Boldly declaring **the new things of Isaiah 42:9** and **the greater works of John 14:12** in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Wednesday, August 1, 2012

"Yes, every day draws you nearer to your veiled release in preparation to be unleashed upon the enemy in My full force.

"My son, shake off disappointment in people and embrace Me in My Entirety, for I am adequate. I am sufficient. I am fulfillment for every disappointment, for every discouragement, for every failure. That is who I am, and that is where I am, and that is why I am there for you 24/7.

"Remember, sin is deliberate disobedience. You have not been disobedient. Keep your eyes on Me, says the Lord.

"When you fail to measure up, I am your success, I am your contentment, I am your satisfaction, I am your perfection. Walk in My love, walk in My contentment, walk in My satisfaction, walk in My perfection. That, My son is where you are headed. That is where We are headed 24/7.¹

"Freedom of the Adamic sin curse and from the Adamic sin nature back to conception in your mother's womb is the only door through which I may enter in My fullness thereof.

"If you secretly long for what the enemy has to offer, you are not going to make it. The plowman who looks back and Lot's wife who looked back, both longed in their heart for what they had left, not what they were headed for.

"This is why all that glitters isn't gold. This is why some who 'talk the talk' do not 'walk the walk.' In the kingdom, it's all or nothing at all. That's why Jesus said, 'Seek first the kingdom of God and His righteousness and all these things shall be added to you.'²

"I must be first – not second, or third or fourth,

¹Notice the first four paragraphs of this letter. I had done something that concerned me, and the first four paragraphs of this letter are the Lord's way of comforting and encouraging me in today's rhema talk. The fourth paragraph is His pure grace.

but first.

"You must put Me first in order for Me to put you first. No other system of priorities will work.

"No one, having put his hand to the plow, and looking back, is fit for the kingdom of God."³

"My son, the dream about the young goat has meaning to you. At the University you had no idea of how to care for the goat or how to go about finding someone to care for the animal. From this learn a lesson.

"When I release you, I, Jehovah God, through the Lord Jesus, will be responsible for all of your activities, just as I was responsible for all of the activities of Jesus in His visible ministry. While your letter No. 93 was about Jesus as "Our Role Model," it also depicted your life **IN DETAIL** when I release you.

"My son, I have capabilities far beyond your ability to grasp now. Only after I release you will you begin to learn of Me in the absolute. The way you learn of Me in the ultimate is for Me to enter you in My fullness thereof. Although that will be effortless, seamless and fluid, that event will place you uniquely in a select few.

"Then when I release the husband in My New First Family, that will place him in Godhead status.

"He will be admired, respected and revered beyond **everyone** today. Then after a short transition, he will become acquainted with his new wife. At that time I will remove from her the wraps of secrecy I have placed around her.

"Then those two will become widely known with powerful individual ministries. As those two then meet, there will be another level (level two) of authority given to them both that will accelerate their prominence in My work.

"Since they both knew of My predetermined foreordained plan for them, their initial courtship has already been accomplished. That may even give rise to

³Luke 9:62.

criticism of both of them, even as did the pregnancy of Mary give rise to criticism of both her and Joseph.

“Their marriage will thrust them both into another level (level three) of prominence. Thereafter, I must carefully select their public appearances so as to utilize their use in My work most effectively.

“Yes, your letter No. 93 was also for the husband in My New First Family, My son. You might reread it if you care to.

“While I will direct all of his activities, he will need a short ‘adjustment period’ to settle in to his new life as the first God Incarnate man to be thrust into eternity forever, while living on the earth in a world ruled by the enemy. That means more to Me than he can know at present.

“But think for a moment. If he is second only to Jesus in My plan for the restoration of man, that is the most significant event of this rapture generation! He is that important to Me.

“He has no idea of seeing, hearing, knowing and acting in the absolute. That will account for his short veiled transitional release. That ‘adjustment period’ will precede My unleashing him against our common foe. Then the real fun starts.

“As you know, Satan has his ‘fun center’ where he sadistically tortures specially chosen victims.

