Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this Rapture generation

At 10:45 PM on August 16, 2016, God spoke to me and said:

My Son, I want you to write for Me a brief synoptic overview of My eternal plan. Start from the beginning before creation, according to the thoughts I gave you while you were still in bed this morning.

This writing does not need to be as detailed as is most of your writing, but simply a brief overview to reveal My plan from the beginning.

My loneliness – man to fulfill Me – My first failure – My plan for redemption – the beginning process in the Earth Two world – then the rest as I will lead and guide you.

Don't make this writing too detailed. That is not necessary. Your past writing is sufficient for details. The brief synoptic overview is adequate, and you are the only one who can do that.

That's enough for tonight if you prefer.

There will be plenty of time left for this, your last pre-release or your last pre-arrival writing.

Take your time. If you do not have enough time to transcribe the finished product, that may be done later.

And that is the introduction to:

A BRIEF SYNOPTIC OVERVIEW OF GOD'S ETERNAL PLAN

In the beginning, before creation, I was lonely and unfulfilled and came to the conclusion that it is not good for God to live alone.¹

I, (that is, We: God, the Word and the Spirit)² am a spirit Being and desire fellowship, communion and

¹These similar words, "It is not good that man should be alone," were written by Moses as recorded in Genesis 2:18, and were descriptive of Adam after he was made and before Eve, his wife, was made of substance from Adam's own body. This is one of the times God prefigured Himself in speaking of others He had created. It is true of God as it is true of man, that it is not good for either of Them to be alone, for a wife is desired for both to content, satisfy and fulfill both God and man. Hence **MARRIAGE** may be considered the purpose of God's kingdom, as summarized in one word.

²God is a triune spirit Being comprised of three spirit persons who act in one accord.

intimacy with someone like Me.

Therefore, man, both male and female, were created in Our image and in Our likeness that I, as Jehovah God, might become contented, satisfied and fulfilled.

"In Our image" means that I have a body with two legs and two feet, two arms and two hands, a head with two ears that hear, two eyes that see, a nose that smells and a mouth that speaks.

"In Our likeness" means "like Us," filled with the fullness of the Godhead bodily, as Our God Incarnate fulfillment.

Since man was made first, through man would My kingdom or My economy be established. Man was like Me. It was not good for him to be alone; therefore, as I made man to fulfill Me, so I made woman to fulfill man.

When My first God Incarnate man and woman came together as one flesh in marriage, I, Jehovah God, became contented, satisfied and fulfilled for the first time ever, while man and his wife were also contented, satisfied and fulfilled.

For this reason, the purpose of My created world may be summarized in one word: **MARRIAGE**, for both man and Myself are fulfilled by a wife and family.

In My plans, each God Incarnate child becomes a member of My family at birth.

As a young God Incarnate man became of marriageable age, I chose a young God Incarnate woman as his wife and brought her to him. As their marriage was consummated, that act of those two virgins also simultaneously consummated their marriage to Me to become My wife and family.

This frees Me to lavish Myself on them both with My supernatural abundance and My unbounded love.

My perfect Earth One world lasted for several thousand years of "unmeasured time" in the absence of the solar system.

My Throne was on the perfect Earth One world governed by Lucifer and his staff of angels.

Lucifer was an archangel, the most beautiful of

My creation, filled with wisdom, perfect in all his ways, an anointed cherub for whom musical instruments were made on the day he was created. He was My most magnificent creation (Ezekiel 28:12 (b)-19).

Lucifer, like mankind in My Earth One world, was filled with the fullness of the Godhead bodily, until iniquity³ was found in him.

When Lucifer rebelled against Me, neither of Us knew what the result would be.

Lucifer became so convoluted, every intent of the thoughts of his heart was only evil continually.

Marriage is the “centerpiece” of My plans for Myself and for man through which each of Us is fulfilled. For that reason, Satan targets marriage and the home with his forces of evil. This is why fornication and adultery, for example, are among Satan’s tools with which he attacks Me and man.

My destruction of the Earth One world and the antediluvian world were both made inevitable by Satan’s obliteration of My plans for marriage and the home.

Under Satan’s vile, evil leadership, mankind in the Earth One world became convoluted into all sorts of hideous, weird shapes and forms to become the evil demonic world under Satan’s authority and leadership.

Both fallen Lucifer and I, as Jehovah God, discovered by experience the result of deliberately disavowing Me in favor of self-worship.

This left Me with only one choice: complete destruction of My Earth One world⁴ to include My beloved wife and family convoluted into Satan’s demonic world.

It took Me several thousand years of “unmeasured time” to get over the disbelief, the shock, the anger, the grief, the despair of My total loss.

Then planning for the recovery of My Earth One world began, and was initiated by My Genesis 1:3 new beginning.

I realized that I would need to create mankind as I did in the Earth One world, to sin and die in order to raise up a Messiah from man who fell. The solar system was necessary to create time in which man would sin,

³Iniquity is deliberate, intentional sin with no thought of repentance, remorse or guilt. (See Genesis 20:5).

