Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Introduction

This letter, like most all of my writing, is unique because the words that comprise the body of this letter are rhema words from the mouth of God.

Once you learn to listen to His voice 24/7 (*and you have that ability*), you will never be the same. You cannot cross over to the way you were previously, which is impossible, because **EACH** rhema word that comes from the mouth of God is alive – is life.

Each rhema word that comes from the mouth of God contains spirit, life, love, truth, light, food (spiritual) and faith (which comes by hearing). Those are seven attributes of Jehovah God.

Those words are creative, cumulative and residual. As you hear them and remain obedient, faithful and trustworthy, in time, you will become God Incarnate. That's the purpose of God making available to sinful man the capability of listening for and hearing His voice daily in the remaining years of this rapture generation.

Learning to hear His voice 24/7 today is a new thing God has reserved for the last few years of this rapture generation.

Only as man learns to do so, may he participate in the glorious world-wide awakening to bring in God's abundant harvest, prior to the soon coming Rapture.

For these reasons – and more – feast your eyes on the rhema words in this remarkable letter given to me on ten different days in October and November of 2012.

Friday, October 12, 2012

"I have trained and brought you slowly to this point in time for Myself, My son. You are for Me – I have trained you, not just for others, but for Me, as Jehovah God, to release Me forever from the mistakes and failures of My past.

"And secondly, because the husband in My New First Family was My back-up for Jesus on the cross, he and his new wife have forever become both My New First (and last) Family **AND** My wife eternally for the

first time ever.

"Therefore, he and his New First Family have become to Me what no two others have ever become and for that, the husband has honors ahead no one and no two others have ever received. They will be elevated into My New Triumvirate at the judgment seat of Christ, to remain at His side henceforth.

"Not only are they special to Me, they are also very special **AND** very essential to the Lord Jesus to provide assistance and support to Him. Those two will provide needed support to Him in all judgments and in administrative duties where He has not had experience.

"So the husband first, then his new wife, then the two of them, will provide to both of Us, the Lord Jesus and to Me, as Jehovah God, blessings no one else has ever been elevated to provide.

"For these and other reasons, those two are now in My God family. They have yet to understand what it means to be elevated to Godhead status, second only to the Lord Jesus. Only at the judgment seat of Christ at their enshrinement, will they **begin** to understand that."

later at 4:10 PM

"Now you may better understand My many mistakes and failures. And remember, for millennia I had no one to whom to confess – to set Me free – as Jehovah God.

"Yes, to emphasize to you again, in a fallen world ruled by Satan, all of Us, to include the 'Great' Jehovah God, do things, yes, even say things, that We shouldn't say that are wrong – that We wish had never happened! But in spite of Ourselves, We may be restored and become justified **AGAIN** by having a private confessor.

"Confession is cleansing, purifying and restorative. And that applies under **ALL CONDITIONS** and supercedes rank or authority of the confessee or of the confessor. It works both ways – in both directions – regardless of the rank of either party. **All of this became effective when Lucifer failed.**

"So remember that, My son. In a fallen world ruled by Satan, righteousness is not dependant upon perfect conduct but upon obedience. I have allowed

that to weave Myself, as Jehovah God, into My robe of righteousness – that others might become righteous by confession of sin, or of faults or of failures, even though they are either inadvertent or deliberate. **So long as activities in a fallen world do not violate My call on your life, you are righteousness before Me – and I am the supreme Judge!**

“All of this, My son, has been brought about or has occurred, as a result of My mistakes – of My failures – and yes, as a result of My impulsive temper against evil. My explosive temper against evil would have caused Me to do something that was wrong, except for the cool head of Moses. He persuaded Me not to add insult to injury – not to postpone **AGAIN** the sacrifice of Messiah – by showing Me My own weakness.

“That, My son, is why I, as Jehovah God, actually revere Moses in spite of his disobedience. **My mistake was greater than his! His solution was better than Mine!**

“This, My son, allows you insight into My mind – insight into My thinking revealed to no one else ever. That’s why you are so special to Me. That’s why I accept **MANY** who do things that are horribly against My way, but do not violate My call on their life!

