**Boldly declaring** the new things of Isaiah 42:9 and **the greater works** of John 14:12 in this rapture generation.

### RHEMA TALK FROM JIM'S JOURNAL

**Saturday, May 21, 2011**

"You have just learned the way of My Holy Spirit. As you awakened this morning, you had letter No. 151 on your mind, that is, some of the details that will become integral parts of that letter.

"That's a good thing to teach. As you become totally committed to Me, I will not let you forget what I have called you to do. My Spirit will remind you.

"You will recall that I said to you, 'Tired work will not avail.' When you are rested and the time is right, My Spirit will remind you.

"When one is totally committed to Me, I will remind him of his priorities by My Spirit. But the tug of My Spirit must be obeyed. The time to do His bidding is when He reminds you."

**Sunday, May 22, 2011**

"Yes, My son, your letter No. 151 will be a good one. And you may want to expand it to six pages. It is important to Me."

My Prayer inserted here:

Lord, thank you for having your eye on Me from the beginning.

His response:

"On the other hand, remember that your aggressiveness in your faith walk with Me has caused Me to change My objective for your life twice.<sup>1</sup> You are now on the highest plateau one may occupy, as My chief of staff upon Our return to earth.

"So remember, you are important to Me.

"Prior to My training the special thirteen

<sup>1</sup>God had changed His objective for my life twice as of the date of this word, 5/22/11. In the following two years and two months to the date of this letter, July of 2013, He changed the objective for my life again. So this means as of the date of this letter, He has changed His objective for my life three times so that I am now on the fourth tier of my calling into His ministry. This is testimony to the fact that your aggressive response to the Lord's call may gain a response from God beyond His original call in your life.

apostles, no one except Jesus had become God Incarnate eternally. When the thirteen are released, twelve men and one woman will become God Incarnate as was Jesus in His visible ministry.

"So the reason the ministry of the thirteen is **NEW** is because **not even Jesus was equipped as each of the thirteen will be**.

"The reason each one of the thirteen will be unique is because they will become better equipped to minister than Jesus was in His visible ministry.

"In the ministry of Jesus, the fullness of the Godhead bodily was within Him but the fulness of the Godhead bodily is different now than it was during His visible ministry.

"Upon His resurrection, He (Jesus) became the permanent second Person of the Godhead. That was not the case during His visible ministry. Jesus had to grow into that position through the cross **AND** through His resurrection.

"Because His ministry included the cross, you are spared that agony. He did that for you. Had He not done that, you would have had that responsibility. That's how much He has done for each of the special thirteen.

"None of the first apostles were God Incarnate. All of the second thirteen will be God Incarnate. Because all the fullness of the Godhead bodily **NOW** is greater than all the fulness of the Godhead bodily during the visible ministry of Jesus, the special thirteen will be equipped to do greater works than Jesus did. It's just that simple.

"Jesus was directed by the Father in all He did in His visible ministry.<sup>2</sup> The special thirteen will be directed by the Lord Jesus in their ministry, but remember, He and the Father are now One or in one accord.

"So, in essence, the special thirteen will be directed by the Father the same as was Jesus.

"Jesus was trained by the Father to become the second Person of the Godhead, who now has all authority in heaven and on earth.

<sup>2</sup>See Jim Ash letter No. 93.

“My son, be sure and explain about sin and righteousness in letter No. 151. That is important for its completion.

“My son, only as others see you perform greater works (miracles) than I did will you be believed. That is good to remember. I will guide you in such demonstrations to effectuate My will on the earth, My campaign against the evil one.

“People will look on you exactly as they looked on Jesus. That’s why I sent you back several times to reread *and then to devour the Gospels*.

“I will want all thirteen of you to mix and mingle with common man so they may become acquainted with Me.<sup>3</sup> My son, My people do not know who I am. You are to demonstrate that (Me) to them.”

#### **Monday, May 23, 2011**

“Yes, My son, what I showed Dale does portend your future. But there is also much, much more to your future she does not know about that I know.

