

NOW CONCERNING SPIRITUAL THINGS

an historical account of one man's walk with God

Jim Ash letter No. 186

Copyright May, 2014

Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 **in this rapture generation**

GOD'S AWESOME POWER REVISITED

In my letter No. 184, I wrote of God's omnipotence (unlimited power), of His omniscience (unlimited knowledge or all-knowing) and of His omnipresence (present everywhere at the same time).

In that letter we learned that even though God is omniscient, He did not know of Lucifer's failure in advance of that occurrence.

We also learned that even though God is omnipotent, He cannot "undo" or "correct" something He did or created previously, otherwise that activity would not be His Truth which is eternal.

So we may assume that we know the meaning of both God's omnipotence and of His omniscience, for example, when, with God's revelation, the definition of these two terms are clarified. This takes nothing from the fact that God is both omnipotent and omniscient.

I also wrote briefly about God's omnipresence in my letter No. 184, but on March 20, 2014, God gave me the following two additional words concerning His immutable supernatural authority or characteristics that are very interesting:

(1) "My son, you have written correctly. I have other planets or "space ships" as you call them, out there seemingly "floating" in space on nothing but My sustaining power, that are beyond our solar system where only My light prevails."

(2) "My son, listen to Me. The wishes – the desires of your heart, spoken or unexpressed except in thoughts, will all be fulfilled because I, Myself, that is, My presence, in your life, has prompted them. That's the way it is in My kingdom, for since I live to love and to give, that will be the trademark of **ALL OF MY WORLDS** (planets) one day in the future.

"Nothing escapes My notice, My son – nothing. The reason is that I created **EVERYTHING** and each is sustained by My surrounding presence. Isn't that simple?

"Since I hold things together by the power of My surrounding presence, they therefore cannot fail so

long as I am at the center. But the unfortunate thing about My surrounding sustaining presence is that My creation of man and the heavenly hosts was forever. All one must do to be sustained forever in My kingdom is to remain faithful to Me. But the opposite is true. To remain faithful to our common foe means to follow him eternally into his rewards." <end of prophetic word>

Commentary on Item No. (1)

Notice that God has other planets beyond our solar system where His light prevails – about which I have written previously. At least one of those planets is where all aborted, miscarried and stillborn infants are restored to God's perfection,¹ where schools are taught by angels and where those precious children grow to maturity. On that planet, where God is its light, those children are at peace and contented, where their every wish and desire is met. They will be at heaven's gate to welcome their parents as they arrive at death or at the Rapture. This is a great incentive for a mother or for a father to live a faithful life to rejoice at a homecoming never to be forgotten.

Because these planets are beyond our solar system, they do not have an orbit around the sun that sustains our present earth in its entirety. This means that these planets have been created and are sustained – hanging on nothing – suspended in space 24/7 by God's omnipresence, by His omnipotence and by His omniscience.

Commentary on Item No. 2

Here we have another proof of other planets beyond our solar system with these words from the Lord, ". . . that will be the trademark of **all of My worlds** (planets) one day in the future."

Then the fact that He said nothing escapes My notice because, ". . . I created **everything**, and each is sustained by My surrounding presence," is evidence again of His ability to sustain planets in space beyond our solar system.

¹This includes all infants that are pulled apart in what is called the abortive "procedure" as well as all infants that are malformed in the womb, none of which are the work of God.

You may recall, as published in one of my recent letters, that light, the sun, the moon and the stars, to include our present solar system, were all created for our present earth because God knew that Eve and Adam would fail and that Satan would rule the world. Said another way, our solar system was created to establish time because of sin, so we could age, grow old and die. Otherwise there is no need for it, for, in the absence of sin, Jehovah God, Himself, will sustain our every need, want and desire from His abundance, to include both His surrounding light and blessings from which one may not escape. This is the way it was on Earth One before Lucifer failed, and this is the way it will be in the New Jerusalem.

It is interesting to me that it is the density and the immensity of the sun that creates the gravitational elliptical orbit of our earth around the sun in our solar system. Then consider that it is the immensity of God's omniscience, His omnipotence and His omnipresence that fixes in place and in space planets as large as the earth outside of our solar system. This gives you some idea of the unlimited authority and power of our great God and of His love for each of us through His only begotten Son. To Him be glory forever!

Now realize that you – yes, you – can have an intimate, personal relationship with both God, the Father and the Lord Jesus, just for the asking. If He can do it with me, He can do it with you. Learn to listen to His voice daily and be changed forever.

**RHEMA TALK
FROM JIM'S JOURNAL**

Friday, August 3, 2012

“Yes, My son, when you spend time listening to Me as you have, you will be able to see or to view life objectively instead of subjectively. Time spent with Me makes you God conscious instead of self conscious. And yes, isn't that simple?

“As you listen to Me, you will be able to see the flaws or the weaknesses in others – in family members as well as in others.

