Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this rapture generation

RHEMA TALK FROM JIM'S JOURNAL

Saturday, December 28, 2013

"Astronomy is the science of celestial objects, space and the physical universe, while in reality, astronomy is the knowledge of God before **AND** after the fact.

"Because God, who exists in eternity, sees the end from the beginning, a physical object originates in the mind of God who 'sees' it as a thought-pattern reality or as a physical fact. He then speaks that physical object into existence to fit the thought-pattern in His mind.

"The thought-pattern then becomes physical reality.

"The same thought-pattern platform created the complete spirit world.

"After God created (formed) Adam, He then breathed into Adam's nostrils, and he became a living soul. Hence, the soul and spirit of Adam were created by God's breath that remained in Adam for him to use. God's breath, therefore, became Adam's breath to activate his respiratory system.

"As the spirit and soul depart from the body, death occurs, and that body becomes as was Adam's body before God breathed into his nostrils the breath of life. That's why James wrote, 'As the body apart from the spirit is dead, so faith without works is dead also.'

"But along with God's breath that was deposited into Adam through his nostrils, God also deposited in Adam the fullness of the Godhead bodily, meaning the three spirit Persons of the Godhead: the Father, the Word and the Spirit. That is the way Adam was created in God's likeness and in God's image as a God Incarnate man.

"Thus, man was created as a triune being, body, soul and spirit, to emulate and to have fellowship with his Creator, who is also a triune spirit Being. Because both God and man are triune beings, they may have fellowship with or communion (intimacy) with, or be compatible with one another, fit for union in marriage.

"The purpose of the creation of physical triune man was to content, satisfy and to fulfill a triune spirit God who wanted a physical representation of Himself in

whom He could live to content, satisfy and fulfill both God **AND** man.

"But the creation of God Incarnate man (Adam) did not fulfill God. Only as a God Incarnate woman (Eve) was created in whom Adam could deposit himself to content, satisfy and fulfill them both in marriage, was Jehovah God Himself, content, satisfied and fulfilled. Only a God Incarnate marriage provides that fulfillment for both God and for man.

"Man was **NEVER** formed or created to exist **WITHOUT** God in His fullness bodily residing within him. Man was created to function only with the guidance and the direction of the Godhead bodily within him.

"Paul called Jesus the last Adam because Jesus was like the first Adam. Since Jesus became God Incarnate immediately after John's baptism, this implies that Adam was also God Incarnate.

"The right to govern God's creation **ON** the earth was given to God Incarnate Adam and God Incarnate Eve jointly, signifying forever that God Incarnate man joined to his God Incarnate wife contents, satisfies and fulfills both God and man.

"The primary reason for marriage is to satisfy, content and fulfill Jehovah God.

"The only way that could occur is for man to act as a receptacle or as a physical container for God who is spirit.

"The original reason for procreation was to fulfill God's loving desire to give abundantly. God lives to give generously. The reason God loves a cheerful giver is because that describes God Himself.

"Since God lives to give, He is discontented, dissatisfied and unfulfilled so long as He is unable to give abundantly to man as His God Incarnate wife. That has not occurred since Adam failed.

"That is why God's new first (God Incarnate) family will once more content, satisfy and fulfill God and free Him to pour out His loving abundance on them to His satisfaction.

"Yes, astronomy is the knowledge of God from the physical side, meaning after creation.

"As you listen to God's voice 24/7, those words

will reveal the ‘how to,’ the ‘when’ and the ‘why’ of bible teaching and events.

“Only as man learns to listen to God 24/7 to pay attention to and to become obedient to His voice (words), may man once again start down the pathway to the God Incarnate status of man.

“Only as that occurs, may Jehovah God, who lives to give, once more be freed to become Himself instead of spending all of His time training man to defeat our common foe.

“This is why God’s new first God Incarnate family will bring forth a side of Jehovah God **NEVER** seen since Adam’s failure.

“This is why God’s new first family will be so special to Jehovah God, to the heavenly hosts, to the church and to mankind.