“No one, My son, will believe everything I have prepared for you to do until you are released with signs, wonders and miracles to confirm all I have called you to do. Only you and I are privy to such until I release you. Then the fun begins.

“And yes, (name omitted) would be a good staff addition for you. When he observes your ministry, he will believe you and become loyal to you. And there will be many others who will support you, both with contributions of time and money.

“So, do as I say. Take what I put before you. Write as you see the need and your part will be accomplished. The rest is left to Me and I can handle My part.

“And yes, as you are released, you will learn more about Me that will be beneficial.

“My son, the things you just said to Me (the Lord Jesus) will be said to you by countless others whom you will set free of the enemy’s clutches.

“He is so shrewd that many, many are within his grip unknowingly. Those in that category whom you will set free will be the source of your support. I have already seen to that.

“And yes, there will be a few to whom you will

---

<sup>3</sup>It was the *common man* who heard and accepted the message of Jesus – see Mark 12:37. It was the religious leaders who had Him crucified. The old wine drinkers crucified the One who brought the new wine of mercy and forgiveness.

choose to minister to privately, due to the nature their need. Thereafter, those few will be available to you.

“Have no concern about paid staff. You will have adequate resources for that, which I have already seen to.

“In the first meeting of the special thirteen, time will be spent by each one reporting on what God has done and the results thereof. It will be an informative and exciting meeting with everyone encouraged.

“Tears shed by believers in times of need, joy, thanksgiving, worship and humility are all stored in the tears bottle room in the third heaven. Nothing done for Me is wasted.” (Psa 126:5, 6; 56:8)

#### **Tuesday, May 24, 2011**

“Yes, My son, you and your wife are one now. I have seen to that as I told you previously.

“We have much to do as you know, but that includes many things you are unaware of, so, as I have said previously, sit steady in the boat and get ready – stay ready – *for some water walking*.

“Your letter No. 151 is a good one. And yes, it could be developed into a stand-alone book or pamphlet, as could many of your letters. But have no concern over that. I will guide you.

“As I have said previously, your writing is very important to Me. So just continue to write what comes to your mind, for it will be My idea.

“Since I will want you to publish your journal, ideas for writing do not need to be in ‘letter’ form, so long as they are transcribed in your notebook.

“You (We) are in good condition now and We are on course within budget (time). Feel no pressure to write. Just let it flow as the thoughts come.”

#### **May 25, 2011**

“Yes, My son, the ‘writing’ you have in mind will be another classic. So proceed slowly and carefully and I will assist you.

“Earth One, man who lived thereon, the ruling contingent of angels, its perfect botanical garden and self-sustaining food chain, were created to last forever – for eternity.

“The thing Lucifer did not know is that once one rebels against Me, My perfection deteriorates – degenerates into grotesque evil too horrible to think of.

“Since Earth One thrived for millennia under Lucifer’s perfect governing ability, in the absence of sin and death, the population grew rapidly.

“However, when Lucifer rebelled against Me, he did not know that once he failed to worship Me and to glorify Me, he would degenerate into grotesque evil, too vile to mention.

“That is what happened to Lucifer and both sets of his fallen angels, as well as to mankind on Earth One. So long as angels and man worship Me, they remain pure and are purified. In that manner, angels and mankind remain as My creation upon whom I may lavish Myself. That fulfills My angelic hosts, mankind, and Myself, as well.

“Therein is a perfect society created and maintained for My glory forever. But once either an angel or a man turns from Me to self, that angel, that man will self-destruct and immediately begin to degenerate into unthinkable evil.

“That is what happened on Earth One.

“Fallen angels and fallen man are the sources of all evil – fallen angels under the direction of Satan, and disembodied spirits of Earth One man, under the control of Satan’s staff.

“And there you have the basis of the war that goes on in the unseen 24/7.

“All of this was in My mind when I decided to destroy Earth One.

“After some thinking and planning, I knew that man on Earth Two would have to deal with Satan’s hordes of fallen angels and demons. I also knew the resultant fall-out would be enormous, but because of My previously spoken words of perfect creation, I had no other choice. Otherwise, My creation would prevail over Me, the Creator, and I could not allow that.

