Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this Rapture generation

THE AWESOMENESS AND THE IMMENSITY OF OUR GOD

From my journal

Tuesday, July 11, 2017

“Lord, I despair of life itself. I am 97 years old with waning strength, energy and eyesight, rendering me less and less useful to You, to others, and to myself daily, while, after publishing my letter No. 236 on July 2, 2017 (and many times prior to that date), **You promised to release me into the ministry for which you have trained me.** Please help Me. I just don't want even to live like this. Will you please help Me?!”

God's response

“Yes, I will My Son. Help is on the way today.

“Hold on.”

Later at 1:58 PM

“After I ‘unloaded’ on God again for His inactivity, while ‘hanging me out to dry,’ so to speak, or, for His many deceitful (He calls them ‘misleading’) promises to me concerning my release,

God responds to me again

“My Son, My precious Son, now that you got everything off of your chest, We, that's you and We, may get on with the main thing.

“And you, My Son, are the main thing, or rather My main thing I (We) have been working on since 11/29/65.¹

“You will have NO MORE deceitful or misleading words from Me on your personal release.”²

“However, that is a two-pronged statement, or a two-way street. Your part, My Son, is to stay ready. My part is to see to My poor world in both the visible and in the invisible realms.

¹Almost 52 years ago at 7:45 AM on 11/29/65, while getting dressed for work that day, God showed me a vision in bright, white light, and spoke to me in that ‘still small voice’ Elijah heard in the cave that day when he was running from Jezebel, which awakened me from the legalistic, spiritual lethargy with which I had been imprisoned for many years.

²It is my hope and my prayer that this will prove to be God's Truth on my release, after being deceived (or misled – or ‘tested’ – as God calls it) about my release multiple times since the year 2000. God has said to me that only two people have been tried and tested so severely (Jesus and Jim Ash), for God has said to me that His love does not need to be returned to prove His fidelity. This means God's misleading me multiple times has been His method of testing and training me, batting ‘fourth in the line-up as ‘clean-up man,’ behind Jesus, batting third in the ‘power position.’

“My Son, My Son, I need **HELP** and We in the Godhead are over-elated at your **NOW SOON** release.

“You, Jim Ash, are Our **MAIN THING**, and contrary to conventional thinking, overseeing the spirit world and the physical world are **TWO-FULL TIME JOBS**.³

“I am talking to you on My level⁴, because you will soon join Me (or Us) to overwhelm, and to at long-last, overtake, and overcome My archnemesi: fallen Lucifer, who stole, raped and ruined My precious wife and family after two or three thousand years of unmeasured perfect time in the absence of the solar system.⁵

“You are the only one alive today who understands that everything I created after Genesis 1:3 was intentionally created to fail.

“I am over My hurt, and transitionally and objectively prepared for a full assault on Our common foe.

“He is Our objective.

“He is Our target.

“And you, Jim Ash, are My number One lethal weapon to render him defenseless, useless and expendable, about which he may do **NOTHING** but stand by and watch helplessly, just as I stood by helplessly with folded arms while he stole, raped and destroyed My perfect Earth One wife, family and world.

“So, yes, I am and I have been for years, preparing you to be visible in both the seen and in the unseen world to complete the job Jesus started, that is, to annihilate all semblance of the enemy

³Realize what this means. God is overseeing and is responsible for everything you can see visibly, as well as everything we mortals may not see in the invisible world, such as (1) the intense spiritual on-going battles between the angelic forces of God against the fallen angelic forces of Satan, demonstrated by Daniel's prayer, and (2) the more than one planet beyond our solar system.

⁴The only way one may talk to God ‘on His level’ is after one's blurred vision is corrected to 20:20 spiritually, by listening to God's voice 24/7 for many years. This will become evident after all twelve new God Incarnate apostles are released at twelve select points of the globe (earth), possibly during the year 2017 in an anointed move of God that will save 50% of the unsaved world-wide.

⁵The solar system was created (long after Lucifer's revolt) in My new re-creation, beginning with Genesis 1:3, as a ‘temporary expediency,’ since *that* ‘creation’ will all be destroyed as prophesied in 2 Peter 3:10-13, after the Great White Throne Judgment, prior to the second evacuation of the earth to the New Jerusalem.

in the New Jerusalem, when the Godhead will once again be God, the Father, God, the Word and God, the Spirit.

“My Son, be prepared to be received with open arms as We release the Jim Ash missile at The Vantage.”

A necessary introduction:

“Tuesday evening, July 11, 2017, I watched a presentation of marine life on KERA, the PBS television station in Dallas. The first part of the program featured the pacific ocean blue whale.

“That mammoth monarch of the pacific grows to almost 150 feet in length, weighing more than 330,000 pounds, whose diet is principally krill, about the size of a paperclip, by gulping large quantities of water-bearing krill, then forcing out the water while keeping and eating the krill – about 40 million a day – weighing 8,000 pounds,

“While I watched the program on this huge creature of the deep, God did something unusual within me. He suddenly began to impress upon me the enormity of God, Himself, in a way it’s hard to explain.

