Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this Rapture generation

### An Explanatory Introduction:

On August 14 and 15, 2011, God gave me two most remarkable prophetic rhema words – some of which He had never given to me previously. For example, in this letter you will find: part of the uncharted fourth dimension, other changes in the Godhead, one of which will surprise you, the dilemma with which God was presented upon the re-creation of the Earth Two world beginning with Genesis 1:3, God's divorce, the way Satan mandated God's activities, and insights into the mind and into the thinking of God never previously revealed, all of which, and more, you will find, along with some other "goodies," in this letter.

Not only does this rhema revelation give evidence that man is made in God's image and His likeness, but that God is made in man's image and in his likeness.

Feast your eyes on the blessings of learning to listen to the voice of God 24/7. To Him be glory, power, honor and thanksgiving throughout eternity. Amen.

Here now are the words God gave me on those two days in August, 2011:

8/14/11 – Sunday morning at my desk.

"You will remember that I said to you, 'The farther We go, the fewer people will understand what I give (say to) you.'

"My son, I hope you do not get weary of My saying something to you repetitiously, concerning you and My New First Family, but both you and they have fulfilled Me in a way for which I have longed for millennia.<sup>1</sup>

"Remember in the Genesis account, I said, 'Let Us make man in Our image, in Our likeness to have dominion over and to subdue the earth.' My son, man (and woman jointly) were made to rule the earth. But hidden in those words were the fact that this could

---

<sup>1</sup>This reveals a side of the Father I have not previously seen. How real He is! How much like us He is!

occur only as man remained 'In Our likeness' and 'in Our image.'

"That means in order for man to function as We originally designed (made) him, We, the fullness of the Godhead bodily, would need to remain as the integral part of his makeup.

"A man and his wife, both God Incarnate, were therefore joined together physically and spiritually; first, for My fulfillment, but secondly, and just as importantly, for the fulfillment of both the man and his wife.

"You see, My original design for man was to first fulfill Myself as the Master giver, but also to indwell man in all of Our fulness, in order to fulfill both Myself and man, himself, simultaneously. That fulfills Me, Jehovah God, as We simultaneously fulfill man. That is why I created man.

"I wanted someone like Myself on whom I could lavish Myself in love – a man and his wife, chosen by Me **and created in eternity**, to function jointly as My single societal unit to both fulfill Me, and to have dominion over, and to rule the earth.

"In so doing, as God Incarnate man was fulfilled by his God Incarnate wife chosen by Me, he fulfilled Me. In that sense, man (as a unit), functioning as I designed him spiritually, became My fulfillment, as his wife became his fulfillment.

"My first 'fulfillment wife' was man and his wife in the Earth One world, which lasted for several thousand years. Then someone came along who seemed to be more attractive than I was, and you know the rest of that story.

"My first wife, who fulfilled Me spiritually, was stolen and was literally ruined by a fallen Lucifer. So I know what it is like to lose a wife whom I loved and cherished.

"And yes, I was devastated by My loss, just as a man is devastated who loses to someone else, a wife he loves and cherishes, over which he has no control.

"Therefore, as a divorced Jehovah God, I can empathize with marriage problems caused by Satan.

"So fallen Lucifer successfully ruined My first

marriage, and that is still his tactic today. His target to completely corrupt My plan for man, is to attack the institution of the home, because he knows that man, who functions as a unit (as I made him), fulfills Me, Jehovah God, as a man's wife fulfills him.

"Consequently, Satan's target is to disrupt, defile and destroy marriage and the home as a direct way to discourage Me, for man and his wife prefigure My relationship with My creation. And yes, that devastated Me.

"My son, that is what I showed you two mornings ago as you were awakening. The many things that came through your mind with which you were involved were wrong relationships over which you had no control. That, My son, prefigured Me, Jehovah God, as I view the earth and mankind thereon. I see many, many things being done wrong in which I, Myself, feel responsible, while I can do nothing but stand by and watch.