“There you have the foundation for all of My decisions beginning with the destruction of Earth One.

“What I had on My hands was a mess that I had to sort through and come out with a victorious decision for both man and Myself.

“Now you know.

“Your earthly cloak will have to be removed before you will be able to grasp even a part of My dilemma and how I solved it.

“I had to establish time, into which place fallen man, in order to bring man to and into eternity once more.

“That was My goal as I destroyed Earth One.

“Just proceed in your writing and I will guide you.”

**Thursday, May 26, 2011**

“Yes, My son, your foundation for letter No. 152 is growing, isn’t it? That is the way of My leading, as you know.

“In the spiritual war in progress, both sides vie for the control of man with the weapons available.

“The enemy uses his three tools, lust of the flesh, lust of the eyes and the pride of life. In addition, the only power he has is the power of suggestion. He will send a demon to suggest to your mind a cold – fever – depression, resentment, for example.<sup>4</sup> Then is when to fight with the sword of the Spirit – to speak the word against the cold – fever – depression, etc.

“Just proceed My son, to write. The battle for control rages on, since both sides fight for man.

“I pursue you through the Holy Spirit with love, life and fulfillment. The enemy pursues you with sin, doubt, fear, illness and death, all of which are contradictory to life.”

*Later at 10:10 AM*

“Just proceed along the line you have started. The way (My way) will become clear as you begin,

“Early this morning you discovered the treasure trove in your notebook No. 7 – and you have 9 others.<sup>5</sup> That’s why your writing is so important to Me. No one else has as many of My rhema words transcribed, printed and filed as you do. That’s one reason why you are unique among My servants.

“Another reason why your writing is so important to Me is that your writing will give revelational understanding to the “hidden things” and to the “mysteries” of the logos. For that reason, your writing will be important to Me **AND** to many, many others world-wide.”

**Friday, May 27, 2011**

“You may start your next ‘writing’ as a letter but only if you choose. We have plenty of time.

“And yes, a good way to start is with Earth One which was not created in time but in eternity. Consequently, there were no sun, moon or stars to create day and night, time (days, weeks, months & years) and

---

<sup>4</sup>You have heard someone say, “I feel like I am coming down with something.” Then is when to fight with the sword of the Spirit. As a matter of fact, don’t let such words come out of your mouth because death and life are in the power of the tongue. Speak positively against all such thoughts with the sword of the Spirit.

<sup>5</sup>That number has increased to notebook No. 20 which is half full and counting.

seasons of the year, because I, Jehovah God was the light of Earth One.

“The reason it is important to start with Earth One is because Earth One is the source of Satan, to include one set of fallen angels<sup>6</sup> (on Earth One) with the second set originating on Earth Two prior to Noah’s flood, and demons, who are disembodied spirits of the pre-Adamic world (Earth One).

“In your writing, it would also be good to define the opposition involved in the war in progress. Then, you might follow with a description of the war in progress between Satan and those under his authority, and Myself and those under My authority.

“A short explanation of how both sides work would also be good to reveal.

“Just proceed and I will help you.

“This will be another ‘classic’ writing that needs to be done. You need not rush. There is plenty of time. I have seen to that.

“You have so much cumulative knowledge of the spirit world that is unique, your writing is important to Me and for Me.

“And yes, occasionally send Coye Nelson some of the things I have given you for her knowledge and for her encouragement.

“This writing will evolve into a good one.”

#### **Saturday, May 28, 2011**

“My son, what you have discovered *as iniquity*<sup>7</sup> in Lucifer is **NEW** revelation. No one has previously been given that revelation.

“Lucifer discovered that he could claim some of My glory for himself without any resistance from Me. And he was right. I mistakenly gave him that authority when I created him, to My complete dismay eternally.

“His *iniquity* was to steal My glory for himself and he liked it. He liked the way it made him feel important. Although that stolen glory was *iniquity*, because angels do not have the right of repentance, it was also idolatry. The worship of self is the greatest sin.