“God’s new first family is what God has had in mind since before the first Earth Two reconstruction program began with Genesis 1:3. Only as the God Incarnate husband and wife of God’s new first family come together as one in marriage, will God once more have a wife in whom and with whom He may become contented, satisfied and fulfilled.

“Only then will the world and the church see who God really is because of His loving abundance poured out on His new first family. That abundance will prompt many to turn to God with fervor and dedication seldom seen on the earth.

“Hallelujah and glory to our God.

“His patience has endured the test of time prompted by His love for man.

“This is why the husband and wife of God’s new first family will be forever enshrined in the finally reconfigured Godhead alongside of Jesus. Those three, with Jesus first, will be God’s Triumvirate who will conquer the enemy forever. Amen.

“Only as Jehovah God, as the husband of God Incarnate man, is freed to lovingly and lavishly provide for His beloved wife, will He be freed to be Himself once again.

“This is what God had in mind beginning with Genesis 1:3, about 6000 years ago.

“This is what God lost with Lucifer’s failure and with the failure of Eve and Adam.

“This is what will be finally regained forever with the appearance of God’s new first family, as they become one in marriage, to become the first wife of the

Godhead bodily eternally.

“This is what will mark the complete defeat of Satan and his forces since the failure of Lucifer on Earth One.

“Hallelujah to the Lord God of hosts, whose mercy endures forever.”

Dale’s birthday and our 18th anniversary

“Yes, time rushes by. Those eighteen years have been the most productive years of your life **because you have had discretionary time to give to Me.**

“Your prayer time became more productive up to two hours each day through My spiritual warfare teaching. But that was the platform from which to launch your listening to Me. From June of 2004 to November of 2005, I converted you to listening to Me exclusively the first thing every morning.

“It was the Listening Method that became the launching pad for your God Incarnate ministry.

“Yes, it is new! Yes it is the only way to become God Incarnate. Yes, you are My prophet to teach the Listening Method. And yes, expect to suffer persecution, just as Jesus was persecuted, except for the nails.

“But your overly aggressive faith walk with Me has catapulted you over many to Me and into prominence attained no other way.

“So once more, patience with Me, My son. I am still teaching you essentials for your Day of the Lord and for your Day of man.

“We are on course.”

Monday, December 30, 2013

at 10:19 AM

“When God Incarnate Adam sinned, the fullness of the Godhead bodily departed from him and from mankind. Man was **NEVER** made to live – to function – except as a physical container or as a receptacle for the fullness of the Godhead bodily. God, who is spirit, desires a physical body (mankind) in whom to live to complete and to fulfill Himself.

“Without the fullness of the Godhead bodily within man, man is left only with self to govern all of his activities. Then he will turn to lust of the flesh, lust of the eyes and the pride of life – all of which are of self – to govern his activities.

“Blessings **AND** curses follow, or come through

the man, because Adam was made first. This is why, for example, bible genealogy is traced in most every instance, through the man.

“Abram, Isaac and Jacob, who became Israel, are examples of the fact that blessings come through the man.

“In like manner, curses also come through the man. One example is, ‘The iniquity of the father is visited upon the children to the third and the fourth generation.’

“The reason the law of Moses specified adultery as a capital offense for the woman is because procreation comes through the woman, and God does not want a woman to prostitute her body to anyone or to anything, in order to keep her body pure, so that she might produce Godly offspring as God’s family.

“Hence, here is the foundation of marriage for both man and for woman: As the man lives righteously before God, his blessings will be visited upon his children to the third and the fourth generation, and as the woman keeps herself pure sexually, she will produce Godly offspring. If the man lives an unrighteous life before God, his iniquities will be visited upon his children for three or for four generations and if the woman prostitutes her body before God, she will not have Godly offspring. That is God’s law of marriage.

“The woman’s body is sacred to God because procreation **MUST** come through the woman.

“The reason mankind (male and female) is born in sin is not because of Adam’s sin, but instead, is because Adam’s sin divorced him from the fullness of the Godhead bodily, the source of man’s righteousness and the source of man’s decision-making apparatus. This curse occurred because Adam was made first and because both curses as well as blessings come through the man.

“In the absence of the fullness of the Godhead bodily within man, man is left to himself for instruction, for guidance and decisions, and self is the weapon of choice Satan uses to rule the world.

