Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

### A BRIEF REVIEW OF DISRUPTIVE CHANGES THAT LIE JUST AHEAD

My instructions to write this letter began the morning of March 3, 2017, parts of which will be repetitious of my previous writing; nevertheless, they are included as I have been directed.

One purpose of this writing is to correctly discern or establish certain facts, to include theological or biblical principles or doctrines God revealed to me after I learned to hear His voice 24/7.

The year of 2017 is the Jewish year of Jubilee. Scripture describes the Jewish Jubilee year as the year following seven weeks of years ( $7 \times 7 = 49$  years), the fiftieth year being Jubilee.

In the year of Jubilee, for example, lands sold were returned to original owners, bond servants were freed, debts were forgiven and tillage was ceased. This prevented the accumulation of land or assets in the hands of a few and legally raised Jewish families or individuals out of destitution to competency.

Jubilee also prevented the lawless rebellion of the penniless against the possessors, as in the French Revolution, for example, when from 1792 to 1802, 16,594 Frenchmen including king Louis XVI, were beheaded at the guillotine and another 25,000 were mass murdered (a total of 41,594). In the U.S., taxation and the antitrust laws are partial examples of such prohibitions, but that leaves opportunity for individuals, corporations and non-profit foundations, for example, to accumulate net worth prohibited by the Jewish Jubilee.

Jubilee was a year of celebration that has been likened to Proverbs 13:22: "A good man leaves an inheritance to his children but the wealth of the sinner is laid up for the righteous." There are certain pastors of churches who are now teaching that 2017 is the year that the wealth of the sinner is laid up for the righteous. It has been revealed to me that the wealth of the sinner is laid up for the righteous when the righteous bring the sinner into the kingdom. This will become prominent in the few remaining years of this Rapture generation.

Here are twenty-two reasons why 2017 is what

one might call a "Jubilee" year of celebration for Christians:

(1) All twenty-two occurrences have been, or will be initiated by God because twelve soon-to-be-released God Incarnate apostle/prophets of God **learned to listen to God's voice each day to become obedient thereunto. This is a new occurrence initiated by God in this Rapture generation to inaugurate the greatest anointing the world has seen.**

This will result in the release of the twelve apostles at twelve select points over the world, teaching the God Incarnate Gospel confirmed with signs, wonders and miracles that will sweep fifty percent of the unsaved into the kingdom during this Rapture generation. These twelve men will first take their message to the unsaved whom God calls His precious prodigals, because God was the first Prodigal. God's definition of a prodigal is one who has been deceived by the enemy.

Listening to the voice of God actually created the new God Incarnate apostles in this manner: each rhema word you hear from the mouth of God contains spirit, life, love, truth, light, food (spiritual) and faith (which comes by hearing – not by reading). These seven attributes of God are residual and cumulative – they belong to you personally to keep and to give away. If you daily hear the voice of God, you may not – you cannot remain the same! By the power of God, those words will change your life forever.

You may spend two hours in your daily prayer time, but learn little or nothing about God. But thirty minutes spent each day listening to the voice of God will tell you more about God than you thought attainable. As that occurs, it is His creative word that will change your life – perhaps not once, but again and again.

As you talk to God in your daily prayer time, you do the work while God rests. When that time is spent listening to God, you rest while He does the work, and you will be amazed and awed time and time again!

(2) **The phrase "In the beginning" may have two distinct biblical meanings, although I have heard pastors and teachers use the term as though that refers**

exclusively to the beginning re-creation of Genesis chapters one and two. The other biblical beginning is the creation of the pre-Adamic Earth One world when Lucifer was given absolute authority to govern both heaven and earth – the same authority Jesus now has (See Matt. 28:18-20).

I have written extensively about the pre-Adamic world in a seven-letter series (letters #131 through #137) citing biblical sources for a perfect world that existed several thousand years before Lucifer revolted against God’s authority. When you therefore use the phrase “in the beginning,” which “beginning” must be specified in order to arrive at a correct decision; otherwise your conclusion may be flawed.

(3) “And the Word became flesh and dwelt among us, and we beheld His glory as of the only begotten of the Father, full of grace and truth.” (John 1:14). The “Word” became flesh and dwelt among us after He (Jesus) was baptized by John. Although that contradicts the usual standard biblical theology or doctrine, it is perfectly understandable when seen by revelation and does not conflict with, but conforms to scripture in every detail. Since this requires a lengthy explanation that is not practical to include in this letter, I refer you to Jim Ash letter No. 125, pages 4 and 5, for a detailed explanation.