“My son, you may not learn of Me with the intellect. The intellect may point you to Me, but to learn of Me comes by My Spirit only. And My Spirit likes a pure heart. My Spirit has no authority of His own, so He simply speaks what He hears.²

²See John 16:12.

“When I infuse you with the fulness of the Godhead bodily, you will become like My Spirit. You will speak only what you hear. **Then you become the Comforter because you will speak only what you hear the Father speak.**

“In My visible ministry, I was the Comforter because I spoke only what I heard the Father speak. However, in My invisible ministry, I became the Spokesman for the Spirit – for the Comforter.

“The highest form of Spiritual accomplishment is when one has no authority of his own, because that has been surrendered to God, the Father. That becomes possible only as one is cleansed of all iniquity back to conception in the womb.

“God's order is one man and one woman as husband and wife as a mutual love affair that includes procreation. Here are God's instructions to God Incarnate man (meaning in Our likeness – in Our image) in the creation story as recorded in Genesis chapter one:

(1) “Be fruitful and multiply (which **invokes** procreation on the couple – not a choice).

(2) “Fill the earth (a second admonishment to procreate)

(3) “Subdue the earth (have authority over).

(4) “Have dominion over (to govern) God's creation creatures.

“Man originally was perfect, since He was God Incarnate, so that his directions and guidance came from God the Father. That's what a fallen Lucifer spoiled when he tempted Eve. She was first on Satan's list, because she got the logos from Adam, who got the rhema from God. Eve and Adam failed for the same reason that Lucifer failed. All three were created as God Incarnate beings – Lucifer as a Godhead-filled angel and Adam and Eve as physical bodies in whom God in His fulness thereof could dwell.

“At the transgression of Eve and Adam, the Godhead left (was removed from) man (male and female) forever, until God could bring forth another God Incarnate Man on the scene, to redeem man from Satan's grip. That was the first step.

“Step two, however, is essential to the complete restoration of man to his original God Incarnate status. Jesus was planted in the ground to bring forth an abundant God Incarnate harvest, in His image and in His likeness, as step one.

“The first God Incarnate harvest in His likeness and in His image to be made manifest in the world, is a God Incarnate woman as an apostle and prophet of God, chosen out of due season as was the apostle Paul. The second God Incarnate harvest in His likeness and in His image will be a God Incarnate man, as an apostle and prophet of God. Following closely behind those two God Incarnate apostle/prophets will be eleven other God Incarnate apostle/prophets. Those thirteen God Incarnate apostle/prophets of God will begin the greatest ‘spiritual awakening’ on planet earth.

“The first two God Incarnate apostle/prophets of God, a woman and a man, chosen from the foundation of the world (Earth Two), were chosen as God’s New First Family. Their marriage will be the greatest blow to the enemy since the resurrection of Jesus. Within a year, they will have a God Incarnate Son which will seal the doom of Satan forever. Thus, these three, God’s New First Family, will be thrust into eternity forever. They will not die but will be raptured.

“God’s New First Family will be the second and the final step to God’s complete restoration plan for man.

“Thus, Jesus opened the first door through which man may walk to God.

“God’s New First Family will open the second door through which man may walk to God’s complete restoration plan for man.

“All thirteen of the new God Incarnate apostle/prophets will not die but will be raptured. Through their efforts, God’s massive harvest will be brought in prior to the Rapture. Fifty percent of the unsaved on the earth will be saved prior to the Rapture.”

Sunday, August 5, 2012

“Yes, My son, you need to put the ‘sons of the kingdom’ who are cast into outer darkness, in your September letter if you can squeeze it in. With that you will have covered the ‘so called’ difficult passages in one letter.

“Each of these so called ‘difficult passages’ is important. That is why I put them there. You are right. It’s all or nothing at all! It’s ‘put up’ or ‘shut up’ time. You are my designated writer to proclaim that it may be ‘now or never’ for some people. No other writer, My son, knows these things as well as you do, so I designate you to write about them. Do it without apology. Do it as a simple statement of truth.

“As Jesus said, to know God the Father and Jesus Christ His Son is eternal life,³ and is also a good statement to include if there is room.

“Your September letter will be pregnant.”

Monday, August 6, 2012

“My son, you have a new place to start now on your September letter No. 154. Just pursue it as I lead you.

“And yes, last night – early this morning – you saw hundreds of people exuberant over landing Curiosity on Mars. That will give you some brief idea of the exuberance of the heavenly hosts over the release of and then the establishing of My New First Family. Those two, then those three will complete My restoration of man in principle, as Jesus completed My salvation of man in principle.

“Full speed ahead, My son. Full speed ahead!”