"That, My son, describes My frustration as I overlook the earth and the mess I made of My once perfect creation. And yes, I become frustrated just as you do when you find something going on, or something going wrong in your life, over which you have no control.

"For these reasons, the husband in My New First Family, and his new wonderful bride that I have picked out for him, will, at their marriage, fulfill Me in a way for which I have longed for millennia.

"In those two, at their marriage, I, Jehovah God, will become fulfilled in a way for which I have longed in My heart since in My anguish, disgust and tearful regrets, I had to destroy the Earth One world in My fierce anger (see Jeremiah 4:23-26).

"That is why, My son, My One, Two, Three second arrangement or adjustment of the Godhead will include Jesus (One), the husband (Two) and his new wife (Three) in My New First Family. Exactly the true significance of how that will work, I will leave for a future revelation.<sup>2</sup>

But believe I have something special planned for those Three.

"That's how much both members of My New

---

<sup>2</sup>This is an indication that both members of God's New First Family will become members of the Godhead. .

First Family mean to Me. Those two will become My cherished spiritual wife to fulfill Me in a way for which I have longed and which I have missed for so long.

"So, as you may partially begin to see now, the husband and his new wife in My New First Family, will love and cherish each other as I will be able to once again love and cherish those two as My beloved.

"In that manner alone, may I, Jehovah God, be fulfilled as I am able to love and cherish those two as My beloved.

"I, like you, long for someone whom I can love and cherish. Those two will provide that for Me.

"And that is why those two will join Jesus to become My One, Two, Three positions in the reconfigured Godhead.

"Try that one on for size!

"This elevates both God Incarnate man and woman to the position for which I originally made them.

"So, get ready, My son, for some good times ahead, in which you will participate.

"I will delight in those two for which I have longed for millennia. And remember, I am the Master giver.

"Now you may be better able to understand that not only were man and woman made in Our image and in Our likeness, but We, the Godhead, were also made in their image, in their likeness.

"In this manner alone am I, as Jehovah God, fulfilled while I simultaneously fulfill man. In this case 'man' means the husband and his new wife in My New First Family.

"So the marriage of those two will be an important event for which I have plans that may only be revealed *after I release those two*.<sup>3</sup>

"They both will like what I, the proud Father of it all, have planned.

"This marriage will be of much greater import than the recent marriage in London.<sup>4</sup>

8/15/11 – Monday.

"As I have said to you previously, thoughts are the language of the Spirit. As a matter of fact, thoughts

---

<sup>3</sup>This portends something not recorded in scripture that is beyond anything one might imagine or dream.

<sup>4</sup>The marriage of Prince William to Catherine Middleton on April 29, 2011 seen by 2.8 billion viewers on television.

are the language of the spirits – the language of all spirits.

“Thoughts are not only the **language** of the spirits, thoughts are also **the method of transportation** in the spirit world.

“Thoughts, therefore, are both the method of communication and the method of transportation in the spirit world – in **both** spirit worlds.

“This is why the mind is the spiritual battleground. The activity of all spirits, both good and evil, is zeroed in – is centered in – the mind.

“The receptivity of thoughts that enter your mind present a decision you must make.

“The way you think, act and speak is based on thoughts that enter your mind.

“Most written logos began with thoughts in My heart, for, ‘as a man thinks in his heart, so is he,’<sup>5</sup> but this statement applies to God, as well as to man.

“Thoughts created the universe. Thoughts that were conceived in My mind and considered as to their correctness and proper applicability to the situation at hand, were finalized in My heart with spoken words.

“The creation of everything you see began as a thought in My mind. As I considered the appropriateness of the thought, it entered My heart and I spoke it into existence.

“For example, I knew that in a fallen world, light would be necessary. Created light is necessary for light containers, and light containers are necessary to create time, and time is essential to be born, to age, to grow old and to die in a fallen world.

“My precious son, everything recorded in the Bible, beginning with Genesis 1:3, was essential for one to exist in a fallen world.

“This gives you some idea of the task before Me when Lucifer failed Me. Initially, I completely rebelled at the creation of all the increments of a fallen world. It is contrary to My nature as a God of love.

