Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

FURTHER EXPLANATION OF GOD'S PLAN FOR HIMSELF AND FOR MAN

Years ago, God said to me that I was enrolled in His school of the prophets where the prophets write their own text.

If you will stop and think about that statement, it explains in detail how we got the Bible. In simple terms, God spoke and men wrote. That sounds easy, and it is when viewed by revelation. Let me explain:

If you have delved into "how" we got the Bible to include the theory of inspiration, you may understand the term "verbal inspiration." This means that God, Himself, dictated to those whose writings were included in the canon of scripture, the exact form of each word written. You may have heard a sermon based on that "premise."

While that sounds good, unfortunately we do not have any of the Bible writers to confirm or deny that conclusion, in spite of the fact that scripture, itself, declares that, "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness that the man of God may be complete, thoroughly equipped for every good work." (2 Tim. 3:16, 17).

Over a number of years, God has repetitiously given me an explanation of how we got our present Bible. You don't get that kind of information by reading the Bible, however important that is. You get that kind of information by learning to listen to the voice of God. That is the way Moses, the prophets, others who wrote the rest of the Old Testament to include the apostle Paul and those who wrote the rest of the New Testament, wrote their contribution to the Bible.

Admittedly, God does speak to us in exact words, whether in dreams, in visions, in that "still small voice," or in scripture verses, for example. Many of us have been blessed by each of those examples. But that is not how we got the Bible.

Thoughts are the language of the Spirit. For that reason, God has said to me that in the few remaining years of this "Rapture generation," He will teach us to hear His voice 24/7. This is new for both God and for

man and has **NEVER** been done before, God said to me. But then you might think, "How does that 'line up' with Solomon's conflicting Eccleastes statement that '*there is nothing new under the sun?*'" (Eccl. 1:9)

You may then turn to Isaiah's writing that also conflicts with Solomon's "nothing new under the sun" statement, when he (Isaiah) declared that "before *new things* spring forth, I will tell you of them." (Isa. 42:9)

Solomon also wrote, "Train up a child in the way he should go and when he is old he will not depart from it." (Prov.22:6). If we presume that David and Bathsheba, Solomon's father and mother, reared Solomon "in the way he should go," this again conflicts with Solomon's writing, since in Solomon's old age, he strayed into the practice of his heathen wives and flagrantly disobeyed God.

Yes, there are seemingly contradictions in our Bible. Does this negate the value of our Bible? No. Everything necessary for life and godliness is in the Bible. An "It is written," is the way Jesus defeated our common foe, and that also is our common defense against him as well.

The answer is that the crux of what the Bible teaches is that Christianity is not a religion, but an intimate, real, personal relationship with a risen Savior who satisfied God's demand for the restitution of Himself and for mankind at the cross. Then, by His resurrection, Jesus established forever the way of our redemption as we believe in and follow Him.

So, yes, there is something new under the sun. God is getting ready to unleash thirteen new God Incarnate apostles, twelve of whom are men, at twelve select points over the world to bring in the greatest harvest of souls the world has seen.

Another remarkably *new thing* about those thirteen is that one of them, the first, is a God Incarnate woman, chosen by God to lift forever from woman the stigma of being the first to disobey God. Her accomplishments (not her importance) will exceed that of Mary, who was not God Incarnate.

Each of these special apostles have been taught that "thoughts," not specifically enunciated and pronounced words, are the language of the Spirit. Those "thoughts"

are lightly given and may be easily ignored. That's why many miss God's "thought-words" or "thought-language."

Under the way of spiritual growth available since one Pentecost morning in Jerusalem about two thousand years ago, through knowledge of the Bible with dedication, faithfulness and prayer, one may attain spiritual growth. In that method of spiritual growth, God rests while you and I do the work.

In God's new way of spiritual growth made available only during the last few years of this *Rapture generation*, as man learns to listen to the voice of God 24/7 and becomes obedient thereunto, man rests while God does the work.

In the "old method" man may grow incrementally. In the new "Listening Method," man may grow exponentially.

You may spend two hours a day in prayer and learn nothing about God. One fourth of that time spent listening to words from the mouth of God will change your life forever. More than once God has said to me that He longs for members of His family to listen to Him, but sadly, few understand or will take time out of their busy daily schedule to do that.

The good news is that everyone in God's family has the ability to learn to listen to His voice today 24/7. Although it may sound "strange" to you, learning to listen to God 24/7 may become addictive. Addictive? Yes! Addictive, meaning there will occur a "drawing to Him through His words," you seemingly **NEVER** get enough of that living water to completely quench your thirst. I speak from long experience.

Once you learn to hear words from the mouth of God, you should journal every word you hear, because His words will become so profuse, you will be unable to remember them. Words you hear from God are important enough to remember – that's how we got the Bible. Hence, journaling each word you hear from God is essential to exponential spiritual growth under the "Listening Method."