“So do I have My ‘fun center,’ My son. The husband and wife in My New First Family will be ‘My fun center of the earth.’ I will see to it that those two will be known and revered world-wide so as to do the maximum damage to the enemy. As I showcase or as I exhibit those two world-wide, that will bring multitudes to Me. That is their goal. And that is My goal for them.

“Of course, the ministries of the husband will all require attention. But that is My responsibility. I have already seen to that for him. Hereafter, he may just see to the things that I put before him daily and I will do the rest.

“And yes, you may publish My word given to you about Myself on 3/3/11.⁴ That is the most significant writing of this rapture generation.

“My son, My people need to know who I am.

⁴The prophetic word dated 3/3/11 was published in my letter No. 159 available at my website: www.jimash3.com.

“You are the only one to whom I have revealed Myself as I did in My word to you on 3/3/11. That writing plus My word to you on grace would make a good letter.

“You need have no concern about criticism. That, My son, is one of My highest honors. Remember. I have been there. I led the way in My walk to the cross so you could follow without that hindrance.

“You will be able to boldly and loudly proclaim what I have given you, whereas, I was unable to do that.

“Yes, by all means, I want everyone to know who I am and no one alive today on the earth knows that as you do. Proclaim it loudly without fear to become My herald of this rapture generation.”

Friday September 21, 2012

“Yes, My son, everyone is young once, but the husband and wife in My New First Family, and eleven other new God Incarnate apostles, will become young twice.

“That is another incentive for those you teach to listen to your teaching.

“Have I not said that the husband and wife in My New First Family would open the second door through which others may walk (and now you know) to become young twice? **And not only will you and the twelve become young twice, you will become young forever.**

“My son, this is not only what you and the other twelve new apostles will have acquired – that you will possess eternally – **but this is what you will be able to make available to dedicated servants of Mine who will listen to your teaching. Those who listen to your supernatural teaching will be able to become God Incarnate like you and the other twelve!** That’s what it means by opening a second door through which others may walk. Those who become obedient to your teaching will, as you have prophesied in your letters, likewise have the opportunity to walk through the door the thirteen of you will open at your unveiled release, to become God Incarnate eternally.

“However, the thirteen of you will have wonderful opportunities that Jesus did not have. Jesus had to be resurrected in order for His gospel to be preached forcefully and openly. The thirteen of you, on the other hand, as God Incarnate apostles, will be equipped to teach others to follow ‘in your steps’ to also become God Incarnate. They will not become

apostles like the thirteen of you, but they will be able to greatly assist you in your ministries.

“My son, the husband and the wife in My New First Family will able to go one step further. With their teaching, those two will be able to give live demonstrations of becoming God Incarnate man and wife, to additionally walk through the doors they both will open **to the complete restoration of everything Adam and Eve lost personally through their transgression.**

“Those two, My son, will be the only two who will be able to successfully teach to conclusion the restoration of everything Adam and Eve lost personally by their transgression.

“So the ministry of those two will have powerful supernatural significance in the restoration of everything Adam and Eve lost personally, that will be unique to the ministry of those two.

“This makes the ministry of those two more important, much more important than that of the other eleven.

“So, here again, is another reason why the husband and the wife in My New First Family will be forever enshrined in the reconfigured Godhead. Those two will open two doors that no one else – that no two others – can open for the complete restoration of everything Adam and Eve lost personally in their transgression.

“Did I not say that those two would be show-stoppers?

“Those two, My son, will be the only two out of the thirteen, who will tear down the doors that Satan erected that no man could open except those two. It was the husband who volunteered to become My battering ram!

“Those two, My son, are going to open the restoration doors through which others may walk to the same relationship I had with Adam and Eve prior to their transgression.

“Twice young and thrice blessed describes those two My son.⁵

⁵The three blessings are, (1) to become God Incarnate, (2) to become married to another God Incarnate apostle to restore everything that Adam and Eve lost personally in their transgression and (3) to be enshrined forever in the finally reconfigured Godhead. All praise, glory and honor to God and to His precious Son, for making all of this possible.