(4) Unconfirmed claims have been made for or about Mary, the mother of Jesus. The bible reveals that while a virgin, the Holy Spirit fertilized the egg in her womb. This means Jesus was freed of the Adamic (or Satanic) sin curse and sin nature (without sin) at birth, but was not yet prepared to become God Incarnate (Col. 2:9). Even though Mary was a virgin, she was born of an egg fertilized by the sperm of man. This means she was born with the Satanic sin curse and sin nature. Jesus, therefore, at His birth, possessed only half of the qualifications to become God Incarnate. He met the remaining requirement after He had passed the final test: the Six Measure Standard (see Jim Ash letter No. 187, pages 3 & 4), for only after God refused the third request of Jesus in Gethsemane to “take this cup from Me,” did God then know Jesus would go to the cross.

(5) The original triune Godhead was God, the Word, and the Spirit. This was the Godhead who created both the Earth One world over which Lucifer ruled perfectly for several thousand years, and who created the Earth Two world (Genesis chapters one and two) on which Adam and Eve were the first inhabitants.

There was no need for a Messiah (Jesus) during the several thousand years of the perfect rule of Lucifer, until he revolted against God. Only then, after many years of “unmeasured time” (in the absence of the solar system), was there a need for a Messiah, whom God raised up from man who fell. Jesus did not enter the Godhead until after His resurrection and He sat down at the right hand of God when He had completed the first part of His assignment, confirmed by Matthew with these words: “All authority has been given to Me in heaven and on earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit.” (Matt. 28:18, 19). This is the first time “the Son” is mentioned as a member of the Trinity. Since at His resurrection, the Word as a spirit, simultaneously became one eternally with Jesus, the words “and of the Son” imply the eternal “Word” within Him (Jesus). It was only then that God gave Him all authority in heaven and on earth, confirmed by Matthew.

(6) There was no thought of a Messiah; neither did the need for a Messiah even enter God’s mind until after the revolt of Lucifer against God’s authority several thousand years after the beginning of the Earth One world. This is proof that Jesus as the Messiah or as “the Word” did not exist even in the mind of God at the beginning of the Earth One world, but only after Lucifer’s failure, and prior to the Genesis 1:3 re-creation beginning. Lucifer’s failure was a complete surprise to God. There was no need for a Messiah, neither did that thought enter the mind of God until there was sin on the perfect earth, that began with Lucifer’s revolt against the authority of God.

(7) All churches, to include the Orthodox churches, the Catholic churches, the denominational churches, and all other churches, including the independent Charismatic churches, have accumulated unneeded “excess baggage” or unneeded “adopted” beliefs and/or practices unknowingly. Every church that lifts up Jesus as Savior, Lord, and Redeemer is a part of God’s fragmented body, regardless of the “excess baggage” accumulated along the way.

(8) “Correct” doctrine or “corrected doctrinal practices” do not “purify the lump” or the body of the Lord, which is an organism. The heart is the purifying agent or symbol of the body of the Lord on the earth: the church. Attention will be given to unifying the fragmented body of the Lord on the earth in the coming world-wide anointing, that will at long last include the

Jews and all Christian churches united under one Head.

**(9) The first-to-be-released of the twelve God Incarnate men apostles has been commissioned by God to write a Sequel to the bible.** That will initially be violently opposed by the present church leadership to include Bible Colleges and Seminaries. Because he will be God Incarnate, this apostle will be able to write as no other bible writer before, in order to include God's new revelation prior to the Rapture. Contrary to present standard bible theology, there are new things that must be revealed (must occur) before the Rapture. God Incarnate writing will include these things.

Up to now, the only God Incarnate man on the earth since Adam was Jesus, and He was not a writer. The Apostle Paul (who wrote thirteen books of the New Testament) wrote, "For now we see through a glass darkly; but then face to face: now I know in part, but then I shall know, even as I also am known." (1 Cor. 13:12). This new God Incarnate writer will not "know in part," but will write and know as no other bible writer, because He will be God Incarnate and will therefore know and write in the absolute. This is why he will write single-handedly a new complete sequel to the bible.

**(10) The thirteen new God Incarnate apostles will accomplish things never before seen on the earth.** This is a new occurrence in this "Rapture generation" God has commissioned for a number of reasons, to include these four:

To bring forth a God Incarnate woman as an apostle and as the mother of a God Incarnate Son; second, to declare for the first time ever God's complete victory over our common foe; third, to bring in the greatest harvest of souls the world has seen prior to the Rapture, and fourth, to reestablish God's new God Incarnate eternal spiritual and physical bloodline on the earth to supplant and replace His former bloodline that was flawed, because Abraham was born under the Satanic sin curse and sin nature.

**(11) All of the re-creation that began with Genesis 1:3 was created intentionally to be destroyed, because it is all flawed by sin, and God may not indwell in His fullness thereof a civilization nor human beings flawed by sin.** This, massive destruction includes mankind, the solar system, to include the stars, as prophesied by in 2 Peter 3:9-13.

