Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Saturday, January 21, 2012

“Yes, My son, what you have discovered is true. Demons are disembodied spirits of the pre-Adamic earth or of Earth One. That is the reason demons desire to be in a body. In a body they are ‘comfortable.’ There they feel ‘at home’ again.

“Those disembodied spirits were created or spoken into existence eternally. Therefore, when their bodies died because of sin, they felt ‘naked’ or without a ‘home’ in which to live. Man on Earth One was a triune being, body, soul and spirit. A dead body, therefore, leaves at large the soul activated by the spirit.

“Disembodied spirits, in principle, are like Me as Jehovah God, because I made them like Me. They are incomplete, dissatisfied and unfulfilled without a physical body in which to live.

“As Jehovah God, I am the same way, as I have said to you numerous times. I, Myself, as Jehovah God, am incomplete, discontented and unfulfilled without a physical body in which to live.

“However, I, as Jehovah God, cannot enter a polluted body. Since evil spirits left a polluted body, they feel ‘at home’ in a polluted body. Only a body filled with the fullness of the Godhead bodily is an unpolluted body. That is why I had to lead you into the nine-step prayer followed by the prophetic word of instruction. That nine-step prayer cleansed you of all sin from the moment of your conception. That was necessary before I, as Jehovah God, could enter your physical body in the fullness of the Godhead bodily.

“I desire to indwell the physical body of man to content, satisfy and to fulfill Myself, as Jehovah God. In that manner, I become the husband of man – the spiritual husband – the spiritual body of man to complete and fulfill Myself first, but to simultaneously content, satisfy and fulfill man.

“That simple but profound arrangement worked perfectly for millennia on Earth One until Lucifer failed Me.

“Now, My son, you have it straight. I did not desire a ‘spiritual’ wife but a ‘physical wife’ to fulfill

Myself as a spirit Being.

“That is what I have been about doing once again for many millennia.

“Now you may correct your transcribed journal. Instead of ‘spiritual’ wife, as a spirit, I desired a physical wife through whom in visible form, I could content and fulfill Myself.

“I designed man like Myself, that is, to be discontented and unfulfilled without being indwelt by Myself as Jehovah God.

“That, My son, was the reason for laws given through Moses. Law was given to divorce man from Satan's control.

“Law was only the first step.

“Rebirth through the work of Jesus was step two.

“Holy Spirit baptism was step three, but that still leaves one susceptible to Satan's influence to sin. That is why I said to you, ‘In a fallen world, righteousness does not depend on perfect conduct, but on obedience.’

“That was to prepare man for the next step: Godhead baptism. **Only in Godhead baptized mankind am I content and fulfilled.**

“That is why the husband in My New First Family is first, then his new wife as second, are so precious to Me as Jehovah God. Those two will become My first societal unit on the earth not to fail Me. I had to be sure of that because of My many failures.

“Those two, My son, will be the most massive blow to the enemy since Lucifer failed Me. **Those two are My model examples for the first time EVER to be Godhead filled for eternity while living on the polluted earth.**

“In the third heaven, **EVERYONE** reverts to their perfect age (about thirty years of age) because they are filled with Me and My perfection.

“Lucifer was like Me – a perfectly formed angelic being, filled with the fullness of Myself bodily, as Jehovah God. As you know, he failed because he was governed only by My Three Measure Standard. Then in Moses, meekness was added which proved to

be insufficient. The ‘I will never leave you nor forsake you’ qualification was added to the training of Jesus, which is why He was successful in obeying Me, even to His death on a cross.

“His foundation is that on which I have trained both the husband and the wife in My New First Family.

“So those two, My son, are My first complete defeat of a fallen Lucifer. Those two are proof of My plan, even as Jesus was proof of the first step in My plan to reclaim man and to defeat Satan.

“That is why those two are so important to Me. They have proven true to Me in a world ruled by Satan. Those two, therefore, have triumphed over Satan to reestablish My way for Myself **AND** for man on the earth *for the first time ever*.

“The husband was chosen, My son, for his part in this because he was My back-up for the cross in the event Jesus had failed. That’s why those two are so important to Me. ***Those two are My essential building blocks for the New Jerusalem.***

“The reason I have chosen the wife in My New First Family is that she is the first one to pass My six tests that her husband and Jesus passed.

