Boldly declaring **the new things** of Isaiah 42:9 and **the greater works** of John 14:12 in this rapture generation

### RHEMA TALK FROM JIM'S JOURNAL

**Saturday, April 2, 2011**

"Yes, My son, the words I gave you yesterday<sup>1</sup> are very important. Read them again. They are important for two reasons:

"(1) End-time events – I will begin to tell you of such. Remember, one of your gifts is the 'how to' and the 'when' of scripture interpretation, and

"(2) I eliminated your skeletal prayer *except that which would glorify Me*. When you glorify Me, you acknowledge that I am the focal point of your existence.

*"This means that I am more important than you are.* And yes, everything I have taught you by rhema revelation is simple, easy to understand and logical. As you learn to listen, the bible begins to be understood. The importance of the kingdom and the hidden things of scripture are revealed.

*"The author of a book can tell you more about a book he wrote than someone who read his book.* Your example I gave you again, is a good one to use in teaching or writing, if the occasion should arise.

"When you attend classes through high school and then enroll in the university, you do not expect your teachers to be mute. That is not why you go to class. You go to class to learn what the teacher or the professor knows that you don't know. And he teaches you what he knows by speaking, not by listening to his students talk.

**"My son, My church thinks that I am mute.  
"As you have opportunity, teach that. It is true.**

"Again, *reread what I gave you yesterday (the San Francisco/California earthquake/tsunami warning)*. It is important. Remember, I told you that when I release you, you would not speak in tongues

<sup>1</sup>The words God gave me "yesterday" (meaning 4/1/11) prophesied a catastrophic, cataclysmic earthquake/tsunami that will center around San Francisco, and will include other parts of California, was published in Jim Ash letter No. 150 entitled, "**A WARNING FROM GOD**," available on my website: [www.jimash3.com](http://www.jimash3.com).

because there will be no need and that you would have no need to pray, for I will be in you bodily to direct all of your activities.

"My son, that sounds strange to you in view of the fact that I, the Lord Jesus, often spent the night in prayer. My disciples did not pray, but I did. Their prayer time was the time we spent together each day.

"When I was resurrected, I ceased to pray but beginning the following Pentecost morning, My disciples then learned to pray.

"It will be the same with you. When you are released, all the fulness of the Godhead bodily will be within you and God does not pray.

"Then you may ask, why did I, Jesus, spend so much time at night praying. And the answer is the cross. Every day I was walking toward the cross. Many times I had to pray for hours before I could come to grips with the complete forgiveness of Satan and the Jews who wanted to kill Me. You, yourself, have had a similar experience.

"I had to pray until I was at peace with God, Myself and My neighbor – and that is everyone on the earth, including Satan himself. That takes some doing.

**"I had to forgive Satan and the Jews to release the grip of evil on My life. I had to forgive both because of Myself – to set Me free.**

**"Your past fourteen plus years<sup>2</sup> were your training time. When you are released, there will be no need for you to pray because the fullness of the Godhead bodily will be in you.<sup>3</sup> You, therefore, will become one with Them or one with Us. Therefore, guidance will be continual 24/7.**

"Your walk with Me will therefore be relational, or based on a personal relationship of two People who are together 24/7.

"This sounds complicated, but you will adjust quickly to the **new** way of life. Just relax and let it happen is My best advice to you.

"The advantage you will have over Me in My visible ministry is freedom from the cross. I did that

<sup>2</sup>Sixteen years plus from the date of this letter.

<sup>3</sup>See Colossians 2:9.

for you.

“Therefore, all of your time may be spent productively without the burden I carried every day 24/7.

“When you are released, you will not pray the Father in My name but will simply speak into existence that which I direct you to do. You will then no longer be My representative, but instead will be Me, Myself, the Godhead bodily within you. You will become one with the Godhead. That means you will act with the Father’s authority through Me, the Lord Jesus, because the Father has given Me all of His authority in heaven and on earth.

“The adjustment, My son, will be easy. Trust Me. And yes, your letter will be formulated today.”