Introductory:

The "thoughts" in the rhema word to follow, began as I was preparing to get in the shower. I then put on my robe and house shoes, went to my office desk, sat down and wrote the following word. The reason I mention this is because when God chooses to speak to us, then is the time to stop what we are doing and take

dictation. Otherwise we may miss a golden opportunity.

The rhema word: (EnLightenment)

Only in a fallen world do you need created light to see with your eyes. That's why God created light as recorded in Genesis 1:3-5. "Created light" was not needed on Earth One because the light of God was the source of man's sight.¹ God is light, and in His perfect world the sun, the moon and the stars are not needed, for they are provided only to contain and reveal light and to record time and seasons in a fallen world.

Satan is the ruler of this fallen world and his darkness. It therefore is in "his world" that one needs "created light" to see.

The whole world is in darkness because of sin. Sin is the cause of darkness and death.

Only in a fallen world of sin and darkness is "created light" needed in order for man to see.

In God's perfect World One originally and in the New Jerusalem finally, the sun, moon and stars were not and are not needed, because God – God's presence there unrestrictedly – is the light. And God's light provides neither shadow nor darkness.

Created light provides shadows and darkness in a fallen world ruled by the enemy. The sun, moon and stars are present in a fallen world to provide time in which to age, grow old and die.

There is no aging in God's perfect world created in eternity. Therefore, neither created light, nor sun, nor moon nor stars are needed, since neither time nor aging nor death exists in eternity.

Therefore "created light," as well as the sun, the moon and the stars (to record time and seasons) are all the products of sin in a fallen world because each of these are required to age, grow old and die in a world ruled by Satan.

A world ruled by Satan is in darkness, illuminated by created light.

That's why God's *created* light is separate and

¹The only thing man sees with his eyes is light, or the absence thereof, which is darkness. Darkness was not created, it is the absence of light. In what we might call "normal circumstances," on a clear sunlit day, we actually do not see images, as such, but the reaction of light to those images, or the way light "defines" or allows us to "see" those images. Neither do eyes see "color, as such, but the absence thereof. Something that is "green," for example, absorbs all spectrum colors of light except "green" that we see. Only in a world free of sin and death, may one see with his eyes, unimaginably, clear, beautiful color, illuminated by God's "surround light," where there is no "shadow of turning."

distinctly apart from God's light.

Created light exists only in the presence of sin.

God's light exists only in the absence of sin.

Created light, as well as the sun, the moon and the stars to record time, are all necessary for man to be born, to live, to age, to grow old and to die in a fallen world.

Neither created light nor the sun, nor the moon, nor the stars, nor time were in existence in God's perfectly created Earth One world. Neither will they exist in the New Jerusalem. They were not needed on Earth One, nor will they be needed in the New Jerusalem because of the total absence of sin and death.

This is only a partial view of the reason a perfectly-created Lucifer (who was like Jehovah God, Himself), who was created to govern the Earth One world in God's perfect love, rebelled against God's perfect plan for God and for man.

Since that failure, God learned to add to the teaching preparation of Lucifer, that which was learned through the rebellion of Moses, and that which was an added teaching requirement for Jesus, so that beginning with the death, burial and resurrection of Jesus, man, once more, may start down God's road to recovery and righteousness.

God's plan for Himself and for man today, may be much more quickly seen and obtained by learning to listen to the voice of God 24/7. Therein will man be changed, by the spoken rhema word of God, from one degree of glory to another.² Only then, and in God's sufficiency of time, will man be ready for the Incarnation of God, Himself.

Only as man becomes God Incarnate, may man fulfill both God and man himself, as it was ordained from the beginning.

That is God's goal.

It will be achieved.

Thank you God for your revelation. Amen.

August 11, 2011

Yes, My son, everyone is vulnerable in a fallen

²The reason man will be inadvertently changed just by listening to rhema words from the mouth of God, is because each of those rhema words contains small quantities of spirit, life, love, truth, light, food (spiritual) and faith (which comes by hearing). Each of those seven attributes of God are residual and cumulative and are therefore retained by the hearer. That is the only avenue through which man may become God Incarnate under the teaching of the thirteen new special apostles, soon to emerge on the world scene.

world – vulnerable to attacks of the enemy.

Man has very little legal opposition to the enemy when he is filled with only My Spirit.

Remember, My Spirit has no authority of His own.³ This means He speaks whatever He hears. Therefore, until man learns to listen to My voice 24/7, he has no basis for perfect conduct.

This makes it imperative that learning to hear My voice 24/7 is the only way to walk before Me in obedience in a fallen world.