“That is the principle upon which Satan rules the world, and he will continue to do so until I (We) return to quell the Armageddon insurrection, when I will have the authority to dispatch an angel to bind him with a large chain in the abyss, during the Millennium.

---

<sup>6</sup>For a complete explanation of both sets of fallen angels, see Jim Ash letter No. 129 entitled, “Fallen Angels.”

<sup>7</sup>Iniquity is deliberate disobedience with no thought or intent whatsoever of repentance.

“That, My son, is our objective. This is that for which I have planned, for more millennia than you care to consider.

“Don’t forget to mention in your letter No. 152, the establishment of time on Earth Two to provide for sin, aging and death. It takes time in which to grow old and die. Man only ages in time.

“Your letter No. 152 will be another classic. Take your time. Do not attempt to confine this writing within a certain number of pages. Just let the ideas flow on to the pages until you finish the assignment. That way it will be of benefit to more people. That, remember, is the purpose of your (Our) writing.

“My son, you are fulfilling one of My needs in your writing. When My needs are fulfilled, the needs of My people are fulfilled. That is one meaning of your being created in Our image.

“So just venture forth and enjoy the day, for your writing this day will be productive for Me.

“Jesus and the first apostles all ministered under circumstances that were different from the circumstances under which the special thirteen will minister.

“The ministry of Jesus was under the law of Moses to fulfill that law which was contrary to mercy. There was no mercy under the law. Jesus introduced mercy contrary to the law. He fulfilled the law but at the same time introduced mercy (unmerited favor) to My people.

“The law of Moses meted out justice.

“The law of Christ goes beyond law to provide mercy for disobedience. This was established on Pentecost one morning in Jerusalem about two thousand years ago.

“But the blessing of the Listening Method, introduced in this last rapture generation, is that the Listening Method goes still beyond the Pentecost Method, to God Himself, encased in twelve men and one woman, as God Incarnate apostles, who will for the first time, war against all the enemy has done, including divorce.

“Past rules are changed in this rapture generation to go beyond that which has been done before. The Listening Method is **NEW**, in that never before have twelve men and one woman gone forth as God Incarnate apostles, with more authority than Jesus had, to confront the enemy in the absolute.

“Each of the thirteen will have greater authority

than Jesus had in order to do greater works than He did.

“Each of the thirteen will be revered even beyond the reverence given to Jesus, because each one will do greater works than Jesus did.

“My son, you and the twelve must be prepared to be revered as God which you shall all be. All thirteen of you will become God Incarnate upon your release, but as you know, becoming God Incarnate *now*, means all the fullness of the Godhead bodily will be within each of you, and all the fullness of the Godhead bodily is in greater authority **NOW**, than when Jesus was God Incarnate during His visible ministry.

“Jesus, as you know, changed the Godhead bodily. All the fullness of the Godhead bodily now includes Jesus **after** (1) His death on the cross and **after** (2) His resurrection, both of which now are included in the Godhead bodily that did not exist in the ministry of Jesus. He had to go through the cross, **AND** through the three days and three nights in the heart of the earth, followed by His resurrection, in order to empower the Godhead bodily to do greater works than He did in His visible ministry.

“Jesus has greater authority **NOW** than He had during His personal ministry because of (1) the cross and (2) His activity during the three days and three nights His body was in the tomb, and (3) His resurrection, all three of which empowered Him beyond the authority He had in His personal ministry. *That, in brief, is why the special thirteen will be empowered to do greater works than Jesus did.*

“My son, nothing like you and the twelve has ever existed before. And remember, Jesus, Himself, has made your ministry possible. He paved the way for you. He opened the door to the greater works for you. All you have to do upon your release, is simply walk through that open door He provided for each of the thirteen. He (Jesus) is the One who laid down His life for each of you to provide the open door through which each of you will walk with grace and ease. The transition of Jesus involved the cross **for each of you**. *You were spared that because of Him*, in order that your transition would be fluid, seamless and effortless.