Wednesday, August 8, 2012

“Thank you for putting Me first. My son, that will change when I release you. One who is God Incarnate will have all of his decisions made for him. That life will allow you once and forever to exist on the earth as I originally intended. Those decisions (all decisions) will be made by the Father within you as Jesus was guided. Your letter No. 93 points that out.

“And the things Dale just talked to you about will all be clear – will all be known – because the Ancient of Days will be within you.

“Then, My son, you will get a better picture of the war we are in. You will experience the same thing I (*Jesus*) experienced. **Only those who have faith in Me prompted by your words AND by your actions, will respond by faith to you.** But the beautiful thing about this is, that My New First Family will bring multitudes into the kingdom. That will be because of the world-wide impact of their ministries.

“So patience, My son. We are almost there.”

Saturday, August 11, 2012

“You see now more clearly the treasure trove I have given you (*after reading some of the prophetic words in my Notebook No. 17*). Yes, you have been obedient and faithful, but **your journal is a gift from Me** that will continue to bless others for longer than you care to know.

³See John 17:3.

“The income from the sales of My sequel to the bible will bring in tremendous wealth.

“Then there is the wealth contributed to ministries by those I direct to do so. Remember, this will be building the beginning Treasury for My Millennial reign.

“The wealth accumulation for use in My kingdom prior to the Rapture will be unequaled. Christian ministries in financial need will be targeted. The size of their financial need will not be a strain to My new asset base.

“You and the twelve will be sought after for counseling and advice as none others have been. **You have not yet comprehended the fact that you thirteen will see, know, think and act in the absolute.**

“You will like your ‘new life.’ Becoming God Incarnate was My idea for man from the beginning. But, as you know, the enemy thwarted My perfect plan for man.

“Then My New First Family will reestablish My plan for man forever. They will become more renown than you may comprehend now. But that lies just ahead.

“And yes, I have seen to the important future of the husband in My New First Family. He will be secure physically, but he will need to take precautions in travel that I will help him with. He will experience celebrity status from the spiritual standpoint no one else has experienced. His celebrity status will exceed that of all other celebrities in the world.

“Do you now see the value of his nature to be a perfectionist in what he does? His desire to excel was put there by Me. He has always had that but he has shunned opportunity until he felt properly trained and equipped for the task ahead.

“That means fewer failures and greater successes. He has not shunned responsibility. He has shunned responsibility without adequate training. That is why his training has taken so long. That is also why My training his new beautiful wife has taken so long. I have had many failures to prompt and to prepare Me for his release and for the visible release of his new wife.

“Did I not say that he would be ‘quite a package?’ No one like him has ever existed. Solomon was not God Incarnate. Neither were Enoch, Elijah, Abraham, Moses, Peter or Paul.

“My son, the husband in My New First Family will exceed and will excel beyond anyone who has lived on the earth. Try and think through that. He will need a competent staff. He will need to supernaturally endow key staff members to do their job. A chief of staff so endowed will be essential to the successful operation of his far-flung activities.

“But it will be fun for him to be the ‘top of the heap’ – fun for him and for Us within him. We will be exulting joyfully over what We will direct him to do.

“He, My son, and his new beautiful wife will attain celebrity status unknown to the earth or in heaven. Neither heaven nor earth has seen the likes of the celebrity status he and his new wife will attain.

“And yes, she will be like him. As I have said to you previously, she will be educated – like him. She will fit together with him as a hand fits a glove. Those two will dance the dance of life together as no two have ever done.

“He, then his new wife, will be revered, admired and esteemed beyond all others, including Jesus – not in importance to Me, but in importance in the world the enemy rules. That is the importance of those two to Me.

“Then their marriage will create another explosion that will be heard around the world. This will elevate both of them beyond anything that has ever occurred on planet earth.

“His translation capability will be utilized as an expediency and as a security measure. We have too much invested in him to give him unnecessary exposure. Yes, I want him to associate with common man so he will know who I am. But even that will need to be done discretely and carefully to achieve the most good for the kingdom.

“Because of the importance of his ministries, his time in personal ministry may be restricted at times, but I will so plan and schedule his ministry appearances in order to inflict maximum damage to the enemy.

“**And, yes, his family will be brought into the fold with advantages for everyone.** He who loves most is one who had been forgiven most.

“The husband in My New First Family is far more important and prominent in My future plans than he may know until I rapture him up to Me in the third heaven.

“Talk about fun! He and his New First Family will have fun prior to the Rapture. But as it is said on the earth, ‘You ain’t seen nothing yet’ until he and his

family are raptured up to Me. That will touch off a celebration in the third heaven unrivaled except for Jesus.

“Those two, My son, have much in common.

“The husband first, then his new wife will mean so much to Jesus, especially on all of the judgments. The three of them will become My Triumvirate of judgment that will support every judgment that I, the Father, will make through Jesus.

“But there is more. He will like the surprises that lie in store for him **AND** for his New First Family.

“Remember, there is plenty of time to do the remaining tasks at hand, both before and after I release them.

