Bolding declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this Rapture generation

## GOD'S ACHIEVEMENT OF EXCELLENCE A COMPARISON

### An important introduction

“My Son, you will find this to be an unusual letter, for it is My intention to extol your virtues beyond those of Lucifer when I created him.

“Try and bear with Me. Some of these things **I say about you** will be embarrassing to you, for I know it has **NEVER** been your desire to be in the limelight, but to extol My virtues that I, Myself, as your God, may be in the limelight as the light of the world.

“For that reason, I have asked you to write this letter for Me as your God, that I might highlight your virtues over those of Lucifer, whom I created to rule My Earth One world.

“So just for Me, overcome, or ‘put aside’ your shyness while I, Myself, as your God, desire, by comparison, to proclaim your excellence over that of Lucifer, My most magnificently created angel, ***to satisfy My desires.***”

6/27/17 – Tuesday.

At 6:00 AM.

“Yes, My Son, those thoughts coursing through your mind earlier this morning before you got up, were My thoughts.

“A specialist in every area, or in any area. is prone to do research. Or better said, ‘is driven’ to do research. For research, ultimate research, drives you or takes you to the origin or the beginning of knowledge in any area – in all areas of endeavor.

“When you come to beginning knowledge in any area – in every area of life – you have a place to start.

“No, this letter is not necessarily about your release. That is My job. It has to do with what I have inferred or implied to you before, that is, as you become God Incarnate, you will have another new beginning.

“You will have absolute knowledge that will give you access to and beyond specialists, or, the knowledge of specialists, in **EVERY** area of life.

“Remember, I said you would be able to address the group of scientists and speak to them in their terms, with their language or phrases, and reveal to them **NEW** knowledge in the scientific field.

“My Son, as you become God Incarnate, with your mind, you will have answers to, or for specialists in every area of life, unknowable except by divine revelation.

“That is why under My anointing, you will become **Mr. Everything to Everyone.**

“You will not only be My leader in the spiritual realm, but you will become a leader in every field of endeavor.

“Remember, I have said these things to you before, but this morning I wanted you to know some more details.

“This is why We will need to be careful to monitor your limited time schedule.

“You will become so knowledgeable in every field of endeavor, you will have more requests on your time than you have time to fill.

“You will not only become a knowledgeable leader in the spiritual realm, but in **EVERY OTHER REALM** as well.

“You will be able to assist or to counsel, or to advise others in **EVERY FIELD OF LIFE**, that is, a counselor to others in every facet of life, itself.

“Now you are beginning to **PARTIALLY** know something of who I have trained you – or who I have made you – to be.

“You are going to be My **PERSONAL REPRESENTATIVE TO THE WORLD** – in every field of life in the absolute, which is why you will be so valuable to Me. We will be required to carefully monitor your limited schedule or calendar.

“The reason I say ‘limited’ is because of the many invitations you will get to address so many groups, it will be impossible to fill them all.

“No other God Incarnate leaders will have such gifting – only you will have that.

“So you see **Mr. Everything to Everyone** is a

realistic statement without exception.

“Yes, My Son, this exposes another facet of your New Life you had not seen before.

“Interesting, yes. Exciting, yes. Fulfilling, yes. A one-of-a-kind phenomenon, yes.

“This is why research into the origin of the species, for example, will reveal some interesting, but unexpected results. You have many more relatives than you realized! (*Here God refers to Genesis 3:18-20 you should read to understand God’s humor in that statement.*)

“This is one reason why your New Dallas Headquarters building will look a little large to you. You will have so many demands on your time, a chief of staff will be essential.

“A chief of staff you **MUST** supernaturally equip to handle his job – that is – to shield you from **MANY** details.

“And yes, he will also need an assistant or two to whom to delegate certain details.

“**NOW**, My Son, you are just beginning to see – to understand – who you are. And yes, with **MORE TO COME!**

“You will **NEED** to supernaturally endow or gift those who come to work for you, to enable you to do only the ‘end results’ activities. That is a mouthful, My Son.

“Your God Incarnate capability will enable you far beyond **EVERY OTHER** God Incarnate endowed individual, to include the other twelve God Incarnate apostles.

“This gives you knowledge or capability beyond **EVERY ONE ELSE** I endow.

“This gives you a ‘corner on the market,’ in a manner of speaking, but one for which I have prepared you.

“Now you may better understand why your training has taken so long. I have had **MUCH MORE** preparation to do for your release than for **ANYONE** else, to include Jesus.