“In a fallen world, I do not call anyone to perfect conduct. The only reason is that until one is Godhead baptized, he has no basis for perfect conduct.

“My son, I had to learn this about Myself. This is one thing a fallen Lucifer taught Me, as Jehovah God.

“This is one reason why you will see many at the judgment seat of Christ you did not expect to see.

“When one is consecrated to Me in a fallen world, so long as that one is obedient to My call on his life, he belongs to Me. I cherish him forgivingly and lovingly as My prodigal son or daughter.

“In a fallen world, when one is devoted to My call on his life and honors that call, I honor him.

“Now isn’t that simple?

“The rule must work both ways, My son.

“The problem with **THAT** rule, My son, is that **NO ONE** knows it but you. **Now tell it to others! This will set many free.**

“This is why I told you to not get in a hurry with your writing because We have plenty of time. I will provide you with all of the ‘ammunition’ you need and all of it will be based on My conduct.

“Again, isn’t **THAT** simple?

“The evil the enemy causes man to do, I can use in a restorative way for man **AND** for Myself!

“**The perfect society does not exist until everyone on planet earth is Godhead baptized.** And, as you know, prior to Godhead baptism, one must be tested **AND** approved by the Six Measure Standard. That, My son, is My restorative measure for man and it began with Jesus.

“Jesus was not an anomaly – an exception to the rule – He was the rule that must govern mankind – all mankind – to be restored to Me in the fullness thereof forever!”

“AS Jehovah God, as the Ancient of Days, as the one who flung the galaxies into existence, realize that I humbled Myself before man to confess My faults, My mistakes, My failures, to be cleansed by My confessor.

“But also realize, the one before whom I humbled Myself had proven himself before Me and was measured by the same Six Measure Standard I used to train Jesus. The faithfulness of My confessor had allowed Me to elevate (cleanse) him back to conception in his mother’s womb. And he had thus proven himself under these conditions in a world ruled by Satan. He was our target.

“Satan was targeted in My confessions.

“Satan was targeted in My training of My confessor.

“All of that was done by Myself as Jehovah God – all that was accomplished by My confessions and by My confessor, prior to and during My confessions, to defeat our common foe, that once more I might become content, satisfied and fulfilled by My New First Family eternally, and for the first time ever.

“My son, I was set free of Satan’s grip on Me by those whom Jesus saved with His sacrifice.

“Therefore to Him, the Lamb that takes away the sin of the world, be honor, glory, thanksgiving and praise forever.

“My son, in the example I set before man, I used Myself to measure Myself. A rule must work in both directions to be effective.

“I have been cleansed by the one I have cleansed.

“A servant is not above His Master, but the

Master must be measured by the measure of the servant.

“My son, this must be made known to My people. It must become known that I humbled Myself before man, as an example to man, who humbled himself before Me. Therein, I became an example to man who became an example to Me, as Jehovah God.

“I was cleansed through My confessor whose confessor I had become.

“And this, My son, is the power of My love. Hence, man’s love for Me has demonstrated My love for man. That’s how powerful My love is. When self is denied, whether of God or of man, restoration occurs.

“Man must humble himself before Me as Jehovah God, as I humbled Myself before man.

“And realize, My son, full well, that Jesus made all of this possible, while the husband in My New First Family, as His back-up at the cross, is therefore second in importance to Me as Jehovah God. That is why he will be enshrined in the Godhead second behind Jesus.

“Realize as well, what his new wife has also accomplished for women – for all women for all time. She, as a woman, in a world ruled by Satan, in a world where woman was to be in subjection to her husband, was in complete subjection to Myself as her Husband, in order to set women free of the curse I pronounced on woman, because of Eve’s transgression. She became subservient to the law to remove the stigma of the law from woman for all time.

