Boldly declaring the new things of Isaiah 42:9 and the greater works of John 14:12 in this Rapture generation

### **Introduction:**

“Noticeably absent from our present bible is evidence of dialogue between God and a believer that is revealed in my writing, to include this letter.

“The fact that God, as our Father, loves us *without that evidence of His love*, is a long over-due blessing discovered by this servant.

“God, our Father, longs for a relationship with His children – His family – that cuts away the facade over God, our Father, to allow the Father's genuine love to be clearly seen – and felt – in person – Person to person – in real time.

“This only becomes possible as what might be called *our self-imposed facade*, is removed from God, our Father, by learning to hear His light, delicate, inaudible voice of love that beckons us to Him forever.

“Once you begin that blessing daily, you will **NEVER** be the same, for, day by day, word by word, He will change you to begin to see clearly – who He is – who longs for that intimate, personal relationship.

“The word I received on two days, April 27 and April 29, 2017, are especially important to me; first, because of the unusual content that includes new revelation never previously given to me, and second, because God has said that this letter, No. 232, will be my last pre-release letter.

“Soon to emerge onto the world scene is one of God's new apostles who will offer the New Complete Restoration Gospel Message blessing to everyone who believes in him, in the same way that Jesus offers salvation from death, hell and the grave, to everyone who believes in Him.

“Count your blessings to realize you are living on this earth when such will soon be available.

“Now feast yourself on God's blessings given to one of His servants:”

### **TWENTY-FIRST CENTURY REALITY REVELATION**

Thursday, April 27, 2017

“My Son, you are of great comfort to Me by just being available at 3:30 this morning for Me to talk to.

“I am so much like you, there are times when I need to unload on someone to help rid Me of My terrible blunder in giving to My perfect Lucifer, all authority in heaven and on earth, as My chosen one to rule over My perfect creation.

“Yes, Lucifer and man, in My Earth One world creation, were perfect, trained by the Three Measure Standard and filled with the fullness of the Godhead bodily and My over abundant love.

“But I was wrong – so terribly wrong. Yes, I, who failed, could not fail – I, who had **NEVER** experienced failure – failed miserably.

“I could not fail because I am perfect and I am God – but how wrong I was.

“Perfect Lucifer, My most beautiful archangel over all other angels, indwelt with the fullness of the Godhead bodily, full of wisdom, perfect in all his ways and an anointed cherub, was My crowning creational achievement, who was given all authority in heaven and on earth, failed Me.

“I did not know how to fail. I had **NEVER** failed before. I literally had to adapt to and adopt the evil ways of fallen Lucifer in order to deceive him to fit into My plan to overthrow him.

“It took Me millennia to recover – to get over the fact that I, as God, could fail. That was almost too much for Me to handle.

“The destruction of My perfect wife and family, and My perfect creation of the Earth One World, was almost too much for Me to handle.

“But I finally worked through My unbelief, My hurt, My grief. and the humility of My failure, before I could even begin to think of a way to redeem Myself and man, and start all over again.

“My Son, I know I have told you these things before, but even though I am God, I am so much like you, I need to go through these things in My mind again and again to rid Myself of the sorrow, pain and grief.

“Then to have you as My private counselor has helped immeasurably to relieve Me of most of My grief.

Yes, I am so much like you, I needed a James 5:16 confessor to rid Me of most of My guilt.

“As you know, the birth of your God Incarnate Son, will relieve Me of the last tinge of My guilt and shame forever.

“It helps me to have you to talk to in times like this. You have been more help to Me than you realize – just to be there and available to hear My confession again. Thank you for being there and for being available for Me.

“But there are other things to see to as well.

“My Word, My Son, is much more versatile than He appears to be. Like Me, My Word is also infinite.

“Here is one way to express that to you.

“Imagine a circle – a 360 degree horizontal circle. Then superimpose over that horizontal circle, a vertical 360 degree circle, Then fill in the concave rounding surfaces to form a round ball. In one sense, that describes the Word, who, like Me, is infinite.

“Remember in 2003 when Dale was to return from England at 5:00 PM on Sunday afternoon at DFW? The Saturday night before, about 10:30 PM you propped yourself up in bed with two pillows, a bible, yellow pad and pen, to read in Matthew and record something you might learn. Then before you could begin to read, I began talking to you. And you wrote page after page until you finally realized that could go on indefinitely. I sensed that thought in your mind and said, ‘Alright, We can cut this off for tonight.’ Your response was, ‘No Lord, I want this never to stop.’ Then I continued to talk to you to fill two or three more pages when I said, ‘We need to cut this off so you can get some sleep and go to church tomorrow.’ I must have given you a total of ten to twelve page of dictation that day.