### **Sunday, April 3, 2011**

“Yes, My son, when you are relieved of the necessary things of this world, so your focus can be on Me 24/7, your desire to do My work returns, doesn’t it? This is a good lesson to learn, for We have much to do – good things, I might add – Things both you and I will enjoy.

“And yes, continue to thank Me for your soon release is the best way to relieve Me of ministering to you so that you might minister to Me. Once you see that, isn’t it simple?

“And yes, your writing desire will – has returned. When you awaken in the morning thinking of the specifics of My call on your life, that is where you need to be.

“And yes, you must write on the Rapture.<sup>4</sup> What I told Choo Nam is correct. **About ten percent of the believers today would be raptured.**<sup>5</sup> The rest would have futures too terrible to think of.<sup>6</sup>

“Those believers between the two hills who wore sand colored robes were disobedient believers,

---

<sup>4</sup>I have written on the Rapture in Jim Ash letter No. 146 entitled, **“GOD’S TIME CLOCK ON THE RAPTURE REVEALED.”**

<sup>5</sup>This ten percent figure will begin to increase when the thirteen God Incarnate apostles are released. The pre-rapture abundant harvest will then begin wherein fifty percent of the unsaved will be saved.

<sup>6</sup>The exception to this statement are those chosen by God to remain after the Rapture who will be God Incarnate to successfully challenge the beast. Those who are left behind because of a lack of faith will experience unimaginable challenges.

some of whom will remain that way forever, but some of whom will be cast into the lake of fire at the Great White Throne Judgment.<sup>7</sup>

“And yes, it is alright to quote what I said to Mary K. Baxter and Choo Nam Thomas in your writing because My words are truth regardless of to whom they are spoken.

“Concerning (name omitted), talk with her once, then leave her to Me.

“The letter you are working on will be a good one. Just complete it as planned. Then you may write on the Rapture, or hell, or perhaps write combining both in one letter. Once you begin, I will lead you.

“Those two things need to be treated in your writing to complete your present writing assignment, which you will enjoy.

“As I release you, the remainder of your short skeletal prayer will no longer be necessary, for you will have within you that for which you have prayed.

**“My son, when I infuse you with the fullness of all the Godhead bodily, there is no other growth possible until you are raptured. So stay ready, as I told (name omitted).**

“Not only will you become known to (name omitted), there will be other prominent Christians with whom you will become acquainted.

“My pioneers of the faith among My church leaders will accept you first.<sup>8</sup> Those with advanced seminary degrees will take some arm twisting from Me, but I know how to do that gently. And yes, (name omitted) will accept you as I deal with him. Your analysis of him is as I spoke to you; transparent, perhaps to a fault, but stubborn and he hasn’t learned to serve instead of rule. That has been his problem all along. *That weakness is fed by stubbornness.* But leave him to Me.

“My son, again I say, I will want you to know Choo Nam Thomas.

“Your time is at hand.

“Yes, My son, I have the Father’s mandate to take charge of both heaven and earth. They are Mine

---

<sup>7</sup>Those who wore sand colored robes is a reference to pages 57 and 58 in the book written by Choo Nam Thomas entitled, “Heaven is so Real.”

<sup>8</sup>The “pioneers of the faith” are those who have launched out as led by the Holy Spirit, to establish a church free of denominationalism, that teaches the full gospel as revealed in the bible, to include Holy Spirit baptism and the complete work of the Spirit.

with which to deal. This includes the angelic hosts available to assist Me as needed. Remember, as We return, I will send an angel with a large chain to bind Satan for the Millennium.<sup>9</sup>

“That is what will make Our reign a joyful one during the Millennium, in the absence of Satan and his evil forces, and in the presence of My (Our) regal reign over the earth.

“Yes, I will lead you and guide you with your publishing and will provide you with some assistants for that project.”

### Wednesday, April 6, 2011

“Yes, My son, I am exciting to know. I have always been that way. And the thing that excites Me is when one of Mine learns to listen. Then is when I get excited and when My preparation for that one begins – meaning My preparation for him on My staff chart for the Millennium.