“That’s what Jesus did for each of you, My son. He did it all **FOR YOU** so you could do greater works than He did. Remember that, My son. What He did on the cross, at His death thereon, during the following three days and three nights and at His resurrection, may not be fathomed with finite mind, for only after your

earthly cloak is removed, will you be able, to a greater degree, comprehend what He did, first for mankind, but secondly, for the first apostles, and thirdly for the special thirteen, appointed to close the two-thousand-year window of the church age.”

A brief time was spent here releasing myself to God the Father and to the Lord Jesus as One, to do only and to do precisely what they desire for me to do, without any restriction and without any qualification.

**Sunday, May 29, 2011**

*Explanatory note:* I awakened at 1:19 AM – was wide awake after a puzzling, vivid dream about flying a B-29.<sup>8</sup> Since I was wide awake at this time of the morning, that usually means God has something to say to me. So I got up, got my journal and pen and went into my prayer closet to spend some quiet time with God with no idea whatsoever of what He had in mind. Here is what He said, which is another awesome word:

“The reason you had the B-29 dream was to remind you that you handled the B-29 in your dream, at night, at the lighted baseball stadium without incident, which included an emergency landing and take-off under circumstances that were not normal and you did it with confidence and without incident.

“That’s the way it will be when I release you. The reason you handled the B-29 under unusual circumstances with confidence without a problem was because you had adequate training. You knew the airplane, its operational characteristics and had the confidence to handle the plane because of training and experience.

“Now I know you have had no experience at being God Incarnate, and therefore being looked upon as God, but you have had sufficient training to handle your transition as I release you, just as you handled the B-29 under new and unusual circumstances.

“Your transition into being God Incarnate so as to be looked upon as being God, will be like handling

---

<sup>8</sup>The latter part of my four years in the “US Army Air Corps” during WW II were spent as a B-29 bomber pilot. I finished my training as the captain of my B-29 crew on July 31, 1945, and was awaiting orders to go to the Mariana Islands to join the B-29 devastation of the cities of Japan. Then the two atom bombs were dropped on August 6 and 9 and the war was over and six weeks later I was discharged from military service to begin my trek back into civilian life.

that B-29 under new and unusual circumstances.

“Your experience under My direct guidance in you will make you confident from the first day.

“The reason for a fluid, seamless, effortless transition is because of your training. My son, I have brought you the long way because of your natural mentality. You do not only want new challenges, you welcome new challenges, but your inquiring mind requires that you know **EVERYTHING** in advance so as to be proficient in every area of your responsibility. Your inquisitive mind requires complete knowledge for proficiency.

“That is why I have taken longer in training you than I have in training the other twelve.

“And that is why you will be the elder brother/mentor of the other twelve.

“You have greater knowledge of the spirit world than the other twelve. You also have been given details the twelve have not been given. That is why they will look to you for leadership. And that is why you will be their leader.

“Your transition will be short, simple and fluid as you do nothing more than respond to My instructions. Do you remember in one of your letters you quoted twelve things said by Jesus which confirmed that everything He said and did was directed by the Father? That’s exactly what your first transitional day will be like. I will speak to you and as you speak My words, they will be obeyed because you will operate within spiritual law, bypassing physical laws as you minister in *every* area.

“Now you see, becoming God Incarnate, to become greater equipped than Jesus was in His ministry, in order to do greater works than He did, will enable you to become God to those around you, is no more than what I have trained you to do.

“Remember, the B-29, under new, unusual, conditions. You competently handled the plane without question and without hesitancy and with confidence to complete the *opportunity*.

“You will adjust to becoming God in the same way.

“I know this is beyond your original thinking, but you have proven yourself to Me and to the Father by your more than satisfactory response to everything We have taught you.

“Your letter No. 117 was the final exam. Since then has been fine tuning – not just for Our satisfaction, but to yours as well.

“I am proud of your responses to Our training. You are more than adequately prepared and We are excitedly awaiting your release date.

“Now about Us. You have no way to know of Our excitement over you and the responsibility We have given you. You might read that sentence again. We have looked forward to your release and to the release of the thirteen for many millennia more than you care to know about.

“Realize all of the planning We have gone through, just on Earth Two and Earth Three, in order to get to you and the twelve.

