Boldly declaring the new things of Isaiah 42:9 and **the greater works** of John 14:12 in this rapture generation

GOD'S OBJECTIVE FOR HIMSELF AND FOR MAN REVEALED

It is good to have your destination in mind when you start out on a trip. However, it is often the case, when we as believers start out on our trip with God, that only after being on our spiritual "trip" or journey for a while, we may then begin to seriously look at God's itinerary for us as believers.

God's itinerary for us must be the same as ours, or we are "in a peck of trouble."

God, on the other hand, has His itinerary all planned out, including the details, and He stays focused on that.

One of God's problems is that He must use man to accomplish His itinerary for man. This means that God's itinerary for man is dependant upon man for its completion or fulfillment. That sounds like an oxymoron or a conundrum, and it may be both in the natural but not in the supernatural. God knows His itinerary or His *objective* for man (while man may be "flying blind"), and that *objective* will soon become fully known.

Jehovah God for millennia was contented, satisfied and fulfilled in His life by a faithful family – a faithful God Incarnate family who was His cherished wife in whom He dwelled in all the fullness of the Godhead bodily.

Man on Earth One for millennia was sustained in the image of and in the likeness of Jehovah God, Himself, which means that he was God Incarnate.

Man was made to fulfill Jehovah God as His cherished wife on whom He could lavish Himself in supernatural abundance. This is a "picture" of God and man on Earth One until a fallen Lucifer stole His wife for himself.

God's objective is the complete restoration of His original Earth One relationship with man and with the one He appointed to govern His creation.

Here are my introductory comments to God's revelation on *His objective*:

The written record (the bible) is a clear indication of God's original objective for man.

Adam and Eve on Earth Two were formed physically. Then when the fullness of the Godhead bodily entered their physical body, they both were

conformed to the perfection of the Godhead within them. Adam was formed first and apparently existed for an unknown period of time as God's single God Incarnate man.

When the fullness of the Godhead bodily entered the body of Adam, he was quickened to life by God's presence within him and he became God Incarnate. His new body conformed in every aspect to the perfection of the Godhead within him, meaning the spiritual presence of the three persons of the Godhead: the Father, the Word and the Spirit.

When God told Adam to name His creation, it was the Father within him who gave Adam the names of God's new creation. Then Adam spoke the names with his mouth. The reason we know it happened that way is because Adam was God Incarnate. The purpose of man becoming God Incarnate is to be completely guided and directed by God the Father so as to function perfectly in God's perfect environment. See Jim Ash letter No. 93 for confirmation of the way God, the Father, guided and directed the second (or the last) Adam in **EVERYTHING** He said and did, even to providing Jesus with the words He spoke.

Then God saw that Adam was incomplete without a wife, so Eve was formed from Adam's body and presented to him.

The seed of mankind is in the man but procreation comes through the woman.

Eve was formed in God's image and in His likeness, and, like Adam, she was therefore God Incarnate.

Thus, both Adam and Eve on Earth Two were God Incarnate to fulfill both God and man. They were placed in a perfect self-sustaining, biological, botanical garden paradise of perfection.

Since God exists to give, His overflowing abundance was provided for his first Wife on Earth Two (Adam and Eve). Then, once again, fallen Lucifer entered the scene and caused God's second (but this time His planned) failure of mankind.

The remainder of the body of this letter is devoted to *rhema revelation* of *God's objective for Himself and for man* as given to His servant on three different days as noted:

Day one

“Earth One was God’s model. For example, as God’s first man (the first Adam) on Earth One was incomplete, dissatisfied and unfulfilled without the first woman (the first Eve) on Earth One as his wife, so Jehovah God, Himself, is incomplete, dissatisfied and unfulfilled without a wife – in His image and in His likeness – like Himself – whom He can love and cherish.

“The reason God was fulfilled on Earth One for millennia before Lucifer failed is because the first man and the first woman were God Incarnate, made in His likeness and in His image. Since like produces like in God’s kingdom, man’s offspring on Earth One for millennia were also God Incarnate

“Therefore, God, Himself, for millennia on Earth One, had a beloved wife on whom He could relish Himself with His abundance.

“Mankind on Earth One lived in a garden paradise (as it was originally for the second Adam and Eve on Earth Two) until they transgressed God’s law, as led by a fallen Lucifer. It was fallen Lucifer who led the first rebellion against God and the result was destruction.

“Jehovah God has not been contented, satisfied or fulfilled since the failure of Lucifer on Earth One. A fallen Lucifer stole God’s first wife. Then, through his supernatural evil and deceitful efforts, he convoluted man’s thinking, conduct and activities to the extent that man through transmigration became the evil, grotesque, vile creatures now known as demons.

“God did not anticipate Lucifer’s failure. Therefore, neither God nor Lucifer foreknew what the result of Lucifer’s failure would produce. Neither God nor Lucifer knew that through Lucifer’s rebellion against God, that both Lucifer and mankind who followed him, would self-destruct irretrievably into unimaginable, evil creatures.