“Remember – I know you do – but it is good on occasion to remind your readers, that the purpose of the church is to train a contingent of angels to return with Me to rule and reign over the earth from Jerusalem, the capital city of the world.

“My son, that is one of the principle reasons for the special thirteen apostles. The focal point of their activity is to do battle against the enemy and those he has deceived and misled and impaired any and every way he can, so as to make life worthless and miserable.

“Every time you redeem someone from his clutches, you have won a victory for Me. He (Satan) is out target. Each of you is to undo **everything** he has done, to My glory. And your activities will do just that.

“As I am glorified, the enemy is defeated.

“Imagine yourself as one who is sent forth to gain the victory over the one who has caused more pain, grief, misery and death than anyone. He is our target.

“Remember My visible ministry. As I defeated the enemy, the crowds grew bigger. As they grew bigger, My influence spread and I was able to influence more people to My First Cause. That is the way the enemy is defeated and that is the reason for signs, wonders and miracles. They are to draw attention to Me as Savior and Lord.

---

<sup>9</sup>See Revelation 20:1-3.

“That, My son, is My charge to you. It will not be difficult; it will become easy and enjoyable to both you **and** to Me **and** to the heavenly hosts and to a host of those alive on planet earth.

“You are going to be a busy dude – a happy and joyous dude to a multitude.

“You will be thrust into a position many of My servants would like to have been chosen to do. But My choices are based on the heart, obedience, trustworthiness and faithfulness. You were chosen because of your aggressiveness in *all of these areas*. That’s why you will be the leader/mentor of the eleven.

“And that is why I went to the Father for your approval to be My chief of staff for the Millennium. No position is of more importance than your position as We return at the Armageddon insurrection.

“So sit tight. Do what I have put before you and We are ‘off to the races.’

“Yes, My son, before We finish, you will be enrolled and enshrined in the Hebrews eleven hall of faith among My greats. I know that sounds inflated to you, but it is not. The reason it does not impress you is because of the long time of your training. You take such things now as something you are comfortable with because of the way I have brought you to today.

“As I have said to you previously, as I have trained you, you have experienced the necessary growth in faith to accomplish **everything** I have called you to do. This means that you will be ‘comfortable’ in **everything** for which I have prepared you.

“Your training is complete. As you complete your writing, We will be ready to begin the greatest adventure of all whom I have called. ‘Get ready,’ (or ‘Stay ready’) as I said to (name omitted)..

“I know you do not think of yourself in this light, but you are My most important servant for this time. For that reason, We will spend much time together in preparation for My soon coming.

“My son, your thanksgiving and gratitude is, as always, a two-way street. The Father and I, as well, are grateful for your obedience and loyalty. We have many, many good things and good times of joy, rejoicing and accomplishments ahead. So stay ready; the best is yet to come.”

### Thursday, April 7, 2011

“Yes, My son, you are experiencing legalism in Messianic Jewish synagogues. In reality, to some

degree, it is in Christian churches, as well.

“As you visited the nineteen different Christian churches, you discovered the same thing you are now discovering in Messianic Jewish synagogues.

“Legalism is exclusive. Grace and mercy are inclusive. Legalism narrows the circle. Grace and mercy widen the circle.

“The apostle Peter had the same problem that Jewish rabbis have today. He wanted to make physical Jews out of new converts instead of realizing that they did not need to become Jews physically, but instead, they needed to discard law, which does not affect the heart.

“One does not come to Jesus by law, which is of the mind. One comes to Jesus or Yeshua with the heart.

“Exclusivism is of the mind. Christianity is of the heart. Those who insist that one observe Jewish laws to become a Christian have fallen from grace.

“My son, one reason your background will be helpful to the other twelve is because you have been a prisoner of legalism. **Once you turn to the mind to analyze and dissect the bible, legalism may be the result.**

“Try and be gentle with (name omitted).