⁴A record of the complete obliteration of the Earth One world, ruled over by Lucifer and his staff of angels, is recorded in Jeremiah 4:23-26 together with Genesis 1:1, 2.

age, grow old and die in a world ruled by Satan (See John 12:31; 14:30; 16:11).

Now fast forward to the cross when the death, burial and resurrection of Jesus permitted Him to come forth from the tomb as conqueror of death, hell and the grave. Elimination of the sin curse and sin nature in Jesus was accomplished in Mary’s womb by the Holy Spirit.

It took about four thousand years of solar system time to upgrade the Three Measure Standard to the Six Measure Standard, to include a method to bypass the Adamic (or the Satanic) sin curse and sin nature, necessitated by the failure of Eve and Adam in Eden.

The elimination of the sin curse and sin nature in the new thirteen God Incarnate apostles was also accomplished by the Holy Spirit, who led each of them to pray the nine-step prayer back to conception in their mother’s womb.

Hence, the Holy Spirit performed the same spiritual by-pass surgery in the wombs of fourteen women to eliminate the sin curse and sin nature from Jesus and from the thirteen new God Incarnate apostles, that each one might be filled with the fullness of the Godhead bodily (*bodily* meaning *Persons*), for the Godhead may not enter a polluted body. (See Colossians 2:9).

The ministry of My New First Family and My eleven other God Incarnate apostles will bring multitudes into the kingdom in preparation for the Rapture. In that mass evacuation from the earth, on the way up, everyone will be changed into a God Incarnate body of flesh and bones (Luke 24:39) to conform to the body of Jesus confirmed by the apostle John in 1 John 3:2.

At the end of the seven-year Tribulation, Jesus will then have the authority to send an angel to bind Satan with a large chain and cast him into the Abyss for a thousand years so He (the Lord Jesus) may return to the earth with His Church to rule the world from His Jerusalem, Israel headquarters, during the Millennium.

Soon after the Church is raptured, at the Judgment Seat of Christ, Jesus will call forward the husband and wife of God’s New First Family, at which time in an enshrinement ceremony, both will be inducted into the Godhead. Those two will then be beckoned to the side of Jesus for the remainder of the Judgment Seat activities.

Jesus will then call forward the God Incarnate

Son of God's New First Family, who will also be inducted into the Godhead in a separate enshrinement ceremony. The God Incarnate Son of God's New First Family is special because His birth will spell the doom of Satan and declare God to be victor over him and his evil forces for the first time since the revolt of fallen Lucifer as ruler of the Earth One world.

At the end of the Millennium, Satan will be released for "a little while" to test the validity of believers born during the Millennium.

Then the Great White Throne Judgment will occur. Everyone called before that three-Person Tribunal will be condemned to the lake of fire, including everyone whose name is not found written in the Book of Life (the unsaved born during the Millennium and the resurrected unsaved of all ages), the beast and the false prophet, Satan, his fallen angels and demons, Death and Hades (all compartments of hell).

Then everyone left on the earth in that post-Millennial world, will be "raptured" or "evacuated" to the New Jerusalem in preparation for the complete destruction of everything that was created, beginning with Genesis 1:3. "On the way up" in that second mass evacuation of the earth, the bodies of everyone will be changed into perfect God Incarnate flesh, blood and bones bodies as was everyone born in the Earth One world, and as everyone will be in the New Jerusalem.

This mass destruction of everything created, beginning with Genesis 1:3, will begin with a great noise, after which the elements, the heavens, the earth and the works that are in it, the solar system and the stars will all be destroyed – will melt by fervent heat. (*sounds like hydrogen fusion unlocked by God's omniscience and omnipotence – see 2 Peter 3:9-12*).

Soon after our arrival at the New Jerusalem, Jesus and all three members of God's New First Family (all four members of the enlarged Godhead Family) will be called before God's Throne. Each of the Four will take their place before the Throne, from left to right: Jesus, the husband, his new wife and their God Incarnate Son.

Then each one, one by one, with Jesus first, followed by the other three in order, will lay their crowns at the feet of God and relinquish back to the Father, all authority previously given to each one by the Father, or by the Lord Jesus, so that God, Himself, may once again become all in all, confirmed by the apostle Paul in 1 Corinthians 15:24-28.

Then, you may ask, who will govern the new earth on which the New Jerusalem lies, to include the other planets previously created outside of the solar system, and the additional planets that will become necessary to accommodate God's ever-expanding perfect God Incarnate population where there will be no tears, no pain, no sorrow, no death and no night. And the answer is God, Himself, on His Throne, will delegate to each of the four, the same governing authority, previously given to each one by the Father or by the Lord Jesus, all of whom have on-the-job-training and experience.