“So she is even more of a phenomenon as a woman, than her husband is as a man. In her accomplishments, she, as a woman, equates to Jesus and his accomplishments as a man, because both are firsts. That’s how important to Me she is.

“In essence, both have passed the same six tests, but she is the first woman to do so. For that reason, she is, or she will be, elevated to a status above Mary to become the fourth person in the Godhead. **No other woman has EVER attained such a standing in the Godhead.**

“So those two, My son, will be quite an ‘earthly package.’

“Those two will be first heralded as Godhead filled individuals. Then their marriage will be celebrated as no marriage has ever been celebrated.

“For the first time **EVER**, their marriage will prove that My way through love and obedience will triumph over Satan’s evil, deceitful way of sin and death for man.

“That is why those two are so special to Me. And be prepared for Me to lavish Myself upon those two as I have **NEVER** done before. My son, I had to lose what Satan stole from Me (My first wife) before I

realized My blessings. This time that will not be the case.

“The way I shower My blessings on those two will be incentive to others to follow in their steps. And the wonderful thing about those two is that they both will be able to teach others the way of their accomplished preparation, and prove their teaching with their visible transformed God Incarnate lives.

“That will be the incentive they will offer to others.

“This is why those two will be revered above all others who have lived on the earth.¹ They will be able to model My way of righteousness for man as no one else has been able to do.

“Yes, My son, I, as Jesus, literally went to the cross for the husband in My New First Family, because had I failed, he was the next in line for the cross. That’s what I did for him and is also what he did for Me.

“My son, while he was the back-up for Jesus, I had no back-up for him. That’s how much I trust him and that is how much he means to Me as Jehovah God.

“There was only one Jesus.

“There was only one back-up for Jesus on the cross and he had no back-up.

“That is why those two will make such a dynamic Duo beginning with their return to earth at the Armageddon insurrection.

“But before that, during their brief stay (seven years) in the third heaven (the New Jerusalem²), My New First Family will be enshrined in the Godhead permanently in a one-of-a-kind ceremony there. Both I, as Jehovah God, and the Lord Jesus, will officiate in their enshrinement ceremony.

“Nothing like that has ever occurred in the third heaven. So those two have a future before them that has never previously been lived.

“That is why they both will become the number three and four members of the permanently enshrined Godhead.

“Those two will receive a unique welcome.

“And again, My son, the fact that I had chosen no back-up for the husband in My New First Family,

¹Those two will be revered on the earth more than Jesus was revered in His visible ministry, because their ministries will be completely open and visible, while the ministry of Jesus was shrouded in secrecy.

²This is new. More about that later.

tells you something about both Me as Jehovah God and about him. As Jesus was, so is he as one-of-a-kind among men.

“To repeat what I have previously said to you, the wonderful thing about those two (My New First Family) is that both of them have come to where they are today by faith in a world ruled by Satan. That is what will make their teaching attractive to others. They will both walk the walk and talk the talk that they teach others. When you live what you teach, as an exhibit to the world, that will make the greatest impact.

“Man, as a physical triune being, needs God as a superior triune spirit Being, as his Husband, to fulfill the Godhead and man simultaneously.

“God Incarnate Adam was unfulfilled without God Incarnate Eve as his wife, as I, Jehovah God, as a spirit Being, am unfulfilled without God Incarnate man as My wife and as My physical body on the earth.”

TUESDAY, FEBRUARY 21, 2011

“In your ministry session with (name omitted) yesterday, you now see how easy it was (and is) to answer his questions about what you had written in your letters.

“My son, that spells the way I have trained you. The way I have taught you, you have ‘lived’ the revelation I have given you. ‘Lived,’ meaning, as I gave you new revelation, by emphasizing that revelation, in some cases several times over a period of several days, you became so accustomed to the ‘new’ revelation, that you understood it as a reality in your life and were ‘comfortable’ with the new Truth. The new revelation, therefore, became a part of who you are experientially.

“In this manner, the new revelation became a part of who you are. In such cases, what I taught you was not something deposited in your rote memory, but was part of your life experience. That new revelation, therefore, becomes a part of who you are – something you have experienced. *That is the reason for the repetition.*

“In this manner you are able to ‘field’ questions about your past letters because they are nothing more than a part of your past life.