“My son, your relationship with Me is something that cannot be denied. That relationship, in time, will allow you to enter certain Messianic Jewish synagogues with the same truth or fervor with which you will enter Russian and Greek Orthodox churches and Catholic churches with My authority.

“I know you are concerned about this. Instead of being upset, just bide your time when I (We) will infuse you with Ourselves as the Godhead. Then you (We) will act and speak with absolute authority with signs and miracles to confirm your words. Until then, just observe and learn.

“Be no more upset with the weaknesses of the Messianic Jewish synagogues than you are with certain churches.

“My son, you are able to detect error or weaknesses beyond that of **everyone** in the Pentecost Method, and that includes Messianic Jewish synagogues.

“Because of your ties to the Jews through you

faithful prayers for the 144,000,<sup>10</sup> you will have a unique relationship with the Jews and Christian churches. That, My son, is one of the purposes of your more than fourteen years<sup>11</sup> of training. Upon your release, you will have a reservoir of knowledge that will be useful to Me.

“It is not by accident or coincidence that I have brought into your life some who have been taught that Jewish roots (laws) make one more ‘faithful.’ You have been down that road in ‘Spades’ and realize the end result is imprisonment; whereas I came to set people free.

“In time, I will allow you to enter Messianic Jewish synagogues to correct their misuse of the law and the prophets. Until then, just bide your time. You have learned from others about Messianic Jewish synagogues that which you learned first hand by visiting nineteen different denominational churches in the Dallas area.

“The blessing of your release is that you will be able to speak and minister with absolute authority and confirm that with signs, wonders and miracles no one else may be able to refute.

“The ministry of My special thirteen will stabilize and purify synagogues and churches I allow you to enter. However, there will be certain ones the enemy has so invaded that you (We) will avoid.

“Remember, our target is the enemy and his devices. As I release you into that ministry, you will have all you are able to respond to, for your seven ministries will be unique to the other twelve.

“You (We), My son, will be a busy man who wears ‘seven hats’ very effectively as no other will do. That’s quite a package.

“With regard to your wife, remember that you may not now please her and Me 24/7 (in this fallen world), so treat her disagreements lightly for the present. In time I will deal with that as you know.”

**Saturday, April 9, 2011**

“Yes, My son, yesterday’s work placed you in the same position that Jesus was in when He began His ministry.

---

<sup>10</sup>For more than twenty years, as instructed by the Lord, I prayed for the calling out of the 144,000 until one day when the Lord spoke to me and said that the 144,000 were called out and that my prayers were no longer needed. See Jim Ash letter No. 7 for more details.

<sup>11</sup>More than sixteen years from the date of this letter.

**“My son, realize you are walking in sanctified territory none has walked in except Jesus. The only reason you are now sanctified as He was, is because you first understood the definition of sin and of righteousness. Step two was to undergo the nine steps of the cleansing and the purification process back to conception in your mother’s womb.**

“My son, you have been sanctified, that is, you have been set apart for My exclusive use.

“Remember that the priests, under the law of Moses, had to very carefully observe certain laws of purification and sanctification in order to officiate in their priestly duties.

“What the priests did in the physical, you have done in the spiritual. I have said to you that the physical precedes the spiritual. You have once again experienced that.

“You (and the twelve) are now where no one else has been except Jesus. This is why the thirteen of you may be infused with all the fullness of the Godhead bodily. Both the inside **and** the outside must be clean for Me to use the vessel.

“Now you understand why I taught you the nine steps of forgiveness retroactively back to conception in your mother’s womb. You are correct. Unforgiveness is the unforgivable sin. The reason is simple. Unforgiveness leaves you in the grip of the enemy. **Unforgiveness binds you to the enemy. Forgiveness binds you to Me.**

**“I, Myself, Jehovah God, had to learn to forgive a fallen Lucifer for Me to be released from His grip.** No one, literally no one, will understand that initially. That is why this principle **must** be taught. You cannot be in the enemy’s camp and in Mine at the same time.

“My son, as you know, the Father has spoken on this and it therefore cannot be changed. I taught this and it is repeated several times in the Gospels. The reason this must be is because you cannot be in the enemy’s grip and in the kingdom at the same time.