“They are going to be unique among the thirteen which is another reason why the husband, My son, will become their leader/mentor.

“So it’s ‘roll up your sleeves and get ready time’ for him. He (Ourselves within him) is going to blow the lid off of conventional Christianity!

“I have urged him to be bold in his assertions, as I know he will. He knows how to do that, but I have admonished him to tell it all, My son.

“New admonition? Yes! New challenge? Yes! New opportunity? Yes! But new blessings for more souls than any one man has ever reached before!

“This not his burden. The burden is Mine.

“This will be his time to shine as a new light in the kingdom for the world to see, in preparation for the Rapture!

“Be blessed this day, My son.

“As Joseph rose to second in command to Pharaoh, so one will come forth to become second in command to the King.”

Monday, September 24, 2012

“Yes, My son, your Day of the Lord, the Day of awakening for you is at hand.

“The Day of awakening means the Day you become God Incarnate. That will truly be your Day of spiritual awakening when you will be able to see, hear, know and speak in the absolute

“My son, one born in sin who lives in a world ruled by Satan is dead to the true spirit world. He is therefore at the mercy (control) of the enemy until he hears the Gospel. After he responds to the Gospel and is born again, that is the first step to removing his blindness – to coming out of the enemy’s darkness.

“The second step is Spirit baptism. One then begins to ‘see,’ that is, to perceive the evil spirit world. That has been man’s accessibility state⁶ until the rapture generation.

“Only in this rapture generation have I made available to believers that blessing of hearing My voice 24/7 as I have taught you.

⁶“Accessibility state” means that one has access to the capacity or the ability to “see” or to “perceive” in the evil spirit world for the first time. Until this occurs, one may obtain from the bible an intellectual concept of the evil spirit world, but will be unable to participate more fully until Spirit baptized.

“Hearing My voice 24/7 is but a prelude or an introduction to Godhead baptism. That has been My objective ever since the destruction of Earth One.

“The preparation for My objective began with My activity at Genesis 1:3. **Godhead baptism has been My objective since a fallen Lucifer stole My first cherished wife on Earth One.**

“My son, getting to this point at which you have arrived today has not been easy. Not only have I had to deal with the enemy in the seen world, but I am constantly at war with him and his agents in the unseen world.

“This is why I, as Jehovah God, am so excited about the thirteen of you being released as God Incarnate apostles. Then **EACH** of you will be able to assist Me to bring in the abundant harvest. Only as you become God Incarnate, will you be delivered from the world of darkness into My marvelous light to overcome the enemy.

“Only then may I guide and direct **ALL OF YOUR** activities. However, only as the thirteen of you are released Godhead baptized, will you be able to assist Me to overcome the overcomer.

“The reason this has taken so long is that I, as Jehovah God, have been fighting battles in both the ‘seen’ world and in the ‘unseen’ world. **As I recently said to you, your release would be delayed, but only slightly, because I had been involved in an emergency in the heavenlies.**

“A delay of twenty-one days in answering Daniel’s prayers was just such an emergency in the heavenlies. My son, I am short-handed in My spiritual warfare battle. That’s why it has taken so long.

“But at long last the thirteen of you will be able to greatly assist Me to reap the final harvest before the Rapture.

“When you are fully released as God Incarnate, you will more fully understand what I have been up against in this battle. *You will not like everything that you see, hear and know.*

“The purpose of signs, wonders and miracles is faith in Me as Lord. This is what all thirteen of you will be able to do most effectively. And you will be able to demonstrate this for all the world to see.

“You will have the same problem that I had. The common people accepted Me gladly,⁷ but the religious authorities gave Me the most trouble. You

⁷See Mark 12:37 (b).

will have ammunition to deal with them that I did not have. You and the other twelve will be able to boldly state everything about Me that I was unable to do.

“Then your teaching will raise up noble assistants to enter the fray in assistance. That is what will bring in the abundant harvest before the Rapture.

