin curse and sin nature. In that manner alone, when a God Incarnate man marries a God Incarnate woman, as they became one flesh, they simultaneously become My family and wife and only thereby am I contented, satisfied and fulfilled, while the man and his wife are also contented, satisfied and fulfilled.

“Jesus was only fifty percent pure when He

came forth from Mary’s womb because His mother, Mary, was born under the Adamic sin curse and sin nature, while Jesus was born without the Adamic sin curse and sin nature because the Spirit fertilized the egg in the virgin Mary’s womb. The other fifty percent was added after Jesus was baptized by John and the Spirit bodily as a dove alighted and remained on Him. Along with the Spirit came the two other invisible members of the Godhead: God, the Father and God, the Word which is why Jesus was God Incarnate, meaning that the fullness of the Godhead bodily resided in Him during His personal ministry. (Col. 2:9)

“Another reason for man to be the aggressor in the sexual relationship is that by My foreordained decree, both blessings **AND** curses follow the male.

“This is why My New First Eternal Family are so important to Me.

“The birth of the God Incarnate Son as the only child of My New First Eternal Family, will spell the doom of Satan. This is because **THAT FAMILY** will reestablish the perfect God Incarnate bloodline again on the earth that fallen Lucifer once destroyed.

“Through My New First Family, I will restore to mankind the same relationship that Adam and Eve had prior to their failure.

“This means that:

(1) “God Incarnate man and woman would again be co-equals, and that

(2) “God Incarnate woman would no longer have sorrow and pain in child bearing, and that

(3) “her desire would no longer be for her husband to rule over her, and that

(4) “man’s effort to sustain his family by “the sweat of his face” would be supplanted and replaced presently with My freely provided twenty-first century abundance, and that

(5) “the curse of death upon mankind would be lifted so that God Incarnate man shall **NEVER** die but live to enjoy My abundance forever, and that

(6) “man’s God Incarnate body would be a perfect specimen, of perfect physique, health, strength and energy, never to age, grow and die, but to live and enjoy My abundant provisions eternally, and that

(7) “My perfect blood-line would once again be restored eternally as it was intended on Earth One and as it will be forever in The New Jerusalem.”