“Every God Incarnate individual will become a Counselor or a Comforter as Jesus was and as the Holy Spirit is, because he will have no authority of his own but will speak only what he hears.

“Every word that the Counselors speak will be Truth because each word will be given to them by the Father.

“The Holy Spirit as the Comforter, Counselor, and as the Spirit of truth, portends thirteen other God Incarnate Comforters and Counselors, each of whom will be the Spirit of truth, because words they speak will originate from the Father.”

Tuesday, August 28, 2012

“And now, My son, a little more about My New First Family:

“As Earth One was My role model for the earth, the husband and the wife of My New First Family will be My new role models for man.

“My son, for that reason, the wife will be (is) the most beautiful woman you have ever seen because she will be My role model for women forever. She will become to women as a woman, and to men as a woman, what all women and all men admire.

“She will be beautiful beyond comparison. She will be charming, talented and revered by all women over the world. Her natural beauty and charm will be unexcelled. She will be the ideal woman to women and the ideal woman to men.

“She will be educated like her husband. Her demeanor will be without reproach. She is an excellent musician. She will be My ideal woman of all time.

“Everything she does will be emulated by other women. Her natural beauty will be without pride. No

one like her has ever been created on the earth because she will be enshrined forever in My reconfigured Godhead. For that reason, she will be My woman’s woman and My man’s woman as well.

“As Jesus was My perfection for His ministry, so will the wife in My New First Family be My perfection for her ministry. Her ministry will be to become My ideal woman for all time, because she will be enshrined in My Godhead forever!

“Now about the husband in My New First Family: He will also fit the same mold for man. Because he will be enshrined in My reconfigured Godhead forever, he will become a man’s man and a woman’s man, as well.

“He will become handsome beyond comparison and will also have musical ability. Like his new wife, he will be devoid of pride because he will have My heart. And he will also have a servant’s heart.

“He will be naturally handsome as will his new wife be naturally beautiful. **He will be the role model for all men as well as the ideal man in the eyes of women.**

“So those two, My son, will be the best I have ever made because **BOTH** of them will be enshrined forever in the reconfigured Godhead.

“I have reserved some of these attributes until now because of the other things We have been talking about. I have treated the supernatural things first that I may present the supernatural natural things last. **That’s how close We are to their release date.**

“My son, no one will measure up to those two. They will become My **BEST EVER** in order to be enshrined in the newly reconfigured Godhead.

“In My New First Family, the husband and the wife individually, then those two as My ideal couple, will reestablish the honor and the esteem to marriage and the home. Those two, My son, have been chosen **AND** prepared by Me as Jehovah God, to be Me to the world. No two like them have come forth as My representatives to be in My immediate family.

“My son, they will be in **MY FAMILY** Godhead forever!

“They both will become prominent very rapidly on the earth and will both have prominent positions during all judgments and during the Millennium.

“I am going to showcase My New Family members, My son. Those two will be to My restoration

of marriage and the home as Jesus was (is) to the breakthrough over the enemy.

“Those two will be showcased beyond even your thoughts, because they will be in My immediate Godhead family.

“The wife will excel Mary in reverence and accolades because she will become God Incarnate through her obedience, faithfulness and trustworthiness in a world ruled by the enemy. Mary did not have those qualifications. She was not God Incarnate and she did not give birth to a God Incarnate Son, as will the wife in My New First Family.

“**Mary was first and most important** but she did not have to meet the rigorous standards of the six requirements that the wife in My New First Family passed with flying colors.

“And yes, the Catholic and the Orthodox Churches have some “adjusting” to do. You are going to shake up these Churches with your proclamation of truth. But I am going to help you with that. We will both enjoy that together.

“So there before you is some of the future delineated a little more carefully than before, but something you needed to know.

“Just continue to peruse your Notebook No.18 and 19 to secure material to write prophetically about My New First Family, such as:

- (1) “Being involved in all judgments to affirm and to confirm the judgments of Jesus,
- (2) “being in My New First Family and
- (3) “the husband being in My New Triumvirate, and as a leader, will place him, My son, in a coveted position among men without considering his ministry responsibilities.

“So get ready!

“**You will have plenty of time to prophesy these things.** And yes, you will be able to publish some of your journal. Your letters will become collector’s items.

“There are other things held in reserve for the husband first, then for the wife in My New First Family, after I rapture all three of them up to Me

“The accomplishments of the wife will thrust her well beyond Mary in reverence and in importance during her lifetime. No woman will ever come near to the position she will attain among women and among men **and live that experience for the world to see.**

“The husband will have a similar experience or

hold a similar position among men.

“Both of them will have accomplished all of these things while living in a world ruled by the enemy. That is what will make them both noteworthy above all mankind on the earth.”