“As all thirteen of you are fully released, you will not be able to assist Me in the heavenlies, but you will be able to fully enter into the fray in the seen world which will relieve Me to give attention to activities in the unseen world.

“That is what will bring this war to its climax at Armageddon when We will return with Jesus as Lord to rule and reign for a thousand years from Jerusalem.

“The husband in My New First Family, My son, as I have said before, will be in a class all by himself among the other eleven, just as his new wife will be also.

“Both of them have assignments that elevate them above all eleven others: The husband, because he was My back-up for Jesus at the cross, plus all of the other activities his ministries will require. His new wife, because she is a first among women – just as he is a first among men.

“Both of them are unique to Me in assignments no one else can do. Their uniqueness elevates them both to Godhead status after Jesus, in the finally reconfigured Godhead.

“That, in brief, is a reviewing of the future.

Wednesday, September 26, 2012

“Yes, you may now be as bold in your writing as I have been in My revelation to you. Be not reluctant to tell it all, My son. Remember, you are writing a sequel to the bible.

“Tell it all. Shed you reluctance. Give it to Me. I will shield you so that your writing, clothed in types and figures, parables, and yes, even riddles, will be real and remembered when the time has come for your full release.

“Leave all of that to Me and proclaim EVERYTHING loudly and boldly that I have revealed to you.

“No one on the face of the earth knows what I have revealed to you. Now is the time to make it known.

“Be not concerned about one letter per month. Write with that in mind, but I may want your publishing

dates to be stepped up. *(this has been done)*

“The important thing is for you to make known in your writing **EVERYTHING** I have revealed to you – that’s **EVERYTHING**, My son.

“Use the new ‘toy’ I have given you. Enjoy doing it. Enjoy the challenge (opportunity), and I will help you along the way, as I have revealed to you that Adam and Eve were My First Family on Earth Two.

Be bold – be thorough – be exacting as I have shown you, for the time will come when you do not have the discretionary time you have now.

Friday, September 29, 2012

“Yes, My son, your idea on concluding your December letter is good. You can go either way – four or six pages. The six-page letter will be more conclusive.

“When you finish with that one, review your (My) check list.

“Realize **AND** remember you have been given so many new things that they seem commonplace. That is the way of My teaching to **EVERYONE** who will learn to listen.

“Learning to listen to My voice 24/7 is the most important thing you have to teach, because that shifts responsibility to Me for one’s life – both on the earth and after death or after the Rapture. When one learns to listen and faithfully puts Me first **EVERY DAY**, I can then shape, mold and make that one into My image in a fallen world.

“Learning to listen to My voice 24/7 is but the prelude to becoming God Incarnate – yes – that is right – learning to listen to My voice 24/7 is but a prelude to becoming God Incarnate.

“My son, that should be incentive enough for everyone to listen to your teaching, but living in a world controlled by the enemy makes its mark on **EVERYONE**.

“It is hard for man to see what he has been born into and to see what he has experienced, *for a lifetime is really a sham – a farce – forced upon mankind by the enemy.*

“EVERYTHING that is initiated by self and taken to conclusion by self is of the enemy in a world ruled by Satan. And yet, self reliance is taught in the world today from the beginning.

“Jesus experienced that life on this earth but

without the Adamic Sin curse or the Adamic sin nature because the Holy Spirit fertilized the egg in Mary’s womb. But immediately after John’s baptism, God, the Father, made all of His decisions for Him.

“Everyone who becomes God Incarnate has the luxury of having **ALL DECISIONS** made for him by the Father. That is why two God Incarnate people – a man and a woman – get married to form a perfect union where disagreements and divorce do not exist!

“Life on the earth after Adam’s sin has never been normal – has never been designed by God, but has been interfered with and influenced by a supernatural Satan.

“That’s what’s wrong with the world. It may only be fixed for believers in these last years of this rapture generation (1) by becoming God Incarnate or (2) by the Rapture or (3) by death.