“Man was originally made as a physical container, or as a receptacle of , or as an expression of, Jehovah God on the earth, to satisfy, content and fulfill a spiritual Godhead.

“Jehovah God, as a spiritual body, is incomplete without a God Incarnate physical body in whom to dwell as His wife, in the same manner that physical Adam

needed a physical wife to content, satisfy and fulfill himself.

“Physical marriage of God Incarnate man (male and female) is a reflection of God’s desire for Himself.

“The law of the spirit, which comes from God, is the desire to have a physical body in which or in whom to dwell. The spirit was made for the body and the body was made for the spirit because the spirit imparts life to the body in all of God’s kingdom on the earth. The only reason man dies is because of the absence of the fullness of the Godhead bodily within him. The moment the fullness of the Godhead bodily enters man, he is translated into eternity (even though he may live in time) and cannot die, because he then exists without sin, the cause of death.

“As God Incarnate Adam was incomplete without God Incarnate Eve as his wife, so Jehovah God is incomplete without God Incarnate mankind as His wife.

“Spirit bodies are incomplete without physical bodies in which or in whom to dwell. The kingdom of God on the Earth was founded on this principle, not just for mankind, but for all life on the earth.

“Man (God Incarnate Adam and Eve), as God’s wife, and as God’s societal unit in His kingdom on the earth, were given joint or co-equal authority to govern God’s kingdom **ON THE EARTH**. Under these conditions, God Himself, within each one, directed all of their activities without conflict.

“God desires a wife in the same manner that a young man desires a wife. A young couple desires children to love and to care for, in the same manner that God desires children to love and to care for.

“A married God Incarnate couple, as God’s wife, is God’s designated societal unit to govern His kingdom on the earth. Under these conditions, the Godhead within each person provides guidance for all activities – for all decisions. This is why God’s kingdom on the earth, as He designed it, will work in perfect harmony without conflict, because God does not disagree with Himself.

“This is why God’s new first eternal family will bless and content Jehovah God as His wife, for the first time since Adam’s planned failure.

“God’s new first family will reverse the curses pronounced on Eve and on Adam and on God’s abundance and will fulfill Jehovah God as His wife for the first time eternally.

“This is why the husband and wife of God’s new first family will be enshrined into the finally reconfigured Godhead, second only to Jesus, in a ceremony at the judgment seat of Christ.

“God Incarnate man (male and female) was made for God as His wife. God is incomplete without God Incarnate man as His wife. Hence, marriage is a God ordained institution, the purpose of which is to content, satisfy and fulfill God. In this manner alone may God become Himself again. Likewise, in this manner, God Incarnate mankind becomes God’s beloved wife on whom God, as the Husband, may lavish His life and abundance.

“You can sum up the purpose of the relationship of man to God with one word: **MARRIAGE**.

“God’s new first family will therefore want for nothing. Their every desire, their every need will be provided in superabundance for all the world to see. That alone, will bring many back to Me, My son. And as you know, My new first family will bless Me more than they can know until after the Rapture at the judgment seat of Christ. There a surprise or two awaits them.

“Since you now know that blessings come through the man, you may have a hint of what awaits at that event (*the Rapture*).”

Tuesday, December 31, 2013

“Yes, your present writing needed – needs – to be done before your release, because those letters will put closure on your pre-release writing, and they are very important.”

January, 2014

January 1

“No, My son, it didn’t happen – again (*my release*). You have work to do and I have work to do to complete both your and Dale’s preparation. Those two works must be completed **BEFORE** your release – not **MUCH** work, but work that is necessary.”

January 2

“Your writing may be pursued now. It’s time.”

January 3

“You are finding more than you realized I had given you in your notebooks. Continue through No. 18 as a ‘refresher course’ for your encouragement.

“You are getting on top of your activities now, so continue and We’ll do fine.”

January 5

“Yes, a little more than six years will pass in a hurry. I am aware of that and also aware of just a few of Dale’s needs and a little more of your writing.”

January 9

“Yes, your entries are fewer now.