“So realize your blessings. You (and the twelve) are on holy ground. Everywhere you walk now is holy ground because you are now holy to Me.

“You have undergone all of the necessary spiritual cleansing and purification rites necessary in order to become as Jesus was before His infilling with all the fullness of the Godhead bodily.

“You are not as impressed with this monumental occurrence as I am and as others will be because of the way I have brought (trained) you. Slowly, line upon line, precept upon precept, I have brought you to Myself that you might become Me.

“The way has been long and arduous, but every bit worth the sacrifice requested.

“My son, you (and the twelve) have reached the spiritual maturity no one else before you has attained except Jesus. That, and only that, is the reason you will be infused with all the fullness of the Godhead bodily in order to do greater works than I did.

“Just learn to see yourself as I see you and We’ll do fine.

“You are not behind in My schedule. The last several days have been beneficial. Be not concerned about time. Let Me manage that.

“I want to emphasize again that since you were conceived in (Adamic) sin, your cleansing had to begin with conception exactly as was the case with Jesus. He was cleansed and purified from His conception because it was My Spirit (not man’s sperm) that fertilized the seed (egg) in Mary’s womb. He therefore, came forth from her womb sanctified and pure as was Adam had he been formed as an infant.

“This did not mean He did not grow up as other children grew up. It simply means that He avoided the Adamic sin-curse and was therefore teachable from the beginning.

“You, My son, have been cleansed and purified and sanctified – set apart – to bring into fruition John 14:12.

“Realize also that all thirteen of you are unique.

“No one has ever walked where and as you will walk. The reason you are on holy ground is because you are holy and that makes every where you walk holy.

“I know all of this is not impressive to you, but it needed to be said for the record.

**“All of the physical rituals connected with Temple worship have been accomplished in you (and the twelve) by My Spirit, which is by far more important than the physical establishment of the Temple and Temple worship.** All of that has been done in you and the twelve spiritually as though there both was, and is, no need for the physical (Temple) to

portend the spiritual reality of being filled with all the fullness of the Godhead bodily.

“Remember, there will be no Temple in the New Jerusalem. It will not be needed, for those were only types and figures.

**“You have come to the same place, My son.** Physical types and figures become spiritual reality in the special thirteen.

“Remember, I said the cross cut short My ministry and consequently the training of the first twelve. The special thirteen are a continuation of My training the first twelve.

“But remember, the first thirteen<sup>12</sup> were absolutely necessary for the emergence of the second thirteen.

“All of this is to say that you (and the twelve) are most revered in the third heaven. Each of you will be living the dreams of those who have gone before you, some of whom are listed in Hebrews, chapter eleven.

“Know assuredly, that as I release you, you will be living **and** establishing history of great significance.

“Welcome home.

“As a result of watching the ‘Kennedy’ movie on TV, you have seen the importance of military intelligence. The eleven Soviet ships steaming toward Cuba was intelligence that made intervention possible before it was too late.

“In your **new** walk with Me, We will have all the intelligence necessary to accomplish our objective. **Everything** you do will be confirmation of that which you have seen in the spirit.

“The important thing about the ministry of the special thirteen is that you will be able to thwart the enemy in the absolute, about which he will be able to do nothing. He is our target.

“Those whom he has hurt the most will be your greatest supporters. When they realize that from which they have been rescued, their support of your ministry will be overwhelming.

“So get ready to be front and center. You will be thrust into the spotlight by My power and might.

“My son, you and the twelve will fulfill all that the **Temple types and figures** prophesy or portend.

---

<sup>12</sup>The first thirteen were the first twelve that Jesus trained plus Paul.

That’s why you are special. **And that is the purpose for which you have been prepared.**

“My son, one reason you will be rejected by the pastoral hierarchy is because **no one** has previously known of My failures except Jesus. New wine has always been rejected initially by the old wine drinkers.