“Realize that God’s goal from the beginning has been to replicate Earth One prior to Lucifer’s rebellion. That’s where He is going!

“You may assist Him or resist Him by learning to listen to His voice daily, 24/7, or by refusing to do so. It’s just that simple.

“That is – that will be – the purpose of the thirteen new God Incarnate apostles. Through their ministry, they will be able to teach believers to become God Incarnate with a shorter learning curve than you have had, My son. But remember, the learning curve of the husband and the wife in My New First Family has been longer than the other eleven because those two have been chosen to render the death knell to Satan by becoming My *New First Family*. That entails more – much more – than becoming God Incarnate. Those two will become pioneers.

“Those two will tear down the barrier, the door of denial erected by a fallen Lucifer. Those two will be first in that (their) area as Jesus was first in His area of ministry.

“So those three will become My New Triumvirate comprised of (1) Jesus, who defeated Satan’s lock on death for mankind and (2) the two members of My *New First Family* to reverse curses pronounced on man and on woman as a result of Adam’s sin.

“So there again, in brief, is a good summary of what lies ahead for My New First Family, My son.

“Yes, it is true – I have taught you so many new things that they have become commonplace to you. But

that is My doing, I realize. But that is – but that was – the only way for you to actually ‘live’ or to ‘experience’ the ‘new things’ so they would become a part of you instead of becoming a ‘rote’ memory.

“When you live it, you remember it.

“Things learned by rote memory may be unused and forgotten.”

Monday, September 30, 2012

“Your prayer to be able to boldly write what I have assigned you to do is answered. You will be so empowered because I say and because I have said these things to you.

“Be not reluctant to allow yourself recreational time away from your (My) writing. That will give you needed refreshment for both of Us.

“I will not let you lose any of the edge of being on the cusp of the greatest writing assignment I have given to any man.

“My son **NO ONE** knows what I have given you. And the fact that you have kept a meticulous journal for lo these many years is more valuable to Me, to you, and to countless others, than you may now know.

“Again, I say to you, you have no idea of the importance to Me, as Jehovah God, of the husband in My New First Family. That will begin to become evident after I release him, but he will need to experience My enshrinement ceremony in the third heaven in order to begin to fully grasp his importance to Me, as Jehovah God.

“My son, it doesn’t get any better than that!

“After Jesus, he is at the top of My list in importance for **ALL TIMES**, with the only exception of Jesus. Everything I have given him do is predicated on His work and sacrifice at the cross. Then for three days and nights, His work provided the basis for His resurrection power **AND** authority to become My **SECOND** in authority forever.

“But remember first, had Jesus failed Me, the husband in My New First Family would have taken His place – **he would have been crucified!** So that tells Me, the Lord Jesus **AND** the world, who he is **AND** I will see to it that others of My prophets will point to him, to confirm **EVERYTHING** I have said to him about Me, about himself, about the Lord Jesus and about end-time events.

“He will be heralded as the most important man

to ever come forth as My servant since Jesus. That puts him in a position **NO ONE ELSE** has attained for Me.

“He will be welcomed, My son, to My family of six that became five – to My family of five that becomes three – to My family of two that becomes three.

“Then comes his new wife. She, just as he is, and even more so, is unique to Me as Jehovah God. She, in one sense, is even more unique – even more rare – than he is.

“She is to woman as Jesus was to man.

“She will be My role model forever for all women. Never have I brought forth **ANYONE** like her. Her beauty will be unmatched. Her role among women **AND** among men will be unmatched. The fact that she will become My first woman to give birth to a God Incarnate Son, is one thing. But the fact that all three of them will be thrust into eternity, to become My first beloved wife in eternity forever, says more – much more – than they may comprehend now. They will just need to await My several surprises for them after the Rapture.

“And yes, the family of the husband in My New First Family, knows of his importance to Me, and yes, his mother and his father will be singled out for recognition at his enshrinement ceremony. And his sisters will be present for his enshrinement as well. And all of his family will be present to observe the significance of his enshrinement.