Even then, one must be told that perfect conduct is actually not attainable in a fallen world. The reason is that man is not fulfilled nor does he fulfill Me, says the Lord, until I am within him without measure in the fullness of the Godhead bodily.

This means the fulness of the Godhead bodily must be within man in order to fulfill Myself first and to simultaneously fulfill man, himself, as well.

So perfect conduct in a world ruled by Satan is impossible until or unless one listens to My voice long enough for My creative rhema words to literally change him according to My measure so that I may fill him with all the fulness of the Godhead bodily.

Only then, as one becomes God Incarnate, may he be perfected into perfect conduct.

Adam and Eve were the first examples on Earth Two, but they failed for the same reason that Lucifer failed. Lucifer used his failed tactics on Eve and Adam, and he was back in business again,

This is why I have said obedience is My measure of righteousness in a fallen world. So long as one is obedient to what I have called him to do, he is righteous before Me in spite of failures in other areas.

My son, it had to be that way. I have had to restore man in stages. But all along the way, I have had to encourage him in his imperfections gradually, to free him of Satan's grip.

Therefore, man's heart before Me, becomes his judge. **An evil heart of unbelief has never been My measure.**

So I had to gradually divorce man from Satan. After the failure of Eve and Adam in Eden, their descendants degenerated to the level of evil in Earth One,

³See John 16:13.

so I had to start over again with the best product available.

Noah and his family were My best of the rest.

After Noah, Abram was My choice.

But I had to speak to those two men in order to give them incentive (faith) to obey Me.

Next comes Moses and you know his story and his failure.

Following Moses was Jesus. He was My objective once I began to plan My recovery after Lucifer's failure.

But I had to produce Jesus within all of My previously spoken immutable words of creation I used to produce Earth One.

After Jesus, came My apostles to represent Jesus. They could accomplish only so much. For that reason, My judgment of righteousness had to still be compromised.

Not until I could bring My special thirteen on the scene was it possible to demonstrate righteous conduct in perfection without restriction.⁴

Then the husband in My New First Family, as one of the special twelve, and his new wife, will provide the final and last stages of growth to demonstrate My perfect societal unit in My economy.⁵ Those two will complete My preparation to overthrow the enemy completely.

The two members of My New First Family will finally demonstrate successfully what I introduced to Earth Two in Adam and Eve.

You must understand that those two are My last and final state of preparation to defeat Our common foe. Those two, as My first God Incarnate couple to overcome the overcomer, will reestablish My complete and absolute authority over the enemy to restore

⁴Certainly the conduct of Jesus was righteous, but He was limited in what He could do, in view of the restrictions imposed on Him because of the cross. He could not openly and forcefully say who He was and the reason for His coming without divulging to the enemy and to the Jews who He was, which would have defeated the purpose of His coming.

⁵God's societal unit from the beginning has been one man joined to one woman in the home, whether in God's perfect society in Earth One before Lucifer failed, in the fallen world that began with the failure of Eve and of Adam, in the Millennial world or in the New Jerusalem. This is why a fallen Lucifer first attacks marriage and the home and the purity of man's sexuality as God's basic societal unit.

marriage and the home as My model for the world and for the Church to see.

After Jesus, those two are first in importance to My restoration of man. The societal unit in My economy has always been two people – a man joined to a woman by Me as husband and wife as God Incarnate individuals.

The two members of My new First Family will complete My work on the earth for the first time in many millennia.

My restoration of marriage and of the home through those two is **My final act of restoration prior to the Rapture.**

Again, I am more impressed with the importance of those two members of My New First Family, and with their contribution to the restoration of man and the earth, than they are.

So stay steady in the boat and get ready to see some water walking and some water management.⁶

I want the husband in My New First Family to enjoy and relish his new virgin wife. She will likewise enjoy and relish him as her new virgin husband.

Those two will be able to openly teach and use themselves as My model, as Earth One was originally My Model.

The work of Jesus, followed by the work of those two, will complete My first phase of restoration. But stand by. There is more to come. And those two will enjoy being right in the middle of the *water management* that will follow.

Remember. I want those two to enjoy to the full, My call on their lives. Those two will fulfill Me for the first time in many millennia, for which I have longed.

I cherish them because those two will fulfill Me as those two, themselves, are fulfilled. Those two will fulfill Me as I fulfill them, as a man and his wife were intended from the beginning.

That's how much they mean to Me.

But remember, Jesus provided the way for this to be done. Remember that. <finished at 1:50 AM>

⁶God has defined these two terms for me: **Water Walking** = miracles. **Water Management** = management or the re-institution of marriage and the home with a man and his wife as the societal unit in the economy of God, as a God Incarnate couple, released into eternity as God's model. This is descriptive of God's New First Family soon to emerge on to the world scene.