“And you thought then that I would ‘run out of words.’

“My Son, My words are infinite, even as I am. But the two circles are one of the best ways I know of to describe to you My Word. Another way is a wheel within a wheel Ezekiel wrote about.

“My Son, no one who sees as man sees will ever begin to understand My relationship with you.

“For this reason, as well as others, it will take signs, wonders and miracles to convince the gainsayers and the naysayers of your authority.

“But your successful ministry among the unsaved will soon overcome that, and We are ‘off to the races.’

“And yes, specific performance is the best way now to ‘time’ your release. And as you have requested of Me, I will continue to give you My rhema words to encourage you, as well, for only a short time before ignition and lift-off.

“But it helps Me to have you to talk to. There are times when I need someone just to listen to Me so I can unload My past – again.

“But all of that will be forever disposed of with the birth of your God Incarnate Son.

“Thank you for listening.

“Thank you for being there for Me.

“We in the Godhead look forward to your eminent release.”

Later at 1:05 PM.

“Now My Son, more about the ball I mentioned. It is larger than you think.

“It encompasses the solar system, the stars and My worlds beyond – yes, I have more than one world. But that is not the limit, because I am infinite.

“Then there is something you need to know about Me and yourself.

“Because you are made ‘in Our image and in Our likeness’ you are an infinitesimally small Me. Yes, that’s right – not as man is now, but as God Incarnate man was before Lucifer failed, and as Jesus was in His visible ministry, and as you will be at your God Incarnate beginning, and as those are – or as those will be – who believe in your New Complete Restoration Gospel Message blessing.

“Man originally was an infinitesimally small Me – God, that is. That is why We are so much alike. That is why man in procreation becomes my wife and family to satisfy, content and fulfill Me while simultaneously man is satisfied, contented and fulfilled.

“That is why My Earth One world was perfect for several thousand years of unmeasured time before Lucifer’s revolt against Me. Remember, the solar system was created to establish time in which man could age, grow old and die in order to raise up a Messiah from man who fell.

“Yes, the solar system, as a sign of the failure of man, was created *before the failure of Eve and Adam in Eden*, because I knew they would fail.

“Man **MUST** worship Me to become perfect or to become perfected. The moment man begins to stray from My perfection, he finds something else more

enticing to the flesh, which is why Satan's lies seem to be more instantly satisfying and available. The flesh gives instant response, while My lasting blessings *seem to be* – more difficult to acquire.

“That is because man has lived in a world ruled by Satan for so long, he (man) measures everything else by the wrong measure. Satan's measure is always misleading. Satan's measure is based on the indulgence of self, while My measure is based on the denial of self.

“That's why, My Son, you are so important to Me. Through your ministry, the reality of My perfect existence will become available to man once more. And that, My Son, is a pregnant sentence.

“I will have more to say to you about My infinitesimally small man and My infinitely expanded Self at a later date.

“My Son, only as you become God Incarnate will you begin to more accurately and more completely see these things.

“As I have said to you previously, Satan has clouded man's vision so that he sees himself instead of Me. That, in itself, is one good reason he is so successful. He calls attention to himself while I call attention to Myself. Whom you worship, My Son, determines your final destiny.

“Isn't that simple?

“Lucifer was given all authority in heaven and on earth, and that was My first and only mistake. The Three Measure Standard, the fullness of the Godhead bodily, and My abundant love proved to be insufficient. But I found that out too late to correct My mistake.

“The cost of My blunder is too great to fathom by finite mind. Only the God Incarnate life may reveal some of those things completely.

“So now you may be able to better understand the importance of your New Complete Restoration Gospel Message blessings to Me. On your ministry hangs the balance of work needed prior to the Rapture and yes, even beyond.

“You are second to Jesus, but a close second, My Son. What I have revealed to you today will enable you to more clearly understand who you are.

“Only as man learns to hear rhema from My mouth daily will he be able to see objectively instead of subjectively.

“Satan clouded man's vision to see himself. My clear vision allows you to see Me. That's where We are going again. Whom you worship determines with whom

you will spend eternity.

“Your new ministry will help Me to clarify man's vision, man's thinking and man's eternity.

“Worship God and Him only is the best and safest path to follow.”

“My Son, hold on, for your time of specific performance is at hand.

“Pay no attention to those dreams. You are Mine forever, remember?

“Would you like a supplement to letter No. 232 you have started? (*This is new*)

“The Word, My Son, is the true creator of everything you see and all creation you cannot see. When My Word comes out of My mouth, It (My Word) becomes 'words' to you, but each of those *words* are also My Word. Isn't that now simple?