“My Son, these things have been hidden in My words to you for a long time. Hence, spiritual language is a powerful weapon or a power, few accomplish or understand.

“So you are special to Us in the Godhead.

“It is not just the spiritual realm for which I have prepared you, but for every realm – every facet – of life. That is why you will become such a one-of-a-

kind phenomenon.

“Jesus was a human tool to do My bidding.

“That’s what you will become, but in **EVERY** facet of endeavor.

“Both you and Jesus were seen, or are seen, while I, as a Spirit, **MUST** remain in the unseen so as to control **BOTH** areas – the seen as well as the unseen.

“Both of those responsibilities are full-time jobs.

“That’s why I am God.

“That’s why ‘In the beginning God’ is such a powerfully inclusive statement.

“Now you may look more objectively on your **SOON** release.

“This is why I will transition you first, so you may observe all other transitional departures thereafter, as I objectively view thousands of departures every day. We have too much to do to be bothered or concerned with emotional results of something *that is the result of living in a world ruled by Satan.*

“I see death of believers as a transitional blessing. The world ruled by Satan sees death as an emotional loss.”

<Finished at 7:26 AM.>

<sup>1</sup>6/29/17 – Thursday.

At 5:39 AM.

“My Son, I got you up this morning at 5:30 AM to say things to you I have **NEVER** fully said to you – **NEVER** fully explained to you before.

“You **MUST** write what I say – what I dictate to you – yes, to be published **BEFORE** you are released.

“As you know, Lucifer had My seal of perfection. He was full of wisdom, perfect in beauty. The workmanship of his timbrels and pipes were prepared for him on the day he was created. He was a musician’s musician, and you know what that means.

“He was adorned attractively with every precious stone, and, with his other angelic qualities, he was placed above all other angels.

“Those qualities you will not need because Lucifer was an angelic being, while you will be a human being, freed of the Satanic sin curse and sin

---

<sup>1</sup>Prophecy 11.0617.

nature by praying the nine-point prayer back to conception in your mother's womb and by being trained with the Six Measure Standard.

"Therefore, you will have the same pre-release qualifications Jesus had before He became God Incarnate **AFTER** John baptized Him in water.

"Lucifer was perfect in all his ways until iniquity was found in him.

"My Son, My precious Jim, you might as well know now; at your release, I will endow you with the same original attributes that Lucifer had before he fell.

"You will have My seal of perfection, full of wisdom, perfect in beauty, perfect in all your ways in order to out-shine Lucifer in every way, to include musical ability. Yes, you will have all of these outstanding characteristics, but as an anointed God Incarnate human being in the visible world, Lucifer could not attain.

"I will make you, or rather re-make you, as I transition you into My God Incarnate leader of the other twelve God Incarnate apostles.

"I, as your God, am intentionally re-making you this way to out-shine Lucifer in every way, to be seen of men, which he could not do as an angel.

"This is one of the things that caused Lucifer's downfall. He not only wanted to be like Me as the **MOST HIGH**, he also wanted to be seen in the visible world in all his splendor, which he could not do as an angel.

"So you will have an attribute Lucifer did not have. Your God-given characteristics will be seen in a physical body by the world, which Lucifer was unable to do.

"In every facet of life, you will out-shine Lucifer to be seen of men, which he could not do.

"My Son, you **MUST** become accustomed to these outstanding qualities or qualifications, so as to not be distracted by them. I will help you there.

"So yes, you will become quite an outstanding example in every way, as you are released into your God Incarnate beginning.

**"This, My Son, I have waited to tell you until I was ready to release you.**

"Your lengthy training has been prompted by all of these things, beyond the training preparation of Jesus. He knows of these qualifications he did not have, and fully understands and supports everything

you are very shortly to begin.

"So you may in good conscience fully participate in all of these things, knowing that the Complete Godhead supports them all.

***"So yes, NOW prepare for your release!"***

***"Now you are beginning to see, or to understand, at least partially, what it means to become Mr. Everything to Everyone, which you now know includes the Godhead."***

<Finished at 7:05 AM>

"My Son, it is essential that you know some details about your new venture, or about your new adventure into the realm of the God Incarnate life, in order to understand a realm of life you have not previously experienced. As a teacher of the New God Incarnate Gospel, or the New Complete Restoration Gospel Message blessing, here is something to add to your arsenal of weapons:"

"To begin with, the following entry under the heading, 'Worship God,' becomes significant with the teaching or the preaching of the God Incarnate Gospel or the New Complete Restoration Gospel Message blessings.

"When both the saved and the unsaved may accept by faith the God Incarnate eternal life, a radical change takes place in that life.