“Her accomplishment as a woman is equivalent to the accomplishment of Jesus for mankind. She set woman free as Jesus set man free.

“And that is why she will also be enshrined in the Godhead at the judgment seat of Christ, immediately behind her husband.

“Those two, My son, have become My treasured wife on the earth eternally, for the first time ever. Those two, therefore, as My New First (and last) Family, will be eternally enshrined in the Godhead behind Jesus.

“And realize, I planned all of this before the foundation of the world (Earth Two).

“It took both Jesus (first) and those two (second) to restore everything that Eve and Adam lost personally through their transgression. This had to be done before the Rapture so that preparation could be made for the Second Coming.

“And know assuredly, My son, the husband and his new wife, as My New First (and last) Family, will have prominent roles to play in support of Jesus at every judgment, and in His administration as He rules the world from Jerusalem.

“Those two will become very prominent and have very visible roles under Jesus, as He establishes His dominion, authority and power to rule the world from Jerusalem.

“And that, My son, is just for starters!

“Then there is their new Son.

“He will be prominent as well, but We will leave that for a future time.

“Becoming God Incarnate as My First Family is the blessing for which I have planned and awaited for more millennia than you care to know.”

“Yes, My son, the things you were day-dreaming about this morning upon awakening are not beyond the realm of possibility, but they may not necessarily be the best use of your time.

“Remember, I will choreograph all of the ministry time of My back-up for Jesus on the cross. And not long after his unveiled release, he will meet his future new wife. As those two get acquainted – then married – their ministry will assume an additional dimension – **AGAIN! Then, My son, he, in My New First (and last) Family, will be the most unusual commodity on the earth – EVER!**

“First, he (and his new wife) will become My own cherished body – My own cherished wife on the earth – thrust into eternity forever. That will content, satisfy and fulfill Me as Jehovah God, for the first time on the earth.

“My son, the husband, as yet does not realize how precious a commodity he is to Me. He (and his new wife) will become My cherished wife on the earth forever! Since this has been done first for Me, as Jehovah God, I must, of necessity, limit his public venues to maximize the benefits to the kingdom.

“No one like him and his New First Family have ever previously lived on the earth in real time, while living in – while existing in – eternity. The reason he will live (exist) in eternity is because he will become God Incarnate. **AT THAT MOMENT** he will conform to the perfection of the Godhead in **ALL ASPECTS**. His transformed body will be conformed into his

twenty-five to thirty-year-old perfect physique to remain there forever. Since he and his New First family will be thrust into eternity the moment he becomes God Incarnate, he will become an anomaly in the real world.

“He will demonstrate to the world the result of obedience. That will bring masses into the kingdom. My son, he and his new wife will be plowing new ground **EVERY DAY** for Me as spiritual warfare against our common foe. Satan is our target. So some of these details must be left to Me.

“His public venues must be carefully planned. On occasion I will plan his public appearances without notice to the public, to obtain the greatest benefit to everyone, including Myself.

“So, yes, in essence, what you ‘saw’ in your early awakening moments this morning is entirely within the boundary of possibility. And both the husband **AND** his new wife in My New First Family, will be used accordingly. But those appearances must be planned by Me so as to be most effective for everyone involved.

“Busy, yes. Interesting, yes. Exciting, yes. Beneficial, yes, but all as spiritual warfare against the enemy so as to bring the greatest number into the kingdom.

“I am saying these things to you and to the husband in My New First Family in advance, so he will be prepared as much as possible for these public appearances. Since I will be in him to provide everything that he says, as well as guidance in all of his activities, all of the responsibility will be on Me, so he and his new wife may enjoy to the full, My planned future for them both.

“My son, no one – no two have ever existed on planet earth like these two.

“I will want the husband first, then he and his new wife together, to visit the other eleven God Incarnate apostles at their ministry locations. That will be a boost to each of their ministries.