**(12) Jesus was not filled with only the Spirit after John's baptism, as some may claim, and as scripture seems to indicate, but He was filled with all**

**the fullness of the Godhead bodily to include God, the Word, and the Spirit (see Col. 2:9).** This is why he was able to minister as He did, to include all the miracles He performed. During the visible ministry of Jesus, He had no authority of His own, but was guided and directed in every ministry activity by God, the Father within Him. (See Jim Ash letter No. 93).

**(13) Gifts to the first-to-be-released God Incarnate apostle, inclusive of his marriage and the birth of his God Incarnate Son, will cause God's abundance to fall on this family twenty-first century style, so as to exceed the wealth of king Solomon.** These funds will be used to finance and/or assist every ministry in need of help during these last years of this Rapture generation. The residual that remains will be preserved as the beginning Treasury of the Lord Jesus, when He returns to reign as King of the world from Jerusalem, the then-capital City of the world during the Millennium.

**(14) Man was not originally created to age, grow old and die. That was fallen Lucifer's work.** The existence of the perfect Earth One world civilization for several thousand years before Lucifer revolted against God, is proof of that. Another civilization like that of the Earth One world, where everyone is God Incarnate, is God's goal. That goal, will be finally be accomplished when everyone alive who survives the Great White Throne Judgment, is transported to the New Jerusalem. In that New City (which is the present third heaven-in-waiting), God's throne will once again be established forever where He (God) will once again rule all of His creation from His throne, as it was in the Earth One world before Lucifer's revolt.

**(15) Because God is omnipresent, omnipotent and omniscient, it is taught that God therefore is perfect and never made a mistake. How far from the truth that is. God did not create Satan to oppose God, Himself, the whole human race and the rest of His creation following the Genesis 1:3 re-creational beginning.** God created Lucifer, His most outstanding archangel, and gave him eternal authority to rule heaven and the Earth One world. Then after several thousand years of perfection, fallen Lucifer rebelled against God's delegated authority and became Satan. God did not fail; His creation failed. Nevertheless God holds Himself responsible for this enormous, catastrophic failure because He inadvertently made a mistake in prematurely giving to Lucifer unlimited authority to govern heaven

and earth. God still grieves over this failure, part of which has been alleviated through His personal, private confessor, but all of which will be alleviated by the birth of His only God Incarnate Grandson, to God's New First Family.

**(16) God has had not only one Son in whom He is well pleased, but two. For these reasons, in addition to others listed in Item No. (21), God has called this man His second Son in whom I am well pleased.**

He is the most prolifically trained servant among the other twelve apostles. To support his several ministries, he will become a world-traveler – not by conventional jet-powered aircraft – but by translation. Because of the importance of his ministries to God, he will use translation as his “transportation facility” to enforce both time and safety constraints.

His considerable responsibilities will be easily handled because God within him will direct all of his activities to include the many necessary decisions, just as the visible ministry of Jesus was directed.

**(17) The importance of the birth of the first eternal God Incarnate Son to God's New First Family is transcended only by the birth of Jesus, which is why that God Incarnate Son will be enshrined into the Godhead at the judgment seat of Christ.** Here is why:

When God finally began to overcome His totally unexpected loss of Lucifer and His Earth One world (His wife and family), He began to plan His come-back from absolute failure. The necessity of the myriad of things and occurrences required for His complete recovery is beyond finite mind to comprehend. But paramount among those planned, preordained occurrences was the final coup' de grace' to fallen Lucifer: the birth of a God Incarnate Son to God's New First Family. That, and that alone, was the final blow that will announce to Satan his final total defeat.

**(18) The husband of God's New First Family, among the other eleven God Incarnate men apostles, will have the sole authority to impart to others who believe in him and his teaching, the New Complete Restoration Gospel Message blessings, namely to receive the eternal God Incarnate life-style, restored to the condition of Adam and Eve in Eden before they failed.** All curses pronounced by God against Eve (woman), against Adam (man) and against God's abundance as recorded in Genesis 3:16-19, will be reversed or restored in their entirety to those who believe in him (the husband).

This is very significant, because those who are so blessed will be completely restored to the life-style of everyone who originally lived in the Earth One world before Lucifer's failure. This has been God's intent from the beginning of His Genesis 1:3 re-creation activities.

**(19) Among the new soon-to-be-released thirteen apostles is a woman, another first among God's creative activities.** She has already been released (a veiled release not yet made public). She will be God Incarnate, like the twelve men, and will be filled with the Godhead bodily (Col. 2:9) with the attending creative capabilities. Her veiled release was first among the other twelve in order to remove from Eve (from woman) the stigma of being the first one in the Earth Two world to disobey God. She will be co-equal to her husband as were Adam and Eve before they sinned.

As the wife of the first-to-be-released men apostles, she will give birth to a God Incarnate Son. She will therefore, in one sense, exceed Mary's accomplishment as the mother of Jesus because Mary was not God Incarnate, nor did she give birth to a God Incarnate Son. Her Son did not become God Incarnate until He was baptized by John in the Jordan.