“As a matter of fact, it was very tiring and stressful for Me to even consider the creation of a fallen world.

“That is so contrary to My nature, it can become nauseous – it can become sickening to Me.

“In order to create everything beginning with Genesis 1:3, I had to learn to think evil. I had to learn to think like a fallen Lucifer, so as to create a ‘natural’

<sup>5</sup>See Proverbs 23:7.

world that would live a limited life and then die.

“Death was never on My original agenda. Life was My original thought for the Earth One world – eternal life, that is.

“You may recall that those whom I have called to heaven, upon arrival, are surprised to see eternal life everywhere. As Jesse Duplantis noticed, in the third heaven, you can step on a plant or a flower and it will pop right back up because it was created in eternity instead of being created in time.<sup>6</sup>

“I had to literally learn to think evil in order to create a fallen world.

“That was so against My nature of love, at times it was repulsive. The fact that because of My short sightedness, Lucifer failed; so the fact that I had to create a world controlled by evil just overcame Me at times. There were times when I was planning My world of sin and death, I would simply have to ‘walk away’ from My whole mess and rest for a while so as to start again to formulate My final plans.<sup>7</sup>

“One thing that made it even worse was the fact that a fallen Lucifer mandated **everything** I was forced to do after Genesis 1:3.<sup>8</sup>

“Yes, that’s right, I was **forced** to do everything I did after Genesis 1:3.

“Man often has wrong thoughts about Me. He seldom thinks along the line of My having thoughts as he thinks, but I do, because I am like man, because he is like Me.

“This puts Me – this puts Myself – in a different category in your thinking, doesn’t it?

“My son, I had to learn to think evil to create a fallen world. I had to learn to create a world in which sin and death were the ‘normal’ way of life. Life actually became the normal way of death. Death

<sup>6</sup>Jesse Duplantis was taken by an angel to the third heaven. Lapsed time from his departure to his return was five hours and fifteen minutes. His story on that trip is told in a book Jesse has written entitled, “**HEAVEN, Close Encounters of the God Kind.**”

<sup>7</sup>This gives a “picture” of God that comes only by learning to hear His voice 24/7.

<sup>8</sup>The fact that a fallen Lucifer (Satan) mandated **everything God was forced to do after Genesis 1:3**, does not appear to be possible to one with Bible knowledge of God, who is omnipotent, omniscient and omnipresent. Hence, the blessing of learning to hear God’s voice 24/7.

became ‘normal’ all because of a fallen Lucifer.

“The reason heaven is so different is because there is eternal life in the third heaven created in eternity. For that reason, I had to learn to think sin and death in order to create what I knew would become the Earth Two world as a fallen, evil place of death for everything.

“Evil and death dictated My creation of limited life in the Earth Two world. That’s why I took so long to create the Earth Two world. In that process, at times I would simply have to ‘walk away’ from the creation of evil and death that lay before Me.

“All of this, My son, is what makes the husband and his new wife in My New First Family so precious to Me. For the first time in millennia, I, as Jehovah God, will once again be able to complete Myself in and within My creation.

“The two members of My New First Family will complete Me. Yes, even I, as Jehovah God, long to be fulfilled or completed by having two of My own body created in whom I may once again enter in My complete fulness to satisfy Myself – to complete Myself, to relish Myself once again, as I relish My own creation – My own body.

“Then when those two are married to each other as spiritual virgins, to become one physically **AND** spiritually, they will become My body on the earth once again on whom I may relish with My abundant love to fulfill and to complete Myself as Jehovah God once again.

“Those two are My firsts as Jesus was My first. And yes, the portals of heaven rejoiced at the resurrection of Jesus. And the portals of heaven will rejoice as I release those two, but will celebrate at their wedding.

“My precious son, both members of My new First Family are so special to Me, I will need to restrain Myself so as not to overdo My desire to bless those two. So they must get ready to become My cherished body on the earth, after I had been starved for love for millennia.