“In this revelation, I was impressed with how magnificently immense God is, while, compared with Him, how infinitesimally small I am. By comparison, I became so small so as not even to be seen with normal eye-sight, beside His immensity.

“Retrospectively, I believe that God gave me the revelation on July 11 as encouragement, since He has delayed my release beyond what I believed He promised me.

“Then God got me out of bed at 2:00 AM the morning of Wednesday, July 12, 2017, to enter the following in my journal:”

“My God, My God, I am awed, astonished and overwhelmed by Your magnificence, by Your awesomeness and by Your greatness.

“I am overwhelmed that You even condescended to communicate with me as a human being.

“How privileged, how unusually blessed and humbled I am to be in my present position, prepared as was Jesus, to be filled with all the fullness of the Godhead bodily, to take up where Jesus left off – that is, to complete for Him the job He started at the cross.

“Yes, no man deserves to be where I am, where You, God, Yourself, have placed me to finish the job Jesus started at the cross.

“And yet, here I am – prepared as you God, Yourself, have prepared me, to become God Incarnate

to finish the job Jesus began, that was cut short by the cross.

“No higher honor may be bestowed on man than to be second, behind Jesus, who is always first, to fulfill **EVERYTHING** needed by You, God, to complete preparation for the Rapture of the church.

“The fact that I find myself in that position is an awesome responsibility no man deserves, but an awesome task – an awesome responsibility needful to the Godhead to completely defeat fallen Lucifer and to render and declare God to be victor over him forever.

“The fact that God had to enlist, or to engage the services of a man as His servant, to accomplish these awesome responsibilities is evidenced by the fact that since the failure of Lucifer, God, Himself, was required to engage mankind to bring about His will on the earth because His word in creating mankind in the Earth One world, could not be amended, rescinded or corrected, or it would not have been truth when first spoken.

“So it is, and so it had to be, that it was required by God’s spoken words of creation of the Earth One world, to use fallen man to redeem man who fell, with Jesus leading the way, followed by Jim Ash, who has been appointed to finish everything left undone at the cross.

“Yes, My Son, I needed man to do the work on the earth as it has been from the beginning creation of Genesis 1:3.

“The failure of Lucifer mandated that My recovery from complete failure had to be corrected and restored by and through man who fell.

“That is why it has taken so long.

“And that, My Son Jim, is why your part, second only to that of Jesus, is so important to Us in the Godhead, with Jesus, Himself, as your cheer leader, for you, Jim Ash, to complete everything for your God necessary to be done before the Rapture.

“So yes, your part, second only to that of Jesus, is essential to complete everything necessary prior to the Rapture, to redeem Myself as God first, and second, to simultaneously redeem mankind. Amen.

“You Two are My beginning number three in the batting order (meaning with Jesus batting third in the ‘power’ spot), followed by you Jim, batting fourth as ‘clean-up’ man for Me. Amen.

“This is why it is, or this is why it was so important to carefully choose Jesus first, and Jim Ash

second, to do My work, for Me to completely restore Myself as God, and to simultaneously restore mankind as he was originally in the Earth One world.

“My Son, the over aggressiveness in your faith walk literally projected you into the number two spot, behind Jesus.

“Here I feel the need and the desire to interject an explanatory commentary on what God calls the over aggressiveness in my faith walk with Him.

“God has spoken to me many times about the over aggressiveness in my faith walk with Him. He has said **‘THAT’** is what literally projected me into His prominence, such as

(1) “becoming the back-up for Jesus on the cross,

(2) “becoming the husband of God’s New First Family on the earth and

(3) “becoming the leader/mentor of the other eleven God Incarnate apostles stationed at eleven population centers of the world.

“With God as my witness, what God calls the over aggressiveness in my faith walk with Him **WAS NEVER** a part of my make-up as a man. I literally was totally unaware of what God calls the over aggressiveness in my faith walk with Him until God, Himself, called that to my attention. No man in his right mind, could desire such things with which God had endowed my life.

“What God calls the over aggressiveness in my faith walk with Him, has been **NOTHING MORE** than what I thought was a normal response to God’s awakening me from my mundane, lethargic, legalistic doctrine, that had literally imprisoned me spiritually.

“Although it was almost 52 years ago, I still remember that Monday morning at 7:45 AM on November 29, 1965 as though it was yesterday. That morning God showed me a vision in **BRIGHT WHITE LIGHT** that disappeared as quickly as it appeared, and then spoke to me in that ‘still small voice’ Elijah heard in the cave that day while running from Jezebel..

“That morning in an instant of time, God changed my life forever, for which I will be forever grateful. Money may not buy that blessing.

“Nothing – absolutely nothing – compares with or even approaches becoming compared with God’s marvelous light and His spoken rhema Word – particularly when revealed together.

“No man deserves what I have been given as a free gift from our God.

“God’s love that permeates His light and His rhema Word is beyond my ability to express in words.