“My son, this is why Paul wrote as he did. He was simply answering questions about problems that had arisen, for example in Corinth, and his answers came from something I had taught or revealed to him previously. In the fourteen years after his conversion,

before he went on his first missionary journey, I was teaching him even as I have been teaching you **AND** as I taught Jesus.

“However, remember, you will have an anointing far beyond that of Paul, for example, because at your release, you will be filled with **ALL** the fullness of the Godhead bodily to become God Incarnate.³ For that reason, from within you, I will direct **ALL** of your ministry activities in the absolute! The responsibility, therefore, is Mine, not yours. That frees you to enjoy to the full **EVERY ACTIVITY** of your ministry life at My perfect direction. This puts Me in the driver’s seat while you are My vehicle of choice. In this manner, you, as a man, will, for the first time **EVER**, defeat Satan in the absolute, in the wide-open view that **EVERYONE** may see, including Satan.

“Soon after I send you forth, armed and dangerous, a transition will occur in your life. Not long thereafter, you will become acquainted with My New First Family. Since I have already done the wooing for both the husband and the wife, I have taken care of the courtship. Their marriage, therefore, may occur soon after they become acquainted.

“My son, you are going to witness what happened originally on Earth One as a matter of course in all marriages. They were ‘arranged’ by Me as Jehovah God.

“Each new marriage, therefore, became a home where the God Incarnate couple engaged in sexual relationship to consummate their marriage while simultaneously it consummated My marriage to both. In that manner I became the husband of both.

“As Adam was unfulfilled without Eve, so am I unfulfilled without a wife on whom I may relish Myself. Only in this manner am I, as Jehovah God, fulfilled, while simultaneously, a God Incarnate man and his God Incarnate wife are fulfilled.

“And that, My son, is where We are headed. The marriage of My two God Incarnate apostles will fulfill Me as Jehovah God for the first time **EVER** as an eternal fulfillment not to fail. That’s what My New First Family will mean to Me.

“And then, their new Son, who will be My first

³Paul was not God Incarnate. He was Spirit filled or Spirit baptized but was not Godhead filled or Godhead baptized as all thirteen new apostles will be.

eternal Grandson⁴ on whom I may relish Myself, will be the fulfillment of My plans – of My dreams (yes, I have ‘dreams’) for the first time **EVER!**

“Knowing of the faithfulness of My New First Family fulfills Me as I have never been fulfilled, since I now know neither of them will fail Me.

“Then, knowing that, their new Son will seal forever the fact that My plan to overcome the enemy will succeed. That means more to Me than they may comprehend until after the rapture. Then I may reveal to them both the significance of their obedience, faithfulness and trustworthiness.

“My son, those two will culminate My planning, My efforts, revealed only by My activity **AFTER** the Genesis 1:2 of My new beginning. My activity, after Genesis 1:2, is (was) the result of My grief, anger and despair over My complete failure of Earth One.

“Only as I was able to work through My anger, grief and despair, was I able to come to grips **WITH MYSELF**. Only **THEN** was I able to give consideration to My gargantuan eternal plan to take from Satan that which he had stolen.”

God’s interruption

At this point, as I was transcribing these words from my journal, in my mind’s eye, I saw myself standing very near Jehovah God. Then by the very overwhelming, awesome force of the power of His presence, I was literally thrust or projected from Him like a rocket, at tremendous speed into the nothingness of eternity. I became so infinitesimally small, compared to Jehovah God, I could not be seen with the human eye, emphasizing the immensity, the power and the awesomeness of Jehovah God.

My transcribing then continued

“Finite mind may not grasp what lay before Me because of the mess I had made of My first attempt to fulfill Myself, while simultaneously fulfilling man in whom I desired to dwell in all of My Godhead fulness.

“My New First Family means more to Me than they can possibly know until I remove their earthly cloak.

⁴This is new. Never before have I ever heard of God’s Grandson. This is a first. But all three members of God’s New First Family are “firsts.” God’s new First Family will therefore accomplish things that have never been accomplished before as they restore everything Adam and Eve lost as a result of their sin to include their personal abundance.

“And now, My son, you are in a similar position as was Jesus during his visible ministry. There were many things I taught Him that He could reveal to no one – that He carried to the cross and for beyond. You are in a similar position as far as principle is concerned. You know things, the details of which may not be revealed until you are released. And even then, it will be best that I reveal one or more of these things to another of My servants as an objective revelation to be made known publically. That will make it easier on you than it would otherwise be.