“Many of My people do not have the confidence (the faith) to pray, not because they lack in knowledge of the bible, but because they do not know Me. In many cases, churches and Messianic synagogues have become so involved with dissecting the bible as though it was an insect in a biology laboratory, the intellect has overtaken the heart. That is why all churches and synagogues are in spiritual adultery.

“I will want you to mix and mingle with common man to let him know who I am. Remember, it was the common man who accepted Me gladly.<sup>13</sup>

**“In the manner that I have described to you this morning, you have become a living, walking Temple of God.”**

**Monday, April 11, 2011**

“My son, We are almost there. Your writing is progressing just fine. You have more than the February 2012 letter prepared. So just continue to write as We progress.

“When you write about revelation that I give you, you are breaking new ground since you are writing by revelation things that only Jesus has known previously. That is why your writing will become a sequel to the bible. But you must be released for that to be acknowledged.

“People paid attention to what Jesus said **after** I released Him into His ministry. There are three reasons for that:

“(1) Before He was released, He was without sin, as Adam was originally, which means He was no

---

<sup>13</sup>See Mark 12:37 (b): “And the common people heard Him (Jesus) gladly.” The “common people” accepted Him gladly while it was the religious leaders who opposed Him vehemently. The religious leaders had drunk the vintage wine of Moses for more than fourteen hundred years and couldn’t accept the new wine of Jesus. Things have not changed. It will be the religious leaders who initially will be unable to accept the new wine of the Listening Method because they have drunk the two thousand year-old vintage wine of the Pentecost Method. The old wine of convention is hard to give up.

match for a fallen Lucifer,

“(2) He therefore was not equipped with the authority to become God Incarnate until I provided that authority in His life immediately after John’s baptism and

“(3) Until He demonstrated the visible authority of all the fullness of the Godhead bodily, He could not be recognized by those He ministered to.

“Jesus was new wine to those who had drunk the old wine of the law and the prophets for more than fourteen hundred years. New wine is never as good as the old wine of convention.

“As I have said to you previously, My ministry was cut short by the cross. My super thirteen that I am now training are actually extensions of the original thirteen.

“You, My son, will have, you will actually experience the best of all worlds as you are released into ministry. I went to the cross for you. **You will be protected from physical violence and you will minister against the enemy with absolute authority, for that, and that alone, is your purpose in ministry.**

“Remember, sin and death have become a way of life since the destruction of Earth One and since Adam’s sin. There was neither sin nor death for millennia on Earth One. A fallen Lucifer is responsible for **all sin** and **all death**. Let that be indelibly impressed on your mind. **Sin and death are not normal.**

“**The purpose of My special thirteen is to close the two-thousand-year window of the church age and to usher in the Rapture.** While that is great responsibility, remember, I will be within you guiding all of your activities. You and your activities are therefore actually My responsibility.

“That is why your training has taken so long. You (and the twelve) have had to live what I have taught you in preparation to be filled with all the fullness of the Godhead bodily. No one except Jesus has been so ordained, anointed and equipped.

“As another reminder, the enemy is our target. You (and the twelve) are to rob the robber and thwart the thwarter in **everything** he has done to man.

“Again, for emphasis, the thirteen of you will be simultaneously living the dream of Myself and the Father. We have awaited this event (the releasing of the thirteen) for longer than you care to know.

“You (and the twelve) allow Us in the third heaven to see victory in sight. Our special thirteen will allow Us to culminate this war against Satan and his forces.

“Be attentive and obedient as you have been. The time is near. Enjoy it.

“**My son, realize that you (and the twelve) are living lives that have never been lived before.** As I release you, you will be living and making history in the kingdom. That is of more importance than any of you knows. That may only be seen accurately as it is viewed retrospectively.

“So simply live and enjoy each day of your released time. Many who have gone before you would like to exchange places with you. They are the ones who will look on your activities with the greatest interest.”

**Thursday, April 14, 2011**

“My son, I know your heart because We are now One. Remember? Our relationship now is one of the heart.

“Did I not tell you that the farther We go, the fewer people would understand who you are, what you say, what you write and what you and your life are all about?