“I have overlooked nothing.

“All will be done for My glory.

“Those two, as My First New Family, will be thrust into eternity forever to fully content, satisfy and fulfill Me as Jehovah God for the first time ever. This places his (My) New First Family in the same position to man, as the position Jesus was placed in to man. They both occupy the same relative positions for Me. Jesus, first, of course, the husband second, as My back-up for Jesus at the cross, followed by his New wife, form My complete restoration family of all times.

“Yes, the husband, his new wife, **AND** yes, even their new God Incarnate Son, are all in for more than I may reveal to them now. But their time will come.

“And yes, as the husband in My New First Family is released, he will want for nothing. The wealth he will accumulate for present – and for future use will become unrivaled.

“Then his activities, the activities of his new wife and of those two together, will elevate him to recognition previously unheard of.

“Need I say more?

“This, as you know, will necessitate My careful monitoring of their activities. I will want to place them both in the most advantageous positions to inflict the most damage to our common foe. He is our target.

“Then, the ministries of the husband will kick in full force as he become known. All in all, My son, nothing – no one like him – has ever come along. And for good reason, he will greatly facilitate My final harvest of precious souls. They will become the greatest source of his wealth.

“And remember, the residual will be our beginning treasury at Jerusalem. I, Myself, will see to its preservation for him. My guidance therein will be adequate for I have already seen to that through your RTD.

“Now, how’s that for starters on Sunday morning?

“Yes, I will see to (name omitted) for you. He has helped you from the beginning with your RTD. He will need assistance but I will be present to guide both you **AND** him. You will need additional legal counsel for the world-wide usage of your RTD.”

Later at 5:48 PM

“Yes, birth of a child in one of My greatest miracles. A God Incarnate infant is born under different circumstances than a child born in sin. Sorrow and pain in conception is not present in the birth of a God Incarnate infant, especially when he is a Son.

“My son, the husband and his new wife in My New First Family are making history, first, with him as My back-up for Jesus at the cross. Secondly, his new wife is just as outstanding a phenomenon among women as Jesus is a phenomenon among men. And thirdly, their marriage is also a first to occur in eternity. Then fourthly, those two, then fifthly, those three becoming My New First Family to be thrust into eternity forever, is likewise a unique phenomenon.

“And all of this, My son, is to become My New First Family to become My New First wife in eternity, to content, satisfy and fulfill Myself as Jehovah God eternally for the first time ever!

“Yes, the husband in My New First Family has quite a future ahead of him, My son. More so than he

may realize until after the Rapture. Then is when I may be able to bless him with Myself as I have never done before.

“It is said that you must lose something dear to your heart before realizing its value. That was true of Me and My first wife whom Satan stole. That is why My New First Family means so much to Me. That will become evident after the Rapture.”

Monday, October 1, 2012

“My son, remember, what you are writing for Me is very important to Me. It is also a sequel to the bible. No one else on planet earth knows what I have taught you. Even the other twelve will recognize that I have given you much, much more revelation than I have given them.

“But I need to say this to you again. The husband in My New First Family is much more of a celebrity – much more of a phenomenon as a man, as a God Incarnate apostle – both on the earth and after the Rapture – than he realizes.

“My son, Jesus longingly awaits his arrival in the third heaven. He has accomplished much more on the earth than Jesus did, and yet He is the Messiah. That is unusual but it is true.

“Jesus holds him in high esteem because of what I, Jehovah God, have accomplished in him as a man in the world ruled by Satan. He has been a husband, a father, a provider and a successful business man in the world ruled by Satan.

“Jesus **NEVER** did any of that. He **NEVER** lived under the Adamic sin curse or sin nature. The husband in My New First Family has spent his entire life doing things successfully that Jesus **NEVER** did. For these reasons, Jesus esteems him very highly – more so than any other man – because he was also His back-up on the cross. That, in one sense, makes him “blood brothers” with Jesus. The blood of Jesus and his blood have something in common. Both of them were willing to give Their blood to redeem mankind from Satan.

