Boldly declaring **the new things** of Isaiah 42:9 and **the greater works** of John 14:12 in this rapture generation

A NEW WRITING ASSIGNMENT IN THE FORM OF A LOVING MANDATE FROM GOD

In my quiet time with God the morning of Sunday, April 7, 2013, here is what He said to me:

“Yes, My son, your three letters number 163, 164 & 165 will be in good condition when you finish with No. 165.

“Then, you may begin another new venture – that of publishing your journal with only minor editing. That will be a new endeavor, but an interesting and exciting one for both you and Me.

“This new writing will appear to be more extemporaneous than your past writing that has been carefully thought out for presentation.

“Your new writing will be more like ‘rhema talk.’

“None of My people have any idea of our *rhema talk* over the past number of years, especially since November of 2005 when I opened the flood gates.¹

“No one, and I mean literally no one except Moses, has ever experienced *rhema talk* like I have given you.

“What I gave Moses was to separate for Myself a people to establish a blood-line for the entrance of a Jewish Messiah.

“What I gave Paul was *rhema talk* to establish a fledgling church.

“What I have given you and what I am giving you is *rhema talk* to close the church age.

“Moses opened the age and the time of law to separate for Me a people divorced from the enemy.

“Jesus closed the age of law and opened the age of grace, mercy and love that supplanted and superseded law.

¹In my quiet time before the Lord one morning in November of 2005, He said to me: “Hereafter, when you come to spend quiet time before Me, come with no prayer agenda. If I want you to pray, I will tell you.” Over an eighteen month period of time, He gradually replaced about two hours of my talking to Him with His words spoken to me.

“Paul’s writing helped to establish and to confirm the church age as a foundation for My final abundant harvest prior to the Rapture.

“Your *rhema talk* will become a sequel to the bible to close the church age in preparation for the Rapture, the Tribulation and for My millennial reign from Jerusalem, Israel.

“Your *rhema talk* in the hands of millions will let people know who I really am.

“No one on the face of the earth but you, My son, really knows Me and really knows who I am.

“You have become My herald to announce My presence, to announce My identification, to announce My bountiful gift of giving super abundantly, and at long last, to make known My new first eternal family of two, then of three, as My beloved wife – this time, thrust into eternity forever.

“My son, Oh My son, you have allowed Me to be Myself, to be contented and fulfilled, for which I have longed for millennia.

“No one really knows who I am. You are appointed as My personal herald to tell the world and My poor church that I am Jehovah God, who longs to be contented, satisfied and fulfilled by once again having a beloved wife on whom I may lavish with Myself, with My love and with My super abundance for **ALL THE WORLD** to see.

“My son, I want the world and My people to know Me as I really am and you are hereby appointed as My herald to do two things:

“(1) Tell My people clearly, plainly and truthfully, who I am, and

“(2) make known for Me, My new first eternal family and wife, and My bountiful generosity.

“My son, as I showcase My new eternal first family as My perfect wife, I will cause abundance and untold wealth to flow into the hands of the husband, to further My kingdom and to become the beginning treasury for My Royal millennial reign from Jerusalem, Israel.

“The wealth I will allow to flow into his hands will be unprecedented to include Solomon. One reason it will be unprecedented is because I know he will be faithful to Me and to My call on his life. Jesus proved

the fidelity of My call on his life at the cross.²

“For that reason, blessings from Me will become spectacularly known and seen world-wide. As both members of My new first eternal family and wife announce to the world **AND** to My poor church that the credit and the glory for such abundance is the result of faithfulness, obedience and proven trustworthiness to Me, multiplied millions will turn to Me.

“As you say, My son, ‘One test is worth a thousand expert opinions.’³ The husband and his new beautiful wife first, and then their new God Incarnate Son, will be My ‘one test’ that will supercede beyond imagination, the ‘expert opinions’ of mankind.

“No one knows who I really am.

“My son, let this be made known to the world and to My poor church – first with your writing; then with your presence, then by the emergence of My new first eternal family.

“That, My son, is My charge – yes, even My loving mandate to you this very morning, Sunday, April 7, 2013.

“No one else has what I have given you.

“Give it away, My son, give it away for Me.”

<end of prophetic word>

The remaining body of this letter, and the body of my letters written after this one, will follow the *rhema talk* format, transcribed from my journal, with only minor editing, as God has instructed me. Listen carefully as you read words from the heart of God.