“Then, of course, I will be utilizing them both, singly and together in churches. Their ministry visits to churches will attract record crowds. No venue will be large enough to accommodate the crowds at their publically announced ministry appointments. For that reason, many of their ministry appointments will not be publically announced.

“They will understand more about this after they become God Incarnate.

“Let Me say again, for special emphasis: those two will become phenomenons never known previously on the earth. Their security I have already seen to. This is why many of their appearances will not be announced publically, but privately instead.

“In all of this, the husband, then the two of them together as My New First Family, will fit into like a hand fits into a glove, dancing the dance of life together carefree, because I will be the choreographer.

“They will enjoy what lies ahead.”

at 12:15 AM

“Deliberate disobedience is sin and deliberate obedience is righteousness in a fallen world.

“This means that My encounter with Moses in the golden calf incident was not sin. My deliberate act of destruction was aimed at the enemy who had made inroads into the Israelites. My son, they were a carbon copy of the reason I had to destroy Earth One in My fierce anger and also why only Noah’s family survived the flood.

“When man, left to himself, turns to idolatrous worship, he will self-destruct. That is the enemy’s trademark. Lascivious sexual activities caused the golden calf incident to set off My temper against Satan. **The golden calf was originated by Satan.** He was the target of My anger and he shall always be. The destruction of his evil was the target of My anger in the golden calf incident.

“But Moses was right. My way would have postponed Messiah again and would have exposed many more souls to Satan’s evil sadistic activities.

“My deliberate act of destruction would have been justified according to law, but would have postponed the cross of Messiah again. So the cool head of Moses allowed Me to cool off and see that his way was better than Mine, although My retribution against Satan was justified.

“Do you see again how I am like man and how man is like Me?”

later that morning

“The consummation of the marriage of a God Incarnate man and a God Incarnate woman consummates the marriage of those two to Jehovah God.

“When a God Incarnate man and a God Incarnate woman come together as one, they become the

wife of God on the earth.” <concluded at 1:06 AM>

still later that morning at 7:00 AM

“Yes, My son, your January letter (No. 158 dated January 2013) is adequate. And earlier this morning I cleared up two questions you had asked Me:

(1) “What happens when two God Incarnate virgins are married, and

(2) “the sinlessness of Jehovah God in view of His mistakes, faults and failures.

“**Those two things might be good to cover in a letter.** Nevertheless, you have done a very adequate job of making public:

(1) “Your being My private confessor, and

(2) “my mistakes, faults and failures.

“My son, **those are two very important things to Me.** As I have previously said to you, those two things publically proclaimed in your letters will remove the last tinge of My past so I may enjoy the future with the husband, his new wife **and** their new Son as My New First Family.

“My son, you will be another ‘Abraham’ from the standpoint of age. You will be released at ninety-four years of age. But your release, My son, will be unlike the thirteen first apostles. They were not God Incarnate. You will be.

“Becoming God Incarnate is a whole new ball game. Becoming God Incarnate elevates you into another plateau of spirituality. Becoming God Incarnate means living and ministering in an area completely above and beyond the Pentecost Method.

“Pentecost Method growth is limited.

“The Listening Method projects (propels) you into another dimension completely. That dimension is Godhead baptism to become God Incarnate.

“Jesus was God Incarnate during His three and one-half year ministry. He was planted in the ground to bring forth countless others like Him.

“The larger the seed, the larger the ministry. Jesus, as the ‘seed,’ will bring forth multitudes like Him. The thirteen new God Incarnate apostles will all do greater works than Jesus did to fulfill John 14:12.

“And the husband, My son, in My New First Family will spearhead this move of God as Jesus spearheaded the last great move of God.

“The cleansing of the earth by fire, is the equivalent in principle, to the cleansing of the thirteen new apostles back to conception in their mother’s womb, by the nine-step cleansing – purifying – prayer.

“The cleansing of the earth by fire is necessary preparation to the arrival of the New Jerusalem.

“The cleansing of the thirteen new apostles is necessary to their being filled with the fullness of the Godhead bodily to become God Incarnate.