“‘For God so loved the world that He gave . . .’ Nothing that man can do will ever merit such love. The only thing man may do is to accept God’s free gift and thereafter give his life – surrender his life, all he possesses and all he will ever possess – to our God.

“When one’s life is so completely surrendered to God, God, Himself, is then free to act and decide Himself what to do with that life. Thereafter, one’s faithfulness will determine God’s placement of that individual, which, in every case, will exceed one’s fondest dreams.

“Nothing is more important, and nothing is more interesting and exciting than to totally surrender one’s life to God for His exclusive use. His love, embedded in His light and in His rhema Word, will evoke devotion unlike anything, or unlike anyone else.

“Should such love be offered for sale, no one could afford it. That’s why His free gift of life is so valuable.

“The best investment one can make today is to accept God’s free gift of love. That love has prompted thirteen new God Incarnate apostles ‘waiting in the wings’ to shortly emerge onto the world scene to change the world and the kingdom of God forever.

“Therefore, to God, Himself, be praise, glory, honor and thanksgiving forever and ever. Amen.”

Later at 10:22 AM.

“Yes, My Son, as you watched the **KERA** public television station in Dallas present a one-hour program on Marine life, to include the blue whale of the pacific ocean, I convicted you of My immensity as God – beyond the measurement of man.

“As a result, you now begin to realize how unusual you are, to be picked as My personal, private confessor and confidant, while I am Jehovah God and you are only one of the billions of people on the planet today.

“Yes, it is awesome, astonishing, and actually incomprehensible to finite mind, that I, as God, your Creator, chose you to be My confidant, as My private, personal confessor, to rid Me of most of the guilt I actually brought on Myself by giving Lucifer authority to govern heaven and earth.

“Since the gifts and call of God are irrevocable, there is **NOTHING** I could do to rectify My mistake, because, once spoken, My words of truth may not be amended, rescinded or modified, because My creation truth may not be amended, rescinded or modified once spoken.

“So yes, in one sense, you, My Son, are unique among all of My servants. You are the only one, the only man in whom I have placed Myself as a confidant to know the inner recesses of My heart to become My personal, private confessor.

“No other man holds that honored position but Jim Ash.

“All of this, My Son, is to say to you, My rules **MUST** work in both directions in order to be truth.

“In other words, My words **MUST** govern Me as God, the same as they govern man in order to be truth. That’s why you were chosen to complete everything left undone at the cross. And yes, even you were involved with the cross.

“You would have been crucified had Jesus faulted in Gethsemane.

“So what Jesus did for you is far greater than what He did for anyone else. For no one else was chosen as your back-up.

“On the other hand, however, that is also what He, Jesus, did for everyone I created after My Adam and Eve beginning.

“WHAT JESUS DID FOR YOU PERSONALLY, He figuratively did for **EVERYONE** since the failure of Eve and Adam in Eden.

“So, yes, Jesus saved you from the cross.

“But, in essence, so did He save **EVERYONE** from the results of sin: death, hell and the grave. Yes, that is My will. Yes, that is the way I designed it.

“And yes, that is why you, Jim Ash, are My number Two man behind Jesus, My number One man.

“And yes, the only way I could have used you for such a formidable task is for Me to teach you to listen to Me 24/7. Then over a period of years, I changed your blurred vision by listening to My voice 24/7 so you would be able to see Me objectively instead of subjectively.

“In order to assist Me as you have been able to do, I had to change you to see objectively to benefit Me.

“In that way only could I reveal to you the intimacy of My personal, private life in order to relieve Me of most of My guilt over fallen Lucifer, to whom I gave authority to rule heaven and earth.

“Only one trained to see objectively is qualified for such an awesome task.

“That’s why you, Jim Ash, are unique among men. Not the first one to be unique, but the second first one. Two firsts, with the most important one, Jesus, leading the way is ‘high cotton’ My Son.

“Only two men have qualified to breathe in such high places.

“Hind’s feet are for high places.

“And yes, objective vision is for both of My two Firsts, with Jesus leading the way.

“My precious Jim, you and Jesus, with Jesus leading the way, are My Two **HINDS** made only for high places **NO ONE ELSE** has ever visited.

“That’s what you Two are to Me, My Son.

“Only Jesus **AND** you, trained to see objectively, are privileged to have been chosen as My two Hinds for high places.

“The objectivity of you both prepared you both as My servants.

“Only Two men have been so trained:

“Jesus, number one, and

“Jim Ash, number two, which means both of you are Firsts.

“And that is why both of you have so much in common.

“You Two as My servants, have provided Me a way to restore Myself to the position I held prior to Lucifer’s failure.

“In that manner alone, I have become satisfied, contented and fulfilled, while simultaneously mankind as My wife and family, became contented, satisfied and fulfilled. Amen.

“Then, the birth of your God Incarnate Son will signal to fallen Lucifer that I, as God, have finally become victor over him, which will also relieve Me of the last tinge of guilt over the failure of Lucifer.

“That also, My Son, will reinforce your importance to Me, something no one else has been able to do.”