“That was God’s mess, dumped into His lap by fallen man, led by fallen Lucifer.

“That’s why destruction was the only obvious conclusion that God had.

“Lucifer had stolen God’s first perfect wife in such a way, that God could do nothing about the theft but stand by and watch.

“As the first man (the first Adam) on Earth One was incomplete and unfulfilled without a wife, so Jehovah God is incomplete and unfulfilled without a wife. That’s why a beautiful, perfect, voluptuous wife was provided for the first man (the first Adam) on Earth One. When those two came together to consummate their marriage, that act simultaneously consummated

their spiritual marriage to Jehovah God as His wife.

“Hence, two marriages were consummated simultaneously when the first Adam and the first Eve on Earth One came together as one in their marriage.

“That fulfilled God first and mankind second.

“The reason that fulfilled God was because *the first Adam and Eve on Earth One* were God Incarnate. The fullness of the Godhead bodily resided in both of them when they were created.¹

“Their coming together as one, therefore, provided Jehovah God Himself, with a beloved wife, whom He could love, cherish and provide for in supernatural abundance.

“Every want, need and desire of the first Adam and Eve on Earth One, as God’s first wife, was provided for in supernatural abundance. Jehovah God exists to give. He is contented, satisfied and fulfilled only as He has a wife whom He can care for – whom He can love, cherish and provide for in super abundance.

“That was the purpose of Earth One. **And that is God’s ultimate objective again.** His ultimate objective will be accomplished beginning with His new first (and last) family soon to be released to the world and to the church.

“Ever since Earth One was destroyed in God’s fierce anger against a fallen Lucifer, God has not ‘been Himself.’ For that reason, no one since the failure of the second Adam and Eve on Earth Two, has **ANYONE** known Jehovah God as He really is.

“That is about to change. The first God Incarnate woman apostle and the first God Incarnate man apostle are about to be released fully into their ministry to become God’s final new first family and wife for eternity.

“The reason God is sure that His new first (and last) family will not fail this time is because both members have passed the same Six Measure Standard that Jesus passed before He was released into His short three and one-half year ministry.

“Jesus proved the validity of God’s Six Measure Standard at the cross.²

“Once more will God have a beloved wife for whom He may provide in super abundance, whom He may love and cherish this time, with no concern of failure.

¹The fullness of the Godhead bodily, meaning the Father, the Word and the Spirit.

²For the Six Measure Standard, see Jim Ash letter No 153, page 3, column 1.

“The fidelity of Jesus on the cross provided that assurance to Jehovah God.

“The cross of Jesus was the forerunner of and the precursor to God’s new first family – His first family forever, with many to follow.

“Those who follow after Jesus will receive His reward.

“Those who follow after God’s final new first family will receive their reward. Their reward will be to become God Incarnate as God’s wife, thrust into eternity forever, on whom He may relish Himself and His super abundance.

“In the remaining years of this rapture generation, God’s new first family is about to be released for the world and for the church to see and to emulate. This means that God will finally have a beloved wife who will remain faithful to Him and who will also content, satisfy and fulfill Him forever.

“Only as that occurs, will both the world and the church know who Jehovah God really is. His first wife for eternity will be abundantly provided for without measure.

“The world and the church will see this, which will provoke a following after God neither the world nor the church has seen previously. God’s new wife will be showered with God’s super abundance for both the world and the church to see.

“This will provoke a turning to God that the world has never witnessed. Fifty percent of the unsaved will be saved in this final ‘down pouring’ of God’s Spirit.

“One reason this last *down pouring* of God’s Spirit will bring in such an abundant harvest is because of the desire to follow after God’s new first family, wherein God’s super abundance will be seen for the first time by the world and by the church.

“Hence, for the first time since the failure of the second Adam and Eve on Earth Two, will the world and the church know who Jehovah God really is.

“His super abundance, freely given to His new wife for eternity, will point the way back to Jehovah God. This will allow God to ‘be Himself’ openly – for the whole world to see – for the first time since the failure of Lucifer.

“God, Himself, will become contented, satisfied and fulfilled, so that He may ‘be Himself’ for the world to see. That is what will prompt many to accept His only begotten Son as the first step to perfection as a precursor to becoming God Incarnate, on the way to eternity.

“Hallelujah to the lamb of God, who takes away the sin of the world so the world may see His Father.

“These things will come to pass in the remaining years of this rapture generation and will begin soon.

“If you want to participate in this last day’s *down pouring* of God, learn to hear His voice daily – record His words and become obedient, faithful and trustworthy. He will do the rest as you arrive at your Sabbath day of rest, ‘For he who has entered His rest has himself also ceased from his works as God did from His.’³

“Hallelujah to the lamb of God who takes away the sin of the world! Amen.”