<finished at 2:46 AM>

Later at 11:00 AM

“My son, did I not say to you that I was not dependent upon electronic gadgetry – even television – or even email?”

“I realize you lost about eight years of work when you lost your address book. But just go about restoring that and keep your eyes on Me.

“My son, I am not dependent on email, as important as that is to you to deliver your letters. Continue to write and post them on your website monthly. They will become important – My son – just as important to Me as though you had your address book back intact.

“Accept your own advice. Keep your eyes on Me while you work on the problem. That way I can handle the problem.

“Find out how you may duplicate your email address book. That would help.

“Finally, turn this over to Me. I can handle it.”

Wednesday, August 29, 2012 at 2:57 AM

“Those prophetic words of My New First Family will reveal the husband to be My most important and revered prophet of all times My son. What I have revealed to you about My New First Family, My New Triumvirate, about all judgments and about My new reconfigured Godhead, must become known.

“And yes, close your next letters in a similar way that you have closed your September letter. That adds My assurance to everything you have said in the letter, which is important for both you and Me. That kind of ending gives an affirmative prophetic meaning to the complete letter.”

Thursday, August 30, 2012

“Yes, My son, just go about doing your writing assignments now, and you will get back into the swing of your exciting ‘toy.’

“No one else has the ‘tools’ with which to write that I have given you. My son, you are unique to every other man who has lived on the earth. Jesus was not a

writer. You are.

“Just go about using the ‘tools’ I have given you and you (We) will do fine.

“Life on the earth is not the main thing. The main thing is eternity. Life is given for one purpose: preparation for eternity.

“Physical life born in sin is the enemy’s work. God is forced to accept the enemy’s work until the second coming.”

Saturday, September 1, 2012

“Yes, My son, the reason I want man to be pure sexually is for Me – for Myself. When one of My people disregards My instructions on purity in the sexual area, it makes Me, Jehovah God, feel ‘dirty’ within.

“Since Jesus was never married, the husband in My New First Family will be able to assist Him at His side, not just at **EVERY** judgment, **but in other things, as well.**

“He, as well as his new wife, will be able to have perspective on certain issues, on certain circumstances, that Jesus did not experience.

“He will be great comfort to Jesus in many areas, as a man who has had responsibilities of a husband and as a father that Jesus did not have. **That alone will be a blessing to Him.**

“Then secondly, the wife in My New First Family will be of great assistance to Jesus as a woman, to give a woman’s perspective, to give a woman’s opinion that Jesus **NEVER** experienced.

“Then, the two of them together will be the third area where Jesus will depend on them. They both in the third area will have judgments beneficial to Him.

“Then, both of them in the sexual area (*fourth*) will be able to counsel (yes, counsel is right) Him in an area He never experienced. But they both will be able to offer counsel to Him from a unique standpoint. **They both will experience sexual gratification as God Incarnate virgins no one else has ever experienced.**

“My son, the husband and the wife in My New First Family will come together as one sexually as God Incarnate apostles. No one has ever done what I have trained and equipped those two to do.

“My son, the husband first, then his new wife, then those two together, will be apostles to

EVERYONE. They will be able to offer to **EVERYONE** counsel and advice in the absolute as apostles.

“Those two will be My apostles to man, to woman, to marriage and to the home as **NO ONE** has ever been equipped to do.

“Those two will be My means to ‘connect the dots,’ as you say, on the sanctity of marriage and the home as no one else has been able (or equipped) to do.

“Those two will become My showcased models to mankind for all times.

“That is the purpose for which I have trained both of them.

“It will be impressive to observe what I have called and trained both of them to do.”

“As Jesus was My only Man to come forth victorious against our enemy, those two will come forth as My ideal man and wife to obliterate Satan’s attack on marriage and the home.

“My son, when the husband in My New First Family, as a God Incarnate man and as a virgin apostle, comes together as one with his new wife, who is also a God Incarnate virgin apostle, those two will content, satisfy and fulfill Me as Jehovah God for the first time eternally.

“Those two will content, satisfy and fulfill Me sexually in the spirit as well, when they come together as one sexually.

“My son, I created sex for two God Incarnate virgins to content, satisfy and fulfill Myself. I am fulfilled completely when two virgins come together as one. But that is not all.

“Both the husband and the wife, in My New First Family, will come together as one, as God Incarnate apostles, to demonstrate by their two lives, My original intent for mankind.

“A single unit in God’s society, in God’s kingdom, is two people – a man and his wife as one – fitly joined together sexually.

“Then when those two, as they have been trained by Me as pure God Incarnate apostles, come together as one, My goal established millennia ago, will have been accomplished.

“But it doesn’t stop there.

“They will want for nothing.” I will provide for them as I provided for Adam and Eve before their

transgression. **The curses I pronounced on woman and on man will be completely reversed in the lives of those two.**

“The birth of their new Son will be a thing to behold – will be a thing of blessing and beauty to the wife – to the husband and to the world.