“Yes everything I have said to you has been My words, but also My Word, as well.

“So that ties it all together.

“And yes, the name by which Jesus is now called is 'The Word of God.'

“You see, He became one with 'The Word of God' eternally when I sent Him forth with all authority in heaven and on earth.

“We in the Godhead may do that because We are all three spirit Beings, three Persons with one accord and in one accord.

“So everywhere you see My creation results, you see My Word in action through My words.

“Yes, My Son, My Word is powerful. All of My activities are a product of My Word spoken with My mouth, whether spoken constructively as in the Genesis chapters one and two beginnings, or spoken destructively when, with the breath of My mouth, I will speak destructively to destroy the massive armies marching against tiny Israel in the final Armageddon battle – massacre.

“The destruction of the earth, the solar system and the stars will all be destroyed by My Word, My Son, as prophesied in 2 Peter 3:10-13.

“This is why My anger – My rage – is the most powerful force in the universe.

“My destructively spoken Word (words) are just as powerfully spoken destructively as they are powerfully spoken constructively, and Satan and those who plot to destroy Israel – My family-in-waiting – will all be victims of My wrath.

“There is one exception to this, however. Because Lucifer was created to rule the world eternally, I may not destroy Him. For that reason he is impervious to fire, as you have written. So when he is cast into the lake of fire, those who have followed him will suffer his punishment.

“So fallen Lucifer I may not destroy, neither those who follow him.

“But that is also true of every human being. When the sperm of man or the Spirit of God fertilizes the egg in the womb of woman, a tiny soul and spirit are formed eternally, never to die.

“Satan knows that, and now you know that.

“This is why the marriage bed must not be defiled. This is also why I created marriage as a sacred act, for one man and for one woman. Those two were originally created to procreate the earth with My family – with My wife.

“This is behind My prohibition of fornication, adultery, sodomy, same-sex marriages or sex of any kind outside of marriage, which is a violation of My intent for man.

“The creation of life in the womb is a sacred rite of marriage and should not be tampered with under any and all conditions.

“Satan is the originator of sexual promiscuity.

“This will give you some ammunition to use when you are released.

“Marriage of one man to one woman is a sacred rite, and right that **MUST** not be violated.

“That is why in My God Incarnate wife and family, I always chose a young virgin woman and brought her to a young virgin man for marriage.

“This is also why only a God Incarnate individual is under My guidance and direction from the beginning. That is why there is no violation of the marriage vows in My family – in My God Incarnate family and wife.

“I may not – I must not – I will not have anyone in My family or as My wife who is not God Incarnate.

“To say it in the positive: only those who are God Incarnate may be in My family. It was that way originally in the earth One world and will also be that way in the New Jerusalem.

“This does not mean I do not love man as My creation. I do, for I so loved the world I created, that I sacrificed My only begotten Son to begin to correct the

mess I made with Lucifer.

“But that love of God – My love – may only be manifested in total when My creation becomes God Incarnate again.

“That is why My Son, you, your release into ministry is so heralded in the third heaven and in the Godhead. Your God Incarnate marriage to produce a God Incarnate Son, will at long last mark a new beginning for Me, to forever erase from My memory My terrible inadvertent mistake in giving to Lucifer all authority in heaven and on earth, to rule or to govern My perfect creation.

“This is also why, My Son, the aggressive faithfulness in your faith-walk with Us is such a blessing.

“You have yet to realize who you are to Me, your God. That will only become apparent as I now will transition you into My God Incarnate model to become one with your new God Incarnate wife – a first in the annals of man – to produce for Me a God Incarnate Son, whose birth will be heralded far and wide in the same fashion as the birth of Jesus.

“Jesus, first, of course, because of the price He paid; but you, Jim Ash, second, to forever put behind Me the rebellion of fallen Lucifer who became My archenemy.

“Yes, rejoicing in the third heaven has already begun over your immediate release. So get ready. Stay ready for ignition and lift-off.

“Now you will be able to see and understand the exceptions to My original rules had to be made.

“I had to arrange forgiveness through Jesus for those who violate My consecrated vows of marriage, to give Me time to correct My mistake.

“Yes, My exceptions were given because of My mistake in giving to Lucifer all authority in heaven and on earth.

“That, My precious Jim, is what you will correct for Me – that’s for Me – your God – My Son.

“So yes, your ‘coming-out-party’ is already being celebrated in the third heaven.

“I am now ready for you to join Us just as soon as you are able to publish these words for Me, My Son.

“And this, dear Jim, is what I have been waiting on before I could release you.

“So, yes, both you and I, now, may heave a sigh of relief and thanksgiving for your time, My Son, is here.”