“And the husband, My son, in My New First Family, will be the foremost leader on the earth in all of the end-time events prior to the Rapture. He knows that, but your writing will confirm the fact that he will be projected into the national spotlight as a result thereof.

“Nothing like him has ever come along in the world that Satan rules.”

Thursday, November 1, 2012

“Yes, My son, the Day of the Lord for the husband in My New First Family is nearby.

“And yes, his walk with Me does resemble that of Solomon. When Solomon became king, he asked for wisdom to govern ‘Your people’ and I gave him vast wealth as well.

“When the husband in My New First Family began his relationship with the King (Jesus) at Holy Spirit baptism, he also asked for wisdom – and I gave him what he asked for.

“Now for his future: Yes, he will become renown, himself, for the accumulation of riches – more than riches – actually massive wealth. Don’t forget that the residual will be the beginning of My (Our) Treasury when We return to put down the Armageddon insurrection to begin My (Our) millennial reign.

“All in all, My son, he will excel and exceed Solomon in a number of areas. His being God Incarnate, for example – that’s just for starters. This means all of his ministry activities and decisions will be made in the absolute. Seven ministries Solomon did not have. The enemy will be the target of all of the ministries of the husband in My New First Family.

“He will bring more souls into the kingdom than any other man, which includes the first apostles. Then his seven separate ministries will each stand alone and become known the world over.

“At times, he, and then he and his new wife, will have a translated visit to each of the other eleven to both encourage and to mentor them with knowledge I have given him.

“Then there is his wealth administration ministry. His counsel will be sought as none others

have been. His wealth preservation and usage will astonish others because I will be in him directing all of these decisions. Yes, as I said to you years ago, he will finance ministries. A television network will fall on hard times and he will be called on to bail them out.

“It may be a little delicate to engineer RTD coverage while he will finance the facility, but I will help him with that. RTD administration will attract a lot of attention and will bring in massive sums of income.

“Because of his positions in the seven ministry areas, he will become very visible and I will have those of wealth to give to him. Their confidence in him will become an asset in this area.

“Then there is the teaching ministry of him, of his new wife and of those two together, as My New First Family. As I have said to you previously, no venue till be large enough to hold the crowds at their announced ministry appointments. For that reason, they will have many appearances as a ‘surprise’ to the audience while only the one or ones in charge will know in advance. This method will pose fewer problems such as crowd management and security.

“So, all in all, My son, the husband in My New First Family has a future unlike any other man who has lived on the earth – all for My glory and all as warfare against Our common foe.”

Friday, November 2, 2012

“My son, the husband in My New First Family is changing biblical history every day he lives now. He is unique to My plan to restore man. He will need to live this day by day to fully grasp what I am doing in his life. Your record of these happenings (occurrences) is also important because, like much of your writing, you likewise are blazing a trail no one else has been on.

“My son, the husband in My new First Family is experiencing these things because he is (will become) second after Jesus in My finally reconfigured Godhead.

“No one like him and no one like his new wife has ever existed on planet earth. Said another way, I have never had a New First Family like them.

“All three of them will hold unique places in My future plans.

“As yet, they have not fully grasped the significance, the importance of being number two behind Jesus in My reconfigured Godhead. Then, to know by My revelation, these numerous things no one has ever known, makes them, not only My end-time

history makers, but also makes you My end-time recorder of history. You are also unique to Me in many areas.

“Jesus knows these things, as well as My future plans for the husband in My New First Family, so He, like Me, excitedly awaits what the future holds for him. He, My son, will be of great help and comfort to the Lord Jesus. He **AND** his new wife will both be of great comfort and help to Him – much more than he is able to comprehend at this time.

“There are things occurring in the life of his new wife that only she is privy to that will make those two more prominent than **ANYONE** has ever been on planet earth – actually on space ship earth.

“My son, I have more than one space ship. Remember that I have said that to you.”