"When the fullness of the Godhead bodily suddenly indwells one's body, that radical change becomes an eternal way of life everyone originally lived in the Earth One world for several thousand years, ruled by perfect Lucifer.

"This change will rival, and perhaps even exceed, the radical change that occurred Pentecost morning at the Jerusalem Temple about two thousand years ago.

"About 9:00 AM that morning, there suddenly came from heaven the sound as of a rushing mighty wind and cloven tongues like as of fire sat upon about 120 disciples who began speaking a brand new salvation Gospel message for the first time, speaking in other tongues as the Spirit gave them utterance, so that Jews and proselytes from every nation under heaven, heard and understood in their own language.

"Nevertheless, after living in the world ruled by Satan, where the role of self is so dominant, the God Incarnate life will present some challenges that need

answers.

“The following entry, ‘Worship God’ will provide those answers.”

<sup>2</sup>6/30/17 – Friday.

### WORSHIP GOD

“The term ‘Worship God,’ at first glimpse, seems so innocuous, there is little more to say of that term. But that is not true.

“Jesus told the Samaritan woman at the well that day, ‘God is Spirit and those who worship Him must worship in spirit and truth.’

“When Jesus became God Incarnate, the three Persons of the Godhead, the Father, the Word and the Spirit resided within Him.

“I have said to you several times, My Son, ‘When you become God Incarnate, you will become Me, and I am God.’ All of this is truth.

“Then why should not a person worship one who is God Incarnate, who then, in one sense, becomes ‘God’? Here is why: God is Spirit (capital ‘S’) and those who worship Him must worship in spirit, (small ‘s,’) and truth.

“Therefore We may not worship a God Incarnate human being who, in one sense, becomes ‘God,’ because he is not a ‘Spirit Being’ but a ‘spirit being.’ We therefore may not worship some one or some thing who, or that, is not a ‘Spirit Being.’

“For this reason, My Son, even though you will become Me (or as ‘God’) when you become God Incarnate, you do not become a ‘Spirit Being’ but remain a ‘spirit being.’

“Therefore, man who is visible, **must** not be worshiped **after** he becomes God Incarnate, even though, as I have said to you before, when you become God Incarnate, you will become Me, that is, you will, in one sense, become ‘God,’ because God is within you, but you **must not** be worshiped because you are a ‘spirit being,’ not a ‘Spirit Being.’ Or said another way, you will still be a ‘human being’ not a ‘Spirit Being.’

“For this reason man **must not** worship **anything** he can see, even a human being who has become God Incarnate as ‘God,’ in essence, because he is still a ‘spirit being,’ or a ‘human being’ whom you can see.

“Therefore man **must not** worship **anything or anyone** you can see, but instead man **must** worship God whom you cannot see. For this reason, idolatrous worship is forbidden.

“An idol, in any form or shape, may not – **must not** – be worshiped. This is why any form of worship, inclusive of any ‘thing’ or any ‘one’ who is dead, is prohibited – and **must not** be worshiped. Another reason one **must not** worship a physical idol is because a demon or demons may indwell ‘anything’ or ‘anyone.’

“Think not that this could be false, since the term ‘anyone’ includes Christians. Demons reside in **many** Christians unknowingly, and believers may be ‘cleansed’ by one who understands ‘deliverance.’

“Dale and I were Healing and Deliverance Ministers in a Spirit-filled Charismatic church for ten years, and everyone we ministered to was a ‘Spirit-filled believer’ except one.

“This is why **everyone** who becomes God Incarnate under or through your ministry, even though he will become ‘God,’ in one sense, that person **must not** be worshiped.

“The best answer a God Incarnate individual may give to one who wants to worship him or her, is ‘Don’t do that, **worship God.**’ Amen. (Matt. 3:10).

“For this reason, or for these reasons, careful instructions or careful teaching, should follow your ministry, My Son. One who becomes God Incarnate **must** remain one who is totally given to worship God. Very soon, you will be able to equip certain ones you minister to, who become God Incarnate, to assist you in this area.

“I will help you with all of these decisions – that’s **all of these decisions**, My Son.

“Remember, those decisions are My responsibility within you and I will not fail you in **any** of the decision areas.

“This is why I **must ration** you among the **many** ministries you are about to begin today.

“It’s not that big, My Son. Remember, I will be in you making **every** decision for you.

“That way We are a team.

“In your ministry, We cannot afford any ‘loose cannons!’

“That’s where My role, as your ‘decision maker.’ is so important. Remember that.”