“You are looked on in the third heaven with the same anticipation that Jesus was looked on prior to His ministry. You and the twelve are that important to Us.

“We will literally, as three Persons, be in you to guide your every activity, but We will also be your cheering section, as well. Think that through. Did you ever think you would have the three Persons of the Godhead deposited within you to become God Incarnate and to be looked on as God? Well, that time has come. But you will do well for We will be living our lives through you and the twelve.

“This will work out smoothly. I declare it to you and over you henceforth as My spoken rhema that will not return void, but will accomplish what We please and will more than prosper in the purpose for which We have sent it to you and in you this day, says God.

“Only as your earthly cloak is removed will you even begin to see the importance you and the twelve are to Us. You, *who are made in Our image*, are of much more importance to Us than you understand until you are released.

“Nothing will be impossible to you, for you will be God Incarnate and will be looked upon as God, which you will be.

“See, that’s not as complicated as you thought, is it? It will really be very simple.

“We three Persons within you and the twelve has never happened before.

“This will be a surprise to the enemy about which he can do nothing but stand by and watch, which is exactly what he did to Me (Us) on Earth One. But this is so much more important than that, for it represents the culmination of all Our activities since the failure of Lucifer. Try and think that through. It is mind boggling. Nothing so important has ever happened on planet earth.

“As ‘The curfew tolls the knell of parting day,’” so the release of Our special thirteen tolls the knell of a defeated enemy. That is the purpose of the ministry of Our special thirteen. Your release will be unexpected, about which the enemy is without authority to counter in any way whatsoever. That is the thrilling importance of your missions.

“Yes, My son, the other twelve will be helpful in promoting the **RTD** for the benefit of everyone and every entity that has assets to preserve for use upon Our return to earth. And now you may see the income potential of the **RTD**. You will be swamped with requests, and as I said to you previously, you may want to establish representatives in several foreign countries, just to handle the demand. You will enjoy this challenge that no one else has experienced.

“Your wealth will be enhanced considerably by the **RTD**. And remember, the **RTD** will be the means of accumulating funds that will be part of the treasury for the Millennium.

“And just think. Did you ever *think* of such a gargantuan opportunity? Neither has anyone else. You are the first.

**“My son, one blessing of everyone chosen to be on your staff is that each one will not die, but will be raptured. When you are released, you, as God, will have the authority to prophesy that to each one.”**

“My son, you will become known as a business guru – more than a tycoon.

“There will be more demand for your time and your services than anyone has experienced previously. You will need a large staff to support your activities – the several departments of your activities.

“Your organizational skills and management skills, as demonstrated under Our direction, will be marveled at by the world.”

It seemed here that the Lord was finished talking to me, so I went in and spent some early morning time at the piano thoroughly enjoying every minute.

Then later at 4:08 AM, the Lord began to talk to me again. *Here is what He said:*

“Everyone born of woman is formed in the womb to live eternally. His physical body is his temporary clothing. At his death, rapture or

<sup>9</sup>The first line of a poem, “Elegy Written in a Country Churchyard,” written in 1750 by Charles Gray.

resurrection, he acquires his permanent attire. Where he lives in his permanent attire depends on whom he serves in his physical attire or in his temporary clothing.

“Man was not created to die. He was created to live forever. That was predetermined and foreordained by God when he created man to live on Earth One.

“The dilemma presented to God, however, was when iniquity was found in Lucifer. That dumped a whole mess in God’s lap.

“Man was created to live forever in abundantly created Earth One, surrounded by a perfectly planned bountiful botanical garden, including a self-sustaining food chain. When God destroyed Earth One, that meant He had made no provision for the souls of those He destroyed. Those disembodied spirits of the pre-Adamic Earth One became demons under the authority of Satan and his staff.

“Since God originally created man to live forever as a permanently created human being, He is still bound by those permanent words of creation. Therefore, everyone born of woman is formed by God in the womb to live eternally. His physical body is only temporary clothing of the spirit man, meaning his spirit and soul.

“Therefore, everyone born of woman is born into eternity to live forever. His decisions and his activities on the earth while in his physical body are therefore preparation for where he will live eternally at his death, rapture or resurrection.