“And yes, I know of your desire to know Choo Nam, who is wholly dedicated to Me, even as are you.

“But just a little while longer and you (We) will be released. My timing is best.

“And yes, remember that I, the Lord Jesus, went through the same things you are going through, as I awaited the Father’s timing of My release.

“So everything you have experienced, I have been through. We are on the same page.

“With regard to your writing, the things I tell you to write do not have to be expanded into the content of a whole letter. Just respond as I suggest and that will keep Us more up to date.

“You have eleven months of letters already written now. Hereafter, just write as I suggest, even though the length of the writing is shorter than you are used to writing. In that manner, you will have the subject treated so that it may be expanded if necessary. But remember the length of 3 John and Jude.

“On the other hand, what I am suggesting to you to write is doubly unique. You are My Listening Method writer plus the fact that your writing reveals

that which was known only by Jesus and He was not a writer.

“So just content yourself with writing as an item to file in your notebook. That way it will be there as revelation when needed to be published.

“My son, you are writing a sequel to the bible. No one else is doing that. **And** you are doing that single handedly. No one else has made such a contribution.

“I realize you are not as impressed with your writing as I am. Nevertheless, believe what I say. Your writing is important. No one else is writing what you write.

“Try and content yourself now in writing as an entry in your notebook. That way it will be done because it is important to Me. And it will be there to be published in the future and to be elaborated on if that is needed.

“I have said this to you before, but I need to repeat it here. I am more impressed with your writing than you are. No one, My son, has any concept of My saying such a thing to anyone. That is completely “off the wall” or “out of the park” to everyone – and I mean everyone.

“So just go back and note the items I have suggested that you write on and that will take care of your writing assignment. In that manner, you will be able to incorporate such in a letter if that becomes necessary.

“And one thing in addition. Do not concern yourself with your being perfect at your release. Remember, I said the transition would be as smooth as silk, easily and quickly adjusted to. It will be fluid and without incident except the small adjustment like trying on a new coat that will be comfortable and “just a fit” – like the overcoat for which Everett Crouch took your measurements when you were in high school.

“Just go about these things as I have suggested and remember, what you are writing will be new to the world **and** to the church. That’s how exclusive your writing is.

“So look not on your writing now as a chore. Look upon it as something you are doing for Me, for I will see to its distribution world-wide.

“Again, by way of enforcement, **have no concern** about your perfection upon being released. Let that be My problem because I already have the answer.

“In this manner We may now walk together in perfect agreement.

“My son, as you write, know assuredly that **no one** will duplicate what I have told you to write.

“A good example is that **no one has ever remotely understood that I was the first prodigal**. That writing is a must!

“All of the things Jesus said about sin, righteousness and judgment were said with Me, the Father, in mind. **No one** will understand that but you, the twelve and Jesus.

“Your writing about Jesus is right on.

“I had to take a man like the first Adam to defeat Satan. It could have happened no other way, since by man, sin entered into the world. By man, therefore, sin had to be conquered.

“That is what caused My delay in conquering a fallen Lucifer. It had to be done within the framework of My creative words of Earth One. That was My challenge and that is why it took so long.

“I had to work through waves of anger and grief before I could ever begin to work on and to work out the problem. That required vast preparation, all of which should have been unnecessary and that was part of My problem.

“I knew the sacrifice of countless numbers of lives it would take to defeat Satan, but it had to be done, for I would not have My creation to steal the earth and its possessions.

“Thwarting the thwarter required all of My attributes. That is why

“(1) the gap between Earth One and Earth Two was so long, which is evidence that

“(2) it required all of My attributes to solve.

“You have said it correctly. Man has no way of ever comprehending My gargantuan task of correcting Lucifer’s failure until he removes his earthly cloak. Only then may that be revealed. And therein will the accomplishments of Jesus loom greatly before all.

“My son, the fact that the Listening Method eliminates doubt and allows one to walk in My will is reason enough to learn to listen.

“No one except the special thirteen walks in the listening Method. Everyone else walks in the Pentecost Method.”