“Only after the Rapture may I fully show My (Our) appreciation to both of them.

“They will like what I have prepared.

“For man to be pure sexually, My son, was for Me first – then to content man.

“Those two will do for Me much more than they can now imagine. I am grateful for those two – and I will show My total gratitude after the Rapture. Those three (the husband, the wife and their new Son) and I, as well as **EVERYONE** present, will rejoice at their enshrinement into My reconfigured Godhead. Jesus will be the MC. I will look on as a blessed, contented and grateful Father, beaming My joy and contentment.”

Sunday, September 2, 2012

“Now you know how I feel. When My body on the earth (mankind and believers both) engages in promiscuous sexual activities, that makes Me feel dirty – Me, My son, Jehovah God.

“I made sexual activities in man to fulfill Myself and man simultaneously. Man and woman as one sexually fulfills Me as Jehovah God.

“The first installment toward serving man was My Spirit sent on Pentecost morning. Two thousand years later, Godhead baptism is My way to reincarnate My Presence in man as I intended in the beginning.

“Illicit sexual activities makes Me feel dirty, Myself.”

“Illicit sexual activities pollute My body, My prostituted body.”

Later at 1:58 PM

“Jesus, the husband and the wife in My New First Family, all three, perform vital, essential, unique acts of sacrifice and pleasure to God.”

Tuesday, September 4, 2012

“Yes, My son, the GPSpiritually concept you were thinking of is correct. The husband in My New

First Family will be able to translate himself instantly to any address world-wide. This will become a ministry expediency. This is the way I will be able to use all thirteen of them to cover the earth. Each of them will be used in this manner.

“But the husband in My New First Family will be used in special areas unlike the other eleven. I will be able to use him more expeditiously than the other eleven because of what I have taught him.”

Friday, September 7, 2012

“Yes, My son, you’re on the way. You have broken the ice with your letters No. 154 and 155.

“Now you can do some fine tuning: more detailed information on the New First Family, on My back-up for the cross and about Myself as Jehovah God.

“My son, My people do not know who I am. You are to tell them. You are the only one who really knows **WHO** I am. **YOU ARE TO TELL THEM** because you are the only one who knows.

“That’s how important you are to Me **AND** to My call on your life.”

Monday, September 10, 2012

“Yes, the time, the Day of the Lord for the husband in My New first Family, draws nigh.

“He at last, may be realizing the importance of My call on his life.

“My son, nothing like him – no one like him – has ever existed on the earth previously.

“Jesus was the first. But He was greatly hindered in His ministry because He could not boldly declare who He was. The husband in My New First Family will not have that hindrance. When he is released **HE, MY SON**, will have the most powerful and far-reaching ministry that I have ever given to **ANY MAN!**

“Again – no one in the history of Earth One, Earth Two and Earth Three has ever had the opportunity for accomplishment, for success, for admiration, for productivity in the kingdom that awaits him.

“He, My son, is hands down My number two person – My number two man that I have ever brought forth on the earth.

“While he will walk through the most important door that Jesus opened to Me, there the comparison stops. He will exceed Jesus in every category except

one – except the most important one. He will become a phenomenon in **EVERY** category of his ministries.

“As curfew tolls the knell of parting day, the sun is setting on his preparation time.

“Rejoice as this occurs!”

<lapse of time here as Dale came in to hold hands with me and pray>

“Because I formed you in the womb, I am in everyone beckoning all to come to Me. I am at the center of man because I breathed into his nostrils the breath of life. At that moment My breath created man’s spirit and his soul.

“My breath created man’s spirit. As the body without the spirit is dead, so faith without works is dead. When man’s spirit (created by God’s breath) leaves man, he dies.

“Man uses My (God’s) breath, wherein is his life, to breathe in and out. When My breath leaves man, so does man’s spirit and his soul.

“My breath is creative.

“My breath creates man’s soul and his spirit.

“Man’s spirit becomes his life source.

“Man – every man – is therefore inseparably linked to Me – to Me, Jehovah God.

“My breath = man’s breath that sustains his life.

“Man breathes with My breath on loan temporarily until death.

“My breath creates man’s eternal spirit that becomes man’s life.

“At death, My breath that man has used temporarily while he is alive, goes back to Me from whence it came, but at death, man’s spirit (man’s life) and his soul depart from his body. Hence man’s spirit becomes man’s life while alive on the earth and remains the life of his soul at death. **Therefore, once man is created, he is never without My eternal life forever, whether in heaven or in hell.**

“Hence I am the source of all life.

“Mankind is the most important of all life because mankind was originally made as a repository or as a receptacle into which I desire to deposit Myself bodily, in all the fulness thereof, throughout all eternity.

“It was for this reason alone that man, both male and female, were made to have dominion over and to subdue - have control over – all the rest of My visible creature creation on the earth.