“This is why there are degrees of reward for those who follow the Lord and degrees of punishment for those who follow Satan. It is just that simple but just that profound.

“Time spent outside of the kingdom is a life wasted.

“Time spent in the kingdom is a life invested to bring forth exponential returns.

“Time spent serving Satan will bring Satan’s rewards.

“Time spent serving God will bring God’s rewards, and there is no in-between.”

**Monday, May 30, 2011**

“Now you know what I mean by saying, there is no hurry – We have plenty of time. Afterward I gave you an abundance of material you could use in your letter No. 152.

**“I realize you want to be productive every day but sometime you get ahead of Me so that I need to catch up with you.”**

“That is why I (We) have changed Our objective for your life twice.<sup>10</sup> The aggressiveness in your faith walk plus your obedience, faithfulness and trustworthiness have placed you at the top of My organizational chart for the Millennium.

“Additionally, you are at the top of My organizational chart upon your release into ministry, for the same reason.

“My son, you have been so aggressive in your faith walk, it has been hard to keep up with your desire in the past fourteen years and eight months.<sup>11</sup> It has been a challenge to Us to keep your interest for these fourteen plus years (now sixteen plus years) due to your nature. Your thoroughness in administration is unusual.

*That has challenged Us at times.*

“This is the reason I went to the Father for His approval of your selection to be My chief of staff during the Millennium – a first. There are other firsts in your life. The elder brother/mentor of the special twelve – writing a sequel to the bible – the **RTD** – these four things, just for starters, place you head and shoulders above My other leaders of the rapture generation.

“You have some idea of where I have placed you by listening to other teachers – to other preachers who know only the Pentecost Method.

“(Name omitted) is a good example of one with an inquiring mind who has relegated himself within the bible without baptism of the Holy Spirit. He has learned to seek the opinion of those who have gone before him along the same academic route to search the scriptures with his intellect.

“What a waste of time it is to seriously explore the scripture without the baptism of the Holy Spirit. My son, the Holy Spirit is the revelator. The bible is not the revelator, the bible is that which has been revealed by My Spirit.

“The bible is greatly unknown by one who is without the fulness of My Holy Spirit. In this information age, it is now widely known that Holy Spirit baptism is accepted by whomsoever will come to Me with that request. I have promised that.

“Blessed are those who hunger and thirst for righteousness, for they shall be filled. But they are filled through the enlightenment of My Spirit – not by intellectual achievement.

“This puts everyone on an equal basis. A man with a 170 I.Q. has no advantage over one whose I.Q. is far less than that.

“Pursuance of life without God is mans greatest tragedy. William (Bill) Shockley is a good example. One may learn by looking at Bill’s life. A Nobel Laureate may gain the applause of the world but not the approval of God. God’s measure is not man’s measure.

“To seek God is far more important and rewarding than seeking intellectual accomplishments, however great that may seem at the time. One is temporary and of the world. The other is permanent and of the kingdom.

“Life is but a vapor that remains a little while and then vanishes away. Man is planted on the earth to find God and His fulfillment. That man seeks true wealth.

“Every man born of woman is born into eternity. The short span of his physical life is but a prelude of the introduction to eternity. Life after death is the real life. That must be one’s ultimate goal, for without that, one ends as a pauper. One who pursues God ends as a fulfilled man. Only God may fulfill man. That should be man’s quest. Few there be, however, whose life is wholly given over to Me. That is what I, Jehovah God, hunger and thirst for. I hunger and thirst for man, whom I formed in the womb, to return to Me once again that I may be to him everything he desires. That man finds fulfillment.

“Those who seek the blessing of the world never find it. Lust of the flesh, lust of the eyes and the pride of life are goals of this world through which Satan becomes its ruler.

“There you have the world-wide conflict defined again.

“My son, I am excitedly awaiting the release of My special thirteen. Everything I have said to you is true. People who are church leaders will be your greatest critics until I speak to a few. Then the flood gates will be opened. Your time is at hand now – so close by that I may soon be able to give you a closure date.”