“Remember?”¹

“Your letter No. 179 is most excellent and the close is good. Just get things together today and I will take care of the rest – I’m good at it!”

January 11

“I know time drags by when you are disappointed, but when that occurs, encourage yourself by reading My encouraging words to you.”²

“Yes, I have My eye on your money. Trust Me. You will have an abundance for all of your needs. I will see to that for you.”³

“Remember – ‘What about gold?’⁴”

Later at 4:55 PM

“**Every spirit was created by God for a physical body.** The reason this is true is because God **NEVER** created anything to die in order to destroy it. It is Satan who comes to steal, kill and destroy **EVERYTHING** he touches.

“The wages of sin is death, and Satan is the originator of sin.

“In Eden before Eve and Adam sinned, all of

¹A number of years ago, God said to me that when the entries in my journal became fewer, that was a sign of my soon release.

²The ‘disappointment’ is an inference that I would be released by December 31, 2013, which didn’t occur. This is not the first time that God has disappointed me by either promising me a release date, or by inferring that I would be released by a certain date, neither of which occurred. Instead of turning to the Psalms or to John’s Gospel for encouragement, God now refers me to encouraging words He has given me, which grow in number day by day.

³More than sixteen years ago, God permitted me to lose ninety percent of my net worth and then said to me that He had allowed that to occur so I would be totally dependant upon Him. And I have been. This affirmation that He would take care of our money needs is a comforting promise in view of the numerous times in the past He has disappointed me over a promised release date that did not occur.

⁴“What about gold?” refers to the 2008 RAV-4 Limited that God bought for me about which I have previously written in letter No. 177, page 6, column one, at the end of the column to include footnote No. 23.

God's creation was created to last eternally. It was sin that destroyed Eden's abundance.

"For this reason, everything that is alive has a spirit.

"With the exception of angels, every spirit was made to occupy a physical body, to fulfill the purpose for which the spirit was created. The body without the spirit is dead.

"Demons are disembodied spirits of the pre-Adamic earth (Earth One). Demon spirits are therefore not comfortable without a physical body in which to dwell and for which (or for whom) they were created. This is why demons desire a physical body.

"Since **every spirit** was created to occupy or to life in – or to dwell in – a physical body, Jehovah God, Himself, as a spirit Being, is incomplete and unfulfilled without a physical body in whom to dwell eternally. That is why Adam was created in whom the fullness of the Godhead bodily could dwell, in order to content, satisfy and to fulfill Jehovah God.

"But Adam, who was God Incarnate, did not fulfill God. Therefore, God Incarnate Eve was created as Adam's wife, so that the two, as husband and wife, could fulfill Jehovah God as His wife, while simultaneously fulfilling themselves.

"God will not – God cannot – marry a single God Incarnate individual because a single God Incarnate man is unfulfilled without a God Incarnate wife.

"Therefore, a triune spirit God is content, satisfied and fulfilled by and through a triune God Incarnate man and a God Incarnate woman, as they become one flesh in marriage, as God's societal unit in His kingdom.

"Before Eve and Adam sinned, in them God's will was done on earth as it is in heaven because God, Himself, guided and directed all of their activities.

"When Eve and Adam sinned, ***death entered into all of God's created life on the earth.*** The restoration of that total loss is what God has been about doing since those two sinned in Eden.

"God, therefore, will restore to His new first family **EVERYTHING** lost personally by Eve and Adam, to include God's abundance. God's curses against Eve and against Adam and against their personal abundance will be reversed by God new first family.

"Those two will become the third 'Adam and Eve' eternally. The abundance God will provide for

them will be without precedence on the earth to include Solomon.

"This is why the marriage of those two will be heralded beyond anything that has occurred on the earth, and will also be received with great rejoicing in and among the heavenly hosts.

"Jesus opened the first door to God.

"God's new first family will walk through that door to open still another door to the restoration of **EVERYTHING** Eve and Adam lost personally by their sin, to include God's abundance. When this event occurs, that will restore **EVERYTHING** Eve and Adam lost personally in Eden, which will free God in preparation for the Rapture.