For these and other reasons, this God Incarnate woman apostle will become the darling of women world-wide. She, accompanied by her husband, will make occasional translated visits to the other eleven God Incarnate apostles, since her husband will be their leader/mentor. At those joint appearances, she and her husband will minister both jointly and together. Since she is actually an anomaly in God's creation and among women world-wide, she will have a powerful ministry, particularly among women who will flock to her ministry venues. That will soon become unmanageable, so television will be the preferred venue for her, except at selective joint visits with her husband to encourage the other eleven apostles at eleven population centers of the world outside of the US.

Her ministry will have a profound effect among women in particular. She will be able to set women free in many countries where the place of women has been severely compromised according to God's standard. She is unique among women. No woman like her has ever existed, nor will there ever be another like her, all for God's glory. At all of her venues, she, like her husband, will give God the honor, the glory and the praise for the blessings of her ministry. Hence, God will be glorified in the ministry of His New First

Family. Amen.

(20) God's recent word to me was: "**My Son, if you will add seven years to your Day of the Lord (the date of my release), you will get My fine-tuned up-date on the timing of the Rapture.**" This was not new to me. Several years ago I was told to expect a fine-tuning of the Rapture date previously given to me as February 23, 2020, as confirmed in my letter No.146, page four, column two.

For example, assume a release date of March 15, 2017. That would up-date the Rapture to March 15, 2024. However, that supposition, in principle, could be up-dated again. So stay tuned!

(21) **The first of twelve God Incarnate men to be released as an apostle/prophet will be important to God's end-time activities prior to the Rapture.** He will become the husband of the first and only God Incarnate woman apostle and the father of a God Incarnate Son, whose birth will proclaim God's final victory over Satan. His apostleship assignment will be the US but his combined ministries will expand beyond the US to other continents and countries. He was the back-up for Jesus on the cross and will be the leader/mentor of the eleven other men apostles stationed at population centers of the world outside of the US. His travel to ministry venues will be by translation as a time-saver and safety factor before his marriage and after, with his wife. Ministry venues with his wife will ignite the interest of women world-wide, but especially in countries where women have been so wrongfully demeaned.

He will be able to impart to those who believe in him and his teaching, the complete New Restoration Gospel Message blessings. As his ministry becomes known, his advice and counsel will become a treasured blessing.

(22) **In the beginning when God made a beautiful God Incarnate wife for His first God Incarnate man, God prefigured Himself in that union, for it was first God Himself who was dissatisfied, discontented and unfulfilled without a wife and family.** The cost of that third beginning in God's New First Family and their God Incarnate Son is beyond the comprehension of finite mind, and may only be measured by God's love.

As a part of my foundational prompting for this writing, I close this letter with the following word, excerpted from a prophecy given to me beginning at 1:17 AM on February 23, 2017. (God doesn't keep

"bankers hours" because He owns the bank.):

"My Son, We are back on track with Our (or with your) writing now, so just take each day as it arrives, and keep up as best you can, and We both will be prepared **NOW** for your soon-to-come Day of the Lord.

"I am excited about your correcting the doctrinal and the theological mistakes made unknowingly without adequate facts.

"My Son, you have a lot of teaching ahead of you, for no one has the pre-Adamic Earth One world knowledge I have given you. And, as you know, that knowledge is absolutely essential to arrive at correct theological conclusions; for example, exactly what does "in the beginning" mean? On that statement hinges several necessary theological facts, as you know.

"Yes, you (or actually We) are going to have a good time with the church leaders, to include the naysayers and the gainsayers. You (We) have a lot of corrective work to do soon after your beginning.

"Then, the Godhead make-up **MUST** be corrected. You are going to have fun with that one. No one except you, My Son, understands that there was no need for a Messiah until **AFTER** Lucifer failed. That one fact changes the Godhead, of course, as you know.

"Then, **WHEN** Jesus became flesh is another error that **MUST** be addressed.

"You will be able to address all of these changes adequately, confirmed with signs, wonders and miracles. Expect much opposition from the Orthodox, Catholic and strong denominational churches because, on some of these issues, there have been many instances of wrong conclusions formed and elaborated on extensively, almost from the beginning.

"Since you enjoy teaching, you will have a good time with these issues. And, of course, your writing will confirm all of these issues with authority. You will enjoy dealing with these issues, and you will be asked to address Christian groups on these issues as well.

"In addition, your address to the scientific community will also be a fun thing to do. I'll give you information in scientific language to enlighten the scientific community as no one has done before – while you will enjoy each such session.

"My Son, absolute knowledge on these issues has never before been available. You, as My God Incarnate representative, will cut a wide swath, which We both will enjoy."