“This is descriptive of a perfect civilization, because mankind (male and female) is God Incarnate, and I, as God, the Father, within him, therefore guide and direct all of his activities

“This is the way Earth One existed for millennia until Lucifer’s pride and lust took control of him. Lucifer and everyone on Earth One were originally endowed with the Three Measure Standard.

“Lucifer’s failure, in spite of this endowment and his influence over mankind on Earth One, proved conclusively to Me the inadequacy of being endowed with only the Three Measure Standard.

“Therefore, at the destruction of Earth One, I had to eradicate My original architectural blueprint for the earth, for mankind and for all creature creation to include earth’s angelic government.

“Over the course of time, I added three other requirements to the Three Measure Standard for the “angelic” governing body of the earth and for mankind to live thereon.

“The cost of My failure in using only the Three Measure Standard for both Lucifer and for mankind is incalculable. Lost souls on Earth One alone number in the billions. Add to that the lost souls of Earth Two and Earth Three (*after the flood*) to the present day. Those who follow the enemy to his fiery destruction will continue to increase in number until the Second Coming of Christ after the Tribulation.

“My grief, My untold anguish, disappointment and sorrow at My failure, may not be comprehended with finite mind. Likewise My anger at a fallen Lucifer for his prideful and lustful corruption of himself, his staff of governing angels and mankind on Earth One, knows no boundary.

“***My anger at evil knows no boundary.***⁴ This includes Satan and all who follow him to his fiery eternal destruction. **EVERYONE** who follows Satan will inherit eternity in a lake of fire where their worm does not die nor is the fire quenched.

“All of this is the reason why I chose a back-up for Jesus at the cross. I had experienced too many

⁴This is why God’s fierce anger against evil in the wilderness was manifested in His desire to destroy from two to three million Israelites, who, in the absence of Moses, began to engage in licentious worship rites around a golden calf. God could see with His own eyes the beginning of Satan’s evil that brought about the destruction of Earth One and Earth Two survived only by Noah’s family.

failures not to take that precaution.

“Only two men have been cross material. Jesus was the first. Therefore, My back-up for Jesus at the cross will be enshrined in the reconfigured Godhead immediately after the Rapture. My unneeded back-up man therefore, will become second, behind Jesus in the reconfigured Godhead.

“But that is not all.

“The first God Incarnate woman apostle will soon emerge from her veiled release. She has proven herself in a world ruled by Satan by living within the same six strenuous tests with which I trained Jesus and the thirteen other new God Incarnate apostles.

“For that reason, I chose her as the wife of the man who was the back-up for Jesus at the cross.

“**Those two will become My New First Family.** They will be responsible for opening the second door through which mankind may walk to the complete restoration of **EVERYTHING** Eve and Adam lost personally through their transgression.

“At their unveiled release, those two will shortly thereafter become acquainted and will marry. Thereafter a God Incarnate Son will be born to their union. As My New First Family, they will forever reestablish the principle of man becoming God Incarnate on the earth.

“The wife in My New First Family will have no peer among mankind.

“Although Mary’s contribution was most significant and important, she was not required to pass the six measures required of both Jesus and the wife in My New First Family.

“Mary was not God Incarnate nor did she give birth to a God Incarnate Son. This is why My first and only God Incarnate woman apostle will become the wife in My new First Family, and will be thrust forever into the reconfigured Godhead after her husband.

“Their enshrinement into the Godhead will occur after the Rapture in the third heaven. Jesus will be the MC at the enshrinement ceremony while I, Jehovah God, the Father, will look on with My joyful approval.

“Except for the enshrinement ceremony, these things will occur before the rapture of the church.”

Wednesday, September 12, 2012

“The wealth I will allow to accumulate under the administration of the husband in My New First

Family will reach unheard of heights. This is why I have said the residual will be the beginning treasury for My (Our) Millennial reign from Jerusalem.

“Both the husband and the wife in My New First Family will be very prominent officials in My Millennial government. The judgment of each of them will be without question. **But that kind of reputation will occur before the Rapture.**

“Since they both will be God Incarnate very shortly, **I, within them, will be their internal GPS**, not only with regard to travel but with regard to all of their decisions. Those two will become phenomenons singly within their own right, also as a couple, as well as in marriage and in the home.

“Then, My son, ***the husband, himself, in My New First Family***, will exceed even these high marks. In all of his ministries, he will be able to speak, act and administer in the absolute. No one like him, My son, has ever existed on planet earth! His presence – his counsel – will be sought beyond all others because his **GPS** (Myself within him) will be guiding and directing all of his administrative decisions and activities in the absolute.

“My son, **NO ONE** has ever come forth like him. He will become My showcased model as a man, beyond anything – beyond anyone ever – on planet earth.