“When the husband in My New First Family becomes God Incarnate, he will have a transference of the absolute into him simultaneously. **He will then have foreknowledge of the past and of the future unlike any other man.** And all of this is preparation for spiritual warfare against Our common foe.

“My son, Satan is Our target. Yes, this is for My glory, but this is because of the death blow he (the husband) will render to Satan as My New First Family.

“Again, all of these decisions will be made by Myself within him (the husband), so the responsibility joy will be Mine in order that his joy might spill over into all of his activities!” <finished at 5:47 AM>

later the same day

“Yes, when he (the husband) is released, he will have foreknowledge of both the past **AND** the future. That, of course, is because within him will be the fullness of the Godhead bodily. That includes the Lord God, the Ancient of Days and the I Am that I Am.

“He (the husband) should **NEVER** let any of this be a concern to him. That, My son, is My part in all of his future life.”

Sunday, November 4, 2012

at 2:51 AM

“Yes, My son, the greater the seed, the greater the ministry, and the longer the preparation, the greater the harvest.

“Yes, it was about fourteen years after his Damascus road experience before Paul began his first missionary journey. And please note that he did not go

until I said ‘go.’ And that was said when five prophets of God were worshiping Me on the day that I called Paul to his life’s work for Me.

“In a similar manner, the preparation of the husband in My New First Family has been longer than Paul’s. More than sixteen years (eighteen years from the date of this letter) of preparation has gone into My training him. My son, believe that he will bring more souls to harvest than all others, to include Paul and all of the other first apostles.

“My son, the ministry of each of My first thirteen apostles (including Matthias) was limited, as of a given time and place, to a small locality. The main medium of delivery or of presentation in the day of Jesus and Paul and the others was one’s voice. What a small area that was compared to today.

“My son, I have had to await the information age before My Gospel could reach the world. And yet, I will not depend on television or on electronic gadgetry. Those expediencies are available now, but the massive harvest has not begun.

“All of these mediums may be used by the enemy and he is taking full advantage of that now.

“However, the time of the husband in My New First Family is at hand, My son. This time I will not disappoint him, nor will his postponement disappoint Me again as well. Remember, I am totally dependent upon man to bring in My vast harvest. And he, My son, is My necessary man to lead the way.

“His new wife has already been released, although her release has been veiled. When I release her husband, she likewise will be unveiled in her release.

“Those two, My son, will do **EVERYTHING** I have prophesied about both of them. Never before in the history of man, have I shown anyone the end from the beginning as I am revealing to the husband in My New First Family, as I transition both of them into new ministries simultaneously.

“All of this is to bless Me, My son, while doing massive damage to the enemy’s stronghold on the earth.”

Monday, November 5, 2012

“The husband in My New First Family does not yet comprehend the impact of becoming a member of My God family. This places him and his new wife into positions no one has ever been in before, for My glory.

“Those two will complete My restoration plan

for mankind that Jesus began at the cross. That is a true statement of My planned intent before the foundation of Earth Two, beginning at Genesis 1:3. It took the work of Jesus and will take the work of those two to restore in principle **EVERYTHING** mankind lost when Adam sinned.

“It seems a little sadistic for Me to say that Adam and Eve were planned failures, but they were. I wanted the record to reveal My true beginning of man as a benchmark for the future.

The reason that Adam and Eve were both planned failures is because I had to use fallen man to bring about his salvation. In this endeavor, Satan thought he had become My master, but he did not realize My dedication to My contentment, satisfaction and fulfillment. Man was made to fulfill Me as Jehovah God, and in this I will not be denied.

“So those two, My son, as My New First (and last) family, will complete in principle My restoration of **EVERYTHING** Adam and Eve lost at their transgression. That was My plan beginning with Genesis 1:3.

“My New Triumvirate will be completed when those two are enshrined in the Godhead at the judgment seat of Christ, as you know.

“All three of them are essential to My restoration plan for man, but as you know, Jesus is first, and His accomplishment was the most difficult. The accomplishment of His mission made the accomplishment of the mission of My New First Family look like a ‘cake-walk.’