Day two

“My son, when I created man on Earth One, it was with the idea to create him perfectly within My first family. Then, thereafter, with My Spirit, procreation would occur as I formed each infant in the womb of its mother.

“Procreation – all procreation of man after My first family on Earth One and Earth Two – has occurred as I formed each infant in the womb by My Spirit.

“Since like produces like in the kingdom, the offspring of every God Incarnate couple was God Incarnate on Earth One.

“Then came the destruction of Earth One and the reconstruction of Earth Two followed by Adam’s sin.

“Thereafter, every infant I formed in the womb would come forth from the womb with the Adamic sin curse and sin nature. There was no other way to begin since the procreation procedure was forever established on Earth One.

“Therefore, ever since the first-born on Earth One came forth as formed by My Spirit, every first-born thereafter has come forth from the womb formed by My Spirit.

“When the egg of woman and the seed of man are pure, the infant is pure.

“When the egg and the seed are impure, the infant is impure

“This was only a part of My dilemma when I planned My vast reconstruction project.

“But in conclusion, so you will know, everyone is formed in the womb by My Spirit wherein is life, either pure or impure, according to the egg and the seed.”

³Hebrews 4:10.

Day three

“Since the twelve men who will become God Incarnate apostles, will have been conceived retroactively by the Holy Spirit back to conception in their mother’s womb, each one, therefore, will be the son of God as was Jesus who was also conceived by the Holy Spirit.

“That leaves only one God Incarnate apostle, the woman, with whom to deal or consider. Since she also was conceived retroactively by the Holy Spirit back to conception in her mother’s womb, she therefore became the daughter of God, as Jesus was (in principle the Son of God) before His release. Then when she was released as a God Incarnate woman apostle, she was just as Eve was conceived as the first God Incarnate woman on Earth Two.

“This, therefore, makes both members of God’s new first family as were Adam and Eve on Earth Two before their transgression. Both sets of parents were formed or conceived by the Holy Spirit. One set was conceived in time; the other set was also conceived in time, but retroactively.

“As Adam on Earth Two was the son of God, according to scripture, so Eve was the daughter of God according to scripture.

“The same is true of God’s new first eternal family. They both were conceived by the Holy Spirit in time in the womb of their mother retroactively.

“Therefore, the standing of Adam and Eve before God and before man on Earth Two, prior to their transgression, is the same as the standing of God’s new first eternal family before God and before man. All four were conceived by the Holy Spirit the same as was Jesus, which is the only basis for becoming God Incarnate.

“The first family of God (husband and wife) on Earth One were formed as were the first family of God (husband and wife) on Earth Two (Adam and Eve). Both families, therefore, were originally God Incarnate, having been formed (conceived) by the Holy Spirit.

“The same holds true of God’s new first eternal family, since they both have been conceived retroactively in the womb of their mother. They are as Jesus was before He was released into His ministry by the Father. After the baptism of Jesus by John, the Holy Spirit visibly, and God the Father and God the Word invisibly (all Three) entered the physical body of Jesus bodily and Jesus became God Incarnate at that instant, **and not before.**

“Jesus was the son of God, having been

conceived in the womb of Mary by the Spirit, but He became the God Incarnate Son of God when the Godhead bodily entered Him *after John’s baptism.*

“Both ‘sons’ had the same carrying Agent – the body of Jesus. Son ‘number one’ who came forth from Mary’s womb was supernaturally conceived, and was the son of God, cleansed of the Adamic sin curse and sin nature. About thirty years later, Son ‘number two’ became the God Incarnate Son of God, having been filled with all the fullness of the Godhead bodily after John’s baptism.

“When the Holy Spirit fertilizes the seed in the womb, the infant will be free of the Adamic sin curse and sin nature.

“When the sperm of fallen man fertilizes the seed (egg) in the womb of fallen woman, the infant is born with the Adamic sin curse and sin nature.

“When a man and a woman, chosen by God, both of whom are born with the Adamic sin curse and sin nature, by the power of the Holy Spirit, are cleansed and purified retroactively back to conception in their mother’s womb, they then may become God’s new first family on the earth, cleansed and purified to become God Incarnate forever.

“Those two will forever establish on the earth for the first time, God’s Incarnation principle for mankind. Those who believe in and follow after the teaching of these two, may receive their permanent God Incarnate restoration as well.

“Those who follow after and believe Jesus receive His salvation blessing.

“Those who follow after and believe God’s new first family, will receive their God Incarnate blessing. They will neither age nor die, but will be raptured.

“Thus, God’s new first eternal wife will reestablish on the earth forever the principle of God Incarnate man and woman, as husband and wife, as Adam and Eve were before their transgression on Earth Two.

“Therefore, God’s new first eternal family and wife will reestablish God’s will and perfect order on the earth forever and will also forever be enshrined in the finally reconfigured Godhead.

“Jesus and God’s new first eternal family (the husband and the wife), in that order, will form the new Triumvirate, as three persons of the new five-part Godhead – a Pentarchy – forever!”