“My Solomon made terrible mistakes in his many wives that he brought into his harem. But here again, the husband in My New First Family, will become My showcased model in this area as well. I have already seen to the beauty, the intelligence, the talent, the unexcelled capability of his new wife.

“Both the husband and his new wife will become My showcased examples in **EVERY** area – in **EVERY CATEGORY** of life on the earth.

“The popularity, the adulation, the admiration, the reverence of **EACH** of them singly – then of them as a couple – will exceed anything and everything that I, as Jehovah God, have ever done.

“My son, for the first time **EVER**, I, as Jehovah God, will become contented, satisfied and fulfilled eternally in every area, as those two God Incarnate examples come together sexually as one. My son, I made man (male and female) to complete Myself – **as My beloved wife** – to guide and direct, to protect and to care for, to fulfill Myself first. Then as man (male and female) remained within My guideline boundaries, both of Us were **ALWAYS** – both of

Us were in **ALL WAYS** – blessed and fulfilled beyond measure.

“Because I am Jehovah God, I have no limit in providing for My own.

“The husband in My New First Family knows these things, but, My son, I needed to say them to you succinctly in words as a matter of record, to put **BOTH** of them on the same page – actually on My page – of My Book of Life.

“As an admiring Father, it will be hard for Me to refuse to provide **ANYTHING** – to provide **EVERYTHING** for both of them in real time.

“The moment they are released, both of them will be thrust into eternity forever because they will not die but will be raptured. But because those two are **My New First Family**, they will be thrust into eternity as My Godhead additions forever.

“Those two will be support staff for Jesus both before **AND** after the Rapture. They both mean more to Him and to Me than they may now comprehend. They will need to await the Rapture for My final surprises. But those two will like what I have prepared for them and planned for both of them to do, **BOTH** before **AND AFTER** the Rapture. Jesus is first in importance because of the price He paid for them both. But after Him, those two are My Godhead material throughout **ETERNITY**.

“The three of them as **My New Triumvirate**, will be thrust into roles yet to be announced.

“The three of them, My son, will become My absolute means of destroying the enemy completely. Nothing – no one – will ever rival the importance of those three to Me as Jehovah God. Jesus always first, but those two thereafter, become **My NEW ETERNAL TRIUMVIRATE** forever because those three have become My means of overcoming the overcomer **FOREVER**.

“Those three are the culmination of My planning for many millennia. No Father could be any prouder of his family than I am of those three in the order of their importance to Me: Jesus first, the husband second, and his new wife third.

“Then their new God Incarnate Son is an entirely additional blessing for Me. **He is the one who seals forever My plan to defeat the enemy.** He will be proof to the enemy **AND** to the world, that My plan through love will prevail over the deceit of pride and lust. **That is why the three of them will have prominence forever in the kingdom. The husband and his new wife are evidence of the validity of My plan. Their new Son will become proof of the validity of My plan.**

“And that, in brief, is what lies in store for those two, My son. They will like what lies ahead in store for them.”

After a brief pause

“Yes, the husband in My New First Family, My son, is living an experience that Jesus lived in principle. He is observing My preparing for some things that no one else knows of. There is a vast difference, however, in his case and in the case of Jesus, but the principle is the same.

“He is observing how I bring him through this experience and will learn therefrom of My grace and mercy in such matters of life **AND** of death. Death, as you know, is My graduating ceremony for eternity. The enemy has made it that way. But I make that transition as easy as I can in a world still ruled by the enemy.

“**And yes, more than ample consideration is given – will be given – to the husband, as a member of My New First Family, in this short transitional period in his life.**

“He will have an eternity to absorb My blessings reserved for **My New First Family**.

“My son, the reason I have labeled the husband’s new family as **My New First Family** is because his **New First Family – My New First Family – will become the first family to overcome the enemy – to seal his doom forever.** Why have I called him **My New First Family**? Because that is what he is. My son, his (My) **New First Family**, will become a **FIRST** in the same way that Jesus became My first to overcome the enemy. Those three are **My New Triumvirate** through which I have overcome the enemy. For that reason, those three, in the order I have determined, will become **My First New Triumvirate** to overcome the enemy.

“Those three were chosen as My three to overcome the enemy. But remember, it was Jesus who led the way in which those two have followed.

“A second thing for Me, as Father, however, is the fact that the husband in My New First Family, My son, unknowingly volunteered to be My back-up for Jesus on the cross, had Jesus faltered. That makes him special to Me – second only to Jesus.

“My son, My order had to prevail. The cross had to come first – even though the substitute might have been needed. Had that been the case, My alternate plan would have been set in motion.

“Through man I had to overcome the enemy. And I learned through My failures to have a back-up waiting in the wings.

“You know the rest of the story.

“My people, hear this admonition: these words written by My servant are My truth for today in preparation for eternity with Me. Heed them and be blessed, says the Lord of hosts.”