**RHEMA TALK
FROM JIM'S JOURNAL**

Wednesday, March 30, 2011

“Last night, again, you observed first hand how far you have come. Not only do you know more about the Rapture than any of the six men on the TV panel, that is just for starters. None of those men understand what I have taught you. All of them are My faithful

²The reason God is certain that the husband will be faithful to Him is because he has passed the same Six Measure Standard that Jesus passed prior to the beginning of His visible ministry. The fidelity of Jesus on the cross proved the Six Measure Standard by which all thirteen new God Incarnate apostles will be measured.

³Many years ago, I saw this “caption” on a plaque hanging on a wall near the front entrance of the central Texas Department of Transportation testing laboratory in Austin, Texas.

servants in the Pentecost Method. Each one will stay in the Pentecost Method until he learns to listen.

“Your knowledge of Me exceeds that of everyone in the Pentecost Method. Need I say more? Have you any idea of how many servants of Mine that includes?

“This will give you an idea of how far you have come and how much We have to do. You will make very little impact beyond your letters until I release you. Then people will listen to you.

“My son, in principle, you are exactly as I was prior to My release by the Father. Many times I would think, how much longer must I wait? But the fullness of time includes many things you cannot see and that I could not see prior to My release.

“So We have much more in common than you realize. Just continue as you have been, thanking Me for your soon release. That allows My work to be done without listening to your needs and ministering to them.

“As We proceed, you will understand that one devoted to Me under the Pentecost Method, may only learn at an incremental rate. To one man on the TV panel I said, “Stay ready,” after he prayed and fasted, and look at what he has accomplished for Me. He has no idea of the new wine of the Listening Method that I have given to you and to the twelve.

“You thirteen are ‘rare breeds’ among My servants. Never before have I singled out twelve men and one woman to give to them greater anointing than I, Myself, was given, in order to do greater works than I did.

“In order to do greater works than I did, one must be greater equipped than I was.

“As I have said to you previously, you will be living My dream and that of the Father, as you and the twelve are released.

“No one on the planet knows what I have taught you and the twelve. And remember, you will be the elder brother/mentor of the other eleven men. That puts you in rarified air **NO ONE** has ever explored.

“That should be enough to hold you for another day.

“As I have said to you previously, you are not impressed with your writing and your position among My super twelve as you will be.

“That is not criticism, but the truth. The reason you are not impressed is because I have brought you the long way, but also the proper way of spiritual

growth. There is too much involved for Me to have done it any other way.

“Slower progress equals greater retention,’ is still the axiom in education.

“After one graduates from the university, for example, he then begins to apply what he has learned, but I have taken you another way. I have brought you the way of learning and living My teaching.

“And yes, in retrospect, it does not seem such a ‘big deal,’ but it is. The reason you look on your spiritual growth as you do is because you have learned that I must conquer the enemy through man, for I cannot do it Myself, because the gifting and calling of God are irrevocable.

“I designated Lucifer to rule man. Since through man, Lucifer failed; through man, a fallen Lucifer must be defeated. It’s just that simple.

“You see, My precious son, I have no choice in how I can defeat a fallen Lucifer. He was given authority that I cannot rescind. Only through fallen man may I defeat a fallen Lucifer.

“That is one thing Lucifer overlooked when he rebelled against Me. He did not understand how I could take fallen man, over whom he had been given authority to rule, and remake him after My image also, to overcome the overcomer.⁴

“That’s a little complicated, but that’s the way it works. It had to be that way because of My creation words of Earth One, of Lucifer and of man. Lucifer knew I could not undo My creative words of commitment to him and to man. And he was right.

“That is why it has taken so long. But as My precious thirteen are released, they will be equipped to do what none of My servants have previously been anointed, trained and equipped to do.

“As I have said to you previously, that is why the whole heavenly host is abuzz about your soon release.

“Nothing like My super thirteen has ever been unleashed against the enemy. This will be new to him, new to the world and new to the church.

“My son, the church has been led to believe that the bible is all there is to My instructions without realizing that I have a whole **NEW** approach to defeat the enemy. John 14:12 is the foundation and My super

⁴Lucifer was created in the image of and in the likeness of God, in that he was filled with all the fullness of God bodily as Jesus was after John’s baptism.

thirteen are My answer to the enemy, to the world and to the church.

“My son, it seems so simple when seen by revelation, but remember, it has taken your faithful obedience for many years to perfect you into My Image.

“And yes, I have a surprise of two for you at your release. You will enjoy them even as Choo Nam Thomas enjoyed some of the things I showed her.