“And know this, My son. Both members of My New First Family will be forever enshrined in the finally reconfigured Godhead as number Two and number Three after Jesus.

“There are other things ahead for them, other surprises that I have in store for both of them.

“My son, the wife in My New First Family is an extension of what I started in Mary, as the husband is an extension of what I started in Jesus. Those two are the culmination of what I began in Mary and in Jesus.

“But always remember, Jesus opened the door that those two may walk through effortlessly to glorify both Him **AND** My self, as Jehovah God.

“By man sin entered into the world. By man therefore, sin would have to be removed from the world. My son you and My New First Family are the only ones who know that by ‘man’ sin must be removed from the world, and in this case, *man* means both male and female, as it was in Genesis 1:26-28. Jesus was the first installment of My recovery plan for man. Both members of My New First Family are the second installment to consummate My plan to defeat Satan.

“My son, the wife in My New First Family will be celebrated as no other woman has ever been celebrated since I created the first man and the first woman on Earth One.⁵ She, therefore, will be as unique to woman as Jesus is unique to man. That’s how important she is to Me **AND** to My recovery plan.

“She is the only woman to come forth as God Incarnate eternally. This means she is a **FIRST** among women! That’s how important she is to **ME** as Jehovah God, first, and then to My plan as the new God Incarnate Wife, second. This means she will be

⁵The vast time referenced in this sentence covers more millennia than is known to anyone except Jehovah God.

heralded, admired and revered among women beyond, far beyond that of any other woman, including Mary. While this takes **NOTHING** from Mary's contribution, it simply lends authority to the position of the wife in My New First Family.

“Once she becomes known as a God Incarnate woman, then as the wife of a God Incarnate man, her teaching and training of women will be beyond one's imagination.

“She will become a world-wide phenomenon and heralded, admired and revered beyond believable proportions. Women will clamor to hear her teach – to read her writing, the royalties from which will be deposited in a Trust.

“The combined revenue from the activities of both of will be beyond *anything* that has occurred on the earth. The new wife in My New First Family will be an educated woman, which, because of her Godhead infilling, will make her an ideal companion for her husband.

“Her contribution to her husband and to their ministries will balloon to unimaginable proportions. Those two will become phenomenons in their own right, but then as a married couple, they will become phenomenons – world-wide.

“This only emphasizes the importance of My directing all of their activities as individuals and also as a married couple.

“*These are just some of the reasons why I have had to delay your release date.* So hang in there with Me. We're drawing closer to your release date with each passing day.” <end of prophetic word>

The afternoon of January 23, 2014, while rereading parts of the book, “HEAVEN, Close Encounters of the God Kind,” written by Jesse Duplantis, God gave me a revelation on some words of Jesus during His personal ministry. Here is the result of that revelation:

HOW TO EAT THE FLESH AND DRINK THE BLOOD OF JESUS

God has destroyed the earth by a world-wide flood twice. The result of the flood that destroyed Earth One is found in the first chapter of Genesis:

2 The earth was (*became*) without form and void; and darkness was on the face of the deep. And the Spirit of God was hovering over the face of the waters.

The Earth One flood was much more severe than the second flood survived only by Noah and his family. The first flood utterly destroyed all life to include marine life and all vegetation, both of which were spared in the second flood.

God was the light on Earth One; hence there was no light when God withdrew His presence because the Solar System had not yet been created for Earth Two. That is why scripture states, “darkness was on the face of the deep.” That *darkness* was the total absence of God's presence which describes the term “outer darkness” about which I have written.

The cause of both floods, about which I have written previously, was similar and is expressed in Genesis chapter six with these words:

5 Then the Lord saw that the wickedness of men was great in the earth and that every intent of the thoughts of his heart was evil continually.

6 And the Lord was sorry that He had made man on the earth, and He was grieved in His heart.

7 So the Lord said, “I will destroy man whom I have created from the face of the earth, both man and beast, creeping thing and birds of the air, for I am sorry that I have made them.

8 But Noah found grace in the eyes of the Lord.

You know the rest of the story concerning the flood survived by Noah and his family when God “started from scratch” once again, **for the third time,⁶ to overcome the mess created by Lucifer's failure.**

After the flood had subsided, when Noah left the ark, God admonished him not to eat the flesh of an animal with its life, meaning its blood (Genesis 9:4).