"The thirteen new God Incarnate apostles must be released for a sufficiency of time to bring in the abundant harvest so as to provide the correct number of raptured angels. That will free Jesus to return a second time to rule the earth for a thousand years from Jerusalem, the capital city of the world."

January 12

"Yes, My son, the time is at hand when someone else will understand your future.

"Patience, My son."

Tuesday, January 14, 2014

"Yes, My son, the bible was written for a fallen world. Satan has been in charge of the world for so long, man thinks only in terms of a fallen world. That's how shrewd, how clever, how intelligent and how supernatural Satan is. He has led man to think that the world in which he lives is normal, which is just another of his lies.

"The world in which we live and in which we have lived since Eve and Adam sinned, is abnormal and will remain that way until Satan and his forces have been either banished from the earth temporarily prior to the Millennium, or banished permanently after the Great White Throne judgment.

"In a fallen world, blessings (as well as curses) follow the man because Adam was made first and because Eve sinned first. God's curses were pronounced on Satan, on Eve, on Adam and on God's abundance in that order.

"Eve sinned first and a stigma fell upon woman. But through woman's womb, Satan was conquered. (*Eve means life-giver*)

"The world of Adam and Eve was perfect.

“Both Adam and his wife, Eve, were God Incarnate, and therefore all of their decisions and activities were directed or approved by God within them. Hence, there was no conflict or disagreement because God does not disagree with Himself.

“The Eden environment in which Adam and Eve were placed was a garden of abundance, created by God to be self-sustaining and perfect for His perfect family of two.

“When Adam and Eve came together as one flesh in marriage, the two God Incarnate individuals became God’s societal unit in His kingdom and simultaneously became His body and His physical wife on the earth.

“When the marriage of Adam and Eve was consummated, they became God’s wife to content, satisfy and to fulfill God, Himself, while that act simultaneously contented, satisfied and fulfilled both Adam and Eve.

“This is a description of God’s kingdom or of God’s economy as designed by God to exist eternally. And this is what Satan destroyed when he tempted Eve and Adam to disobey (sin against) God.

“The sin was charged to Adam because it was to Adam that God gave instructions not to eat of the forbidden ‘fruit.’

“Adam and Eve were perfect before God, because God within them guided and directed all of their activities until Satan appeared on the scene and destroyed God’s perfect arrangement for man.

“In a fallen world, blessings (and curses) follow the man because:

(1) “Adam was made first.

(2) “God told Adam (not Eve) not to eat of Satan’s ‘fruit’ and it was Adam, therefore, who was responsible to God for obedience.

(3) “Eve was first deceived.

“Although Eve transgressed God’s law first, Adam was held responsible because he heeded the voice of his wife instead of the voice of God.

“Since Eve disobeyed first, she became an agent of Satan.

“She so enjoyed Satan’s ‘fruit’ that she enticed Adam to eat, who heeded her voice instead of God’s voice.

“Once those two disobeyed, God’s whole supernatural kingdom, or the world and everything with life created therein, began to age, grow old and die.

“Death is not normal for man; it is abnormal.

“Eternal life is God’s normal way for man –

eternal God Incarnate life as Earth One was for several thousand years and as Earth Two was until Eve and Adam disobeyed God.

“Before they sinned, God knew Eve and Adam would be no match for Satan and had already made specific plans to restore man and to banish Satan and his evil forces from the earth eternally.

“That is what God has been about since long before sin in Eden.

“The first installment on God’s restoration plan for man was the law of Moses, to formally file a divorce decree from Satan.

“Step two in His plan for man is God’s new first family, wherein **EVERYTHING** Adam and Eve lost personally through their transgression, will be restored.

“God’s curse against Eve, against Adam and against their personal abundance will be restored through God’s new first family, soon to make their entry as two God Incarnate apostles, who will become married to replicate the first Adam and Eve on Earth One and the second Adam and Eve on Earth Two. Hence, they will become the third and final and eternal ‘Adam and Eve’ on the earth.

“When the husband in God’s new first family is fully released, that will become his Day of the Lord. On the day he marries his new God Incarnate wife, that day will become known as the Day of man.