“That, My son, is why those two and Jesus will become My One, Two, Three of My once-more rearranged Godhead.

“Those three are My models of man and My models of My body on the earth, on whom I may once more lavish Myself, fulfilled in a way for which I have

been starved for millennia.

“Now you may be able to partially understand why, more than once, I have gone to the Father for His approval of those two.

“I had to be sure, so I got His approval of them both as His first true body on the earth on whom He may lavish Himself and in whom once again He, Jehovah God, may be completely fulfilled, for the first time since Lucifer failed and rebelled against Him.

“Those two are signal events to reestablish love, marriage and the home in their rightful place on the earth, once again, to complete and fulfill the Father.

“He is excited and overjoyed, once again, in the third heaven. And that’s why, after Jesus, those two have become special to the Father. He will dote on those two as a loving Father desires.

“Again, I say, the vision of those two at the Judgment Seat of Christ, kneeling at the feet of Jesus and laying their gold crowns at His feet and bowing before Him, will take place. Then, as He takes both of them by the hand, and lifts them up to their feet, those three as My One, Two, Three of the Godhead, will become final in the annals of eternity.

“Those three will be My three models after which all else will be patterned.

“That’s why the Godhead will be rearranged once again for the third time.

“The first adjustment was the loss of Lucifer.<sup>9</sup> Next was Jesus, and finally, those two.

“Those two, with Jesus, will complete My restoration models, after which the rest of My restored family will be patterned.

“Go in peace today, My son. Much awaits the husband in My New First Family as he becomes acquainted with his new, lovely, virgin bride. She is quite a catch, as he will be for her.

“Add to that the fact that those three will be My models for all to follow. In that manner will the Father be completed and fulfilled on the earth once more, and this time, for eternity.

“Those two, as Jesus did, will enter eternity as

---

<sup>9</sup>Here is the first time God revealed to me that Lucifer was once in the Godhead, which is a most remarkable revelation since fallen Lucifer became Satan.

they are filled with all the fulness of the Godhead bodily. Step two, their marriage, will complete and fulfill them both as they simultaneously complete and fulfill the Father.”

At 7:02 AM

“Man was originally made as a physical receptacle or container of all the fulness of the Godhead bodily. Consider the time it has taken for Me, as Jehovah God, to bring forth Jesus in resurrection, then about two thousand years later to bring forth both members of My New First Family as God Incarnate individuals, and you have an idea of how long those Three have been in the planning stage.

“Through Jesus, man was restored.

“Through both members of My New First Family (My societal unit of man and his wife), marriage and the home, will be restored. And there you have My plan to restore what a fallen Lucifer destroyed.

“Only after the Rapture will I be able to reveal some surprises in store for both members of My New First Family with Jesus as a leading participant.”

At 7:23 AM.

“You are right, My son, to do what I have done, I had to learn to think evil and death instead of life and good. I had to beat a fallen Lucifer at his own game. I had to fit into his game plan to defeat him. And that is another of the things that has so concerned Me.

“The fact that I had to adapt to his game plan meant many souls would follow him into the lake of fire. And that is why it took Me so long to finally accept the fact that to redeem My lost world, would send many to follow Satan into the lake of fire. That still grieves Me, but I had no other choice in My redemption plan dictated by My failure in Lucifer.”

**Closing Concluding Comment:**

To put this rhema word in proper perspective, God gave me this revelation on August 14 and 15, 2011. Since then, as my writing confirms, God has revealed to me that to His New First Family will be born a God Incarnate Son, who, along with His parents, will be inducted into the Godhead in an enshrinement ceremony at the Judgment Seat of Christ, soon after the Rapture, which, after the rejection of fallen Lucifer makes four additions to the original Triune Godhead:

The Father, the Word and the Spirit. Another complete realignment of the Godhead takes place at the New Jerusalem, which, along with other details in this letter, are confirmed in Jim Ash letter No. 222 available at my website: [www.jimash3.com](http://www.jimash3.com).