Then, one by one, in the same order, God will replace each of the four crowns surrendered to Him, and will return to each one His (God's) previously given governing authority so that once again the Godhead will be restored to its original Triune beginning in the Earth One world: God, the Word and the Spirit, and all governing authority will be under God, Himself, as it was originally in the Earth One world.

In the New Jerusalem world, on all other planets now in existence and on those planets yet to be created to receive God's ever expanding God Incarnate population, there will be no night there because God's omnipresent surrounding light casts no shadow of darkness.

Hence, God finally will have come full-circle back to His original beginning, having restored Himself and man who fell, through fallen man, that through the Messiah and God's New First Family, everything stolen by Satan in both the Earth One world and in the Earth Two World in Eden, will have been restored completely.

No greater love exists than the love of God for His creation, as demonstrated patiently over the many thousands of years of both "unmeasured" and measured time, to correct the iniquity of a fallen Lucifer.

To our wonderful God be glory, honor, praise and thanksgiving throughout all eternity. Amen.

THE STATE OF OUR NATION

From 1920 (the year of my birth) through 2012, there have been twenty-four United States Presidents elected. Twelve were Democrats, and twelve were Republicans.

I have personally observed presidential elections since 1940 when I was twenty years of age enrolled in Baylor University. 1940 was the year of Franklin Roosevelt's third nomination for the presidency by the

National Democratic Convention. The slogan adopted by the Democrats for his unprecedented third campaign for the presidency was, “Don’t change horses in the middle of the stream.” As a twenty-year-old young man, I remember being “uncomfortable” with three terms and with that slogan.

In 1940, war was raging in Europe. Hitler and Mussolini’s forces were on a rampage, while Communism under Stalin’s five-year plan, was making inroads among thinkers – professors and students in Cambridge and Oxford in England, and also among a few groups in the United States. And for good reason. In those depression-lasting years, Communism seemed to be working, while Stalin hid his evil deeds from public view.

Germans under Hitler were rapidly emerging from the world-wide depression of the 1930's as their factories were working around the clock producing arms, armament and munitions well hidden from public view, which meant employment and pay checks. That looked good to the thinkers and observers in England, and in the U.S., as well as in other countries.

During those days Stalin and Hitler would receive influential visitors from other countries and give them inflated data to hide their evil deeds. Both men were succeeding, and both were good salesmen.

Now fast forward to December 7, 1941 when the Japanese bombed Pearl Harbor. That got the attention of everyone in the U.S., and our nation became one nation indivisible, singularly focused on the war effort.

Today, however, The U.S. appears to be hopelessly divided – hopelessly, that is, with one exception.

The Supreme Court has decided what was once illegal is now legal – and the end is not in sight.

From a biblical perspective, in the U.S. we are now calling evil good and good evil – and the battle is not over.

The liberal view, however, is, since we are a nation of, by and for the people, the political perspective of “the people” becomes mandatory. What was illegal has become legal mandated by the U.S. Supreme Court, because there seems to be no absolutes in the liberal conduct of mankind. So long as there are no absolutes, public opinion becomes the “norm.” And public opinion is a vacillating target. As that occurs, a nation becomes divided.

There are two opposing supernatural forces at

work in the nations and in the world today: Good and evil; God and Satan. If you believe in One, you must believe in the other, as evidenced by world-wide terror and violence.

In the United States, public opinion is in the “hip pocket” of Satan. The U.S. Supreme Court has confirmed his influence, while biblical principles (the only absolute stabilizing influence of mankind) is tossed aside in favor of a majority vote.

In the eight biblical “Judgments” confirmed by scripture, God’s vote is already published. In essence, God, Himself, does not and will not judge mankind in any of these eight judgments. His word will become “judge” and each verdict is already in. By His word each of us will stand or fall.

His judgments are always tempered with mercy, cradled in love and forgiveness up to the last moment of one’s life.

God, Himself, has declared to me that everyone who follows Satan to the Great White Throne Judgment, will have had multiple opportunities to follow our God, led by the Lord Jesus, which is mercy tempered with love.

Three Gospel writers recorded the words of Jesus that describe our nation today:

“Every kingdom divided against itself is brought to desolation, and every city or house divided against itself will not stand.” (Matthew 12:25).

“If a kingdom is divided against itself, that kingdom cannot stand, and if a house is divided against itself, that house cannot stand.” (Mark 3:24, 25).

“Every kingdom divided against itself is brought to desolation, and a house divided against a house falls.” (Luke 11:17).

But if God defines a problem, He will provide an answer. Here is His answer for our divided nation:

“If My people who are called by My name will humble themselves and pray and seek My face, and turn from their wicked ways, then I will hear from heaven and forgive their sin and heal their land.” (2 Chronicles 7:14).

In the midst of our Civil War, President Lincoln signed a proclamation, passed by the U.S. Senate, and, as directed by the proclamation, publicly declared September 26, 1861, as a day of fasting and prayer for this divided nation to confess its sins, to repent and turn to our God for forgiveness and mercy.

God give us another “Lincoln” in the White House.