“Hence, God, who exists in eternity, will have brought sinful man, who lives in time (established by the solar system), back to God’s perfection that God, Himself, may have a beloved wife in whom and on whom to lavish His abundance.

“God’s new first family will reverse the curses against Eve, against Adam and against their personal abundance and give to Jehovah God a beloved wife to content, satisfy and to fulfill Him **ETERNALLY FOR THE FIRST TIME EVER!**

“This is why those two will be enshrined into the finally reconfigured Godhead, second only to Jesus, as God’s New Triumvirate. The husband and the wife of God’s new first family will be at the side of Jesus **AT EVERY JUDGMENT**, to confirm every word of judgment of the Father, through the Lord Jesus, because those two, as husband and wife, with a God Incarnate Son, will have experienced events in life that Jesus did not experience as the only begotten celibate, God Incarnate, Son of God.

“Only as the world and the church sees God’s

new first family, will they know what God considers as 'normal' for mankind.

"The perfection of, and the abundance that God will provide for His new first eternal family, will draw multitudes to Jesus as Savior, Lord and Redeemer, as spiritual warfare against the enemy in the absolute.

"All glory, honor and praise to God, the Father, and to His precious Son, through whom all of these blessings will come. Amen.

"These things, as described in this prophetic word from God, must take place as an ennobling activity in preparation for the Rapture."

Later at 3:47 PM

"There are five baptisms revealed in scripture:

(1) "The baptism into Moses in the cloud and in the sea.

(2) "The water baptism of John the Baptist unto repentance for the remission of sins.

(3) "Holy Spirit baptism at Pentecost.

(4) "Water baptism into Christ upon belief in Jesus.

(5) "God Incarnate baptism into God for the restoration of everything Adam and Eve lost personally because of their transgression."

Wednesday, January 15, 2014

"Yes, with each passing day, the time grows shorter. You are walking toward something greater than you have the knowledge to assimilate intellectually. Only in the spirit, with your new clothes on (*your Rapture clothes*), will you be able to begin to comprehend what I have for you."

Thursday, February 20, 2014

"Now you may both write and publish to your heart's content, **EVERYTHING** in your journal. But that is not all. Those words are alive – they have an eternal life of their own.

"Therefore, as you begin your new writing vision – your new writing assignment – that writing will become a container of Life to impart Itself to whomever hungers and thirsts for righteousness.

"That is the way of My Word – the way of My words.

"What you have in the beginning may remain intact. Or since that Word – since those words – are alive, they likewise may grow by fragmenting into many parts which is the way of My rhema words.

"My son, My rhema words are alive – they are Life, and as such, they remain that way forever. That is the way of My eternal life. My Word is a Person who is eternal.

"Remember, My Word – My words – to you – are literally a Person whose Life is in Itself, or whose Life is in Himself, to live eternally.

"Written words exist because of sin. Written words are provided to guide one to Me as they impart My life to the reader or to the hearer. A listening ear beckons Me.

"Written words are necessary because of sin. Before sin, there were no written words because there was no need for them. As man begins to grow into Me again, the need for the written word will gradually diminish because one who is God Incarnate has – he will have – within Him the fullness of the Godhead bodily, and therefore will think, know, speak and act in the absolute.

"Once everyone becomes God Incarnate, My kingdom – My economy – will function in complete harmony – the harmony of perfection – because I, Jehovah God, will be within guiding all of their activities to fulfill Myself, while simultaneously each God Incarnate individual will be fulfilled.

"My son, that is where We are going.

"See what you have started.

"And remember also, the three members of my new first family will play a greater role in My old Jerusalem during the Millennium, and in My New Jerusalem, than they may know at present.

"The 'It is written' is because of sin, and was (is) given to bring man out of sin to his permanent existence once more.

"This, My son, is what they have started – this is what my new first family has begun for Me.

"This is why, after Jesus, the husband, then his new wife in My new first family, followed by their new God Incarnate Son, will be My first new 'Starter' family eternally.

"Those three are the new beginning of immortal life on the earth, which is the end of My planning, and those three are the end of mortal life on the earth, for that new beginning.

"Time grows ever shorter as we look for His coming to rapture us up to the third heaven – the New Jerusalem-in-waiting."