**The Word received on Sunday, September 11, 2016:**

“My Son, when God, Himself, who flung the galaxies into existence, uses you as His private confessor, it changes your life forever.

“When God confesses His weaknesses to you to release the vice-grip of Satan from Himself, it changes your life forever.

“When the Alpha and the Omega of Life, the One who spoke the solar system into existence, confides in you His weaknesses, His failures, it changes your life.

“When the One who is omniscient, omnipotent and omnipresent uses you as a buffer against a fallen Lucifer, it changes your life forever.

“When Jehovah God, Himself, involves you in His own cleansing, He becomes like you, as you become like Him.

“As these things occur, it brings God down to your level while simultaneously it brings you up to God’s level, that two may become One.

“Each of these statements is a miracle because each statement is of God.

“Each statement comes from listening to God as compared with talking to God.

“Taking time to listen to God honors Him more than talking to Him.

“Taking time to listen to God allows you to know His needs – His burdens – His problems.

“Taking time to listen to God gives you insight into who God is, instead of who you thought God was.

“Taking time to listen to God allows you to know who He is and who you are.

“All of this tells you that God is like His creation – is like mankind whom He created as His companion, as His completion, as His fulfillment.

“All of this tells you that God is like man and that man is like God, both of whom are incomplete, dissatisfied and unfulfilled without the other.

“God made man like Himself to content, satisfy and fulfill Himself. Mankind is God’s completion of Himself while God, Himself, is man’s completion of

himself.

“Mankind, triune mankind, was made as a receptacle in whom God Himself could dwell because a spirit Being or a spirit being is incomplete without a physical body in whom to live – in whom to dwell.

“That is why God made man.

“Man was made to fulfill God, and God exists to fulfill man. Each is dependant upon the other, and each is incomplete without the other.

“Satan’s objective is to divorce man from God to marry the counterfeit.

“God’s objective is to become One again in man to save man from Satan’s evil divorce and from the lake of fire.

“No price is too big to pay to obtain all God has for man. That price to pay is time. It takes time to learn to listen to the voice of God – but once you learn to listen to the voice of God, the listening becomes more routine and takes less time.

“Always take the time to write what God says to you.

“Each of those words contain small absolute spiritual quantities of spirit, life, love, truth, life, food (spiritual) and faith (that comes by hearing).

“Hearing the voice of God is God’s objective for man.

“Come unto Me all ye who labor and are heavy laden and I will give you rest. Take My yoke upon you and learn of Me, for My yoke is easy and My burdens are light, and you shall find rest unto your soul forever.

“God is hungry for fellowship, for communion, for intimacy with man – His creation.

“No one is like God until he learns to listen to His voice, for those Spirit words will transform one so as to conform him to God, Himself.

“Come to the Fountain to drink of Life freely.

“Come to the Fountain to feast on fresh manna from heaven.

“You become acquainted with God the same way you become acquainted with someone else – by listening to what God – or by listening to what someone else – has to say.

“God is not mute.

“Satan has made man mute to believe that neither may man talk to God, nor may God talk to man.

That is Satan’s lie. Don’t believe it.

“Come to the Fountain of Life, love and fulfillment.

“Hosea, the first of the “minor prophets,” was called by God when Israel was prosperous financially, but spiritually bankrupt. The Israelites practiced idolatry God pronounced as harlotry. Hosea was called by God to marry a harlot to portend Israel’s prostituted relationship with God, her Husband.

“While the world, including Washington, D.C. through the Supreme Court, has also turned its back on God, there is a remnant of God’s people who are being prepared to respond to the greatest move of God the world has seen.

“Very soon now, thirteen God Incarnate apostles will emerge on the world scene from twelve select points of the world, all preaching the same full Gospel message to include Holy Spirit baptism, that every nation under heaven may simultaneously hear the same Gospel message in many languages with the same result.

“In this move of God, fifty percent of the unsaved will be saved.

“And part of the “Good News” is that you may participate in the last and greatest outpouring of God’s Spirit prior to the Rapture.”

<end of letter No. 223>