God also spoke to Moses with the same instructions. “Anyone,” God said to Moses, “who drinks blood shall be cut off from his people” (Lev. 7:24-26; Lev. 17:10-14).

Thus, both Noah and Moses were expressly

⁶The first failure was Lucifer and Earth One. The second failure began with Adam and Eve. The new beginning with Noah and his family is God's third try at overcoming the overcomer.

forbidden to drink blood because “life is in the blood.”

Now this Jewish rabbi comes along in one of His many ministry sessions and said, of all things, that He is the bread of life and that He came forth from heaven to be eaten and to live and not die. Jesus said of Himself, “I am the living bread which came down from heaven. If anyone eats of this bread, he will live forever and the bread I shall give is My flesh which I shall give for the life of the world.”

Then Jesus said, “Whoever eats My flesh and drinks My blood has eternal life, and I will raise him up at the last day. For My flesh is food indeed, and My blood is drink, indeed.” (See John 6:48-58).

First, since I happen to be especially impressed with the writing of John, it is interesting to me that John is the only one among the four Gospel writers that records these details, which again bespeaks of John’s special personal relationship with Jesus during His visible ministry.

Secondly, Jesus had the audacity to instruct the Jewish leaders to do what sounds like cannibalism, as well as to disregard completely God’s instructions to both Noah and Moses. Jesus gave no explanation of the meaning of His words. One reason for this abruptness was the fact that Jesus had to shroud His ministry in “mystery,” or in types and figures, to keep from the enemy the purpose of His coming.

Great emphasis is made of these words of Jesus in the Catholic Church tradition, concerning the eating of his flesh and the drinking of His blood at Holy Communion or the Eucharist, for example.

Those of us in the Christian tradition also now understand something of the meaning of these words, as translated, in the observance of The Lord’s Supper or Communion.

However, the meaning of eating His flesh and drinking His blood may have a different meaning when we look at what Jesus Himself said about His own words.

After Jesus had fasted for forty days and was hungry, the devil tempted Him by saying to turn stones into bread for food, if He was the Son of God. Jesus replied, “It is written, man shall not live by bread alone, but by every word (rhema) that proceeds from the mouth of God (Matt. 4:4). This makes the understanding of eating His flesh and drinking His blood simpler.

What Jesus said is that we eat with our mouth to sustain ourselves physically, but we eat spiritually, by

hearing words from the mouth of God. That makes it simple.

(1) We eat with our mouth to sustain ourselves physically, but

(2) we eat spiritually by hearing rhema words from the mouth of God, and that is the way we eat the flesh and drink the blood of Jesus, meaning, we are fed spiritually by hearing rhema words from His mouth. And here is why:

Every rhema word that comes from His mouth contains spirit, life, love, truth, light, food (spiritual) and faith (that comes by hearing). Those seven attributes of God are contained in small quantities in **EVERY RHEMA WORD OF GOD** that we hear from His mouth. Each of those words are residual and cumulative. As we hear a sufficiency of those rhema words from His mouth and are led to pray the nine-point prayer back to conception in the womb, we then become candidates to be filled with the fullness of the Godhead bodily as Jesus was in His personal ministry. This means that we are literally fed spiritually by words from the mouth of God in order to be seen as God Himself, for that is what happens when we become God Incarnate, for It was God Incarnate Jesus, Himself, who said, “If you have seen Me, you have seen the Father.”

This means that everything Jesus said and did, including all of His ministry activities after He became God Incarnate, were guided and directed in detail by the Father within Him, even to the words He spoke. (See Jim Ash letter No. 93).

Therefore, as we learn to listen to Him daily and become obedient thereunto, the words we hear (that we eat spiritually) are Jesus, Himself, spiritually. And that is the way we “eat” His flesh and “drink” His blood in small quantities, little by little, until we are fed sufficiently in order to be filled with all the fullness of the Godhead bodily to become God Incarnate.

Since we eat spiritually by hearing words from the mouth of God, that is the way we “eat” his flesh and “drink” His blood so that in God’s timing we may become God Incarnate, because we become what we eat, both physically and spiritually. Amen.

Hence, the inestimable value of learning to hear the voice of God daily in the few remaining years of this rapture generation. And yes, this capability has been made available by God as one of the “new things” of Isaiah 42:9, during the last half of this forty-year rapture generation. Hallelujah!