“So to Jesus, for both of them and for Myself, as Jehovah God, be the glory for setting all of Us free that His Name might be exalted above all names, to include the three of Us (*God and both members of His New first Family*).

“Jesus set the high mark in His calling, and those two have followed in His steps. That’s why ***those three*** will be enshrined in the finally reconfigured Godhead forever.

“Both members of My New First Family will become living icons for Me to showcase to the world, as I lavishly provide them with My abundance.

“After you release your letter No. 158, I will be able to fully enjoy those two as I lead and guide their future. (*Letter No. 158 was released January 15, 2013*).

“No one, My son, has ever even approached what I will be doing in his (the husband’s) seven

ministries. Then he and his new wife together will become My beloved wife on the earth, thrust into eternity for the first time ever!

“For that reason, the anniversary of their wedding will also be the anniversary of My wedding on the earth. The three of Us will become One for eternity as those two God Incarnate servants come together as one in marriage. **In this manner, those two will consummate both their marriage AND My marriage forever!**

“This means the three of Us will begin life together afresh and anew as another unique occurrence.

“And realize what this means to Me! Realize how long I have awaited their wedding, **for their wedding will become My wedding as well.**

“This, in brief, is why I will fulfill the longing of My heart for millennia when I become the abundant supply of their every need, want and desire.

“And yes, for these reasons, I look forward to Our wedding and the consummation of their (Our) marriage more so than do those two.

“This is but a foretaste of their (My – Our) future. As those two are released, they will become living icons from that moment forward.

“This is why I will see to it that their wedding – their marriage – will be celebrated world-wide as none other has been, because **the celebration will be for the three of Us! (God, the husband and wife in His New First Family). As those two will come together as God Incarnate virgins, so will I, as Jehovah God, come together with those two, for I, as well, will be the third Godhead virgin in the ceremony – in the consummation of their (Our) marriage.**

“Now think that through!

“My virgin wife and I, as her virgin Husband, will fulfill the longing of My heart eternally for the first time ever!

“Drink this in. It is all true.

“That’s why nothing those two shall desire will to unfulfilled.

“That’s the way it will be with those two, then with those three (*to include their new Son*).

“Remember, the birth of their new Son will announce the complete defeat of Satan and his forces.

“That is why His birth will set off another round

of celebration – yes – world-wide!

“Get ready, My son.”

Tuesday, November 6, 2012

“Yes, My son, a letter on My marriage as a follow-up to your letters No. 158 and 159 would be a good idea, to include:

(1) “the wedding and its impact first – then,

(2) “the consummation of the marriage, which gives Me, as Jehovah God, a wife for eternity, for the first time ever! Then,

(3) “the birth of their new son will spell the doom of Satan forever.

“Each of these three events is of the utmost importance to Me, My son.

“Each of these three events will touch off unequalled celebration in the third heaven **AND** on the earth. These three events, My son, are what I have planned for and looked forward to for many millennia.

“Remember, My abundant blessings to those two will be additional incentive to others to follow in their steps. Every God Incarnate man and woman who marry will have restored to their marriage and to themselves **EVERYTHING** Adam and Eve lost through their transgression.

Through such a marriage, co-equal authority will be established in the husband and in the wife jointly. Sorrow and pain in childbearing will be eliminated and I, Myself, will become the overall protector **AND** provider for that marriage.

“Every such marriage will become as man was on Earth One until Lucifer’s failure and as Adam and Eve were before their transgression.

“My son, do you now begin to see how much the husband and his New First Family mean to Me? As those three events take place (*occur*), I, Myself, as Jehovah God, will also be restored to My position – to My lofty position – before the fall of Lucifer.

“This is a fourth event that the husband will accomplish as My New First (and last) Family.

“Now he may begin to see what I have been planning in and with him from the beginning.

“My son, it has been restoration all along that I have been planning through his (My) New First Family. And as you know, I had to plan My restoration through fallen man. This is why it has taken so long. Restoration has been my goal from the beginning.