“My son, the impact of the works of the super thirteen may only be truly known in retrospect. That is good, because one who makes history must not be impressed with his place in history, but instead, he is to be impressed with the next thing to accomplish. That way his focus is uninterrupted.

“Instead of your focus being your objective for Me, instead I will be the focal point of your life. That way We stay on course to defeat the deceiver.

“Righteousness is not dependant on perfect conduct but on obedience. This means that you can have improper conduct while being righteous in My sight. That’s why in a fallen world, ‘To obey is better than sacrifice,’ for obedience negates imperfect conduct in a fallen world.

“Remember, however, when I infuse you with Myself and release you, you will conform to still another standard – the standard of perfection. The reason for that – still another blessing – is not only will you represent Me, **you will become Me even as I became the Father in My ministry.**⁵

“It can be no other way when I infuse you with all the fulness of the Godhead bodily.

“Lucifer was unaware that I could do this when he rebelled. He was totally unaware of My ability to overcome him with man whom he overcame.

“Of course, neither was I aware of what lay ahead at Lucifer’s failure. All of that had to be planned after the destruction of Earth One. But since the Creator is smarter than His creation, My plans were devised over many millennia to My perfection once more, as you know.

“Since by man, sin and death entered into Earth Two; by man sin and death must be removed from the earth. That is the way I ‘painted Myself into a corner’ with Lucifer.”

“And yes, My son, except for one or two small items that are pending, your desk is cleared of everything. That means you can devote your energy to Me – and focus on Our objectives. Our objectives are more important. When the writing assignments are finished, We can start Our journey that will never end and that will bless the multitude.

“My son, I have said to you that Dale would witness your release. After that, I, Myself, will be directing all of your activities. So leave **EVERYTHING** thereafter to Me. What you have in mind is already taken care of.

“Remember – I told you that **EVERYTHING** would be under My guidance. Therefore, the responsibility is Mine. Obedience is your objective and you are good at that.”

Tuesday, April 5, 2011

“Yes, My son, ‘Two who pray together stay together’ is not necessarily true. One of those may be taken in the Rapture while the other may have to go through the Tribulation. You may not answer to God for your spouse.

“This does nothing more than emphasize the need for **EVERYONE** to have an intimate and personal relationship with the Lord. Those who are expectantly awaiting His coming will be taken. The rest will go through the Tribulation.

“My son, warn those who are lackadaisical about their walk with Me, especially those who have turned their back on Me because of the love of the things of this world. Things of this world will crowd out things of the kingdom so that one may be lost forever.

“If one’s name may be blotted out of the Lamb’s Book of Life,⁶ one may be gloriously saved, then lured away from Me by lust or things of this world and be lost eternally, destined for hell where the fire is not quenched and where their worm does not die.⁷

“Both Mary K. Baxter and Choo Nam Thomas have written books to confirm in very vivid terms the reality of the eternal punishment of hell.

“In the letter you are working on, you may emphasize the eternity of both heaven and hell. And you may quote My words given to both Mary Katherine and Choo Nam. That will bless them and Me.

“My son, the church does not know of the relationship you have with Me. That is on-going to the extent that *My words spoken to you have created Me within you.* And because of that, you may readily accept My words given to others and are fed by them as well.

“That is the blessing of learning to listen during these last few years before the trumpet sounds.

“My son, at the Rapture, when the trumpet will sound and the archangel shall shout, no one will hear either who is not going with Me back to the third heaven. This is why the Rapture will create such a panic among those who are left behind, including many Christians.

“Riots and looting will occur, especially where Christianity is strong. Martial law will be enacted in the U. S. to restore order. That may quell the chaos but not the fear and concern of those who remain who have ‘lost’ family or friends in the ‘catching up.’

“This, however, will have its affect on those who remain. Many will then turn to Me with their heart to be severely tested during the Tribulation, especially during the Great Tribulation. Some of these will refuse to worship the image of the beast and will be beheaded.

“For those who remain, it will be very difficult not to worship the image of the beast that will be made to speak and will make fire come down from heaven on the earth in the sight of men.⁸ That is why even some of the elect will be deceived.

“A second warning in your letter should close it.”

<end of prophetic word>

Here, I interrupted the Lord and asked a question that had been on my mind for some time. The question was, “Lord, how is it that the dead in Christ will rise first when their souls and spirits **are already in the third heaven** – I don’t understand that.” And here is His answer:

“The dead in Christ will arise just as Jesus did when He, as spirit and soul, came back into His body after spending three days and three nights in the heart of the earth, completing those assignments, in order to walk forth from the tomb in His resurrected body.”