“In another sense, there is a blood covenant between those Two that is unique – a blood covenant that ties those two together forever throughout eternity, that is also unique.

“My son, he is inseparably tied to – inseparably linked to – Jesus as a blood tie that is unique between the two of Them.

“Those Two are related to each other by blood

as no two others are related. And he, My son, is blood connected to the Lord Jesus inseparably. He is closer to His blood than any of the brothers or sisters or the mother of Jesus.

“My son, his blood, and the blood of Jesus, are the same to Me, as Jehovah God!

“When he unknowingly volunteered to be My back-up for Jesus on the cross, his blood became the same to Me, as Jehovah God, as the blood of Jesus was to Me. They Both, My son, became My heroes.

“Jesus, of course, is paramount, and most important to Me. But the husband in My New First Family is to Me, as Jesus was, because he volunteered to do what I called Jesus to do.

“I have a special place for him after the Rapture. A place especially reserved for him, just as there is a special place for Jesus. Those two, My son, have a future together as **NO TWO** have ever experienced.

“Both of Them, My son, are My heroes as Jehovah God. Both of them have lifted from My mind and from My heart things I could not do for Myself as Jehovah God. Both of them have done things for Me that I could not do for Myself, as Jehovah God.

“**Now, after that, remember who his new wife is. She is as special to Me as a woman as Jesus was (is) special to Me as a man.** Add to that the fact that she met the same six test requirements that Jesus and the twelve other God Incarnate men apostles met, in order to become God Incarnate, as a woman – and as the first God Incarnate apostle/prophet – to be released into eternity – **and all of this was done as a woman.**

“This is why she, as well, is My hero, because she has met all of My six requirements as a woman living under the Adamic sin curse and sin nature in a world ruled by Satan. **No other woman has done that!**

Now add to that the fact that she is the most beautifully attractive woman I have ever made, to become the wife in My New First Family, and you have what those two will become to Me in their marriage. Those two, then those three, will become **MY FIRST** cherished and beloved wife eternally!

Those two have been prepared for Me, My son. That makes them both more special to Me, as Jehovah God, than they may know prior to the Rapture.

Now add to all of this the birth of their new God

Incarnate Son. **That, in itself, will spell the doom of Satan. My fulfillment becomes Satan’s downfall!**

“No one, My son, like the husband in My New First Family, and no one like his new wife, and no one like his new Son, has ever existed on planet earth!

“Each of those three fills a void in Me for which I have longed for many millennia.

“And that is just for starters **before** the release of the husband in My New First Family.

“He and his new First Family mean more to Me than I am able to express properly until their enshrinement ceremony after the Rapture.”

Commentary

Illicit sexual activities are an indication of man’s departure from God. That occurred on Earth One which was destroyed. Illicit sexual activities also caused the flood survived only by Noah and his family.

Buying and selling and the control thereof (monopoly) is also an indication of man’s departure from God. The iniquity of his trading (buying and selling) was one of the marks of fallen Lucifer on Earth One, as recorded by the prophet Ezekiel.

The same thing will occur during the last half of the Tribulation. Then one must have the mark of the beast on his forehead or right hand in order to buy and sell under the mandate of death for disobedience.

Buying and selling, marrying and giving in marriage, enjoying the weekend and living life to the full was typical of life on Earth One and Earth Two, both of which were destroyed by water.

And both destructions came unexpectedly while man was enjoying life to the full, “living it up” as though it would continue forever.

These are also marks of the imminence of Rapture. At a time when man expects it not, it will occur – without warning – until it’s too late.

Believe this prophet of God. Jesus is coming back for his church – to rapture us out of this world – to spend seven years in the third heaven in preparation to come back with Him at Armageddon to rule the world from Jerusalem, the then capital city of the world.

He’s coming back for His church when you expect it not. The shout of the archangel and the blast of the trumpet of God will be heard only by those of us who are going. What the rest of the world will hear is silence – dead silence. Then the chaos begins.

He’s coming back. Then the fun begins!