“Man was made to content, satisfy and fulfill

Me, as Jehovah God first, while man's fulfillment would be the result thereof.

"My son, when I am fulfilled, so is My creation.

"My complete fulfillment may only begin after Satan's defeat. That will occur after the birth of their (My) new Son in their (My) New First Family.

"Their new marriage, when consummated, fulfills Me as their Husband. Then the birth of their new Son will announce the defeat of Satan, which will also restore Me to My original estate with My creation.

"The whole purpose of My activities, beginning with Genesis 1:3, has been the restoration of Myself, as Jehovah God, (from My fallen position after Lucifer's failure) to My original lofty position, in complete control of My creation.

"With Satan finally defeated, I will have come full circle to My original lofty position. The governing authority of the earth will have been restored and I will have acquired a New Wife for eternity, all of which will restore Me to My originally intended eternal station.

"As many will follow Jesus to His salvation, so many will follow My New First (and last) Family to complete the restoration of marriage **AND** the home to their original lofty estate.

"The purpose of both restorations is the defeat of the enemy that I, as Jehovah God, may be restored to My original lofty estate in preparation for the New Jerusalem."

Glory hallelujah to the Lamb of God forever, through whom all of this has been made possible.

"Yes, My son, We have a new world now – a world that is marching toward the lake of fire unknowingly. That is where you and twelve others come in.

"My son the world will listen to most anyone who will promise them something for nothing. But that is an oxymoron. There is no such thing as something for nothing. There is always a price to pay. That price may be hidden, but it is always there.

"There is a price to pay for not taking Me and My word seriously. Often times those who are so wrapped up in ministry or in other life activities, do not recognize the need for the essentials of life.

"The essentials of life is Me – Jehovah God – I am life. And I may impart that to anyone – to **EVERYONE** who takes Me seriously, as you have.

What you found – what everyone will find –

when they come to Me and My word for answers, is always more than they realized, in the beginning.

"But, My son, the husband in My New First Family has a more powerful weapon in his hands than Thurman Scrivner¹ has in his. He has Me – in one sense – in his 'hands,' so that he may offer Me to anyone – to everyone – who will come to My fountain and drink.

"Very soon he will be able to offer Me – living water – to everyone who comes to him. He will be able to offer living water to everyone, the same as Jesus did, who will come to him by faith.

"This will take a small adjustment to get used to, but as I said, it will be like trying on a new coat that will be 'just a fit.'

"He (the husband) and the twelve, will become Me – Jehovah God – to anyone – to everyone – who comes to him (and them) by faith.

"Fret not over the few days that are left.

"He (*the husband*) is well prepared. Better prepared than any of the other twelve. And that is just for starters.

"Everything I have prophesied to him will come to pass – beginning very soon.

"(Name omitted) is like many others. He was busy with things that were important to him while neglecting the most important thing in his life. Many devoted servants are like that, My son. Many of my servants will be taken (*to their early death*) by the enemy before their time, even though I am not ready for them to come, but that is the way of the enemy.

"My son, your inquisitive mind is a great asset. That is what led you to Thurman Scrivner and shortly thereafter, I began to teach you Myself.

"In Thurman Scrivner's way, you do the work.

"In the Listening Method, I do the work.

"My son, you have **MUCH** to give – and soon."

You are special to our Lord. To find out how much time you have left to serve him before its too late, read my letter No 146 on the Rapture available at my Website: www.jimash3.com.

¹Thurman Scrivner has a healing ministry and teaches his effective method in his church at Justin, Texas. He taught me a lot about healing and about how to walk in good health by living and using the word of God as a weapon against illness. In Thurman Scrivner's ministry or methodology, you do the work as you speak and live the word, while God rests. In the Listening Method, by learning to hear the voice of God 24/7, He does the work while you rest. That allows you to grow exponentially instead of incrementally in the "Pentecost Method."
